THE FIRST WORD

When WHFS left the air a few months back it was a severe blow to creativity in radio. We are therefore very pleased to report that the entire staff has found a new home at WLOM in Annapolis, MD. They have 50,000 Watts now (WHFS had 3,000) and are applying to get their old call letters back. Direct your calls, letters and records to Bob Showacre and Dave Einstein at WLOM, Admiral Drive, Annapolis, MD 21404, 301-263-1430. Reports will begin next issue. Welcome back!

And in another near miraculous recovery, the *The New York Rocker* will apparently return in 1984, although it is not quite clear yet in exactly what form.

Congratulations to Marty Scott at JEM and his wife Toni on the birth of their son.

When the new Playboy Club opens in New York at Lexington Avenue and 48th Street it will feature a state of the art video setup featuring 75 separate television screens ranging from 12 inches to 10 feet diagonal in size. The Club, designed by Adam Tihany (Club A and Xenon), will have video lighting effects by John Nadom of Light Lab (La Krypton, Paris), sound by Richard Long (Studio 54 and Paradise Garage) and videp and programming by Stephen Katz and Richard Kawecki (Revolver and Midnight Sun). They plan a variety of programming including progressive, Top 40, DOR, AOR, country, soul and MOR. Submit videos and records to Time Base International, Playboy Building, 8560 Sunset Boulevard, Los Angeles, CA 90069.

Big Country is looking for an intelligent, ambitious young person in the New York area to head up their fan club in the U.S. For more info contact Linda Walker at 212-399-7045.

Our congratulations to Gayle Miller of London Wavelength, who has been promoted to Vice President/Director of Music and Programming.

RECORD NEWS: Based on the show we caught, **Halrcut 100** seems to have survived without **Nick Heyward**. They'll have an LP on PolyGram in December. Look for Nicky's solo debut on Arista...In an industry first, **Blotto** is going on tour in support of their new Sony Video 45, with Sony buying radio spots and sponsoring a contest...Look for a **U2** live EP **Under A Blood Red Sky**. The tracks: "Eleven O'Clock Tick Tock," "I Will Follow," "Party Girl," "Gloria," "Sunday Bloody Sunday," "The Electric Co.," "New Year's Day" and "40"...The title of the **Yes** album has been changed from **80105** to **90125**...The new **Jim Caroli Band** album will include a cover of "Sweet Jane."

JACKPOT! SINGLES, TRACKS, ETC.

★ **ECHO & THE BUNNYMEN "Never Stop" (EP cut) (Sire, c/o Warner Bros., 3300 Warner Blvd., Burbank, CA 91510)**—The only new (for the U.S.) studio track on the new **The Echo** compilation EP is one of their most exciting and danceable ever, highlighted by their characteristic vocals and style. Look for a repeat of their college and club success, with some added new music and AOR play.

BOB DYLAN "Sweetheart Like You" (12") (Columbia, 51 West 52nd Street, New York, NY 10019)—The new (est) Dylan is here, sans evangelical overtones, and he seems much more at home without it. "Sweetheart Like You" is our favorite among the advance tracks from **Infdels** (def.: nonbelievers)—it's a trademark Dylan ballad with beautiful guitar work and heartfelt vocals, which has of course always been Dylan's strongest point. Come to think of it, Dylan has always spoken from the heart—wherever it happened to be at the moment.

DURAN DURAN "Union Of The Snake" (12") (Capitol, 1750 North Vine, Hollywood, Ca 90028)—It's a tribute to Duran Duran that they can even release "Union Of The Snake" as a single—it's slower and less obvious than their last few hits. Yet after a few listens it is just as hummable, and even showcases some of the band's signature horn and guitar work. A nice record—a hit.

FEARLESS FOUR "Problems Of The World" (12") (Elektra, 665 Fifth Avenue, New York, NY 10022)—A stirring rap portrait of a neighborhood's dilemma told over a simple, steady and slowly changing beat. The rap is relentless, not letting up for more than a few seconds for over six minutes, with some superb beats tacked on the end which should make for good mixing. It's nice to see the Fearless Four back on the track after the abysmal "Let's Rock."

RCA BREAKING RECORDS LIKE GANGBUSTERS

A big thank you to everyone at college radio for taking The Bongos to the top of the chart.

CRUCIAL!

BUNNY WAILER *Roots, Radics, Rockers, Reggae* (Shanachie Records, Dalebrook Park, Dept. R., Ho-Ho-Kus, NJ 07423)—Bunny Wailer is one of the most mysterious, uncompromising, masterful creators of reggae music. This marks his first American release in three years, although all of the cuts have previously been available on his Jamaican-based Solomonic label. The album's title says it all—this LP encompasses the 4 "R's" lyrically and musically. (Some of you may recall that in 1981 the British Band Stiff Little Fingers did a hard driving punky version of the title track on their album *Go For It!*) Bunny's recent emergence from isolation is anxiously welcomed as he is a major voice and guide in reggae music. "Rockers" seems to have been remixed making it more dance-oriented and it sounds great! Also check out "The Conqueror," "Wirly Girly" and the title track.

Ah-So-Me Chat

Wh'appen... The Reggae Panel held Friday, October 21, during the CMJ Music Marathon '83, left a lot to be desired in terms of organization, but as far as participation and inspiration for future reggae panels, it was a first attempt at gathering various roots-oriented peoples together and next year will be a killer!! Much thanks to all who attended the panel and to the panelists — Peter Simon, Cynthia Abrams from RAS Records, Phillip Smart from WNYU, Lister Hewan-Lowe from WUSB & Clappers Records, Duncan Browne of Heartbeat Records, Bruce Iglower from Alligator Records, Denise Dorb from WITR, Ricky Schultz from Word of Mouth Promotions, Roothie and Dro from the Cool Runnin' Records Posse, Murray Elias from Rockpool and most of all to the "Dread At The Controls," Mikey Dread. An interesting point was raised by Michael Keating from WUMF in Maine regarding college radio making deliberate efforts to organize together to pick certain reggae cuts which one wants to break, and put it into some kind of intentional rotation, playing the song for at least 6 weeks to make sure it's sinking in with the listening audience, seen? If you have any further ideas, please let the Reggae Route know and we'll pass it on to our readers... The night preceding the convention, CMI held the first annual New Music Awards at the Roxy in NYC. **Best Reggae Album of the Year** went out to **Bob Marley & The Wailers for Confrontation**. In addition to Island Records, Al Anderson of the Wailers was unexpectedly on hand to receive the award. It was one of the most spontaneous moments of the ceremony and it was touching when Al came up on stage to get the award... Steve Levine, the Culture Club's producer, is working on 2 tracks with Ziggy Marley and the Melody Makers, children of Bob and Rita... Sly and Robbie are featured on the new Bob Dylan album, Infidels, but there is little roots influence aside from the title of one song, "I And I"... It is very important any time a major commercial artist draws on roots music because it brings these sounds to a larger group of people who might otherwise never discover reggae. In this vein, Lionel Richie continues to break new ground and explore new and different sounds on his newest Motown release, *Can't Slow Down*. His song "All Night Long (All Night)" is spiced with Caribbean rhythms, and is top 5 on the Billboard Hot 100. Perhaps it will influence the listening/buying audience to go deeper, and discover the roots of the music it's based on. Perhaps, too, radio programmers and American record labels will turn to the roots that are making platinum records for these artists... Mutabaruka's 12" single, "Ode To Johnny Drughead" has topped Bob Marley's *Confrontation* at # on the Reggae Route Top 10. The funny thing is, that prior to *Confrontation*'s 8-week reign as #1, the longest running chart topper had been Muta's *Check It!* LP for 5 consecutive weeks... Weeks ago we announced the *Island Records/Reggae Route "Great Mix Up" Giveaway*. This is the deal: On cassette, send us your perfect segue for Bob Marley's "Mix Up, Mix Up" and if we like your seg, you stand a chance of winning your choice of 10 albums from the Island catalogue, posters, singles and more. Deadline for entries has been pushed up to November 17th... Some domestic, independent-label records have come to my attention that you may want to get ahold of: The Philadelphia-based group, Philly Gumbo (on keyboards is Randall Grass of Shanachie Records and WXPN), has a 12" single out, "Holy War," (reggae) b/w "Mardi Gras," (funk) Contact them c/o Top Ranking, P.O. Box 570, Havertown, PA. The Chicago-based reggae band, *Shanking Lizard* has released a 45 featuring "Jesse James" on the A side and a cover of Johnny Osbourne's "Mushroom" on the flip. Write to Reptile Records, P.O. Box 30203, Chicago, IL 60630. A band called *Montego Bay Celebration* out of Connecticut has a 12" called "Rhythm Force" on Insurance City Records, Attention: Lew Hanson, 116 Newton St., Hartford, CT. If you haven't received your copy of the *Accurate Team's* 12" single, "The Kouchie Is Hot," contact Stanley Cole at Hot Stuff Records at (301) 866-8707 or write 6025 Lanett Rd., Baltimore, MD 21206. Another Baltimore-based reggae band and label is *Ashantites* headed by Les McKen. He has a number of 12" singles out, and you should write for copies to P.O. Box 1532, Baltimore, MD 21203 or call (301) 523-6534. Please tell any and all of these folks that the Reggae Route turned you on to their efforts... *Coxsonne Dodd's* Studio One label has just released a *Bob Marley* 45, "Rocking Steady" from the rock steady era of 1966. Apparently, Coxsonne has discovered a slew of unreleased early Marley material and is considering putting it together for a Studio One album. Included will be some early duets Bob did with *Marcia Griffiths*, which up until now Coxsonne had forgotten all about... The long out of print *Tapper Zukie* classic, *Man Ah Warrior* is exclusively available at Cool Runnin' Records in NYC. Lenny Kaye and Patti Smith have put it out on their MER label... It's almost 1984 (yikes!) which means it's time for a new calendar. Nava Benjamini has created a beautifully done reggae calendar which is available by mail order. The 10x14 calendar features full-color photos including Gregory Isaacs, Steel Pulse and Black Uhuru. Send \$10.95 US check or money order to Nava c/o Eye On Reggae, Dept. 11-A, 207 E. 85th Street-Suite 135, New York, NY 10028. A fine addition to any wall... Yet another reggae death has transpired — the young musician *Hugh Mundell* was shot in Kingston a few weeks ago. When will it end? Play his music and listen to his words — the message is there. R.I.P... In an interview I did with film producer *Jim Lewis* of *Heartland Reggae* fame, he gave me a button which reads, "There are no branches without the roots." Remember that as bands like *Culture Club*, *The Pokeys* and *Men At Work* continue to topple the commercial charts. They are the branches, and at some point, the roots - reggae music - will be recognized. After all, the roots is there!! One Love.

Reggae Dialogue from page 24

Don Goodman, WPSC, Wayne, NJ 201-595-5900

Looking forward to EDDY GRANT's show at William Patterson College...AUGUSTUS PABLO's latest, Dubbing In Africa LP, is the perfect accompaniment for a long, scenic car ride...I recently caught a couple of acts worthy of mention: KALABASH and MYSTIC FAITH. Look out for these up and coming reggae bands...Chow for now!

Michael Keating, WUMF, Farmington, ME 207-778-4522

We just started airing the Reggae Beat International show. The buzz is in the air and people are asking about it already... Thanks to Nighthawk and Alligator for all the great product...We're planning a reggae night at a local resort -- more details next time.

Record Company...

- Keith Altomare, I.R.S. Records, Chicago, IL 312-298-9411

It was good getting back to NYC and seeing all of you at the Music Marathon. It's good to see my friends that I've worked with and listen, learn and hear some great music... LET'S ACTIVE should be in the top 10 of your playlist now. There is so much great pop on this record to satisfy anyone's taste. Need relief from synthesizer syndrome? Try Let's Active... SKAFISH is an artist pure and simple. There are only rare times that a musician can make music that surpasses the boundaries placed on him. Skafish is that kind of artist... The "Is Nothing Sacred?" tour by LORDS OF THE NEW CHURCH starts now. On tour with them is another I.R.S. signing CROWN OF THORNS. Definitely a religious experience. Everyone on their knees!... Hot records to hear: T-BONE BURNETT, XTC, JOHN HIATT, THE NEATS (Karen, you're right again), and one of the best records out now, UB40. Favorite song: "She Loves The Jerk" by John Hiatt. Oh so true... Personal to Meg Jones: Did I win?

- Meg Jones, Enigma Records, College Promo Geek, Torrance, CA 213-328-9407

Hi happening people! Thanks for your enthusiasm with KATE BUSH! Her video tour is going on all through November, with screenings all over the country. If you'd like to "jump on the tour," just give me a ring. Some places to watch for Kate are: Athens, GA (WUOG, hi Sugar Bunch!); Evanston, IL (WNUR); Los Angeles, CA (KXLU); San Diego, CA (KCR); Seattle, WA (KCMU); Akron, OH (WAUP); San Francisco, CA (KUSF); Berkeley, CA (KALX); Moscow, ID (KUOI); Las Vegas, NV (KUNV); Lawrence, KS (KJHK); Vancouver, BC (CITR); Coral Gables, FL (WVUM); Burlington, VT (WRUV); Arcata, CA (KHSU); Ann Arbor, MI (WCBN); Corvallis, OR (KBVR); Santa Barbara, CA (KCSB) and many more! Looks like a lot of people would like to meet Kate in her homeland! Good luck to all of you... As for Enigma, more stuff on your desks this week: a live CRAMPS LP-- recorded at the Peppermint Lounge, this is just FAB! Pay special attention to their version of "Psychotic Reaction"--pretty wild! You should be spinning the NEW MARINES, ROMANS, IGGY POP and RAINY DAY. Let's see who can get the most Enigma records in the Top 10. O.K? Bye!

- Stu Sobol, Rocshire Records, National Director Of College Promotion, Anaheim, CA 714-632-9452

Rocshire who? I'm sure that's been on a lot of your lips the past few months. Well it need no longer be. We are here and coming on strong. Rocshire is not even a year old and has already had a commercial success with TONY CAREY and is on the way to a college smash with DIN. And a long list of hot artists who are either at your station now or will be on your desk this week including CEE FARROW, CARO, ALCATRAZZ, CHAD AND JEREMY and LENNY WILLIAMS of TOWER OF POWER. We are very committed to college radio. Most of us here at Rocshire were at one time or another involved with college radio, so we know what you are going through. We are open to any promotions you might have in mind to help us promote our product and your station! So give me a call and let's dream up something fantastic... On a final note I'd like to say thank you to those of you who phoned in expressing your sympathy over the passing of our good friend Stacy Davis. She had a dream and the Rocshire family will fulfill it.

- Krissi Lannin, EMI America Records, College Promotions, Los Angeles, Ca., 213-461-9141

Hey, hey, hey, you saw it right! Can you believe it? EMI has finally told somebody to get the college situation together! I'm here, I'm willing, and I'm more than ready to jump on the band wagon and start bebopin' with all of you disc animals. For the next couple of weeks I'm gonna be lookin' over the renowned Meg Jones (Enigma) shoulder cleaning out my ears, and zippin' my lip. Any info you think might help me in the future would be seriously considered and probably be used. I'm working on three spankin' bands right now (and the envelope please) the RADS, COMBO AUDIO, and our very own heavy (and we're talking heavy) metal band, QUEENSRYCHE. These will all be mailed out very shortly. In the meantime, BOWIE and STRAY CATS are still happenin' while MICHAEL STANLEY BAND continues to tour the U.S.A.. If there's anything I can do to get things hopping in "Your Town" give me a shout and we'll get together on it (i.e. in-stores, signing parties etc.) Hey, I'm here, are "You" (the name of the RADS cut)? Signing off for now, I hope to see some of you at the I.B.S. Convention in the beginning of November...be there or be square!

- Alicia Culver, IRS Records, National Director of College, Club, and Video Promotions, New York, NY 212-826-0477

The time has come for LET'S ACTIVE. This is a wonderful band led by MITCH EASTER known for producing REM, CHRIS STAMEY of the dB's and many others. The record is fun, fun, fun so play it lots. LORDS OF THE NEW CHURCH is a proven act - keep up the heavy airplay 'cause they're touring. Call if you need dates or promo stuff. SKAFISH is a fine record - we're feeling most positive response to "Wild Night Tonight" and "Secret Lover" - if you're looking for a cut that is a little less polished try "I Might Move In Next Door." Look for a 12" by CROWN OF THORNS - "Pictures" is the track. New stuff to pay attention to: GREEN ON RED, RAINY DAY LP, BONGOS (great record), SIOUXSIE & THE BANSHEES import, TRUE WEST - and stay with BIG COUNTRY.

- Larry Butler, National College Artist Development Director, and Nancy Kramer, National College Coordinator, Warner Brothers Records, Burbank, CA 213-846-9090

We've got a roster full of artists who are anxious to talk to college radio (travel and time permitting) about their recent releases and the state of music and radio in general. PDs and MDs should call the following people for interviews and/or IDs. from these artists: For T-BONE BURNETT, ALLAN HOLDSWORTH, QUARTERFLASH, TIM SCOTT, and WAS (NOT WAS), call Nancy Kramer at 213-953-3297. For JOHN HIATT, OREGON (GLEN MOORE or RALPH TOWNER), JACO PASTORIUS, JONATHAN RICHMAN and THE RUBINOOS, call Lea Schwartz at 213-953-3235. For MARSHALL CRENSHAW, call Richard Sarbin at 212-957-9696. For GANG OF 4, call Jane Friedman at 212-245-5587. For JULUKA, call Side One Marketing at 212-307-1015 or 213-462-1530. For RONNIE JAMES DIO, call W-3 Publicity at 213-855-1299. And for all Slash artists (including VIOLENT FEMMES, LOS LOBOS, GREEN ON RED), call Linda Clark at 213-937-4660. Thanks to everyone we met at the New Music Marathon and especially to those who supported Warner Brothers/Sire/Geffen/Slash et. al., and all our artists, with special thanks from TALKING HEADS, PAT METHENY, AZTEC CAMERA, and VIOLENT FEMMES. Be sure to catch the Larry and Nancy Road Show at the IBS in San Diego this weekend!

- Beth Kittrell, Elektra Records, College Promotions, New York, NY 212-355-7610

I always knew you all were out for a good time, but now I've got proof positive that everyone really is having "More Fun In The New World." And who better to have it with than X? Due to some fancy footwork, they will be appearing at the convention. By the time you read this, anyone seeing them there will have become an X convert (if you're not one already!). This one's heading for #1 on everybody's playlists... While "Major Tom" explores outer space, more and more stations are exploring the rest of the PETER SCHILLING album. Several startling discoveries have been made, namely "Error In The System," "The Noah Plan" and "Lifetime Guarantee." Do some exploration of your own, and remember to let me know what you find... "Shoo, Shoo, Shoo, Shoo Wah"--let's do it! Never mind outer space, we're very happy right here with our WORLD!...A video that looks amazingly new and vital; two previously unreleased songs ("Gloria" and "Little Red Rooster") that find JIM MORRISON in fine form indeed-- THE DOORS have never sounded better--hum...The black leather brigade marches on with MOTLEY CRUE and DOKKEN. The '60s asked "Would you let your daughter marry a Rolling Stone or a Beatle?" The '80s bring us these guys and the whole picture changes...And finally, LINDA RONSTADT has surprised us all. Romance is alive and well and living at Elektra!

- Kate McCoy, Llist Records, Reading, PA 215-372-2178

The long awaited studio EP "Holiday" by SHARKS is finally out! Mixed at The Power Station in NYC this EP captures the SHARKS' excitement. All those aggressive industry people with brains better check out this band before it's too late. "Holiday," "On My Own," and the hit "Again and Again" will soon be hitting the national airwaves...Thanks to Aaron Jacoves of AGM Records for his enthusiastic support of SHARKS...Soon to be released -- a Llist sampler of the regional acts: COLOR CODE, ANOTHER GREY AREA, THE CROONERS, PAUL ORDER, DADDY C AND THE ALLSTARS, ONE BOY ONLY and SHARKS...Llisten to Llist... Cause soon everybody's gonna know.

- Cindy Wujcik, Moment Records, Austin, TX 512-476-4901

Greetings from Texas! Lots of stuff happening here: BIG BOYS are back from their Lullabies Help The Brain Grow tour of the Midwest and East Coast. All went great! Special thanks to WRGW in D.C. for the support of the TROUBLE FUNK, BIG BOYS, MINOR THREAT show. Wish I had been there. Also thanks to WPRB, WBNY, KCMU, KXLU, WOSR and everyone else supporting these big boys. There are so many. Keep reporting! New LP entitled 333 by THE POOL out very soon. So tread the water for now. The Underground Scene is happening once again thanks to the NightLife, Joseph, Rudy, and the rest of Austin for fighting. Texas rules once again!

- Jack Isquith, Joel Webber Independent Music Promotion, Director of College Promotion, New York, NY 212-371-3158

Hey, this is an important record. MIDNIGHT OIL is a band that plays convincing, passionate rock & roll. Their kind of angry conviction coupled with such strong musical vocabulary is inspiring. If you don't know where to turn next on this superbly deep record, try "Read About It" for a 1980's "Street Fighting Man"... Thanks for your continued support of NEW ORDER and GANG OF 4--we're almost there...Hot at home: BONGOS "Skydiving," CULTURE CLUB "Miss Me Blind" and the oven. Talk to you soon.

● Bill Asp, Wasp Records, Virginia (703)527-1757

A lot of folks are asking me about promotions and I say "Damned right... I deserve a promotion, this one man indie label business is fine for the truly masochistic; now I am sure that everybody knows that the job of Commissioner Of Baseball is open and that's a promotion that... hold on, the phone's buzzing...Hello...what?... oh, that kind of promotion! Okay bye...Now where was I, oh, yeah promotions!" We've gotten a lot of feedback on the custom designer covers for the advance copies of INSECT SURFERS "Sonar Safari" (we slaved over those things for half a day, and have sworn off magic markers for the duration). Now write to us and tell us why your particular INSECT SURFER cover should be hung in your local museum. The best answer wins an entire Wasp Records catalogue that includes impossibly hard to find earlier SURFER releases, four runners-up get the SURFER back catalogue and the worst answer gets the fifty covers we drew that were judged too hideous to send out. Sorry we're fresh out of washing machines! Aforementioned bugs plus YOUNG CAUCASIANS and THE SOURCE are to be roading it in November; give me a call to set up interviews, station I.D.'s, laundry pick-ups, whatever... my fave import artists include: VIRGINIA ASTLEY (two beautiful LP's of quiet passion and grace), GARDENING BY MOONLIGHT and the third LP from MATT JOHNSON who fronted THE GADGETS. What to hear on the American Front are THE STARS THAT WOULDN'T SHINE and PELL MELL! Check the new phone number...TA!

● Michael Bashkin, Platinum City Report, Promotions, Chicago, IL 312-465-3889

Greetings, I'm currently presenting POCKETWATCH PAUL and the RHYTHM ROCKETS to college and progressive radio. If you program blues and haven't received your copy let me know and I'll send you yours. Initial response to the record has been very favorable. If you like blues with a touch of swing and rock then put POCKETWATCH PAUL'S Blue Wave album on your playlist... BROKEN ENGLISH is still relishing the great response to "In Love With Me" especially in the upstate New York area. The guys have been secluded in their garage writing and rehearsing new material. The results will be presented at this year's Loyola Radio Conference, Nov. 11th, Hotel Continental, Chicago. It's going to be a hot performance, I'll see you there.

● Peter Steinberg, Island Records, College Promotion, New York, NY 212-355-6550

Convention fever...catch it! The recently-completed CMJ Marathon was a rousing success, and the Loyola Conference in Chicago is just around the corner. Many thanks to all who voted U2 and BOB MARLEY in the New Music Awards. We're gratified that you recognize these artists as true winners... Speaking of winners, ADRIAN BELEW continues to win over the hearts and minds of adventurous listeners nationwide. Once again, college radio "Paints the Road" to success...I hereby extend a challenge to college radio: Make TOM WAITS an artist of national importance. Discover the quality in the grooves on Swordfish Trombones, and show commercial radio that you have more guts than they do!... Fans of modern cinema and "avant-classical" music know all about KOYAANISQATSI. So should you! This most unusual film is one of the movie events of the year. Contact me if you need a copy of the soundtrack by PHILIP GLASS, available on Antilles Records. (By the way, it's pronounced, "Koy-ah-nee-SCOT-see"...). Soon Come Department: mini-LP's from MALCOLM McLAREN, GWEN GUTHRIE, and a live EP from U2!...If you're not playing LOCAL BOYS and MICHAEL GREGORY, you're depriving your audiences of some vital new music. These artists represent what I hope is a developing trend: straightforward, honest, no-frills music. A healthy change of pace, you might say!

● Camille Bonnell, KUGR, Music Director, Pullman, WA (509)335-5042

We here at KUGR are fortunate enough to be a Commercial College station which allows us to program a wide variety of music ranging from very popular artists to artists that are largely ignored by other Commercial AORs. Top audience response includes: DOKKEN, FASTWAY, TALKING HEADS, ROBERT PLANT, HEART, ELVIS COSTELLO, STEVIE RAY VAUGHAN...Other artists doing well include: QUIET RIOT, ALARM, NEIL YOUNG, T-BONE BURNETT and GENESIS. My favorites are: GLUONS, NEATS, JONATHAN RICHMAN, BIG COUNTRY, and T-BONE BURNETT has got me stunned! Aside from being located on the Pullman Cable System, KUGR can now be received on Cable 8 T.V....We now reach as far north as Spokane, WA and as far south as Moscow, ID aside from bombarding the local area, Pulltab, W-A. A HUGE THANK YOU to Theresa at SIDE ONE for the ADRIAN BELEW interview and a BIG THANKS to ADRIAN BELEW for participating. THANKS to the following organizations for the GREAT service: Gavin Radio Services, CMJ, Side One, Augie Blume, and Y.O.R. Promotions. Also thanks to those labels that continually service us, we really appreciate it. Next playlist will be out on October 31st...My office hours are 12-2PM M,W and I'll always be there at those times.

Radio...

● Joseph Sullivan, WSFR, Music Director, Boston, MA (617)723-4700 x324

Well, here we are finally, we've made it in. This is our first shot into CMJ... No matter what people are now saying GANG OF 4 is still great. Can't wait to see them Oct. 27th at the Metro. Thanks to the Count for the show at the Paradise - let's try another. And a hello to my buddies at WFRC. See you next time.

● Kathryn Bohlmann, WVUM, Music Director, Coral Gables, FL (305)284-3131

The tidal wave of new music slams into WVUM with GANG OF 4, X, and the outstanding KILLING JOKE, etc... Don't overlook what is difficult to understand: college radio broke R.E.M. Demand airplay for LOVE TRACTOR, THE INSECT SURFERS, DIN, GREEN ON RED, THE ROMANS, etc... Local music from the magic city that is severely neglected by the majors: LARRY JOE MILLER AND HIS ROCKABILLY REBELS (The Best in Rockabilly), THE SLEEP OF REASON (from the Goya painting), THE EXPRESSOS, RADIO BERLIN, THE BOBS, CHARLIE PICKETT AND THE EGGS ("If this is love..."), THE WILD MARYS ("Maya Maya" is the independent single of the year). Any and all of this stuff warrants your attention.

● Brandon Lieberman, KBVR, Music Director, Corvallis, OR (503)754-2008

I think the new X is a great record. And an instant KBVR smash as well. Radio programmers should listen to the song "I Must Not Think Bad Thoughts" and take it to heart. The NEW MARINES record No Peace is doing well also. VIOLENT FEMMES will be in Corvallis October 28th with TRUE WEST for a pre-Halloween costume ball. Worth the trip from no matter where you are.

● Joe Gaulzetti, Michigan State Radio Network, Music Director, East Lansing, MI (517)353-4414

It is great to be on the air giving music people want to hear to people who want to hear it. I'm excited to be where I am with all the great music coming from the companies: BIG COUNTRY, STYLE COUNCIL, KISSING THE PINK, and not to forget great new stuff from ELVIS COSTELLO, YAZ, HUFFY LEWIS... the list could go on! Am really looking forward to the BIG COUNTRY tour. Anyone want to go?

● Michael Crowley, KMMU, Music Director, St. Louis, MO (314)553-5968

Since the last time we spoke FM 91 has added IGGY POP, GREEN ON RED, SOCIAL DISTORTION, THE SUBURBS, KILLER WHALES, PETER GODWIN, ICEHOUSE, B. LOSE, D.O.A., and SYSTEMS OF ROMANCE. I'd like to thank Kevin at Important Records for the PETER HAMIL advance promo. St. Louis has been fortunate enough to play host to the VIOLENT FEMMES, X, THE WAITRESSES, THE REPLACEMENTS, and GANG OF 4. We just want both coasts to know that New Music is alive and well in the midwest. Support us! ... P.S.:Meg, I've changed the recording.

Dialogue continued

● Rick Weiner, WUSC, Music Director, Columbia, SC (803)777-7172

It's Music for Moolah time again! October 15-16 we're letting our listeners phone in and request songs for money. Do not call asking for OZZY! I'd like to direct your attention to all the great independent jazz coming out these days. THE MACAR BROS., MAT MARUCCI, and OLIVER LAKE'S new releases are outstanding. R.E.M. was in town with LET'S ACTIVE on Oct. 4th and both put on an excellent show. Yo! JEM Records, where's our BAD BRAINS and ENO albums? Look for WUSC to be printed up in Oct. 25th's issue of Rolling Stone Magazine. B.F.D. My office hours are Mon.-Fri. 1-5:30PM.

● Gina Capristo, WNHU, Music Director, West Haven, CT (203)934-9296

AOR radio should add AZTEC CAMERA and then when RODDY FRAME is bigger than ELVIS the C. they can all take credit for discovering him! This guy is a genius! Thanks Theresa at Side One for setting up the interview with RODDY - he was absolutely charming!! The New Haven local scene is starting to sizzle--THRILLZ, THE PLAN, THE BOYS, RIKKI AARON, and THE EXCERPTS are burning!! Hey, did I forget to mention WNHU is now listed in Arbitron after a two year absence? We're all psyched!!... Everybody doesn't like something but nobody doesn't like GANG OF 4!!!

● Bill Yousman, WWUH, Program Director, West Hartford, CT (203)243-4703

When will "New Wave" stop being new? Why should college radio stations push bands that are already getting played (make that, OVERplayed) on commercial radio stations? (POLICE, EURYTHMICS, DURAN DURAN, etc.) Sure the music might be okay, but shouldn't we be trying to expose people to other, less heard, more adventurous forms of music? UB40 rules!

● Mark Iskowitz, WRCT, Music Director, Pittsburgh, PA (412)621-WRCT

A word to the wise: alternative college stations which are inundated with new records should be very selective about choosing adds. Here are some of my latest: SIOUXSIE & THE BANSHEES, NEATS, ELVIS BROTHERS, and UB40. And some not added: WAS (NOT WAS), LOCAL BOYS, PETER GODWIN and THE MOTELS. Also, look for us in "The Reggae Route" section!

● Dan Currie, WSSU, Music Director, Superior, WI (715)394-8404

Many thanks to Alan Bashara of Blue Suede Shows for the TUBES tickets. It was an incredible show!!! I can't wait to see them again. I hope the shake-up in ASIA makes them a little more creative. They could sure use it. WSSU is getting a new co-music directorship. There are currently three of us handling the job (How come we're still falling behind?). Things will work out for the best, I'm sure. Thanks to all the independents we're getting. We listen to them all.

● Stephen Lochiatto, WMMW, Music Director, Salem, MA (617)745-0556 x2356

Music to pick up on: SUICIDAL TENDENCIES ("Institutionalized"-the track of 83), VIOLENT FEMMES (Great live band, great record), FLESHTONES, BAUHAUS, X, HUNTERS AND COLLECTORS. Locally (Boston area): THE NEATS LP is terrific, especially "Another Broken Dream." Other earfuls: WMMW is co-promoting R.E.M. at a local venue with a 960 person capacity. On imports: EYELESS IN GAZA, THE FALL, and BLUE ORCHIDS. Best time to call is Mondays 2-6PM. Till later, I'm picking up on Audio Sound.

● Patrick Petro, CJAM, Music Director, Ontario, Canada (519)254-1494

After an absence of three months, CJAM is ready to return to the air in mid-October with new equipment and a lot of great new records obtained over the summer. We won't forget any of them, so our current albums will include those LPs we received during our "station break," as well as the newer releases. And the excitement here is unbearable!

Clubs...

● Wes Bradley, Eagles Nest, Seattle, WA (206)621-7237

"War Games" supposedly took place in Seattle, but hopefully it won't happen at all. We have initiated "Video Wars" though, with the Eagles Nest's addition of two machines on October 7th. Now I am VJ and DJ and if things continue to go this well I might even be able to nab enough rest to contribute to PM in two weeks!

● Alex Farkus, Electric Rain, Yorktown Heights, NY (914)962-5045

I caught the end of the FOUR-WAY PING'S set at the office and they'll be at the Cuckoo's Nest on October 20th in Nyack. Hope to catch the entire show.

Reggae...

The Cool Runnin' Posse, Cool Runnin', New York, NY 212-473-6311

Island UK has released an INI KAMOZE album. It's such a pity that there's no one who works at Island in the States to promote it!

Mark, Tower Records, Phoenix, AZ 602-246-7061

The BUNNY WAILER album, ~~Roots~~, ~~Radics~~, ~~Rockers~~, ~~Reggae~~ just came in and it's doing great -- probably one of the better things that's come out.

Tee Adelaja/Jerome Willis, WWVU, Morgantown, WV 304-293-3329

Reggae-ites in this humble community continue to increase mainly because of the efforts of WWVU-FM and the local live entertainment reggae spot, the Underground Railroad. Recent appearances at the Railroad include Cleveland's I-TAL, Pittsburgh's CORE and Athens, Ohio's KAYA...Shanachie Records -- we love you. Whatever happened to Island? Glad to be on the "Crucial Reggae Mailing List," expecting service from all major and independent labels.

Dan Blumstein, KAIR, Boulder, CO 303-492-5031

CHALICE Live At Reggae Sunsplash is hot -- can't wait for the MUTA live...Reggae Beat International is still a KAIR exclusive in Colorado. Boulder is great. Irie.

Dennis Bishop, KFJC, Los Altos Hills, CA 415-948-8819

MUTABARUKA and the HIGH TIMES PLAYERS mashed up San Francisco's Wolfgangs in a sold-out, video-taped performance...We're looking forward to ITALS and ROOTS RADICS -- coming soon.

Dave Hanson, KUOI, Moscow, ID 208-885-6433

UB40 is taking Moscow's airwaves by storm. They have the sound that crosses over into many shows...Thanks to all the labels for excellent service.

Jamie Cohen, WCVT, Towson, MD 301-321-2897

Check out the 12" records from the Ashantites label -- Baltimore and D.C. are hopping with reggae sounds. We need more service -- ROIR cassettes, Sunsplash Records and RAS Records, where are you?

John Weston, WPBX, Southampton, NY 516-283-4000 x290

"Weekend Reggae Connection" welcomes Peter, new DJ to the mike and the controls. We also welcome Columbia Records to our playlist along with the people at Sunsplash Records. Thanks to Chris at VP for the new JOHNNY OSBOURNE 12 inches.

GENESIS Genesis (Atlantic, 75 Rockefeller Plaza, New York, NY 10019) - On *Genesis* Genesis explored a more accessible commercial side of their music. On *Genesis* they combine this direction with their earlier avant-garde explorations of sound to create a moving, exciting and dynamic LP, their most consistently listenable in years. "Mama" leads the way, with its gritty, urban sound. Among other favorites: "Just A Job To Do" (upbeat, a winner for new music radio), "It's Gonna Get Better" (more traditional ballad) and "Second Home By The Sea" (great drumming).

SUBURBS Love Is The Law (Mercury, c/o PolyGram, 810 Seventh Avenue, New York, NY 10019) - The Suburbs cut through the fluff to the heart of emotion: love, pain, loneliness. Their directness comes through in the music as well, a high level of energy and intensity while still being simple and danceable. Close your eyes and listen or lose yourself and dance—this is among the best new music around. Top cuts: "Love Is The Law," "Skin," "Rainy Day," "Rattle My Bones."

SHADOWFAX Shadowdance (Windham Hill, Box 9388, Stanford, CA 94305) - Windham Hill is known for the light touch—soothing atmospheric jazz—and always showcasing great talent. This is Shadowfax's second LP for the label (and the first in their new distribution deal with A&M), and is among the most interesting of their entire roster. Despite the light feel, a startling variety of instruments and sounds shines through, including a Pink Floyd style guitar solo on "A Song For My Brother" and Indian influences on "New Electric India." "Ghost Bird" and the title cut are also favorites. Shadowfax has already received a good amount of crossover play, and they deserve as much as they can get. Give it a try.

MARK ANTHONY HEIDE New Music For Use (Distant Cloud, P.O. Box 857, Homewood, IL 60430) - A single-handed electronics record owing a bit to Phillip Glass—in sound only—yet the shifting here is more obvious, and hence maybe more accessible to a larger audience. Heide maintains a nice tension—and that's what makes *New Music For Use* most interesting. He's talented, too, and that always helps. Top cuts: "Action," "Dark Chamber," "Dance In Juxtaposition Part One," "Factory Dance."

SIR DOUGLAS QUINTET Quintessence (Varrick, One Camp Street, Cambridge, MA 02140) - Dance, prance, move, groove and give out a good Texas yell—the Sir Douglas Quintet is back. Since the sixties ("She's About A Mover" and "Mendocino") Doug Sahm has been laying soulful Southern vocals over a blend of blues, rock, Cajun, country, soul and Tex-mex music. There are precious few artists still making this music, and few (if any) have ever done it better. Top cuts: "Adios Mexico," "Rolling Blues," "Who Were You Thinking Of."

CULTURE CLUB Colour By Numbers (Epic, 51 West 52nd Street, New York, NY 10019) - Another fine LP from Culture Club, mixing, as before, different styles of pop into a subtle and appealingly rhythmic form. *Colour By Numbers* has at least three or four hits on it, led by "Church Of The Poison Mind" (the first U.S. 45, a Jackpot! last issue) and "Karma Chameleon" (the current British hit), with "It's A Miracle" and "Miss Be Blind" also good possibilities.

MICRONOTZ Smash! (Fresh Sounds, Inc., P.O. Box 36, Lawrence, KS 66044) - The Micronotz still display the enthusiasm and energy of their debut LP, but a bit of control has crept in here, crystalizing their power. Each track is an explosion, bordering on hardcore and punk but really more like super-charged rock 'n' roll. Top cuts: "Feels Like," "Procrastination," "Bob."

STEWART COPELAND Rumble Fish - Original Motion Picture Soundtrack (A&M, 1416 North LaBrea, Hollywood, CA 90028) - The Police's drummer steps out to create a fascinating soundtrack to Francis Ford Copola's new film. It's largely a percussion record (surprise!) with lots of overdubbing to create what might be called "songs," but are more like "sounds." The music conjures up images and atmospheres, much the same way the film does, and allows Copeland's talents to shine up front for once. About time.

185 Willis Ave., Mineola, NY 11501.
