CMJ ROCK HALL

ROCK AND ROLL
HALL OF FAME + MUSEUM
MUSIC FEST

JUNE 9 10 11 CLEVELAND, OH

3 DAYS, 100 BANDS, ONE BIG MUSIC EXPERIENCE

The Rock and Roll Hall of Fame and Museum and CMJ bring you the Midwest's hottest new music festival. Three nights of Live Performances at House of Blues, the Odeon, Peabody's, Beachland Ballroom, the Agora, and the Grog Shop. Plus, fifteen bands performing each day at the Festival Village at Nautica Entertainment Complex

Tour the Rock and Roll Hall of Fame and Museum and experience the historical, political and cultural impact of modern music. Take in the CMJ/Rock Hall Music Fest lectures, seminars and panel discussions that focus on the evolution of the Rock and Roll art form.

VIP and All Access Passes available at www.cmj.com/rockfest. Tickets for the Festival Village and individual performances available through Ticketmaster. 888-493-7655, www.ticketmaster.com

NEWS TO US

ISSUE 897 Finally TV on the Internet. ManiaTV! (exclamation point theirs) is the first company to take full advantage of broadcasting live video and audio on the Net in real time, establishing a 24/7 Internet television network dedicated to the latest in sports, music and entertainment—think MTV when it was young, feisty and not obscenely rich. Though the resolution of the average webcast can't compare to the mother's-milk-like soothing effect of a cathode ray tube, the upstart company certainly can compete through cutting-edge content.

Mania's *The Daily Independent* is a one-hour show dedicated to featuring the music of independent artists, running every weekday at 1p.m. EST. Already one step ahead of MTV2's major label-saturated *Subterranean* (Chromeo? They really should know better), *The Daily Independent* has plans to feature artists from the big indies like Sub Pop (*Postal Service*, *the Shins*), Epitaph (*Atmosphere*, *Elliott Smith*), Matador/Beggars Group (*Interpol*, *Dizzee Rascal*) and TVT (*Lil Jon*, *Pitbull*). Lil Jon and Elliott Smith together on one network, arm in arm, morosely sipping crunk juice from a basement on the hill? Sounds like heaven. Check it out at www.maniatv.com.

★ Bonnaroo, the jammy festival jam-packed with hot bands and hot bongos, is stepping away from its noodle heritage for its 2005 festival. Show organizers have gravitated towards more top-tier indie-rock acts, making the

2005 Bonnaroo an ersatz Lollapalooza for folks that have three days to kill in the hot Tennessee sun: CMJ faves like *Modest Mouse*, *My Morning Jacket*, the Mars Volta, Joss Stone, Iron And Wine, Rilo Kiley, Joanna Newsom, *Brazilian Girls*, *Secret Machines*, *Ozomatli* and *M. Ward* will all be making appearances at the fest, taking place from June 10 to June 12 in Manchester, Tennessee (60 miles south of Nashville).

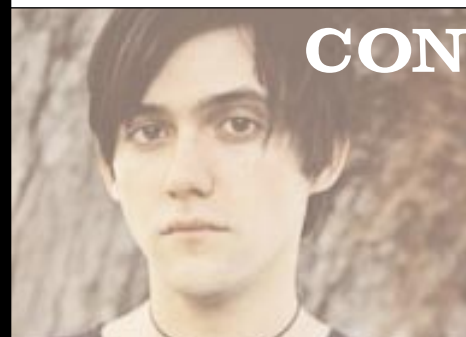

Jam fans fret not. With *Dave Matthews Band*, the *Allman Brothers Band*, *STS9*, *Umphrey's McGee*, *Particle* and two sets from *Widespread Panic*, someone is bound to solo longer than your buzz lasts! Bonnaroo 2005 will also feature a 24-hour cinema (for watching movies... *on weed!*), a classic video game arcade (for gaming... *on weed!*), a brewer's festival (for drinking brew... *on weed!*) and even a Mardi Gras parade (to quietly and respectfully celebrate our rich New Orleans heritage). The site, a 700-acre farm, will also be equipped with wireless hot spots, a digital message board system and an Internet Café. Tickets go on sale Saturday, January 29th at 10 a.m. EST.

★ As far as we're concerned, this whole-garage-rawk revival can crawl back underneath whatever bongwater-soaked copies of *Nuggets* it lurched out of... except, of course, the mighty *Turbonegro* and the equally mighty *Guitar Wolf*, whose very existences may be hard scientific proof that there is a God. Luckily, fans of *Guitar Wolf* (the hottest thing to roar out of Japan

since *Camera*) will have plenty of reasons to have a psychotic reaction in 2005. On April 19, New York noiserati label Narnack (the freakniks responsible for the last smattering of *Guitar Wolf* albums in the U.S.) will provide domestic release for the exceptional Japanese *Guitar Wolf* tribute album *I Love Guitar Wolf Very Much*, where bands such as *Blues Explosion*, *Lightning Bolt*, *Jim O'Rourke*, the *D4* and *Puffy AmiYumi* pay tribute to the influential scuzz rockers.

Since the 20th anniversary of the *Guitar Wolf* is right around the corner, Narnack is planning some super surprise show at New York's Beacon Theatre with, reportedly, "big, big, big guests" (which, actually describes the fat bass player in any number of famous garage-rock bands). Meanwhile, following the success of *Hi Hi Puffy AmiYumi*, *Guitar Wolf* is in talks with the Cartoon Network about developing a toon about the bombastic black-clad boys themselves—hey, as long as it's better than *Hammerman*...

★ When you think Tommy Boy records, you think Irish bossa nova. Well, at least that's what you'll be thinking when you dive into the soundtrack to the film *Goldfish Memory*, with classic *Antonio Carlos Jobim* tracks performed by *Damien Rice* and *Lisa Hannigan*. The soundtrack also features songs by some notable Irish bands like the *Frames* and the *Walls* providing a backdrop for the dramedy, which looks at dating in contemporary Dublin. So it's like the *Irish Singles?* The album will be released February 22.

CONTENTS

There will be fame, praise, hype and backlash this year for *Conor Oberst* and *Bright Eyes*. We only want to contribute to the praise. Apparently, radio agrees. Check out *HOT AIR*

LOW
The Great Destroyer (Sub Pop)
These Duluth, Minnesota slowcore stalwarts have been gently pummeling the airwaves since 1993, but there's nothing slow about the way their seventh full-length (their first on Sub Pop) is taking off at radio. A whopping 113 stations make for a No. 6 debut at both Radio 200 and Core Radio, and a No. 24 debut at Triple A. No. 1 at KUMD (Duluth), KUOI (Irvine), KHSU (Arcata), KZUU (Pullman), WKNC (Raleigh), KRUX (Las Cruces), KYMC (Chesterfield), WPCR (Plymouth), WUSM (Hattiesburg), KSTO (Northfield) and WOXY.COM (Cincinnati). Top 5s at WERS (Boston), WRAS (Atlanta), KEXP (Seattle), WNYU (New York) and many more.

TUSSLE
Kling Klang
(Troublemaker Unlimited)
With their first full-length at radio for only two weeks, Tussle has already eclipsed the chart positions of their two previous releases. Their hometown of San Francisco is still reeling from their punk-funk-disco-dub ruckus, and it hasn't taken long for the charts to feel it either as they move from No. 31 to 14 at Radio 200, No. 14 to 5 at Core Radio and No. 12 to 9 at RPM. No. 1 at KUSF (San Francisco), KXLU (Los Angeles), WMNF (Tampa), WMBR (Cambridge), WUOG (Athens) and WNCW (Spindale). Top 30s at WNUJ (Evanston), KVRX (Austin), KVCU (Boulder), WPSC (Wayne), more.

BRIGHT EYES
I'm Wide Awake, It's Morning
(Saddle Creek)
Waking up are 192 stations, which helped Mr. Oberst clinch a top 10 add (No. 2) and a top 10 debut at Radio 200 (No. 7), Core Radio (No. 9) and Triple A (No. 10). No. 1 at KVRX (Austin), WRUI (Kingston), WRHU (Hempstead), WCVF (Fredonia), more. Top 30s at WEIU (Charleston), WDET (Detroit), WSOU (South Orange), KBGA (Missoula), WPTS (Pittsburgh), KTSW (San Marcos), CHUO (Ottawa), WXCI (Danbury), KGNU (Boulder), WITR (Rochester), many more. The companion record *Digital Ash In A Digital Urn* ain't hurtin' for support either as it debuts at No. 34 with a No. 6 add.

STARS
Set Yourself On Fire
(Arts And Crafts)
Although the American add date has yet to be set, Stars' third full-length indie pop gem has been getting consistent support in their native Canada since issue No. 891 (November 22, 2004). 2003's *Heart* charted for 13 weeks and peaked on Radio 200 at No. 18 and on Core Radio at No. 14, making it No. 115 on our 2003 Year End chart. Look for *Set Yourself On Fire* to impact radio near the March 8 street date. Top 10s at CJAM (Windsor), CJUM (Winnipeg), CFRU (Guelph), CFMH (Saint John), CKDU (Halifax), CHYZ (Quebec City), CFUR (Prince George), CFRE (Mississauga) and more.

Make sure we don't miss your upcoming releases and adds:
 Email: mfield@cmj.com with your info.
 Please include album titles and labels.

IRON AND WINE***Our Endless Numbered Days***

(Sub Pop) Catalog No. 70630

Alt.beard folkie Iron And Wine captured almost as many hearts as the Shins with same-placed soundtrack ditties (*Garden State* and *In Good Company*), but it's end-of-2004 Best Of lists that induced these endless numbered jumps (from No. 79* to 69*). Rank Jumps: Culture Clash (Toledo), Record Exchange (Boise), Sonic Boom (Seattle), Amoeba (San Francisco), Newbury (Brighton, MA) and Grimey's (Nashville). Top 10s: Face The Music (Eugene, OR) and CD Alley (Chapel Hill, NC).

Current Top 100 Chart Position: 69***KREATOR*****Enemy Of God***

(Steamhammer) Catalog No. 69842

Will these guys ever relent? German *thrash und krash* metal-loids Kreator's umpteenth disc in two decades revisits all their typical themes: "Dystopia," "World Anarchy" and "Murder Fantasies"—a natch at No. 75*. No. 1* at Bionic (Fullerton), Rock Box (Southgate, MI), Last Unicorn (New Hartford, NY) and Threshold (Tinley Park, IL). Top 10s: Record Time (Roseville, MI), Kiss The Sky (Batavia, IL), more. Top 30s: Zia (Tempe), more.

Current Top 100 Chart Position: 75***SHIVAREE*****Who's Got Trouble?***

(Zoë-Rounder) Catalog No. 310452

This week Shivaree, a Joe Henry-styled songstress with impeccable taste (her 2004 EP featured Brian Eno and John Cale covers), croons her latest, *Who's Got Trouble?*, into No. 81*, as well as your heart. No. 7* at Kiss The Sky (Batavia, IL). Top 30s: Rock-A-Billy's (Utica, MI), Sonic Boom (Seattle) and Electric Fetus (Minneapolis). Top 100s: Amoeba (Hollywood), ear X-tacy (Louisville), Magnolia Thunderpussy (Columbus), Vintage Vinyl (St. Louis), more.

Current Top 100 Chart Position: 81***DEATH FROM ABOVE 1979*****You're A Woman, I'm A Machine***

(Vice) Catalog No. 93405

Noisy New York label sues noisy Canadians over noisy name infringement. Canadian add number do name, tour globe, sales jump astronomically, landing them a cacophonous No. 109* debut. Top 10s: Good (Dallas) and Magnolia Thunderpussy (Columbus). Debuts: Grimey's (Nashville), Hoodlums (Tempe), Benway (Venice), Newbury (Brighton), more. Jumps at: Sonic Boom (Seattle), Amoeba (Hollywood), more. Top 30s: Atomic (Milwaukee), Stinkweeds (Phoenix), Benway (Venice), more.

Current Top 100 Chart Position: 109****All Hours***
