# MCA Revamps Black Music Division

*Names Ken Wilson President, Stanley Winslow VP Urban Promotion*

MCA Records reorganized its Black Music division by naming five music industry professionals to the new executive team. Heading up the group is new President Ken Wilson and VP Urban Promotion Stanley Winslow.

**KEN WILSON**

Wilson will be responsible for overseeing all aspects of the day-to-day operations of the Black Music division. Previously, he was VP Black Music Promotion at Columbia Records.

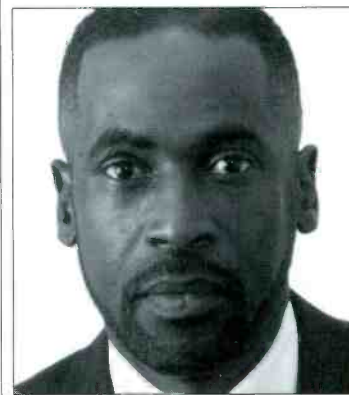

"I am thrilled at the opportunity to be a player in bridging the gap between the illustrious past and the incredible future of Black music at MCA," says Wilson.

As VP Urban Promotion, Stanley Winslow will be responsible for overseeing the implementation and execution of all promotional strategies for the label's Urban and Rap artists. Most recently, Winslow spent five years as VP Operations for Pendulum Records.

Also appointed at the rejuvenated division are: Kevin Bass as Sr. Director Administration & Planning, Black Music; Irene Rivera-Gandia as Director Special Projects, Black Music; and Pierre Bradshaw as Manager A&R, Black Music.

"MCA Records' Black Music division has been one of the crown jewels of our company, as well as the envy of the industry," states MCA Records President Jay Boberg. "We are dedicated to strengthening and expanding the division's decades-long tradition of

excellence. I am confident that this reorganization will ensure the spirit and success of the Black Music division for many years to come. I believe that Ken, Stanley, Kevin, Irene and Pierre, along with Sr. VP Hank Shocklee and

**STANLEY WINSLOW**

VP Marketing Ashley Fox, represent the finest executive staff in the music business. I am very pleased to welcome them to MCA's new, revitalized Black Music division."

# Uptown Records Rebuilds Hierarchy

*Charles Warfield, Jr. Named Sr. VP/GM; Lewis Tucker VP*

Uptown Records President Heavy D solidified his executive staff by appointing Charles Warfield, Jr. Sr. VP/GM and promoting Lewis Tucker to VP.

Warfield comes to the label after over five years as VP/GM of the highly successful and influential Urban station, WRKS New York. Before that, he was VP/GM for Crosstown rival WBLS. "I have known Charles from my early days as an artist," states Heavy D. "I have enormous respect for his extensive background in radio and I'm certain that Charles will play a key role in building an even stronger Uptown."

"I'm very proud and energized to be a part of the rebirth of Uptown Records under the creative direction and leadership of Heavy D," Warfield, Jr. says. "Throughout my years in radio, Heavy and I have had many opportunities to interact on a professional level and I appreciate the unique and challenging opportunity to begin a new phase of my

**LEWIS TUCKER**

career with one of the industry's most successful and respected creative forces."

New VP Lewis Tucker will oversee all of the label's promotional, marketing and publicity efforts. He previously served as National Director of Promotion at Uptown, which he joined four years ago as a Regional Promotions Manager. Tucker has played a key role in launching successful acts for the label, including Mary J. Blige, Jodeci and Heavy D (the artist).

"As an artist, I've watched Lewis grow, and I respect his successful track record," Heavy D notes. "Lewis' promotion is an acknowledgement of his professional growth. We look forward to even bigger and better things from Uptown in the years ahead."

"I'm thrilled to be a key figure in the continued success of Uptown Records," says Tucker. "This new role gives me the opportunity to execute and implement the company's new vision first-hand."

*Radio Group Buyout Frenzy: The Never-Ending Story*

# Clear Channel Buys Heftel To Pass 100 Stations

It may not have much to do with Top 40 radio, but Clear Channel's acquisition of Heftel Broadcasting broke a threshold in the ongoing growth of radio station monopolies.

The 17-station acquisition of the Spanish radio-oriented group accomplishes two things for the San Antonio-based conglomerate: It now gives them 108 stations and provides access into the top-three markets—New York, Los Angeles and Chicago. All of those stations (two each in New York and L.A. and one in Chicago) are AMs.

In fact, the \$275 million deal also gives Clear Channel a new presence in Dallas, Nassau/Long Island and Las Vegas. It only beefs up its current holdings in Miami, where Heftel's five stations will complement WHYI and WBGG to give it 20% of the market's billing.

Clear Channel's current numbers: 108 stations in 31 markets. And few in the industry believe they're done shopping for more properties.

In other acquisitions last week:

- Trumper Communications purchased two more stations in Albu-

querque—AOR KZRR and KLSK. The group has now basically run the table in the market's Rock audience, as they also have Modern Rock KTEG and Classic Rock KHTZ.

- ABS Communications bought WVGO/WLEE Richmond from Benchmark. The latter company is now out of the market, while ABS gains new partners for WKHK and WBZU.

- American Radio Systems (which seems to buy something every week) did it again by picking up Gospel WBGR-AM Baltimore.

# Capitol Promotes Joe McFadden To Sr. VP Sales

*Spent Over Two Decades At The Tower*

Joe McFadden was named Sr. VP Sales for Capitol. He will be responsible for overseeing all aspects of sales activity for Capitol's roster of new releases and its legendary catalogue.

The position will also include overseeing the sales and field marketing departments on a daily basis, as well as conceptualizing and implementation of all strategic planning and sales programs.

McFadden began his career at Capitol over 20 years ago. As one of the founding members of CEMA, he has held VP of Sales and Field Sales positions. Most recently, McFadden was Sr. VP Sales and Marketing at CEMA.

"We are fortunate to have someone of Joe's expertise, strategic thinking and

JOE MCFADDEN

professionalism, and look forward to his continued success with us," states Capitol Sr. VP/GM Lou Mann. "He

brings us a wealth of experience and knowledge of all facets of the customer base as we continue to grow our business. His unparalleled understanding of our distribution company can only enhance the strong working relationship we have with EMD—and besides that, he is one hell of a nice guy."

"What strikes me most about Capitol is its great people and far-reaching musical vision," comments McFadden. "The people here are true music people, passionate about their artists and future. Gary Gersh's vision and the artist roster that he signed and developed are extraordinary. I'm proud to be part of this team and look forward to helping Capitol make its presence felt in the market."

# Elektra Promotes Steve Heldt To Sr. VP Sales

*Deserved Promotion For Six-Year Label Vet*

Steve Heldt was promoted to Sr. VP Sales for the Elektra Entertainment Group. He previously held the position of VP Sales. He joined Elektra in 1990.

"It gives me great pleasure to announce this appointment," states Exec. VP/GM Alan Voss. "Steve is a tireless, result-oriented executive. He's fit into the role of VP with his usual passion, becoming a great marketing person in the process. His motivational skills and tremendous drive make

STEVE HELDT

him an invaluable asset to the whole Elektra team. The entire company joins me in congratulating him on this appointment."

"I love this company," states Heldt. "It's an honor to be working with great executives like Sylvia Rhone and Alan Voss, and the entire Elektra organization. My job is also made a lot easier by getting to work with one of the best field staffs in the business, and having the great WEA team backing us up all the way."

- KFMB San Diego appointed Kim Leeds Promotions Director.

## The Sound Of The Other Shoe Dropping

With our News section reading more and more like the transaction section of *The Wall Street Journal* every week, it's become readily obvious that the radio buy-outs and swaps involve a lot more than the exchange of cash and property. There is a human cost in terms of personnel changes. That became quite evident last week when American Radio Systems closed on heritage Top 40 WTIC-FM Hartford. ARS immediately upped Suzanne McDonald to VP/GM of both TICs; named consultant (and former X100 San Francisco PD) Bill Stairs OM and ex-PRO-FM Providence PD David Simpson MD, then brought in Gary Craig and Sean Elliot to do mornings. Heading out the revolving door were PD Paul Cannon, morning-drivers Kelly & Kline, middayer Jeff Webster and swinger Mike West.

Apparently, Paul Cannon isn't cooling his heels on the beach. Sources saw him interviewing for the KWMX Denver PD vacancy along with two Midwest PDs.

## Catching A Ride On A Runaway Train

That best describes WKQI/WNIC Detroit GM John Fullam, who just got new marching orders from Evergreen. He'll take his act to WKTU in the Big Apple. Early returns from the Accuratings have 'KTU as the #1 station in town (predicted share: in the neighborhood of 8.5), with a weekly cume of over two million. Apparently, John won't have to generally manage a major overhaul of the operation.

The Chrome Lizard wonders how many of 'KTU's million-plus listeners recognized the voice of WBSL New York jock/WWKX Providence PD Geronimo.

## Cheesesteak Changes

Things are anything but settled in Philadelphia, where WPLY promotes long-time staffer Chuck Tisa to PD. He replaces John Knapp (who succeeded Garrett Michaels just a book or two ago).

Across the street at WYXR, PD Chuck Knight has freshened up its playlist by increasing the plays for its Pop currents. Although they're still leaning in a decidedly Adult direction, Knight has promoted AMD Rick Davis to MD, brought in ex-KKBH San Diego morning man Big Ron O'Brien to do after-

noons and moved Mark Sheppard from afternoons to nights. Former MD Joe Proke has left the building.

## Mr. Ed Acts!

The Chrome Lizard has spent many a column-inch touting the talents of KHKS Dallas APD/MD "Mr. Ed" Lambert for the much-sought-after PD vacancy at the station. Well, GM Brenda Adriance took me up on it by naming Ed acting PD.

In a similar vein, WSNX Grand Rapids MD Keith Curry picks up interim stripes after the departure of PD Mark McGill.

## Is There An MD In The House?

Answering this week's riddle of "How many new MDs does it take to change the rotations?" are:

KDGE Dallas MD Jay Michaels heads south to tackle the same post at KRBE Houston.

KYLD San Francisco PD Michael Martin promotes from within, upping AMD DJ Mein to MD.

WMXS Montgomery MD Karen Rite finally accepts the same post at WDJX Louisville.

Scooter returns to WRVW Nashville as (take a wild guess) MD, replacing Jim McDonald.

## And Now For Something Not Completely Different

KUTQ "Q99" Salt Lake City promotes night-timer "Shoe" to APD. (Kayvon was named MD last week.)

WNKI Corning ups Bob Quick from APD/ MD to interim PD.

## Questions, Questions

Is Jeff Ballentine about to resurface at an East Coast radio station?

Is Jerry McKenna thinking about walking a particular dog named Nipper?

Is Brett Ranthom leaving a programming post at KGLE South Lake Tahoe to be PD at WKZW Peoria?

## The Name Was Changed To Protect The Innocent

WEDJ Charlotte has blown off its Edge handle and changed its calls to WNKS "Kiss." No music and/or format changes are expected.

## Alice Does Live Here Anymore

Last week, we told you about WDRE Long Island flipping its calls to WLIR "The Island" and softening its Alternative mix to create a more Adult lean à la XHRM San Diego and KPJK Denver. (WLIR PD Ted Taylor talks more about it in this week's Mosh Pit on page 20.) The latest station to adopt that new format niche is KRQR San Francisco, where new PD Steve Hoffman changed its handle to "Alice 97.3" and blew out the entire air staff, including syndicated morning duo Mark & Brian.

## We Read It For The Interesting Friction... er, Fiction!

In undoubtedly the most overlooked photo in the July issue of *Playboy*, B96 Chicago PD Todd Cavanah (second from left) is pictured offering to light the stogie of Playmate of the Month Angel Boris (that may not be her name, but hey, do you really care?). We say "overlooked" because it's about the only picture on the spread where she's

clothed. Anyway, we jumped at the chance to show you how Todd made an ash out of himself.

## Inside

Why is this week's coverboy smiling? Considering his competitive situation—there are five direct or near-format stations aiming for his target demo—KISN Salt Lake City PD Jim Morales should have gray hair by now. Find out how he's coping...and succeeding...on page 10.

Yes, yes...we realize how busy you people are, both in radio and records. It's hard enough just to find the time to give this entire magazine a good read, when there's music calls to make and/or take, and tee times to get to. But we at *Network 40* are sincerely interested in getting your feedback on the magazine, because we want to do our jobs better...which, ideally, will help you do your jobs better...by keeping you better informed and providing more ideas and insight into the many facets of this business. So please take the time to fill out our Report Card on page 12 and fax it back to us ASAP. We really appreciate your efforts—so you can better appreciate ours!

# BOGALOUSA

Commentary by  
Gerry Cagle

**F**or the past six years, *Network 40* has attempted to be a different voice in the babble of trade magazines. We are proud of the fact that we are a "radio-friendly" trade...the only publication that offers pertinent programming information on a weekly basis. We constantly strive to remain on and beyond the cutting edge.

We believe our radio and record information is second to none. And, thanks in no small part to you, our readers, *Network 40* has grown into the most exciting trade publication in our industry.

A quick look through the pages of *Network 40* shows the changes you have wrought. The magazine today looks almost nothing like the magazine of six years ago. As the industry has changed, so have the pages of *Network 40*. And we hope that in six more years, the changes will be just as innovative.

Our covers have become the talk of the industry. Leaders in radio and records have made the covers their own special canvases in creating new and unique looks.

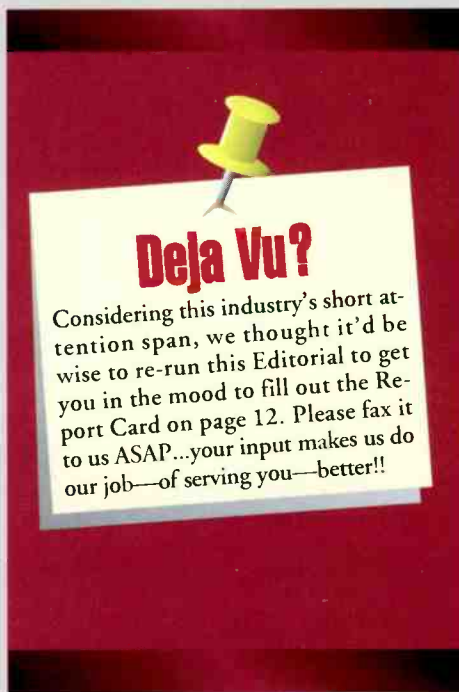

Inside the front cover, *Network 40's* Crunch Page gives you the only thumbnail sketch available. On one page, you can find the top-performing records in all formats. You get an overview of the most added, most accelerated and most requested records of the week, as well as pertinent video information. We also throw in pictures of the promotion executives who are responsible for the top records...just in case you don't know what they look like. Besides, with all the grief they get, weekly recognition in this "what have you done for me lately" business is something we all need to acknowledge.

Our News section puts you in touch with everything that is going on in the business. Whether it's the latest radio station sale, a signing or promotion, you'll get it first in *Network 40*. We seek out the news and keep you informed as no other trade magazine does.

After the news comes Page 6...the most famous page in our industry. Is there anyone working in radio or in a record company who doesn't turn to this page immediately? No other publication can come close to our handle on the "rumors, half-truths and outright lies" that drives our industry. Who's going where...who's think-

ing about going where...who's thinking and who's not...if it's even possible, you'll read about it on Page 6. Because you asked us to tone it down, we have. For now.

Do I really need to comment on the Editorial? Is there anything like it in our industry? Absolutely not. Week after week, we tackle the tough questions facing our industry. In a business where opinions are always made, but seldom made known, *Network 40* puts it on the line every week. Whether or not you agree or disagree with what is written, you have to agree that you get an opinion every week. This page is influ-

enced more by our readers than any other. I would love to take credit for the ideas that have been expounded here, but the simple truth is, these ideas are yours. This forum is yours. I just happen to have the keypad.

Every week, *Network 40* provides you with an in-depth interview with one of the brightest lights in our business. From the leaders of the world's largest record companies, to the major-market programmers, to the innovative minds that toil under lesser lights, the *Network 40* interview shines on them all.

*Network 40's* Hotline provides a perfect forum for programmers and record executives to discuss their ideas on the topics that dominate that particular week's conversations. If it's happening in our business, you'll read what people think about it in Hotline.

The Programmer's Textbook is just what it says. A text on the art of specific programming

shared with the brightest programmers in the business. Different programming aspects are dissected in-depth on these pages by the programmers who know them best.

The Station Spotlight gives our readers a quick glance at stations across the country. From large to small, Top 40 to A/C to Crossover to Alternative, each week you'll find a comparison.

Two new features, Speedbumps and the Penguin Page, feature MDs and local promotion people, respectively. It gives you a look at today's heroes and tomorrow's stars.

On the following pages, you'll find articles written about the music successes in all formats. *Network 40* is proud to point to the fact that every one of our radio editors have radio experience. This allows them to talk about music in a way programmers understand. If it's on the radio, you'll know about it when you read these columns. You'll also find our exclusive PPW charts in all formats.

Next is the part programmers most often like to steal. *Network 40's* exclusive Promotions page and Promo Planners are the most ripped-off in the business. And we love it. These pages are written specifically for programmers, MDs and jocks to make their jobs easier. Promotions, Show Prep and Play It! Say It! are unique. There's nothing like them in our industry.

Next you'll find *Network 40's* exclusive Most Requested section, detailing the most requested records on radio stations across the country. We compile this information daily, fax it to radio and records daily and print the weekly tabulations in each issue of *Network 40*.

Now Playing shows you specific playlists of the most important stations in the country.

Are our Picture Pages the greatest or what?

The Spin Cycle in the back of the book gives you an in-depth analysis of record activity on radio and sales. If you want to find out how a record is doing, check the Spin Cycle.

Of course, this is our opinion. We could be wrong. One of the biggest keys in our growth has been the input we've received from those of you in records and radio. *Network 40* has always attempted to mirror the opinions of our readers rather than dictate our beliefs. And although we seek your input on a weekly basis in our conversations, next week we want to up the wattage.

We're going to give you the opportunity to fill out our report card. How do you feel about *Network 40*. Do you want to make it better?

Next week, you'll get the chance.

# JIM MORALES

## Mixing It Up In Salt Lake City

INTERVIEW BY JEFF SILBERMAN

**L**ooking for a real challenge? Try programming a Hot A/C in Salt Lake City. Not only are there five stations trying to carve out an audience from your target demo, but the market's rapidly growing audience is a somewhat schizophrenic group primarily comprised of Alternative-leaning under-25s and conservative, family values, ballad-loving over-25s.

Jim Morales has picked up that gauntlet, so to speak, by taking the helm of KISN. Blessed by a strong morning show and ownership willing to provide the necessary financial support, Morales has been able to get heard—and noticed—in an all-too-crowded field.

Before he entered the studio to pull his daily afternoon-drive shift, Morales offered insight into how KISN has survived—and prospered—in an over-radioed arena.

**At KKFR, you went through four PDs. How did you handle all that turnover at the top?**

I did a lot of tap dancing (laughs). I just made an effort to get to know each PD and find out what their hot buttons were. I also quickly found out what their orientations on the format were, as well as their visions to go with that. **Which PDs influenced you the most in terms of programming insight?**

At KKFR, the most influential person was Ron Parker, who'd still be a great combat PD. Phoenix was a very competitive market for Top 40. Guy Zapoleon at KZZP was a master of his craft. I learned a lot from him just by being in the same building; I couldn't help but learn from osmosis. **Was it difficult to land your first PD gig?**

Not really. The station was in Palm Springs; they needed someone crazy

enough to take on the responsibility. They had some really wild people working there. One of them was Kozman, who's now programming an Alternative station in Fresno.

We were in a real tough situation behind KPSI. It was a struggle; I went in there with the notion that if I could accomplish anything there and survive, I could do it anywhere. When I finally left KCMJ, I had developed a tough enough skin and learned enough about the job to succeed elsewhere. **Was KISN the first decent opportunity to come your way, or did you interview extensively?**

Actually, it came up in 1992, after a number of other opportunities, including an opening at *Network 40*. [Editor's note: This was in the pre-Chrome Lizard era.] KISN came up right after that. The timing was good, the situation was right, so I went for it.

**Is Salt Lake a rock-solid "family roots" market or is it becoming more transient?**

It's both. It's a city going through an evolution from becoming a medium market to a significantly large market. There's a huge influx of people, especially from California. It's becoming more ethnically and culturally diverse, yet it still maintains a small town charm.

**Did it take a while for you to get a grasp on Salt Lake City's music tastes?**

I got a feel for it rather quickly. Salt Lake City is a misunderstood market. It's a great market on the younger end, especially for Alternative. I do believe it's also a reflection of the culture because when the people get to be about 25 or 26, they start developing the habits and tastes of someone in their mid-30s.

Take, for example, Soft A/C KSFI. They have tremendous 25-34 numbers

and had good 18-34 numbers in the past. Why? Because it's a very conservative market. The 25-34s are very ballad-oriented, which, again, is a reflection of the culture. The lifestyle here encourages people to marry, have kids and settle down fairly quickly. It creates a demand for relaxing, mood-service radio stations. **So, it seems that you either go hard for the kids or get really mellow and soft for everyone else.**

It seems that way, but you can strike a balance...however, it's tricky. **How did you make the transition to Program Director?**

I had been MD for two-and-a-half years when PD John Dimick left to program KPLZ Seattle. At that time, it was a struggle [for the PD job] between me and Dane Craig, who was doing middays here. We were both lobbying heavily for the job. Dane got the nod.

KISN

**JIM MORALES**  
Program Director

He was PD here for about three weeks when something interesting happened across the street at KSFI. Their PD bolted to KVR1 (now KBEE, B98) and offered Dane the gig along with mornings—which was his dream job. He left rather suddenly, so they came back to me.

**What was the inter-office ambience like when two different staffers were going for the PD vacancy?**

It was political. There was a lot of hand-shaking and chit-chats with people behind closed doors, but we managed to stay friendly and civil about the whole thing. It was a real unstable situation for a while, but the staff got through it.

Ironically, I got the job five weeks later. When that happened, I got the staff together and basically told them that I'm the guy, I'm not going across the street, so let's move forward.

**As PD, did you have to do anything to emphasize the point that you weren't "one of the guys" anymore?**

Yes and no. It's always a bit strange to come from the rank-and-file and move into management. But we've got a great staff of people here who are very professional. They saw the situation for what it was and what needed to happen. I felt that everyone was really supportive.

**What sort of changes did you make with the station as PD?**

The first thing I wanted to do was begin marketing the station. It hadn't been well-marketed or advertised in years. We also hadn't had any research in years. To an extent, the station was surviving on dumb luck. Part of that was due to limited resources, but they made a commitment to win.

We also realized how extremely competitive our situation was...and if we didn't do something about TV, marketing and research, the station would be in serious trouble.

The music hadn't been examined in years. We hadn't done any perceptuals. So we did that, discovered where our strengths and weaknesses were and proceeded from there. We also discovered what the strengths and weaknesses of our competition were.

**What did you discover at KISN?**

Basically, we discovered that KISN

was a station in transition with a blurred identity. In the past five years, we've gone from being an Adult Top 40 to a real Top 40 to a Rock Top 40, then a confused Top 40, then during John Dimick's tenure, we drifted back to Hot A/C. We really had to emphasize what we are now. That image needed to be supported by marketing the product. I came on and fortified the position. We did the research; we spent the money on TV and marketing and established a consistent direction for the station.

**Was it difficult to do that in an over-radioed market like Salt Lake City?**

## THE LONG AND WINDING ROAD

# JIM MORALES

KTYD Santa Barbara	"Everything"
KXXN Santa Barbara	Middays
KCAQ Oxnard	Overnights
KZZP Phoenix	Late Nights
KKFR Phoenix	MD/Middays
KCMJ Palm Springs	Program Director
KISN Salt Lake City	MD...Program Director

It was very tough because, as you've said, it is over-radioed. Today, we have two other Hot A/Cs and one Soft A/C, plus an Arrow station. That's five stations competing for our core. My wish, my prayer, is that an alien space craft will come and take a few of them away. Seriously, it presents quite a challenge.

**How do you stand out in that crowd?**

It's a matter of winning the top-of-mind battle and a matter of making the fewest mistakes. What kind of mistakes...I won't say because I want the other stations to keep making them.

**Does your personal knowledge of KSFI PD Dane Craig affect your programming strategy?**

I don't think my personal knowledge of Dane figures into second-guessing that station. The decision-making process over there is much more complicated than Dane's personality. They have a different set of parameters than we do. They're very

by-the-book, very marketing-oriented and into producing the station as a long-term product...which is why they're successful. They're also the only Soft A/C, which certainly helps.

Hot A/C is another story altogether. It's difficult to describe Hot A/C as one distinct format to your audience. When two other radio stations directly go up against you, it makes it tough to win that top-of-mind battle.

**Are your target demo of 25-44 women "button-pushers?"**

Basically, yes. One thing we have in our favor, which really carries us a long

way besides being a solid Hot A/C, is our very talented morning show. Fisher & Todd & Erin are very established in the market, having been here for nine years, and they're better than ever.

Their appeal goes well beyond the target demo. Their humor and interaction with the audience takes on a larger dimension than just talking to our female core.

**How outrageous can a Hot A/C morning show get in Salt Lake City?**

A little bit, but it doesn't mean you have to sit with your knees together all the time. Before the Jazz played the Sonics in Game 6 in the NBA conference finals, our morning show made a bet with Kent and Allen from KPLZ Seattle that if the Jazz lost, they'd walk naked up a major boulevard here. Of course, they're putting "naked" in quotations because it wasn't what it seemed to be. Kent and Allen made an identical offer in Seattle. Of course, in

our case, "naked" means walking a dog named Naked—but the audience doesn't know that. So while they're raising eyebrows, we decided that this was a unique enough situation with just enough sizzle to justify doing this. So, Utah loses...and Fisher & Todd & Erin walked "Naked."

**Do you have the problem that traditionally afflicts Hot A/Cs—pulling strong night numbers?**

Nights are really tough for any Hot A/C. Let's face it: Your audience is more TV-oriented. If it's "Must-See Thursday," they naturally gravitate towards the tube. We've got some benchmark features at night to draw some adults back in...and they work fairly well. One is "The '80s At 8," a Retro show.

**What type of promotions work best for your core?**

The best ones are often outdoor promotions that are targeted toward working women. We do a tremendous Secretaries' Day in downtown Salt Lake City. It's a huge benefit; we get upwards of 800 secretaries. We give away some skiing packages, but that tends to be more of a tourist attraction. You'd be surprised at how many Salt Lake City natives don't ski.

**Has the "station cluster" buying syndrome hit Salt Lake and affected the way you program?**

I primarily focus on this station, but I also keep an eye on ownership movement in the market place...and there's always something afoot. We were purchased last November by Trumper Communications, which also owns a Sports station and a AAA station here. They're a great group of committed, aggressive and inspired people who have assembled a great combination of formats in this town. We share some information, but we don't work together on promotions.

**Personally, do you want to plant roots in Salt Lake City, or are you still thinking of career advancement?**

This is really a lifestyle job for me. I've got a baby daughter now, my wife and I fell in love with Salt Lake City. There's really no huge desire on my part to move to another market. I may feel differently tomorrow, but for now I feel very happy here. ☑

## Staying Top-Of-Mind Every Day!

Roanoke, VA  
 Arbitron #101  
 Population: 380,400

*WXLK's PD/MD Rich E. Cunningham isn't shy about expressing his enthusiasm for K92. He believes the station has been #1 for so long because it has a perfect blend of air talent, promotions and listener participation.*

"K92 has been on the air for 16 years and since day one, K92 has been 'The Hit Music' radio station for Central and Southwest Virginia. We rock and we dance...the bottom line...we play the hits. Our target demo is women 18-34...with a heavy lean towards women 25-34. K92 has enjoyed tremendous success, including 12 years at #1 by being, staying and sounding local. We have a real bright, fun-sounding radio station, that even after 16 years, people still love to listen to it. K92 sounds major market even if we are in market #101. Roanoke/Lynchburg is made up of two Rock outlets, four Country, two Urban, two Oldies, two A/Cs and one Top 40...K92.

"The day begins with the K-Krew in the Morning, hosted by Mofo & Sally. They do a great job of incorporating the local flavor with lots of phones, on-the-street stuff with producer Chris Mann, stunts and national guests. Willie B. handles the 9 am-to-12 pm shift and is President/CEO of the 'K92 While You Work Club.' When Willie comes off the air, he becomes our Promotions Coordinator. Bill Campbell comes in at noon with the 'All-Request Lunch Hour' and continues the 'K92

**RICH E. CUNNINGHAM**

While You Work Club' through the afternoon. Afternoons and production belong to 'Mr. 5:00,' Gary Blake. Gary does a great job of entertaining the audience with the '3:00 Question,' '5:00 Funnies' and the legendary 'Friday Festivities' at 5. I handle the night shift. With my faithful producer, Linde, we do a very energetic, phone frenzy, prize-closet raiding, listener-interactive show. On some nights, I incorporate the help of my father on a bit called 'Poetry With Rich E.'s Dad.' He reads lyrics to a song, then the listeners have to figure out what song it is. Carter Garrett's *in the hooooouuuussee* from midnight to 5 am.

"K92 is the most promotionally-active radio station in the market. OM Sammy Simpson is a marketing genius who has been with the radio station since '93. K92's mission is to be very local, very visible and larger than life. We're very aggressive on the streets. Currently, K92 is having a very successful run with the 'K92 Daily Cash Pay-off.' We also entice local businesses with 'K92 Parking Lot Picnics;' we visit a winning office every week with enough food and prizes for 50 people. K92 is also the official radio station for 'First Fridays,' a huge business 'after-hours' event that is held in downtown Roanoke on the first Friday of every month during the Spring and Summer months. The event attracts over 4,000 adults each time. That's how K92 stays top-of-mind every day...16 years and still on top."

• IT CONTINUES TO BUILD: The Philosopher Kings are heading for the top, stacking up close to 2,000 PPW on *Network 40's* Mainstream Chart. Their debut hit, "Charms" (Columbia/CRG), is rotating on PRO FM, KRBE, Star 94, KMXV plus many more, proving this Pop/Jazz fusion crosses nearly all formats. In fact, KWMX MD Cagle says, "This track is pulling top-15 phones already." Star 94 also reports strong response.

• A Top 40 number that scored large at Crossover (#2 on *Network 40's* Street Chart) and is smokin' the phones is Bone Thugs - N - Harmony with "Tha Crossroads" (Ruthless/Relativity). KHOM MD Jammer claims, "It's one of our top songs here." WMGI PD Beau Richards adds, "We can't play this song enough—over 70 times a week and our audience still wants more." It's also consistently in the top 3 on *Network 40's* Overnight Most Requested. No doubt about it, this is a smash!

• Still picking up new airplay and increasing in rotations nationwide is the classic track from Jars Of Clay. Grungy enough for Alternative, yet still Mainstream enough for Top 40 airplay, Y100, WKBQ and KHTT just arrived at the party. Check out these stats: "Flood" (Silvertone) has rocketed into the top 15 last week, the self-titled LP is certified Gold as video action continues on MTV, VH1 and The BOX. "It's extremely reactive here," says WJMX MD Cactus Jack.

• Another cutting edge tune

that is exploding on the Mainstream circuit is "Sister" (MCA) by The Nixons. Q99, KQKQ, WKBQ plus many more are checking in with success stories. It's on over 50 stations and is picking up over 500 BDS detections. MTV also rotates the video in Stress rotation.

BILLIE RAY MARTIN

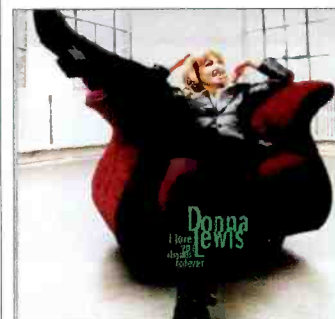

• After a Most Added first week with "Change The World" (Reprise), Eric Clapton should build for weeks and will be one of the summer's major hits. Very polished and smooth, the lead-off song from the forthcoming John Travolta film, *Phenomenon*, attracts solid airplay at Top 40 and Crossover (with the Babyface influence).

• A cool number that Top 40 is easily embracing is The Badlees with "Angeline Is Coming Home" (Atlas/Polydor/A&M). Q106, WSSX, KLRZ plus many more highlight the airplay on this song. Slickly produced and very accessible, the release can also be found on *Network 40's* CD Sampler #91.

• Ringing up strong sales numbers and building strong major-market airplay is the sophomore release from J'son

called "I'll Never Stop Loving You" (Hollywood). Tallying over 60 stations right now, including most major markets, WNOK OM Scott Summers says, "This song can really take off here." The BOX reports #5 Most Requested with airplay at BET as well.

• Tunes expected to dominate the summer airwaves are: Coolio's reactionary number "All The Way Live" (Island), Billie Ray Martin with "Your Loving Arms" (Sire/EEG), Donna Lewis and her research monster, "I Love You Always Forever" (Atlantic/AG) and the accessible hit from the Spin Doctors called "She Used To Be Mine" (Epic).

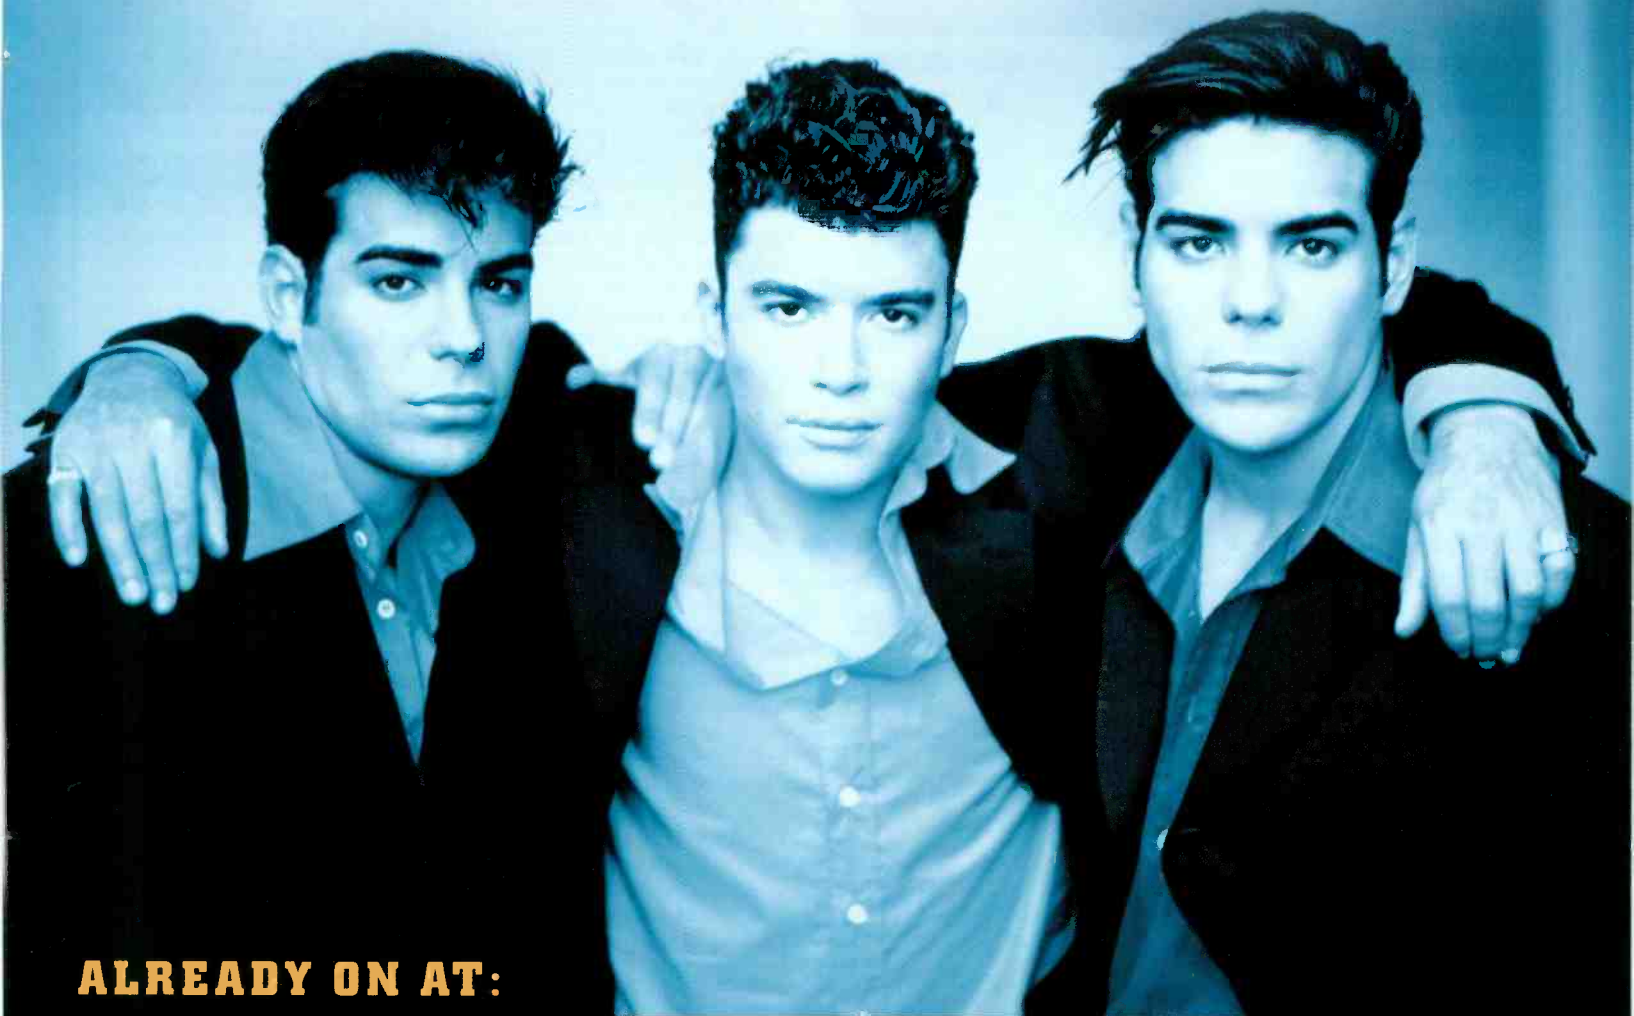

DONNA LEWIS

• Up-and-coming hits to clear immediate slots for include the smash from Maxi Priest f/ Shaggy with "That Girl" (Virgin). Also check out the forthcoming Top 40 hit from Hunger called "Vanishing Cream" (Universal Records). After building a solid Alternative foundation, the timing is perfect for the Top 40 Crossover. Also, mark June 11 on your *Network 40* calendars for the superb track from Chynna Phillips called "I Live For You" (EMI Records).

## MOSH PIT

**NEW ISLAND:** It was out for one set of legendary calls and in an *older* set of legendary calls, as WDRE Long Island became WLIR "The Island." PD Ted Taylor has a brand new air staff, including morning show co-hosts Barry Ravioli and Susan Browning. As you probably heard, the new music mix is decidedly adult, free of Grunge and well-seasoned with Classic Alternative product. As PD Ted Taylor notes, "Alternative has been around since 1981. People who are my age—35—have grown up with this music, so when we do a softer version of it, it won't be a hardcore Alternative station. It'll offer Alternative hits from their youth almost like an Oldies station...although we'll still be two-thirds current."

**ROLODEX REPORT:** Major personnel changes in CA World. WKQX "Q101" Chicago just named their seventh morning team in the last four years...and this one looks like it'll stick. WLUP night duo Wendy Taylor and Bill Leff have crossed the street and will start waking up the town at the end of June...Lisa Trexler was appointed Director of Promotions & Marketing at KXPX "The Peak" Denver. Lisa has spent 15 years in the business, boasting stops at WBCN Boston, KEGL Dallas, WXKS-FM Boston and KAZY Denver...In an on-air shuffle at Q99 Salt Lake City, PD Ken Carr moves to afternoons, night-timer "Shoe" was upped to APD, new MD Kayvon is doing middays and crossing the street from AOR KBER to do mornings are Nick Martin and Alan Handy, who'll join regular Woody on "The Freak Show"...Kruise nabs the afternoon gig at WHYT "The Planet" Detroit. Previously, he was MD at WVKS/WRVF Toledo.

**GO RATS!** Panther fever, sweeping through the state of Florida as the underdog expansion hockey team finds themselves in the Stanley Cup finals, is reaching epidemic proportions. But flags flying out of car windows and rubber rats being thrown on the ice is just the beginning of the excitement. WPBZ "The Buzz" West Palm Beach just concluded a six-week "Expose The Buzz" promotion. They offered listeners \$10,000 for the most creative way to "Expose The Buzz." Not only did listeners have bannered boats and helicopters, one listener had Buzz toilet paper printed, then put it in all the bathrooms at WPB's International Airport. The winner painted his car with the Buzz logo and slogan, then showed up anywhere there were crowds. He also landed national and local TV coverage at the Bulls/Magic game posing as Dennis Rodman with a Buzz T-Shirt on. Major kudos to my buds in the Palm Beaches for an overwhelmingly successful promotion.

**BEHIND THE BUZZ:** Since I happened to be in the neighborhood, PD Amy Doyle was gracious enough to give me a brief tour of The Buzz. Disrupting MD Robert English's airshift was a definite highlight, as was invading promotion wiz Dan O'Brien and Production Director John O'Connell's office was a close second, but sharing some lunch with LSM Neil Odze took the cake. I'm sure *Network 40* Picture Page junkie and Buzz morning man Mark Summers is shedding a couple of tears over the lost photo ops.

# KEYSTROKES

**ENGLISH HIT:** Curb artist Michael English hit the L.A. scene and made quite an impression. Not only did he rock The House Of Blues, he also had no trouble soothing the audience with his latest hit, "Your Love Amazes Me." Radio showed up in full force, including KISC Spokane's Rob Harder and Dawn Marcel, KBIG Los Angeles' Dave Verdery, ex-cover boy WWKX Providence's Joe Dawson and WNVZ Norfolk's Sean Sellers. Curb's Ric Lippincot was quite the host of a meet-and-greet with Michael after his performance.

**RADIO REBELS:** In case you missed last week's issue, the rumors are true! Without a non-compete stipulation in his WMTX contract, Mason Dixon has moved across town to christen the new sound of WUSA Tampa. But he's not the only one to make the transition. Mason took MD Rico Blanco and morning duo Bill Connolly and Jo-Jo Walker with him. He also re-unites with GM (and former Q105 pal) Marc Kaye...Meanwhile, WMTX Tampa quickly filled the vacancies by naming afternoon-driver Mike Reeves as the new PD and Research Director Yvonne Bass as the MD...In other parts of the country, KLYF Des Moines afternoon-driver Kenn McCloud has been promoted to PD. Michael Flittle leaves the position for a business opportunity "outside of radio"...WSRS Worcester APD/MD Keith Murray has left the station; PD Steve Peck will handle all the music. Formerly of WMJX Boston, Frank Mitchell is now the "Love Songs" host.

**MAJOR MUSIC ACTION:** Virgin artist Maxi Priest wowed the *Network 40* staff with a visit this past week. Maxi, along with Virgin L.A. local Mike "Easteregg" Easterlin, brought by copies of his new release, "That Girl" (Virgin). It's a perfect sound for the summertime...Number-one most added and shooting its way up the charts, Eric Clapton's "Change The World" (Reprise) is making major impact. Some of the stations already on this monster include WJLK Asbury Park, WMXV New York, WPLJ New York, WTMX Chicago and KBIG Los Angeles...From the wake of success of "Who Do U Love," diva Deborah Cox's "Where Do We Go From Here" (Arista) can also be heard on *Network 40's* CD sampler # 92...The uptempo tune from *E.R.'s* Anthony Edwards-directed video for The Badlees, "Angeline Is Coming Home" (Atlas/Polydor/A&M), is already making waves with KHMV Houston, KKMV Beaumont, KZZP Phoenix and WROE Green Bay...From the upcoming Disney mega-summer smash, All-4-One's "Someday" (Hollywood) is highlighted in *The Hunchback Of Notre Dame*...Speaking of summer movies, Demi Moore's flashy flick *Striptease* features Chynna Phillips' "I Live For You" (EMI Records)...And we've talked about her before—now it's your turn to check out Jordan Hill's amazing "For The Love Of You" (143/Atlantic/AG).

Please remember your deadline for A/C playlists is Mondays at 5 pm. Fax 'em over to (818) 973-2420. And don't forget to call with station news and promo ideas toll-free, (800) 443-4001.

## “BET YOUR BIRTHDAY SUITS”

KPLZ Seattle

Jen Pirak

Star 101.5's morning show hosts Kent and Alan bet the KISN Salt Lake City morning team on who'll win the NBA Western Conference Championship between the Seattle SuperSonics and the Utah Jazz. The loser cities' morning show had to walk naked down a main street in their respective cities. The Sonics won...so KISN's morning show walked a dog named "Naked" down a downtown street.

COST: BARELY NOTHING.

RETURN: GREAT TWIST ON A MAJOR DUAL-CITY EVENT GENERATED TONS OF MEDIA COVERAGE AND PLENTY OF WATER-COOLER TALK.

## “FIND TAD-IN-A-BOX”

KROQ Los Angeles

Stacie Seifrit

Morning show hosts Kevin and Bean used intern Tad for a ticket giveaway stunt to their World-Famous Weenie Roast concert. Tad was sent out to an undisclosed location, hidden in a box. Kevin and Bean gave clues to his whereabouts. Whoever found the box won a pair of tickets to the multi-act charity concert. The catch: The winner also had to pull the tickets out of Tad's derriere.

COST: MINIMAL.

RETURN: AN OFFBEAT...WAY OFFBEAT...WAY OF PROMOTING YOUR MORNING SHOW AND CHARITY EVENT.

## “BUNNY BAIT”

WHYT Detroit

Mark Wuggazer

Johnny in the Morning's traffic reporter/animal lover Hadji will risk life and limb by hiding in the garage of a local woman's house, dressed as a bunny rabbit. The goal: to attract Lobo, a 12-foot python that escaped from the zoo on May 12 and hasn't eaten since. Ostensibly, the six-foot bunny will draw the enormous snake out into the open, so it can be caught by the proper authorities and end the city-wide drama.

COST: WHAT DOES A BUNNY OUTFIT GO FOR NOWADAYS?

RETURN: OUTRAGEOUS NONSENSE MAKES 'HYT THE TALK OF THE TOWN.'

## “BLOWING UP ALCATRAZ”

KMEL San Francisco

Katie Eyerley

Alcatraz, the famous San Francisco landmark, is under siege in more ways than one. *The Rock*, the new movie starring Sean Connery, is throwing its star-studded world pre-

developed after Degeneres hosted the Grammy Awards in February. The Z100 Morning Zoo went on location for a "Biggest Booty" contest for autographed Ellen Degeneres CDs. Benefits go to the Ronald McDonald House Charities in Southwest Oregon and Washington; it has already sold almost 2,000 copies.

COST: MINIMAL.

RETURN: PUBLICIZED MORNING SHOW VIA BONAFIDE TV STAR, WITH GOOD PR FROM THE CHARITY ANGLE.

## TOPICAL PROMOS OF THE WEEK

### PROMO POTPOURRI

Since there are a lot of different happenings going on this summer, we felt it would be best to touch on several water-cooler subjects:

- **“Di-chotomy.”** Chicago was a city divided last Wednesday. Practically every woman in town would've given her eye teeth to get an invite to the social affair featuring Princess Di, while every one of their husbands would've done the same to get a ticket to the first NBA Finals game between the Bulls and the Sonics. So...have pairs of listeners (husband/wife, boy/girlfriend), register where each one cites the concerts events they'd most love to see. Call both on-air and tell them they have a choice of

the one he'd most like to see or the one she'd most like to see. Let 'em "hash it out" to see which tickets they take. Or have contestant A predict how long it'd take to partner to go to A's event.

- ***The Rock*.** Put free tickets to the movie premiere under (what else?) rocks in the marketplace. Give clues as to where they are.

- ***Striptease*.** Striptease contests (disrobing just to call-lettered bikini or briefs)...Remotes where people remove certain pieces of clothing for film tickets...Men wear G-strings and pasties for the day. If they flash it to interns, they win.

—Jeff Silberman

miere party in the confines of the famous prison. Feeling slighted by the lack of an invite, the KMEL Breakfast Club is going to "blow up" Alcatraz. On Friday June 7, from 6 pm to 10 pm, KMEL is throwing a party at the Alcatraz Bar & Grill to view the "explosion."

COST: EXPLOSIVES TAKEN OUT OF STATION BUDGET. *UH-HUH.*

RETURN: HIGH STATION VISIBILITY OFF AN EVENT THEY WEREN'T EVEN INVITED TO.

## THE BOOTY SLAP

KKRZ Portland

Kellie Shipp

Z100, in cooperation with comedienne Ellen Degeneres, has put out a compilation charity CD, *The Booty Slap*. It contains Z100 Morning Zoo bits and "The Booty Slap," which was

## “EXPOSE THE EDGE”

WXEG Dayton, OH

Raye Kimberlin

WXEG is asking its listeners to expose themselves...and the station as well. Listeners have to come up with the most creative way to expose the station logo to the highest number of people. The best entry will win \$10,000 with 103.9 other things being awarded as runner-up prizes. The contest will be judged on execution, creativity, volume of people exposed to the promotion and grammar and usage of the logo.

COST: THE CASH.

RETURN: EXTREME EXPOSURE AROUND TOWN WILL GENERATE PLENTY OF MEDIA COVERAGE.

## INTERACTIVE BROADCAST

WNNX Atlanta

Joan Marshall

99X takes the station to the next plateau by broadcasting live, 24 hours a day, seven days a week, from their interactive studio at the Coca-Cola Olympic City. Adjacent to the studio is the 99X/IBM Interactive Arena, where visitors can request songs directly to the disc-jockey, send e-mail, surf the net or play games. Coca-Cola Olympic City is open daily from now through Sept. 2.

COST: DONATED BY COCA-COLA

RETURN: HIGH STATION VISIBILITY IN THE MIDDLE OF A WORLD-RENOWN EVENT.

## “I DARE YA”

WNCI Columbus

Dan Bowen

During the station's "Dare The Morning Zoo Week," Morning Zoosters Matt, Kim and Jimmy competed in a drag queen beauty contest. They performed a choreographed routine to "It's Raining Men"...and stole the show. The event raised \$2,000 for the Columbus Aids Task Force.

COST: ZIP.

RETURN: INCREASES VISIBILITY THROUGHOUT THE COMMUNITY; BRINGS MORNING SHOW FACE-TO-DEFACED WITH THE PUBLIC.

## “CELEBRITY CALL-IN”

WMGI Terre Haute

Beau Richards

100.7 Mix-FM morning show hosts Beau Richards and Mike Echols offered cash and prizes to listeners who coaxed celebrities to call in. One listener won \$1,500 or a Direct Satellite Dish with free service for a year for getting the biggest star to call the morning show between 6 am and 10 am. They got calls from Stevie Wonder, Dick Clark, Al Unser, Sr. and former boxing champ Larry Holmes, among others.

COST: MONEY AND SATELLITE DISH WERE DONATED.

The world record for most free throws in a row: Harold "Bunny" Levitt. Using an underhanded style, he made 499 in a row in 1936. After missing his 500th shot, he then sunk 371 straight. Levitt recently died of a heart attack—at the time, he was watching Shaquille O'Neal at the foul line.

Another sports tragedy: After hitting a hole-in-one on the 7th hole of the Del Valle Country Club in Saugus, CA in 1964, Norman L. Manley teed off on the 290-yard 8th hole...and had another ace. Unfortunately, he was then assessed a penalty stroke for slow play—when he had a stroke after making the second ace.

Marine biologists and park rangers in California are looking for an oversexed sea lion. The 1,800-lb. "Marauder of San Miguel Island" has reportedly killed up to 50 female sea lions in the past five years by crushing them with his inept mating habits.

Apparently, the tusks get in the way.

—by Michelle Babbitt

## MAXI PRIEST (VIRGIN)

• Maxi Priest, born Max Elliott, was raised with nine brothers and sisters in the London borough of Lewisham.

• He was working as a carpenter when he was asked to build speaker boxes for local Reggae sound-system outfit Saxon.

• Soon he was singing at their live dancehall sessions with MC Smiley Culture and producing Philip Levi's Reggae hit, "Mi God Mi King" with Paul "Barry Boom" Robinson.

• Caution was the name of Maxi's first band and *You're Safe* was the title of his 1985 debut album.

• *Intentions*, his 1986 follow-up album, contained the popular singles "Strollin' On" and a cover of Van Morrison's "Crazy Love."

• *Maxi* was the album that brought him worldwide recognition with the Cat Stevens cover "Wild World."

• In 1991, Maxi Priest released a greatest hits album called *Best Of Me* and that same year recorded the single, "One More Chance," with Shaggy.

• Maxi started his own label in the U.K. called Dugout and has converted the basement of his family home into a preproduction studio where he develops local talent.

• His latest album, *Man With The Fun*, has Maxi collaborating with Shaggy again on the song, "That Girl."

• Jordan attended L.A.'s Hamilton Academy of Music and sang in the school choir, a local Gospel choir and with pianists and bands throughout the area.

• In 1994, after one of her performances at Le Mondrian Hotel in Hollywood, Jordan met 12-time Grammy winner David Foster.

• She recorded Foster's composition, "Remember Me This Way," which was included on the *Casper* soundtrack.

• Jordan's self-titled debut album includes two guests: Barry Gibb, who sings backing vocals on her rendition of the Bee Gees' hit, "Too Much Heaven;" and Delicious of All-4-One, who sings the duet, "Until The End Of Time."

• "For The Love Of You" is the latest release from Jordan Hill's debut album.

## KEITH SWEAT (ELEKTRA/EEG)

• Keith Sweat was raised in the Grant projects of Harlem.

• Keith's career began in 1987, with his first album, *Make It Last Forever*, which was hailed as one of the best R&B records of the '80s.

• His follow-up album was called *I'll Give All My Love To You*, then came *Keep It Coming* in 1991 and *Get Up*

*On It* in 1994.

• Sweat was responsible for launching the careers of R&B artists Silk and the female trio Kut Klose.

• He recently opened a club called "The Industry" in his home town of Atlanta, GA.

• He also has a home studio, "Sweat Shop," where he, Silk and Kut Klose have recorded their most recent albums.

• Sweat's latest self-titled album contains the first single, "Twisted," featuring background vocals by his protegee Kut Klose.

## THE REFRESHMENTS (MERCURY)

• *P.H. Naffah*, drums. • *Roger Clyne*, vocals/rhythm guitar. • *Brian Blush*, lead guitar. • *Buddy Edwards*, bass.

• The Refreshments all hail from Tempe, Arizona.

• They all attended Arizona State University and shared three things in common—playing music, writing songs and drinking beer.

• Clyne once taught English in Taipei and majored in psychology.

• Blush was a sociology graduate, working in a grocery store when they all decided to give up their day jobs and work full-time at "making it big."

• They played local bars and clubs in the Tempe area and, after about three months, recorded a demo.

• In the fall of 1994, The Refreshments were chosen from over 100 entries to participate in U-fest with the Meat Puppets, Lucy's Fur Coat and five other local bands.

• The quartet entered the Ticketmaster national talent search and won, this led to a recording deal and the opportunity to showcase at the South By Southwest convention in 1995.

• The Refreshments' new album is *Fizzy Fuzzy Big & Buzzy* and features the single "Banditos."

## JORDAN HILL (143/ATLANTIC/AG)

• Eighteen-year-old Jordan Hill is a native of Knoxville, Tennessee, and has been singing since she was a child.

• She always had a strong love for music and was heavily influenced by Aretha Franklin, Michael Jackson and Whitney Houston.

• Jordan's mother took her out to the West Coast on a one-year trial basis to help her pursue her dream.

Michael Jackson's *HIStory* World Tour will begin September 7 in Prague. Then he'll perform in Budapest, Hungary and Cairo, Egypt. Jackson hasn't been on the road since the *Dangerous* Tour, which was canceled in November, 1993, due to his addiction to painkillers.

On June 18th, Beck will be back with his second album, *O-De-Lay*. It was recorded in his living room and includes the first single "Where It's At."

## Bullet Bites

The Seagram's Seven Dollar Bill Tour begins next month with performances by The Nixons, Gravity and Hog. They will play 17 cities and tickets are only \$7.

Some special guests are scheduled to appear on a rotating basis at this year's Lollapalooza

road show. Expect to see surprise performances by Rage Against The Machine, Devo, Cheap Trick, Wu Tang Clan, The Cocteau Twins or other bands to be selected later.

On August 10th and 11th, British band Oasis will play at Knebworth in Hertfordshire, their biggest show to date. 1960's *Wonderwall* director Joe Massott recently met with the band to discuss the possibility of making an Oasis movie.
