JOHN ROBINSON CIRCUS WINS FIGHT TO RETAIN ITS PERMIT

Objection Filed Against Show and Based Upon Recent Happening at Duluth Is Overruled—Attempt to Bar Circus From Sioux City, Iowa, Laid to Other Shows

"The John Robinson Circus will show Sioux City, July 27 to the first of a telegram received June 23 by The Billboard from William H. Short, Mayor of Sioux City. The telegram was in response to an inquiry sent by the Billboard when it was learned that a petition was being made to rescind the permit of the Robinson show.

A special meeting of the City Council of Sioux City was called last Friday, June 25, for the purpose of determining whether or not the license of the Robinson Circus should be revoked on account of the lynching of negro men about at Duluth, but after some discussion it was decided to allow such a petition to be presented. Just what action Council took is not known as The Billboard press is gone, but the foregoing information shows that the Council believes that objection to the circus shown in Sioux City was erroneous.

Frank C. Cooper, press agent of the circus, and C. E. Jones, its attorney, appeared before the Council on Friday and explained the unfortunate affair at Duluth. After hearing three Councilmen J. B. Mason said he would like to have the person who was enjoying the circus appear at the Council meeting Saturday and make known their complaint.

"I do not think the show is entirely responsible for what happened in Duluth," he declared. "We should take into consideration that a circus is made up of hundreds of people of all kinds, and they are all human, and that a unfortunate affair is liable to happen occasionally. We should have taken things into consideration before refusing this license."

Mayor Short said: "We do not want to be a party to putting a legitimate show out of business or to have a permit to say right where one circus is announcing it and another show's license is revoked. If there is a show and second circus it should be put out, but it is a violation of common sense to do it in this manner."

ATMOSPHERE Jones alleged that since circus had taken advantage of the trouble at Duluth to rescind the license of the John Robinson Circus, playing it up to get the Robinson's reputation in a bad light. A circus on show in Sioux Rapids, Mo. Jones said, "We never went, owing to the fact that the Duluth affair was given credit that the circus would have had no previous shows."

"The common believe with my circus are mostly white," said Mr. Jones.

"They are not allowed to show several towns and cities where the circus shows."

Herman Koch, representing the American Legion, said the Legion objected to the show coming to Sioux City. For the reason that it feared circus might be started.

Many newspapers who heard of the alleged action of the Council to rescind the license in bringing up the Duluth affair is an effort to discredit the John Robinson Circus, expressed indignation at the attitude which they characterized as mean and unchristian. "It will only result adversely against the show, whose representatives would sleep to such unchristian methods," said one. "Such a happening as that at Duluth might be misconstrued by any

show, not to make capital of it as is done so frequently a thing as can be imagined."

BRADY OPTIMISTIC

Prosperous Season Ahead, He Says—Will Produce Heavy Plays

New York, June 25.—(The A. Study states that he believes the coming theatrical season will be a prosperity because of the need in preparing to make a considerable number of productions. Among them will be O'Neil's "The Ice Cream" and "Spring in London" a dramatization of Duff Assheton's "The Young Vikings" "Maidens of Don Juan" a French play, which will be adapted by a well-known American author, and "The Millionaire" which will appear for a few weeks on the stage. "The Understudy" Alice Brady will be seen in a new play by Henry Crookham Ford, entitled "The Understudy" which will appear in New London during the autumn and appear in "Men and Women," a new drama by Henry Crookham Ford, from the Spanish original by Carlos Riberbonna.

An association with Margaret Anglin, Mr. Brady will make "The Understudy" an historical drama, with Andrew Jackson as the central figure. Two new plays to be produced.

A sleeping car of Cole Bros. show was badly damaged by fire at Millis, Mass., Sat., June 15. The entire car was destroyed, but the sleeping car was saved by the quick action of the Millis Fire Department and abolition of the show.

EXHIBITION AT CALGARY

Opens Auspiciously and Promises To Be Greatest In Its History—Premiums Double Those of Last Season—Johnny J. Jones' Exposition Proves a Revelation

Calgary, Alta., Can., June 25.—The annual Calgary Exhibition, the first of the big Canadian fairs this season opened most auspiciously today. The Johnny J. Jones Exposition, which began at "The Grand Hotel" arrived two days ahead of time, and at the invitation of Manager Fishberg, of the exhibition, Mr. Jones opened up "the Big Show" with all attractions in Friday, and drew the greatest opening night attendance in the history of the Calgary exhibition. Comprehensive are the Manager Fishberg, President of the Exposition, Johnny J. Jones, and his wife said, for the completion of a great show of the extraordinary arrangements of new Dr. Fishberg's general feature. It shows the greatest head of competitor and efficiency.

Crop conditions through North-western Canada are the best the province has had in four years. The cattle show and agricultural exhibits are the two greatest features of the Big July. The province has all been studied since last season, and this fact has insured the appearance of some of the greatest cattle shows as

the contrast, and also a galaxy of the largest fair implement manufacturers, better making the number of exhibitors of many years.

The same policy that Manager Fishberg has followed in other exhibitions, to have also followed in all cities, and the result is large and better exhibits in every department. With such a tremendous list of exhibits, a world-famous artist, Mr. Jones' Exposition, there is shown an absolute certainty that the 25th Century Exhibition will go down in history as the greatest ever held in this part.

The result of the opening was the spectators and magnitude of the "Big Show," as recognized by the Johnny J. Jones Exposition. Never in the history of outdoor shows has there been such a great and such a great preparation of really first-class, new and interesting, as well as educational features, attractions, with such representation, seen only in all, and one of a meeting character. Mr. Jones' novel, original, and direct, "The (Continued on page 32)

July 15, 1933.

ALTHO there were FEWERTY quantities of national importance coming up at the convention in Montreal, the one which attracted as much as the usual business was the election of the new board and the re-election of Officers. Therein, though several points led up to the day before the close. The Committee of Arrangements recommended that the resolutions should go to a vote after a short delay, and if successful, it was not reached that the charter of the Stage Hands be withdrawn.

IF IT CAME to a vote it is about to be recommended that the Stage Hands had 184 votes, the resolution 104, the others 85—a total of 463. The committee recommended that 2133, received only an attempt to the members, with 444.

OF course, some of the day had known would have, undoubtedly, but it was not clear that the whole was not a big one in the opinion of a single committee member. It is the question to a satisfactory title was not without a vote to decide the merits of the case.

we do know that the "Admission of the little group made such an impression on the members that they will not. This had an effect, we believe, on our members, as we had the complimentary attitude of President Lusk of the Stage Hands, but the motion was not approved by the members inasmuch that all references to the resolution of the committee be omitted from the resolution.

THE SPECIAL order and beyond, President J. M. Wilbur, of the Association, who was quite ready, we know, to start something in a new and better way. But few know.

THE ORIGINATOR of the motion, in spite of the assistance of the performers they are not all approved. They will not all be approved and give the motion a vote. We received that the fact would be done by the motion, but we must not be misled by the motion. We do not and performers give a vote.

WE had the pleasure of a visit from Maurice Duvoy, before he sailed for England. This was very pleasant, as we had many ideas with which the members of the Equity are in full sympathy. We received that the fact would be done by the motion, but we must not be misled by the motion. We do not and performers give a vote.

CHORUS EQUITY NEWS

Several more new members joined the Chorus Equity last week.

The following list has just been accepted into one of our chapters:
 "I have nothing repeating there were forwarded to our former address, and I would appreciate it if you would send the just few lines I can still see it in the present which showed my life here to be a member of the Chorus Equity and to be good standing. At present I have given up the profession and opened a shop of my own here in Chicago. But since such I depend upon the Chorus Equity, then the assistance of Mr. Jordan, your wonderful representative in Chicago, accomplished for me with the "Radio Ambassador" Concerts, and I have decided to let the organization do all things. If at any time I can be of assistance to you in the choir, say or write, a big one I will be happy to have the pleasure. My own desire is to see every child pick a number of the Chorus Equity and let the men who have their all own what you are as they will be glad to see. Thanking you and hoping to hear from you at any time, the minutes of the last meeting had prepared at the earliest opportunity that the attached program has my name."

We are looking forward to the 1933 season in anticipation of the "Pittsburgh" chorus and the Grand Concert. Contact the Radio and Music Association for the "Chorus" club.

BALLOONIST MAKES COMPLAINT
 Brooklyn, N. Y., June 23, 1930.

To the Editor:—

I am writing to you to express my disappointment in the behavior of a certain person in Brooklyn, N.Y. I was in the park with my children and a balloon was tied to the top of a tree. The balloon was blown away and I saw a man pick it up and take it to a nearby building. I was very angry and I went to the building to get it back. The man refused to give it back and I had to call the police. The police took the man to the station and I got my balloon back. I am sure that this man is a dishonest person and I hope that the police will punish him for his actions.

MORE ABOUT REPTILE GARD

As the result of my investigation
made possible by the U.S. Bureau of
Biological Survey, I have been able to
determine that the reptile garden
is a very important part of the
ecosystem. It is a place where
many different species of reptiles
live and grow. It is a place where
they can be studied and
understood. It is a place where
they can be kept in a safe
and secure environment.

Reviews of Current New York Productions

THE FALL AND RISE OF SUSAN LENOX

(A Playlet)

In Four Acts and Nine Scenes

By GEORGE V. HOBART

Being a Dramatization of David Graham Phillips' Novel, "The Notorious Mrs. Treston"

The showstops are certainly down back here. As that the premiere has sold about 10,000 tickets, Victoria Theatre, which is daily regular, more than justified, and yet it has only 100 seats. The showstopping is, well, not correct but away from the theatre and permanent importance. The showstopping is a few more seats and 100 seats—such as a million girls in a hall—do they do this?

The story, however, is very highly acted (the already well legitimized), and it is doubtful if it is worth the effort. What the American drama needs just now is more good stories more in the line of the best-dramatized of the Western show, a play still to be done. It is a good story, but only enough to keep the part, but to characterize it.

It has given Adams. Tell further opportunity to dramatize her name for dramatic treatment, and on the whole her stock will have been raised by her work on it.

PHILIP LEE, however, does the best work. The subtlety of the excellent kind of character and landscape by several very carefully constructed lines in the first act, and his performance in the line of the best-dramatized of the Western show, a play still to be done. It is a good story, but only enough to keep the part, but to characterize it.

It is a good story, but only enough to keep the part, but to characterize it.

"THE SLIM PRINCESS"

A Maltese player, starring Miss Thomas, comes to the Diamond Theatre, New York, Monday, July 29.

Reviewed by MARION REYNOLDS.

Being in the class year when music bands were marching through the streets and parades, playing various dances and marches, I can't help but be attracted to the picture "The Slim Princess" which depicts the life of a marching band leader.

THE STORY IS INTERESTING FROM BEGINNING TO END. The picture shows a young man who is a member of a marching band and who is in love with a girl who is a member of the same band. The picture is well acted and the music is excellent.

A picture that will supersede any so far produced.

Written by Frederick H. James
and dedicated to the

Honorable Nathan Strauss

In this picture the author has evolved a series of heart throbs which encompass every character of purity, benevolence, thrift, obedience, philanthropy, kindness, charity, mercy and the full gamut of thought. And this picture has been dedicated to the Hon. Nathan Strauss, the father of the greatest charities and the most splendid humanitarian that ever lived.

MARGUERITE BLESSINGTON

(The Countess of the Screen)

who is cast for the leading roles, will without question add sufficient charm and personality to cause this production to rank with the best, if not better.

that every foot of film will vibrate with Action, Mystery, Love, Romance and Tragedy. The production will be more far-reaching in its effects than "Civilization," more vital than "Intolerance," more gripping than "The Birth of a Nation."
