Will eventually prevail. I think it is one of the grand est things that was ever concrived to benefit billposters. I think that if the billposters of the country will all get together in one firm or company that that company would be a stronger and more powerful company if the Sugar Trust and a better pover than Standard Oil I believe every billposter will treble the earning

YOU WANT IT QUICK.

AND GET IT QUICK.

Y/E have built up our present large business largely by reason of our exception promptness. We saw, at the beginning, that nothing was so essential in getting and holding customers as quick action in filling orders. We jump at our eder the very moment it is received. We do not rush it however. On the contrary, we exercise the greatest care in composition and presswork; but we go at the work at oce, and we generally ship the same day. Bear this in mind. It may be money in ur pocket the next time you get in a pinch.
