## THE FRIDAY MORNING QUARTERBACK ALBUM REPORT™

A PROGRAMMING GUIDE

EXECUTIVE NEWS • 1930 EAST MARLTON PIKE, E36 • CHERRY HILL, NEW JERSEY 08003 • (609) 424-9114

### Hard Choices

#### KISS, "TEARS ARE FALLING", POLYGRAM...

Any new song from Kiss is usually a pretty tough lunch for listeners over 18, but "Tears" is a giant sledgehammer hook makes it a one-listen wall of sound singalong winner--easily our favorite new song this week. When it comes to maximum emotion, and multi-format appeal, they've got three minutes down to a minor chord science. One of their best.

#### ADAM ANT, "VIVE LE ROCK", EPIC...

He's over? Yeah, right. Tell that to WLIR. They got the import two months ago, and put it on in spite of ho-hum staff reaction. Well, it's been Screamer of the Week twice, and the calls have been hot and consistent. All you've gotta do is listen. You'll like.

#### THOMPSON TWINS, "LAY YOUR HANDS...", ARISTA...

Their veddy British personality and unerring sense of drama always seems to carry the Twins--and ain't it great when they come thru with a gospeling grabber like this!! When they launch into the "Lay Your Hands" chorus, you can only drop down on your knees, turn the radio up, and sing "Hallelujah, ooh ooh ooh!!!" A whole new song thanks to the perfectly masterful remix.

#### TIP: RUPERT HINE AND CY CURNIN, "WITH ONE LOOK", A&M...

Thick, rich production is the key to what makes this soundtrack special--call it Hine sauce if you will. The dreamy texture may not pull you in right away--but heave Cy on the air and you can't image much better than his proper English accent.

### Chain Reaction

#### ROGER DALTRY, "AFTER THE FIRE", ATLANTIC...

80 adds puts Roger at the top of the Most Added list--for the week's highest #24 debut. 80% of those surveyed rated it a full four-star classic, with these highlights: Tom Scheppke, KISS, "His best since The Who"...Marty Bender, WSKS, "Major release"...Ken Anthony, KSJQ, "Very dramatic, excellent"...Bob Kranes, WBCN, "A mesmerizing, spine-tingling classic"...Cindy Bailen, KZEW, "Great song, well sung"...Bob Walton, WRDU, "Superb--excellent. #### QUARTERFLASH, "TALK TO ME", GEFFEN...

Rindy and the boys roll up a healthy 42 in just two weeks--45 19 new and ups at WQHA, WHJY and WAP. turn a 77-61 song Primer...WQHA's Bob Linder comments, "The album has lots of hits waiting to pop out, with 'Come To Me' my personal fave"...WCPZ's Kevin Young confesses, "It took me a while but I think this one's gonna be a winner"...And Bob Kranes adds, "Great to hear Quarterflash again. This record is chock full of good material"...WBCN already reports good phones, along with KFMG, KSHE, KLAQ and KQON, with WHCN KUPD, KILQ, WRXL, WQFM, and WLIR also listing beginning calls.

#### SQUEEZE, "HITS OF THE YEAR", A&M...

They hit the bricks with 13--including WBBB, WPDH, WMMR, WLUP, WNEW, WBCN and WPYX...CHEZ's Greg Torrington notes, "It's wonderful to have Squeeze back as strong as ever. The lp is subtle but musically it's all there"...KBCO's Doug Clifton calls it a "Good comeback"...Very promising" says KZEW's Cindy Bailen, WRXL's Paul Shugrue sez, "Powerful"...Doug Podell, WLIZ feels "'85 could be their year"...And WLIR's Larry Dunn roars, "Bloody classic!"... "Hits of the Year" charts at #92, with "By Your Side" almost as active.

#### NICK LOWE, "I KNEW THE BRIDE", COLUMBIA...

Nick and the News keep pulling 'em in--we're looking at 12 more adds, 64 total, and ups at WNEW, WKLS, include WMMR, KKCI, WLUP, WRXL, WRDU, KILQ, WMMR, WBCN, and WHTG--with none dropping and 20 considering... "Bride" Primes 48-39, with double bullets for the

#### GLENN FREY, "YOU BELONG TO THE CITY", RCA...

Glenn's multi-media visibility helps to bring in 51 first weekers for #2 Most Added, along with a #41 song debut...Radio reviews: "Positioned for success", Ted Edwards, KGB... "Made for greatness", Rad Messick, WDIZ... "Nice groove", Doug Podell, WLIZ... "Absolutely smash city", Bill Evans, WLUP... "Good tie-in", Matt Effen, KFMG... "Miami Vice mania", Mike Boyle, WMMR.

#### STARSHIP, "WE BUILT THIS CITY", GRUNT/RCA...

The new single places first in two important categories--play increases (with 21) and increased emphasis points--with a 20-14 Underline. It's #3 Most Added with 19--now on 107, with 19 at max, 33 more at a "4"...Our early phones Checklist has 13 "excellent" reports, including KRQR, KZEW, KSJQ, KKCI, WLUP, KLPX and WMMR, with 19 "good", led by WYDD, WHCN, KATT, WMMR, WYNF, WSKS, KSHE, WQFM, KLAQ, WIOT, WHJY, and WBCN.

#### JAN HAMMER, "MIAMI VICE", MCA...

"How could it not get great reaction?" WQEM's Tom Wallace comments, "Just a couple of spins brought curiosity calls and it ended as our top request of the week. People already know the song from the tube and they really seem to be getting off hearing it on the radio"...In fact, WQVE, WHCN, WIOT, KMYZ and KICT already report top 5 calls. New on 13, now on 26, and that 86-60 Prime move is best of show in terms of positions gained.

#### HEART, "NEVER", CAPITOL...

Their latest takes advantage of the holiday week to notch up another 18--as 58 to date, 7 max and 9 ups (KSHE, WKLS, KLPX, WHJY) move it 41-30, the week's 5th best move in terms of increased points...WRCN's John Grappone mentioned he thought "Never" was even stronger than "What About Love", and considering the 15-12 album turnaround Underline and 12-10 Metro rebound, I think we'd have to agree.

Nick and the News keep pulling 'em in--we're looking at 12 more adds, 64 total, and ups at WNEW, WKLS, include WMMR, KKCI, WLUP, WRXL, WRDU, KILQ, WMMR, WBCN, and WHTG--with none dropping and 20 considering... "Bride" Primes 48-39, with double bullets for the 1: 39-35/37-33. Now or never!!

## CHAIN REACTION CONTINUED

**JOHN COUGAR MELLENCAMP, "SCARECROW", RIVA/POLYGRAM...** The album is #1 and still gaining strength; ditto "Lonely '01 Night" with 8 ups, 92 max and #3 Most Requested status... "R.O.C.K." is new on 19, and upped at WNEW, WWCK, KICT, WGIR and WBLM for a 38-29 Underline, "Small Town" picks up 13 more, underlined 42-32 with 7 ups (KGB, WWCK, WLWQ, WHCN, KSRR, KICT, KILQ), 8 max and 57 on, the title track's new on 11, now on 40, upped at WNEW, CHOM and KICT for a 59-47 jump. "Justice And Independence" repeats at #73, and "You've Got To Stand For Something" gets the three reports it needs to debut at #94.

**BRUCE SPRINGSTEEN, "I'M GOIN' DOWN", COLUMBIA...** His third and fourth singles come on like most other acts' blockbuster first singles--witness "Goin' Down"'s 22-16 Primer, second only to the Starship in increased points, and the album's 20-13 National Primer is second only to Mellencamp in points, also #2 in positions gained--with the 20-12 Metro move placing first in positions and third in points gained. Also, note the album's 16 overall increases is a solid #2 in that stat. And that's why they call him...

**BRYAN ADAMS, "ONE NIGHT LOVE AFFAIR", A&M...** 12 adds, 78 on, and ups at KATT, WKLS, WFYV, WWCK, KLPX, WSHE, WAPL, WHEB, and WQFM stick "One Night" with a fat 19-15 Underline--third best in point pick-up... Meanwhile, the Lp fires up and 11-8 Primer, and the 15-8 Underline is #2 in positions gained on that chart--and second in increased points.

**MR. MISTER, "BROKEN WINGS", RCA...** They're up to 90 now playing, thanks to new air on WIOT, WHJY, WKLS, WYNF, KICT, WOVE, WWCK and 4 more... "Broken Wings" soars 27-19, with the week's second best 16 increases, powering up excellent album numbers: 28-24 Nationally (#4 in increased points), 27-19 Metro (#1 in positions gained). WOVE's Greg Gillispie sez, "Last week we featured Mr. Mister once again, and--stand back--this one looks like it's gonna be big, particularly for women"... WIOT's Rick Van Gil adds, "After weeks of test rotation, then light rotation, Mr. Mister gets its shot in medium. This tune is a slow builder, but it must not be overlooked."

**LOVERBOY, "LOVIN' EVERY MINUTE OF IT", COLUMBIA...** There's no let-up in sight: The Back Page offers 8-6 Metro and Nationals Underlined, with "Minute" marching 7-5... Ups include KLOS, KSHE, WSKS, KLAQ, WRIF, WSHE and KUPD, and max play on 48... #2 Most Requested and gaining.

**MARILLION, "KAYLEIGH", CAPITOL...** Another of the summer of '85's biggest breakouts continues to romp: "Kayleigh" climbs 16-13, with the week's second best 15 increases, no decreases and 13 up to max... New on WSKS, WRIF and WGRX for 99 to date... #8 Most Requested with "excellent" calls on 16, including WKLS, WHCN, KATT, WOUR, WYNF, WLWQ, KPCI, WDIZ and WQFM, "good" calls on 27 more, including WLAV, KBCO, KUPD, KICT, KRQR, KZEW, KSJO, WLUP, KISS, WSKS, WPYX, WRXL, KLPX, KLAQ, WHJY and WQBK... On the Back Page, 18-16 Nationally, 19-16 Metro.

**SAGA, "WHAT DO I KNOW", EPIC...** As promised, here's the Checklist--and it's a beauty: 26 building, 30 maintaining, and only 1 dropping--with 6 considering... "What Do I Know" Primes 24-22 based on points, with 9 adds, 88 on, and ups on KSJO, WOUR, WKLS, WRIF, KPCI, KRQR, KISS, KLPX, KAZY and 2 more... The Airplay Index doubles 26-23 National and 24-22 Metro.

**PREFAB SPROUT, "WHEN LOVE BREAKS DOWN", EPIC...** The Adventure Club loves it--and we see signs of an imminent mass radio breakthrough... WOUR's Tom Starr sez, "A real delight"... WRDU's Bob Walton agrees, "Very very pleasant"... From WWCK's Mark Miller, "I like it"... WLUP's Bill Evans offers, "Love it to death!"... Don Berns, CFNY screams, "This is a classic!"... KBLE's Ron Sorenson is in, with "Should be a smash!"... And WLIR's Larry Dunn agrees, "Great record"... New on 12. Debut #99.

**DIO, "ROCK AND ROLL CHILDREN", WARNER BROS...** Dio's 11-7 Most Requested build highlights his week--bolstered by a robust Checklist 30 deep in builders... KGB, WSKS, WPLR and WQFM cite sales increases, phone and sales are up at WKLS, WHJY, WBCN, WBAB, WLLZ, KLAQ and WAPL, phones at WLWQ, KILQ, WOUR, KLPX, and WDIZ, and 14 more overall builders, with 16 maintaining and only 1 dropping... "Children" climbs 30-28, the Lp follows 31-28/33-30 Metro.

**R.E.M., "DRIVER 8", IRS/MCA...** You oughta know by now--as noted by Erin Riley, "If you're not playing this band, you're missing one of the most important band's of the 80's"... "Driver" goes on KPCI, WOUR, WAPL, WBLM, KNKN, KFMX, and WGRX, with 8 ups (KLOS, KFMQ, WBCN, KLPX) driving home a 43-35 Underline.

**RATT, "YOU'RE IN LOVE", ATLANTIC...** Looks like this is definitely the track to keep 'em rolling. Check the 44-38 Prime Move, with adds at WYSP, WOVE, KICT, KATT and WIMZ, along with 6 ups (KSJO, WNEW, WPLR, WOUR, KLPX and KOZZ) and only 1 decrease... Now on 54 reporters.

**EDDIE AND THE TIDE, "ONE IN A MILLION", ATCO...** Our Checklist indicates 18 building and 27 maintaining, with 8 considering... The Airplay grows with adds at WIMZ, WAAF, KXZL, WWCK and WHTG... Ups at WNEW, WSKS, WOUR, CILQ, KQRS and WGIR, with only 2 dropping and 62 maintaining... "One In A Million" gets the Underline at 25, as the album climbs 24-22/23-22 Metro.

**PAUL YOUNG, "TEAR YOUR PLAYHOUSE DOWN", COLUMBIA...** "Playhouse" tears loose with the week's third strongest Song Index advance, moving 19 positions 93-74. It's new on WLAV, WPYX, WWCK, WWWV, WAPL, and WQBK, upped at WSHE, WLIR, KILQ and WYDD... This record's gonna be huge--so make your move early.

**MOTLEY CRUE, "HOME SWEET HOME", ELEKTRA...** Their 97-75 streak is the second hottest Index mover--with adds at WPDH, WAPL, KOZZ, KXZL, WWCK and KRIX, and ups on KSHE and WOUR... With sales through the roof, solid crossover play and top shelf metal person credibility, this should be an automatic second cut.

**THE OUTFIELD, "SAY IT ISN'T SO", COLUMBIA...** Another Checklist crusher--with 24 building, including phones at WAAF, KLPX, WOUR, WLLZ, KLAQ, WYNY, KILQ, WYDD and 3 more... 24 maintaining and none dropping, with 11 considering... "Say It Isn't So" pushes 29-27, with new air on 9 (WLUP, WNEW, WRXL, KXZL, WWCK, KRIX), increases on 10 (KGB, KSJO, WRIF, WMGM, KISS, KUPD), only 1 play drop and 7 max... Up 32-27/31-27 on the Back Page.

**THE ROMANTICS, "TEST OF TIME", NEMPEROR/EPIC...** Their 37-31 National Lp move places third behind Myrick and Bruce for chart positions gained, and their 42-36 Metro Primer is also one of the week's best... New on KATT, KSRR, WYSP, WNEW, KZEW, and WBRU, with ups from CILQ, WSHE, WAPL and WHEB... "Test Of Time" takes off 47-40.

**GARY MYRICK, "WHEN ANGELS KISS", GEFREN...** Gary's 49-41 album Underline represents our biggest Back Page move this week, and he placed #3 on the Metro Chart with a 50-44 Primer... New action includes KAZY, KYYS, KLPS, KRIX, WXKE, WMGM, KMBY and KOZZ. "When Angels Kiss" leads with a 90-78 jump, edging the title track, now at #89... Larry "The Duck" Dunn, WLIR, says, "Gary is now top 5 requested. I think he has a hit and I say hats off to the man from Texas"... From John Grappone, WRCN, "Gary is going to be huge, with an album at least 3 cuts deep. If this record doesn't happen, I'll eat every copy in my possession."

**JON BUTCHER AXIS, "STOP", CAPITOL...** The short week slowed everything down measurably this week, but Butcher came thru with 9 adds--including KFMQ, KGB, WSHE, KXZL, CILQ and KQDS, and ups at KOME, WBCN, KLPX, WGIR and WRCN, and the week's highest album debuts at 37 Nationally, 40 Metro... Also note the 56-44 Song Underline.

**HALL AND OATES, "APOLLO MEDLEY", RCA...** H&O's #48 Metro debut is one of only three on that chart--complementing a 46-40 National Underline... The Medley moves to #54, new on WFYV, WOUR, CHEZ and KLBE, with ups at WNEW, WIMZ, WRDU, WRXL and WBLM--with no decreases.

**THE ADVENTURES, "SEND MY HEART", CHRYSALIS...** Another excellent week for this subtle delight: The album scores a 48-42 Primer, we've got a #49 Metro debut, and "Send My Heart" glides to #56... New on KATT, WRDU, WKGR, WPLR, WRXL and WYSP, where Mike Wolf comments, "The hook is so infectious there was no way Andy and I could keep it off the air"... From Dana Brown, WQFM, "Send Her My Heart" is destined to be a homerun. Take a listen if you haven't added it yet and you will."

## WYSP CLEANS HOUSE: SCRUFF, KILLER, ANIMAL--IN; STEVESKI, ANITA, PATTEN--OUT...

CONTINUING A PROGRAMMING/STAFF OVERHAUL THAT BEGAN IN APRIL with new GM, PD, Promo Director, and Asst. PD appointments, WYSP, Philadelphia, launched a surprise attack last Tuesday, unveiling its revamped airstaff. The shakedown saw the departure of market mainstays Steve Sutton (2PM-6PM), Anita Gevinson (10AM-2PM) and Lesley Patten (10PM-2AM), in favor of three new jocks from three different markets. "I don't think the station had a real clear-cut direction of what it was trying to do" says PD Andy Bloom. "We're working off a blueprint right now. We've brought in people who fit the description of what we're looking for. This sucker had to be rebuilt from the ground up."

### JOINING WYSP ARE:

SCRUFF CONNORS (Mornings) who makes his American airwaves debut, after 5 1/2 years in the 6A-10A slot at Toronto's CILQ. As Q-107 Zoomaster, Scruff was notorious for developing a cast of characters which he says "are really the audience. Anybody from a bum on the street to Mike Levine of Triumph would come in and guest co-host for a day or longer to create the illusion that there's always something going on."

CRAIG "KILLER" KILPATRICK (2P-6P)--Prior to recent short stops at WSHE, Miami and WLLZ, Detroit, Craig was KOME's PM Driver from 1983-1985. He also put in two years at WLPX, Milwaukee, competing against Andy Bloom who was then stationed at WQFM.

TIM "THE ROCK AND ROLL ANIMAL" (6P-10P)--Known for his two-week promotional stunt of living on a WQFM window ledge 21 stories up to help bring The Who to Milwaukee in 1982, The Animal has five years jock experience at WQFM and 2 at WYFE, Rockford under his belt. Tim opened his first show on WYSP with this response to WMMR's long-standing "Philadelphia's rock and roll animals" slogan: "It's a free country. They can call themselves rock and roll animals, too, if they want, but you can't call yourself a rock and roll animal if you're going to sound like a limp dick."

The new WYSP lineup sends former Morning Man R.D. Steele back to the production studio, puts former part-timer Debbie Calton in the 10P-2A shift, and keeps Rick Allen intact at 2A-6A. Targetting 15-30 males, and 18-24 females, WYSP's music mixes in artists like Dokken, Metallica and TNT alongside the traditional diet of U2, Who, Zeppelin, Stones, etc.

Exiting afternoon ace, Steve Sutton, who served as WYSP PD from 1979 to 1981, after having programmed KTXQ, Dallas, tells Dr. Dirt: "After nearly two years at WYSP, I've decided to pursue a longtime dream of doing television. Flying in the face of everything we hold near and dear, I've really let go of one rope without having hold of another. I know that's bad business, but if I have to go sit in Burlington, Vermont for six or eight months, I'll do it. I want time in front of the red light. If this sounds like 'Uncle Ted, I'm gonna go to Hollywood and be a big movie director', believe me, I'm not kidding myself. I know I'm gonna have to start over, but I want to do TV. I think that Ken and Andy are two of the nicest and best I've worked with. I think Andy is good and is gonna be great. Ken already is."

And, when asked to comment on the WYSP fireworks, an astonished Ted Utz at crosstown competitor, WMMR, gasped: "They did what? I hadn't heard. You mean they fired everyone? They're saying what????!! I don't believe it. Those fools..."

## SOMETHING IN THE AIR...

WHILE THE EYES OF THE INDUSTRY ARE FOCUSED ON THIS WEEK'S NAB CONVENTION, a group of ad hoc AOR leaders will meet in Dallas prior to the Convention for the first session of Positive Air. Slated for Tuesday, September 10th and expected to draw programmers, consultants, trade representatives (including Bill Hard), record promotion people, network reps and artists, Positive Air will act as "a think-tank for AOR with the purpose of making our stations more responsive to community and listener needs. We can further the idea that rock and roll moves consciousness positively" says P.A. founder and KZEW PD, Rob Barnett. One of the group's objectives will be to address current fundamentalist sentiment that favors rock censorship, record rating codes, and associates the music with Satanic messages. (Witness Jerry Falwell on the cover of TIME, and the rampant Night Stalker loves AC/DC brouhaha). "We're going to have to start fighting this" reasons Rob, "and we need to form a vehicle for funneling positive promotion ideas to radio stations for free. I've already got people coming up to me and saying 'does your station play AC/DC?'. Obviously the media is blowing this whole thing out of proportion to the point where rock is going to equal Satanic messages, without thinking anything about what positive messages U2 or Springsteen have sent out over the years. So now, instead of saying we do Two For Tuesday, we can say we raised \$20,000 to fight world hunger." Among the issues to be addressed are drunk driving, cocaine abuse, the plight of Vietnam vets, and world hunger. Look for Positive Air updates in these pages in the weeks and months ahead.

## BORN IN EAST PA...

DR. AND MRS. DIRT GAVE NEW MEANING TO LABOR DAY WEEKEND with the arrival of ANDREW PAUL HEINE on Friday, August 30th at 3:18 PM. Dirt Junior checked in at 7 lbs., 12 oz and Paul and Paula report the kid is already learning to pick the hits, talk dirty and call the coast!

## SEBASTIAN GOES INTERNATIONAL; THE ROZ RETURNS!

John Sebastian's EOR client list adds two more stations, with the signings of CFMI, Vancouver and KESI, San Antonio. Meanwhile, Jim Pemberton joins the KESI crew as Asst. PD from the same position at Detroit's WLLZ where MD Doug Podell adds Asst. PD duties...Also joining Wheels for overnights is former WIOT MD/Personality The Roz, as Mike Halloran moves from overnights to 10P-2A, and Bob Bauer replaces Jonathan Blair in afternoon drive.

## FROM THE DIRT CAPITALS OF THE WORLD...

Cindy Skull joins the KATT in Oklahoma City for afternoons from Long Island's WBAB.

Bryan Miller and Rick Allen swap shifts at KLPX, Tucson. Rick now handles mornings as Bryan returns to afternoon drive.

Hope Berschler crosses the street from WFIL/WUSL to WIOQ, Philly as Promotion Director.

KZYR MD Joani Williams adds programming duties as former PD Randy Sanders leaves the Vail Valley for a warmer climate.

And from KFMH Muscatine/Davenport's Steve Bridges:

"I am quoting now from the Quad-City Times: 'A drama that would be hard to believe on television unfolded for real at the Rock Island Brewing Company. It all started shortly after 3AM as employees of The Tavern were taking down the equipment from KFMH's Radio Live at Ribco that had featured the Safari earlier in the evening. Two armed men entered the building and ordered everyone on the floor. Just as the men were entering, a bartender was able to slip outside a side door and run and call the police. In the few minutes that passed before police arrived, a dozen hostages were struck in the face with the butt of a shotgun and a hero wrestled the weapon away from the man seconds before police burst in. After the people were herded into a walk-in cooler, the gunman, in a gorilla mask, grabbed KFMH disc jockey Kerry Peace and took him as a hostage. Peace wrestled the man to the floor and the robber lost his gun. Peace then held the man on top of himself until police burst in and took the man off'. Needless to say, Kerry has been given the week off, and we definitely would not want to re-live this episode. On September 14th, we will be raising money at the Rock Island Brewery Co. for the Quad-City Rape/Assault Center. If any artists wish to aid us, would you please call so we could have you record promos over the phone."

After a 7 month paternity leave, veteran New York personality, Chip Hobart, is looking for an on-air position in a Top 30 market, or a medium market programming gig. Most recently PM Drive/MD at WAPP, NY, Chip's ten-year AOR background includes stops at WLUP, WDAI and WKQX, Chicago, W4, Detroit and WYSP, Phila. Reach him at (617) 469-3350.

Bryan Geronimo, PD at CHR-formatted Q-100 in Allentown, PA, reports that he has been brought in as programming consultant at WAQY in Springfield, MA. According to Bryan, WAQY will retain its AOR format but some staff changes are in the works. Marlin Barrow, aka Webster Webber, aka "The Web", will take over as PD and will handle mornings along with Spider McGuire. Thus, the rockers in central Mass. can now indulge in "Spider and The Web" along with their morning coffee. Both Spider and The Web come from WAYV in Atlantic City.

## OFFICE HOURS...

New KLOS Asst. PD Kurt Kelly tells us, "The wait is over! KLOS will now hold music meetings on a first-come-first-served basis on Wednesdays from 1P-4P. Music calls will be taken Wednesday through Friday as time permits. Also, please be advised of new playlist criteria: 1. When a record is added, the local label will be called on Tuesday between 1PM-2PM; 2. Trade reports will be given on Tuesday between 2PM-3PM; 3. After 3PM Tuesday's complete list information will be released at 839-8170. In addition, if KLOS adds a record to the playlist, a 15 I.P.S. tape dub (or C.D. is required for continued airplay. If a dub (or C.D.) is not available within 10 working days, the record will be deleted from the playlist and airplay. The reason for the new policy(ies), is to better serve the needs of all concerned, and to present your product in the best possible sound."

At KAZY, Denver, Chuck Browning will now be accepting music calls on Thursday only. National from 10AM-12Noon; Locals from 12 Noon to 2PM.

Ginger Haylat will be taking music calls at KBCO, Boulder for the honeymooning Doug Clifton for the next two weeks. Talk music with Ginger on Monday, Wednesday and Thursday 2PM-5PM.

Moments before mounting the stage in front of 81,000 fans at Texas Jam, the Scorpions took out a few moments to do a live interview with KTXQ's Redbeard. Pictured left to right are Scorpions' Rudolf Schenker, Redbeard, Scorpions' Klaus Meine, and Album promo indie Kenny Ryback.

DIRT ALERT! is compiled and edited by PAUL HEINE. When you see DIRT in the making, call the DIRTBUSTERS at (609) 424-9114 or send to DR. DIRT, FMQB Executive Mews, 1930 E. # DIRT ALERT!

**NOW THAT "THE BOSS"** has concluded his 6th night at Giants Stadium, here's a recap: As readers of the Quarterback know, all sorts of records fell - including the attendance marks and money grosses. In all, Bruce appeared before nearly 400,000 of the faithful and pulled in a cool \$7.2 million at the box office. The show??? Well, everyone knows there is no other like it in Rock today. Most nights Bruce remained on stage for nearly 4 hours and usually did 30 or 31 songs. The only unfortunate twist on the Springsteen shows was that the concert of Friday, August 30, had to be rescheduled for Sunday, September 1, because of torrential rainfall. Nonetheless, it was a special thrill watching Springsteen this time around. He cares about the audience, and each and every person who caught this remarkable performer came away from his concerts with a special glow...After Dallas, "The Boss" will go to the West Coast, where they'll be based in Los Angeles and do all of the West Coast and adjacent areas right from L.A. It will be a homecoming of sorts for Bruce and Julianne since they've spent quite a bit of time there - and Julianne is very familiar with the city. During Bruce's 6-night run at Giants Stadium he only reached back into his early catalogue on a couple of occasions. Nothing was performed from "Greetings From Asbury Park", "The Wildly Innocent" or the "E Street Shuffle", except "Growing Up" - and many, many people wanted to hear "Rosalita". The requests, banners and cries for that song were incessantly heard all six nights.

**AS IF BOOMTOWN RATS** lead singer Bob Geldof isn't getting enough press, we hear from England that he's done yet another charity gig - this one for the Bradford soccer fire victims. It took place last week in England.

**HOT!** Lou O'Neill Jr reports that John Mellencamp Cougar starts his American tour this November. Meantime the album "Scarecrow" is blowing through the roof. Everyone at PolyGram thinks they have another "Uh Huh", but much stronger and much deeper. Veteran promotion man John Weston predicts it'll be a 4-single-plus package. Key tracks include: "Rock In The USA"; "Justice And Independence '85"; and "Small Town". The sales figures will open your eyes!!

**CONGRATULATIONS TO COLUMBIA RECORDING ARTIST BILLY JOEL**, who was named The Most Consistent Male Album Artist of the Decade by Billboard Magazine. Believe it or not, Billy has just notched his 7th consecutive Top 10 Lp, earning him the title of the Most Consistent and Prolific Male Album Artist of the Last Decade. Meantime, Billy Joel's new single, "You're Only Human (Second Wind)", is bulleting in the Top 10 and has been switched from active to heavy on rotation on MTV.

**LOOKS AS IF MICK JAGGER** and his lady, Jerry Hall, can't decide what to call their new baby, Mick's first son. At first it was reported the youngster would be named James LeRoy Augustine Jagger, but later a PR spokesman for the couple retracted the name saying, "The parents are disagreeing on the name, so there is none yet." The couple also have a 17-month-old daughter, Elizabeth Scarlett.

**WHAT WAS BOB DYLAN** doing drinking double bourbons last week at the Hard Rock Cafe with one foot up on the brass rail?...People in the CBS building on 52nd Street are positively BUZZING about the Bob Dylan box set that's coming later this year. There'll be 53 tracks--and the party girls shriek, "It's marvelous."

**ELEKTRA/ASYLUM** threw a big private party for the Cars last week at Private Eyes. Lou O'Neill Jr spotted Julian Lennon, Billy Idol, Paul Young and Robert Palmer among the merrymakers. Only group members to show were Ben Orr and Dave Robinson.

**415/COLUMBIA RECORDING GROUP TRANSLATOR** is back on the road with a major U.S. tour opening for the Kinks and including three headlining club dates en route. Translator tours in support of their latest Lp "Translator", featuring their current single "Come With Me". Their headlining club dates are September 11, 12 and 13 in Burlington, Boston and New York.

**FMQB** commiserates with Rolling Stones drummer Charlie Watts, who had a bad fall the other day and broke his leg in three places. It might put the Stones project further back since not all of Charlie's tracks are finished.

**LEGENDARY SOUL SINGER JAMES BROWN** returns to the New York City concert stage on September 21 for a one-nighter at the Beacon Theater. Also on the bill are former Temptations Eddie Kendricks and David Ruffin. The show will start at 8:00 PM and tickets are \$18.50 and \$20.00.

**FOREIGNER** continues their winning ways on the road. This week the band plays shows at the Pine Knob Music Theater in Clarkston, MI and also rocks the Meadowlands Arena in New Jersey as well as Madison Square Garden in New York. Then it's on to The Assembly Hall at the University of Indiana in Bloomington. Mick Jones, Lou Gramm and company never stop rockin'!!!

**THE POWER STATION** wrapped it all up last week with a near sellout performance for John Scher at the Jersey Arena in the Meadowlands, and had the little girls absolutely going wild. The Station was supported by opening band OMD, which received a good reception; but clearly, it was a Power Station night. Highlights of the Station's set included: "Harvest Of The World"; "Some Guys Have All The Luck"; "Communication"; and the Duran Duran classic "The Reflex". It was the Station's last scheduled concert--and it's time for Andy and John Taylor to return to the Duran Duran fold. As John explained to the press last week, "It's a bit too much doing two groups at the same time; I much prefer to concentrate all my energies on one." FMQB congratulates Michael DesBarres, who did such a good job stepping in for Robert Palmer, who never made the tour. There was no way Michael could re-create the Power Station record, yet he brought his own special energy and style to each Power Station performance. All-in-all, it should be a career-making move for the young rock 'n' roller...Spotted at the P.S. concert were: MTV's Les Garland as well as Tommy Price; Mars Williams of the Psychedelic Furs; and Julian Lennon accompanied by his manager Dean Gordon. The word on the street is that Julian intended to show at the Hooters/Squeeze concert last week at the Pier...The Power Station threw a small party for close friends and personal acquaintances after their near sellout. They picked Jerry's, the downtown club run by former Ritz impresario Jerry Brandt.

**NOW THAT "THE BOSS"** has concluded his 6th night at Giants Stadium, here's a recap: As readers of the Quarterback know, all sorts of records fell - including the attendance marks and money grosses. In all, Bruce appeared before nearly 400,000 of the faithful and pulled in a cool \$7.2 million at the box office. The show??? Well, everyone knows there is no other like it in Rock today. Most nights Bruce remained on stage for nearly 4 hours, and usually did 30 or 31 songs. Nonetheless, it was a special thrill watching Springsteen this time around. He cares about the audience, and each and every person who caught this remarkable performer came away from his concerts with a special glow.

**IT'S OFFICIAL:** Billy Joel has thrown his name in with the rest of the superstars who'll be performing for the farmers later this month at Farm Aid, and will definitely make the show.

Shrewd programmers recognize a bona-fide reaction record!

The THOMPSON TWINS are back in action with the release of their new album, "HERE'S TO FUTURE DAYS", due September 19th via Arista. The first single will be "LAY YOUR HANDS ON ME" and it was released this week. The album, which was produced by NILE RODGERS and TWIN TOM BAILEY, was originally scheduled for release late last Spring, but due to Bailey's collapse from exhaustion, it was postponed. The THOMPSON TWINS begin their European tour October 13th to coincide with the release of their U.K. single, "DON'T MESS WITH DR. DREAM". They begin the U.S. leg of the tour November 1st on the West Coast. You might want to keep your eyes out for "AN ODD COUPLE", the new authorized biography of the band which has just been published by VIRGIN BOOKS.

\*\*\*\*\*

ROCK REPORT correspondent, KEN SHARP, spoke to GLENN TILBROOK of SQUEEZE who told us that the band is collaborating on a musical with playwright TONY MARCHIN. Details are still being worked out but the group plans to begin serious work on the project at the end of November. SQUEEZE is currently out on the road in support of their latest A&M release, "COSI FAN TUTTI FRUTTI". We asked GLENN about his and CHRIS DIFFORD's DR. PEPPER soft drink radio spot, which is probably one of the best, and he had this to say: "When CHRIS and I toured for our DIFFORD/TILBROOK album, we lost a lot of money. DR. PEPPER offered us a lot of money to do it--so, one sort of cancelled out the other. We had to redo the arrangement for the whole thing but it turned out quite good actually".

\*\*\*\*\*

Former DREG guitarist, STEVE MORSE, is releasing his debut solo album on Elektra this week and it features SANTANA vocalist ALEX LIGERTWOOD, guitarist ALBERT LEE, drummer ERIC JOHNSON and bassist VAN TEMPLE of THE PRODUCERS. The album, called "STAND UP", will feature the single of the same name. MORSE has also been asked to join the newly reformed KANSAS with returning original member vocalist STEVE WALSH. Already, WALSH has recruited ex-STREET bassist BILLY GREER. KANSAS has signed with CBS and there is a possibility that YES guitarist, TREVOR RABIN, may be producing the new album.

\*\*\*\*\*

IKE TURNER returns to the stage by way of a club tour set to kick-off in October. The always controversial IKE will be playing dates during the first two weeks of the month in New York, Philadelphia and other surrounding cities. He will naturally be accompanied by three IKETTES and a band consisting of ten members.

\*\*\*\*\*

"BULLSHOT" is the name of the latest movie coming from GEORGE HARRISON's Handmade Film Company. The film, which is a comedy that centers on an airplane pilot in the 40's, was produced by HARRISON and DENNIS O'BRIEN. GEORGE also wrote the theme song as well as the back-up music and he supervised the script. This is the most involved HARRISON has been in any of the movies that his company has released which include "WATER" and "LIFE OF BRIAN". The movie has just premiered in Los Angeles and is due to open in other U.S. cities shortly.

\*\*\*\*\*

MADNESS, also known as "THE NUTTY BOYS", are gearing up to go back on the road after a shake-up in their personnel and a record company change. Keyboardist MIKE BARSON, who left the band last year, has been replaced with two new keyboardists who are yet unnamed. The group recently split with Stiff Records to form their own Zarjazz Label on which they have released their new single called "YESTERDAY'S MEN". The group is embarking on a 25-date British "MAD NOT MAD" tour during which they will premiere the new songs from their upcoming album. MADNESS, which is one of Britain's biggest groups, is best known in this country for their 1983 Geffen hit "Our House".

\*\*\*\*\*

CULTURE CLUB drummer, JON MOSS, has produced the single from the new band WOYEHYEH and it's called "I HOPE AND PRAY". Chrysalis U.K. is releasing this debut next week. No plans yet for an American release.

## News From Rock Over London

CHRISSIE HYNDE, currently playing Cher to Ollie Campbell's Sonny, has written a song called "Made To Measure" that'll be on the forthcoming album by FEARGAL SHARKEY, once of the UNDERTONES. Sharkey has just finished recording the Lp in L.A. with EURHYTHMIC DAVE STEWART as producer. The record will also include songs by BENMONT TENCH, of TOM PETTY AND THE HEARTBREAKERS; and MARIA McKEE of LONE JUSTICE. SIMPLE MINDS are preparing their first material since "Don't You (Forget About Me)". It's a new album slated for an October 21st release and is produced by JIMMY IOVINE and BOB CLEARMOUNTAIN with a single preceding it by a couple of weeks.

CONCERT TOUR SPONSORSHIP is far less commonplace in Britain than in the States, but the November live appearances in the UK by KING are being backed by the retail chain "BOOTS", as part of a promotion for their range of teenage cosmetics. In-store competitions will offer tickets for the tour and autographed copies of the KING album as prizes.

Man of many bands, VINCE CLARK (DEPECHE MODE, YAZ, THE ASSEMBLY) re-emerges with something that has more of a permanent look about it: the liason with singer ANDY BELL. They're calling themselves ERASURE and release their first single on Mute Records this week, "Who Needs Love Like That". Bell's background? Quite simple, he answered an ad placed by Clark in a music paper!

BAND-AID COORDINATOR, MIDGE URE of ULTRAVOX, released another solo record in Britain entitled "If I Was". It will be on his October Lp release, and he is due to tour Britain at the same time. CHRYSALIS RECORDS deny any rumors that ULTRAVOX are splitting, but they won't be recording again until 1986.

The STYLE COUNCIL have their third song from "Our Favorite Shop" Lp released, "The Lodges". It's unlike PAUL WELLER to put out three songs from the same album, but the consolation for the Council fans comes on the B-side, which has live versions of "Big Boss Groove" and "You're The Best Thing". The 12 inch also includes a live version "Move On Up" and an in-concert medley of three other Council tunes.

BRONSKI BEAT may now be without the services of JIMI SOMERVILLE, but there's still some mileage to be made from their one album together, "The Age Of Consent". It's being re-released in an entirely re-mixed form with two added tracks recorded before the split. Even the title's been re-mixed. It's now called "Hundreds And Thousands".

After the success with the second release of "White Wedding", BILLY IDOL hopes to repeat the trick by giving Britain a second chance on "Rebel Yell" this week with the live track "(Do Not) Stand In The Shadows" and "Blue Highway" as the added enticement. Also, ADAM ANT's album "Vive Le Rock" is just released with a UK tour to coincide.

ROCK OVER LONDON takes another trip to Dallas this week for ROBERT PLANT's in-concert rendition of "Rocking At Midnight", another exclusive. We also go to the TEARS FOR FEARS archives for the original version of "Pale Shelter" and we dig deeper in the SQUEEZE album for "By Your Side". Incidentally, we couldn't help laugh at the title of Squeeze's forthcoming UK tour. It's called "Cosi Fan Tutti Frutti En Routti" and the band's CHRIS DIFFORD has revealed to PAUL SEXTON that he's hoping to start a book of his own lyrics and short stories. There's more chat from the THOMPSON TWINS, including the tale of MADONNA's wimp; the launch of the new Melting Pot feature as we play the DEPECHE MODE "History Mix", and the next hit from ex-DURAN DURAN member, STEPHEN DUFFY.

## Radio Action

KUPD, PHOENIX, AZ ASST. P.D. -CURTISS JOHNSON: "Yesterday marked our Labor Day blowout--40,000 people packed Compton Terrace to see Victory, Autograph, Aerosmith, and Scorpions. And I'd love to thank the management of the Scorpions, Katie Arnold of Polygram and, of course, the band--some of the most professional people I've had the pleasure of working with..As far as adds this week, the Starship is new to the valley's real rock. I think they've built themselves another hit..Roger Daltrey is an automatic. How can you not play something from one of rock and roll's true legends? I'm anxiously waiting to hear the rest of the Lp...If you're a ROCK station, you couldn't ask for a better image than Yngwie Malmsteen, hard rock's answer to Al DiMeola. Yngwie has a growing cult following and with virtually no exposure in the market, is selling very legitimate amounts of record, and those rock and roll actives just love it!"

WMMR, PHILADELPHIA, PA M.D.-ERIN RILEY: "I would like to dedicate this entire paragraph to R.E.M. Last week they played to a sold-out crowd at Philly's Tower Theatre. You could tell how excited the crowd was before they even started. The band was mostly lit from the side, and with black light. It was very eerie. They played nearly two hours, because the audience wouldn't let them off the stage, encore after encore. At one point the crowd got so excited about 30 or 40 of them got up on the stage to dance along. I tried to contain myself. Thanks to Michael Plen for the hospitality and Joe Raguso for the great seats. It was such a fun show I decided to head for New York City for R.E.M.'s sold-out concert at Radio City. If you're not playing this band, you're missing one of the most important bands of the 80's. And if you can't understand the lyrics, keep listening--it gets easier!"

KBCO, BOULDER, CO M.D.-DOUG CLIFTON: "The Sting concert at Red Rocks will be one of the big highlights of the Summer. His band sounds great. The selection of songs made for a nice mix of solo and police work. Don't miss this show! Thanks to Dick Merkle for the opportunity to see the show and see the band afterwards... I'll be on my honeymoon for the next two weeks. While I'm gone, our new Assistant Music Director, Ginger Havlat, will take care of the music. She will be taking calls Monday, Wednesday, and Thursday, from 2:00PM until 5:00PM in the afternoon...I'll talk to you in two weeks!"

WCCC, HARTFORD, CT ASST. P.D.-GLENN STEWART: "'Miami Vice' is to the mature AOR demos what Lawrence Welk is to the geriatrics. So Glenn Frey and Jan Hammer go in this week, and everyone can yep to the beat...Daltrey's 'After The Fire' is exactly what the last two Who records should have sounded like. It's obvious that Townshend's writing is back to form."

WSKS, CINCINNATI, OH M.D.-MARTY BENDER: "Hey, I ain't addin' that Springsteen single til I get the 12".

WQFM, MILWAUKEE, WI M.D.-DANA BROWN: "Just want to take a couple of moments to jump on my soap box, and scream 'take an adventure.' The Adventures' 'Send My Heart' is destined to be a homerun. Take a listen. If you haven't added it yet, you will."

TRIUMPH is keeping busy in the studio wrapping up production of their new double live album. Titled "Stages", the Lp was recorded over their last 3 tours, and includes two new studio tracks as well. The band is also working on a home-video cassette that they plan to release in conjunction with the Lp in early October. The video will include live performances of many of the tracks featured on "Stages", as well as footage of their performance at the 1983 US Festival...DAN AYKROYD and CHEVY CHASE have just wrapped up production of their new film comedy, "Spies Like Us." BRYAN ADAMS: "I've never put much emphasis on the image as much as I have the music. The only thing is now it's more important to look, have some, something so people can relate to it. But I never actually see people out there that look like me. I don't see like Madonnas, and...you know like when you see with Tina, there'll be people out there with Tina wigs wearing Tina make-up. But I'm not, people aren't like that. I think the whole appeal is that people can be themselves, really."

The Friday Morning  
Quarterback Album  
Report

**RADIO ACTION CONTINUED**

**KZEW, DALLAS, TX ASST. P.D./M.D.-CINDY BAILEN:** "Stevie Ray Vaughan is the kind of roots our audience wants, and we're giving it some serious airplay...The Roger Daltrey record is a real surprise. He's not over singing, and Pete Townshend wrote him a great song...Have you listened to the Husker Du twelve inch? They're the best unsigned American band currently pounding the pavement."

**WNEW-FM, NEW YORK, NY M.D.-LISA RICHARDS KENDALL:** "This week's major musical thrill award goes to Stevie Ray Vaughan 'Say What'. This man picks up a guitar and sends extensive volts of electricity through the old nervous system. Nobody's doing what this guy's doing and he does it so well...The Romantics have been writing hit songs for years that have endured the test of time ('What I Like About You' is a staple track on NEW) and their latest is their hookiest...My main Squeeze of the week is 'Hits Of The Year'...Although it's hard to deny the Hard Index, I still contend that 'Walk Of Life' is the next definitive Dire Straits track, but I'll be patient until 'World' rocks the country and it's time for round three. Into heavy, okay? Okay...Dio's 'Rock And Roll Children' is the rock and roll anthem of 1985 for those hot blooded, button-pushin' 18-24 demos and to prove it, it's in this week...Cougar's capable of a whole kind of mania sweeping the country. 'Scarecrow' has become my best musical buddy (next to CK, of course)...Which reminds me of a kind of joke that Bill Hard would tell me. Where do you send cantelopes for the summer? - John Cougar's mellon camp"...FROM MUSIC CO-ORDINATOR AMY GROSSER:"Prefab Sprout's new album may as well be their debut album instead of their second American release. They sound more practiced and this new album, produced by Thomas Dolby, is richer and fuller than 'Swoon', their previous effort. It's hard to overlook the similarities to Roddy Frame on 'When Love Breaks Down', but I think it's complimentary...The new Squeeze album really hits home after a few listens. 'Hits Of The Year' is wonderful. 'Heartbreaking World' may not have the typical Squeeze sound but it's catching...We're having a lot of success with Roger Daltrey's new single and he came up to visit with Dave Herman and told us about his new album...Give a good listen to the Romantics' 'Test Of Time'. It does remind us of 'It's The Same Old Song', but does have enough kick to stand up on its own."

**KISS, SAN ANTONIO, TX M.D.-TOM SCHEPPKE:** "Enjoyed seeing anybody who's anybody at the Texus Jam last month in Dallas. Thanks to Ronnie and Bubba for the hangover...The new Starship tune is super catchy - one of those instant hum-a-long type songs...Also, the new Daltrey is a throwback to The Best Of The Who. Wait 'til you hear the title track - a drummer's tribute to one of the best - Keith Moon...Don't forget one of the premiere guitar heros of the 70's, Robin Trower's latest 'The Last Time'. It sounds so good on the radio...Finally, check out Phenomena's 'Still The Night', sung by one of the best voices in rock, Glen Hughes...Rock Steady, T-Bone."

**WBCN, BOSTON, MA ASST. P.D./M.D.-BOB KRANES:** "It's really hard to write about Springsteen, but the man is simply amazing, no ifs,ands or buts. His New Jersey shows this past weekend certainly once again proved it. After being rained out on Friday he more than made up for it on Sunday. My heart is still beating, my eyes are still tearing, it's great to be alive...WBCN's second annual fireworks also capped off a great Labor Day weekend. With nearly a quarter million people lining the Boston Harbor, the skies lit up as the radios blasted WBCN. Pictures to follow...On to the music. Roger Daltrey's 'After The Fire' sizzles. The song is a masterpiece and Daltrey's voice sounds better than ever...Can you say 'Cosi Fan Tutti Frutti'? Call it what you will, but play it a lot. 'Hits Of The World' and 'King George Street' are my faves. The band we're talking about is Squeeze. After seeing two shows, the band is back and serious. Although it's been a relatively long road back, Squeeze must not be ignored...It's great to hear Quarterflash again. 'Talk To Me' is first and certainly not last. The record is chock full of good material...Working at WBCN allows for a lot of great moments. When it comes to great musical moments, we often get the chance to start something exciting... This week we added the Danse Society 'Say It Again'. All I gotta say is 'listen'...Finally, Big Daddy returns with some fun. 'Dancing In The Dark' rules...Charles Lacquidara's Big Mattress Song Of The Week comes from Kate Bush 'Running Up That Hill'."

**KGON, PORTLAND, OR M.D.-INESSA YORK:** "Requests: Dire Straits, Loverboy, Cheap Trick, and the Hooters. Also calls starting on Quarterflash and Heart 'If Looks Could Kill'...After reading all the comments on John Mellencamp's 'Scarecrow' over the past week, I've got to agree, it's destined to be a strong contender for album of the year. You know, you just get so jaded, it's a rarity when a song affects me the way 'Rain On The Scarecrow' does. So I view this positive reaction as a just barometer...Roger Daltrey's new one is at the very least interesting and he sounds so strong and healthy and Who-ish. 'After The Fire' is, for me, a good example of going far on an artist's recognition. Hard to say where the song will go, however. I need more listens...Songs I've got high hopes for include: Jon Butcher Axis and Gary Myrick 'Angels'."

**WYSP, PHILADELPHIA, PA ASST. P.D.-MIKE WOLF:** "A big thank you to Cindy Tollin, Artie Kornfeld and Steve Casey for their words of encouragement. It proves that good friends never forget...See Andy Bloom's comments in Dirt Alert for details on the exciting new air lineup here at YSP. Proven performers with positive attitudes about winning have replaced the old, stale losers. I think you'll find the air sound to be much more exciting than ever...Musically, I'm very impressed with the new Roger Daltrey song 'After The Fire'. Without a doubt this is his strongest solo effort ever...The hook on The Adventures new song 'Send My Heart' is so infectuous there was no way Andy and I could keep it off the air. Anyway, it makes good programming sense to bang away on this song before your local Top 40 outlet starts ramming it and burns it into the ground... Quarterflash continues their consistent winning formula on 'Talk To Me'. After listening to the sneak preview tape, though, I think 'Walking On Ice' would be a better choice for a single release."

**WDVE, PITTSBURGH, PA P.D.-GREG GILLISPIE:** "Last week we featured Mr. Mister once again, and stand back - this one looks like it is gonna be big, particularly for women...The Dire Straits song 'Walk Of Life' got great response in concert, and it certainly has that fun, upbeat feel that can keep summertime alive a little while longer...Ratt is coming to town, so we'll bolster the show with 'You're In Love'...Stevie Ray Vaughan's new album will be out next week, and when you get it, check out 'Say What', 'Look At Little Sister', and 'Come On Part 3'. This guy is great for us to use because, not only is he a roots rocker, but he is exclusive for our format. This Saturday, Stevie plays at one of the classiest and most exquisite halls in all of America at the Pittsburgh Jazz Festival...We're starting to get some early interest on Saga, The Hooters, and Gregg Rolie."

**KLPX, TUCSON, AZ M.D.-JOHN HUTCHINSON:** "We thought we'd give Jan Hammer a good spin. He's a master and this is a great theme. Heavens above, you never know who is going to be a TV star next. Well, that's it from Mr. Hollywood!...Gary Myrick's biggest fans are here at KLPX. Bryan and I took a chance on 'When Angels Kiss' and we think it will be appreciated...Wonderful, happy music from Nick Lowe and the Huey group...But, my all-time rave goes for Roger Daltrey and an inevitably superb Pete Townshend song--'After The Fire' gets my personal vote for its quality and its charitable intentions...Question: Could Heart's 'Never' be one of the nicest tunes on the Lp, or am I getting to be a hair or two mellow?...We're seriously looking at Simon F. for next week...The more I listen to Kate Bush, the more it makes me homesick. An excellent tune also... Station news: Rick Allen moves to mornings this week at KLPX and swaps with Bryan Miller who returns to PM drive."

**WZZO, BETHLEHEM/ALLENTOWN, PA M.D.-RICK STRAUSS:** "Happy to report that WZZO had the highest female percentage of total audience of any AOR station in the country, according to the latest publication of Jim Duncan's American Radio. We should be able to keep that up with songs like The Hooters 'Where Do The Children Go'. Their 'Nervous Night' album is still performing like a champion for us, and this track is their latest in our heavy rotation, and the little telephone light in the studio keeps flashing because of it...Also picking up very respectable request action is Dire Straits 'So Far Away', U2's 'Bad', the J.C. Mellencamp and Sting albums, and the new Roger Daltrey 12"...By the way, did you know if you play 'After The Fire' at 45 it sounds just like 'Dreaming' by Cliff Richards?...How about all the great comedy material we've been blessed with lately! If you're not using Cheech and Chong, Emo Phillips, Big Daddy, and Billy Crystal (especially 'I Hate When That Happens', you should be."

**RADIO ACTION CONTINUED**

**WBLM, LEWISTON/PORTLAND, ME M.D.-TOM WALLACE:** "Jan Hammer's 'Miami Vice' shows excellent mega-hit potential. Just a couple of spins brought curiosity calls and it ended up at our top requests of the week. People already know the song from watching the tube and they really seem to be getting off of hearing it on-the-radio...Also performing nicely for us are: Night Ranger, Loverboy, and the Hall & Oates/Temptations medley, all of which move to heavy this week!"

**WKGR, WEST PALM BEACH/FORT PIERCE, FL P.D./M.D.-TOM STEVENS:** "ADDS: Starship 'City'; Bruce Springsteen 'Down'; Loverboy 'Minute'; Adventures 'Send'; UB40 'Babe'; John Mellencamp 'USA'...CONSIDERING: Jan Hammer; Glenn Frey; Roger Daltrey; Vandenberg...MOST REQUESTED: Bowie/Jagger 'Street'; Huey Lewis 'Back'; Michael McDonald 'Back'; Sting 'Fortress'; John Mellencamp 'Lonely'...INCREASED PLAY: Mr. Mister, John Waite, Tears For Fears, Talking Heads, Hall & Oates...INCREASED SALES: Dire Straits, Heart, Billy Joel, Tears For Fears, Jimmy Buffett."

Can't wait to hear the title track...Glenn Frey comes up with another winner for TV. I can imagine the action behind 'You Belong To The City' on the screen...The perfect song for Farm Aid and Phil's Fave comes from Mr. Mellencamp in 'Rain On The Scarecrow'. Listen to the message...Being close to marriage, I hope Nick Lowe's 'I Knew The Bride' isn't true. I'll find out, eh?"

**WOJ, FORT MYERS, FL ASST. P.D./M.D.-CHARLIE KEEN:** "ADDS: Bryan Adams 'Night', Nick Lowe 'Bride', John Mellencamp 'USA', UB40 'Babe' (Re-add)...CONSIDERING: Jon Butcher Axis, Romantics, Quarterflash...MOST REQUESTED: Bowie/Jagger 'Dancing', Michael McDonald 'Back', Loverboy 'Minute', Dire Straits 'Money', GodTey/ Creme 'Cry'...INCREASED PLAY: Loverboy, Bowie/Jagger, John Waite, The Hooters."

**CHEZ-FM, OTTAWA, CN M.D.-GREG TORRINGTON:** "ADDS: Squeeze 'Last', 'King'; Propaganda 'Duel'; Hall & Oates 'Medley'; John Mellencamp 'Minutes', 'Rain'; Nick Lowe 'Bride'...CONSIDERING: None...MOST REQUESTED: Corey Hart 'Never'; Dire Straits 'Money'; Bryan Adams 'Diana'; Kate Bush 'Running'; R.E.M. 'Can't'...INCREASED PLAY: China Crisis, UB40, X...INCREASED SALES: Paul Young, UB40, Kate Bush, Platinum Blonde...Nothing like a few good concerts to regenerate sales excitement. Such has been the case locally with Katrina And The Waves whose Lp is now close to platinum up here ... An incredible Paul Young performance on a recent Power Station bill has boosted his Lp once again and Corey Hart just won't stop...I got to see The Hooters and Squeeze in Toronto over the long weekend. It's wonderful to have Squeeze back and as strong as ever. The Lp is subtle but musically it's all there...The Hooters are securing a place in my Top Lp's of 1985 and live they were amazing. An Ottawa gig would do the trick...To any and all A & R folks--check out MTV's Basement Tapes on this Sunday night for Peter Stewart. The video is top notch and his recorded music is ready to roll!"

**KNCN, CORPUS CHRISTI, TX M.D.-BONNIE STACY:** "ADDS: Roger Daltrey 'After'; Stevie Ray Vaughan 'Say'; Quarterflash 'Talk'; Glenn Frey 'City'; John Mellencamp 'USA', 'Gotta'; Loverboy 'Dangerous', 'Heartbreak'; Motels 'Shock'; Idle Eyes 'Tokyo'; Eric Martin 'Information'; R.E.M. If this is the tip of the iceberg, I can't wait for the Lp...Glenn Frey--this new one's a likely tune that I'm sure the listeners will adore. **RADIO ACTION CONTINUED**

**CFNY, TORONTO, CN ASST. P.D./M.D.-DON BERNS:** "Kate Bush is still the most played record on CFNY. There is no stopping this excellent single...UB40 is the most played cut that is getting airplay on other radio stations. Sonny and Cher live!...Other strong cuts continue from DAF, Kid Creole and the Coconuts, the Pet Shop Boys, Style (this record gets strong, strong reaction), Oingo Boingo, Michael Cretu, and Bowie and Jagger...New strong airplay this week out-of-the-box for What Is This, The System 'The Pleasure Seekers', and Simon F. ...The strongest album this week is Canadian. You may have heard of FM, unfortunately they don't have an American deal yet, but their album is the #1 playing album out-of-the-box...We are now five major cuts deep on the brilliant album by Propaganda... 'Dr. Mabuse' and 'Duel' are gold. 'Murder Of Love', 'Dream Within A Dream' and 'P-Machinery' are all getting strong airplay and requests. The album is also selling very strong...Chalk up a winner for Saga with 'What Do I Know' and 'Take A Chance' leading the airplay on this Lp... After you've heard 'When Love Breaks Down', check out the rest of the Prefab Sprout Lp. It is definitely one of the strongest of the year and one of my three favorites of the year (along with Sting and OMD)...Checking in with extremely strong airplay the first week is the Lp by Animal Nightlife 'Shagrila'. 'Native Boys' leads the airplay on this one, although the album is so strong that the announcers are sampling virtually every cut on-the-air. This is an indication of a hit Lp. (If you like Matt Bianco, you're gonna love this one)... real strong for us is a Toronto band called The Satalites. If you like reggae, you should try to smuggle this one over the border...This week's adds: Jane Siberry 'One More Colour' (watch for U.S. release from Windham Hill very soon)...Thompson Twins 'Don't Mess With Dr. Dream' (this is one of their best efforts ever)...Rough Trade 'Birds Of A Feather' (an old track remixed)...The Dream Academy 'The Love Parade' (another great song from a really hot new band)...Scritti Politti, the 12" re-mix of 'Perfect Way'...Bryan Ferry the 12" re-mix of 'Don't Stop The Dance'...and Steven A. J. Duffy (used to be Tin Tin) 'Un-Kiss That Kiss'...Plus, my pick to click, Red Box 'Lean On Me' (hot import of the week)...Album adds: Squeeze, The Cure, and Zeke Manyika (the single 'Cold Light Of Day' has done very well for us)...Finally, the Live Earl Jive Hit List: #1 Kate Bush... Biggest upward mover: Spelt Like This 'Stop This Rumor'."

**KMYZ, TULSA, OK P.D.-JIM RAY:** "Many thanks to the Aqua-Bubbas for the large time in Dallas a few weeks ago. Rollin', rollin' keep those bubbas rollin'! Many thanks to all the Dallas reps for helping the new KMYZ get going also. Jim is a busy boy with Transylvania-mania. I've never been at a radio station that tells me to buy a hearse and a coffin and then have the hearse painted gold and rename it the KMYZ 'Golden Drac-illiac', but it be done. Also, we are sure having fun bouncing on the end of the limb and breaking all the rules of radio--especially when others say 'those guys are crazy, that'll never work'. It's amazing how right your listeners can be if you will just listen to them. It seems to me that too many programmers are caught up in their hot rotations, and not enough in what people really give a shit about...There are three ways to die: You die when your heart stops--you die when you stop loving--and you die when the child in you goes away. Well, the child is alive kicking ass at the new KMYZ!"

**WRCN, LONG ISLAND, NY ACTING P.D.-JOHN GRAPPONE:** "Gary Myrick is going to be huge. This album is at least three cuts deep. If this record doesn't happen, I'll eat every copy I have in my possession...Don't ignore 'Never' by Heart either. This, I think, is stronger than 'What About Love'...Squeeze is back with a hit Lp-- It'll happen faster than you can say, 'Cosi Fan Tutti Frutti!'"

**WIOT, TOLEDO, OH M.D.-RICK VAN GIL:** "The FM104 Labor Day sky concert drew 130,000 people downtown once again proving the fact that WIOT is 104% Toledo...Finally, we were able to squeeze in Mr. Mister's 'Broken Wings'. After weeks of test rotation, then light rotation, Mr. Mister gets its shot in medium. This tune is a slow builder, but it must not be overlooked...Out-of-the-box adds on both Glenn Frey and Roger Daltrey. I think Frey's work is his best solo yet, and for that matter, so is the Roger Daltrey. I can't wait for the album!"

**WRKI, BRIDGEPORT, CT M.D.-MARK DEVINE:** "Roger Daltrey gets jammed into a heavy rotation immediately! He always sounds better singing Townshend songs anyway! It's been reported that this is the first song ever to mention Dom DeLuise...And what's this??? A TV soundtrack album? When you're hot, you're hot--and 'Miami Vice' is! We've added the Glenn Frey and Jan Hammer...And, finally, wouldn't it be great if Columbia issued another record with all six of the 'Born In The USA' flip sides?"

**WLIR, LONG ISLAND, NY M.D.-LARRY "THE DUCK" DUNN:** "Subway series in New York? I'm not putting the mortgage on it--but baseball fever has just hit its highest pitch. When you read this, St. Louis will be at Shea and Toronto will be at Yankee Stadium. Showdown time!...In the hotter than hotter department: Simon F. and Gary Myrick are now Top 5 requested. I think Gary has scored a h-i-t! I say 'hats off' to the man from Texas...Ah, the soul of Squeeze comes back to life again. Bloody classic, eh? In the words of our own mighty Waugh, 'By Your Side' is 'Tempted' 1985. It's been well worth the wait, boys...I'm also proud to tell you this week our #1 requested song and Screamer-Of-The-Week is Kate Bush 'Running Up That Hill'...Thanks to Michael Des Barres of the Power Station and Andy McCloskey of OMD for phoning in...Thanks to Al Jergenson of Ministry for stopping up and thanks to the world famous Ramones for a memorable end of Summer splash at Malibu nightclub."

**WQBK, ALBANY, NY M.D.-PEGGY APPLE:** "You wanna talk masterpiece? Roger Daltrey (or should I say Pete Townshend?) has created one of the most passionate songs since 'My Generation' or 'Won't Get Fooled Again'. 'After The Fire' inspires, enough said...John Cougar Mellencamp is another example of an artist whose gut feeling come across perfectly on vinyl. 'Scarecrow' is, no doubt, a solid album--sure to become a lot of people's favorite...Don't overlook Nick Lowe's catchy 'I Knew The Bride'. Huey Lewis really helps make this one zip...Kate Bush is Top 5 requests and there's this Matt Bianco that I really think is going to go someplace. Listen to it!"

**KATT, OKLAHOMA CITY, OK P.D.-PAT WELSH:** "Cindy Scull new to afternoons from WBAB, Long Island."

**WDHA, DOVER, NJ G.M.-BOB LINDER:** "Years ago when Twisted Sister was doing the local club circuit they came to DHA for an interview and rudely drove over and parked on our frontflower bed. Despite profuse apologies we would not forgive them. Now with their gift of a platinum award for a million sales of 'Stay Hungry' we formally state to the demented Sister: 'We forgive you!' - and along with many thousands of our metal-mania fans we'll say 'we fucking love you!'. Now straighten up and drive right!...Relativity has signed a real winner with Tangerine Dream. I love the new LePark advance cassette!...The Quarterflash album has lots of hits waiting to pop out although I prefer 'Come To Me' over the current single 'Talk To Me'...Billy Chinnock has a really great and unique new album - well worth a careful listen...Stevie Ray Vaughan returns way back to the blues roots on his excellent new album: 'Soul To Soul'...And 'When Love Breaks Down' is a new ballad from Prefab Sprout we feel could be a killer cut...Thanks to everyone for their help with the Springsteen broadcasts. It was a thrill and a half, especially interviewing Bill Murray."

**WWCK, FLINT, MI P.D.-MARK MILLER:** "For whatever it's worth, I want to go on record today with this statement: When all is said and done on the new Loverboy album, the hit will be 'This Could Be The Night'."

**WMMR, PHILADELPHIA, PA P.D.-TED UTZ:** "WMMR has just completed one of the most successful promotions I've ever been involved with--on tour with Bruce Springsteen every show--in every city-- and all expenses-paid for the entire month of August. We received more attention on this from both television and newspapers than most radio stations receive in a year! Winner, John Adair, was accompanied in his limo and private jet by newspaper photographers and was interviewed live on local TV during the Philadelphia dates...On the music front: Stevie Ray Vaughan's new album was recorded at the Dallas Soundlab, in Las Calinas, Texas, which is rapidly becoming a favorite warm-up spot for major artists before going on tour...Also impressed with the new Squeeze album--more guts than any album I can remember from them. 'Hits Of The Year' is the one...And the new Roger Daltrey album is much deeper than the single. Tracks like 'Don't Talk', the title track, and 'Move Better' are all great 1985 rock and roll statements...Early Arbitron reports for Philadelphia: WMMR 9.5!"

**RADIO ACTION CONTINUED**

A member of this royal family is Roman Marcinkiewicz of MCA. Roman understands people like me who have a wicked music jones. Roman, thank you! Thanks again to Geoffrey Trump, tour manager for R.E.M., and all band members, especially Michael Stipe, my saviour many times over. Their sold-out show at Radio City Music Hall was a phenomenal way to conclude their 'Reconstruction' tour. This band has a global perspective and deserves every bit of success they get...I just heard a tape of a few songs on the soon-to-be-released Lp by Anton Fier And The Golden Palominos. Great stuff! I am quoting now from the Quad-City Times: 'A drama that would be hard to believe on television unfolded for real at the Rock Island Brewing Company. It all started shortly after 3:00AM as the ploys of the tavern were taking down the equipment from KFMH radio live at Ribco that had featured the Safari earlier in the evening. Two armed men entered the building and ordered everyone on the floor. Just as the men were entering, a bartender was able to slip outside a side door and run to call the police. In the few minutes that passed before police arrived, a dozen hostages were struck in the face with the butt of a shotgun and a hero wrestled the weapon away from the man seconds before police burst in. After the people were herded into a walk-in cooler the gun man (in a gorilla mask), grabbed KFMH disc jockey, Kerry Peace, and took him as a hostage. Peace wrestled the man to the floor and the robber lost his gun! Peace then held the man on top of himself until police burst in and took the man off.' Needless to say Kerry has been given the week off, and we definitely would not want to re-live this episode...On September 14th we will be raising money at the Rock Island Brewery Company for the Quad-City Rape Assault Center. If any artists wish to aid us, would you please call so we can have you record taped announcements over the phone!"

 "It's Joy Division. It's New Order. No, it's The Cure and it's the best damn record they've put out yet. 'In Between Days' is the second most requested record on WFNX. It's being held out of the #1 spot only by Kate Bush...Speaking of Kate Bush, 'Running Up The Hill' has become an instant fave of our listeners. It has held the #1 position on our request sheet since it came out...Squeeze rolled through town a couple of weeks ago and they put on an absolutely flawless show. The excitement surrounding the show hadn't even subsided when their new album came out. What a killer record. 'Hits Of The Year', 'Last Time Forever' and 'I Learned How To Pray' are just a few of the many good tracks on this album."

"Well, the first rains of the summer hit Southern California today. What an omen. With the rains come wonderful things, like the new album from The Colour Field 'Virgins And Philistines'. This record is an out-of-the-box add for us, and should blow a lot of minds out there...Other material from over there is the Prefab Sprout. More music that works well in any weather...Sweet and sticky, Candy makes its debut on our airwaves. Don't ask your dentist about this one...Yee-Hah and off to the rodeo! Beat Rodeo, that is...Also, I failed to mention in the weeks gone by that we've been hitting hard on the Romantics and The Untouchables, which we dug when it was an import. Check out 'I Spy For the FBI', keeping an eye out for mediocre infiltrations. That's all from the west."

# Record Action

**BRAD HUNT, ELEKTRA (212-484-7200):** "Only 105 shopping days left until Christmas and at Elektra we are working overtime to make all those records that everyone wants under their tree. So, as your thoughts turn to the holidays, (that is if you have nothing else to do), Susan Baker's favorite band, MOTLEY CRUE, is bringing it all 'HOME SWEET HOME' as the hottest tour moves into the cooler months. If you don't play this track, the Crue knows who you are and knows where you live!..Doing their part to save on the cost of home heating, X is h-o-t on 'BURNING HOUSE OF LOVE.' This song is now a proven hit that has silenced even the biggest cynics... You 'DON'T WANNA BE THE FOOL' and miss this record, so let RIO wrap you up with hooks that can't be beat...The newest of the gifts that keep on giving included on your desk now: THE CURE 'IN BETWEEN DAYS', already Top 10 in the U.K. and their album 'THE HEAD ON THE DOOR' debuts at #7 in England. Check any retailer and find out that the import 12" is huge and this band has a following that is legendary...ALAN VEGA is 'ON THE RUN' to the top of the album charts with more great songs to follow...SIMPLY RED knows that 'MONEY'S TOO TIGHT', but even the tightest playlist will find a place for this soulful new star!...And there is more. New this week from HOWARD JONES, is 'LIKE TO GET TO KNOW YOU WELL' and remember, 750,000 lucky record buyers and concert goers have already gotten to know Howard very well...Also new is JOE LYNN TURNER'S 'ENDLESSLY' from his solo debut Lp 'RESCUE YOU', which this song just might do...And rounding out this latest release is STEVE MORSE, the world's greatest guitarist, who is prepared to 'STAND UP' and conquer the competition with help from Santana's vocalist ALEX LIGERTWOOD!...Congratulations to Paul Heine on an early holiday gift--ANDREW PAUL...And, very sorry to hear that Ross McDonald is on the loose. A gentleman that has always made the best out of any situation."

**SEAN COAKLEY, ARISTA (212-489-7400):** "Let's talk massage this week: The Thompson Twins rub your rock ears the right way with 'Lay Your Hands On Me', a song which they've re-recorded with Nile Rodgers and offer as the first single from 'Here's To Future Days' (release date: September 23rd). If you think you've played this song before (off the 'Perfect' soundtrack), think again Don Pardo. With vocal help from the East Harlem Hobo Choir, this one feels great!...Next week, save a space for Cruzados. 'Motorcycle Girl' rides on to playlists everywhere... Danse Society has a great rock/dance song called 'Say It Again', already requesting well at KROQ, WLIR and other leading trendsetters. This song could be huge. The video is in breakout rotation on MTV and will spur quite a few calls...Go Yankees!"

**PAUL RAPPAPORT, COLUMBIA (212-975-8616):** "PAUL YOUNG's 'Tear Your Playhouse Down' has broken wide open at CHR--play it fast! Perfect for that upper demo, both male and especially female...A record that has been overlooked but could be huge is the MONDO ROCK--talk about hypnotic!! ...And don't miss 'Knockin' On Heaven's Door' by HEAVEN--this is a stone smash...NICK LOWE is really on his way with 'I Knew The Bride'. We are averaging a solid block of thirty stations a week and the raves and, more importantly, the major phones continue. Top 5 phones at WLUP and same story at WMMR...Just saw the Hooters Live! This band has gone from great to A-M-A-Z-I-N-G! Don't miss 'em--they're superstars...On deck the new one from COCK ROBIN 'I Thought You Were On My Side', a killer from WIRE TRAIN called 'Skills Of Summer' and the HEAVEN Lp--see ya on the charts!"

**RICK WINWARD, ENIGMA (213-640-6869):** "I'm not sure how much those of you in other parts of the country have heard about California's Night Stalker killer. Turns out the captured, accused Richard Ramirez was an avid AC/DC fan, particularly of their song 'Night Prowler' from 'Highway To Hell! It was interesting to see opinions regarding social responsibility in playing this type of music. And now the heat is on more than ever with the FCC stoking the fire. Sure, everybody's aiming for upper demographics and so the programming of music that's most associated with the worst lyrics has been cut back. But sales of metal product continue stronger than ever and attendance at live shows remains strong...As the pendulum swings again towards meeting the needs of the younger rock demographics, and the stagnant sea of the 'older demographics maintenance with minimal innovation' format is reflected in your numbers, go with Stryper. This band plays great rock music with a hard edge guitar attack and melodies that are memorable for all demographics. Even the lyrics are timely!"

**RICH SCHMIDT, RHINO (213-450-6323):** "Trivia question worth video prizes at the end of this paragraph! ... Big Daddy is not a novelty item you should restrict to morning play. Evidence WBCN and WXRT who added 'Dancing In The Dark' straight into medium rotation -- or witness WMMR and WQFM giving the medium nod to 'Sussudio'. KBCO goes three deep with 'Jump', 'Sussudio' and 'Purple Rain'. This is simply the most creative and sophisticated approach to popular music you've run across in many years. I'm sure your audience would enjoy a new listening challenge...For those of you who are hooked to the cable, please note that CBN is now running 'The Man From U.N.C.L.E.' weeknights at 11:00PM EST...Now the quiz: Who was 'Sixteen' magazine's first teen dream pin up? Winners will receive any one video from Rhino's upcoming 'Battle Of The Bombs' video release... Go fish!"

The Airplay Index is our ranking system for the amount of play on albums as a whole. We determine rankings by totalling the emphasis points on cuts.

The methodology for our Top 50 markets Metro Index is the same as our Airplay Index, but instead of using the full sample base, we calculate the ranking from airplay reports from the Top 50 markets, as defined by Arbitron.
