Hard Choices[™]

DAVID BOWIE, "ABSOLUTE BEGINNERS", EMI...

A stellar stylist like Bowie can lean into any idiom or subject matter and make it work. Think about the ground he's covered--from "Changes" to "Space Oddity" to "1984" to "Let's Dance" to "Heroes" and "Cat People". But the battle of the sexes is what the Thin White Duke really specializes in--and this lushly orchestrated mid-tempo love song is your basic lace torpedo. Guaranteed to have 'em climbing the tower waving a white flag.

FIONA, "LIVING IN A BOY'S WORLD", ATLANTIC...

The little lady's marital status is as close as the last album got to the required vehicle for mass acceptance, but she sure found a home on album radio. I hate to break it to you, but Peter "We Built This City" Wolfe has penned Fiona's tale of two formats and you'll soon be sharing time with those boys across the street. Hey, let 'em build on our base. They'll never be man enough for the album.

BIG AUDIO DYNAMITE, "MEDICINE SHOW" (N.Y.), COL...

Ever since "London Calling", this format has had the Clash collection on the business end of the busy signal. The B.A.D. project has had the critical press proclaiming Mick Jones the alumni emeritus since the lp arrived last year, and this excellent remix is your RX for radio play. It's the best four minutes of a song most reporters preferred all along, and the best adventure club to mainstream cross currently available.

LLOYD COLE AND THE COMPTONS, "BRAND NEW FRIEND",

DEFFEN...I still believe "Lost Weekend" ranks as one of the year's overlooked gems--but as is the case with a talent to be reckoned with, there's more as good on the lp. "Brand New Friend" was the lp's first hit in Europe, and for inventive, soulful, hypnotic adult hooks it's as artful as it gets. Please listen.

GRAHAM NASH, "INNOCENT EYES", ATLANTIC...

And while we're on the subject of styles and wives, how about Graham's return to Hollies-era pop?!! Less distinctive voices might get lost in the rich production--but Nash slashes thru the mix like a locomotive in heat. Factor in Kenny Loggins pulling power and we're talking demos from Shindig to MTV. Wet day, indeed! We say bust it!

KATRINA AND THE WAVES, "IS THAT IT", CAP...

Even though Katrina was walking on water by year's end, too many album programmers harbored "too pop" prejudices for what we feel was one of '85's deepest female projects. But this time, you couldn't ask for a more spontaneous leadoff single. Maximum riffs, minimum formula, and a Stax Volt feel that could single-handedly advance spring by a month.

ROBERT TEPPER, "DON'T WALK AWAY", EPIC...

The "Rocky IV" soundtrack may have been loaded with left and right hooks, but the experts agree--it was Dr. Tepper's airplay on "No Easy Way Out" that really rocked retail. And who else wrote "Le Bel Age"? Now give 'em "Don't Walk Away", more strong medicine from this bright new talent's first solo.

MICHAEL SEMBELLO, "TEAR DOWN THE WALLS", A&M...

While we're taking a few shots for left field music that thrills, we guarantee Sembello's iffy image will be blown to bits from the first four seconds of this incredibly warm and rhythmic monster to be. A&M won't be pushing the button for a few weeks--so let's do it for them.

TIP, RONNIE TYLER, "IF YOU WERE A WOMAN...", COL...

We realize you'd need a shoehorn to accommodate this week's Front Page alone--not to mention all the great product recently released, but here's a quick mention for some of Jim Steinman's most controlled and effective work in ages. Just don't get caught singing along or you're it!

Reaction Records

JULIAN LENNON, "STICK AROUND", ATLANTIC...

One of '85's most improved follow-ups--that's the clear radio verdict, and Julian roars in with 106 adds, the highest #14 debut--and over 40% of our stations rating it four stars. Bill Evans, WLUP, "Tremendous second effort"...Mark Didia, WXRK, "Smash"...Lee Roberts, K107, "Best song of the week"...Brian Iles, WCCC, "As automatic as Stones and Van Halen"...Bonnie Stacy, KNCN, "His best yet"...Erin Riley, WBRK, "Fine effort"...The Rox, WLIZ, "Hooks and guts"...David Hall, WKDF, "Excellent performance and production"...John Beaulieu, WTUE, "His best yet"...Bob Bailey, WKLS, "Bonafide rock record"...Joe Flood, KEZU, "Up and dynamic"...Candi Chamberlain, KOME, "Some of his finest material yet"...Lars Murray, WBRU, "Definitely his best to date"...Already max on 12, including WOVE, WFBQ, OC101, K107, WBBN, WLUP, and WKQQ.

GREG KINN, "LOVE AND ROCK AND ROLL", EMI...

Greg builds on 20 first weekers with another 23 stations, giving the single this report's second longest 88-56 Underline. That move also ranks fifth in points gained...KORS and KMET increase, with KZAP, WSHE, KLQL, KOME, KSJO, KQW, KQON, WAAF, WMMR, WXRK, WKVY, WNEW, KFOD, KLDS, and KGB among the majors now playing. Alan White comments, "Vocally it's a little different for Greg, but after a few spins, there's no doubt--and when the hook hits, look out"...Mike Boyle predicts, "This will put Greg on the tip of every program and music director's tongue again."

BOB SEGER, "FORTUNATE SON", CAPITOL...

Here's one B-side that obviously deserves 15A rotation respect. 61 pop it in--for a #34 debut. WJPH's Steve Becker calls it "As strong, if not stronger than the A-side"...David Hall echoes, "Getting universal praise as better than the single from both staff and listeners"...And WCNF's Dave Kane reports "Good phone response from just the first few spins"..."American Storm" builds at #5 with 6 more adds, 133 saturation play, and 10 increases. WSKS, WTUE, KATT, KLOS, KAZY and KSHE lead the ups, with 59 now listing max. Still #4 Most Requested.

JUDAS PRIEST, "LOCKED IN", COLUMBIA...

Could not agree with The Rox at WLIZ more--it rocks, it moves, but it doesn't abuse the ear drums...KMET's Judy McNutt-Friedman tells us they were ready and waiting in L.A., "We played it once over the weekend and on Monday people were calling for more details. Top 7 requests immediately"...WNEW-FM's Mark Chernoff says, "Another monster record on the radio. Generating great early phones"...K107's Alan White reacts "Much more melodic"..."Burning up the phones" says WDMA's Mike Boyle...Pete Lopez predicts, "Success is locked in"...Lex Staley hears a "Nice change in direction"...Kevin Jargas notes, "Highly accessible track"...KFMG's Michael Davis reports, "Priest fans are crawling out of the woodwork"...And Rick Van Gil tells us W107's got "Massive phone calls"...First week calls bring it on at #14 Most Requested with 48 DTB adds and a #47 debut.

THE ROLLING STONES, "HAD IT WITH YOU", COLUMBIA... Another ultra-hip flip side scores our strongest Song Primer, #4-57. It's now on 20, now on 38. NCA's Bonnie Stacy calls it, "The surprise of the week and best \$1.79 ever spent. 'Had It With You' gets three times the requests that 'Harlem Shuffle' got"... Meanwhile, the A-side struts 4-2 behind 17 increases, 88 max, and 43 National request power.

JIMMY BARNES, "WORKING CLASS MAN", GEFREN... We've been working this track from day one--and now the stats start to fall in line. Try #3 Most Added with 19--47 to date, and our third strongest 79-50 Prime Move. Increases at KPET and WAQS help turn those LP totals around 36-34, 33-31 Metro. This one's a keeper.

BRYAN FERRY, "IS YOUR LOVE STRONG ENOUGH", MCA... 12 adds represent a fine start in this rather fragmented add week--and the Checklist says to expect more shortly. Highlights include: Ken "sounded real good" Anthony, KJJO; Wayne "moves my musical soul" Summers, WACN; Bill "Mr. Smooth" Evans, WLUP; Rick "classy" Van Gilt, WLOT; Alan "right in the groove" White, KILD; Bob "class rock" Welch, WPYX; and Vince "tasty material" Mertz, KZEL...As noted by WCLR's Larry Dunn, "Bryan is very underrated--so think twice."

QUEEN, "PRINCES OF THE UNIVERSE", CAPITOL... We tipped it last week hoping for the best--and even though jock types like Ron Diaz said, "Freddie, put a shirt on", we found surprisingly solid radio regard. WPDH's Pam Brooks said, "If early phones can be judged as an indicator, then not only does Queen have another HOT SONG on their hands, they're also involved with one blockbuster movie"... KZEW's Cindy Bailen feels, "They're on a roll"... KOOS' John Tower said, "Sounds like classic Queen"... "Back to early Queen" echoed KKID's Jeff Riedel... "Queen is back" was the word from WNGR's David Hillary... Mark Diddle said, "Their best in a while"... And WNEH's Max Chernoff reported "Powerful early phones"... Nothing's a sure thing except Van Halen phones, but it sure looks promising after one week.

UFO, "THIS TIME", CHRYSALIS... Some choice call letters among the 45 now playing, including WYSP, WLTZ, KISS, KSHE, WLVD, WLAV, WQV, WRCP, WXXX, KXB, and WUFM... Nice rap on the Checklist, too: Dana Brown, WQFM, "Homerun"... Michael Davis, KFNG, "Good curiosity calls, should do well"... Pam Brooks, WPDH, "How can they miss"... Bonnie Stacy, KNCH, "Nice phones, wonderful song"... Al Branch, WPKX, "Great change up"... Wayne Summers, WACN, "Generating great phones"... And Steve Becker, WKFM, "Good to hear from them again"... The LP debuts at #46, with "This Time" Prime 77-63.

Automatics

PHIL COLLINS, "TAKE ME HOME", ATLANTIC... The monster's finally on the loose in single form, and you couldn't dream up better chart performance: #4 Most Added with 35. "Home"'s 51-24 Primer ranks #1 for increased points and #4 for positions gained. The LP's 42-28 sprint is first in points and positions, with the 37-29 Metro move, that chart's longest run.

SIMPLE MINDS, "ALL THE THINGS SHE SAID", A&M... The Minds double the current play totals with 26 new and 53 on. Ups include WACN, WQCN, WUPR and WJUY. The 56-36 Underline ranks third in points, and fifth in positions, strengthening the album 19-13.

ZZ TOP, "ROUGH BOY", WB... Here's our #2 point gainer, 21-13. Chalk that up to 25 adds, 126 now in current, and 7 ups: WERS, WYOO, DC101, WLOT, WRDU, WLNZ and WZZX.

MR. MISTER, "IS IT LOVE", RCA... It is pulling phones, no doubt: WLVD, WNGR, WPDH, WPYV, WPTX and 3 more have "excellent" requests, with 24 more "good" call mentions. More best of show stats, too: The 30-20 LP move places second in positions and third in points, courtesy of 16 adds and our fourth best 12 increases, including KTRQ, WQHA, WRDU and WQCE.

ALAN PARSONS, "LIMELIGHT" w/ "REAL WORLD", ARISTA... There's real interest in both sides--"Limelight" hits at #99 with KAZI, WCHG, DLDI, WQMK, KLAQ, KLOL and KESI among those on board. Rad Messick said "Better than average song"... KAZI's Zai Phillips cited "Audience interest due to Brooker"... Pete Lopez reports "Excellent phones already"... Kevin Yarnes said "Excellent AOR ballad"... "In The Real World" scores a #84 entry, with KSHE, KQON, KZAP, WPTX, WPYV, WXXX, WLOT and WRUR heading that list.

DIRE STRAITS, "SO FAR AWAY", WB... Hey, wait a minute... Look under the Automatics writeups--isn't that John Q. Newman's fighting for air? Maybe--but you gotta do what you gotta do--and that moves any new push track from these guys to the head of the class. Note new air KTRQ, KORS, WLAV, WPTX and 5 more, 11 ups (KZAP, WQCN, WRIF, KLPX, WPDH), and the 36-28 Underline.

HOOTERS, "WHERE DO THE CHILDREN GO?", COLUMBIA... We don't have to tell you how beautifully this tune has maintained here in the Hoots home base. You know that from your high rotation living room airplay. So for what you know.

STARSHIP, "TOMORROW DOESN'T MATTER TONIGHT", RCA... They've rebounded as the kings of the massive passive, and anyone remotely plugged in knows their ability to ody crossover play is currently top drawer--that's all that matters.

Buzzbands

"PRETTY IN PINK" SOUNDTRACK, A&M... If you dismissed this as "just another soundtrack", you'd better rethink. "Pink" is flying out of the stores--to the tune of gold by week's end--and will be A&M's best-selling movie music ever. There's something here for every type of AOR, with OMD very big at CHR as well, great feedback and adds on Suzanne Vega, and what looks like the LP's sleeper winner, the Psychedelic Furs title tune. The film and MTV saturation have sparked tremendous audience awareness--and you can expect Top 40 action to begin in the next week or two.

KESI, "BECAUSE THE NIGHT", GOLD MIN/WCA... Kesl hits the bricks with 17 (KLAQ, KISS, WLOT, KLPX, RMOU, WQPR and WQAB)... KPRC's Michael Davis feels the cover "Closely matches the original version in all categories"... Except in the female vocal department, we suppose... KILD's Alan White noted, "It's the right time for the remake"... "Solid cover" was the word from Amy Dahlgren up at WAQS... "Real pleasant surprise" said WPDH's Pam Brooks... "Light years better than their last", was the verdict from WQCN's Bonnie Stacy... From KZEW's Cindy Bailen, "Can't keep a good song down"... WCLR's Amanda Tepper agrees, "It was a good song to cover"... And judging from the previous comments, there appears to be plenty of female appeal as well.

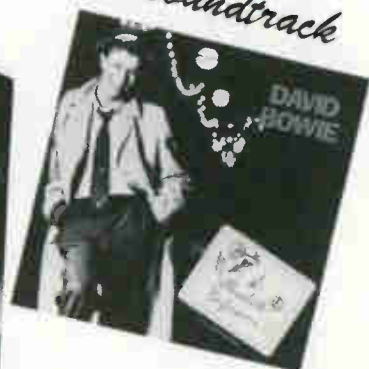

THE MODELS, "OUT OF MIND, OUT OF SIGHT", GEFREN... We ran it past the "hit or miss" hook jury, and our panel of radio experts said "hit" by a 3-2 margin. WQHA's Mike Boyle said "A different song that radio needs"... "What You Need" part 2" compared WLUP's Bill Evans... WBLH's Robin Mathias predicts "B-I-G hit"... WJLS' Bob Bailey reacts "Very catchy hook"... CFMY's Tom Berns calls it "An out and out hit"... WQDN's Peggy Apple tells us "very impressed. It rocks, it's sexy, and you can groove to it, baby! Hot stuff!"... Now on 111 reporters, including KERR, WNEH, WQHA, KLOS, KRDU and WCLR.

WAX, "RIGHT BETWEEN THE EYES", RCA... As Bob Bailey states, this probable CHR smash is most valuable to you in these early stages--so don't get scooped... Al Randall at WLVD puts it, "This Wax is a hit record--it'll be all over the dial. We need to be first on this power pop explosion"... WQFM's Dana Brown says, "Good song with a lot of potential"... "Good female response" came from GU's Garrett Hart and KZEL's Vince Mertz rates it, "Almost perfect"... Hey, time for one more quote, this one from WPDH's Pam Brooks, "This is a real catchy song with a great hook that has appeal for everyone. It's a definite hummer"... It's now on our chart at #74, with 12 adds and 27 now playing.

PET SHOP BOYS, "WEST END GIRLS", EMI... This record's coming alive on the phones--witness the #14 Most Requested debut, with "excellent" response at WLIR, WKDF, WMGM, WQBK, KROQ, CFNY, WSKS and 4 more, with WBAB, WBLM, WPLR, WGLU, KAZY, WDHA and 4 more into "good" calls...We've got a 76-66 Underline, with new air on KSRR, WPYX, WBLM, WBRU, WWCT and WTCS, with a very healthy 8 increases: WBAB, WDHA, WRDU, KAZY, KRNA, WYDD and WMGM...WBRU's Lars Murray comments, "It's another somewhat proven song that gets good reaction. Just smooth enough not to offend upper demos."

LEVEL 42, "SOMETHING ABOUT YOU", POLYGRAM... Lee Randall likes this record. He says "To us, the Level 42 sounds like Joe Jackson meets Sting or something--but it still has its own identity"...Rob Ellis praises their "Great, new refreshing sound"...And WZZO's Rick Strauss says, "It's going to be a hit, so why let CHR get all the mileage?"...It pushes 68-60 on the Top 100, with new air at WLQV, KSRR, WKQQ and 4 more, and 39 stations to date...Upped at WYDD, WMGM, WRDU and KRNA...We also found a healthy phone build, with KRNA, WMGM, and CNFY reporting as "excellent" and KFOG, WNOR, WQBK, WGLU, KAZY and 3 more "good" listings.

MENTAL AS ANYTHING, "LIVE IT UP", COLUMBIA... It only takes one success story to signal a regional breakout, and we're watching the Northeast Corridor build here. WAAF's phones have motivated serious rotation jumps--with surrounding play at WBCN and WHJY. This week WPLR joined the club and WMMR's add last week didn't go unnoticed, either. With close to 40 now playing, we'll Checklist for more phones this week.

EXPORT, "RUNNIN' BACK (FOR MORE)", EPIC... Their best week yet sports WLQV, WQFM, WLLZ, KISS and several more. It's whips and chains fodder for LVQ's Lee Randall, who grins, "The Export is something we can use at night. Hooky enough with a bite, but yet professional. Good spanking music." Also on KSRR, KLAQ, WSHE, KLPX, WMGM, WXRK--and more.

Builders

VAN HALEN, "WHY CAN'T THIS BE LOVE", WB... It'll take a few rounds to push thru to top airplay, but they still own the request lines coast to coast, and you've got to respect the week's best 18 increases and 83 max reports...Check these request ratings: Joe Blood, KEZO, "Generating the hottest phones here since 'Money For Nothing'"...Virgil Thompson, WRUF, "Getting close to breaking the record, four consecutive days at #1 on our Top 5 at 5"...Mark Chernoff, WNEW, "I've never seen so many calls on one song in such a short period of time"...David Hall, WKDF, "Continues to totally dominate as the favorite song of the week"...Steve Kosbau, "Over 15% of our total requests are for this."

JACKSON BROWNE, "LIVES IN THE BALANCE", ELEKTRA... The Lp is still adding points like there's no tomorrow--enough this week to power 3-2. The single stays at 3 with 13 ups, "Lives In The Balance" goes 54-48, with KAZY, KFMQ, WHCN and WTUE increasing..."In The Shape Of A Heart" debuts at #97, with WLUP, KESI, KZEL, WAQX, WBAB, and WIOT among those on the track...FYI: our "which track is pulling the best phones" question found 18 title track mentions, 15 more for "Lawless Avenues" and 9 for "In The Shape Of A Heart."

HONEYMOON SUITE, "FEEL IT AGAIN", WB... If it feels like we've been talking about this since last Halloween, that's probably because this song skipped all the foreplay, came out of the box blasting, and hasn't cooled one bit since. They're back with 11 more play-ups, and Suite charts to match: "Feel It" goes 12-10, with the Lp double-bulletheaded 12-8, 14-9 Metro.

ROBERT PALMER, "ADDICTED TO LOVE", ISLAND... It takes a mighty big record to hold back the blockbusters--and Robert's got the moxie. Still #1 with the week's third best 13 increases, only 3 decreases, and #2 request firepower. Lotta miles left.

THE CALL, "I STILL BELIEVE", ELEKTRA... With 9 adds and 98 on board, we'd consider The Call about 2/3 closed...And the stats say there's still lots of life before the peak...Increases at WWCK, WMGM, KTXQ, KFMG, and WAPL pave the way to a 27-22 Primer, reflected in the 29-24 National Lp Underline...Amy Dahlman comments, "The underground tremors are making this an image band complete with a killer song. I believe we've gotta hit."

TED NUGENT, "LITTLE MISS DANGEROUS", ATLANTIC... "Dangerous" dialers deal Ted a nifty 10-8 Most Requested move--and the Checklist backs it up with 25 "excellent" and 17 "good" reports, as well as top 5 action at KTXQ, WLQV, WPLR, WDVE, WKDF, WWCK, KUPD, KTXQ and more..."Dangerous" gains 35-31, with 7 adds and 79 to date...The Lp is also Prime 34-31, 32-28 Metro.

MARILLION, "LADY NINA", CAPITOL... Based on solid phones, plenty of increases and minimal play decreases, "Nina" remains one of the best image bets out there. This week's increases: WRXL, WMGM, KICT, KSRR, KATT, WQBK, and KILO, with only 1 decrease...Now on 75 with 6 more just in, and we feel the request action argues well for more stations: WQFM, WPYX, WAQX, WPDH, WHCN and 3 more say "excellent" and 20, including KILO, KSJO, KLAQ, WPLR, KKDJ, WLUP, WIOT, WKLS and KZOK have "good" phones. The National album chart shows a 37-32 Primer, with "Lady Nina" up to #33.

GLEN BURTNICK, "LITTLE RED HOUSE", A&M... More than a few good albums have come and gone since "Red House" hit--and Mr. Burtnick just keeps on climbing. This week adds at KSRR, KGB, WXKE and 4 more, along with ups from WPLR, KATT, WDHA and KILO, crank up a 52-45 Underline. The National Lp number follows 43-41. "Good" to "excellent" checklist phones at WDHA, WLLZ, KRNA, WSHE, WEZX, KLBK, KLPX, WXRK, WNEW and WMGM.

BRIAN SETZER, "THE KNIFE FEELS LIKE JUSTICE", EMI... The count climbs on to 113, but the real story this week is 9 increases and a 14-12 Song Primer. And we don't have to tell you than an Underline inside the top 15 takes a meaty point jump. Now max on 11, including WAAF, KTXQ, KBCO, KAZY, WKQQ, and WTUE...Also check the album numbers: 18-14 Nationally, 21-16 Metro.

JOE COCKER, "SHELTER ME", CAPITOL... New air on WFBQ, WKLS, WXRK, KICT, WLQV, KGB, WIBA, WPLR and WTPA hikes Joe's add count into triple digits, as ups on 9 (WLUP, KUPD, KWHL, and KLBK) combine to shovel out a 17-16 Song move. The rotation around the nation confirms his comeback incantation with power play at majors KISW, KUPD, WLUP, KAZY, KBCO, KQRS and KLBK, a solid 39 stations into "4" level emphasis, and 40 "3" intensity reports. Book it!

OZZY OSBOURNE, "SHOT IN THE DARK", CBS ASSOCIATED... Solid at #5 Most Requested, #15 Airplay with 6 primo play increases lead by WQMF, WRIF, KLOS, WXRK, WWCK and WTKX compared to 80 steady and only 2 decreases. Factor in 99 on, 16 max mentions, including WXRK, WEBN, KISS, WHJY, KUPD, and KLAQ, and the blow-out retail story, and you've got the ultimate around-the-clock rocker.

THE FABULOUS THUNDERBIRDS, "TUFF ENUFF", CBS ASSOCIATED... Their Lp cruises into the Top 10 (#9 National; #8 Metro) as "Tuff" struts 10-7 Airplay, 12-11 Most Requested. Increasing on KSRR, KTXQ, KISS, KATT, WAPL, WMGM, WBAB, and KFMQ...Max play at 20, including WKLS, KTXQ, KATT, KXZL, KBCO, KQRS, WDIZ, KAZY, WLUP, KISS and WKQQ with 79 "3" or "4" emphasis reports, and 116 now playing. Definitely tough enough.

CHARLIE SEXTON, "IMPRESSED", MCA... Still not impressed? Try 225,000 units sold, major CHR activity on "Beat's So Lonely" and a current tour that's knockin' 'em dead coast to coast. The new 12" adds on WIOT and WTOS, ups on WQFM, WAQX and WDHA, with KLOL, WNEW, KOME, WAAF, WLLZ, WQFM and KTXQ among the early believers. #78 Airplay with the Lp at #45/#41 Metro.

DIRT ALERT!

SEBASTIAN'S NAME GAME: E-E-BO-B-BANANA-BANA-O-R-EOR, AC, "THE NEW AC!"

While most of last week's industry conversation centered on indies and editorials, consultant John Sebastian was quietly at work changing the names of his company and format. While the new corporate moniker "John Sebastian, Inc." isn't exactly earth-shattering, shedding the Eclectic Oriented Rock handle in favor of "The New AC" has certainly raised a few eyebrows. Does this mean stations like KESI, San Antonio; KKGR, Anchorage; KGRQ, Caspar; and newcomer WCLZ, Portland will soon be spicing up their lists with the likes of Anne Murray, Dionne Warwick and Atlantic Starr? Hardly, sez Sebastian. The new name is a "marketing and positioning tool designed to alter the way EOR is perceived by advertising agencies, GMs and owners. In the past we've heard things like 'EOR is too mysterious', or 'what does Eclectic mean?'; so I wanted to adopt a term that was more relatable to them. We know that perception is more important than reality, and there seems to be immediate renewed interest in my format because of the name change."

Sebastian insists his format's similarities to AC lie more in texture and mood than in presentation. Although he claims to have broken current AC tracks like Heart "These Dreams"; Elton's "Nikita"; Mike + The Mechanics "Silent Running"; Starship's "Sara"; James Taylor's "Only One"; and Dream Academy "Life In A Northern Town" six months ago, Sebastian sez the concept behind The New AC is closer to the roots of progressive AOR. "Unlike any other format, we're the one that really digs deep into the albums and plays a lot of different cuts like AOR used to, long before anything's released as a single. We really don't allow record companies to dictate what song we play". What are current examples of tracks that the 25-40 targetted new AC is stepping out on? "Our strongest powers right now are Suzanne Vega's 'Left Of Center'; Michael Tomlinson, who is an up and coming Dan Fogelberg; Hiroshima, a new age jazz band, and we're very deep on the new ELO, Jackson Browne and Dream Academy LPs"...But if EOR is the New AC and AOR is the Top 40 of the '80's, is pay for play a viable alternative to all request news? We welcome your thoughts.

SCARRY RETURNS TO KMET AS DIRECTOR OF CREATIVE DEVELOPMENT

Although he's still with RKO until the 28th, Rick Scarry is already "working loosely" at his old Alma Mater KMET, as Director of Creative Development. Rick who served as KMET Director of Promotions Advertising and Special Projects from 1979 to 1982 has been with RKO for 4 years in several positions: He started as air personality at KEARTH in '82 and then programmed KHJ for 2½ years until it was "put to sleep". Most recently he was creating and voicing promotional campaigns for the RKO stations. Rick's first two priorities at KMET are to "come up with a powerhouse promotion dept. and a powerhouse production dept. When I left KMET back in '82, we had a 6.4 and knew what our market was, and somehow they've lost touch with that over the last couple of years, so my main thrust is to make sure that the people of Southern California know what they're radio station is, and that's KMET. We need to get back and be the people's station again." Rick describes his new gig as a "catch-all management position. We want to let PD Larry Bruce concentrate on making this sound like a fine radio station while I'm in charge of making sure all the support units are working properly. We all have one goal here and that's to get it back where it belongs and we're going to do it with fire in our eyes."

Meanwhile, eight-year KGB air personality Pat Martin joins KMET for air work, and will also be doing some work for Westwood One.

And, who will land the coveted KGB MD title? No announcement yet; PD Ted Edwards sez he's "still talking to people..."

DWARF-CHUCKING: IT'S A BRAND NEW BALLGAME; OZZY SPARKS WICHITA CONTROVERSY

From the format that brought you the promo pig head, disco demolition and the No Men At Work weekend, comes the latest unnatural act--dwarf-chucking. When WMMR's Morning Zoo broadcast live from London last November, John DeBella and crew were exposed to this unique sporting event held in suburban London clubs. Sez OM Ted Utz, "They put these little dwarves in helmets and chuck them from one end of the bar to the other and have them land on mattresses. Whoever chucks them the farthest wins"...Renewed interest in this future Olympic event was sparked last week when news of Chicago dwarf-chucking reached The Zoo during its week-long broadcast from Philadelphia's Heartthrob Cafe. After re-playing Pete Townshends and Roger Daltrey's comments on the subject, 'MRR hinted to a possible Philly debut saying "Find out more about dwarf-chucking this Friday as we broadcast live from the Heartthrob"...But when local community groups mounted a protest campaign, the station decided to scrap its plans. "We heard from every group from the Little People of America to the Lullabye League", Utz commented, "including the City who cited an ordinance against that kind of thing. It got so crazy that we went on the air and said 'Do we really blow up cats and cows--No! Do you think we're really going to chuck dwarves--No!'"

Meanwhile, KICT, Wichita, is involved in a controversy of another size and shape. An effort to ban rock concerts in Wichita is focusing around the master of media manipulation, Ozzy Osbourne. A local group, The Federation for Decency, says Ozzy's upcoming tour opener in Wichita and a death at a recent AC/DC show are reasons enough to pass a resolution banning rock concerts. "We feel it's an infringement on our listeners' rights" sez KICT MD Lee Roberts. "Why are they singling out rock and roll, and not doing anything about country shows or Barry Manilow? It's just a bunch of bible belt beaters causing havoc"...How has the controversy affected Ozzy ticket sales? "The whole incident has been great publicity for Ozzy", Lee continues; "It's helped ticket sales. 'Shot In The Dark' is our #1 requested song and his LP is at #2 retail!"

FORMAT FLUX: CLASSIC ROCK WGRX, NEW AC WCLZ, FREEFORM WMRY

WGRX debuted its new Classic Rock format under consultant Alex DeMers and Acting PD Bob Payne, on Wed. March 12th. Although they're using the slogan "100 GRX, Baltimore's Classic Rock 'N Roll Station", a quick monitor reveals a 40-60 current to old ratio. Here's a sample 45 minute music flow:

Beatles "Nowhere Man"; Elton John "Madman Across The Water"; Heart "These Dreams"; Grateful Dead "Uncle John's Band"; Hooters "Where Do The Children Go"; Bruce Springsteen "Saint In The City"; Bruck Cockburn "Lovers In A Dangerous Time"; Tommy Keene "Places That Are Gone"; ELP "Lucky Man"; Cars "Moving In Stereo"; Stevie Nicks "Talk To Me"; Jackson Browne "You Love The Thunder"; Suzanne Vega "Left Of Center".

WCLZ, Portland ME has abandoned AC in favor of John Sebastian's New AC format. Part-owner Don Scott of Clipper Communications (WTOS, Skowhegan) is PD. Asst. PD G.V. Rapp is shopping for a midday personality and possibly a morning person. T&R to Box 900, Brunswick ME 04011..No calls please.

Elsewhere in EORland: Former KGON PD Dave Van Dyke nabs the MD position at KKGR, Anchorage. Dave who also does morning drive had been handling most of the music duties, and now officially has the title.

What's the street buzz like on new progressive freeform AOR WMRY, St. Louis? Ted Habeck, recently named MD tells us "One of the things we're hearing is that 'You're really reviving a lot of memories with the old stuff and educating us with the new stuff.' We play everything from Modern English and the Waterboys to Sam Cooke, The Supremes, Dave Edmunds and old Grateful Dead." The former KSHE PD, KWST MD and KMET Asst. MD celebrated 15 years in the biz last September.

JIM DEL BALZO: "I WANT MY MTV"; MR. RECORDHEAD IMPERSONATES BOSS JOCK

Columbia New York ace Jim Del Balzo is leaving the label for a position as Director of Talent Relations for MTV. Jim parts company with Columbia on March 19th with these words: "The 4½ years I spent at Columbia were the best of my life. I'll miss working with everyone at Columbia, and in New York radio. I'm very excited about my new opportunity at MTV. Thanks to everyone for their support."

Yes, that is Mr. Recordhead playing the part of boss jock Andy Nukem, on side 1, cut 3 of the new Chacko LP on PolyGram.

TALES FROM THE VINYL JUNGLE

Ken Baumstein, formerly National Director at Chrysalis Records, has joined Manhattan Records as VP in charge of Artist Development and Marketing.

Bob Knickman has been awarded the Production Manager position for the JEM Records Group of Companies. Knickman previously worked with Geffen recording artists Crossfire Choir and served as Assistant to Producers Steve Lillywhite and Stefan Galfas.

Congratulations to JEM Records buyer Kevin Addis and his wife Nancy on the birth of their daughter Sara Lynn, on March 7th. Their first little nugget checks in at 8 lbs.

FMOB WELCOMES NEWCOMERS KBAT, ODESSA AND KKC, SAN FRANCISCO; TRIUMPH WELCOMES RON NEVISON

Mark Lapidus, KBAT, "It's great to be an FMOB reporter again! The Bat flapped its 100,000 watt wings for the first time December 2nd, to the delight of area rockers. The Permian Basin had been without a rock station for three weeks in November when KUFO changed calls and format. Most of the KBAT staffers are former KUFO members. We're very proud with what we did with 'UFO, taking it to #3 12+ and #1 Men 25-54 in a market of 18 signals. I feel certain that with a slightly adjusted mainstream format, we'll do even better with KBAT." Music hours: Mark Lapidus-Monday 10AM-Noon. MD Dru Dawson-Monday-Friday 4P-5P.

Also joining the Sheet this week is freeform KKC, San Francisco. Check out Kate Hayes' comments in Radio Action.

Look for veteran producer, Ron Nevison (Heart, Starship, Ozzy), behind the board on the upcoming Triumph LP. Slated for a July release, the new album will boast a few firsts for the band: First ever use of a full-time outside producer, first time inclusion of outside material since covering "Rocky Mountain Way" in the early '80s, and it's the first time they've recorded outside of Toronto--they're currently working on basic tracks in L.A.

STATION TO STATION

WLIR ups Nancy Valenti to Asst. to the PD, replacing Sue McCann who's now heard in the 9P-1A slot.

Both AORS are up in the latest New York Birch report. The 12+ numbers for Jan/Feb show WNEW in the lead 5.1-5.9, with K-ROCK gaining 2.9-3.6. Both stations made significant gains in key demos as well--WNEW is #1 Men 18-34 (15.4-17.3), with K-ROCK climbing up three full shares to a 10.7. NEW also dominates Men 25-54 (7.2-11.4) to K-ROCK's 4.1-5.4

WSKS Cincinnati moves Tony Kurre from part-time to full-time (10P-2A) and welcomes new part-timer Steve Kramer from WTUE, Dayton.

In addition to hearing Chicago Bear Keith Van Horne doing game updates on WCKG's morning show during the Bears' Season, Chicagoland listeners will now hear the starting right tackle doing regular weekend shows. Keith, along with Cathi Parrish (from a local traffic service) and Leslie Harris (ex-WUSN-FM) are the three new weekend warriors at WCKG.

Congrats to WIOT PD Michael Hughes who married Mary Beth two weeks ago. MD Rick Van Gil has a suggestion to the newlyweds: "Take another week of vacation so the staff can continue the water polo tournament in the men's restroom."

Sincere condolences to WNEW-FM, New York PD Charlie Kendall and family on the passing of Charlie's dad, after a long illness.

New to WEQX, Manchester is Sue Smith who begins overnights on St. Patrick's Day.

WBLM night jock, Herb Ivy, takes on additional responsibilities as Promotion Director.

NEXT WEEK'S QUESTION: Recently we've seen 'classic rock' formats spring up in Washington, Kansas City, Tampa, and other markets. What impact do you see 'classic rock' outlets having on the marketplace? Do you consider them AOR? And, since they play so little current product, how do you feel about 'classic rockers' reporting to trade magazines?

DIRT ALERT! is compiled and edited by PAUL HEINE. When the Dirt hits the fan, I'll be sittin' on the can so, put the BoneFone to use: (609-424-9114). MINE GREENBLATT, former Editor of The Aquarian in New Jersey, and most recently of RCA, is now doing publicity for Spin Magazine's Bob Guccione, Jr. Spin's first anniversary party on March 19th at The Saint in Manhattan will feature Island recording artist Trouble Funk and EMI artists The Red Hot Chili Peppers.

TALK IN NEW YORK is that the Rolling Stones could command three-quarters of a million dollars for each and every concert they would consider performing in 1986. And, all indications point to "Harlem Shuffle" being one of their biggest singles ever, in spite of the fact that it's a cover of an old standard, rather than a Mick Jagger/Keith Richards original.

STEVIE RAY VAUGHAN'S "Rude Mood" will be performed by Michael J. Fox in the upcoming movie, "American Rocker". Note that the original title was "Born In The U.S.A."

COMEBACK-OF-THE-YEAR-ARTIST Tina Turner and Canadian superstar, Bryan Adams, are raising eyebrows everywhere they go. It's lovey-dovey, koochy-koochy all the way--and this relationship is hot, hot, hot!

THE FABULOUS THUNDERBIRDS have been signed to headline the Annual Riverfront Concert Series, which will also feature Los Lobos, The Del Lords, Bonnie Raitt, and Nick Lowe, who'll be jetting in from London. The concert date is April 16th, and we hear that Stevie Ray Vaughan may join his older brother, Jimmie, on stage at the Texas event.

WATCH FOR ONE OF THE HOTTEST CONCERTS of the year to take place at Giants' Stadium in New Jersey on June 15th. It will be an Amnesty International Benefit, and Lou O'Neill Jr tips that Sting, U2 and a host of other British superstars will be performing. We expect that many more superstars will be announced shortly. Will South African Bishop Desmond Tutu jet in from Capetown to serve as the Master of Ceremonies???

DIRT ALERT!

LOU 'O NEILL JR continued...

WE'RE DEFINITELY EXPECTING a new Genesis album sometime in late summer, and Lou O'Neill Jr hears that a major tour by Genesis will start in the fall of 1986.

WE HEAR THAT upcoming rock 'n' roller Glen Burtnick stole the show last week at the Stone Pony in Asbury Park, New Jersey, with a sizzling performance. WNEW-FM's Dave Herman and Jim Monahan were on hand leading the cheering. Glen, signed to A&M Records, positively blew the roof off the joint. The Boss didn't show, as he had the week before, but listening to Glen's "Little Red House" had the crowd practically dancing in the aisles.

ATLANTIC RECORDS is delighted with the acceptance of Mike & The Mechanics. No fewer than four tracks are being bombarded on American rock radio day and night. Mike Rutherford, Paul Carrack, and Paul Young--another supergroup in the making.

PETER FRAMPTON stopped by WNEW-FM last week and spoke with his friend, Dave Herman--and let his hair down in one of the longest interviews the Quarterback can remember Herman conducting. Peter admitted he'd like to tour soon, and didn't rule out being on the front end of a major rock campaign.

FLASH! ALVIN LEE (who Lou O'Neill Jr insists may soon be touring with former Beatle George Harrison) has a release coming out on 21 Records in May that's said to be very, very interesting. And, speaking of George, Lou reports the former Beatles' lead guitarist is also on the album singing background vocals, as is Ringo Starr's son, Zak. Zak Starkey is now regarded as a very serious drummer on the London musicians' circuit.

SATURDAY, MARCH 22: William Shatner, the "Captain Kirk" of "Star Wars" fame, is 45. Even as you read these words, they're making a new "Star Wars" with more special effects and new twists to the age old plot. It was on this date in 1956 (30 years ago) that Carl Perkins was seriously injured in a car crash. The crash was near Dover, Delaware and it had Perkins laid up for six months, ending his short career as a top, top rock star. His brother, Jay Perkins, later died from injuries sustained in the crash. Fortunately, Carl made a complete recovery. Jazz guitar great George Benson is 43. Nugent is co-writing the movie soundtrack for NOMADS with veteran motion picture and television songwriter BILL CONTI. Conti is most notable for his scoring for ROCKY and JAMES BOND films as well as writing the themes for DYNASTY and DALLAS. Explaining how he was approached for this project, Nugent remarked, "Bill Conti and some of the Nomads movie writers had some real savage scenes where they wanted to offend people so they called Ted in to co-write some of the music for it." Nugent is currently out on the road with AEROSMITH supporting his latest album, "LITTLE MISS DANGEROUS".

News From Rock Over London

ROCK
OVER
LONDON

To follow the great success he had in America, JULIAN LENNON is preparing for his first ever British tour, coinciding with the release of his new record "STICK AROUND" backed with "ALWAYS THINK TWICE". The tour starts at London's ROYAL ALBERT HALL on MAY 12th, with stops at Birmingham, Dublin, Edinburgh and Manchester throughout that month.

Meanwhile, ticket sales for YOKO ONO's "STAR PEACE" Concert at London's WEMBLEY CONFERENCE CENTRE on MARCH 21st, don't look too healthy. So far only one-third of the tickets have been sold and they're going rather slowly, too. In a bid to save the day, a number of articles publicizing the event have made a sudden appearance in the press.

THE STYLE COUNCIL's next release, due in a few weeks, will be "HAVE YOU EVER HAD IT BLUE". Curiously enough, they're one of the bands tipped to headline one of the shows for a new Black TV entertainment programme called "CLUB MIX", which makes its debut in a couple weeks.

"DAMNED, DAMNED, DAMNED" and "MUSIC FOR PLEASURE", the first Lps by THE DAMNED, are to be released as a double pack limited edition set, in coloured vinyl, to celebrate the fact that the band have been around for ten years now. Maybe it's also to celebrate their biggest hit ever, "ELOISE".

The British Government's DEPARTMENT OF ENVIRONMENT (of all agencies!), have commissioned a study into opportunities for young Black people to enter the music business. Among other things, this will involve a team of consultants looking into ways of opening up the market. It will be interesting to see what's done with their facts and figures.

PETE SHELLEY, ex-lead singer with The Buzzcocks, has a solo record out called "WAITING FOR LOVE". It was produced by STEPHEN HAGUE, who has also worked with OMD...LATIN QUARTER, who finally made their mark with the powerful "RADIO AFRICA", follow-up with "MODERN TIMES", all about the McCarthy witch hunts in the '50's...ARISTA are to release a THOMPSON TWINS hits compilation...And CLANNAD hope to repeat the success of "IN A LIFETIME" with a re-issue of "CLOSER TO YOUR HEART". Listen out for a forthcoming ROL interview, with lead singer MAIRE (pronounced Moya) BRENNAN, in which she'll be talking about her friendship with fellow Irishman BONO.

GEORGE MICHAEL releases his solo single "A DIFFERENT COVER" on MARCH 24...And there'll be a final WHAM! 45" in early summer followed by an album in the fall.

THE CURE will be playing their only British concert date this year as one of the headline acts at THE GLASTONBURY FESTIVAL, which takes place JUNE 20-22...And we're even going to be treated to live shows by JOHN LYDON's PIL. They'll be appearing in Newcastle and Sheffield in April, with more dates to follow.

Expect an announcement soon about a huge open-air concert in the summer at London's WEMBLEY STADIUM headlined by QUEEN. A date in July is favourite.

Cult favourite BRIAN ENO has a new compilation Lp just out in the U.K. entitled "MORE BLANK THAN FRANK", encompassing songs from the period 1973-1977. A similar underground figure, BILL NELSON, once of BeBop Deluxe, has signed a deal with PORTRAIT RECORDS and has a new single out entitled "WILDEST DREAMS".

An ALL-STAR CHARITY GALA has been organized for the THEATRE ROYAL in Plymouth, down in the West Country of England. It takes place on APRIL 27 and will feature ELVIS COSTELLO, SQUEEZE's JOOLS HOLLAND and soul singer JUNIOR GISCOMBE.

The coming week's ROCK OVER LONDON plays a track from the new JULIAN LENNON album as well as an in-concert contribution from his dad...We also have another live exclusive from ROGER DALTREY, his solo version of "WON'T GET FOOLED AGAIN" recorded in Washington in December...ELO's JEFF LYNNE and BEV BEVAN join us for part one of an interview, and we've Jeff's own choice from the new "BALANCE OF POWER" album...THE ROCK REQUEST has a little archive obscurity: The first ever release by the POLICE, in the days when they were so poor they had to put the records in the jackets themselves...In THE TOP FIVE COUNTDOWN, meanwhile, the burning question is whether the outrageous SIGUE SIGUE SPUTNIK can hang on to their surprise number one!

Radio Action

KKCY, SAN FRANCISCO, CA P.D.-KATE HAYES: "First I'm happy to be back in the FMQB Album Report, and I'm looking forward to the opportunity to drop in here every week...Second, I'd like to add the sound of my two hands clapping to what I hope is the thunderous applause for Don Berns and parenthetically Pete Townshend, and his/their comments last issue. We too are a station dedicated to pushing the parameters of conventional radio...Generating excitement round the CITY--Brian Eno's CD-only work 'Thursday Afternoon'. Leave it to Eno to fully utilize the CD's capabilities...The audience has gotten wind of the new Bowie single to come, and our phones are going nuts...Other phones--flip of Seger's 45 'Fortunate Son' brings back memories of live performances past...Also Elvis Costello with strong regional sales and phones...And the 'Pretty In Pink' soundtrack, specifically Suzanne Vega."

KOME, SAN JOSE, CA M.D.-CANDI CHAMBERLAIN: "Slipping and a-slidin' right along here, folks...We've been getting instant reaction on the phones with the new Judas Priest. 'Locked In' is locking up a whole bunch of smiling Priest fans out there in our audience...You just can't miss with Simple Minds. They're going to do it again with 'All The Things She Said'...Julian Lennon has delivered another solid all-around good record. 'Stick Around' is some of his finest material yet. His roots are showing in his music in a very classy way...Well, I guess that's it for this week. Think I'll go listen to the new Van Halen again. And again. And Again. Both sides."

WQFM, MILWAUKEE, WI M.D.-DANA BROWN: "A slight departure from my normal comments as I like to talk about new contemporary music. This week gotta get down to basics with a great 'curse the word' hard rocker from Gary Moore. Not since his remake of 'Shades Of Things' has his sound been so dynamic. If your audience thinks you've forgotten how to rock, then let them hear Gary Moore's 'Out In The Fields'. This cut is for real...P.S. By the way, the Del Fuegos 'I Still Want You' is still a power, enough said."

WLLZ, DETROIT, MI INTERIM M.D.-THE ROZ: "Low and behold Julian Lennon grew some balls over the last year! 'Stick Around' is still melodic but the insertion of a little grit makes it a wonderful surprise...We're real impressed with the Judas Priest, it rocks, it moves, but it doesn't abuse the eardrums!...Rocking Robert Seger rolls on the wheels airwave with his excellent cover of 'Fortunate Son' recorded right here at Motown at Cobo Hall. Cherrio!"

WBLM, LEWISTON/PORTLAND, ME M.D.-ROBIN MATHIEU: "WBLM is sending listeners around-the-world this Spring. George Harrison's birthday was cause for a trip for two to London. We'll send someone to Ireland at a St. Patty's Day Party and next some lucky blimpster will go to Florida to hang out for Red Sox spring training. Too bad I'm not eligible to win, but at least this year I'll be close enough to Fenway Park to catch a few games this season...As far as music, no sophomore slump for Julian Lennon this year. 'Stick Around' is better than anything on 'Valotte'. I can't wait to check out the entire album...George Skaubitis, 'thanks so much' for the Violent Femmes tickets--a great show!"

WGIR-FM, MANCHESTER, NH M.D.-KAREN ANDERSEN SMALL: "It took a couple of listens, but the Julian Lennon song really grows on you...The flip of Bob Seger's 'American Storm' single is a real h-o-t version of 'Fortunate Son'. The Detroit Rocker sounds like he's having a good time on this one...Marillion's 'Lady Nina' is one of those great upper demo adds. I'm into the band and I'd love to see their live show sometime...By far and away our biggest phone record is Van Halen's 'Why Can't This Be Love'...And another song that is proving to be a big phone getter is Robert Palmer's 'Addicted To Love'...And, finally, watch out for the Del Lords 'Soldier's Home'. What a good tune!"

KATT, OKLAHOMA CITY, OK M.D.-SCOTT DOUGLAS: "Pat Welsh is spending all week in L.A. recovering from what has to have been the most intense rock and roll weekend to come our way in a long time. Last Thursday we had a great dinner with Warner's Jerry Barrett and his wife Bibi. Friday night dinner with Wayne McManners of MCA and the Bubba Wayne Show was in rare form. Then it was onto ZZ Top and Jimmy Barnes where a rocking good time was had by all. ZZ Top is a must see show. That's right!! Saturday and Sunday KATT World '86 was another rousing success. Our largest lifestyle promotion of the year brought more than 80,000 people in front of participating clients in just two days. At any one time it's probably safe to say that KATT World was the fifth largest city in Oklahoma!!! Thanks again to Jerry and Bubba."

WKDF, NASHVILLE, TN M.D.-DAVID HALL: "Julian Lennon's 'Stick Around' is getting more favorable comments from the air staff here than any off of 'Valotte'. For me, the song didn't stick in my mind as readily as 'Valotte', but as we've seen many times before, those are the kind of songs that tend to stick around longer... If you don't worry about the 'pissing in the wind' lyric, then 'My Fist Your Face' is the best Aerosmith song since their glory days...Seger's 'Fortunate Son' is getting universal praise as being better than 'American Storm' from staff and listeners...I'm happy to go onto a third track from INXS. The stellar performance of 'What You Need' should easily open the door for the title cut from 'Listen Like Thieves'... Van Halen continues to totally dominate as the favorite-song on-the-air. I wonder how long before the charts accurately reflect that Van Halen swamped both the Stones and Seger in terms of response."

WCMF, ROCHESTER, NY M.D.-DAVE KANE: "Adds this week include: Julian Lennon, the Seger B-side and more from ZZ, Mr. Mister, The Firm, and Rush. Seger's version of 'Fortunate Son' is real close to the original and really spices up our sound. There's also been good phone response from just the first few spins... Granted Rush's 'Mystic Rhythms' doesn't exactly have the biggest hook, but it's a finely textured and, dare I say it, 'progressive' sounding tune. It's the kind of music that sets us apart from Top 40, and Hey! even Rolling Stone Magazine finally gave them a favorable review...Mr. Mister's 'Is It Love' will complete the Hat Trick for RCA, who deserves credit for sticking with this band and bring the Lp home... Since today is St. Patrick's Day, we will have just wrapped up our 'like a rock' weekend promotion which entailed giveaways of the new Seger Lp with a grand prize of a half carat emerald. Thanks in advance to Capitol's Jack Snyder for the Seger Lps."

KZEL, EUGENE, OR M.D.-VINCE MERTZ: "I was saddened to hear that Lars Ryssdale, Seattle's Elektra rep, is no longer working with that company. I felt he was doing a magnificent job with what the company had to offer. If you're looking for somebody, he'd be a great addition. And he will be missed...The independent hoopla--good grief. Let me go on record with this--the indies that we've had the pleasure to work with, Heavy Lenny, Kenny Ryback, Beth Rosengard, Pat Martine, and others, are professionals. They have not and would not compromise their integrity or insult ours by offering to buy a record--ever. Record companies understandably are covering their buns, but why make the masses suffer for the sins of a few."

WBRU, PROVIDENCE, RI M.D.-LARS MURRAY: "If somebody had told me six months, or even one month ago that I would be adding the Psychedelic Furs, the Pet Shop Boys, and the Violent Femmes in the same week I would have bet the entire jock payroll against it. Of course, because there is no jock payroll here, I wouldn't have lost much, but I still would have been wrong. It's funny, but these songs are not all out in left field. The Psychedelic Furs came in at #2 phones on 3 plays last week. Sure it's 5 years old, but most of your audience doesn't know that, and more importantly, doesn't care. The cleaned up production on the new version really brings out the true potential of the song. The awesome movie gross doesn't hurt either...The Pet Shop Boys is something to try. It's another old and somewhat proven song that gets good reaction. It's just smooth enough not to offend upper demos...The Violent Femmes are selling like crazy in Providence and should sell out their gig next week. 'Children Of The Revolution' is a gritty rocker with an infectious martial beat --a rocker, not a punker...Julian Lennon has really followed up well. 'Stick Around' is edgy and well produced. Definitely it's his best to date as it shows real growth."

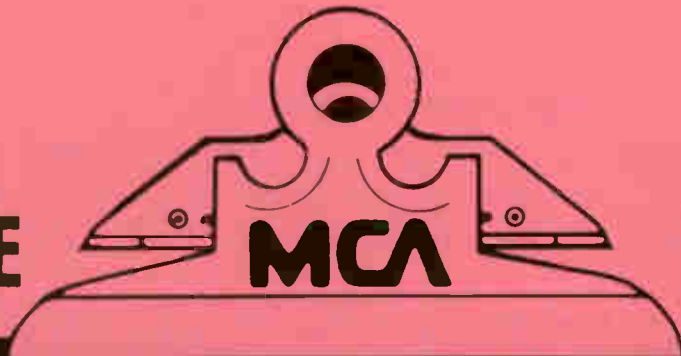

WFXR, CHARLESTON, SC M.D.-LAVONNE ADAMS: Spring has sprung for Charleston rock and roll. The Fox is taking full advantage of it and getting out and meeting the public through club nights...Our listeners, known as the Fox Den, are meeting for a big pre-Saint Patty's Day Party this Sunday. More details on how it went next time...Van Halen is getting excellent phones. Sammy Hagar can power, can't he?...The Del Fuegos are doing well with males...And finally, our adds this week are Phil Collins 'Take Me Home'; Julian Lennon 'Stick Around'; Greg Kihn; Alan Parsons 'Real World'; The Firm 'Wall'; and Stevie Nicks 'Imperial Hotel'...Sorry about the confusion."

KILO, COLORADO SPRINGS M.D.-ALAN WHITE: "Julian Lennon leads the adds this week with 'Stick Around'. 'Hey Jude' you really did it and I like the heavy/funky feel to it. We're going on two B-sides, Stones and Seger. They may not be the best tracks on or off the album, but we're talking major buzz for these extra tunes...It's great to have Greg Kihn back on the radio with an interesting number. Vocally it's a little different for Greg but, after a few spins, there's no doubt--and when the hook hits, look out... In the heavy metal arena, UFO, Judas Priest and Keel get the nod. Hey, wait a minute, they're not so heavy after all; and if you call yourself rocker, then you got to play them or I must ask who's zooming who?...Top five retail: Dire Straits, Heart, Dokken, Ozzy and INXS."

WPLR, NEW HAVEN, CT M.D.-AMANDA TEPPER: "I'm glad that we didn't miss out on the Pet Shop Boys. It sounds great (and, needless to say, very hip) on-the-air, and is doing so well for us that we moved it into power this week...I'm very impressed with the new Julian Lennon. What a great song! Even Teddy bears can rock out without offending anybody's ears either...We always liked the Mental As Anything and now that we know Columbia is firmly behind this project we are too...Sounds like The Cars meet Ultravox and talk about your instant hooks...Don't miss out on 'Get Up', the Van Halen B-side. Sammy gets to let loose four letter style and the band rocks out much more than on the A-side. It's already a top request here!"

WRUF, GAINESVILLE, FL M.D.-VIRGIL THOMPSON: "Van Halen continues their hot streak with 'Why Can't This Be Love'. It's getting close to breaking the record of consecutive days at #1 on our Top 5 at 5...Terrible Ted also continues to sizzle. 'Little Miss Dangerous' is generating great phones...There is a lot of excitement with The Firm starting the 'Mean Business' tour in Florida...Virginia Wolf, the opening band, has been working well for us. If you haven't checked out 'Waiting For Your Love', do so! It's mainstream rock that should not be overlooked."

WDHA, NORTH JERSEY, NJ G.M.-BOB LINDER: "Some quick audience research has shown us that the vast majority of listeners are not aware of this huge Hands Across America project that will be here before we know it (Memorial Day weekend)! I don't think any of us question its fund-raising value and social significance, especially if it all happens as its planners are hoping. But my point in writing today is simply that we broadcasters have got to get moving (and quickly) to get the message across. Millions of people will be involved on May 25th, and radio will play a key role in communicating, via portables and Walkmans that day. But right now each of us needs to contact our network suppliers, our local Coca-Cola distributors, and our State Hands Across America directors. (New Jersey's director: Ann Cooper, was just appointed--201-279-4309). More info: Call the National Office at 213-556-1812. Let's at least get on-the-air next week with a brief explanatory PSA to start getting that essential public awareness. If charity starts at home, then let's show the world we do care about our own starving and impoverished...On another issue of considerable importance to broadcasters: Last week's controversial R&R editorial has one facet all can agree on--radio has been terribly under-utilized as a powerful advertising vehicle for new music. Yes, most independent promotion people serve a very valuable purpose, and we deeply regret the across-the-board firings by several companies. But, some of that promotional money should be converted to radio advertising. I see nothing wrong with a station playing a new song, or even a whole program presented by a record company and tagging available store locations for consumer purchase. Simple competition and possible Arbitron downturns will prevent record companies' undue control of programming. At the very least, let's see some healthy financial support for the best friend of the music business: **RADIO!**"...**FROM P.D.-MIKE BOYLE:** "Some say enough has been said. I say, never stop talking about how unfair this independent situation is! I consider these people my friends, too, and what is going to make their situation worse is radio stations that come up with 'don't talk to independents' policies! It stinks!--and I hope if you're in a position to talk to your 'management', you'll explain how important these people are to your radio station!...Favorite new adds this week include the Greg Kihn and The Models! 'Love & Rock & Roll' will put Greg Kihn on the tip of every program and music directors tongue again!..The Models are a breath of fresh air! Add some quality rock 'n roll!...One more thing: The 'Pretty In Pink' soundtrack is Top 5 sales in North Jersey. Take your choice: Suzanne Vega; OMD; or Psychedelic Furs--They'll work for you!"

Check out the specially remixed 12" version of "Working Class Man" from the critically acclaimed debut album on  and from the motion picture "Gung Ho"—just out.

KBCO, BOULDER, CO M.D.-DOUG CLIFTON: "No doubt in my mind that Julian Lennon will be 'sticking around' for a long time. His latest effort has more of an edge to it, and that's perfect for AOR radio. It's strange having both Julian and John in our current bin at the same time...The Nylons may not be for everyone, but they have been a huge success at KBCO. Many of their fans have anticipated their new release since last Summer when they performed some of the material live. It's an upper demo sound that certainly stands out from everything else...Stanley Jordan is someone who should not be passed over. We played 'Magic Touch' on our jazz show when the album was first released. Looking back, I'm sorry I wasn't playing it in our regular format at the time, but we hope to make up for that now. Over jazz/fusion considerations: Skywalk; Wally Badarou; Eddie Jobson and Peter Kater...Next, while I'll be working 10:00AM-2:00PM on-the-air, I'll be taking phone calls Wednesday and Thursday 3:00PM-5:00PM."

CFNY, TORONTO, ON ASST. P.D./M.D.-DON BERNS: "What a week for the Violent Femmes! 'The Blind Leading The Naked' is the top played Lp on CFNY--it's Top 5 in sales in Toronto and their show here next week is largely sold-out. There's some classic material here with an overtone of commerciality provided by producer Jerry Harrison of the Talking Heads. 'Faith' is definitely the best track on the Lp, and the one receiving the most airplay, but there are a lot of others that deserve your attention including a cover version of T-Rex's 'Children Of The Revolution' that sounds a lot like the Heads (surprise! surprise!)...We are proud to lead the way in North America with 'No One To Blame', the long-awaited Howard Jones/Phil Collins collaboration. Although originally a track from the 'Dream In Action' Lp, the redone single adds a new dimension to what will undoubtedly be an unqualified h-i-t for AOR and CHR, and AC for that matter, available only on import for now! Slightly more than 24 hours before premiering the Howard Jones, CFNY was proud to be the first station in North America (OK...Canada), to play David Bowie's 'Absolute Beginners', the title track from the movie in which he will be appearing with Sade and Ray Davies. It's a real nice commercial effort which should find an immediate home at AOR and CHR radio...Without a doubt, our hottest add this week, however, is the Modern English Lp 'Stop Start'. From start to stop, this Lp is chock full of winning songs and high energy. This is one piece of music you can't go wrong playing...Import of the week is Red Guitars' 'National Avenue'...The CFNY music department pick-to-click is Animation's 'I Engineer'...The Live Ear! Jive Hit List: #1 Beastie Boys 'She's On It'...Biggest Upward Mover: Sigue Sigue Sputnik 'Love Missile F1-11' which debuted at #2."

WYNF, TAMPA/ST. PETERSBURG, FL ASST. P.D./M.D.-RON DIAZ: "A great night for WYNF on March 10th! Jimmy Page spent two hours in our studios for the live nationwide broadcast of Rockline. Our winners were treated to prime rib/champagne dinners, prior to meeting a rock 'n roll legend. Mr. Page was a perfect gentleman. Many thanks to Cindy Tollin, Bob Coburn and the Rockline staff. Thanks also to Slash and Steve Jones at Atlantic for their help."

WE ARE THE CURE.

In the 11 years since The T.J. Martell Foundation set up its first laboratory at Mt. Sinai Medical Center in New York, teams of researchers have made tangible progress in finding cures for leukemia and cancer.

The Foundation's pioneering work now spans two continents and also includes the Neil Bogart Memorial Laboratories at Children's Hospital in Los Angeles, the Boston-based Cancer and Leukemia Group B and the European Organization for Research and Treatment of Cancer.

Because of these ongoing research efforts, lives are no longer being claimed automatically by some forms of cancer. The battle, however, is far from won.

Nearly 12 million dollars has been raised since CBS Records Vice-President Tony Martell promised his son T.J. he would help in the fight to find a cure for leukemia and cancer. The cost of cancer research is high—but the cost of not continuing the research is even higher. Once again, The T.J. Martell Foundation for Leukemia and Cancer Research asks your support in continuing this vital scientific activity.

This year, you are invited to participate in the 1986 Humanitarian Award Dinner in honor of Quincy Jones on Saturday, April 19, at the New York Hilton.

**You can help
in the fight against
leukemia and cancer.
Please join Quincy Jones
in supporting
the T.J. Martell Foundation.**

A contribution of \$25,000 makes you a Foundation Benefactor and allows lifesaving research to continue and expand. A contribution of \$10,000 makes you a Foundation Patron. And a contribution of \$5,000 makes you a Quincy Jones Research Fellowship Sponsor. Since less than 3% of all monies raised is a direct fundraising expense, any contribution you make brings closer an effective cure for leukemia and cancer.

Together, we can bring a fighting chance for a future to victims of these terrible diseases. Together, we can raise the money to advance the research that is so badly needed. Together, we are the cure.

RADIO ACTION CONTINUED

WRCN, LONG ISLAND, NY M.D.-WAYNE SUMMERS: "I echo the sentiments of WRKI's Mark Devine concerning the recent hoopla over indies. In his comments last week I feel Mark closely expressed how I feel about the situation. Number one: What the record companies have done in reaction to NBC's allegations is very rash...Number two: There are hard working honest independents out there who don't deserve this horseshit...Number three: They should not all be lumped together as a cancer to rid one's self of...And number four: Be guilty till proven innocent. Hang in there guys!...Julian Lennon's 'Stick Around' gets the heavy nod here this week. Julian's talents really surprised me a year ago, now the polish and versatility comes as no surprise...Judas Priest comes through with one of their most accessible tracks to date. 'Locked In' is on and being received very well by our listeners...Our ears can hear the Del Lords and Bryan Ferry."

WAQX, SYRACUSE, NY M.D.-AMY DAHLMAN: "The phones don't lie. Just out and the Judas Priest has nabbed the number two spot request-wise. Not too shabby considering the heavy competition...Found the room this week for The Call. The underground tremors are making this an image band complete with a killer song. I do believe and 'I Still Believe' we've got a hit...Phones have finally kicked in for Jimmy Barnes 'No Second Prize'. We've jumped onto 'Working Class Man' to bring it on home...Fabulous Thunderbirds have taken off retail...Looks like touring with Stevie Ray and endlessly hitting the clubs have paid off for these guys...In regards to Dwight Case's front page note--Corporate Capitalistic Blackmail disguised as free enterprise is a convenient knee jerk designed to enable all the three-piece suiters to get in on the action. Imagine the extreme--formats controlled by the record companies, the airwaves filled with the Pia Zadora's of the music industry. Quick somebody get me a calendar! I know we're in '86, it just seems like 1984."

WLIR, LONG ISLAND, NY M.D.-LARRY "THE DUCK" DUNN: "Sports fever is back! Not only am I rooting for my alumni St. John's in the NCAA tournament, but next weekend I take two listeners to see the Mets and Yankees in Florida. Between spring training and spring fever, the phones continue to light on 'West End Girls'. The Pet Shop Boys have guaranteed themselves a dance floor classic. In the words of one club jock, this song can never die. Same holds true for radio, 18 months down the road, it still holds strong in all the demos...Speaking of phones, the buzz is on to welcome back one of rock's great voices--David Bowie. 'Absolute Beginners' oozes with power and emotion. Get it while it's hot. It's still only available as an import at press time...Personal to Don Berns: Your comments last week were right on the money...Thanks to Billy Duffy of The Cult, Gordon Gano of the Violent Femmes, and Anton Fier of the Golden Palominos for phoning in. By the way, we're very excited to be co-promoting the Bangles and Hoodoo Gurus March 28 at the Beacon Theater. Also, The Cult with the Divinyls at the Beacon Theater, March 29. We just co-promoted the Violent Femmes at Carney Hall last week in a sold out performance...Screamer of the week: Depeche Mode (Import) 'But Not Tonight'."

WTPA, HARRISBURG, PA M.D.-CHRIS JAMES: "To Michael Plen from IRS: You were right all along. You've got to see The Alarm live to appreciate them...We are looking forward to hosting the Van Zandt show next week. The new material sounds hot...Van Halen continues to be number one phones. David Lee?..As far as the new Seger goes, 'American Storm' is nothing but an 'Even Now' clone. Go with the A-1 side 'Fortunate Son'...Best of luck to all the indies. We're with you all the way. Especially our good friends down at Hot Trax ...Aloha from the Home of Rock and Roll in Central PA."

WQBK, ALBANY, NY M.D.-PEGGY APPLE: "Very impressed with the Models. No, check that, I love the Models. It rocks--it's sexy--and you can groove to it baby. Hot Stuff!...How kihn one not kihnside Greg Kihn's 'Love And Rock And Roll'? Greg Kihn kicks out the jams in this one...Rounding out the week is Wax, breathing life into these last few days of winter. Here's a song so uplifting you have to pry me off the ceiling, it gets me that high...And finally listen to Paul Brady."

KEZO, OMAHA, NB M.D.-JOE BLOOD: "The Van Halen is generating the hottest phones here at the home of rock and roll since Dire Straits 'Money For Nothing' last summer. In fact, VH phones are so awesome that the Stones and Seger aren't even close. The album is sure to be the blockbuster of the first half of the year...Enjoyed the Starship and the Outfield in concert Wednesday, March 5. The Outfield proved to me that they are one of the hottest up and coming bands around. They did a wild in-store at Homer's downtown and drew almost 200 exuberant fans. Thanks to Buddy Bengert of Columbia and Bob Finot of RCA...The Fabulous Thunderbirds are turning out to be a hot retail item here along with the rebirth of Ted Nugent...The Call album 'Reconciled' is now starting to show retail action as well as phones...Same for Honeymoon Suite...Looking forward to seeing The Alarm here Thursday, March 20...That's it from the softball capital of the world. Spring training has begun!"

WIOT, TOLEDO, OH M.D.-RICK VAN GIL: "Best wishes to our program director Michael Hughes and his new wife Mary Beth who were married last week. Years of happiness to both. And take another week of vacation so the staff can continue the water polo tournament in the men's restroom."

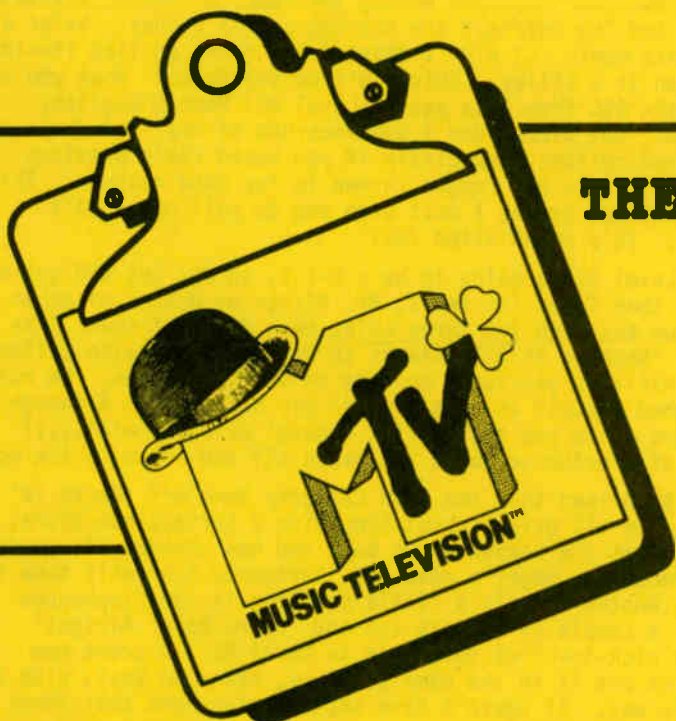

WPDH, POUGHKEEPSIE, NY M.D.-PAM BROOKS: "If early phones can be judged as an indicator, then not only does Queen have another hot song on their hands, they are also involved with one blockbuster movie. Two days before we aired 'Princes Of The Universe', we were getting calls for it; and now that's increased because of all the listeners that have seen 'The Highlander'. Freddie and the boys add their own ballsy style to make yet another sure fire hit...Wax hit me right between the eyes, travelled out to my ears, and all the way down to my toes and I loved it. My rave-o-meter says this should be a smash. With the exciting duo of Gouldman and Gold and all of their work and talent powering this project forward, I don't believe it can miss. This is a real catchy song with a great hook that has appeal for everyone. It's a definite hummer...As expected, the new Van Halen and Rolling Stones blew out the phones again and 'Why Can't This Be Love' debuts on WPDH's Top 12 At 12 in the #1 spot with 'Harlem Shuffle' debuting at #2...Another interesting debut, not quite as easily predicted as the aforementioned, is Mass with 'Do You Love Me'. The song gets better every time I hear it and obviously our listeners are catching onto it too. Here's a case of all the right ingredients: strong vocals, great beat, and a monster hook--and to top it off, Poughkeepsie is on the album cover, and that brings it on home for us."

WAPL, APPLETON/GREEN BAY/OSHKOSH, WI P.D.-BRIAN TAYLOR: "Interesting to note in light of the record companies' reaction to suspend relations with independent promoters, the phone messages for music calls have dropped faster than the price of gasoline. Although we often place the independent record promoter at the bottom of the evolutionary chain somewhere next to concert promoter, there are some true professionals that have been unduly victimized by the blanket of public condemnation. I know, in the end, those truly dedicated to the industry will surface and survive. As in any profession, there are good and bad just like there are good and bad PDs, MDs and record label reps, and we all know which is which, right?...On another topic, new hours for music calls will be Fridays 8 A.M. to 11:30 and 4 P.M. to 6 P.M., also Monday 10 A.M. to 11:30. Adds will now be available Tuesday at 11 A.M., Central Time."

KNHL, ANCHORAGE, AK M.D.-KEVIN VARGAS: "Number one sales and number one phones equals number one for power rotation for Robert Palmer...Van Halen's 'Why Can't This Be Love' is a great example of how AOR could be helped if record companies put B-sides on singles...I was sorry to hear Lars Rysdale was released from Elektra, Seattle. The man took good care of us, and it's always a pleasure to work with someone instead of being told what we should be doing. Looking for a personal touch promotional man who gets the job done? Give Lars a call at 907-248-ROCK...Also anyone looking for a smooth sounding, polished female announcer who has production skills should look in Olympia, Washington where Jessica West is currently taking a break between gigs. Call her at 206-352-9620."

WRKI, BRIDGEPORT, CT M.D.-MARK DEVINE: "Like I said last week, let's not convict those independent folks without a trial. The industry obviously needs to be policed--but wasn't it the Osmonds who said 'One bad apple don't spoil the whole bunch'--and I think we need to realize that we've got a serious situation on our hands when I am forced to quote the Osmonds!"

INTERVIEWS

John Cougar Mellencamp: "If you look at the old Motown...music was really good back then, and everything had a melody and, boy, you'd get charged up just listening to it. I guess people get charged up listening to today's music, but it's hard for me to get charged up over a drum machine and a synthesizer."

WRDU, RALEIGH, NC M.D.-BOB WALTON: "With all the crow that I've been eating the past two weeks, I should have gained twelve pounds. Yes, both Robert Palmer and The Outfield are tearing up the phones. Sales are picking up and we anticipate The Outfield in town next month...I didn't think I was going to like it--in fact, I tried real hard not to, but the new Van Halen is a killer. This ain't no Van Hager! What you hear is a band!...Our playlist is beginning to look likethe BBC from last year: Level 42; Modern English; Pet Shop Boys; Julian Lennon--they're all hit records, but please don't overlook one of America's best new bands: The Swimming Pool Q's. Dump your preconceived notions, especially if you heard their previous album. This is renaissance--the Dream Academy with a little Del Fuegos thrown in for good measure. This new album is a treat--don't miss it...As a matter of local pride, I must urge you to pull out Epic's 'Unsign'd'album. Give a listen to the Pressure Boys. It's uninhibited fun!"

WZZO, BETHLEHEM/ALLENTOWN, PA M.D.-RICK STRAUSS: "Level 42 is going to be a h-i-t, so why let CHR get all the mileage out of this record? It's no more poppy than Tears For Fears, Mr. Mister or dozens of other artists that are played on AOR...Heart's latest album has been top three sales here for what seems like years, so we figured it was time again to get a Heart on. 'Nothing At All' starts in medium, along with Julian Lennon. When 'Valotte' was released, people were initially intrigued because he was John's son. He rode out the inevitable comparison, and now has established himself as an artist in his own right. Although it's not an obvious first-listen hit, something there tells you that 'Stick Around' probably will...If you're not already--you should use Seger's version of 'Fortunate Son'. It makes all the sense in the world!"

WKQQ, LEXINGTON, KY M.D.-ROB ELLIS: "I'm a little surprised that the John Cafferty tune off 'Rocky IV' isn't getting the attention nationwide it deserves. We all griped about him being a Springsteen clone, but he still worked on the radio. On this track, he's minus the Beaver Brown boys and has changed his sound from top to bottom. No more is it Bruce or is it Memorex...Seger's cover of 'Fortunate Son' will take the burn off of 'American Storm' until the Lp arrives...Another that's a little baffling is Van Stephenson Everybody had a great run with 'Modern Day Delilah' a couple of summers ago and 'We're Doin' Alright' sounds even better on-the-air...Without a doubt, my pick-to-click this week is Level 42. A great new refreshing sound with out-of-the-box comparisons that put it in the same genre as, say a Go West, with a little more to it...Julian Lennon will work in a big way. It doesn't have that monster hook that jumps out at you on the first listen, but that could add longevity to it!"

KFMG, ALBUQUERQUE, NM M.D.-MICHAEL DAVIS: "Where do those Judas Priest fans hide in the off season? Obviously, we've had good response to 'Locked In'...Julian Lennon shifts gears a bit. You'll like it--'Stick Around' is a strong one!...Kee's 'Because The Night' closely matches the original version in all categories...Greg Kihn is an artist who continues to hang in there: 'Love And Rock And Roll' deserves airplay...Keep rockin'!"

KRNA, IOWA CITY, IA M.D.-STEVE KOSBAU: "The new Lou Reed sounds fantastic by the estimation of our 25+ listeners. In a single week on, it's our number three most requested tune...Van Halen's 'Why Can't This Be Love' is absolutely astounding. Over 15% of our phone action for current records is for it!...I've said for weeks that OMD, from the 'Pretty In Pink' is superb, and my research supports my thoughts fully. Everything about this record jumps out and says 'I'm mass appeal--play me! play me!...Julian Lennon's 'Stick Around' is quite hot. It's really nice to hear him cut loose and do some rocking! It's Top Ten bound!"

WMGM, ATLANTIC CITY, NJ M.D.-AL BRANCA: "Thanks to Capitol's Richie Salvador for the Lennon Lps. It will make this Friday's showtime's simulcast that much better!...I'm still not tired of the new Van Halen track. I think it's the most substantial song so far this year!...Adds: Finally jumped on the Mental As Anything bandwagon; Phil Collins; ZZ Top; Julian Lennon (which is my favorite from him); Jimmy Barnes; Alan Parsons 'Real World' (I think it's the best cut on the Lp); John Lennon 'Instant Karma'; Modern English 'Ink And Paper' (It's great to hear from them again)...Top five: Van Halen, still by far; then Ozzy; Stones; Heart; Dire Straits, and the Pet Shop Boys running a close six. Great female phones on that cut!"

KFMQ, LINCOLN, NB ASST. P.D./M.D.-BOB ALLEN: "Just a few 'thank you's' this week: First to Phil Costello at IRS for helping us out on one fantastic promotion in conjunction with The Alarm concert in Omaha, March 20th. That telescope will either make one of our listeners an astronomer or a voyeur...Also, 'thanks' to the wonderful gang at Global Satellite Network for the latest in satellite baby wear. You guys are great!...I'd like to extend my personal apologies to all those who tried to get a hold of me last week, as futile an endeavor as that was. I'll be easier to find in the future, I promise!"

WKFM, FULTON/SYRACUSE, NY P.D.-STEVE BECKER: "We're gearing up for the spring sweep with a few surprises up our sleeves. Musically it should be a strong book with all the top notch material coming out...Julian Lennon finally shows that he's no wimp and learned his rock and roll lessons well from his dad. 'Stick Around' definitely rocks and rolls...Seger's 'Fortunate Son' is as strong if not stronger than the A-side... Plus, the Priest is so good we have to go withit for nighttime play."

WPGU, CHAMPAIGN, IL M.D.-MARTY JENCIUS: "ADDS: Julian Lennon 'Stick'; Pete Townshend 'Secondhand'; Del Lords 'Home'; Alan Parsons 'Real World'; ZZ Top 'Rough'; Stan Ridgway 'Drive'; Models 'Out'; Level 42 'Something'; Bryan Ferry 'Is'; Mental As Anything 'Live'...CONSIDERING: In Pursuit 'Losing'; Glen Burtnick 'Little Red'; UFO 'This Time'...MOST REQUESTED: Van Halen 'Why'; Talk Talk 'Make'; Robert Palmer 'Addicted'; Stones 'Harlem'; Pet Shop Boys 'West'...INCREASED PLAY: Honeymoon Suite; The Call; Midge Ure; Dream Academy; Lou Reed; Feargal Sharkey; Elvis Costello; Pet Shop Boys...INCREASED SALES: Fabulous Thunderbirds; Stevie Ray Vaughan; INXS; Dream Academy; ELO."

KFMX, LUBBOCK, TX M.D.-BILL BATEMAN: "ADDS: Julian Lennon 'Stick'; Greg Kihn 'Love'; OMD 'Leave'; John Taylor 'I Do'; Del Lords 'Soldier's Home'; Phil Collins 'Take'; Sly Fox 'Let's Go'...CONSIDERING: Stan Ridgway; Modern English; Lisa Rhodes...MOST REQUESTED: Van Halen; Rolling Stones; Bob Seger; Jackson Browne; Little Richard...INCREASED PLAY: Jimmy Barnes; Elvis Costello; Little Richard; The Call...INCREASED SALES: Dire Straits; ZZ Top; INXS; Pete Townshend; Simple Minds."

KNCN, CORPUS CHRISTI, TX M.D.-BONNIE STACY: "ADDS: Rolling Stones 'Had'; Julian Lennon 'Stick'; Peter Frampton 'All'; Bob Seger 'Fortunate'; Psychedelic Furs 'Pretty'; ZZ Top 'Rough'; Judas Priest 'Locked'; Metallica 'Master'; Dire Straits 'So'; Bourgeois Tagg 'Mutual'...INCREASED PLAY: UFO...MOST REQUESTED: Van Halen; Judas Priest; Metallica; Ozzy; Robert Palmer...INCREASED SALES: Ted Nugent and Robert Palmer... Surprise of the week and best \$1.79 ever spent: The Stones. 'Had It With You' gets three times the requests that 'Harlem Shuffle' got. Maybe they should have premiered that one on the tube...Gary Moore's 'Out In The Fields' storms up the chart, kicking butt along the way...The Motor City Man and his 'Little Miss Dangerous' - great Lp and selling already...The Call's 'I Still Believe' is getting such tremendous response I'm considering a second track already and it's gotta be 'Everywhere I Go'. I can't wait to let it loose...And thanks to the WB promo folks for The Cult interview. It was the high point of my week."

WXLN, DAVENPORT, IA M.D.-GARY JAMES: "ADDS: Phil Collins 'Take'; ZZ Top 'Boy'; ZZ Top 'Stop'; Dire Straits 'One'; OMD 'If'; Level 42 'Something'; Jimmy Barnes 'Working'...CONSIDERING: Julian Lennon; Van Stephenson; Greg Kihn; Del Fuegos...MOST REQUESTED: Robert Palmer; INXS; ZZ Top 'Stages'; Peter Frampton 'Lying'; The Outfield 'Your'...INCREASED PLAY: Honeymoon Suite 'Feel'...INCREASED SALES: Starship; INXS; 'Pretty In Pink' Soundtrack; ZZ Top; Robert Palmer."

KSQY, RAPID CITY, SD M.D.-JEFF MICHAELS: "ADDS: Julian Lennon 'Stick'; Bryan Ferry 'Strong'; ELO 'Sorrow'; Glen Burtnick 'Little'; The Models 'Out'...CONSIDERING: None...MOST REQUESTED: Van Halen 'Why'; Rolling Stones 'Harlem Shuffle'; Honeymoon Suite 'Feel'; Robert Palmer 'Addicted'; Mike & The Mechanics 'All'...INCREASED PLAY: Rolling Stones; Van Halen; Ted Nugent; ZZ Top; Bob Seger; Simple Minds...INCREASED SALES: Mike & The Mechanics; Ozzy Osbourne; Ted Nugent; Fabulous Thunderbirds; The Firm."

RADIO ACTION CONTINUED

WHJY, PROVIDENCE, RI ASST. P.D.-GLENN STEWART: "Under the heading of current events: it's unfortunate if people over-react by wielding the ax upon everyone with a big long distance phone bill. Good people are getting squeezed out and it ain't right. I'll gladly take the longer phone calls and talk about more records if it means getting this affair out of the way as soon as possible."

WDVE, PITTSBURGH, PA P.D.-GREG GILLISPIE: "Julian Lennon has proven to everyone that he is not living off his name alone. This man's talent appears to be limitless and I've even heard a couple of people mention that in the long run he may even have more talent than his father. That may be an overstatement on some people's part, but only time will tell. Also, check out the import single, which is his version of the Dave Clark song 'Because'. Although you may not get long term usage out of it, it is a beautiful memory jerker...Van Halen is far and away Pittsburgh's favorite of the big three from a week ago. I was mighty surprised at the B-side of that single, as it makes 'Hot For Teacher' sound like a ballad...The Firm 'Live In Peace' is really starting to catch on on the telephones. Unfortunately, their upcoming concert is not selling nearly as well as their concert of last year. I'm not sure what the fans expect or want from Mr. 's Page and Rodgers...Ted Nugent continues to do very well, not only on the phones, but at retail... And while I'm on the subject of what's doing well on the phones, I've gotta throw another shot in for this Clannad record. Top 5 phones for the 4th week in a row, and the phone calls continue to come from 24 to 28 year old women and 27-35 year old men. And how many songs do you play that elicit phone response from that audience?"

KGON, PORTLAND, OR M.D.-INESSA YORK: "With such a wonderful variety of music to play, to choose from and succeed with now seems like a fine time to deal with some of those artists that, in the past, may have seemed inappropriate for whatever reason. Elvis Costello is doing extremely well, for example, right alongside of AOR naturals like Van Halen, Bob Seger or the Stones, or you name it. Same goes for someone like Tommy Keene, especially if 'quality' is a word you like to throw around when describing the sound of your station. Don't overlook some of these developing artists. They'll add a new dimension to your sound. .. Ruling these phones are Van Halen, Robert Palmer, Bob Seger, Costello, and The Firm."

WLWQ, COLUMBUS, OH M.D.-LEE RANDALL: "Top requests this week: The phones burn for the big three, no doubt, but Van Halen wins hands down...Robert Palmer, along with The Firm and the latest from UFO, are consistent... It's been a great week to be a music director, constantly running to the studio with a new release that must be heard...Retail movers: Robert Palmer, Dire Straits, Phil Collins, Mike + The Mechanics...The Wax is a hit record - it's been all over the dial. We need to be first on this power pop explosion...To us the Level 42 sounds like Joe Jackson meets Sting or something, but it still has its own identity...The Export is something we can use at night. Hooky enough with a bite, but yet professional - good spanning music."

WMMR, PHILADELPHIA, PA M.D.-ERIN RILEY: "A great time was had by all at the Aerosmith concert last weekend. I've seen Aerosmith play Philly for eleven years now and I've seen them at their highest and their lowest, but Saturday night they were at their greatest. I thought the Spectrum was going to explode. Thanks to John Kalodner for bringing me and Cindy down on the stage. You fulfilled a high school fantasy. Ten years ago I was one of those girls trying to throw myself on the stage. Great to see Marko was so restrained and well behaved - a true rarity of life...Personal to John Boulos: How is it hat I let you do this to me again and again?"

KMET, LOS ANGELES, CA M.D.-JUDY McNUTT: "Judas Priest: Probably has jumped into at least the top 7 requests immediately. We played it once over the weekend and on Monday three people called me for more details... Julian Lennon: In a nutshell, it's easy to play."

KZEW, DALLAS, TX ASST. P.D./M.D.-CINDY BAILEN: "The Dennis DeYoung record 'Black Wall' produced great response in a very short time. This looks like a major record for us...I like the B-side of the Bob Seger single better than 'American Storm'...And the Julian Lennon record has a very interesting sound to it. Not at all like 'Valotte' - much more gutsy...An interesting note: The two biggest selling albums in Dallas right now are Ozzy Osbourne and INXS."

WNEW-FM, NEW YORK CITY, NY M.D.-MARK CHERNOFF: "I must say I've never seen so many phone calls on one song in such a short period of time as I have with Van Halen's 'Why Can't This Be Love'...Also generating great early phones is 'Locked In' from Judas Priest another monster record on the radio. Starting to happen: Glen Burtnick and Charlie Sexton. We'll be broadcasting the show with Charlie 'Live From The Bottom Line' and we're very excited about it...Also, we're looking forward to working with Joe Lynn Turner, Greg Kihn and a local group, The Mosquitos, for a St. Patrick's Day blast live from a local brewery...And finally, we were all saddened by the loss of P.D. Charlie Kendall's dad, after a long illness."

KISS, SAN ANTONIO, TX M.D.-TOM SCHEPPKE: "Judas Priest is so-o-o-o good 'Locked In' might be the best from the High Priest Of Metal! By the way, aren't these metal bands sounding better since everyone decided to dump on them? Then again, maybe it's just me...The new Black Sabbath continues to perform well retail wise here. This week it's top ten and now I'm ready for the ballad 'No Stranger To Love'. Glen, stop walking off stage the wrong way...Don't be scared by the title 'My Fist Your Face'. It's classic Aerosmith all the way...Also, Keel's 'Because The Night' remake is good, as is Export 'Runnin' Back'... Finally, it happened as I predicted, the new Metallica debuted at #1 on the KISS Rock Lp Top Twenty Retail this week. This is a first. Stay tuned for more details...Rock steady. T-bone!"

"The MODELS? They're my favorite band out of Australia since INXS. I like the song for all kinds of reasons—good hooks, great production, good bridge—all the right elements. In fact, I even whistle it in my sleep."

Julian Lennon gets stronger phones with this one than with his first single--plus, it's a knockout tune!...The Models make a nice vinyl prize, whereas the new Judas Priest makes a nice vinyl ashtray!...I'm currently writing a movie script so Queen can stay in business and record another movie track. The movie is called 'Hey, Freddie, which way to the bathhouse'?...Pick-Of-The-Week: Joe Henry on Profile Records. Joe has an Elvis Costello/Tommy Keene sense for music. I really love his cover version of 'Wild Night'...A special 'thank you' to George Skaubitis and Mr. Mike from Warner Brothers for a great night in Boston. The Violent Femmes at the Orpheum was outstanding! I could not sit down during the entire show! The Femmes move into a heavy rotation this week, along with Elvis Costello and Clannad. Watch out for the East Coast Funk Busters coming soon to an alley near you...Until next week, stay supplied!"

We were on 'Amanda Ruth' only, but it looks like 'Born Yesterday' could become our big track. A great album. We believe your listeners will agree!"

KBLE-FM, DES MOINES, IA P.D./M.D.-RON SORENSON: "ADDS: Steve Earle 'Guitar', 'Little'; Dennis DeYoung 'Call', 'Prayer'; Erasure 'Cry'; Tanya Tucker 'Hold'; Sandy Shaw 'Letter To Brezhnev', 'Always'; Paul Quinn 'Way'; Skywalk 'Crossing', 'Jesse'; Russ Freeman 'Polo'; Paul Brady 'Pretender', 'Steel'; Bryan Ferry 'Is'; Julian Lennon 'Stick'; Bob Seger 'Son'...INCREASED PLAY: Fabulous Thunderbirds; ELO; Eurogliders; Level 42; Feargal Sharkey; Elvis Costello; Jackson Browne...Talk about a pack of gutless followers. Let a few folks in Legal get h-o-t pants about 'appearances' and out go both the bath water, and the baby, not to mention the dishes soaking in the kitchen sink and the aquarium and the piter of water in the refrigerator. The good independents help me by being aware what kind of music I'm looking for, by calling at the appropriate times and not hassling me if I say 'no' firmly! In so doing they get your artists' music on the radio. Sure, burn the folks who are into the shit, be it Top 40 or AOR--but beware that innocent folks are taking it in the shorts here (or, more precisely, in the pocketbook)--and that's not fair...Steve Earle's 'Guitar Town' is our favorite music of the week. It's rootsy, country rock with A+ songwriting...Paul Brady's 'Great Pretender' is the real thing. His first American album went Top 5 here, and we expect the same with this one!"

WFAL, BOWLING GREEN, OH M.D.-DALE STEAD: "ADDS: Ted Nugent 'Little'; Pat Benatar 'Big'; Queen 'Princes'; UFO 'This', 'Too'; Greg Kihn 'Love'; Brian Setzer 'Knife'; Jimmy Barnes 'Working'...CONSIDERING: Dancing Hoods; Glen Burtnick...MOST REQUESTED: Ted Nugent; Jackson Browne; Van Halen; Bob Seger...INCREASED PLAY: Jackson Browne; Bob Seger; The Firm; King Kobra; Marillion...INCREASED SALES: The Firm; Robert Palmer; Jackson Browne; INXS; Simple Minds...We're getting politically active with another cut from 'Lives In The Balance'...Bob Seger creates a storm on the phones, and everybody's getting 'Addicted To Love'...Shoot me for the late Setzer add, but everyone has a miss once!...We're looking for artist IDs--if you can contribute, please call myself, or P.D.-Lisa Braun, at 419-372-2195. Your help would be mucho apreciato!"

Just about every day one of our listeners will call and say that they were at Cobo Hall the night that it was recorded. They liked the song then, and they love hearing it again now!"

KMBY-FM, CARMEL/MONTEREY, CA M.D.-JANICE TAYLOR: "ADDS: Mr. Mister 'Is'; Julian Lennon 'Stick'; Marillion 'Lady'; Phil Collins 'Take'...MOST REQUESTED: Van Halen 'Why'; Rolling Stones 'Harlem'; Robert Palmer 'Addicted'; Bob Seger 'Storm'; Jackson Browne 'America'...INCREASED PLAY: Robert Palmer; Fabulous Thunderbirds; Brian Setzer; The Call; The Alarm."

CHEZ-FM, OTTAWA, CN M.D.-GREG TORRINGTON: "ADDS: Del Lords 'Soldiers'; Talk Talk 'Living'; Katrina And The Waves 'Is That It'; Swimming Pool Q's 'Now'; Julian Lennon 'Stick'; David Bowie 'Beginners'...CONSIDERING: John Martyn...MOST REQUESTED: Van Halen 'Why'; Rolling Stones 'Harlem'; The Cult 'She'; Robert Palmer 'Addicted'; Stan Ridgway 'Drive'...INCREASED PLAY: 'Pretty In Pink' soundtrack; Clannad; Stan Ridgway; Jackson Browne; Brian Setzer...INCREASED SALES: Feargal Sharkey; The Bangles; Elvis Costello; The Cult... Sure is nice to have a new Katrina And The Waves song. 'Is That It' is Motown, Memphis and rock 'n roll--and, having heard an advance on the Lp, that's just the tip of the iceberg!...Also sounding very fine is the Talk Talk Lp. It seems to capture the spirit of early Traffic and Van Morrison, while maintaining an 80's originality...Top rotation in the home and car this week goes to The Call and Stan Ridgway. Both are artists with something brilliant to say. Hope they're saying it on your station too!"

If you're not playing 'Johnny Come Home'--try it out. The audience will l-o-v-e it! After a couple of listens you'll probably be hooked on it as well!"

WCPZ, SANDUSKY, OH M.D.-KEVIN YOUNG: "ADDS: Julian Lennon 'Stick'; Eurogliders 'Wait'; Wax 'Eyes'; The Models 'Out'; Paul Brady 'Pretender'; Bourgeois Tagg 'Mutual'; UFO 'This'; Export 'Running'...MOST REQUESTED: Van Halen 'Why'; Bob Seger 'Storm'; INXS 'What'; Julian Lennon 'Stick'; Del Fuegos 'Still'...INCREASED PLAY: Robert Cray Band 'Playing'; Clannad 'Lifetime'; Brian Setzer 'Knife'; Level 42 'Something'... Absolutely my favorite of the week is 'Out Of Mind, Out Of Sight' by the Models. It turned my head the moment the needle hit the vinyl. As for whether it's AOR friendly, for this AOR--most definitely! If I was working at a harder edged rocker, I feel it would be a mistake not to keep a close eye on it... The new Julian Lennon is a great follow-up to his debut. He's already Top Five phones here! Keeping in mind that Julian is still in the early stages of his career, it excites me to think about what's ahead. Perhaps music possessing not only great pop appeal, but experimental in nature as well. It is the perfect follow-up to the success we've had with his father's 'live' album. It has certainly enhanced the important dimensions that distinguish AOR's like ours from CHR's and AC's...The new Wax is certainly a tasty cut. Kind of in the mode of Mr. Mister...I'm anxious to get this Clannad moving--as of today's medium rotation that comes amid phones from excited U2 fans...I had no idea that the Swimming Pool Q's had such depth. Curiosity has become respect, and that may translate to an add."

BOB CATANIA, ISLAND (212-477-7159): "We are an industry in crisis. In the past two weeks we have seen shoddy journalism, innuendo, and unsubstantiated rumors become the basis for industry decisions that impact on many people. Contrary to the American way, we are operating on a system where you are presumed guilty until proven innocent. Certainly the recent investigations will uncover some wrong-doing, but quite frankly, what segment of society isn't touched by some kind of corruption these days? However, to make sweeping allegations and hurt innocent bystanders in a rush to distance oneself from supposed wrong-doing is a blight on our business. What is needed now, more than ever, is rational thought. I applaud those companies who are not rushing blindly into the chaos, but making sound, rational decisions based on what they know to be true. Obviously, my remarks are geared to the many indies who do business totally above board and I certainly believe that includes all the album indies. At Island, we get tremendous support from Atco and Atlantic, but without the indies I use, the success of any Island project would be in jeopardy. The fact that Robert Palmer sat atop the album radio charts is testament to their efforts. Let's hope the next couple of weeks brings a return to rational, and professional thought to our industry."

JEFF "VINYL TAP" COOK, ELEKTRA (212-484-7200): "The time has come to call a spade a spade and a dinosaur a dinosaur. I mean, who are you guys kiddin'? Album radio is about as exciting and fresh as a pair of old socks (same old artist, same old songs). Yeh, I know you're programming to a 30+ audience, but does that mean we have to hear 'Stairway To Heaven' forever? Music is like the news, it's constantly changing, it's always best when fresh and contemporary. Just because the baby boomers are starting to gray a little at the temples, it doesn't mean that the ultimate music generation doesn't want to know what's happening now! If you guys are doing an oldies format, call it that and get it over with. On the other hand, if you still get excited when you help a baby band take that next step to gold status or you help an established AOR artist crossover to Top 40 and begin to break on a gigantic scale, boy, have we got some records for you! 1) Jackson Browne - 'Lives In The Balance' is a major work by an established artist. Other tracks for your consideration, 'Lives', 'Lawless Avenues', and 'Shape Of The Heart'. 2) Dokken - 'Into The Night'. The Lp is headed for 700,000 and showing real strength at the radio level. This group is destined to become the goods in '86. 3) The Call - 'I Still Believe' from out of nowhere to breaker in a matter of weeks. The phones are buzzing, sales are starting, and they'll be touring with Simple Minds this month. Together we can break this band. Commit and commit now! 4) PIL - 'Rise' is coming on and airplay has just developed at both Houston Top 40's. Don't miss this one. 5) Metallica - You know the real demos of your core. Put this one on now at night and watch your phones melt down. 200,000+ sold the first week. 6) Simply Red - What a great feel this one has, it's an upper demo natural. 7) Sadao Watanabe - 'Parker's Mood'. This is the kind of stuff that made (New Age) music (possible). Listen, listen, and listen again. Coming soon, even more of Elektra's stable of young bucks ready and willing to ride your airwaves and keep your station fresh and successful. Joe Lynn Turner 'Young Hearts', the Sharks' 'In A Black And White World', Howard Jones (with Phil Collins) 'No One Is To Blame' and The Cure Ep."

JON SCOTT, MUSIC AWARENESS (818-883-ROCK or 7625): "Here's the official agenda for the 4th Annual T.J. Martell Rock and Bowl Celebrity (and Golf Tournament), to be held here in Los Angeles April 4th and 5th. On Friday morning at 10:00AM April 4th, the First Annual T.J. Martell Celebrity Invitational Golf Classic will take place at the exclusive Calabasas Country Club...On Friday evening at 7:00PM (at the Sheraton Universal in the Grand Ballroom) there'll be a celebrity cocktail party. Then, of course, all the hospitality suites will be hopping...Allowing for recovery time on Saturday morning, April 5th, at 12 Noon, we will have a meeting of the rock minds and will discuss any pertinent matters that are happening. Representatives of Arbitron and Birch will also be on hand to duke it out. This meeting will be chaired by Bill Hard; Steve Feinstein; and Steve Smith. Don't miss it!..On Saturday night at 8:00PM until 2:00AM, the 4th Annual Rock and Bowl will take place. We're looking to raise over \$100,000 to continue research for cancer and leukemia cures. You, too, can be a part of the cure. By all means, try and get out here!"

PAUL RAPPAPORT, COLUMBIA (212-975-1701): "Judas Priest 'Locked In' became the ultimate phone burner in just one week! As you can hear, the Priest has made a very smart record. And wait til you get the album! As soon as you do, check out a song called 'Parental Guidance' an anthem in the mold of the 'Who' and 'Turbo Lover' for all you car enthusiasts. The tour starts May 2nd and the show featuring giant robots and gobots promises to be the Pink Floyd of Heavy Rock! This will clearly be Priest's biggest year--you can't beat quality, melodic rock of this genre...Now B.A.D. is back. We're talking the Wild West here--cowboys, sixguns, campfires! THIS IS A MAJOR RECORD and has been selling consistently since its release! Mick Jones and BIG AUDIO DYNAMITE is the hippest thing going. In fact, the famed Whiskey-A-Go-Go on Sunset Boulevard in Hollywood just reopened its doors and who do you think they offered the opening show to? You guessed it--BIG AUDIO DYNAMITE. 'Medicine Show' was alot of people's choice from the beginning, although for some it was a bit too long. Now we're back with a killer edit--4:32. Play it--people are gonna love this record... Please go back and listen to 'Live It Up' by Mental As Anything. We have some very impressive call letters playing this record and WAAF, among others, have called to tell us that they are getting some really good response back! We still beleive this is a hit...And check out the new Bonnie Tyler! Beefy, rocky, guitars central, and the amazing Jim Steinman...Also, lastly but certainly not Teastly, dqn't forget the new single by the platinum plus Hooters--'Where Do The Children Go'. Tons of people keep calling this office to tell us how good the Hoots are live. Hey, we know it, we signed 'em! Thanks for everything...Hold onto your hats--coming up: Stones, Journey, John Eddie (this guy is major league), Judas Priest, 'Top Gun' soundtrack ('Footloose' part II, attached to a movie you won't soon forget!), etc., etc., etc., etc. Scandal, Billy Joel (a rocker!)--we'll keep you smokin' all year."

BRUCE MOSER, COULD BE WILD (717-995-5200) "It's a brand new ball game? Dwight Case seems to be playing with only half a deck. His solution is irrational and doesn't address the larger problem at hand. Could be a smokescreen to take the heat off R&R for creating the P1 mentality to begin with. His idea of selling time to record companies opens up a whole new can of worms (i.e. accepting political advertising). As soon as they accept money from a record company, I'm next in line to get my could be so-low-album on the air (and I can't carry a tune in a wheelbarrel). Radio is now forced to play each and every bad record. If my memory doesn't fail me, one bad song can cost a radio station its listeners. In this new ball game there won't be any listeners to lose because no one will be listening! I'm not exactly sure what the answer is; however, I hope it involves getting back to basics where honesty and hard work play an important part in getting music on the radio. Winter is almost over and Spring is just around the corner--I know if only that damn CHR freeze would end. It doesn't take a weatherman to know which way the wind blows. Signed, could be upset!...P.S. Dwight: Shouldn't you have saved your editorial for the April Fool issue?"

LINDA KIRISHJIAN, Columbia (212-975-1701): "See Paul's comments."

AL CAFARO, A&M (212-826-0477): "Each and every week Glen Burtnick is growing in airplay, we will continue to be relentless...Believe this, by the time you're reading this Sheet, the 'Pretty In Pink' soundtrack will be gold. Open your eyes and your ears to this -- it's exploding. We're seeing requests on the 'Psychedelic Furs... Coming soon, the new Joe Jackson 3-sided record, 'It's A Big World'. It's brilliant. Talk to you soon."

MICHAEL PRINCE/PAUL BROWN ATCO (212-484-6400): "Please be aware that 'Steel Claw' is the B-side of the Paul Brady 12", backing up the A-side 'The Great Pretender'. Thanks to everyone out there for a great first week...On your desk, the Pete Townshend 12" 'Secondhand Love'--further proof that the 'White City' Lp is one of the most passionate and intelligent Lp's ever conceived...On the way to you is the Steve Nicks 12" of 'Imperial Hotel', backed with an extended remix of 'I Can't Wait'. This is the perfect vehicle with which to set up Stevie's tour...Michigan has to be a heavy favorite in the NCAA. Maryland looks like the dark horse in the field, but wouldn't it be wonderful if the University of Akron Zips could somehow find a way to take it all?. Since you did, thanks for reading!"

RICK WINWARD, ENIGMA (213-640-6869): "The Neighborhood's time has come! Back in 1979 this power pop trio was acclaimed by all of New England's music community. Subsequently, they swept the New England critics' poll and won WBCN's rock and roll rumble. Offered a contract by CBS, the band lost the deal when their label at the time required all of its other bands to be picked up along with the Hoods. Now, with contractual entanglements finally behind them, we'll be unleashing a barrage of guitar energy in the form of the rock anthem 'WUSA' in just two weeks. It's not often that we release a 12", but this song is THAT GOOD! For those of you unfamiliar with the band, expect to hear music brimming with the power and sincerity common to the new breed of guitar rockers like the Alarm. And somehow it all seems more honest coming from these street tough Boston natives...Our first records to benefit from Capital distributions (the soundtracks to 'Runaway Train' and 'Delta Force') are in chains throughout the country right now. Is this going to be the answer to the 'how do I get through to the sap heads in Las Vegas and Seattle' dilemma? Quality music and promoting wasn't the solution...Thanks to WRZK in Fayetteville for their consistent support. There is still a few rock stations that don't need non-musical enticements to listen to and program quality music."

RICHARD PACHTER, PROMOTION IN MOTION (305-482-6629): "Thanks for the support from my radio pals! It's times like these that it's good to have your friends behind you. Hopefully, things will return to normal shortly!"

NICK CUCCI, RELATIVITY RECORDS (718-995-8277): "OK, Relativity Records and the Dancing Hoods do not have a \$100,000 promotional budget, nor do we have a huge field staff! What we do have is a very good Lp, '12 Jealous Roses', and a very good lead track, 'Pleasure'. We are an independent label, and many of you may pass on Dancing Hoods as just another rough sounding independent band. Initial reactions like that are true for a good amount of independent bands and labels. Their audience is not your audience. If you are worried that '12 Jealous Roses' will not be in your stores, then let me remind you that Relativity Records is the in-house label of Important Records Distributor, the largest independent distributor in America. Here, two fallacies have been blown out of the water: One, is that Dancing Hoods do not sound like a major label band. They do! They write brilliant pop songs that WILL sound wonderful on your airwaves. Just try 'Pleasure' next to Charlie Sexton or Brian Setzer, and you WILL see. Two, is that this Lp will not be in your local stores. Well, our sales staff numbers over thirty nationally and you WILL find '12 Jealous Roses' in your stores. Be sure of that! Remember, 'Pleasure' is two minutes and forty-nine seconds of the BEST listening you will do this week. Listen to what these very smart people have to say about Dancing Hoods: Duane Sherman, WTOS: 'The Dancing Hoods don't carry a gun, but they do carry a mean beat. Don't plan on sitting down for this one.'...Paul Cannell, KORX: 'With some of the best music in fifteen years being released now, it's easy for a new band to get lost in the crowd--but the Dancing Hoods, and their Lp '12 Jealous Roses' stand head and shoulders above the rest. All eleven cuts are great, and 'Pleasure' stands above the rest. Read my lips--play this record!--New on WHTG and KLWD!"

Program Producers

GARY AND THE WACKY SISTERS, MJI BROADCASTING (212-245-5010): "Who says Metal ain't happening? With the incredible rebirth that Metal Shop has been experiencing these past few months, it deserves a front page story in the New York Times! Even if you don't play any metal in your format, you shouldn't ignore the huge listenership you could be getting with one hour of Metal Shop's Saturday at Midnight...Coming up on Metal Shop, we got the ultimate Judas Priest' promotion. We will be giving away Rob Halford's leather jacket with 'Defender Of The Faith' emblazing on the back...This week on Rock Today, Jackson Browne gives an incredible, very intimate interview about his new album...Don't forget to add the Comedy Hour this week so you'll be on in time for the first show with special guest Emo Philips."

The Airplay Index is our ranking system for the amount of play on albums as a whole. We determine rankings by totalling the emphasis points on cuts.

The methodology for our Top 50 markets Metro Index is the same as our Airplay Index, but instead of using the full sample base, we calculate the ranking from airplay reports from the Top 50 markets as defined by Arbitron.
