Deane's List

PAUL MC CARTNEY, "PRESS TO PLAY", CAPITOL
World class collaborators have always aided Paul in the checks and balances department and thankfully, the latest in that long line of luminaries help steer him our way. When Hugh Padgham's Big Bottom board work, Eric Stewart's 100certified songwriting+1 Carlos Alomar's searing licks fuse with one of Rock's greatest natura' resources, the result is like "Ran" revisited, then made contemporary. "Angry" adds on 14 (DC-101, WAAF, WHYY, KNCN, WFLR, WRCH) ups on 7 and with 45 come nails the week's #4 point gain, 61-47. Now put an ear to "Move Over-Busker", "Stranglehold" and "Good Times Coming/Feel The Sun".

TIP: BIG COUNTRY, "ONE GREAT THING", MERCURY
Coming off a top 5 Rock track with "Look Away" the band has rebounded quite nicely into the hearts of album radio. "One Great Thing" offers more of what made the Big Country sound so appetizing: infectious hooks, haunting guitars and that indelible sing-a-long chorus. Sean us up Scotty!

TIP: THE OUTFIELD, "EVERYTIME YOU CRY", COLUMBIA
With the series around the corner it's time to play your best Outfield. 3 trax and 9 months ago the format-pioneered the "Play Deep" project and now, with well over a million units moved, it's safe to assume that artist breaking ceremonies are alive and well at album radio. "Everytime You Cry" sports their patented fresh'n'clean, no caffeine style in a bright ballad that'll keep them hittin' 'em out of the ballpark.

Reaction Records

HUEY LEWIS & THE NEWS, "FORE", CHRYSALIS
Huey parachutes four new tracks into the top 50, bringing on that rare #1 Airplay debut--an elite feat only accomplished by the Stones and Genesis this year. Worsby's "Ladder" leads: now on 70, max at 19, for the week's 2nd highest Song debut at #24. "Hip To Be Square's" in hot pursuit with 80 adds, 18 max, 57 first-weekers. "Know What (They) Like" impacting a #34 debut, and "Whole Lotta Lovin'" scoops up 50 OTBers, new at #45...And the raves! How 'bout Ken Anthony, KSJD "Album of the year"... Tom Starr, WJUN "Stone cold smash"... Jim Steele, WTOP "This album will be around as long as 'Born In The USA'". Marty Bender, WSKS "Airplay thru 1987"... Wally Walker, WJRC and Aris Happers WJAY "His best yet"... Mike Boyle, WJRN "This record is sonoboo good"... Pam Edwards, KGB "Certified multi-platinum", and R.N. Jones, WFXR "Pick a song, any song"... Keith Taylor, WOPN wraps it with "My hands get sweaty everytime I listen!"

PETE TOWNSHEND, "BRITXON ENGLAND CONCERT", ATCO
Naturally radio loves the "exclusive" programming value offered here, but the real deal on this unorthodox promo only Ep? IT'S FUN!!... "The excitement of Pete having fun gives 'Barefootin'" the chance to be a party classic" pipes Rick Yan Gai, WLNZ... "Sounds like fun" frontsalls Alan White, KILQ... Pam Brooks, WPOH pays homage WJRH "Pete is God"... "Any Pete is good Pete" reasons Les Staley, WXYV... "A nice extra" surveys Cindy Ballew, KZEW... "Please release it" cries Chris James, WJFA... "Early response has been very heavy-duty positive" at WREK according to Mark Chernoff, and Al Branca. WMOH feels "If this one doesn't have your toes tappin', you're DOR"... "Barefootin'" walks its way onto a fast 34, in at #62, with "After The Fire" new at #81, fueled by 21 new--as the Ep debuts at #35, #35-Metro.

BROKEN HOMES, "IN ANOTHER LAND", MCA
As a universal youth language, rock 'n' roll has always enabled each successive generation to build brave new worlds on the foundation of what has immediately preceded them. Enter Broken Homes: a young rebellious Los Angelinos who embody the proud raunch 'n' roll tradition of The Stones and Cougar with the burgeoning new American Music of the late 80's. "In Another Land" is raw, moody and very powerful. Listen quick, play early!

TIP: ROSSINGTON, "TURN IT UP", ATLANTIC
Sure has been a while since we've heard from Skynyrd founding member Gary Rossington. And guess what? He and main squeeze Dale Krantz can still belt out a night rocker as potent as a flaming shot of Southern Comfort. Look for the good 'ole boy network to come in pronto. *offbeat*

TIP: YINGWIE MALMSTEEN, "YOU DON'T REMEMBER", POLYDOR
As Guitar Player Mag's best rock guitarist of '85, Yingwie gained national consumer recognition as America's newest guitar hero. But wait a minute, hey Yingwie is that a synth we hear? With "You Don't Remember" there are strong song elements that suggest this track will extend beyond the nighttime bruise bunch. There's melody as well as some hot fret burning. Expect the Army to respond overnight and then some.

RIC O'CASEK, "EMOTION IN MOTION", GEFEN
The smooth leadoff single hotwires this report's highest #18 Song debut and, with 117 out-of-the-boxers, it's all but closed in one week. Looks like superlative city on the Checklist too, with 31 programmers awarding four-star-classic status, including Bob Bittens, WJCN "Top 10 single"... "It's one of the best songs out there" according to WJXL's David Grossman... "Catchy, wonderful, smooth" critiques David Anderson, WMAO... Larry "The Duck" Dunn, WJRH finds it "Appealing to all Jams with early heavy phones", ditto from Joe Wood, KEZO... "Drive Part 2" was the word from Tessa York, Bill Weston, John Beaulieu and Ron Garrett... "Instant add and a hook a minute" testifies Robin Mathieu, WJCN... Expect O' to 60 phone ignition in a heartbeat!

CHICAGO, "25 OR 6 TO 4", FULL MOON/WB
Although we detect a slightly ambivalent attitude from some, it's obviously mission accomplished for the 12", as Chicago returns to Album Radio's Most Added zone with 45 new and our 6th best #50 Song debut... Bill Weston, WJAY theorizes "The remake may not bring 100% positives from the audience, but you can be sure they will be reacting to and talking about your station when you play it"... WMOH's Al Branca asks "Ever see a match burn twice? Smash!"... Jack Green, KLPX labels it "A must play"... "Strong reaction record" appraises Jon Russell, WFOG... Carol Chamberlain, KOME seconds with "Great OTB response"... Andy Stewart, WQGX "A top notch remake", Jim Jones, KXDD "Chicago Miami Vice", Michael Davis, KPHO "A classic improved", Sid Fetsick, WOTY "It took great balls to remake this track", and Pam Edwards, KGB "Congrats to Chicago on achieving a feat nearly impossible - duplicating the excellence of the original."

Inside Tips

JAN BEAUVOIR, "MISSING THE YOUNG DAYS", COLUMBIA...Hey, let's face it, the kid writes compelling tunes. With the credible performance of the leadoff track and the critical acclaim from the Eurythmics tour, Jan deserves the double shot. This cut's mass appeal flavor makes it open season for all formats.

Reaction Records Continued

STRAY CATS, "I'M A ROCKER", EMI

The Cats' swansong slabs, howls 'n' picks up a credible 26 stations first week, led by major KHJY, WREW, WHCN, KSPD and KZEW. We found more than a few stray raves on the Checklist like Dave "they be rockin'" Kane, WOHF, Joe "It's hio. I dig it" Blood, KEZO...Greg "Interesting and impressive" Mull, WARC...Don "Fabulous, if not, wonderful" Berns, CFMY...Karen Andersen "Good time music" Swall, WQIR...Pan "Tasty and in sync" Brooks, WPDH...and Michael "The guitar is almost too hot!" STEVE WINWOOD, "EPIPHONY OVERSPILL", ISLAND/WB

At Branch, WPDH, calls the play: "Now that 'Higher Love' is cooked and 'Split Decision' is powered to 5 plays a day, time for another taste of class"...You won't get an argument from KYYS, WQFM, KOMA, WIVY, KNCH, KZAP, KILQ, KOZZ, WFXD and 10 others who made room for "Freedom"—or from the 12 who increased play this week including WELS, WCKG, KATT, KICT, KZRP and WRDU...19 new, 71 cum and 23 max catapults the New emphasis track into the week's #1 Point Saver, #2 Chart Gainer, 47-29. Lp rock solid at #2 in National and Metro play.

PAUL SIMON, "GRACELAND", WARNER BROS.

The single's new on 4 (KLPX, KZRR), now on 61, and upped at 6 (WPYX, WOUR WRDU). Already in power at WLUP, WELS, KZDK, KBCD, CHIM, WROR, WPKA, KESI and 4 more. "4" emphasis action on 15 including KZEW, KAZY, WIOO, WLAV, WTLV, KOZZ and KMYZ, and steady at #37 Airplay, with very healthy Top 40 play...Now witness the half dozen transmitters who couldn't resist the lp's brilliant title track, including WREW, KBCD and KBLE, where Ron Sorenson enthuses "'Graceland's' got a groove like the Grand Canyon. THE CALL, "OKLAHOMA", ELETRA

A mighty second week add call of 14 includes KISS, KILD, KNOD, WEZX, KZEL and WPAO—joining earlier birds KOMA, KZDK, KATT and KOW where Pan Edwards declares, "The Call continues to be a powerhouse band for us"... Other raves along the airwaves from KEZO's Joe "Excellent third track" Blood...WMMR's Erin "Stunning!" Riley...WMMR's Allison "My favorite cut from the album" Stewart...NEEN's GPT Gary page 11: "One more reason to stick with The Call"...We think so, too!...New at #97.

HONEYMOON SUITE, "ALL THE TIME YOU KNEW", WARNER BROS.

Miscellaneous adds have been coming in since the album debuted eons ago, but it looks like this track's finally ready to pop. KOMA, KSPD, WLLZ, WJAY, KZAP and five more are new, almost doubling "All's" cum—with KZAP and KOZZ adding at heavy and KZEL already powering it up. Now that it's impacted at #88 on the Song Index, perhaps another listen might not be a bad idea!

NIGHT RANGER, "WILD AND INNOCENT YOUTH", ("OUT OF BOUNDS" SINDY.), TRS/MCA

The soundtrack lp checks in on the National chart at #46, due largely to another strong add week on "Wild". KISS, WDMA, KNOD and five more supply fresh air, bringing the two week cum to a sizable 34 (with 16 more considering). Night Ranger's night rocker primes 67-63 with ups at KPMG and WQY. "Excellent" early phone activity at KROR, WAAF and WTKX, and "good" follow-thru at 10 more.

Buzzbands

SMITHEREENS, "BLOOD AND ROSES", ENIGMA

Huge week in all areas! A Checklist Champion: 24 building, 9 upward moves, 8 Top 5 phones, and a lucky 13 considering...A Chart mauler: The album scored a double #1 gainer, National 36-28, Metro 42-34 and the Song primes 40-36. The add count increases by 10 (WDLZ, KICT, KPMG, KROR), WTLV, WESH, WCFM, WKRL, KZAP, WRUF, KBER, KLAQ) with 94 cum. It's close out time.

TIMBUK 3, "THE FUTURE'S SO BRIGHT...", I.R.S.

Tear off those shades and take note. The add tally doubles to 36, with fresh air at 18 including WAAF, WREN, WEZX, KYYS, KLPX, WHER and WLIH. Chart action debuts the Song at #79 and the lp at #50...Cindy Bailen, KZEW voices "This will be a real big hit"...With 25 considering, total detonation could be around the corner.

GREAT WHITE, "FACE THE DAY", CAPITOL

In the add department, it's quality that counts as WJAY, WYWF, KZEW, WQFM and KROR lead to 46 cum. The chart road is impressive as the lp debuts #44 National, #48 Metro—and a song range of 60-52...Phone activity builds at 20 plus, and we show 14 considering...From the album, put a needle to "Runaway".

EM/UK, "FROZEN HEART", PORTRAIT

"Frozen" has a solid add week: 15 new including WLUP, WQYI, WEZX, WTKX, KATT, WOUR, WTPA, WQYQ and WRKI—that gives 'em 42 to date. The Song leaps 81-56 for the fourth Most Active gainer, and the lp slides in at a cool #43 debut.

BLACK 'N' BLUE, "I WANT IT ALL", GEPHEN

The crew initially pioneers this track (KNAC, KISS, WDRB, KRCH, KPMG, KRIS) and we do expect a big spread. Tom Schoopke, KISS asserts "'I Want It All' is excellent"...Rad Messick, WDLZ feels "It could happen"...Marty Bender, WSKS cites "A decent anthem"...and Michael Davis, KPMG classifies "A nighttime smoker"...Try Hites and that killer hook will get the phones to titter!

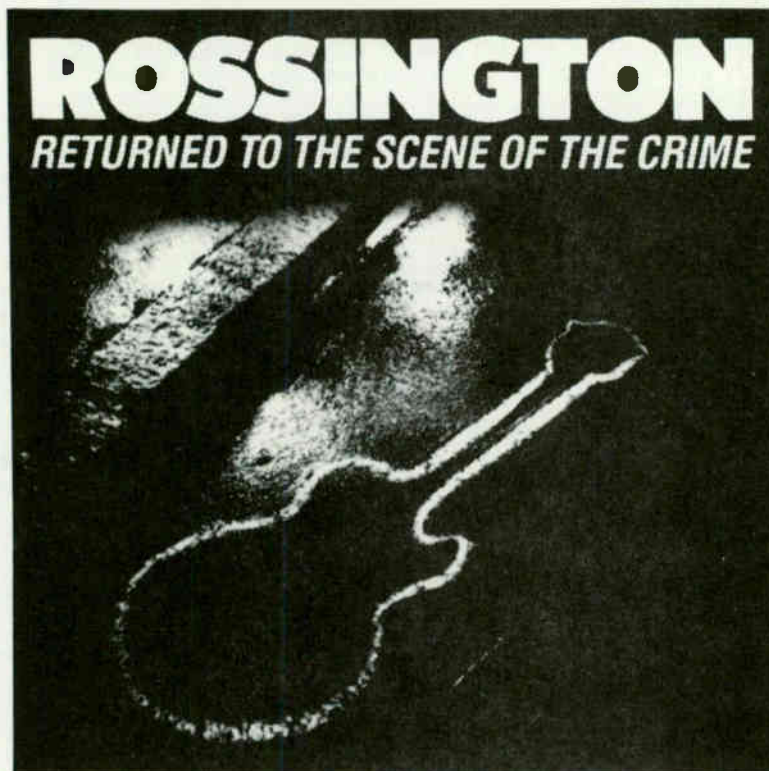

CINDERELLA, "SHAKE ME", MERCURY

This Cinderella story continues to persist! Four more adds (WAPL, KICT, WACK and NYRG) swell the cum to 68, while a respectable 8 are considering. The phones are still shakin' with an 11-8 Most Requested jump. And talk about growth, now's a hearty 16 sound?! including: KOB, KZEW, WSKS, KEZO, KNAC, WHIT, WTKX and WQCH. It's obvious this track is still the hots, but if you've had your run, needle the next killer cut, "Nobody's Fool".

RAINMAKERS, "LET MY PEOPLE GO-GO", MERCURY

WRR, WPKA, WZZD, WVVV, WMOG and WLLZ come to the "Go-Go" this week—expanding the total to 51. The considering list shows 16, and the Charts are prime: lp #41, #46 and Song #53. Let your station "Go-Go".

STABILIZERS, "ONE SIMPLE THING", COLUMBIA

Simply stated, there's a nice little buzz developing on this track. Five more (WSKS, KZEL, WCCC, WGLU and KBLE) join the clan of 11 led by KISW, KRQR and KSHE...Bob Allen, KFMQ states "A very strong effort"...Al Hofer, KSHE reiterates "Straight ahead killer AOR product"...Jay Lopez, WWWV feels "It deserves a shot!"... We think so too!!

Automatics

NEIL YOUNG, "WEIGHT OF THE WORLD", GEFGEN

Guess "Touch The Night's" Top 10 Chart cruise and fab fone follow-through put Neil back in the format's starting line-up. Enter the Lp's first 7"--"Weight Of The World". It's hooky and hypnotic, in Neil's typical cutting edge style. New on 8, now on 27 and gaining ground 83-75.

BOB SEGER, "IT'S YOU", CAPITOL

With 10 new, 104 cume, it's simply a matter of increasing play...and Bob bags a big, big week in that all-important-department with this report's third best 24 play-ups (KGON, WIYY, KLOS, WCMF, KATT, KRSP, KDKB, WRIF, KUPD, WLLZ, WDIZ), with the majority of those throttling at 4 or 5 level intensity. At this point, if it ain't in heavy, you're light.

JOURNEY, "GIRL CAN'T HELP IT", COLUMBIA

They're back after a brief repas, as "Girl's" 91-72 Song romp rates #1 Chart gainer status. Just added on WAQX, KLPX, KZRR, KMOD, WKQQ, WRKI, KRSP, KBER and 6 more, with the Lp repositioning 50-47.

FABULOUS THUNDERBIRDS, "LOOK AT THAT", CBS ASSOC.

Still flying high alright, the Birds lock up 11 more play increases including KUPD, WCCC, KATT, WTUE, WPYX, WNOR and WOUR as 5 adds (KGB, WLLZ, KLBJ) combine to bring on their fourth consecutive primer, netting the Lp its third Top 25 track. And if Top 5 Request activity at KQRS and WTUE is any indication, we're looking at yet another phabulous phone mauler.

Builders

JOHN FOGERTY, "EYE OF THE ZOMBIE", WARNER BROS.

With instant kick-ass phone action, close-out power airplay should come before the bad moon rises. The Checklist turns up reports of 23 "excellent" calls, 31 "good" mentions for a primo Most Requested debut at #10...Included in our best with 34 ups, KGB, WNEW, KISW, KQRS, KUPD and 10 more push to power; 18 go heavy. It's new at 15 for 126 cume, and the swift 12-5 Song underline is the week's #1 points gainer.

TRIUMPH, "SOMEBODY'S OUT THERE", MCA

The activity on this trio's triumphant 12" makes it one of the week's more robust builders. It's building at 40, maintaining at 11, with two considering and none dropping...KSJO, KSHE, KOME, WYNF, KRQR, WDIZ, WOUR, WGIR, WIXV and WKQQ report building phones, WBAB and WHEB see rising sales, as four more notice an increase of both. "Out" goes 5-4 Most Requested, primes 13-12 with ups at 18. The Lp holds prime at #15, #13 Metro.

With Rock Radio we learn to expect the unexpected. Bonnie is treated with "exceptionally" Raitted phone activity at 15, while another 28 stations are receiving "good" calls. The Chart read-out also confirms her strength at AOR. A 17-14 prime improvement is influenced by ups at 15 of her 111 cume (KBGO, WMGM and WRDU to power; KOME, WDIZ, WAAF, WTPA, WRUF, WQBK, WXKE and KFMQ to heavy)...The Back Page shows #17 National, #18 Metro underlines.

The album's a Back Pack double primer and, at #14 Most Requested, George is lonesome no more.

DAVID & DAVID, "WELCOME TO THE BOOMTOWN", A&M

Welcome to the 'Bigtime', David & David. "Boomtown's" a Top 10 Song, thanks to a killer 20-10 dash fueled by this report's fourth best 23 ups and five adds. Album chart honors include #2 Point gainer, #2 movement National, 18-13, and #1 points Metro, 19-17.

BON JOVI, "YOU GIVE LOVE A BAD NAME", MERCURY

With a firm hold on #1 Most Requested, and 50-plus Top 5 phone mentions two weeks running (WHCN, WLVQ, WHJY, WSKS, KISS, KUPD, KSJO, KZEW, KZEP), can saturated power rotation be far behind? Thirteen stations go the route this week generating a 24-20 underline. It's building at 33, maintaining at 11, none dropping, and four are considering -- (103 cume). The Lp primes 22-20, 25-21 Metro (#3 Movement).

DON JOHNSON, "HEARTBEAT", EPIC

Budget-wise, "Miami Vice" can save the dough it shells out hiring rock stars for guest appearances. They've got one in Sonny. The Lp is our #4 Points gainer, #2 position mover National, 28-23, and primes 30-27 Metro. The track primes 28-22, with increased play from 22 stations led by KSHE, CILQ, WCCC and KUPD--and is still pulling hot phones: (34 "good" or better mentions) for #12 Most Requested honors.

ICEHOUSE, "CROSS THE BORDER", CHRYSALIS

It's building at 23, maintaining at 38, with eight considering and only one dropping. The Back Page momentum rates #1 Points, #2 Movement National, #4 Points, #2 Movement Metro.

BRUCE HORNSBY, "THE WAY IT IS", RCA

This follow-up grabs an impressive 15 adds, headlined by WQFM, KGON, KOME and KZEW, with a commanding 23 more considering. WIOQ, WLAV, WFXR, WUVA, WMAD and WWWV are getting Top 5 calls, as 8 of 57 cume up (WIOQ, KQRS, WNOR to power; KFMG, WXRC, WQBK to heavy)...Chart check: 44-39 Song (#4 Point gainer); 26-25 National, 27-24 Metro--all prime.

TOM COCHRANE, "THE UNTOUCHABLE ONE", CAPITOL

A healthy 12 station add count (including WDIZ, WAQX, WRCN, WBRU, WTPA, WWWV and WRUF) take the early cume to 31, and expect more major Song progress like this reports 74-58 chart leap (#5 Points, #3 Movement) generated by a wopping 33 stations currently considering.

TALKING HEADS, "WILD, WILD LIFE", SIRE

The Heads bolt to #5 Most Requested, catapulted by 34 "excellent" phone listings (WMMR, KRQR, KSJO, WLIR, WCCC, WHCN, KZEW) and 28 more "good" mentions. "Wild" gobbles up 22 rotation increases, including KLOS, KUPD, KYYS and WQFM--pushing Prime to #6 on the Song Index.

EXCLUSIVE: SCHOENBERGER RESIGNS MCA

We were floored to learn, at press time, of the resignation of MCA VP Album Promotion John Schoenberger. "The decision comes after considerable soul searching and reservations as to my goals in the music business," John told FMQB. "I have every intention of remaining in this business. Music is my first love. I will be announcing my future plans after a much needed vacation."

A 14-year-industry-vet (MCA, Arista, ABC, Radio Records), John tells us he'd like to get more involved in artist development, specifically in the area of creatively imaging, packaging and presenting music prior to a record's release. "That's where I feel my strengths are growing and that's where I want to go in terms of direction. A good 80% of album promotion is in the setup, and unfortunately I was becoming less and less involved in those areas."

No speculation on who will succeed John. "I'm stunned" is how MCA East Coast Album Promotion and Marketing Director Randy Hock reacted. "One of my dearest friends made a career move and right now I can't find the words to express how I feel."

Look for John's parting thoughts on the new era of progressive rock in this week's Open Forum. Reach John at 818-894-2138.

BIG TRAIN TO MEMPHIS: HOWIE RETURNS TO ROCK RADIO

15-year programming veteran Howie Castle has returned to the radio trenches as PD at Memphis's WEGR. Regarded as one of the format's most experienced programmers (KBPI, Denver; WDVE, Pittsburgh; WSYR-FM, Syracuse, along with WIFE, Indianapolis; WABB-FM, Mobile; WLCY, Tampa; WOLF, Syracuse; KWFM, Tucson, and Radio Caroline), Howie is also a survivor of some of its most heated rock wars. Most recently VP/Exec. Producer for Joe Kelly's Superspots, and a former Behan Broadcasting Group PD, Howie told FMQB, "I'm back and ready to rock. After a year in AC (yawn!) and 6 months selling and producing TV spots, the yearning to get back to album radio was overwhelming, especially in light of the tremendous "comeback" of the format. I'm looking forward to dealing with my old friends in the radio and record industries and to working with GM Craig Scott, a Memphis legend and former programmer, and with a first-rate facility in a city with a great musical heritage. Thanks to the folks at Burkhart/Abrams, Al Peterson, Bruce Moser and Doug Dombrowski for the encouragement and support, and to Don Davis for the opportunity to tune up on WCKG."

WEGR currently enjoys a 3rd-ranked 8.3 12+ (Arbitron, Spring '86) since returning to the format this Spring, after 14 months as a Top 40 outlet. Look for Howie to continue charting WEGR on its current adult album rock course, as well as pulling a short air shift.

KID LEO DOESN'T M-M-ESS AROUND: CLAIMS BUZZARD OM

And speaking of veterans, round for round, pound for pound, one of the most colorful radio legends around, WMMS, Cleveland MD/afternoon ace Kid Leo has graduated to OM, succeeding John Gorman who left last week to expand his consultancy firm.

"My reputation has always been as a tough guy," Leo told FMQB. "We'll see how tough I am. Right now I'm handling everything at the station. The staff here--who is more than staff, it's family--is helping in every way possible. And unsolicited help is always appreciated. We are growing. Look for more very exciting announcements from WMMS about our future."

No word yet on whether Leo will retain his MD position or appoint a new one. Also unanswered is who will replace evening personality Denny Sanders who also departed last week with G-man. For now, that shift is being filled by longtime WMMS staffer DTA. "With all due respect to her, I call her the jack-ess of all trades, and that's not jackass. She's a lady who's a very important part of the station, through her work in production, promotions, air work and music and she's handling Denny's shift for now."

NETWORK NEWS: MIRSKY TO DIR; NBC UPS DENEMARK

Neal Mirsky has resigned as WPLR, New Haven, PD after 18 months to accept the position of VP Programming for DIR Broadcasting. Neal's new responsibilities include supervising the production of all DIR programs as well as innovating new programming.

Of his move up to the network after many years in radio, Neal told Dr. Dirt, "I intend to draw on my years in radio programming to guide me through the process of creating and producing the type of syndicated programming that other PDs will want to run on their stations. Let's face it, DIR has been at this longer than anybody, so it's an added pleasure to be working with the Rolls Royce of the business. My first project, of course, is the launching of the new national Howard Stern Show, easily the most exciting piece of syndicated programming in years."

The Stern show, already cleared in dozens of markets after some intense competition in northeastern cities among stations vying for its market exclusive rights, debuts Sept. 6. Mirsky's last day at WPLR is Sept 5. Ten-year station kingpin/Production Director John Griffin has been named Interim PD. Candidates interested in filling Neal's shoes should contact him by Sept. 5, or get in touch with GM Manuel Rodriguez.

NBC has upgraded Manager/Program Administration NBC Radio Entertainment Andy Denemark to Director/Programming The Source NBC Radio Entertainment, replacing Frank Cody who's now ensconced at KMET, L.A. Andy, who joined NBC a month after its foray into rock radio networking with The Source in 1980, told FMQB, "The Source and NBC Radio Entertainment have always been two of the most creative and innovative things happening in radio, network and otherwise. It's great now, not just to contribute ideas but to be in a position to make decisions that will continue that innovation and creativity. It's also great to see that NBC does deliver on their promise of promoting from within. You never know with these big companies..."

DIRT ALERT!

FORMAT DEFINITION OF THE WEEK:

"Top 40 is Music of the Last Six Weeks of Your Life"---B/A/D/E's Dave Logan

SKYBOY (KMET) AND BEARMAN (WFBQ) RELINQUISH PROGRAMMING DUTIES. BOTH RETAIN AIRSHIFTS.

Sky Daniels has resigned as KMET, L A Asst. PD to concentrate on his 10p-2am airshift. The Asst. PD position has been eliminated, as the Mighty Met restructures its programming department. "There are a lot of changes -- evolutionary changes, not revolutionary changes -- that will come in time," sez new PD Frank Cody. One of those changes is the addition of former WNBC, N.Y., staffer Paul Goldstein to head up KMET's production department.

Health considerations have led the Bearman to resign as WFBQ, Indianapolis PD. Bearman, who is top rated 12+ in 2 of the last 3 books, will continue in afternoon drive. Meanwhile, the search is on for the animal to follow in the B-man's pawprints. VP/GM Chris Wheat told FMQB he's looking first from "within the company. That's one thing. Secondly, we're looking for a candidate that knows how to run an album station that has the personalities of Bob and Tom, and the numbers that go along with that; someone that is in tune with our audience."

DIRT MERCHANTS

MD Paul Shugrue adds wake up duties at WRXL, Richmond effective Sept. 1. The line-up readjustment has Shugrue moving from 10-noon to 5:30a-10a, as Dick Hungate takes over 10a-3p, and Brian McFadden slots into afternoon drive. Nights and overnights remain the same. In reflecting on the changes, XL PD David Grossman told FMQB, "The Zoo concept is getting a little tired, and the audience feels the humor is becoming a little too juvenile. People are finding it more entertaining to listen to a relatable personality that gives them the info they need and relates to the music, as opposed to the yuk a minute Zoo approach."

Looks like former KSRR, Houston, morning man Moby will have to modify his infamous "git yer lazy asses out of bed" line, now that he's taking on afternoons at Dallas Top 40 outlet KEGL, beginning Sept. 1.

The new Prodo Dir at KISS, San Antonio is Andy Schuon from "under the free way" at KZEP. Jeff Pollack is no longer consulting KISS.

K.C. classic rocker KCFX has lost PD Greg Stevens to mornings at San Diego AC KGMG.

Chrysalis has enlisted A&M Exec. Director A&R John Carter as VP West Coast Operations.

Promotion, marketing and distribution of most Jive Records product is now handled by RCA/Ariola. Arista previously had the Jive licensing deal. Look for RCA to announce a P&D arrangement with a West Coast-based independent label soon.

Moody Blues synth man Patrick Moraz and ex-Tangerine Dreamer Michael Hoenig will be among the artists in the first releases from Cinema Records, the newly formed progressive label piloted by Denny Somach and Larry Mazer.

WE STAND CORRECTED: Burkhart/Abrams new psychologist Dr. Perry Buffington is not a socialist. In fact, he believes in Mom, apple pie and he can lip sync all the words to "Yankee Rose".

STATION TO STATION

WHMD's Ron Chapman has exited as PD due to "philosophical differences with management." Asst. PD/MD Kliff Kahuna remains in his present position. More info coming soon. Watch this space.

Also in the "we don't see eye to eye" department, Pete Michaels has resigned as KTTZ, Tuscon MD due to conceptual differences with management but remains with the station for morning drive. Owner Ted Tucker is serving as PD/MD for now.

Dana Horner has been named VP/GM of WLLZ, Detroit. Horner's appointment comes on the heels of his resignation as president of Fairwest Enterprises, Inc., and a four-year tenure as VP/GM of KLSY AM-FM, Seattle.

WSBW MD/morning personality Mickey Milner now also serves as PD following the departure of PD Bill Taylor two weeks ago.

Springfield, MO rocker KORX is hoping to be back to the airwaves in a week to 10 days. The station stopped broadcasting on July 15 because of financial difficulties, which have since been resolved.

Alex DeMers no longer consults WIOQ, Philadelphia.

Cliff Nash exits as WPYX, Albany Promo Director/midday man.

Joe Marino has been promoted to weekends from overnights at WAQY, Springfield.

Former KQRS, Minneapolis, personality Bryce Krowser now handles KQDS, Duluth, nights.

Kimberly Douglas is new to WZZO, Allentown nights, replacing Joe Morgan.

Dan Michaels exits overnights at The Loop for 6-10PM air at WCKG.

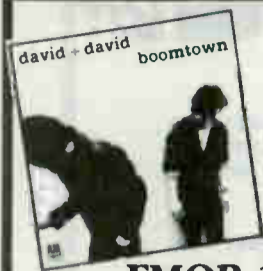

CHEZ, Ottawa middays now belong to Dave Kittle.

Afternoon driver Dave Fortney assumes PD duties at WKLTV, Traverse City effective Aug. 28, as GM/PD Chuck Poet remains as full-time GM. Asst. PD Terri Ray remains with the station in the newly created Promotions Director post, and will continue to help with the music duties. Fortney will be available for music calls Mon. & Tues. from 10 'til 1PM. Sez Chuck, "If you have any great ideas, don't hesitate to call."

LOU O'NEILL JR. REPORTS that Capitol Records went "full-tilt boogie" last week with a party for Paul McCartney at Radio City Music Hall. Just about all of the media movers were there. Kudos to Capitol Records for bringing so many heavies together at one time, under one place, to see one artist. Understandably, Capitol President Don Zimmerman was on hand to show Paul just how happy Capitol is to have him back in the fold, as well as to mention the great job the Capitol local staff did in putting the whole affair together. Special praise should go to East Coast Public Relations Director Dorene Lauer, and her second in command, Nancy Farman. Capitol did a terrific job, and made it an unforgettable affair. Having had several days to think about his question, Lou O'Neill Jr. asked McCartney when he had his opportunity to go one-on-one with him "I know you think of John inwardly, Paul, but is there any particular time when you think of him more than others?" McCartney looked O'Neill straight in the eye and said, "That's a tough one to deal with, but I think of John all the time. It's strange. Sometimes I'll think of him when I'm riding in the car, and alone; and other times, I'll think of him when I'm playing my music. But then there'll be the time I think of him for no reason at all." McCartney looks terrific and belies the fact that he's 44. Except for gray hair, he looks like he's 25 and ready to rock 'n' roll again. P.S.: And speaking of rocking again, don't rule out an American tour. Lou O'Neill Jr. reports that Paul and George Harrison are getting along better than ever, but this much is certain, if and when Paul ever plugs in his Rickenbacker bass again, his better half, Linda McCartney, will not be involved. Linda will no longer perform rock 'n' roll music onstage -- and that's a world exclusive!!!

IT NOW APPEARS a virtual certainty that Rod Stewart will reunite The Faces for a major U.K. tour, and then maybe on to America, too. It looks if Ron Wood, Ronnie Lane (feeling much better in his battle with M.S.), and former Who drummer Kenney Jones will be involved. Will The Faces be rocking before the first snowfall of 1986? Why is Rod Stewart doing this??? Well, it's no secret the reunion tours of '86 (Monkees) have been doing SRO every stop along the way. Insiders are whispering that Tom Petty and Bob Dylan turned down a guaranteed two million dollars a week near the end of their "True Confessions" trek.

DIRT ALERT!

TERRY MARSHALL'S DAILY INSIDER, 708 Cole Street, San Francisco, CA 94117 - (415) 564-5800

QUIET RIOT: Quiet Riot are introducing new member Chuck Wright on their third extensive U.S. tour. The tour will play the U.S. for several months before heading to Canada, Japan and Latin markets. Keel will be the opening act on the first leg of the Quiet Riot Tour.

PINK FLOYD: Two of Pink Floyd's members, David Gilmour and Nick Mason, are set to release a new album without Roger Waters. Waters has said frequently that he will not work with them again. A legal battle is likely if the pair release the album under the old Pink Floyd name.

SCORPIONS: The Scorpions are playing to over a quarter of a million people on a three week, european tour they began August 16th. After the tour, they'll return to Hanover to resume work on the album they're planning to release in 1987.

NEW YORK METS: The New York Mets have a record and video coming out. Taking their cue from the Chicago Bears' "Super Bowl Shuffle," which sold 240,000 copies, the Mets are releasing, "Let's Go Mets." The video will feature all the members of the team as well as New York Mayor Ed Koch and Joe Piscopo. In addition to the song, it will contain footage of the season, interviews with the players and a segment on the making of the video.

STUDIOS SAY NO ROOM FOR NEWCOMERS IN SOUNDTRACK BIZ: Movie soundtracks are once again the hottest sellers on the charts, but two film executives say soundtracks are no place for a newcomer to launch a career. Steve Bedell of Paramount and Gary Le Mel of Warner Brothers told a national academy of recording arts and sciences luncheon in Los Angeles that only stars are wanted for soundtracks because their songs will be accepted more easily by radio and the public than those performed by unknowns. John Parr's "St. Elmo's Fire," success was cited as an exception to the "Superstar Only" rule. But the exec pointed out, there's usually only about six weeks to break a song from a soundtrack and neither the studio nor the record company is willing to spend the time and money to promote it unless there's a good chance both album and movie will be hits.

KANTNER TRIO TO RELEASE NEW LP NEXT MONTH: The Kantner-Balin-Casady Band will release their first single on Arista Records September 15th, with their debut album, tentatively titled, "Seven," due a week later. John Boylan, who has worked with everyone from the Boston album up to Animation's hit, "Obsession," is putting the finishing touches on the lp. Kantner has written two tunes for the album, "America," and "Mariel." The K-B-C Band is planning a tour to follow the album's release. Meanwhile, Kantner has finally sold the San Francisco mansion that housed Jefferson Airplane/Starship members and offices over the years. After a year on the market and a \$100,000 price reduction to \$695,000, it was finally to a cult, which paid cash.

SIMPLE MINDS: Simple Minds recorded the final shows of their year long world tour in Europe and plan to use them on a double live album. As reported earlier, they're planning a six month break once the live Lp is complete and probably won't be back in action until 1988.

GENESIS: The first leg of Genesis' world tour which begins in September and runs through June of 1987, will consist of only five cities in North America, with the band playing three to four dates in each one. Confirmed so far are the Joe Louis arena in Detroit on September 18 & 19; C-N-E Stadium in Toronto on September 21st; The Forum in Los Angeles on October 13th and 14th; and Oakland Coliseum outside San Francisco on October 19 & 20.

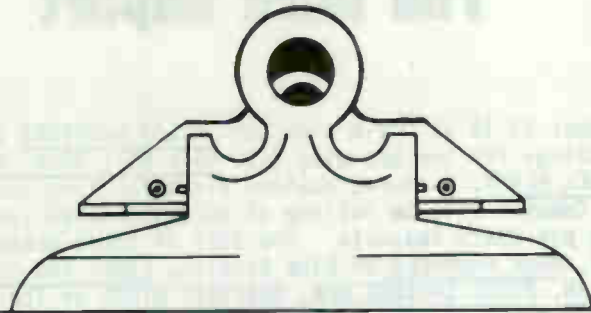

ONE ARMED DRUMMER MAKES CONCERT DEBUT WITH DEF LEPPARD: Drummer Rick Allen performed in concert with Def Leppard at a rock festival in England for the first time since he lost an arm in a car accident two years ago. The one-armed drummer played an hour long set with Def Leppard at the "Monsters Of Rock--Castle Donington Festival." Allen abandoned plans at the last minute to use Status Quo drummer Jeff Rich to help him and instead played his special, \$150,000 computerized drum kit alone. The 60,000 fans at the festival roared their approval and called the band back for two encores. Singer Joe Elliot called Allen's performance "A great comeback," and added that Rick has already recorded tracks for Def Leppard's long overdue new album.

LAUPER SHOWING "TRUE COLORS" ON NEW RELEASE: Cyndi Lauper does a lot more than just sing on the new album she has coming out September 18th. Lauper co-produced "True Colors," co-wrote six of the 10 songs, acted as co-art director for the jacket, and helped with the concept for the first video. However it's still far from a solo effort. Lauper is joined by the Bangles, Pee Wee Herman, 'til Tuesday, Nile Rodgers, Adrian Belew, Billy Joel and songwriter Ellie Greenwich. On September 10th, Lauper will begin her first concert tour of the far east, twenty shows in Japan and Australia, including a four night stand at the Budokan in Tokyo and 11 shows in Australia.

NIGHT RANGER MEMBER MARRIES: Night Ranger's Jeff Watson strolled down the hill to a park near his Marin County, California home and married his girlfriend, a photographer named Rebecca. About 200 family members and friends crowded around a gazebo to hear the couple exchange vows that had been written by Jeff's father. A three piece band played the wedding march. The non-traditional ceremony was followed by a traditional barbecue--and volley ball game. There will be no real honeymoon because Night Ranger is too busy working on its next album. Watson's marriage leaves only one eligible bachelor left in the group--Brad Gillis.

BILLY SQUIER FINISHING NEW ALBUM: Billy Squier is readying his upcoming album in a New York studio. Tentative title for the new work is "Enough Is Enough." Squier says the Lp is about "Exhilaration in conflict, the thrill of struggle." Squier began writing the music for the new record a year ago after a trek through the Himalayan mountains. He set up his portable studio on the shores of Long Island sound and recorded the demos. Producer Peter Collins then joined the project at studios in both New York and London. Squier is currently finishing the mixing in New York for a release in late September.

CHOICE OF PRODUCER HELPED MOODY BLUES SCORE HIT SAYS HAYWARD: Justin Hayward credits former David Bowie producer Tony Visconti with helping the Moody Blues get their latest hit records. And, Hayward says, the fact that two out of the three albums they've recorded since their 1981 comeback have been hits should prove to people that the venerable english band is here to stay. Hayward explained the difference Visconti made this way: "He chose the material. He's also a musician and an engineer. He was able to do many things to we were able to cut down on the number of people working on the album." Hayward also says the change in the music probably contributed to the success of "The Other Side Of Life." "There was more emphasis on drums, bass and guitar," he says, "And the music was harder and punchier." Hayward acknowledges that after their 1983 album, "The Promise," stiffed, people wrote them off as history. "That's happened whenever we've faltered on an album," he admits. "And, as we get older, they figure we have less of a chance of coming back. But we keep proving them wrong." The success of "The Other Side Of Life," and the hit, "Your Wildest Dreams," has enabled the Moody Blues to extend their summer tour of America.

The Rock Report

St. Louis is the place to be October 13-16 as movie director TAYLOR HACKFORD (An Officer And A Gentleman) will be in town to shoot film footage for the upcoming film HAIL HAIL ROCK 'N' ROLL. The movie, which tells the tale of legendary rocker CHUCK BERRY, features musical direction from two of his biggest fans, KEITH RICHARDS and ROBBIE ROBERTSON. Cameras will be rolling at an undisclosed location as some of the music industry's biggest names come to pay their respects. The list of those asked to participate includes ERIC CLAPTON (who has already agreed), MARK KNOPFLER of Dire Straits, EDDIE VAN HALEN, JERRY LEE LEWIS, MICK JAGGER, BILLY GIBBONS of ZZ Top, BOB DYLAN, BRUCE SPRINGSTEEN, CHRISSIE HYNDE of The Pretenders and TINA TURNER. Apparently these artists have been asked to make a cameo appearance in the film or at least participate in the rumored concert scheduled to take place honoring Berry. If a live performance happens, it is doubtful that it will be open to the paying public, but tickets will be given away to lucky winners via some sort of contest.

Contrary to rumors, EMERSON, LAKE AND POWELL have not cancelled their U.S. tour. The band simply postponed four Southern dates in order to make the video to their second single, "LAY DOWN YOUR GUNS". The clip was shot by a video crew which has been accompanying the band throughout their American jaunt. We can look for a full-length Emerson, Lake & Powell home video encapsulating music and behind the scenes footage around Christmas.

BOB DYLAN, who cannot be accused of being idle in 1986, recently lent his rapping talents to one KURTIS BLOW. Dylan appears on the funkster's upcoming album "KINGDOM BLOW" on a rap tune called "STREET ROCK" which is due from PolyGram on September 8. The Dylan song will not be the single however, as that honor goes to a tune called "I'M CHILLIN'" featuring TROUBLE FUNK.

We spoke earlier about ERIC CLAPTON. He is scheduled to appear in St. Louis for the movie HAIL HAIL ROCK 'N' ROLL, but he is also in the midst of completing his follow-up album to 1984's "BEHIND THE SUN". Clapton has chosen to cover blues legend ROBERT CRAY's tune "BAD INFLUENCE" on his new Lp. Cray, meanwhile, is gearing up to release his new album on October 18 via PolyGram, which he will follow-up with some West coast dates and a trip to Europe. Cray formerly recorded three albums with Hi Tone Records.

You fans of the Tuesday night ABC line-up, more specifically, MOONLIGHTING, will be pleased to know that BRUCE WILLIS has been signed to Motown Records. If you already knew that, then you'll be happy to know that work has already started on his debut album. Recording under the moniker of BRUNO AND THE HEATERS, Willis is covering some classic Motown tunes, and recording some of his own material which he co-wrote with producer/friend ROBERT KRAFT. No one is saying what Motor City hits the man plans to cover, but we can expect the album sometime after the first of the year. Willis, an accomplished harmonica player, is teaming up with the N. Hollywood bar band THE HEATERS (hence the album title) whom he met on a recent night out on the town. The debut record is, according to those who are familiar with it, a real party album (no word yet if Seagram is providing the beverages).

With the success of MADONNA's song and video "PAPA DON'T PREACH", actor DANNY AIELLO, who portrays Madonna's father in the clip, has decided to record his own song. The single, which was his mother's idea, is an answer to his daughter's dilemma of a teenage pregnancy and goes under the title of "PAPA WANTS THE BEST FOR YOU". Aiello has no record label, but somehow enlisted the writing talents of ARTIE SCHROECK, who pens tunes for the likes of FRANK SINATRA, to write the song. We'll have to wait and see if Madonna will appear in the video.

The multi-talented duo of GODLEY AND CREME is currently paired up in New York on a number of projects. One of them is a new video for an old song by The Police. STING and company have re-recorded "DON'T STAND SO CLOSE TO ME" for their forthcoming Greatest Hits album, and have enlisted KEVIN and LOL to edit the clip. No word yet as to when we may see the new video. In the meantime, Godley And Creme are working on their new record, the follow-up to last year's critically acclaimed album which spurned the hit single and video, "CRY". The new record will be out on PolyGram after the first of the year.

BANANARAMA kicks off a video club tour this week in Boston that will last through the end of the month. The girls will not be playing live, but will accompany a collection of their videos to various venues around the country. When they wind up the eleven date tour, they will head to Los Angeles and shoot a second video from their most recent album "TRUE CONFESSIONS".

News From Rock Over London

It looks like a truce in the war between the TV companies and the IBA over payment for the use of music videos. But the terms of the individual agreements the companies have arrived at with the IBA are being kept pretty secret. It is known, though, that the deals are being struck based on the type of programme, and exactly how much video music is to be used in each.

The April-June period was a landmark time in British record-buying trends, because new figures from the BPI reveal that for the first time ever, cassette sales were greater than those of albums. 12.6 million cassettes were sold, some three million ahead of the number of albums. Lp sales were down 5.6% on the same period last year and those figures, together with the continued buoyancy of compact disc sales, will fuel the argument that the vinyl record really is on the way out. The good news,

though, is that total sales of all pop music formats for the period were a very healthy 17% up on last year. And an update on the whole thing: album and cassette sales in July were running higher than last July, when Live Aid came along and gave everything such a boost. To improve on that really is something.

As it is for albums, it's also a pretty depressed market for Britain's consumer music press, almost all of which suffered setbacks in the new circulation figures just announced. Even the almighty Smash Hits saw a small drop, but that fortnightly, teen-oriented magazine remains streets ahead of the competition with sales still running at more than 500,000 per issue.

THE DAMNED, those bastions of punk who 10 years on are still having hits, have announced a major U.K. tour beginning in October. This week they appear on the "Rock Around The Dock" TV special in Britain accompanied by the Royal Philharmonic Orchestra. We're trying to work out which of them must have needed the money more.

It's official: BAND AID raised more money in Great Britain during the last year than any other charity. And still with charities, producer MARTIN RUSHENT has organized a massive fund-raiser to take place this week at his studios near Reading, in aid of research into Sickle Cell Anemia. This is a follow-up to the charity record made recently by PEOPLE IN PROGRESS, featuring PAUL WELLER, LEVEL 42, TOM ROBINSON, the THOMPSON TWINS' TOM BAILEY and many top soul stars. Rushent has organized the day into three parts: the first will feature local bands, the second will star artists on the Vindaloo label plus the new band formed by SIMON TOWNSHEND, and the finale will feature any of the attending stars who want to join in. At writing, that included the STRANGLERS, GENERAL PUBLIC and others.

PAUL McCARTNEY's film of the life and times of his hero BUDDY HOLLY is out on video in Britain next week to coincide with what would have been Buddy's 50th birthday on September 7. The film runs 90 minutes and includes rare film and music of Holly plus McCartney, the ROLLING STONES and more.

Rock Over London's recommended albums of the week have to be WORLD PARTY's "Private Revolution" (it's on our playlist this week, more details there) and "The Big Lad In The Windmill", the debut by IT BITES, who've been number one in the Rock Over London Top Five for two weeks with "Calling All The Heroes". The Lp is more of the same punchy, impressive pop-rock, excellently produced by ALAN SHACKLOCK.

Cover versions of "My Generation" and "Satisfaction" by MANFRED MANN? Yes, they did happen, nearly 20 years ago in fact, and they're now available again here with the re-release on the See For Miles label of "Soul Of Mann", an instrumental Lp by the Manfreds that first appeared in 1967.

OMD, whose new U.K. single "(Forever) Live And Die" is out this week and featured on Rock Over London, have announced that they're now officially a six-piece band, with the addition of Scottish brothers NEIL WEIR on trumpet and bass and GRAHAM WEIR on trombone, keyboards and guitar. Their album, which they've been recording in Paris with STEPHEN (PET SHOP BOYS) HAGUE, will be out at the end of September and they'll shortly announce details of a world tour.

DEAD OR ALIVE return with their first single in almost a year in a couple of weeks, "Brand New Lover", with a live version of their '85 hit "In Too Deep" on the B-side.

WHAM, LEVEL 42 and the STYLE COUNCIL all feature on a new compilation aiming to make the most of Britain's long, hot...no, make that short hot summer. "A Taste Of Summer" includes GEORGE and ANDREW's "A Ray Of Sunshine" and Level 42's "The Sun Goes Down" among some more soul-flavoured selections.

STATUS QUO, in the Rock Over London Top Five briefly recently with the DAVE EDMUNDS-produced "Red Sky", have their "In The Army Now" album out this week and have announced details of their first British tour in two years. It'll run through most of December.

THE LOVER SPEAKS, whose "No More I Love You's" is breaking in Britain and featured on Rock Over London last week, are continuing to impress the famous. The duo were discovered by DAVE STEWART, produced by JIMMY IOVINE and now we hear that ALISON MOYET wants to collaborate with them. It's no coincidence that Alf's new album is also being produced by Iovine. There's a possibility of a duet between Alison and The Lover Speaks' DAVE FREEMAN.

With CULTURE CLUB's future so uncertain, drummer JON MOSS has made at least one alternative arrangement: He's advising a new band called THE GHOST BROTHERS, who've put \$9,000 of their own money into recording what they hope will be their first single. Moss is convinced they'll be next year's big thing.

PRINCE's WEMBLEY shows certainly brought the stars flocking to see his first U.K. appearances in five years.

PHIL COLLINS was there clapping along with the best of 'em and the last night featured Prince's version of THE STONES' "Miss You" with guest appearances by RON WOOD and STING.

MADONNA's six-week run atop the U.K. album chart with "True Blue" is finally over--but it took the combined might of more than 30 recent chart stars to shift her. "Now That's What I Call Music 7" is the recent-hits compilation that did the trick, debuting at number one and pushing Mrs. Penn down to two (does this make it a Penn-pusher?).

LIONEL RICHIE could only manage a number three entry (only!) but by far the most spectacular achievement was that of JEAN MICHEL JARRE, who in the wake of a TV special saw his "Rendezvous" album leap from 76 to 9. DARYL HALL entered fairly modestly at 26.

ELVIS COSTELLO, not content with his Spectacular Spinning Songbook adventure in November, has also announced that he'll be playing six nights at London's Royal Albert Hall in January.

BIG SOUND AUTHORITY, who scored last year with "This House (Is Where Your Love Stands)", return with a new single next week entitled "Don't Let Our Love Start A War".

WHAM have the video of their 1985 visit to China released this week, entitled "Wham! Foreign Skies--The Video Of The China Tour". It runs 62 minutes and will have a recommended price in the U.K. of \$14.99.

LIGHT A BIG FIRE, the group we namedropped a few weeks back, have their debut single out this week: "Charlene". It's got a hard rock edge to it but with lots of good, melodic vocals too. The band are produced by CRAIG LEON, who also produced DOCTOR AND THE MEDICS' two British hits and the new single by the POGUES.

OPEN FORUM

The FMQB Album Report is introducing a new section designed to bring forward your ideas, opinions and general happenings. Open Forum will consist of fixed and rotating features, each distinct in their own right. Our objective is to be as variably dynamic as possible, yet also incorporating a degree of predictability to permit you to "plug in" to a specific feature as you deem it necessary. Whether it be excitement over a new release (RIGHT ON!), a hot promotion or event (RADIO SCAN), exercising your interviewing talents (FACE-OFF), or offering your personal editorial (SOUNDING BOARD), feel free to use this "soap box" outlet to express yourself!

RIGHT ON! (Exhibiting album radio's spontaneous response to new releases.)

CHICAGO

AL BRANCA, WMGM: Ever see a match burn twice? Remakes of "Venus", "Glad All Over", etc., etc. I'm glad to see the group take the initiative and cover one of their own hits. And why not, it was their song to begin with? I'm not putting down cover versions by other artists. For instance, John Cougar Mellencamp's "Under The Boardwalk" sounded great, timing was perfect. What I like best about Chicago's "25 Or 6 To 4" is its very broad appeal. It's highly recognizable to upper demos and hip enough for your younger listeners. Production is superb, the mix excellent with strong vocals, Phil Collins-like percussion and funky horns. "25 Or 6 To 4" is a hit once again. An out-of-the-box add at WMGM. Could this be the start of a big trend?

PETE TOWNSHEND

PHIL THOMPSON, KICT: For a man who once said, "I would rather be dead than perform 'My Generation' when I'm forty," Pete Townshend's lust for performing live seems to be greater than ever--and it comes across on vinyl with the four-song Ep from his Brixton, England Deep End Concert. His huge band and energetic performance breeds new life into some already great tunes. Since this will only be available to the public on video cassette, any album station not playing at least one of the four tunes on his Ep is depriving its listeners of some of the best live music of the year.

PAUL SIMON

RON SORENSON, KBLE: Paul Simon's concept of "Constructive Engagement" makes a lot more sense than Ronnie Raygun's. Although not an overtly political album in terms of content, Simon's association with black South African music and musicians makes a statement in and of itself. Of course, it don't mean a thing if it ain't got it in the grooves, to mix a metaphor, and luckily "Graceland's" got a groove like the Grand Canyon! It's good!

BLACK 'N BLUE

TOM SCHEPPKE, KISS: First there was "Hold On To Eighteen", which should have been a smash. Then there was "Miss Mystery", which took them that much further. Now there's "I Want It All, I Want It Now". This one's guaranteed to kick down the door. These guys have got the right sound and the right attitude, but people's heavy metal stereotypes are getting in the way of some great music. The Gene Simmons' touch of co-writing, production and back-up vocals on this track makes it a goner!!

THE CALL

PAM EDWARDS, KGB: The Call is a great example of what AOR is eternally looking for. They've got a unique and immediately distinctive sound, and they're not one-hit wonders. They've been one of our best-selling and best-testing bands this year. "Oklahoma" is the third successful track from "Reconciled" -- already getting the same positive results as "I Believe" and "Everywhere I Go"!

SOUNDING BOARD (You've got the floor...!)

John Schoenberger
V.P. Album Promotion/MCA Records

For quite some time now, I have heralded the return of the "New Era of Progressive Rock". Well, all you have to do is look around you and listen, and it becomes very obvious that it has already begun. The entire "Woodstock Generation" is going through a rediscovering, albeit a repackaging, of our explosive youth. Everything that is being refocused for us today is put in a nostalgic and positive light. If we go beyond that start, it can allow us to remember the importance and commitment we all shared at that time. The cultural explosion that occurred was dramatically and inextricably represented by the music. Through our music, we were able to realize the power of mass media to change the world! Indeed, it took the power of music to make the Live Aid Concert such a staggering success in reaching a billion+ people around the world.

Dream Syndicate, R.E.M., What Is This, Eurythmics, U-2 are just a few examples of a growing roster of young artists that truly are a re-synthesis of what our music's power and message was all about. We have often heard that there will never be such a progressive and explosive era of popular musical expression again. I disagree. Not only are the bulk of the progressive era's bands still actively proving their legitimacy and integrity, but more importantly, there now exists the same type of atmosphere to fuel the new progressive era. Let's not let our heritage become just a commercialized, computer synthesized vision of what it was. But rather, let's retap the energy and beliefs again and pass them on. Music will always be the common voice for us all. It's still the best way for us to ensure that we will all have the future we dreamed of.

EDITOR'S NOTE: Just prior to print time John Schoenberger resigned his position as VP Album Promotion for MCA Records. Please see Dirt Alert for more information.

One of new wave music's original pioneers has a new look, a new album, and a new movie. Former **BLONDIE** singer **DEBBIE HARRY** will be releasing her first album in five years on October 20. They're live versions of songs Pete has never recorded before, including "After The Fire", a song **ROGER DALTRY** recorded last year, and an acoustic version of the **ENGLISH BEAT** tune, "Save It For Later".

INTERVIEWS

PETER CETERA: "I think anybody in a group structure sooner or later wants to say, hey, I wonder if I could kind of go out there on my own. And the opportunity came and I took it. They're (Chicago) finishing up their album right now and they're going on tour, and I'm having a good time, so I think everything is gonna work out good in the end."

 Report

POLYGRAM PRESENTS Question Of The Week

Given the opportunity, who in the field of Album Radio/Records would you like to interview, and why?

- ALAN WHITE, KILO:** "I'd love to talk to somebody who you never usually get a chance to talk to - the Clapton's, the Jimmy Page's, Jeff Beck's, the people that have really made a difference in music."
- KAREN ANDERSEN SMALL, WGIR:** "I would have to say Scott Muni. Because I grew up with WNEW-FM and I remember him from many, many years ago when he had his Scotland Yard show on WABC. The fellow's been around for a while and must have some pretty good stories."
- MARTY JENCIUS, WPGU:** "I would like to interview David Byrne, because every interview has been fascinating. More so than interview him, I'd just like to have lunch with him."
- DAVE KANE, WCMF:** "I'd like to interview all the national promotion heads for all the major record labels. I would want to know what they really say about the stations that don't/won't play their record."
- RON WOODWARD, KFME:** "Billy Gibbons from ZZ Top. I would like to ask him the reason for the name, where did he get the name and I'm sure he would just smile at me."
- BONNIE STACY, KNCC:** "Mr. Recordhead. He seems like a real smart ass."
- JAY LOPEZ, WWV:** "I would like to interview Peter Gabriel because I would like to find out what he's all about and what he thinks when he puts his skills together."
- J.D. STONE, WTKX:** "Scott Muni due to the fact he has been in album radio since its inception. He's a highly respected individual, both within radio and records. Artists tend to have an excellent rapport with him so, Scott, when you read this, give me a call. Signed, your biggest fan."
- JIM STEELE, WIOT:** "John Hammond of Columbia Records because of his influence on finding new artists. His history would be self explanatory."
- KATHY SCRUGGS, WUVA:** "Phil Spector because he's so mysterious and I would like to know what his philosophy of record making is."
- MARK WILLIAMS, WWZ:** "George Thorogood. Why? Because George seems like one hell of a good time. I think we even like the same beer."
- ANDI TURCO, WPYX:** "First of all, Scott Muni because I grew up listening to him and also one of the most colorful promotion men in the industry, Merv Amols from Capitol Records. The list could go on and on but..."
- MARTY BENDER, WSKS:** "Any general manager at any semi- or unsuccessful FM radio station in Cleveland. I'd really like to find out why they won't go AOR."
- ELLEN MCKINNON, WEQX:** "In the field of records I would like to interview Brad Hunt or J.B. Brenner because I really think I could learn something from them. Their jobs seem huge in scope. In the field of album radio, I'd like to interview Lin Brehmer with about 4 six packs of Heinekens on the table. I haven't seen the guy in so long, I'm sure I could learn something new from him."
- RANDY STEWART, WBGK:** "I would like to interview any of the national promotion people to get some candid answers on the payola scandal if they'd be willing to give them."
- TED HABECK, WMRY:** "In records it would be Judy Libow of Atlantic. Not that I have anything to ask her, but I like to look at her because she's such a great looking lady."
- TOM EVANS, WIYY:** "Rad Messick, because I still owe him money from a golf game nine years ago when we worked at a station that we don't even list on our resumes anymore. I figure with interest and penalties I owe him six figures by now. After he reads this maybe we'll settle this debt by my buying him a beer in New Orleans. And if he's unavailable, then I'd like to interview Bill McGathy so that I can convince him that his egg sucking Crimson Tide can't hold my Vols' dirty jock strap!"
- JIM JONES, KMOD:** "Christina at Geffen because she's on the ball and very knowledgeable and has a pulse on the music of the eighties."
- PATTY MARTIN, KMBY:** "Oedipus. I've always had a fixation or is it a fascination with WBCN. I wish I could move the station to the West Coast."
- JENNIFER GROSSBERNDT, WRAS:** "Robyn Kravitz, mostly because as a woman I admire her accomplishments - the way she handles herself in business, her enthusiasm for music and for her fantastic personality."
- STEVE BECKER, WKFM:** "Growing up as a radio junky, there would probably be two people that would come to mind that I would find interesting to interview. One, I guess, you could call a legend in New York and that's Scott Muni. And another is Alex Bennett who used to be on radio in N.Y. and is in San Francisco. Between both of them, I'm sure there's enough anecdotes to fill a few volumes."

QUESTION CONTINUED

RALPH TORTORA, WBAB: "Oedipus. To find out how 'BCN does what it does so-o-o well!"

BILL WESTON, WIXV: "The album rock dream team of Mark Knopfler on guitar; Joe Jackson on keyboards; Bryan Ferry vocalist; and Pete Townshend roadie...It would be fun to interview one of the old greats like Gordon McLendon; Cecil Heft or Todd Storz...I'd like to be interviewed by NBC's rude Rona Elliott or Jane Pauly!"

GREG MULL, WXRC: "I'd most like to interview Atlantic Records' Ahmet Ertegun. I'm impressed with the way he was able to bring the great black artists out of Memphis and into the forefront. He also had the sense to save the Stones by bringing them to his label and making them put out 'Sticky Fingers'. Most record company chairmen are not as accessible as Ahmet is. He's very involved in the day to day business of running a record company, is visible, was involved in the Rock 'N Roll Hall Of Fame, etc.!"

DUANE SHERMAN, WTOS: "I'd like to interview George Harrison."

CHUCK BROWNING, WIOQ: "David Bowie. I have a great admiration of the growth in many different directions the man has taken over the years. His music has grown. If I was a rock star I might not do it the way he has. I don't always like his music, but I admire him."

DAVID ANDERSON, WMAD: "I'd like to interview Bob and Ray and talk to them about the fine programming on the Findley Quality Network."

TOM TEUBER, WMAD: "I'd like to interview Patti Smith. I first interviewed her 8 years ago and I'd like to pick up where I left off!"

RON SORENSON, KBLE-FM: "At the moment, I'd most like to interview David Crosby. I suspect he's got a fascinating story to tell, and one which might well benefit our listeners!...I'd also like to interview Stan Cornyn. His 'Rock Morality' speech was a major influence!"

DON BERNS, CFNY: "I would like personally to interview Howard Jones who has actually been on our airwaves a couple of times in interview situations--so let's make that! I would like to have dinner with Howard Jones--I'll even treat!...The only other name that comes to mind immediately is Sting, who, I think, would be fascinating on-the-air...I'd like to see an in-print interview by Dave Marsh with Stan Gortikov and Frank Zappa...As far as me being interviewed, I would be happy with anybody who is not a musical snob and who knows what radio is all about, as opposed to what his/her personal and ascetic likes and dislikes are...If I had the opportunity to interview anyone in this or a related business, John Hammond, Bill Graham and Scott Muni would top my list!"

PAM BROOKS, WPDH: "I'd love the chance to interview Peter Gabriel and Bruce Springsteen. Peter because he's so worldly and fascinating, and I'd like to find out what makes him tick--and Bruce because I've always been a big fan and I'd like to see what a woman can get out of him--interview-wise, of course!"

IVAR HAMILTON, CFNY: "Richard Branson of Virgin Records/UK who built a small chain of stores into the largest record conglomerate that is U.K.-based today...I think it would be interesting to see somebody interviewing Jello Biafra and Frank Zappa on the nation's issues of today...I would like to see something on Music Director's hi-fi systems--What do you listen to tomorrow's hits on? Are people willing to admit that they have a \$50.00 system that they are listening to tomorrow's hits on?"

MARK MILLER, WWCK: "I can't think of anybody that I personally would like to interview, but I can think of an awful lot of people I'd like to interview me!"

KEVIN VARGAS, KWHL: "Artists I'd most like to talk with in a casual non-interview setting would be John Cougar Mellencamp; Robert Plant; Jimmy Page; Ian Anderson; Elton John; or John Paul Jones (again)...Radio people who I'd have a few thousand questions for would be those highly respected pair of Ted's: Ted Utz and Ted Edwards! In both cases this is just an example of the desire to learn and become informed from someone who you highly respect in their field."

LARRY "THE DUCK" DUNN, WLIR: "Fred Deane."

TOM SCHEPPKE, KISS: "Mike Bone, 'cause he's my idol!"

WAYNE SUMMERS, WRCN: "Howard Stern--Just to see if I could insult him!"

RICHARD PACTER, PROMOTION IN MOTION: "Brian Wilson--Because I'd like to know what the hell happened!"

JON SCOTT, MUSIC AWARENESS: "George Gerrity--Because..."

NEXT WEEK'S QUESTION

As the summer concert season comes to a close, what was your favorite concert and what upcoming shows are you looking forward to?

1984 Elektra/Asylum Records, a Division of Warner Communications Inc.

"'Wild Blue Yonder' by The Screaming Blue Messiahs has that type of guitar lick that immediately grabs you by the ears and simply refuses to let go."

ON ELEKTRA MUSIC CASSETTES AND RECORDS

Radio Action

WNEW-FM, NEW YORK CITY, NY M.D.-MARK CHERNOFF: "The Pete Townshend cuts from the video are great! Early response to 'After The Fire' and 'I Put A Spell On You' have been very heavy duty positive...If you're looking for a little something different to play, get the British single of ELP's 'Touch And Go' and play 'The Locomotion'...Meeting Paul McCartney this week was the thrill of a lifetime. He and Linda were very friendly and chatted for over an hour (unfortunately no tape recorders allowed). Thanks to Arthur and Dave for setting it up...Many thanks to all at Chrysalis, particularly Mark Diller, for getting our live Icehouse show on the air. 300 guests and thousands of listeners were treated to over an hour of some great music...Our favorite cut on the Huey Lewis album is 'I Know What I Like'."

WHJY, PROVIDENCE, RI ASST. P.D.-GLENN STEWART: "First it was 'Twist & Shout', then 'Venus', now '25 Or 6 To Four' Hmmm, my finely trained instincts tell me that we're at the start of a new trend. Remember when it was medleys of greatest hits? Now it's just the hits...Ric Ocasek, of course, hit the airwaves without hesitation and we'll forgive him for using part of that old Bread tune 'Everything I Own'...Okay, I guess another 'Sports' album is a lot to ask. For me 'Fore' is a pleasant diversion, but will it have the AOR muscle that its predecessor did?...Pete Townshend's Brixton, England Concert is an interesting concept, and I'm most anxious to keep tabs on the video sales. Musically, the live setting and choice selections put Pete back to his roots, and that's a strong move...Record folks: 'HJY is now adding a Light category to its currents to: a) delve into current releases more thoroughly, b) slowly expose new music, and c) test out tracks we're debating on. These records will usually rotate a bit quicker than other currents - if they work well, they'll move up in rotation. If not, they may not hang around for too long. But I'm expecting good things from Great White's 'Face The Day'. It's building, mesmerizing hook should get phone results quickly."

WCCC, HARTFORD, CT P.D./M.D.-HARVE ALAN: "Got to see John Eddie last week. What a show. The future looks real bright for him...The Smithereens jump into heavy rotation this week based on early sales and top five requests...No great surprise. Eddie Money's doing fine, pulling large numbers of requests. The phones around 'CCC have been real active and it seems that this market is having a real positive reaction to much of the excellent new product that's out now."

WIYY, BALTIMORE, MD M.D.-CHRIS EMBRY: "Welcome Huey And The News. The three years between 'Sports' and 'Fore' were worth the wait. There are at least four hits on this album. 'Hip To Be Square' should make life easier for all of the hippies turned yuppies who traded in their VW buses for BMW's. It's a really hot tune. We've also gone with 'Whole Lotta Lovin' and 'I Know What I Like'. We'll deal with 'Jacob's Ladder' down the road. Chrysalis' Kevin Sutter must be like a kid on Christmas day...If the rest of Ric Ocasek's solo Lp is as strong as 'Emotion In Motion', Geffen has a platinum album on their hands."

KGB-FM, SAN DIEGO, CA M.D.-PAM EDWARDS: "Congrats to Chicago on achieving a feat nearly impossible-- duplicating the excellence of the original '25 Or 6 To 4'. The production is fresh and superb and where else can you hear horns like that on the radio anymore?...The Call continue to be a powerhouse band for us. As 'Oklahoma' develops into the third successful track off of 'Reconcile' it's time to realize that The Call have become a major staple for album radio...We dig deeper into the Eddie Money Lp this week and come up with the track 'We Should Be Sleeping'. It's a great rocker with those signature Money vocals...So what's with Huey Lewis and all those lyrics about love, fidelity, hard work and all those other great American virtues? He's even wearing one of those I.D. bracelets on the cover like we used to wear in 7th grade when we went steady. In any event, consider this one multi-platinum by the time Christmas is over. My fave is 'Hip To Be Square'...Check out Aviator's 'Frontline'. Even with the glut of products, this deserves a shot. And thanks to Jean and Kyle at PolyGram for a most wonderful slippery and wet summer evening. Of course I'm talking about the Bon Jovi party."

WHCN, HARTFORD, CT ASST. P.D.-BOB BITTENS: "After the overwhelming success of 'Sports', the question on a lot of minds had to be, what can you do to top this? Huey Lewis's answer to the query is a resounding 'Fore'. Throw away 'Stuck With You' and concentrate on 'Jacob's Ladder', 'Whole Lotta Lovin' and 'Hip To Be Square'. This album is going to be huge... It's a concept that was made for the 80's using a radio-only Ep to help sell videos to the public. I'm not sure I like being part of the plot, but it's great to have some new live Townshend to play...Who needs the Cars? Sounds to me like Ric Ocasek has a top 10 song all by himself... We're getting extremes at both ends of the spectrum on the Chicago remake. People either hate it or love it. We'll keep a close eye on the percentages...Thanks to Beth Rosengard for the tip on Timbuk 3. 'The Future's So Bright' is an instant reaction getter. Not to mention the fact that they have the most original name in rock."

WYNF, TAMPA/ST. PETERSBURG, FL ASST. P.D./M.D.-RON DIAZ: "I had a chance to listen to a couple of projects that will be coming down the pike soon. First is the new Wang Chung. This is so hooky, funky and so very fuckin' happening. Everybody have fun tonight, everybody Wang Chung tonight. I believe the new Wang Chung will be a top 5 record. 'Dance Hall Days' and 'To Live And Die In LA' set the band up, got them a bunch of fans and now the real deal is here...Next up, Gregg Allman - one track I heard is very reminiscent of 'Mellisa' with that trademark Gregg Allman crooning. The man still has a fantastic voice...David & David - welcome to the hit town boys. This record is absolutely exploding here. Big phones (curiosity and requests)...Ric Ocasek's 'Drive'- like new one is a smooth well crafted song. A couple of listens is all it takes. This one's a hit. No doubt about it...I didn't hear The Smithereens at first, but after continuous listening, I've grown to be a fan of 'Blood And Roses'...P.S.: Great Paul Simon performance on that 'Saturday Night Live' rerun...Younger demos are not only requesting Cinderella, but are buying it. Cindy's happening around these parts...Everybody seems to be giving up on Big Country, but it's working here."

KZEW, DALLAS, TX ASST. P.D./M.D.-CINDY BAILEN: "Talking Heads' 'Wild Wild Life' is my favorite song on the radio - either that or John Fogerty's 'Eye Of The Zombie'. Wait, no, 'It's Hip To Be Square' by Huey Lewis... Actually for some brilliant home listening, I've been knocked out by Paul Simon's 'Graceland' Lp...Timbuk 3 continues to get terrific calls. If there's anybody who hasn't heard it yet, I think it's going to be a real big hit."

KQRS, MINNEAPOLIS, MN M.D.-WALLY WALKER: "The Fabulous Thunderbirds were nothing short of fabulous last week in their sold out performance here in the Minne-apple. The T-Birds weren't as fortunate at the bowling alley the night before. The lean mean bowling maching known as the 'KQ Rockin' Bowlers' were challenged to show if we were 'Tuff Enuff' by the Thunder Bowlers. When the dust settled and the final pin had been crushed, the Rockin' Bowlers had 'Wrapped It Up' - two games to none. And Jimmy, you know we wouldn't have dropped your record if you had beaten us. So 'Look At That, Look At That', the Rockin' Bowlers prevail once again. Thanks to the T-Birds and CBS' Tom Genetti for the great time had by all."

WBAB, LONG ISLAND, NY M.D.-RALPH TORTORA: "Our listeners have already experience a dose of live Pete Townshend from the 'Brixton Concert' via the live flip sides ('Magic Bus' and the four star version of 'Won't Get Fooled Again'. Four star, even if he does forget some of the words!) Now there's more: 'After The Fire' is a natural and 'Barefootin'' is really catchy (great drums by Simon Phillips)...I might get laughed at but I really like the new Toto Lp. The only problem is it ain't hardly AOR. They have created an AC masterpiece!... 'I Know What I Like' and I like Huey! Congrats to him and the boys for getting the 49er's to sound so-o-o good. 'Hip To Be Square' is very cool, as is the acappella stuff...It's been a long time since I've truly enjoyed a full McCartney Lp and, although I don't love every track on the new album, I do like most of them, especially 'How Absurd'. That one sounds like it could have been on the 'White' album. 'Stranglehold', 'Footprints' and 'Move Over Busker' stand out, too. Thanks to Jerry Lembo and James Taylor for a great show at Jones Beach last week...I'm looking forward to the Eurythmics and Steve Winwood back to back this weekend... By the time you read this, I'll be sipping Pina Colodas with my main mouse, Mickey, in Florida. I return from vacation September 15th. Caio now!"

you!"

CENY, TORONTO, CN ASST. P.D./M.D.-DON BERNIS: "I'm blown away and so will you be when you see the Eurythmics in concert. In fact, I'd say everything was perfect about this one, from the costuming, staging and lighting (so simple it's brilliant), to the hot band and song arrangements ('Here Comes The Rain' and 'Who's That Girl' become totally different) to Annie Lennox who proves without a doubt that she has the best female voice in rock 'n' roll, not to mention one of the most powerful presences I've ever seen on stage. Needless to say, the 15,000 plus fans on hand were more than pleased as was the normally sedate David Stewart who was actually seen to crack a few smiles during the show... Two new records of important note this week: Elvis Costello And The Attractions are back and sounding better than ever with 'Tokyo Storm Warning' which should remind you of old Costello material and is certainly a complete turnaround from the 'Costello Show' material. And the Talking Heads 'Wild Wild Life'. What a song, and different enough sounding from the 'Little Creatures' Lp to show the depth this fine group have. Accessible? You bet! 'Wild Wild Life' is a sure, sure shot!... Also out of the box and real hot is the new Stranglers import 'Nice 'N Nice' which brings this outstanding group to new heights and may just be their ticket to AOR and CHR audiences... And if you're into imports, be sure to check out 'Heartland' by The The which is more than a bit reminiscent of 'Perfect' off the debut Lp. Great lyric, hot arrangement and super performance from Marty Johnson. It's good to have him back... Sales notes of interest this month - the Andreas Vollenweider and BoDeans Lps are selling thru and selling hot. What a great surprise!.. Finally, it's been one hell of a week for live-mike interviews. Mucho thanks to Stan Ridgway, Big Country, the Rainmakers, R.E.M., and Peter Shelly for stopping by our various and sundry studios...
Personal note: I especially had fun with Ridgway who will raise (or lower) himself to the level of insanity of the station's sound and the Rainmakers whose Lp is our music department's pick as one of the best debut Lps of the year."

WMMR, PHILADELPHIA, PA M.D.-ERIN RILEY: "Too long between the single and the album, but well worth waiting for is Huey Lewis's 'Fore'. The cuts that have us up and dancing are 'Hip To Be Square' and 'Whole Lotta Lovin'. Another personal fave is 'Naturally' which reminds me of their stellar performance of the 'Star Spangled Banner' at the World Series. Hey, who needs instruments anyway... The big event of the week looks to be the return of John Eddie to Philadelphia. John hasn't performed live here in Philly for over a year and the fans are starting to go crazy. I myself can't wait. The club we are doing the show in holds 1,000 people, but taking into consideration the extra few thousand we expect outside on the street--we're doing a live broadcast with speakers set up outside so we can turn all of China Town into one big party. Reports next week."

KGON, PORTLAND, OR M.D.-INESSA YORK: "On Pete Townshend's live thing, he does a marvelous cover of 'Save It For Later'. Now go back and listen to The Beat and their great original... In the 'Gee I personally really like this' department, Paul Simon has found his musical soul mates in the powerful rhythmic groove of South African music. You can call him King Simon."

WLIR, LONG ISLAND, NY ASST. P.D./M.D.-LARRY "THE DUCK" DUNN: "The new Ric Ocasek single is appealing to all demos with early heavy phones... The new Talking Heads single continues to scorch and burn the phone lines. Top 5 requested and destined to become Screamer Of The Week unless half a million WLIR listeners take a long Labor Day weekend... Timbuk 3. Timbuk 3. Timbuk 3--how cruel can you get. To Michael Plep and Paul Brown I say, 'The Future's So Bright I Gotta Wear Shades'... Check out the Housemartins 'Happy Hour'. As an import, it was Screamer Of The Week three months ago. Don't just daypart it 4 PM to 7 PM. It's great for all dayparts...
Screamer Of The Week: The Lover Speaks 'No More I Love You's.'"

KICT, WICHITA, KS M.D.-PHIL THOMPSON: "What a week. I think computers are getting the best of me... Although initially I didn't like the new Chicago remake, it really grew on me and why not? Better than some unknown with lack of material... Couldn't resist the live Pete Townshend and anyone who does is missing the boat... Same goes for the new Ric Ocasek... The Smithereens go on this week. Beth Rosengard was right all along... Several Huey cuts make the list, but that's probably old news by now... And finally, looking forward to the David Lee Roth/Cinderella show this Saturday. Thanks to Mary from Warner Bros. and Bill from PolyGram for all the help. I really needed it."

KISS, SAN ANTONIO, TX M.D.-TOM SCHEPPKE: "The Huey Lewis album--there's some great tracks on it. We'll start with 'Jacob's Ladder', 'Hip To Be Square' and 'I Know What I Like'... The new Black 'N Blue 'I Want It All' is excellent. You can hear the Gene Simmons touch in the song. Hope the rest of the album is great... Check out Quiet Riot's 'Twilight Hotel'. This track is gonna surprise you--it's that good... The Invasion hits San Antonio. Having tested the track 'Boyz Are Gonna Rock' on the Godfather's show (Joe Anthony), I can tell you this track is gonna smoke. Vinnie Vincent rocks on KISS... I've been waiting for The Call's latest 'Oklahoma'. This one's a rocker... Finally, we'd like to welcome our new Production Director stolen from under the freeway, Andy Schuon, and make welcome our soon-to-be-new owners John Lynch of Noble Broadcasting of San Diego."

KBCO, BOULDER, CO M.D.-DOUG CLIFTON: "Pete Townshend is always a welcome addition to our playlist. His new live EP is no exception. 'Barefootin' and 'I Put A Spell On You' go in right away with 'Save It For Later' and 'After The Fire' good backup tracks down the road... Paul Simon's 'Graceland' album is one of the most refreshing releases of the year. When I think of how this project was put together, it makes each listen even more special. At some point we could end up playing the entire record. But for starters we'll try 'Graceland', 'Under African Skies' and 'Diamonds On the Soles Of Her Shoes'... Huey Lewis delivers as good a follow-up to 'Sports' as anyone could expect. As a matter of fact, I was surprised at how good this follow-up is. 'Jacob's Ladder' leads the way followed by 'I Know What I Like', 'Whole Lotta Lovin', and 'Hip To Be Square'... The new Ric Ocasek took a couple of listens, but as soon as we got it on the air, we started getting response from listeners immediately. So, it appears that Ric is on the mark once again... Please give the following records serious consideration in your next music meeting: Smithereens, Rainmakers, Timbuk 3, Woodentops, and Peter Case... Another live performance took place in the KBCO studios recently. It featured Michael Manring and Darol Anger."

WBLM, LEWISTON/PORTLAND, ME M.D.-ROBIN MATHIEU: "Huey Lewis & The News have stuck us with one of the most easily programmable albums of the year 'Sports' fans! That distinctive Huey vocal can't miss and now he's giving us the soul and the rock 'n' roll. We'll start with 'Hip To Be Square' and 'Jacob's Ladder'. (Hornsby's lyrics and Huey's vocals are an unbeatable combo... Ric Ocasek is an instant add and a hook a minute with 'Emotion In Motion'. And for someone who rarely wears shoes between May and September, Townshend's 'Barefootin' is an awesome end of Summer jam... Meanwhile, Smithereens continues to build in Portland. And with retail reporting lots of in-store requests, we expect to see sales action soon... Timbuk 3 and Icehouse are dominating my personal drive time; and, by the way, Icehouse is a great live band too. Thanks to Chrysalis and Jerry Blair for the Boston Icehouse show and the chance to meet some new faces: Kevin Sutter; Bill Hard; Tom Starr; Cynde Slater; and mix with some familiar ones: Bob Krane; Christina, and of course you, Jerry... If Van Halen hasn't hit your town yet, prepare yourself mentally and physically. They still rock!"

WFXR, CHARLESTON, SC M.D.-R.G. JONES: "Glass Tiger is doing megatron phones. Definitely catching on very fast... We just went on the Steve Winwood track with Joe Walsh, 'Freedom Overspill'... Bruce Hornsby, you've gotta like it 'The Way It Is'. It seems like it'd be hard for it to get too much better... Which, of course, brings us to Huey Lewis & The News. Pick a song--any song. I'm interested to see if the three cuts that we went with become consensus cuts. It seems like there are as many hits here as there are opinions... Gregg Allman and Dickey Betts were through town last week and really had the crowd entranced performing for a little over four hours... And now we're getting ready to see what the Guess Who can dish up for us!"

WTPA, HARRISBURG, PA ASST. P.D.-CHRIS JAMES: "Special 'thanks' to Herb Gordon of Columbia and Biff Kennedy of Epic. We've got to spend Christmas together again soon! Happy Birthday again, Biff. Thanks to all record reps, managers and bands for their help in our muscular dystrophy promotion. We couldn't have done it without you!"

 KILO, COLORADO SPRINGS, CO M.D.-ALAN WHITE: "Thanks to everyone that we ran in to on our brief trip to L.A.: Rayski; Arthur; Bill Prescott; Kenny The Fonzy; and Kyle and crew for the great time!...You gotta know that Huey Lewis And The News have hit this tee-shot right in the middle of the fairway and they are going for birdie on the 4th hole. The only problem is club selection: I mean song selection! 'Jacob's Ladder' is my initial favorite, followed by 'Hip To Be Square' and 'I Know What I Like'. It's gonna take a while to play this course so sit back and enjoy...CD service is of the utmost importance! I think WEA should get off their butts and make a commitment to radio since we've made such a solid commitment to push your CDs, dammit!"

WIOT, TOLEDO, OH M.D.-JIM STEELE: "This past weekend I did a lot of driving and the best part of the ride, aside from the gorgeous black haired babe with me, was the Huey Lewis cassette! OK, big deal--Every track is the slickest piece of work Huey and company have done, but I still managed to be disappointed because I could not play the harp with Huey. Hey, Roger, and or Van-0--How about a little help here! I've listened to the album over and over and the track that jumps out and kicks my ass is 'Whole Lotta Loving'. I'm sure even Elvis is smiling right now over this tune. No question about it, this album will be around as long as 'Born In The U.S.A.' was...Just as appealing is the new Ric Ocasek. It purrs better than a '57 Chevy on-the-air, and we all know that's not just any old ordinary car!...Finally, a big 'thank you' to Mike Whitenack of RCA for permitting me and my guest to see the best show of the Summer--Eurythmics!!! And, of course, to Dave Stewart for rapping with us a bit after the show."

WMGM, ATLANTIC CITY, NJ M.D.-AL BRANCA: "A lot of h-o-t adds this week: Pete Townshend 'Barefootin'--If this one doesn't have your toes tappin', you're DOA! Those funky horns are like a last breath of fresh Summer air... Ric Ocasek 'Emotion In Motion'--has the hit potential of the Cars 'Drive'. Ric's second outing proves he's been the vehicle all along...Chicago '25 Or 6 To 4'--ever see a match burn twice? Smash! Great job on the mix...Huey Lewis And The News 'Jacob's Ladder'--sounds like another 'Sports' story. I can't find one cut that I don't like. From the acapella tunes that sound like hip Levi's commercials, to my favorite pop/rocker 'I Never Walk Alone'. Just spin and stop at random...Steve Winwood's 'Freedom Overspill'--Now that 'Higher Love' is cooked and 'Split Decision' is powered to 5 plays a day, time for another taste of class...Also on Eurythmics 'When Tomorrow Comes'; Tommy Cochrane 'The Untouchable One'; The Call 'Oklahoma' and Queensryche 'Gonna Get Close To You'...Top five requests: Bon Jovi 'You Give Love A Bad Name'; Eddie Money 'Take'; Steve Winwood 'Split Decision'; INXS 'Kiss The Dirt'; and Talking Heads 'Wild Wild Life'."

WLNZ, LANSING, MI P.D.-RICK VAN GIL: "The heavy assault of great music continues this week, like it has for the last 52, with great songs from Ric Ocasek and Pete Townshend. Ocasek's 'Emotion In Motion' cruises very nicely in the format with a smooth groove, while the excitement of Pete Townshend having fun gives 'Barefootin' the chance to be a party classic...Bon Jovi and Cinderella are getting monster phones and Don Johnson's 'Heart-beat' is the overwhelming fave of females!"

WDHA, NORTH JERSEY, NJ G.M.-BOB LINDER: "I found it very interesting to see the first video-only release of some new tracks from Pete Townshend. I'm happy Atco sent a vinyl copy to radio, but I don't think it's the best marketing decision. Although in the short run, more videos might be sold (the liner notes for radio refer to 'sparking further interest in the video'), in the long run the unavailability of this music for consumer home and portable stereos will only encourage more taping. Result: More sales lost! Also worth considering is the fact that Atco sent radio a copy because they need the airplay/publicity. But if it weren't for that interest, radio stations would have to cart it from the video in order to play it on-the-air. I don't mean to sound anti-video--I just don't believe it's wise to force consumers to a different format because of a product's unavailability in one of the primary ones (cassette, vinyl or CD)...Very interesting article in 'Billboard' about WGBH, a UHF station in Boston, broadcasting experimental digital audio programs instead of video. A new threat to radio as we know it?"...FROM P.D.-MIKE BOYLE: "Thank you Jerry Lembo at Columbia for setting up the phoner with the Burns Sisters! You better deal with these ladies before your competition does! For the second straight week, the Burns Sisters pulled down #1 phones!...Thanks also to Paul Brown at I.R.S. for the Pete Buck phoner. The new R.E.M. album just broke Top 10 sales here and it's heading for #1!... I need to mention the Woodentops again this week. The more you listen, the more you'll see you need to play this album. Try 'Get It On' and 'Give It To Me'."

WCLZ, PORTLAND, ME M.D.-LORETTA CRAWFORD: "Skaubitis: I'm right here! We had such a good time at the Van Halen show Saturday that I forgot which floor to catch the elevator on! Sammy Hagar couldn't sound any more like Robert Plant doing rock 'n roll if he tried. What a great pairing. Thanks, George, for a loud time with Eddie and the boys...To Chuck: Sorry we missed UB40 Friday night--major motor problems...Autumn brings a whole slew of new Lps that we're anxiously awaiting: Tina Turner; Ric Ocasek; Human League; and the Townshend Ep to name a few...The new Paul Simon is tasty. We're sure there's more than a few cuts to hit those upper demos with...Also, still very h-o-t for Timbuk 3. Glad to see all the action there...Tonio K. has some very interesting twists on his latest. 'Perfect World' is a personal favorite...Bonnie Raitt is someone I'd like to sit down and have a beer with. The music is real, the lyrics are right on and her choice of people to work with brings it all together. She'll have at least 9 lives here!...We're very sorry to be losing John Sebastian. His vision has once again changed radio and we loved working with him. Good luck and remember these words: 'Cats will be cats, and cats will be birds'!"

WAPL, APPLETON/GREEN BAY/OSHKOSH, WI M.D.-RICK PANNECK: "We're starting to see sales kick in on 38 Special now that we're into a third track--Phones are strong also...We're playing Smithereens in medium and phones are encouraging. There's a nice little underground buzz on this band and they seem to be crossing over to the mainstream listener...David & David ups to medium from light. We were seeing phones off light play which is unusual for a non metal artist. This one is taking off...Rainmakers are a personal fave of WAPL's. They're coming into the area--momentum is high--and phones are starting to develop!"

WRXL, RICHMOND, VA P.D.-DAVID GROSSMAN: "Bonnie Raitt is becoming the 25+ darling here. Since Linda Ronstadt doesn't want to be Linda Ronstadt anymore, somebody has to fill that void...Bruce Hornsby is the most important act album radio is breaking in 1986!...Tina Turner has a multi-format s-m-a-s-h. Phones are hot out-of-the-box. We just finished doing some auditorium testing and one song that showed real strong was George Thorogood's 'One Bourbon'. We'll drink to that and up rotation!"

KFMG, ALBUQUERQUE, NM M.D.-MICHAEL DAVIS: "Huey Lewis & The News deliver a great album. For a while it looked as though we may be 'stuck' with something less. Huey doubled with a ROCK 108 concert celebration September 13th in Las Cruces, NM and the following evening here in the old Duke City!...A couple of nighttime smokers hop aboard the playlist: Black 'N Blue's new one and Cinderella's 'Nobody's Fool'...Who says a night out drinking with the boys never leads to anything good?...Stray Cats 'I'm A Rocker' is an attention getter. Love that hot as hell guitar!...Veteran rock radio programmers have heard enough Cars to last a lifetime, but they always sell, test and sound great...Ric Ocasek's 'Emotion In Motion' follows that tradition, an automatic...And, finally, this evening ladies and gentlemen, the man of the hour--Steve Winwood and 'Freedom Overspill'. What more need I say?"

WGIR FM, MANCHESTER, NH M.D.-KAREN ANDERSEN SMALL: "With 'Fore' Huey Lewis And The News have come out with a very entertaining Lp. I for one enjoy diversity and catchy tunes on an album and this one has it all. It's definitely a hit album...I'm very impressed with Ric Ocasek's latest effort. 'Emotion In Motion' has its own character rather than just sounding like the Cars...When you get the new 'til tuesday' song, go immediately to your turntable and give it a listen. 'What About Love' is a real strong song that's going to do well."

KDJQ, SACRAMENTO, CA M.D.-RON GARRETT: "The Vinnie Vincent 'Invasion' Lp arrived today. I've been waiting for this for the past 2½ months. The most outrageous rock and roll to come out in the last 10 years. I played it last night and it generated so many phone calls that it not only took up all 5 of our phone lines and the business line started lighting up as well. Play this if you're man enough. You might want to send the engineer to the transmitter site just in case you knock the beast off the air when you play 'Boyz Are Gonna Rock'."

KLPX, TUSCON, AZ M.D.-JACK GREEN: "Huey Lewis is definitely the big buzz in the old pueblo this week. We're already four cuts deep and the phones are terrific. I think this one is going to be around for quite awhile... Chicago sounds really good on '25 Or 6 To 4'. I usually don't like remakes that much, but this one has definitely caught my ear. A must play...As usual, Ric Ocasek has managed to get the phones going with 'Emotion In Motion'...And my fave this week has got to be Timbuk 3, with 'The Future's So Bright I Gotta Wear Shades' as a candidate for best title of the year. You really can't go wrong on this one."

KWHL, ANCHORAGE, AK M.D.-KEVIN VARGAS: "This is a soap box crusade. I'm real surprised Quiet Riot 'Wild And The Young' isn't a hit. Why didn't more stations play it? I can understand why the soft or eclectic stations didn't, but in markets that played it, it worked. We had to power it. This rock and roll town wasn't up for 'QR3' with phones and their own bucks. It's been a Top 10 seller since its release. 'Twilight Hotel' should be the hit 'Wild And Young' should have been. Listen. It'll dispel any preconceived notions you might have about the band...As long as I'm on the soap box for noise, 'Parental Guidance' isn't just for 17 year olds. This song has all the qualities to make it a hit and it's perfect for reawakening the youthful spirit in the adults. The guitar work won't fry any brains, but it's hot enough to singe away any gray hairs...Here's a surprise hit, Black 'N Blue 'I Want It All'. Give it a listen. I'm sure you'll agree."

WFYV, JACKSONVILLE, FL M.D.-LEX STALEY: "From talking to the record stores in our area, we've discovered that every time we play the Smithereens 'Blood And Roses' the stores are moving pieces shortly after it's on the air. It's our #1 most requested song here and it's sitting at #18 retail...What kind of reaction are we getting to the Rainmakers? People are calling and asking who the hell is that? I've gotta agree with Scott Jameson, they sound unlike anybody we've ever heard. And let's face it, it's tough to be distinctive in this bizz...The tempo of Cyndi Lauper's latest had us a little concerned, so we threw it into a test rotation and surprisingly, reaction is good. We've even had some upper demo males call and are not only not put off by it, but actually like it. The more mature video has definitely helped."

WRCN, LONG ISLAND, NY ASST. P.D./M.D.-WAYNE SUMMERS: "Imagine the scenario: It's a hot August afternoon in the Big Apple. There's a certain electricity in the air for those in the know, the man who is more than a legend--almost a religion--is on his way! His disciples gather for, if nothing more, a glimpse of his flesh! Cruising down the Long Island Expressway in a stretch limo to meet a man who redefined rock music is that young man, now grown, who learned to play the guitar while listening to such classics as 'I Want To Hold Your Hand' and 'Yesterday'. Today our paths would cross! I pulled up in front of Radio City Music Hall a little after 2:00PM and what took place shot my adrenalin through the roof. My limo was crushed by boys and girls, like myself now grown, who wanted to see their idol! My limo driver looked at me and winked and said 'Let's play out this one to the hilt!' The driver got out of the limo and said, 'Now, would everybody please stand back and give the man room?' My face turned red and I waited in my seat. You should have been there to see the disappointment in the faces of all when I got out of the limo! A security person came over and asked if I was on the guest list. I told him my name and he ushered me into the plush lobby of Radio City. Perhaps 100 people in all were invited. We all meet, talked with, and most of us got autographs from Paul McCartney! I'm 31 and Paul didn't look a day older than me! In fact, I wished I looked as young. It was also great to see other notables in our industry there too: Mark Chernoff; Bob Buchmann; and Dan Neer, just to name a few. Thank you, Arthur Fields, for treating me right--and 'thank you', Lenny Bloch for going on vacation!"

WKFM, FULTON/SYRACUSE, NY P.D.-STEVE BECKER: "Mucho thanks to Charlie Daniels, Dickey Betts, and Gregg Allman for a great concert as we kicked off the grandstand shows at the New York State Fair. Appreciate the time and effort of Ron Huntsman and Rick Rentz with Charlie Daniels and from Dave Harvey with Dickey Betts. Our winners were very happy meeting Charlie...The following night Stevie Ray Vaughan put on a blistering show despite the elements of heavy winds and rains. This guy can cook on stage. Offstage he's just folks. No limo for him, as he arrived from the airport in a cab. Now that's a great cover...Also would like to say a big thank you to Faith Raphael with Aerosmith for her help with our Aerosmith promotion at the New York State Fair. The band met our winners before the show and made them feel at home. Plus, I enjoyed chatting with Tom Hamilton and I'm looking forward to that new album. This State Fair can definitely wear on you, but it's fun with live broadcasts, meeting people and plenty of visibility for the station. However, I did find some time for music...There's a wealth of material on the new Huey Lewis album. We're four deep plus the single in recurrent. 'Jacob's Ladder' leads the way with my personal favorite 'Hip To Be Square' a close second...Chicago's revision of '25 Or 6 To 4' will have to grow on me. I miss the opening guitar riff along with the faster tempo of the original. But we'll let the listeners decide...Rounding out some of the new music, the Smithereens get their chance with 'Blood And Roses'. There's a good buzz on this one."

WAQX, SYRACUSE, NY M.D.-AMY DAHLMAN: "The New York State Fair is in full swing, so I'm on the run. The 8th 95X birthday concert came off without a hitch last night due to the combined support of Aerosmith, Geffen Records, Bob Dowd, Faith Raphael and the State Fair crew. Cake for 10,000 was consumed in no time and a special thanks goes to Stephen Tyler for his ultimate professional attitude...Saturday Stevie Ray Vaughan gave a 95X listener the night of his life by conducting a private hour-long backstage guitar lesson, complete with autograph, STRAT and accessories--and Friday our good friend Dickey Betts took the time for an interview. Thanks to all for everything"..
FROM P.D.-ED LEVINE: "We're rocking into our ninth year in style. The June/July Birch has us at a 13.0-- just percentage points behind the AC giant Y94 and doubling the share of the other AOR. Better yet, our July Arbitrend was awesome! And we're real pleased."

WBGK, MILWAUKEE, WI M.D.-RANDY STEWART: "Don't pass up one of the best albums of the year--the new Huey Lewis album 'Fore'. The production is impeccable, the songs are great and there are several diverse styles featured... Another automatic is 'Emotion In Motion' from Ric Ocasek. It's tasty with a capital T."

KEZO, OMAHA, NB M.D.-JOE BLOOD: "Great to hear so many fine records recently including the following: the Huey Lewis--a good, solid effort. Glad to see him using outside material, especially Bruce Hornsby's 'Jacob's Ladder'--a great song. Overall, a good solid effort...Timbuk 3--a clever debut. 'The Future's So Bright I Gotta Wear Shades' is a snappy number that hooks you immediately. If you haven't considered this tune, spin it again...Other favs this week include the Pete Townshend; can't wait to get a hold of the album...Stray Cats 'I'm A Rocker' is also a very pleasant surprise...Retail-wise, R.E.M. continues their assault on number one by going from #5 to #3...Also doing well retail-wise this week: Bon Jovi, The Rainmakers, Daryl Hall and Eddie Money...The Smithereens debut is also starting to build sales and phones. Besides 'Blood And Roses', check out 'Behind The Wall Of Sleep' and 'Hand Of Glory'."

WBRU, PROVIDENCE, RI M.D.-ALISON STEWART: "Ric Ocasek's solo project is thoughtful and melodic without being wimpy--a tough thing to do these days. There are shades of The Cars 'Why Can't I Have You', but it's evident he's got his own style going...Hurray for Hornsby. Not only is his follow-up 'The Way It Is' performing extremely well at WBRU, but he's also written the strongest track on the new Huey Lewis album. Life's tough when you're talented...It was very nice to meet the new P.D. at WHJY, Ken Carson. Welcome to Providence. I wish the weather was better. Also, thanks to G.B. from WB for BHT. Figure it out."

KRIX, BROWNSVILLE, TX P.D./M.D.-ACE PALADINO: "ADDS: John Fogerty 'Eye'; Burn Sisters 'Run'; Toto 'Can't Stand It'; Queensryche 'Gonna'; Rod Stewart 'Another'; Kim Mitchell 'That's The Hold'; FM/UK 'Frozen Heart'; Tonio K. 'Perfect'; Journey 'The Girl'; Thinkman 'Best Adventures'; Timbuk 3 'Bright'; Daryl Hall 'Let'; Tom Cochrane 'Untouchable'; Steve Winwood 'Freedom'; Neil Young 'Weight'; Huey Lewis 'Hip'; Triumph 'Hooked On You'; Cinderella 'Nobody'; Danny Wilde 'Body'; David Lee Roth 'Goin Crazy'; Ric Ocasek 'Motion' GTR 'Here I Wait'; Bob Seger 'It's You'; Bruce Hornsby 'The Way'; Night Ranger 'Wild'; Black 'N Blue 'I Want'; Paul Simon 'Myth Of Fingerprints'; The Call 'Oklahoma'; Great White 'Gimme Some'; Stray Cats 'I'm A Rocker'...**MOST REQUESTED:** Bon Jovi 'You Give'; Eddie Money 'Take'; John Fogerty 'Eye'; Judas Priest 'Parental'; Triumph 'Somebody'...**INCREASED PLAY:** Rainmakers; Smithereens; John Eddie; Don Johnson; Quiet Riot; Alvin Lee...**INCREASED SALES:** David Lee Roth; Bon Jovi; The Fixx; Fabulous Thunderbirds."

RADIO ACTION CONTINUED

KNCN, CORPUS CHRISTI, TX M.D.-BONNIE STACY: "A nice slow week and it's just what I needed!...The Huey Lewis Lp is fabulous. Finally we're no longer stuck with 'Stuck With You'!...I am disappointed with the Ric Ocasek but will go with it anyway. I trust Ric to deliver a superb Lp in the following weeks...You may want to reconsider the Alice Cooper 12", if your neighboring CHR is not on it. The movie is over here, yet 'He's Back' continues to draw Top 5 requests. It seems to have legs of its own...And now a word to those who track this station: Our format has been revamped; and except in an unusual or very temporary situation, we'll not be reporting a power rotation anymore. I feel that powering is no longer a viable tool for us in this market, so away it goes!...P.S.: One more reminder to listen to the Jef Scott record. He's cute, plays a mean tasty guitar, writes real lyrics and tied with Eddie Money for number 5 requests this week. There ain't no reason not to give him a shot or at least a listen!"

KFMF, CHICO/REDDING, CA P.D.-RON WOODWARD: "Just knocked out by the new Huey Lewis And The News album!... Have a wonderful week!"

WWVW, CHARLOTTESVILLE, VA P.D./M.D.-JAY LOPEZ: "Bruce Hornsby And The Range played to a sold-house this Friday night, and the show was excellent. If you have a chance to catch them--be sure to see them! There's no band like them. I love these guys!"

WCPZ, SANDUSKY, OH P.D.-RANDY HUGG: "ADDS: Bon Jovi 'Bad'; Chicago '25'; Ric Ocasek 'Emotion'; 38 Special 'Heart's'; David Lee Roth 'Crazy'; Kenny Loggins 'Playing'; FM/UK 'Frozen'; It Bites 'Whole'; Pete Townshend (Open); Rosie Vela 'Magic'...CONSIDERING: Tonio K. ...MOST REQUESTED: Doctor & The Medics 'Spirit'; Huey Lewis 'Stuck', 'Like', 'Whole'; Loverboy 'Heaven'; Rainmakers 'Let'; Beaucoup 'Born'...INCREASED PLAY: Cyndi Lauper; Kenny Loggins; John Fogerty; Bob Seger; Peter Gabriel; David Lee Roth...INCREASED SALES: Run DMC; Genesis; Bon Jovi; Monkees; Outfield...This was a busy couple of weeks with all sorts of dignitaries calling and even stopping by our fair city! I enjoyed my visits with: Elektra's Jay Brooks, A&M's Dick Bozzi; Atlantic's Kevin Young; and everyone's favorite independent Paul Yeskel. And, if all roads don't reach Sandusky, the phone lines work just fine. Thanks to Rick from Enigma for setting up the live interview with the Smithereens and Warner's Larry Bole for the live chat with Bonnie Raitt... Can't say enough about It Bites and Thinkman. It Bites has the ability to stand all formats--AOR, CHR and AC can all deal with this snappy song. The Lp's not too bad either. Thinkman has got exciting hooks all through 'Best Adventures'...And, Doctor & The Medics is going nuts on the phone and in the store!"

WTOS, SKOWHEGAN/BANGOR, ME M.D.-DUANE SHERMAN: "ADDS: John Fogerty 'Eye'; Real Life 'Baby's'; Icicle Works 'Understanding'; Agent Orange 'Voices'; New Man 'Bad'; Ric Ocasek 'Emotion'; Hunters And Collectors 'Is'; Scott Goddard 'Ballad'; Stray Cats 'Rocker'; Toto 'Till'; Joe Strummer 'Love'; Mark Germino 'Dream'...MOST REQUESTED: R.E.M. 'Believe'; Smiths 'Queen'; Talking Heads 'Wild'; Paul McCartney 'Angry'; Bob Dylan 'Girl'...INCREASED PLAY: Icehouse; Bonnie Raitt; John Fogerty; R.E.M.; Talking Heads...Thanks to George at Warner Brothers for the Van Halen tickets and passes and thanks to Van Halen for two sold-out shows--the quickest sell out of the tour!...R.E.M. continues to strangle the competition (is there any?). Michael Stipe of R.E.M. spent the past weekend in Skowhegan with his long time friend, Kelly Grey (former M.D. here) recuperating from a root canal. I stopped by to say hello and was treated to a vegetarian meal. Of course I l-i-v-e for saturated fats, so I immediately went to McDonald's. Ask Michael about his three hour massage!...From the don't overlook this one department: Scott Goddard with 'The Ballad Of Jed Clampett'. Even Granny could pick potatoes to this one...Also, lend an ear to Agent Orange and Hunters And Collectors. Both are fine Lps...Pick-Of-The-Week: Joe Strummer love hurts, love stinks, 'Love Kills'. Enuff said!"

WIXV, SAVANNAH, GA P.D.-BILL WESTON: "Bruce Hornsby And The Range--Heavy rotation at home for weeks. This is a record that takes you places, much like an old song on the radio takes you back to the past--This Lp takes you somewhere now--somewhere you'd like to be...I've always considered Iggy Pop a strange agent. (The kind of a guy who, as a youngster, would mess his pants and like it!) He has a new song coming out that isn't typically normal but is readily accessible and sounds like a h-i-t! David Bowie produced--Can Stooges double shots be far off? Thanks to Lee Durham for the advance listen and another enjoyable visit...The 38 Special 12" is a good record and just right for the overall playlist mix this week...The Led Zeppelin and Chicago remakes may not bring 100% positives from the audience but you can be sure they will be reacting to and talking about your station when you play them. Thanks to Mike Levine for the call last week and to Moser for servicing me with the product...We played Bon Jovi as a CHR ('Runaway' and 'She Don't Know Me') so the groundwork was already laid for the new Lp and 'Savannah' is expressing their gratitude over the phones and in the record stores...Triumph's first 12" is welcome relief from the double live Lp and an around-the-clock-hit. It will bring exposure to the band in an area that used to think Triumph was a motorcycle or foreign sports car!"

CHEZ-FM, OTTAWA, CN M.D.-GREG TORRINGTON: "ADDS: Huey Lewis 'Ladder', 'Whole'; Paul McCartney 'Stranglehold', 'Good'; Timbuk 3 'Bright'; John Fogerty 'Eye'; Talking Heads 'Wild'...CONSIDERING: Ric Ocasek; Real Life... MOST REQUESTED: Run DMC; Kim Mitchell; Eurythmics; Bananarama; Colourbox...INCREASED PLAY: Eddie Money; Daryl Hall; Luba...INCREASED SALES: Andreas Vollenweider; Tom Cochrane; The Smiths; Eric Johnson...We are extremely impressed with the new Huey Lewis. The song 'Jacob's Ladder', co-written with Bruce Hornsby, is very strong and an obvious next single. We were very pleased to have Huey live on-the-air this past week debuting some of the tracks. He remains one of rock's most eloquent artists and many programmers and industry folks could benefit from Huey's insight into music overall. We recommend him for keynote speaker at next year's New Music Seminar. Tonight we have Huey Lewis l-i-v-e here in Ottawa...Another absolute favorite for me this week is Timbuk 3, with some wonderful song writing coming down. We don't know where to start but have settled with 'The Future'...The Real Life just missed out this week due to late arrival, but it's certainly a potent piece and slated for next week's adds...And the Eight Seconds project is nearing. Keep your ears open for 'Kiss You When It's Dangerous', due in about 3 weeks or less!"

WWCT, PEORIA, IL M.D.-PHIL MANICKI: "ADDS: Journey 'Girl Can't Help It'; Chicago '25 Or 6 To 4'; Ric Ocasek 'Emotion In Motion'; Huey Lewis 'Jacob's Ladder', 'Hip To Be Square'; David & David 'Welcome To the Boomtown'; Fabulous Thunderbirds 'Look At That, Look At That'; David Lee Roth 'Going Crazy'...MOST REQUESTED: David Lee Roth 'Yankee Rose'; Bon Jovi 'You Give Love A Bad Name'; ZZ Top 'Velcro Fly'; Don Johnson 'Heartbeat'; Van Halen 'Summer Nights'...INCREASED PLAY: Bon Jovi 'You Give Love'; Robert Palmer 'I Didn't Mean To Turn You On'; Tina Turner 'Typical Male'; Paul Simon 'You Can Call Me Al'...INCREASED SALES: David Lee Roth; Genesis; the 'Top Gun' Soundtrack; Peter Gabriel; Steve Winwood...After listening to David & David you just feel great! Few records do this to me...Chicago punches up a classic. The reaction could be double edged. Which one is sharper we'll soon see...Ric Ocasek has a great female record...The fun continues with the Fabulous Thunderbirds...And 'Fore' is a definite eagle for Huey & Company."

WPDH, POUGHKEEPSIE, NY M.D.-PAM BROOKS: "The pearl of the week without question is Ocasek's 'Emotion In Motion'. If you've ever doubted for a second who steers the Cars down the road of stardom, just give 'Emotion' a spin. Come on, don't tell me you weren't hooked the moment the needle hit. It takes off where 'Drive' left off!...I see that Stray Cats Lp in your hands. You're mulling it over--to play or not to play--What the hell is up with this band anyway? Rockin', rockin', baby--Rockin' that's what's up and when they're in sync we get some of the tastiest tidbits since the jailhouse was alive with those blue suede shoes. The triple threat is back and 'I'm A Rocker' sums it up!...We've been playing around with the new Townshend live stuff and the greatest response has been on 'Save It For Later', so that makes it a definite for next week...I'm glad that we've hung in with both Glass Tiger and the Smithereens. Two groups at opposite ends of the music spectrum, but both producing to my ears smash songs that, given enough time and exposure, would do exactly as I expected. Get great phones and enough interest and good sales for us to stand behind them even more. 'Don't Forget Me' and 'Blood And Roses' move into heavy this week on WPDH, and if you haven't paid attention to either--Get the lead out!...Toto's back.'Till The End' is it!...Paul Simon's 'Graceland' is music from the melting pot. Even without the strength of his lyrics, the sounds and rhythms emanating from this record are true bliss!"

WMOY-FM, CARMEL/MONTEREY, CA M.D.-PATTY MARTIN: "ADDS: Paul Simon 'You Can Call Me Al'; Ric Ocasek 'Emotion In Motion'; John Fogerty 'Eye Of The Zombie'; Bluesbusters 'If The Phone Don't Ring'; Huey Lewis 'Jacob's Ladder', 'Hip To Be Square', 'I Know What I Like'...CONSIDERING: Robert Palmer 'I Didn't Mean To Turn You On'; Rainmakers 'Let My People Go-Go'; Rod Stewart 'Another Heartache'; Pete Townshend Live Ep...MOST REQUESTED: Bon Jovi 'You Give Love A Bad Name'; R.E.M. 'Fall On Me'; Triumph 'Somebody's Out There'; Quiet Riot 'Wild And Young'; Van Halen 'Summer Nights'...INCREASED PLAY: Talking Heads; Daryl Hall; Bill Joel; Great White...INCREASED SALES: Peter Gabriel; Steve Winwood; Genesis; 'Top Gun' Soundtrack and David Lee Roth...So, what a week to be gone on vacation. I go home to Chicago and as I punch the dial between 'XRT, the Loop and WCKG I discover Huey's album comes out and the Fogerty and Ocasek singles are released! I was almost tempted to call the station. Almost! So...I get back from vacation to find I have a new airshift (2:00-7:00PM), a new office, a shelf for a desk, and all my stuff in a big box. Oh yeah, and no turntable. Scarey?! Hopefully by next week I'll be caught up...I can't get the Talking Heads tune out of my head. I love it! I love it! I love it!...Hopefully, by next week I'll be caught up enough to give some relevant music comments (I know, a first)!"

WTCS, FAIRMONT, WV M.D.-SCOTT REPERT: "ADDS: John Fogerty 'Eye'; Burns Sisters 'Wonder'; R.E.M. 'Fall'; Dave Adams 'Dancing'; Cyndi Lauper 'True'; Journey 'Girl'; Beatles 'Twist'; Woodentops 'Good'; Lover Speaks 'No'; Pete Townshend 'Save'; The Call 'Oklahoma'; The Nails 'Things'; E-I-E-I-O 'This'; Timbuk 3 'Futures'; Ric Ocasek 'Emotion'...MOST REQUESTED: Bob Dylan 'Girl'; R.E.M. 'Fall'; Bon Jovi 'Give'; Quiet Riot Lp; Daryl Hall 'Dreamtime'...INCREASED PLAY: Burns Sisters; Dave Adams; Bananarama...INCREASED SALES: Madonna; Genesis; David Lee Roth; Run DMC; GTR...We're now rocking in AM stereo--when you're cruising by, give a listen!"

KFMH, MUSCATINE/DAVENPORT, IA P.D.-STEVE BRIDGES: "ADDS: Paul McCartney 'Angry'; Black 'N' Blue 'Want'; Ric Ocasek 'Emotion'; Paul Simon 'Graceland'; The Escape Club 'Sound'; Chicago '25'; Stray Cats 'Rocker'; Human League 'Human'; Queensryche 'Close'; Real Life 'Babies'...MOST REQUESTED: Eddie Money 'Take'; David & David 'Boomtown'; Steve Winwood 'High'; Run DMC 'Walk'; Triumph 'Out'...INCREASED PLAY: Bon Jovi; Burns Sisters; Rosie Vela; Alvin Lee; Bonnie Raitt...The Paul McCartney record shows extreme appeal to the format that should have been embracing him. It's hard to understand why one format will embrace some of the real pussy music that has come out and not go after McCartney...Another man who still remembers his roots and is displaying it, is Paul Simon. I don't know that he has come around to our way of thinking, probably that album radio has just begun thinking again...Black 'N' Blue is a great fun record--roll down the windows and turn up the radio...By the time you read this, I will have returned from my vacation. I hope I had a good time!"

WXLP, DAVENPORT, IA M.D.-GARY JAMES: "ADDS: Huey Lewis 'Hip', 'Whole'; Journey 'Girl'; Ric Ocasek 'Emotion'; Bonnie Raitt 'No'; Rod Stewart 'Another'; INXS 'Kiss'; FM/UK 'Frozen'; David & David 'Welcome'; David Lee Roth 'Tobacco'...CONSIDERING: Timbuk 3; Danny Wilde...MOST REQUESTED: Triumph 'Out'; Honeymoon Suite 'What'; Bon Jovi 'Give'; R.E.M. WWZU, WILLIAMSPORT, PA P.D.-MARK WILLIAMS: "Just like to say thanks to all the great personalities at FMOB, the wonderful record people, and the entire ZOO CREW for making this one hell of a summer."

KFMQ, LINCOLN, NB AYST. P.D./M.D.-BOB ALLEN: "The Bluesbusters ultimate contradiction 'Phone Don't Ring' takes #1 Most Requested honors this week. If that sounds like a fluke, there are more than a few similar success stories. For now, forget the numbers and look at reaction. You'll see that this song merits another listen and that's the first step towards a success story in your market...Top Five Requests this week are: #1 Bluesbusters 'Phone Don't Ring'; #2 Alvin Lee 'Detroit Diesel', #3 David Lee Roth 'Goin' Crazy', #4 Triumph 'Somebody's Out There' and an impressive first week debut for David & David with enough phones responses for #5 Most Requested...Also getting significant action this week is Daryl Hall, Glass Tiger, Genesis and Bon Jovi... Top 5 Retail--#1 Top Gun soundtrack, #2 Peter Gabriel 'So', #3 David Lee Roth 'Eat'Em And Smile', #4 R.E.M. 'Life's Rich Pageant', #5 Steve Winwood 'Back In The High Life'...A big thanks to Roger Mayer, Bill Rusch, and Tony Gates for their visits last week, and congratulations to Tony Smith."

KRNA, IOWA CITY, IA M.D.-STEVE KOSBAU: "KRNA's 'those guys in the morning' have just returned from a trip to Los Angeles to do 'the poor man' airshift on KROQ, as a residual of a Rose Bowl bet. The weekend was, to say the least, action packed. From around the clock public appearances to bankrupt airlines, they experienced it all. But, nevertheless, they made it home in one, well two, pieces. Thanks to K-Rock for the hospitality... Ric Ocasek has created a tune every musician must dream of. 'Emotion In Motion' is the most accessible grabber I've heard in weeks...or longer. I look for it to be a multi-format smash!...The new Huey Lewis album shows incredible versatility. From acappella to nice mellow material, to good cookin' rock and roll, it has it all... The song I'd recommend to any AvR or CHR programmer is FM/UK's 'Frozen Heart'. I've heard them compared to the Eagles and other superstar acts. Very deservingly, I might add. It is generating eye opening phones responses and sounds excellent on the radio."

WPGU, CHAMPAIGN, IL ACTING M.D.-MARTY JENCIUS: "ADDS: John Fogerty 'Eye'; Ric Ocasek 'Emotion In Motion'; Rod Stewart 'Another'; Pete Townshend 'After', 'Barefootin'; Timbuk 3 'Bright'; UB40 'Song'; Bob Seger...CONSIDERING: Daryl Hall 'Let'; Stray Cats 'Rocker'; Bonnie Raitt 'No'; Huey Lewis 'Whole', 'Like'...MOST REQUESTED: David Lee Roth; Peter Gabriel; Steve Winwood; Smitheens...INCREASED PLAY: Eddie Money; Talking Heads; David & David; Icehouse; R.E.M....INCREASED SALES: None."

WHTG, ASBURY PARK, NJ P.D.-RICH ROBINSON: "ADDS: Tommy Keene 'Run'; Ric Ocasek 'Emotion In Motion'; Mark Germino 'Cigarette'; Pete Townshend (Open); Death Comet 'Mystic'...CONSIDERING: None...MOST REQUESTED: Smitheens; BoDeans; Icehouse; The Cult; Talking Heads...INCREASED PLAY: Timbuk 3; T.S.O.L.; The Cult; Ten Ten; Talking Heads...INCREASED SALES: The Smiths; Smitheens; Icehouse; Peter Gabriel; Steve Winwood."

KBLE-FM, DES MOINES, IOWA P.D./M.D.-RON SORENSON: "ADDS: Paul Simon 'Boy', 'Graceland', 'Diamonds', 'Under African'; Huey Lewis 'Forest', 'Simple', 'Naturally'; Don Johnson 'Star', 'Lost', 'Heartache', 'Voice'; Toto 'I'll Be Over', 'Till The End'; Al Corley 'After The Fall'; Commander Cody 'Home', 'Rockin', 'Truck Stop'; Escape Club 'Slow Train'; Rhythm And BLU 'Fiddlefunk'; Yanni; Pete Townshend (Open); Icicle Works (Import); 'Into The Mystic'; Ric Ocasek 12"; Real Life 'Baby's'; Stabilizers 'One Simple'...INCREASED PLAY: Larry John McNally; Daryl Hall; Rodney Crowell; David & David; Alphaville; Bonnie Raitt; Crowded House, Timbuk 3... Grab your mashies and your niblicks boys and girls, cop a caddy or a cart, it's time to hit the links with Huey And The News. 'Fore' is usually associated with a wayward shot, but the new Lp is definitely pin high and on line. Don't putter about. Put this puppy on yesterday...Don Johnson--what a pleasant surprise. I can give him no higher praise than to say it belongs in the musical company he keeps."

KOZZ, RENO, NV M.D.-HARRY REYNOLDS: "David & David garnered immediate audience response as soon as it landed on-the-air. They love the sound of it--they think it's fresh and different...David Lee Roth has always done well with us. 'Ladies Night In Buffalo' is the 3rd track from his new Lp to bring in Top 5 phones...We didn't quite know what to expect when we added Don Johnson, but now that it's on, women call us to thank and praise us for playing the song and are all asking for his home number. I give it to them, in exchange for theirs!"

WMAD, MADISON, WI M.D.-DAVID ANDERSON: "Genius is like riding a bicycle--Once you get it you never lose it, and that's the case with Paul Simon! Paul showcases the highest quality of writing, songmanship, musician-ship and production on his new Lp. Check out 'Graceland' with the Everly Brothers; 'The Myth Of Fingerprints' with Los Lobos; and 'Under African Skies', the duet with Linda Ronstadt...If Huey Lewis was on the golf course right now (which he probably is), he just scored a hole in one. Like the Simon Lp, this is another exceptional record that offers radio many, many cuts to choose from. There's not a throw-away on the Lp. Let's hope we don't have to wait another 3 years for the next one...Robert Palmer is probably very upset because Tim McCarver is on the cover of Esquire's Fall Fashion issue instead of him--but no matter, Palmer's got another s-m-a-s-h with 'Didn't Mean To Turn You On'. Yeh, it's funky but it works...David & David is #1 most requested and starting to sell well locally, especially at the stores near the campuses. It's a chance for radio to expose another really great artist!"

"I still get irritated when I see people raving about records in the Trades that don't make their charts! We do things the other way around. We tend to let our chart do the talking! But suddenly, I find WFNX 3 cuts deep on a record that tops our chart and gets Top 10 phones. I said it when we added the Import, and I'll say it again: The Screaming Blue Messiahs are the coolest thing on vinyl, and their 'Gun Shy' Lp ranks as the most powerful debut of the year...The new remix of Lou Reed's 'Original Wrapper' is a killer! We had Top 10 phones on the Lp version, and with the new mix, Lou has the goods and the groove for a h-i-t! This is an instant alternative radio and club s-m-a-s-h, so don't be left behind!...The new Lp from Hunters & Collectors 'Human Frailty' is stunning. There's not a bad track on it. I'm very excited to see that one of my favorite Aussie bands has released an album with great commercial potential without sacrificing their artistic integrity. This one goes straight into heavy rotation...It was a very busy week last week! Thanks to I.R.S.'s Michael Rosenberg and Paul Brown for all the help with the Stan Ridgway show. The FNExclusive interview with Stan was very well received by our audience as was the show...Iva Davies of Icehouse also stopped by to spend a humorous and informative half hour with our own Tony V. From all reports, the show was very hot! Cheers to Jerri Blair and Kevin Sutter of Chrysalis for making the interview and the co-promote a great success...Boston's own Down Avenue also stopped by to chat on-the-air on their recent signing to RCA, and their upcoming projects. Thanks to Susan Sidel and Down Avenue for their time, ID's and station good humor...And finally, thanks to Chuck, Karen and Jill at A&M for their support of the UB40 show. All fans of this band should not be underestimated. As the walk-up ticket sales at last week's Great Woods show was the highest volume for the facility this Summer. Their tour is not to be missed as they are still one of my all time favorite live acts--and Boston sales of their 'Rat In The Kitchen' Lp are completely out of control!"

INCREASED PLAY: Huey Lewis; Rainmakers.

"First of all, I'm sorry I'm back from vacation! I never realized how much mail one could get in one week! Hopefully, I'll find my desk by Friday...Now to the music: If the sign of a superstar is the ability to follow an album that had six hits on it with an album that's just as strong, then Huey Lewis is definitely a superstar!...The Ric Ocasek should be an automatic add just because it's Ric Ocasek...I like the UB40 but again, I chose to play an alternate track. Check out 'Looking Down At My Reflection'...My two faves of the week are Beat Rodeo and the Escape Club."

Record Action

PAUL RAPPAPORT, COLUMBIA (212-975-8616): "Okay, here are my comments: I've been working a record now for some time called JOHN EDDIE. I've liked it a lot; obviously, a whole bunch of other folks have too. But last night, for the first time, I saw John Eddie perform at the Ritz in New York. This guy lifted the lid off the joint! The band is one of the best I've seen in years - the artist is one of the best I've seen in years! I've heard in a few distant corners that John is a Bruce rip-off. Plain and simple--NO WAY! Do you see a few influences? Yes. No wonder, the guy grew up watching and admiring the man. Let us remember that music and influences are handed down, musician to musician, artist to artist. You don't blame the Rolling Stones for sounding like Chuck Berry on a lot of occasions do you? Where do you think they got all those riffs?! Are they copy cats? No Way - this is the music they love and chose to play. You don't resent Eric Clapton sounding like Albert King do you? No, indeed not. It is out of love for Albert King and other great black blues artists that Eric molded his style. And I'm here to tell you that John Eddie is John Eddie all the way, and what a John Eddie he is! He started strong and then went nuclear! Guess what one of the strongest songs live is? You got it - 'Stranded'. After he finished his set, which totally wiped people out, he did a song for his sister to whom he wanted to publically apologize because once, while she was sleeping, he shot her with his bee bee gun! Ha!!! The point was, she was older than he and came home one day, after seeing David Bowie, wearing pink and green hair. He says it gave him more belief that he should indeed drop out of school and play the music he was meant to do. Then the band opened up with a version of 'Suffragette City' that blew the place apart. Now, the point of all this is -- I remember the very beginning of Bruce's career (don't worry, I'm not that old, I started young!) and all the countless people who told me that he was a 'Bob Dylan copy cat'. How ironic to hear the same shit fifteen years later about a new artist, only this time Bruce is the standard. You want to know how many of those people beg me for a platinum record with every Bruce release? I'm not telling you this guy's the next Bruce Springsteen but, after seeing John Eddie live (and remember, he's even just beginning!), I'll put my fifteen-year reputation including Santana, Journey, Aerosmith, Billy Joel, Loverboy, Elvis Costello, Dylan, Bruce, etc., etc., etc. behind this guy 110%. And I guarantee you that one day soon you will really want to own a gold or platinum John Eddie for your wall - THIS IS THE GOODS! Play 'Stranded' - let the public decide! And whatever you do, go see JOHN EDDIE. P.S.: If this sounds like 'over-hype', I needn't remind you of another Bruce Springsteen story, do I?"

PAUL BROWN, I.R.S. (212-605-0606): "In the words of the Archbishop Tortora, 'Deez cats be cool!' For the non-converted, there's been a genuine ground swell of interest in Timbuk 3's 'The Future's So Bright I Gotta Wear Shades'. The tumbling surrounding this track came as the result of people taking the time to listen. Please do so, if you haven't done so already...I'd urge the same tactic when approaching the Beat Rodeo Lp 'Home In The Heart Of The Beat'. Just listen to any number of tracks, among them 'I'm Not Afraid', 'New Love' and 'Everything I'm Not', and you'll get grabbed by this band. No great big, bombastic, bilious, bumptuous, blitz of press for Beat Rodeo. But this Lp is right in the pocket, and will do damage if given a chance. I mean like it's in the groove...Furthermore, I may be jumping the gun on this next one, but be aware that the Hunters & Collectors Lp 'Human Frailty' is in the wings. The first side alone has four real large ones... Finally, I'd like to respond to those of you who scorned the Timbuk 3 Lp cover. Hell, we thought if we put a little ass on the cover it'd catch your eye. So much for marketing!"

JOHN SCOTT, MUSIC AWARDNESS (818-883-7625): "It was a pleasure indeed having dinner with Bob Catania and Andy Allen before the Danny Wilde concert here in Los Angeles. If you have the opportunity to see Danny Wilde, then you'll know why Catania and Allen have been busting their butts for months. This guy is hot! And so is 'Body To Body'!"

Program Producers

CHRISTINA STURGIS, WESTWOOD ONE (213-204-5000): "Summer heads for a close and Westwood One thanks you for your tremendous support during the summer with Diamond Dave's Barbeque, live concerts with Robert Palmer and Julian Lennon, the Stones' Special, Mary Turner's interview with Don Johnson, and Amnesty International... There's much more to look forward to with Westwood One's Beatles' Thanksgiving, our HBO simulcast with Prince's Trust Concert starring Phil Collins, Paul McCartney, Mark Knopfler, Bryan Adams and much more. Plus year-end specials with John Lennon and the Rock Year: 1986...Line One Upcoming: Stewart Copeland, The Fixx, and the Fabulous Thunderbirds."

MICHAEL HUGHES, THE SOURCE/NBC RADIO ENTERTAINMENT (212-664-5100): "Congratulations are certainly in order for Andy Denmark! Andy has been appointed to Director of Programming for NBC Radio Entertainment and the Source. Andy has been one of the guys who made everything work around here for a long time...Special thanks to all the stations running our 'Paul McCartney Album Party' and 'Great Moments In Rock'. It was a Labor Day Weekend full of great programming. It continues...This month (now speaking of September, of course) brings the long-awaited follow-up to 'Private Dancer' with 'Break Every Rule' and the 'Tina Turner Album Party'! If you are not on the roster of stations running this program on Thursday, September 25, call your NBC representative today and reserve it for your market...Also, it's a big month for the 'Legions Of Rock' with Led Zepplin, and on 'Profile '86' we feature Journey."

The Airplay Index is our ranking system for the amount of play on albums as a whole. We determine rankings by totalling the emphasis points on cuts.

The methodology for our Top 50 markets Metro Index is the same as our Airplay Index, but instead of using the full sample base, we calculate the ranking from airplay reports from the Top 50 markets as defined by Arbitron.
