HOOTERS LP......SLADE ...... URGENT ....... SKAGARACK

HOOTERS, "ONE WAY HOME", COLUMBIA Make no mistake about it. On "One Way Home" the Hooters more than live up to the promise of their platinum debut. More importantly, they make their mark as one of the decade's most distinctive, reliable and contemporary bands. There's appreciably more maturity and less pop as the Hoots negotiate new turf, stretching out and expanding on their unique sound to include rock 'n reggae rave ups, eerie edge city excursions and folk-rooted jigs. You already know about the Top 15 airplay, Top 10 Most Requested "Johnny B.", so give a hoot and fire up the much deserved depth charges sans haste. We like "Satellite", "Karla With A K", the title track and the stunning epic "Graveyard Watz". Waltz". Watch it come home in a big way.

SLADE, "OOH LA LA IN L.A.", CBS ASSOCIATED Face it, we were all ready to write off Slade as ancient Glitter Rock history until their 1984 "cumback" produced two highly successful singles' "Run Runaway" and "My Oh My". As with those recent hits, the 1987 model of the mighty Slade machine hones in on roundhouse melodies, flawless production (this time courtesy of Roy Thomas Baker), and a sound that rocks but doesn't crunch. As a "Roxanne"-like rhythm guitar bashes out the opening chords, Noddy Holder's rabble-rousing voice unleashes a witty look at life on the road in America from a Brit's perspective. Slade just turned 21, and it's hard-driving, good-humored boyz noize like this that's made them one of the most durable bands of them all. Let your listeners feel the noize!

URGENT, "I CAN'T TAKE IT NO MORE", MANHATTAN/EMI You needn't look any further than Whitesnake, Motley Crue or Tesla to realize that the make-it-or-break-it criteria for successful core rock today is quality and credibility. In that regard, the leadoff track from these New York rockers' 2nd Lp scores big points. Michael Kehr and Yul Vaz's guitars growl like Judas Priest at their most melodic (no wonder, with Priest producer Tom Allom behind the board), while the song's harmonies and pop structure provide the optimum mainstream balance. And ain't it about time for an update on the classic stick-it-where-the-sun-don't-shine message that's colored some of rock's most amusing lyrics? A major step forward.

SKAGARACK, "I'M ALONE", MCA So what exactly is Skagarack anyhow? Some sort of ska-influenced, adventure club outfit that we'll all soon be hearing about via the college/alternative circuit? Sorry, Molson breath, this Denmark-based fivesome has more in common with Triumph or Giuffria than with any green hair skinny puppy types. And the band's name refers to the sea between Denmark and Norway, you know the European equivalent of Boston or Kansas. Combining a refreshing simplicity in instrumentation and arrangement, with strong falsetto harmonies in the Rik Emmett tradition, Skagarack creates rock that's brawny yet melodic, with biu fat hooks and a befty singalong chorus. Dive in. brawny yet melodic, with big fat hooks and a hefty singalong chorus. Dive in.

## AUTOMATICS

Depth Trax From Established Albums

#### TOM PETTY AND THE HEARTBREAKERS, "ALL MIXED UP", MCA

Tom's one of those timeless American artists whose music transcends trends and bandwagons. It's guys like him that set album radio apart from the pack, so when he delivers one of the strongest albums of his career, it's only logical to keep it playing in prime time. We picked "All Mixed Up" as a likely crossover choice when the Lp first hit, and now with the simultaneous single release, it's time to make sure this standout single belongs to your station. Besides, coming off a #1 and a Top fiver, who'd even consider holding out?

#### JOE WALSH, "IN MY CAR", WARNER BROS.

KLBJ's <u>Jeff Carrol</u> has the floor, "Joe Walsh's new Lp is loaded with guitar licks and hooks, the same that made him a superstar. Unwrap the album and take a bite of these tasty bits!" Obviously an ample portion of Rock Radio has paralleled <u>Jeff's exact sentiments as depth exposure on a few</u> tracks have been the order with "Got Any Gum?". However, the consensus back-up to the highly successful "Radio Song", (peaking #8 Trax, #10 Most Requested), has blatantly surfaced in the form of the infectious, hookarama "In My Car". New this week at a hefty 19 including WKLS, KISW, WFBQ, WDIZ, KXRX, KATT, WPYX and WEZX augmenting the cume to 39 (WNEW, WDVE, WEBN, KYYS, WQFM, WIOQ, WGTR, KLOL) and blasting the track 90-66\*, our #2 Trax Gainer. Get the message?!

#### WARREN ZEVON, "DETOX MANSION", VIRGIN

The new AOR-exclusive emphasis track finds Warren at his wittiest, highlighted by David Lindley's blazing lap steel guitar work and some of the excitable boy's best lyrics ever. Jay Baker, WFBQ tags it "Another quirky hit"; Lex Staley, WFYV finds it "Lyrically brilliant"; John Cooper, WPYX reports "Top 5 phones"; Mark Stevens, KKFM hears "Another Zevon classic"; David Anderson, WIOQ feels "Warren's pen is as sharp as a knife"; Jean Cashman, WZTA loves "His left of centerness" and Beth Kepple, WKLS puts it simply "We're into it". So are 13 other new believers this week including KFOG, KYYS, WFYV, WRCN, WTUE, WCCC, KNCN, WRKI and WXRC, inflating the cume to 30 strong and impacting an 82\* Trax debut. Check in soon.

#### SUZANNE VEGA, "SOLITUDE STANDING", A&M

As WCCC's <u>Harve Alan</u> puts it "Suzanne continues her major breakthrough." After an amazing run at album radio peaking at #13 Trax, #5 Most Requested, "Luka's" well on it's way to being a Top 40 smash, the album's sprinted past the Gold sales mark, and scores are discovering that Suzanne is the definitive '80s female singer/songwriter. "Classy and a cut above" reviews <u>Bob Walton</u>, WRDU; "Tip of the iceberg for this album" notes <u>Lenny Bloch</u>, WRCN; "#1 selling album, calls are starting on 'Solitude'" reports <u>Bob Welch</u>, WQBK; <u>Redbeard</u>, KTXQ feels it's the "Logical next step"; and "Everything she does is wonderful" enthuses <u>David Einstein</u>, WHFS. New on 9 including WCCC, WRDU, WOUR, WBAB, WDHA and WZEW, now on 19 including WNEW, WIOQ, WPYX, CHEZ, WMAD and KGRQ.

#### Continued From Previous Page

<u>Skare</u> claims "Their best effort to date!" and <u>Garrett Hart</u>, WAPL exclaims "Watch your keesters, this summer it's Twisted Sister. 'Hot Love' is <u>the</u> tune! These guys need to get on the airwaves again and with real religious fervor!" The Lp impacts 42\* National, 47\* Metro.

#### JON ASTLEY, "JANE'S GETTING SERIOUS", ATLANTIC

(20 New/90 Cume)...The mega success "Jane" has met with of late is a lesson in perseverence. And my how that perserverence is paying off. In addition to posting the week's #3 National and Metro Lp Gainers, 38-32\* and 37-33\* respectively, 20 more stations get "Serious" (#10 Most Added including WQFM, KZEW, WKLS, KLOL, KTXQ, KGB, WFYV, CFOX, KOMP and KTYD), augmenting the cume to a fat 90 and spearheading a 40-31\* Trax jolt. And the listeners are getting serious too as Top 5 calls at 10 produce a 15-13 Most Requested surge...<u>Ellen Gerdes</u>, KYYS steps up "Jon Astley has a hook that will keep creeping up in your mind. Definitely try out this track"...Considering the intense listener response, we think that's great advice.

#### FLEETWOOD MAC, "ISN'T IT MIDNIGHT", WARNER BROS

(18 New/124 Cume)...WYNF, KBPI, KSJO, KDKB, WFYV, CFOX, KBER, WXRC, WPYX, KLBJ, KLAQ, WBLM, KDJK, WIXV, WUVA, WIBA, KGGO and WJXQ put the needle to The Big Mac's latest emphasis cut, bringing "Isn't It Midnight's" cume to a hefty 124. With added stimulus from increased air at a dozen (WRIF, WFBQ, WBYR, WBRU, WIOQ, WKGR, KWIC, WZZO), this Mac track elevates to Top 20 status on the Hot Trax 100, 27-20\*. Included in the now playing count are 15 Max mentions and Heavy rotation at 48 more. This bad boy should be closed before the clock strikes 12.

#### SAMMY HAGAR, "SAMMY HAGAR", GEFFEN

In one of the more impressive airplay chart achievements we've seen lately, the Red Rocker moves into the Top slot on all three charts, as "Give To Live" upgrades 2-1\* Trax (while Top 5 phones at a massive 31 place it at #5 Most Requested) and the Lp follows suit, 2-1\* National and Metro, finally displacing the U2 disk after 16 weeks at #1. Providing much of the thrust is "Boys Night Out", new at 18 (WFBQ, KRXQ, KBPI, WLLZ, KZEW, KSJO, WSHE, KDKB); now on 72; soaring 52-40\* Trax, with Top 5 phones at KYYS, KICT and WRUF...And programmers continue to testify on the Lp's depth...J. David Holmes, KUPD endorses "With 'Boy's Night Out' and 'Give To Live' performing so well, I went over the LP with a fine toothed comb and came to the conclusion that 'Eagles Fly' is the cut" ... And Ellen Gerdes, KYYS closes with "Boys Night Out' keeps your teen crowd happy, your male 25-54 demo jammin' and your female listeners jealous that Sammy's not screaming 'Girls Night Out'." Hail to the new airplay King.

#### CHARLIE DANIELS BAND, "BOGGED DOWN IN LOVE WITH YOU", EPIC

(17 New/85 Cume)...The CDB's Rock Radio return continues to be one of the year's more pleasant and surprising success stories. "Bogged Down..." elevates 46-36\* Trax as 17 are new this week paced by WHJY, KGB, KISS, WHEB, WDVE, KICT, WIOT, WTUE and KBCO, where <u>Doug Clifton</u> finds "The big surprise of the week comes from Charlie Daniels. His new album is the most AOR accessible record he's had in years"...Speaking of accessibility, "Bogged Down..." is now on 85, seven of which increased air (WFBQ, WFYV, KDKB, WRXK, KWIC), 22 more in Power/Heavy, and Top 5 phones at KTXQ and WYBR...WDVE's <u>Anthony Alfonsi</u> makes this prediction, "Bogged Down...' should bring them back into the spotlight." We agree.

#### JON BUTCHER, "WISHES", CAPITOL

(16 New/53 Cume)...<u>Lex Staley</u>, WFYV takes the podium "Jon Butcher comes up with a great sounding song in 'Wishes', reminiscent of 'Castles Made Of Sand' by the great one. And with such strong performances out of 'Goodbye Saving Grace' and 'Holy War', this song should be an automatic on any AOR playlist"...Thus far, "Wishes" has landed on 53 AOR playlists including newcomers KDKB, CFOX, WFYV, KLAQ, WAOR, WQBK, WEGR, KEZE, WAAF, WTUE, WYBR, WKQQ, WUVA, KJOT and WWWV. As six increase rotation and KRXQ, KMBY, KWIC, KZEL, KJOT and WTCS report Top 5 phones, "Wishes" soars 65-53\* Trax, while holding firm at 36\* National.

#### U2, "SPANISH EYES", ISLAND

(15 New/130 Cume)...This track's performance is destined to go down in the record books under the "Amazing B-Sides" category. U2's "Spanish Eyes" smile at another 15 this report (KSJO, KZEW, WLUP, KMOD, KBER, WIOT, WRXL, WŁZR), bringing the now playing count to an incredible 130. Factoring in 23 increases (KLOL, KGB, WIOQ, KTXQ, KLOS, KUPD, WEBN), and 74 Max/Heavy rotation locations and "Spanish Eyes" leaps into the Hot Trax Top 20, 25-17\*. And the phones remain the same--ringing off the hook to the tune of 18 Top 5 mentions and a hold at #9 Most Requested.

#### LOS LOBOS, "LA BAMBA", SLASH/WB

(15 New/81 Cume)...On the wings of another superb week of activity for the title track, the "La Bamba" Soundtrack Lp is this week's #1 National, #3 Metro Album Gainer, accelerating 43-35\* and 42-38\*, respectively. Providing the thrust for those Lp gains are another 15 (KSJO, WXRK, WKLC, WRCN, WEGR, KPOI, KKFM, KKDJ, WLZR) fresh spins for Los Lobos' "La Bamba", coupled with increased airplay at 13 (WBAB, WBRU, WHCN, WIOQ, KGB, CHEZ, KZEL). While elevating 43-33\* Trax, Top 5 phones at 10 induce a Most Requested debut at #11...Kelly Cruise, WEGR is pumped "Everybody La Bamba! This all time classic becomes a real party tune in the hands of Los Lobos."

#### DAVID BOWIE, "BANG BANG", EMI

"Bang Bang" is already a Top 5 request item at WIZN. Have you got yours yet?

#### ROGER WATERS, "SUNSET STRIP", COLUMBIA

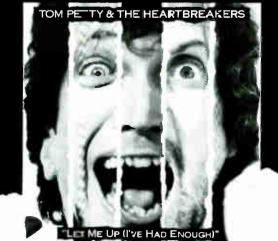

(15 New/65 Cume)...Roger's second emphasis cut from the "Radio K.A.O.S." Lp is this report's fifth ranked Hot Trax Gainer as 15 new commitments headlined by KYYS, WFYV, WSHE, WYNF, WPLR, WAAF, WQBK, WLNZ, WTUE and WMRY catapult "Sunset Strip" 57-43\*. Of the 65 stations now playing it, WRKI, WOUR, WBLM, CFOX, KSQY and WYBR increase rotation, KRQR and WZEW spin in Power, and 20 more rotate in Heavy (WBYR, KFOG, WFYV, KGB, KGON, KLOL, KOME, WYNF, KZAP, WRKI, WRXK). Top 5 requests are reported by WFYV and WYBR. Cruise the strip.

conveys "A brand new song that had me on my feet and movin' at this week's music meeting is the Silencers. I've liked 'Painted Moon' since day one, but when you play the Lp version with that smokin' harmonica intro--lookout!"...And KDJK's <u>Beaver Brown</u> advises "You can't go wrong by adding 'Painted Moon.' It's a hit!" Yessir.

#### THE TRUTH, "UNTIL IT BURNS", I.R.S

(14 New/45 Cume)...The truth is, this follow-up has done the job in regards to perpetuating the momentum The Truth established with the highly successful lead track "Weapons Of Love." A fiery 78-65\* Hot Trax rise is motivated by fresh air at 14 including WHEB, KMOD, KLBJ, KATT, KEZO, KBAT, KZRR, CHEZ, WGIR, KFMG and KGRG. Also among the 45 stations currently playing are WNEW, WNOR, WQFM, KTXQ, WMRY, KWIC, WMGM, WHTF, WDHA, KLPX, WAPL and WPLR, with increased air at KBPI (Power) and WMJY, while KFMF, WAAF, WNOR, WPLR, WPYX and WYBR are already in Heavy. The Album Action charts show a 44-43\* National move and a firm hold at 41\* Metro.

#### DAN FOGELBERG, "IT DOESN'T MATTER", FULL MOON/EPIC

(11 New/34 Cume)...It certainly would seem that it matters a great deal to Rock Radio programmers. Now that Dan has reestablished himself as an artist who fits the format with "She Don't Look Back", more and more stations are discovering the Lp's depth. The follow-up cut "It Doesn't Matter" is already on a fast 34 as 11 are new this report (KDKB, KXRX, WCCC, WBYR, WPLR, WMRY, KJOT, KKFM, WHMD, KZOQ, KGRQ). As WMJY, WGIR and KSQY provide play hikes and nine locations supply Heavy emphasis, Dan's latest effort elevates 75-69\* Trax. Trust us, it matters.

#### MOTLEY CRUE, "WILD SIDE", ELEKTRA

(11 New/30 Cume)...They said "Hey babe, take a walk on the wild side," and Rock Radio did. KGB, KMBY, WKLC, WEGR, WPLR, WAPL, KILO, KATP, KGRG, KWHL and WWWV are the latest to play the Crue's follow-up cut, producing a 95-90" Hot Trax jump. Already on a solid 30, "Wild Side" garners increased rotation at KRXQ, KDJK and KOZZ, is currently in Power at KNAC and Heavy at KISS, KOZZ and KRXQ. And it comes as no surprise to see KISS, KQRS, WXRC and WWZU reporting Top 5 requests even at this early stage, does it? Speaking of phones, "Girls, Girls, Girls" is still a certified switchboard mauler at #4 Most Requested. Can you say "Continued mega sales?"

#### CROWDED HOUSE, "WORLD WHERE YOU LIVE", CAPITOL

(11 New/21 Cume)...Their first two tracks were certified Top 10 smashes, and don't be surprised if track #3 follows suit. The format is absolutely delirious...Among the 29 four-star rave reviewers are <u>David</u> "Great, fantastic, brings tears to my eyes" <u>Anderson</u>, WIOQ; <u>Ty</u> "A beautiful piece of work" <u>Banks</u>, KQWB; <u>Brian</u> "They're 3 for 3" <u>Krysz</u>, WKLC; <u>Jay</u> "This band has a lot to offer" <u>Baker</u>, WFBQ; and <u>Ellen</u> "Another tasty hook" <u>Gerdes</u> KYYS. WPLR's <u>Christina</u> is convinced, "No question, it's another hit." We totally agree, and the early stats certainly support our claim. New play at 11 paced by KYYS, WNEW, WHCN, WCCC, WHJY, WPDH, WAAF and WRCN, and 21 current mentions (KRXQ, WBRU, WAQY, WOUR, WDHA, WIZN, WWZU, WXXP) stimulate a Hot Trax debut at 92\*. Now take a tip from KGRG's <u>Aaron Vauqhn</u>, "World Where You Live' is without a doubt the strongest track on the album. If you're not playing it, add it now!"

#### X, \*4TH OF JULY\*, ELEKTRA

(10 New/58 Cume)...It looks like the fireworks will continue for X well past the holiday. On the 7th of July (last report

day), "4th Of July" continued to show all the signs of a firstrate reaction record as 10 stations provided fresh spins (WRXL, KPOI, KMBY, WAOR, WQBK, KATP, WLZR, KGRQ, WBLM, WIZN), WHEB and WRXK supplied increased rotation, WHFS, WLIR, WXXP, KRXQ, WHEB, KTYD, KFMH, KFMG and WRXK were already at Max/Heavy and 30 locations were taking a good, long look-13 of which said they were close. While the phones are Top 5 strong at WHFS, the airplay charts reveal 59-55\* Hot Trax improvement, and a secure hold at 47\* National. And the rockets red glare, the bombs bursting in air, gave proof through the night, that this X is just right.

#### EUROPE, "CARRIE", EPIC

(10 New/54 Cume)...Motivated by Top 5 calls at KBPI, WYNF, WHJY, KILO, KNCN, WXLP, KRQU, KJOT and KGRG, "Carrie" impacts the Most Requested ranks at #16, while new play at 10 (WFBQ, WQFM, KSJO, KMOD, KZRR, WRCN, WHMD, WKGR) and increased play at seven inspire a 62-54\* Trax trek, a debut at 45\* Metro, and this report's fifth ranked National Gainer, 50-46\*. Of 55 cume, nine spin Max/Heavy, while 25 more report Excellent/Good phones. And look for continued strong activity in the weeks ahead, as 24 consider--nine of which say they are close.

#### ROBERT CRAY, "NOTHIN' BUT A WOMAN", HIGHTONE/MERCURY

(10 New/40 Cume)...The stratocaster blues master's fourth emphasis cut gets the nod at 10 new this week including KZEW, WBAB, WIOQ, KKDJ, WMRY, WDHA, WGLU and WUVA, bringing "Nothin' But A Woman's" start-up cume to a weighty 40 stations. As the Hot Trax chart shows a 82-71\* rocket ride, KLAQ, KWIC and KSQY increase air and KFOG, WBRU, WNOR, WOUR, WLAV, WAQX, WHEB, WKQQ and WWZU already rotate in Heavy. Don't be surprised to see Robert among the nominees in several categories at next year's Grammys. Cray is here to stay.

## **BUZZBANDS**

The Most Talked About New/Developing Artists

#### PETE BARDENS, "IN DREAMS", CINEMA/CAPITOL

Cinema and Pete Bardens are off to a flying start as 13 new commit to "In Dreams" and an escalation of the major Buzz that was already brewing thrust Pete into our #1 Buzzband spotlight. Among those in this week are WMMR, KFOG, KBCO, WLNZ, KOZZ, KLPX, WZZO, WDHA and KRIX, stretching "In Dreams'" two-week add count to a significant 21 (WKLS, WIOQ, WLAV, KRXQ, WMJY, KKDJ, KICT). Along with another 12 considering/seven close, we heard tons of four-star raves from the likes of Patty "An updated Pink Floyd" Martin, KSJO; David "Atmospheric and deeply textured" Anderson, WIOQ; Beth "The most cosmic thing since 'Dark Side'" Kepple, WKLS; Jeff "A great adventurous track" Kauffman, WTPA; Alan "Quality piece of music" White, KILO; Kevin "Great texture, nice progression "Vargas, KWHL, and Cathy "Alan Parsons meets Pink Floyd" Down, WLNZ. This could develop into something big.

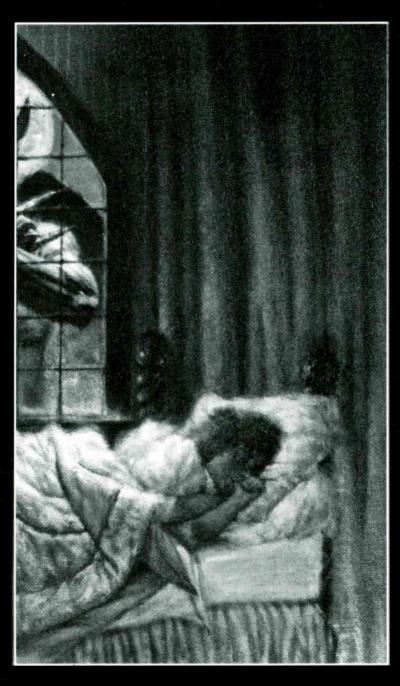

#### PAUL KELLY & THE MESSENGERS, "DARLING IT HURTS", A&M

The positive radio chatter was already in full swing before "Darling It Hurts" hit the streets, and thus it's no surprise to see Paul Kelly & The Messengers check in with a big add week from the get go. KRXQ and WHFS set the pace with early-bird adds, and joining them this report are more heavy weights--WNEW, WEBN, KUPD, WBAB, KMOD, WEZX, KMBY, KICT to name a few. And despite the fact that nearly half of our reporters hadn't heard the record come report day, the initial reaction from those that did was a rousing thumbs up. <u>Drew Dawson</u>, KBAT shouts "Really hot!"; <u>Redbeard</u>, KTXQ excites "It's great! A dashboard pounder!"; <u>J. David Holmes</u>, KUPD calls it "The most distinctive song I've heard this year";

## Sweet Dreams.

## "I COULD HAVE BEEN A DREAMER"

## BUZZBANDS

#### **Continued From Previous Page**

<u>Dave Kane</u>, WCMF hears "Exciting Rock and Roll"; <u>Stacy</u> <u>Yelton</u>, WKQQ quips "Darling It's great!"; <u>AI Branca</u>, WMGM sez "Love the psychedelic keyboards"; <u>Christina</u>, WPLR endorses "Great song, great record", and <u>Jeff Kauffman</u>, WTPA proclaims "Great rock and roll with energy." Listen up.

#### THE BEARS, "FEAR IS NEVER BORING", PMRC/I.R.S.

WOUR's <u>Tom Starr</u> takes center stage, "Gutsy programmers who recognize creative and performing brilliance that's good enough to challenge and win the audience are taking notice of the Bears. The story is just beginning but if there are still enough people with great ears and vision, it should have a happy ending." Yes, the story is just beginning, but what a beginning! Following last week's nine OTB adds, "Fear Is Never Boring" posts a big second week with 10 fresh spins paced by WRXK, KBER, WBLM, KOZZ, KRIX, WMJY, KFMH and WLNZ. Also among the 19 now playing are WKLS, WPLR, KICT, WLZR, KEZO, KBAT and WYMG, while a massive 47 more consider. We've heard quite a few rave reports about The Bears live performances. Adrian and the boys are wowin' 'em where ever they go. Keep that in mind during your next music meeting, and give this one your undivided attention.

#### PAT METHENY GROUP, "LAST TRAIN HOME", GEFFEN

Pat's bio and lists of awards and achievements (it's 9 pages long!) run the gamut from Best Jazz guitarist in nearly every poll and publication that counts (Guitar Player, Rolling Stone, Performance Magazine, etc.) to several Grammy awards and countless nominations. Beyond that, nearly every major newspaper in America has touted his talent and expertise. On "Last Train Home", the first release from the Pat Metheny Group in nearly three years, Pat once again teams up with producer/co-writer/pianist Lyle Mays to deliver more of that perfect 25+ ethereal, soulful and accessible jazz. Just out and already on 10 including KFOG, KBCO, WXRT, KBLE, WRKI, WMAD and KTCL. Catch it.

#### ROBERT VAUGHN AND THE SHADOWS, "JUSTICE", EXIT/ISLAND

More good stuff from San Diego way...Robert Vaughn's debut offering lands immediately on WMGM, WRXK, WHFS, KFMH and KBLE. Given the high drama of the arrangement, Robert's over-powering and passionate vocals, the emotion of the chorus and the relatable street rock feel of the track, we're certain when total impact occurs on "Justice" the format will openly embrace this valuable Album Radio cut. Take the time and listen. WMGM's <u>Al "Hit Man" Branca</u> calls it on this one, "'Justice' is the most refeshing record I've heard in awhile. Great hooks and quality vocals, somewhere between Springsteen and Costello". That oughta tap the curiosity line.

#### ECHO & THE BUNNYMEN, "NEW DIRECTION", SIRE/WARNER BROS.

Echo & The Bunnymen's "New Direction" has radio by the the ears...WLIR's <u>Larry "The Duck" Dunn</u> nails it: "This is their best single ever! Their most accessible for American radio".....WXXP's <u>Deb Brady</u> agrees: "Some of their best yet!" The Bunnymen nail majors WBCN, KROQ, KBCO, WBAB and 3 others joining the already playing ranks of WXRT, WLIR, WFNX, WXXP, WHFS, WRAS, WEQX and KTCL. If you haven't spent quality time with this project yet, you're missing some of the most refreshing, upbeat, deeply textured rock & roll to come out of their fold in years! Take a step in the right direction!

#### JEFF PARIS, "SATURDAY NITE", MERCURY

Just take a look at all the major call letters included in "Saturday Nite's" 47 station on tally---KISS, KRXQ, KTXQ, KUPD, WYNF, WHJY, WLŁZ, WFYV, WKLC, WDIZ, WHEB, WEZX, KBPI, WAQY--now check out the more than noteworthy new commitments from WQFM, WBAB, WNOR, KAZY, KDJK, KBAT and KEZE. On the strength of those fresh spins, increased air at WGIR, WOOJ and KSQY, plus Heavy rotation at KBPI, WAQY, KRQU and WGIR, "Saturday Nite" elevates 73-70\* on the Hot Trax 100. Now that the dog days of summer are upon us, this summer smoker is just what the doctor ordered to make those hot nights even hotter.

#### TONIO K., "I'M SUPPOSED TO HAVE SEX WITH YOU", CHRYSALIS

As someone once said, 'Sex is more than a novelty, it's a way of life', and on that note, a quick checklist glance showed us that Tonio K.'s "Sex" could be much more than a novelty item. With new play this week at 7 (WKLC, WRCN, KKDJ, KATT, KPOI, WTOS, KTCL) and another 27 considering, one should realize the phone potential of "Sex"....WKLC's <u>Brian Krysz</u> has: "With 1 play I got 25 unsolicted phone calls...this record has Krysz written all over it...play it!!" Take advantage of this priceless summer song now, and have a little fun while you're at it!

#### REFUGEE, "SURVIVAL IN THE WESTERN WORLD", POLYDOR

The potent Poly grabs OTB play at 6 including KATP, KGRG, KJJO, KNCN, KRQU and WKLC to go along with early believers KWIC and KXRQ where <u>Ron Garrett</u> tells it like it is: "Refugee's 'Survival In The Western World' caught my ear on the first play. Enough guitar to hold my interest, sharp keyboards, thick, rich bass and a drum punch that's bound to have them crankin' up the summertime radio. All this and lyrics that go beyond 'oh baby'!" With Refugee's north of the border signature sound, it's a safe bet that the goods are in the grooves and that Rock Radio will respond wholeheartedly. Be there!

#### THE RELACEMENTS, "ALEX CHILTON", SIRE/WARNER BROS.

Rock Radio's realizing that The Replacements have a definitive place on the format. WYNF, KICT, WRCN, WRDU and KRNA are in this week joining KZEL (Top 5 phones), WHEB, WMAD, KTYD, WLIR, WXXP, WHFS, KATP and 5 more already there. The Buzz on "Alex" is rampant. <u>Charlie Logan</u>, WYNF marvels "Fresh rock 'n roll for the '80s; motivational rock, very hip!"; <u>Alison Stewart</u>, WBRU "'Alex Chilton' is by far the most persuasive piece of music out there now!"; KICT's <u>Phil</u> <u>Thompson</u> 'hails "Inspiring and brilliant!"; <u>Beth Kepple</u>, WKLS "A stunning track!"; <u>Ty Banks</u>, KQWB "Unbelievably hot rock!"; <u>John Lassman</u>, KQRS "Marvelous!" and WHEB's <u>Chris Garrett</u> shoots straight, "Play it you fools!!" Now that's some pretty enthusiastic testimony. Try it, you'll like it!

#### THE CURE, "KISS ME, KISS ME, KISS ME", ELEKTRA

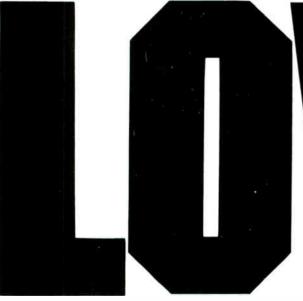

The Cure is currently enjoying quite the run at retail, but is being grossly overlooked by Album Radio. Since the arrival of the CD sampler airplay activity is seemingly once again on the rise. "Why Can't I Be You" continues to lead the pack with a cume of 17, including fresh air at WRKI, WHMD and KPOI, Top 5 phones at WCCC and WHFS; while WNEW, WBAB, KBCO, WLAV, WEZX, WDHA, WLIR, WXXP, WWZU, KTYD and WZEW maintain support. The bright and bouncy "Just Like Heaven" grabs KRXQ, WDHA and CHEZ, as KTXQ, WWTR, WMAD, KPOI, KZEL, KOZZ and WTCS fill out the cume. WHMD's "Catfish" Phil takes center stage, "Kiss Me' is simply elegant. Lp sales are blowing down the doors, concert tickets sold fast and airplay is almost nil. If you're a sicko like me, get the Cure!"

#### LEVEL 42, "RUNNING IN THE FAMILY", POLYGRAM

Level 42's incredible performance and success factor with Hit Radio can never be overstated. However, what can be understated is the treatment afforded this soulfully rich, 25+, mass appeal ensemble, by Album Radio. After all, with the concern of delivering upper demos to the format, what better way to go than with the EW & F of the '80s. "Running In The Family", the most rock relatable track on the Lp, is a sophisticated production piece, punctuated throughout by high octane horns and tasty changes of pace. It's energetic, atmospheric, funky, orchestral and best of all it's got style.

## WAX TO WATCH!

#### THE SAINTS, "YOU CAN'T TAMPER WITH THE TEMPLE OF THE LORD", TVT

These Saints just came marching off a successful national tour where Pollstar shows they've outgrossed World Party and Little America in some cities. Already tampering are KZEL, WHMD and WHTG.

#### HEGE V, "BURIAL GROUND OF THE BROKEN HEARTED", MTM

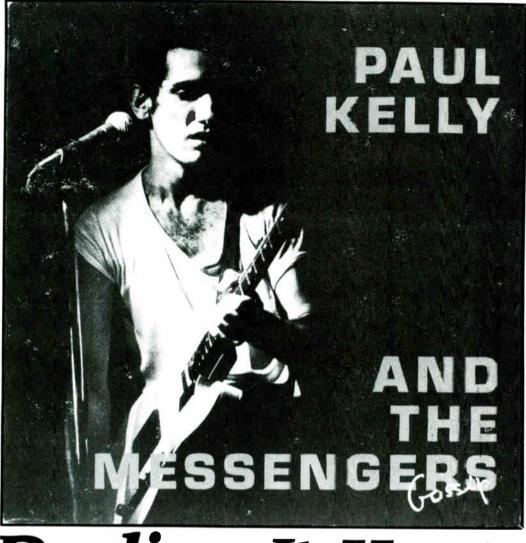

Hege's own brand of rural rock can't be called country, cowpoke or folk. It's brassy, it's ballsy and inimitable. "Burial Ground" is an uptempo tune with a hook a mile wide. (WYNF, KBCO, WKLC, KMBY, KZEL, WHFS, KICT)

#### THE LIME SPIDERS, "BLOOD FROM A STONE", VIRGIN

#### BONE TO RUN CHRYSALIS: FORMER ELEKTRA VP SET AS LABEL'S NEW PREZ

O f f i c i a l announcements are expected any second now on Elektra Senior VP Marketing/Promotion <u>Mike Bone's</u> move to Chrysalis as President. The appointment will make Mike the first promo exec to rise through the

ranks from album promotion to company president.

Joining Elektra four years ago as VP Promotion, Bone graduated to Sr VP Marketing/Promo in October

of '85. His extensive record industry history includes album promo positions at Arista, Mercury and GRC Records. At presstime, Elektra was still HUNTING for his replacement, while outgoing Chrysalis Prez Jack Craigo had yet to announce his future plans.

#### KFMG BRINGS BAEHR ON BOARD AS PD, UPS DAVIS TO ASST PD

While former KFMG, Albuquerque PD, now KNAC, Long Beach PD, <u>Tom Marshall</u> directs an airstaff comprised of people like <u>Thrasher</u>, <u>Scorchin' Scotty</u> and <u>Lady Die</u>, his old alma mater has just located his programming successor. As of July 9th, the KFMG PD chair was filled by <u>Karl Baehr</u>, most recently a regional manager for Albuquerque-based The Programming Consultants. Also included in Karl's radio background is a one and a half year stint at Santa Fe/Albuquerque Top 40 KIVA (Oct. '85-April '87), where he served as PD/afternoon drive under the name of Karl Kruise.

"Tommy Hadges, Jeff Pollack and I interviewed people from around the country," KFMG GM Jeff Guier told FMQB, "and we decided that the person we were looking for was right in our backyard. Although he comes from Top 40, he has some good Album Radio background. We're very impressed with him and feel he will do an excellent job."

Simultaneously, KFMG has promoted MD Michael Davis to Asst PD/MD. Guier anticipates no other staff changes, saying, "I

feel very good about the station's position right now in the community. I'm very comfortable with the Pollack people and where we stand in the marketplace. The new book is due out July 20 and I'm sure we'll maintain our market position and our position as Albuquerque's Album Rock leader."

#### MCKEON TALKS ABOUT RCA'S NEW ROCK RADIO COMMITMENT

We caught up with new Nipper Jim McKeon as he wound down one of his last days of basking in the California sun. As reported in last week's <u>DIRT</u>, Jim's New York bound as RCA VP Album Promotion, starting July 15.

"It took a hell of an opportunity to drag me out of California and away from a company I've loved working for for eleven years," said the former Columbia Director Nat'l Lp Promo. "But that's just what the opportunity at RCA is. In meeting with <u>Bob Buziak</u> and <u>Rick Dobbis</u> and discovering the plans and ideas and energy that they had put together for RCA, and then following through with some equally exciting meetings with <u>Eddie Mascola</u> and <u>Butch Waugh</u>, I just felt that it was a positive path that they had put that label on. They made it worth my while to consider the move, so here I go, reverse migration. I feel like a salmon going up against the stream. Everyone wants to come to California and I want to come to New York."

McKeon also feels RCA is on the brink of making a very serious impact at Album Radio. And coming from one who has steep AOR credentials--Jim's a former KWST, Los Angeles PD, has worked at WWWW, Detroit as Asst PD and jocked at WRIF and WCAR, Detroit--it's a thought not to be taken lightly. "I really sense that this label does have a serious desire to become a major force at Rock Radio and I want to be part of helping them do that. RCA has always been known for a great country roster, for lots of good pop product, and for Elvis Presley. But to me RCA is a legendary name in the world of music and the "R" stands for radio. And the people that are running the label understand that."

Jim will be assisted in the label's album department by Regional Managers <u>Hugh Suratt</u> (west) and <u>David Ross</u> (east). Comments VP National Promotion <u>Butch Waugh</u>, "Jim has spent eleven years with CBS Records and has built a great reputation for himself throughout the industry. His love of music and his enthusiasm are contagious, his energy boundless. We were looking for someone well respected and well versed in album radio promotion to go along with our commitment to

all our exciting rock artists and to the AOR format. The Nipper's future looks bright in album radio with Jim at the helm."

Joining CBS in 1976 as Epic's first Regional Album Promo Mgr, Jim upgraded to Assoc Director of Album Promo for Columbia in 1980. Two years later he was named Dr Nat'l Lp Promo, working with Columbia VP Album Promo <u>Paul</u> <u>Rappaport</u>. Reflecting on eleven years of working with Rap, Jim said, "One of the most difficult things for me to do was to leave my partner of the last eleven years behind. While I certainly leave him in one sense, being six blocks away and available for dinner or a magic show is certinly going to make up for it. I hope everybody has a chance to work with a guy who they professionally respect and who also happens to be one of their dearest friends in life."

#### DIRTY SHORTS

Look for a slew of personnel changes this month and next at Raleigh's WRDU. Already VP/GM <u>David Berry</u> has exited, with his replacement, current WXTC, Charleston, SC VP/GM <u>Phil</u> <u>Zachery</u> due in Raleigh August 3rd. And effective July 15, Op Mgr/PD <u>Ben Ball</u> resigns to join WZYC, Atlantic Beach as an Account Executive. Word is Ben's interested in persuing station management. That leaves MD <u>Bob Walton</u> navigating the ship as of July 15 and at least until August 3, when Zachary is expected to take up the task of locating Ball's replacement. Yes, friends, Bob is campaigning for the job...

KDKB, Phoenix has appointed Asst PD/Production Director, Chuck Geiger, to Acting PD, as MD Steve Trella takes on additional duties as Asst PD. Explains GM Chuck Artique, "With (former PD John) Sebastian gone, I needed somebody here who could maintain the reigns, momentum and direction. From a practical standpoint, Geiger was Sebastian's assistant, so we did that." Chuck tells us he's still reviewing and interviewing, and will intensify his PD search after the Phoenix book comes out on the 21st. "I want to see some things like who we're cuming with and some other options that may be available to me in the form of slight adjustments. Then I'm going to, in earnest, find a replacement for Sebastain." Yes, friends, Geiger is campaigning for the job....AND: New to KDKB as Production Director is Dennis McBroom, from crosstown KSTM.

WIOT, Toledo, the station that gave us wonderfully warped morning talents like <u>Pat Still</u> and <u>Buck McWilliams</u> has just farmed another morning show up to the majors. <u>Bob And</u> <u>Brian</u>--who 'IOT PD <u>Keith Masters</u> describes as "Irreverant but not shock jocks. They talk to their listeners, not down at them"--are set for morning drive at Milwaukee's WLZR, after wrapping up four years at 'IOT on the 17th.

Olympic Broadcasting has reached an agreement to sell KKCY, San Francisco to Pacific FM Inc., owner of KOFY-TV and KOFY-AM, San Francisco, for \$11 million in cash. <u>Ivan</u> <u>Braiker</u>, President of Seattle-based Olympic, said Pacific FM had made an unsolicited bid for the station and that Olympic had lost about \$2 million since buying KKCY in 1985. <u>James Gabbert</u>, Prez of Pacific FM plans unspecified changes in the format and call letters, with the general feeling being that they will go CHR and will probably be KOFY-FM. Odds-onfavorite is a very straight-forward CHR, since KMEL leans to urban. Cash has already changed hands, so look for new owners to take over as soon as August or September.

#### ARISTA ADDS MICHELE BLOCK TO AOR TEAM

Arista has beefed-up its AOR promotion ranks with the

appointment of former Columbia Manager National College Promotion/Marketing <u>Michele Block</u> to the newly created position of Nat'l Album Promotion Manager. Based in New York, The A Team's new "Empress of AOR" starts July 13, reporting to Senior Director Album Promotion <u>Sean Coakley</u>.

"Michele will be calling album stations up and down the east coast and as far west as the midwest," Sean told FMQB. "She brings to Arista a tremendous background in college/alternative promotion and marketing which will be very useful here because we've signed about a half-a-dozen bands in that genre. (Arista Prez) <u>Clive</u> (Davis) has signed about eight or nine new Rock acts within the last six months, because we're really trying to make a very substantial input into that area."

Michele has four years of promotion experience at CBS under her belt, including a lengthy run in the college promo dept., a short stint doing secondary Top 40 promotion, and her most recent tenure as Manager Nat'l College Promotion & Marketing.

#### SKYNYRD RE-FORMS: PLAN NEW LP AND AMERICAN TOUR

Almost ten years ago a tragic plan crash took the lives of <u>Ronnie Van Zant</u>, <u>Steve Gaines</u> and others, and in turn brought an end to one of the most influential bands of the 1970's, Lynyrd Skynyrd. The band has reformed and is once again working for MCA. Skynyrd's manager, <u>Charlie Brusco</u> of Brusco Management, Ltd. (404-872-115), phoned the <u>DIRTI</u> hotlines with this statement:

It is with the utmost pride that I announce to all of you at radio something that I personally have dreamed about for 10 years is now a reality. On October 20, 1977, a plane crashed and a band that all of you have continued to support was stopped short of becoming "the greatest American Rock and Roll band ever". On July 7, 1987, Gary Rossington, Allen Collins, Billy Powell, Leon Wilkeson, Artimus Pyle, Ed King and Johnny Van Zant met together in Jacksonville, FL and decided that everyone has waited long enough. Tom Dowd is, as you read this, in a studio with members of the band getting ready material from the MCA archives for a new Lynyrd Skynyrd album of songs never before released that MCA will be rush releasing. These songs have Ronnie Van Zant on vocals and some guitar work from Steve Gaines. A few are from the "Street Survivors" session. A few titles that might give you the chills--"Georgia Peaches", "Sweet Little Missy" and "The Charlie Daniels Band"--may give you an idea. MTV for the first time ever will be receiving classic live footage of "Freebird", "Sweet Home Alabama" and a host of other Skynyrd classics. The band will embark on a U.S. tour beginning September 24 in Reno, Nevada. October 20, 1987, the band will appear at the OMNI in Atlanta. Anyone out there with photos, old interviews, ideas or whatever, please contact me and we will try to get you involved. This has not been an easy project to put together, but the band and myself would like to thank Alex Cooley, Bill Graham, Irving Azoff, numerous folks at MCA, Frank Barcelona, Barbara Skydel, Lacey Van Zant, Larkin Collins, Ken Vickers, Joel Katz, Clayton Johnson, Bill Young, George Cappellini, Herbie Herbert, Michael Lewis, Tom Dowd, and everyone (you know who you are) for the support and help to turn an idea and dream into a reality. On behalf of the Lynyrd Skynyrd Band, I want you at radio to know that we look forward to seeing each and every one of you on the Lynyrd Skynyrd Tribute Tour, and we want you to know that the band appreciates your ten years of support. If you have any doubts these guys won't start off where they left off, remember the band knows that their greatest critics will be watching from above, and these guys aren't about to let down Ronnie Vant, Steve Gaines, Cassie Gaines and Dean Kilpatrick. This freebird is going to soar!

#### STATION TO STATION

As reported in last week's <u>DIRT</u>!, WFNX, Lynn, MA has moved its tower and increased the height, giving the station a clear signal in the Boston area for the first time ever. The tower had previously been located in Lynn, which is twelve miles outside of Boston, and is now in Medford, only six miles from Beantown. The changes were carried out on July 3. Commented PD <u>Michael Bright</u>, "Our new antenna height and its proximity to Boston has solved a number of our signal deficiencies within the city. While we don't have visions of huge rating increases, we do expect radio in Boston to get a little more interesting."

<u>Steve Alvarez</u> has joined KBPI and KNUS, Denver as Sports Director, effective July 13. Alvarez, who is retained as a sports anchor/reporter for local KUSA-TV, will be doing sports and feature reporting for the mile high combo in addition to his television work.

As reported in last week's DIRTI, Scott Reppert has relinquished his MD/morning drive responsibilities at WTCS, Fairmont, WV. Reppert is replaced as MD by Gary Deavers, who also switches from middays to take Scott's morning shift. Deavers, who has been handling middays for the past three years, joined the station in 1982 as a night jock. Concurrently, Gary Keen joins the station as the new midday announcer. Keen had previously jocked at West Virginia Country outlets WKKW, Clarksburg and WDNE, Elkins. Reppert, who had been with 'TCS for the past nine years, is taking an extended vacation from fulltime radio work, but continues to do his "Saturday Morning Classics" program. On Scott's departure, PD Nick Fantasia told FMQB, "Scott is still working the Saturday morning show and doing fill-ins, and right now he's home sorting baseball cards and watching 'The Price Is Right'."

KISS, San Antonio has named <u>Larry Stevens</u> as its new Production Director. Stevens, who will start on or around August 1, comes to KISS from Magnum Audio Visual in Dallas and has previously worked for WMGC, Dallas, KTFM, San Antonio and KELP, El Paso.

Omaha Gold outlet KEDS-AM has changed call letters to KEZO-AM and is now broadcasting a simulcast of sister AOR KEZO-FM.

Larry Bruce has inked a consultancy arrangement with AOR/CHR hybrid 2-DAY, Sydney, Australia.

Belinda Simmons, formerly of KEZE, Spokane joins KLAQ, El Paso for overnights. Belinda is the wife of KLAQ morning personality <u>Courtney Nelson</u>.

<u>Steven Kelly</u> exits Top 40 WZDQ, Jackson, TN to take on morning drive at WXLP, Davenport, IA. Steven replaces <u>Phil</u> <u>Maicke</u>. Completing 'XLP's new on-air line-up are: <u>Gary</u> <u>Lockwood</u> (who recently joined from KHHT, Minot, ND for Production Director duties) from 10A-2P; <u>Michael Steele</u>, 2-3P; <u>Gene Olson</u>, 3-7P; new MD <u>Haz Montana</u>, 7P-Midnight; <u>Timmo</u>, Midnight-5:30A.

<u>Mark Kessler</u>, formerly with WYNF, Tampa joins WRFX, Charlotte for afternoon drive.

New to WRXL, Richmond nights is <u>Liz Wilde</u>, formerly Liz West of Radio Luxemburg.

KILO, Colorado Springs MD <u>Alan White</u> has switched airshifts to 9A-12Noon. Reach Alan for music calls from 1P-5P, Wednesday through Friday. Malrite Radio VP/Research Jhan Hiber will head up a new division being formed within the company called Malrite Research which will provide research services for stations in markets in which Malrite doesn't own stations.

Denver Country combo, KBRQ AM/FM, have switched to a mainstream Gold format following the sales of the two stations from Great Empire to Shamrock, thus making Denver a three-Gold market. KRZN-AM and Classic outlet, KHIH, are the other two.

Thanks to inspiration from KROQ PD <u>Rick Carroll</u>, KPOI, Honolulu is now broadcasting a "Rock Of The '80's And '90's" format from 8P-Midnight seven days a week. KPOI PD <u>Greg</u> <u>Mundy</u> has wanted to implement this type of programming for awhile now and with guidance from good friend Rick, he now has. KPOI is still being consulted by <u>Larry Bruce</u>, and despite the special nighttime programming, is not an official "Rock Of The '80's" station.

At WSHE, Miami, <u>Charlie Kendall</u> has switched from mornings to afternoon drive, as <u>Drew Townshend</u> moves from middays to mornings and <u>Michael Dalfonzo</u> moves from afternoons to middays.

<u>Todd Fowler</u>, former KOMP, Las Vagas Asst PD, has replaced <u>Tim Siegrist</u> as PD at new Lansing Classic Rock outlet WMMQ. Siegrist is now with WSCX, Detroit.

#### MASS "HYSTERIA" HITS ROCK RADIO WEDNESDAY, JULY 15!!!

Now, after three years ... 12 songs, 62 minutes ... "We could have put out a dummy record and made a lot more money, or we could have left off four tracks and had a 45-minute album, but so what! We're not businessmen, we're just concentrating on being a band," commented Joe Elliott on the long-awaited and much-anticipated forthcoming DEF LEPPARD Lp. To say it's well worth the wait may be the grossest understatement of all time. FMQB staffers got the opportunity to enjoy this landmark Lp at a recent listening party and we were all pretty amazed. Def Leppard, along with the producer Mutt Lange, have gone and redefined pure rock. Each track is a sequentially progressive voyage to new frontiers of the rock genre. The appetizer, "Woman", arrives this Wednesday and will be shortly followed by a CD single, with a long and short version of the lead-off track, as well as an unreleased B-side entitled "Tear It Down", (also on the commercial 7" but not on the Lp). To wet the appetite even further, following is the all-star track line-up for "Hysteria":

#### **BANANA ALERT**

Be on the lookout for a blue-label jiffy bag arriving UPS that may be spurting yellow/brown goop and emitting a strange tropical odor. If the contents resemble a flattened, over-ripe banana, it's only because that's what it is. But consider yourself not the victim of a tasteless practical joke, just the recipient of a clever invitation gone awry. In keeping with the "Jungle Party" theme Atlantic has come up with for their hospitality suite in the Marriot Marquis during this year's New Music Seminar, the label's promo brain trust decided to send out invitations stickered to bananas. They bought stage-two bananas, which are hard and green and several days away from being ripe, and planned to send them out via overnight mail. But apparently, someone in the Atlantic mail room was monkeying around the day the bananas were to be shipped and sent them UPS instead. So rather than arrive fresh, yellow and just in time for lunch, many of the bananas got to invited guests brown, oozing and, in some cases, squashed beyond recognition. So much for etible invites. Commented Danny and Flash, who at the time we talked to them, were frantically making calls to explain the situation, "We're going ape over the gorilla-sized blunder in regards to the now famous 'banana mailing.' We hope to see all the survivors of

WBCN, BOSTON, JOHN BRODEY: All of us here proudly announce the official addition to our air staff of one <u>ANTHONY BERARDINI</u>--a former Prince Spaghetti poster child! Anthony is finally here in Boston where he belongs. He's doing 10-2AM and shaking things up...A big fat welcome!

WAAF, WORCESTER, P.D.-LEE ARNOLD, M.D.-JOHN DUNCAN: We're amazed and aghast at the slowness of some key radio stations in adding the best rock & roll Lp of '79– The Cars. Don't you guys know a hit when you hear one???

WDVE, PITTSBURGH, JOHN McGHAN: On the 2nd of July we ran our music poll all day long, every 2 hours, testing 8

songs...Here are some of the results: LRB "Reminiscing", 137 'Yes'; 97 'No'...Bob Seger "Till It Shines"; 491 'Yes', 445 'No'...City Boy "5705", 448 'Yes'; 262 'No'...Rolling Stones "When The Whip Comes Down", 277 'Yes', 99 'No'...Moody Blues "Steppin' In A Slide Zone", 312 'Yes', 251 'No'.

WKQQ, LEXINGTON DICK HUNGATE: KILLER SEQUE OF THE WEEK: "On The Border" by Al Stewart into "Stepping In A Slide Zone" from the Moodies...If you let the long sound effects intro of "Stepping..." play over the fade, it sounds oh so cosmic!

KAWY, CASPER, WY, FRED MOORE: FRED'S RADIO FANTASIES #1: Imagine what it would be like if contracts were standard practice in radio employment, and you could be traded! You would come to work one day to find out you've been traded to KAOR for their midday man and two parttimers!!

**MIKE BONE, MERCURY:** I went swimming yesterday with <u>BRUCE SPRINGSTEEN</u> (only because he is staying at the same hotel). The water was very warm, and the rock & roll was very loud. Radio in L.A. sounds terrific. It wouldn't do for me to live here cause I'd wear off my button-punching finger. In my opinion, from a technical standpoint, KMET has the edgel

RAY TUSKEN, CAPITOL: It's good to feel the energy building for more acceptance of jazz by album rock programmers. I feel that the emergence of the album rock audience and jazz music is already happening; it's valid and inevitable!

LENNY BRONSTEIN, A&M: There is another revolution coming in album radio which 95% of its programmers are foolishly fighting. For months now, I've been championing the ever influential and best selling instrumental music that everyone tries to ignore and avoid. Black music, jazz crossover, (my, do we invent cop out language), blues (why isn't B.B. King valid for 1978 when he's valid in '58, '68 and even 1972?) and even disco are a taboo worse than terminal VD to an album programmer. There are millions of people out there who are buying and supporting what we call the horrid crossover music and are listening to radio to be entertained. They'll punch in lively, pulsating, stimulating music where they can find it, and not keep the boring approach of "Stairway To Heaven" on their "Albummer" stations. Awake and arise! You can't be segregationists forever. Use your eyes and ears. Get on the street and check those "passive listeners" you hear about. They'll turn you on to music you never dreamed existed!

#### DIRTMAKERS:

<u>GREG GILLESPIE</u> has been named M.D. of KAZY, Denverreplacing Chris Lane who takes the MCA local gig.

TOM STARR returns to WOUR, Utica, NY as Music Director as JOHN COOPER goes to WQBK, Albany.

#### TRACE YOUR CAREER PATH.

college After in 1972, I left for Sumter, S.C. to take a part-time job as a T-40 jock. My first full-time job followed six months later at WGCD Chester. S.C. as News Director, In 1974 I moved to a job in Charlotte, N.C.

at WRPL as the morning guy and full-time salesperson. It was a roller-coaster of a situation. In six months I

was the new GM, still doing mornings, sales, production, you name it. 'RPL had become "Radio With Balls", among the most progressive stations you could imagine, Duke Ellington into The Eagles into Gil Scott-Heron. Our audience loved us. We made enough money to keep the lights on, and body and soul together. We had a bunch of fun. In 1977 I interviewed with Harold Childs for the local Carolina A&M job. I got it! In 1979 I was shipped to Philadelphia as local guy. Philly was fantastic! It's still among my fondest memories and favorite I worked with and met some wonderful people, cities. including my wife Linda. In 1982 I moved to NYC to do local A&M. In 1983 I was made an associate album guy, working with J.B. Brenner in L.A. In 1986 with the addition of Craig Lambert, I was made a Director of Album Promotion. The three of us are very tight. It's a privilege to work with them. Together with our local staff, it's a perfect situation.

### WHO WERE THE THREE MOST INFLUENTIAL PEOPLE IN YOUR CAREER?

a) First and foremost my father, Frank Cafaro, for giving me

a love of the English language and a desire to continue my education throughout my life. He also showed me that to respect people is to inspire them and that being a team player is a fulfilling way to reach your goals. b) Dr. James Rila, my philosophy prof in college, who taught me nuance and subtlety of thought and the importance of a "world view". c) Charlie Minor, for his "direct line" into the reality of the record business, his amazing energy and his capacity to stay motivated. He is goal oriented and he never lets little things or little people ruin his day or disturb his game plan. He's an inspiration.

WHO ARE THE FIVE MOST INFLUENTIAL BANDS OF THE 80'S?

Police (Sting), U2, Prince, ZZ Top, Bon Jovi.

WHAT WERE THE FIVE MOST OVERLOOKED BANDS OF THE 80'S?

Cure, Replacements, XTC, Payolas, Joan Armatrading.

WHAT ARE YOUR FAVORITE LEISURE TIME ACTIVITIES?

Movies, reading biographies and history books, swimming, getting to the Adirondacks as much as possible, following politics and baseball, and playing with my son Teddy.

WHAT WAS THE LAST BOOK YOU READ?

"1876" by Gore Vidal.

### WHERE WERE YOU AND WHAT WERE YOU DOING DURING THE SUMMER OF LOVE?

I was living at my parent's house in Hillsdale, N.J., running wind sprints in preparation for my first year of college football...no drugs, short hair and blisters.

#### WHAT'S HOT AND WHAT'S NOT?

What's hot: Compassion What's not: Designer pizzas

WHAT ADVICE DO YOU HAVE FOR THE "OTHER SIDE"?

Keep consultants out of music decisions and into formatics. Encourage bright, well-educated, articulate air talent. Don't live and die with someone else's research. Abolish light rotations.

The Rock Request is <u>GEORGE HARRISON</u>'s "Dark Horse" from 1974.

The very promising Scottish duo <u>HUE & CRY</u> are this week's interview guests.

It's been the week when you can hardly switch on the radio or television without hearing some mention of Island Records' 25th anniversary. As recluses go, <u>CHRIS BLACKWELL</u> has been very much in evidence giving some interesting interviews about the label's history and his hopes for its future. We've heard much about the early days of U2 as well. After being rejected in the UK by Chrysalis, by their Irish label CBS and by EMI, they finally signed their contract with Island in the ladies room at one of London's more downmarket venues The Lyceum Ballroom! More news on the anniversary bash next week.

To mark that anniversary, there's a double album compilation just out called "The Island Story", featuring 31 tracks from the last 25 years by people like <u>ROXY MUSIC</u>, <u>STEVE</u> <u>WINWOOD</u>, <u>JETHRO TULL</u>, <u>CAT STEVENS</u>, <u>GRACE JONES</u>, and the company's first number one, "My Boy Lollipop" by <u>MILLIE</u>. The album is being advertised extensively on TV.

News from New York that Latin American star <u>REUBEN</u> <u>BLADES</u> has just started recording his first English language album for Elektra Records with <u>LOU REED</u> producing one side and <u>TOMMY (GEORGE BENSON) LIPUMA</u> the other. And just listen to who's contributing material: <u>STING</u> has already donated a song for the LP and <u>ELVIS COSTELLO</u> is too-<u>ELVIS</u> may also perform on the record, which is expected to be released in October. says that the company is hoping the album will attract the same kind of attention to Latin American music that <u>PAUL</u> <u>SIMON</u>'s "Graceland" did to African.

- <u>ELVIS</u> has also submitted what is believed to be a new arrangement of one of his own songs to <u>ROY ORBISON</u> who is currently choosing tracks for an album..."The Big O" is also expecting a contribution from <u>BONO</u> who he met backstage after one of <u>U2</u>'s Wembley gigs.
- Anyone who was planning a UK visit to coincide with the One World/Big Strawberry concert would have been giving his travel agent nightmares...the date's been changed again, to sometime in December, so that a concert from Russia can be a part of the worldwide, satellite show.
- Plymouth's first rock festival has been cancelled. The event was to have taken place on July 18 featuring <u>SIOUXSIE &</u> <u>THE BANSHEES</u>, <u>PIL</u>, <u>SPEAR OF DESTINY</u>, <u>NEW ORDER</u>, and <u>THE DAMNED</u> but the promoter has become embroiled in a lawsuit with the owners of Plymouth Argyle's football ground, Home Park, and the dearth of good rock music in south-west England returns.
- <u>VAN MORRISON</u>'s next single, due early next month, will be "Did You Get Healed"...it's from the new LP "Poetic Champions Compose" which comes out a couple of weeks later.
- <u>WESTWORLD</u> scored a big hit first time out with "Sonic Boom Boy" but only a little one second time around with "Banana Bam Boom". Now comes release number three, "Where The Action Is", the theme from a new independent TV series called "Hold Tight". <u>WESTWORLD</u>'s first album is due later in the summer.
- The bizarre collaboration between <u>QUEEN's BRIAN MAY</u> and "queen of soap" <u>ANITA DOBSON</u>, star of the massively popular British soap opera "Eastenders", comes to light this week with the release of her single "Talking Of Love", written and produced by <u>MAY</u> who also plays guitar on it and even sings backing vocals now that's not something he even gets to do in his own band.
- The <u>ANDY SUMMERS</u> album "XYZ", already out elsewhere, gets its UK release on July 13, the same day as his single "Love Is The Strangest Way"...<u>BALAAM AND THE ANGEL'S</u> new single is "I'll Show You Something Special".
- <u>ROY HAY</u>, who as we reported launches his new band <u>THIS</u> <u>WAY UP</u> later this month with the single "Tell Me Why", told ROL last week that he thinks <u>CULTURE CLUB</u> is probably now a thing of the past. He doesn't foresee the band working together again, at least not in the near future, and says of their demise, "I think it's sad the way it all ended, the way the records didn't happen, although I think the last album, "From Luxury To Heartache", the <u>ARIF MARDIN</u> one, was actually very good. But because of the situation of the band at the time, it could have been "Thriller" and it wouldn't have sold." <u>THIS WAY UP</u>'s album is due out on August 31 with the accurate title "Feeling Good About It". It includes a very competent cover of <u>YVONNE ELLIMAN</u>'s "Saturday Night Fever" hit "If I Can't Have You.
- It's a fourth week at number one for the "Whitney" LP, which means that <u>MARILLION</u> had to settle for a new entry at two for "Clutching At Straws", something of a come-down for them as their last set, "Misplaced Childhood", entered the chart at number one in July 85. All the same, it's their fifth straight UK Top Ten LP and already the second-highest placed. Not

much other action in the higher reaches, the only real movement coming from the compilations albums "Hits Revival" (26 to 11) and "The Holiday Album" (40 to 17). <u>THE MISSION</u>'s album of early sides, "The First Chapter", enters at 35, one place higher than the 1982 <u>LUTHER VANDROSS</u> album "Forever, For Always, For Love" which never had an official British release at the time. Among the other new entries,

SWISS DUO YELLO come in at 48 with "One Second" and <u>THE</u> <u>DOORS</u>' "Live At The Hollywood Bowl" LP at 51. That's only the seventh UK chart album the ban d has ever had. <u>NEIL</u> <u>YOUNG</u>'s "Life" creeps in at 71, <u>STEVE EARLE</u>'s fine new country style debuts at 77 with "Exit O", British soul singer <u>PAUL JOHNSON</u> appears at 63 with his eponymous debut LP and, way down at the bottom there, <u>ROY ORBISON</u> has his album of re-recorded classics, "In Dreams: The Greatest Hits" in at 96, marking his appearance in our album chart since 1981. Back in early 1976, The Big O's "Best Of" set was a British number one.

- As that LP of old tracks by <u>THE MISSION</u> makes its chart debut, the band announce the release of their new single, "Heat", out at the end of August to coincide with their headlining appearance at the Reading Festival.
- As "Sold" the album fails to make any lasting impression on the UK LP chart, <u>BOY GEORGE</u> attempts to boost flagging sales with the release of the title track as his third solo single.
- <u>DONOVAN</u> returned to his homeland last week to do a one-off gig at the Hammersmith Odeon here in London before heading off to Europe. He now lives in California where he's working on a new album "Donovan Rising" featuring <u>KATE BUSH</u> and <u>STEVE JONES</u>, the ex-<u>SEX PISTOL</u>.
- <u>OZZY OZBOURNE</u> has been having further tests on his ear and may require more surgery...but it didn't stop him from playing a promotional visit to a west end record store to sign copies of his album and present one of his stage costumes and a sequinned cape to an in-store contest winner!
- THE ART OF NOISE have now released the "Dragnet" theme in the UK and we can expect a new album from them in September as well as the "Disorderlies" soundtrack.
- When you're used to needing binoculars to see anything of the action on-stage ... a pair of giant video screens are a welcome relief. PETER GABRIEL certainly knew how to make the most of this when he played 4 nights at London's Earl Court last week. You had the feeling that every dance movement, every lighting sequence, every angle of the video camera had been painstakingly rehearsed but the music managed to sound spontaneous and PETER looked like he was having the time of his life. Most impressive was his ability to sing and dance with equal energy and still design every facial expression, every hand movement especially for the camera...he was apelike for "Shock The Monkey", a manic robot for "Games Without Frontiers" and triumphant for "Solsbury Hill" and "Sledgehammer"...the audience lapped it up and rose to the anti-apartheid call as he performed "Biko" for the final encore. He was also joined on stage by support artist YOSSOU N'DOUR whose vocals feature on "So", most notable on "In Your Eyes".
- Silly band name of the week: a new signing to Virgin, with a single called "Piranha" just released, an outfit called <u>I SPIT</u> ON YOUR GRAVY.
- <u>GEORGE HARRISON</u> is one of 100,000 people who have signed a huge poster in support of multilateral freeze on nuclear weapons in the UK...<u>GEORGE</u> helped unveil the poster on behalf of the FREEZE organization of which <u>PAUL AND</u> <u>LINDA MCCARTNEY</u> are patrons.

Top 5 band <u>BROKEN ENGLISH</u> has put out an appeal to anyone who's offered a pair of guitars on the cheap following a robbery at his apartment. Everything else that was stolen, he can do without but he desperately wants his two treasured guitars...so if you're offered a scruffy but rare 1963 Telecaster with a sunburst finish or his Washborn semi-acoustic, let us know and we'll pass on the details..there's a reward too.

<u>GENESIS</u> have broken quite a number of records on their world tour which finally ended last Saturday - for example, no other artist or band has ever filled Wembley Stadium on 4 consecutive nights. The band stand to make a small fortune from the proceeds of the tour, but others will benefit too (apart from the promoter!). At their Glasgow concert they presented a cheque for 70,000 pounds to the Save The Children fund and last Saturday's raised around 75,000 pounds for the Prince's Trust. The Prince and Princess of Wales joined the 80,000 strong crowd and so did ROL presenter Graham Dene who introduced the show on behalf of the Trust.

Talking of charitable deeds...<u>LINDA MCCARTNEY</u>'s recent photography exhibition in Bath raised 10,000 pounds for Great Ormand Street's children's hospital...part of this sum was collected from the sale of a few thousand hyacinth plants which had formed part of a floral roadside commercial for the show...when the local police decided this advertisement was a safety hazard because too many drivers were taking note, the plants were uprooted and sold off.

U2 IS PLANNING TO RELEASE THEIR SECOND LIVE ALBUM before the end of the year. Like the last one, "Wide Awake In America", this material was also recorded on our shores. This time the band chose their five sold out shows at New Jersey's Meadowlands to roll tape. Lips are sealed about the content, but we can be sure to expect tunes from their most recent Lp, "The Joshua Tree", to appear.

ALRIGHT ROCK FANS, BRACE YOURSELF FOR LA BAMBA! The film, which chronicles the life of RICHIE VALENS, stars such rock notables as BRIAN SETZER (as Eddie Cochran), MARSHALL CRENSHAW (as Buddy Holly), BO DIDDLEY (as himself), HOWARD HUNTSBERRY (as Jackie Wilson) and LOU DIAMOND PHILLIPS in the starring role of VALENS. The movie, released through Columbia Pictures, hits screens around the country at the end of this month following a Los Angeles premiere next week. The soundtrack, which is available through Warner Bros., is worth picking up as it features the stars of the movie singing such classics as "Summertime Blues" (SETZER); "Crying, Waiting, Hoping" (CRENSHAW); "Lonely Teardrops" (HUNTSBERRY); "Who Do You Love" (DIDDLEY); and "Donna", "We Belong Together", "Charlene", "Goodnight My Love", "C'Mon, Let's Go!", "Framed", and the title track, which is also a single, from LOS LOBOS.

SPEAKING OF MARSHALL CRENSHAW, he plans to hit the road in support of his most recent release, "Mary Jean And 9 Others". The Lp, which was produced by DON DIXON (R.E.M., MARTY JONES) features the single, "This Is Easy". If you've never seen CRENSHAW, do yourself a favor and check him out. You won't be disappointed.

#### THE MOODY BLUES, HAVING JUST COMPLETED THEIR U.S. <u>TOUR</u>, are planning a short holiday, then it's back to work. The band will converge in their North London studio on September 21 to continue work on their forthcoming Lp, which should be released by mid-'88. The band has completed two new tracks to date. According to keyboardist PATRICK MORAZ, the new album, in his opinion, is better than their most recent Lp, "The Other Side Of Life". MORAZ, who has just released a solo album entitled "Human Interface" via Cinema Records, is planning a tour of his own in the near future in support of that record. He is currently composing a symphony for the pan flute which he hopes to complete before the end of the summer.

ROCK REPORT CORRESPONDENT KEN SHARP SPOKE TO ANDY PARTRIDGE of XTC recently. He told us about the forthcoming "Dukes Of Stratosphere" album. If you're unfamiliar with the DUKES let us enlighten you. They are a pseudonym for XTC and this is the second album they have recorded using that moniker. The first DUKES album, which actually was an Ep, was released two years ago and titled "25 O'Clock". The new album, called "Psych Sunspot", will be out through Geffen this month and features an amalgam of psychedelic styles including THE BEACH BOYS, THE BEATLES, THE HOLLIES and THE BYRDS. Some tracks to keep an ear out for are: "Brainiac's Daughter", which according to PARTRIDGE is "very 'Yellow Submarine'"; "Admiral Halsey"; and "Kaleidoscope" which sounds uncannily like JOHN LENNON. In other XTC news, the band is currently enjoying their most successful album to date with "Skylarking", which was produced by TODD RUNDGREN.

- THE ART OF ROCK: POSTERS FROM PRESLEY TO PUNK is a spectacular book of posters spanning three decades of rock 'n roll history. Compiled by PAUL GRUSHKIN (who you may remember as the author of "THE OFFICIAL BOOK OF DEADHEADS", the archivist for rock impresario BILL GRAHAM spent four years working on this book, which will be released in October via Abbeville Press. The book features over 1500 posters and is the definitive tome on the subject as there is no existing comparable collection. Keep a check on your favorite bookstore for this one.
- HOME BOX OFFICE has garnered the rights to THE SECOND ANNUAL PRINCE'S TRUST ALL STAR ROCK CONCERT. The pay channel will air the exclusive one hour concert in September. The show, which happened in June, features performances by BRYAN ADAMS, ERIC CLAPTON, PHIL COLLINS, ELTON JOHN, GEORGE HARRISON, RINGO STARR, BEN E. KING, MIDGE URE and PAUL YOUNG. - <u>HEART</u>: Heart is touring North America in their own private jet. It's a state-of-the-art plane with compact disc players, and VCRs. Pointing out the main difference between the cuisine of their private jet and a commercial airliner, Nancy Wilson says, "The best part about it is that we don't get served any cold rolls on board!"
- <u>PRINCE</u>: When Prince discovered he was unable to move his London concerts from Wembley to a smaller venue, he decided to take England off his tour itinerary completely and cancelled all of his dates in the U.K..

PETER WOLF BLAMES TOUR CANCELATION ON RECORD COMPANY REORGANIZATION: Peter Wolf has announced postponement of his first solo tour. The tour was scheduled to begin in Albany, New York. "It's very disappointing," Wolf says. "We were ready to get out there. Then all these problems with the record company's reorganization forced us to delay the tour until late August or September. I feel saddened for the fans, for the people who have been supportive, and for my band, which was getting a real buzz going. We spent several weeks in rehearsal and were all set to go. It's a pity," he said.

SONGWRITER LEONARD IS MADONNA'S MUSICAL DIRECTOR ON TOUR: Madonna's musical director on her "Who's That Girl" tour is Patrick Leonard. Leonard performed the same chore on her 1985 "Virgin" tour and wrote "Live to Tell", "La Isla Bonita", and "Who's That Girl". Before the tour started, Leonard had just completed producing and writing songs for new albums by Bryan Ferry, Jody Watley, Nile Rodgers and Kenny Loggins. Once the Madonna tour is over, Leonard will head back into the studio to begin work on Peter Cetera's next solo album.

<u>NEW LP, BUT NO U.S. TOUR FOR DIO</u>: Ronnie James Dio releases his first new album in two years on July 21st. The album, "Dream Evil", marks the Lp debut of new Dio guitarist Craig Goldie, who was featured on the Ep Dio released last year, "Intermission". All 10 songs were written and produced by Ronnie James Dio. The first single, "I Could Have Been A Dreamer", has been released, with a video for it to go into production shortly. Dio is planning only one U.S. date in 1987, an August 1st concert in Southern California to benefit a children's shelter fund. After that, Dio heads overseas for a festival tour that will include dates in Italy, Greece, Spain, Japan and Shanghai.

LORDS OF THE NEW CHURCH: The Lords Of The New Church are trying to sell stock in their U.S. tour, which just got underway. Five thousand shares of the "Mercenary Tour '87" will be offered, according to Stiv Bators. Says Bators: "Why should we have to worry about where we're sleeping or where our next meal is coming from when others can pay for the privilege of taking care of those things for us?"

<u>RICK JAMES</u>: Rick James is recording songs for a new album at his studio in Buffalo, New York. James has left Motown Records for Warner Brothers.

ECHO AND THE BUNNYMEN: Asked if there were any young groups around today with the passion and talent of The Doors, Ray Manzarek says he can think of two: Echo And The Bunnymen, who have re-done The Doors' "People Are Strange" for the "Lost Boys" soundtrack, and Bono Hewson and U2.

MANZAREK RECALLS DETAILS OF NIGHT OF DOORS' VIDEO SHOOT: "The Doors Live At The Hollywood Bowl" video comes out this month. It's the only sync sound, four camera, color concert ever filmed on The Doors, and it was the first time they had ever played a major venue in their hometown of Los Angeles. The group was just finishing a brief American tour and "Hello, I Love You" was heading to No. 1 on the charts. The Chambers Brothers and Steppenwolf were their opening acts. Ray Manzarek recalls it was a great evening. He says: "It was a hot, throbbing Fourth of July summer weekend. The Doors had just had dinner with the Rolling Stones. We had knocked back enough Mai Tais and Pina Coladas just to get loose. There was a tension and excitement in the air. We were nervous backstage. We hit the stage and 18,000 people screamed. We were ecstatic." Manzarek said they decided to film the concert because they believed playing the Hollywood Bowl would be a once-in-a-lifetime experience - and they were right. Filming was done at great expense using their own money, although even they didn't know what they were going to do with it. Manzarek says the video is the same concert fans saw that night and that there were no retakes.

DOORS DOMINATE GOLD, PLATINUM AWARDS FOR JUNE: The Doors dominated the Gold, Platinum and multi-Platinum album certifications in June, as the mid-year total for Platinum albums slipped behind the 1986 total at the midpoint. The Doors' entire catalog was finally submitted to the Recording Industry Association of America for certification and resulted in Gold awards for "Alive She Cried", and "Best Of The Doors". Platinum awards were for "The Soft Parade". "Waiting For The Sun", "Doors-13", "Best Of The Doors", "L.A. Woman", and "Greatest Hits". All passed the two million mark also to win multi-Platinum certification. Other Platinum awards last month went to Spyro Gyra, Kenny G., and Bryan Adams. Atlantic Starr, Whitesnake, Cutting Crew, Expose and Herb Alpert all received Gold albums. Thirty albums have been certified Platinum so far in 1987, down from 38 for the same period last year. Gold and multi-Platinum awards are running just about even with last year.

EURYTHMIC, BANANARAMA WEDDING SET FOR AUGUST 1ST IN PARIS: Invitations have gone out for the August 1st wedding of the Eurythmics' Dave Stewart and Siobhan Fahey of Bananarama. The gold and white invitation makes no reference to the event. Instead, it gives only the details of the chartered flight that will take guests from London's Heathrow Airport to the ceremony in Paris. Meanwhile, in addition to his homes in Encino, California, and North London, Stewart is said to be negotiating for a \$1.2 million pound church in London that he plans to convert to a home for his bride and baby, which is due later on this year. In other news of the Eurythmics, the Kremlin has cancelled their concert in Russia, apparently because of the riots that occurred recently in East Berlin when the duo played near the Berlin wall.

PAUL SIMON TUCKS BILLY JOEL IN AFTER ROCK STAR SLUMBER PARTY: Paul Simon and Billy Joel were reunited when they played alternate nights at the Sydney Entertainment Centre and stayed on the same floor of the Sebel Town House Hotel recently. Reunited because, in New York, they are neighbors. Simon was one of the tenants who sponsored Joel's application to move into his exclusive apartment house although, according to Billy, he may have come to regret it. "One night, I knocked on Paul's door at about 3:00 a.m. in my pajamas and really out of it, and asked if I could come in and discuss the future of mankind or something," Joel recalls. "He was great. He let me in, heard me out, and then sort of half-carried me back to my own apartment. I bet he was thinking to himself, 'Oh no, why did I help get this guy in here?' but I've never done it again and we're still friends."

LOU O'NEILL JR. REPORTS from New York that Mick Jagger has just about settled on Hamburg, West Germany, as the kick-off city for his first solo tour in a 25-year career that parallels the history of rock 'n' roll music. The first date Mick and his band will play should be on or about September 22nd, with several additional concerts scheduled across Germany, where Mick has had a strong following for years, and where his first solo album moved a healthy 250,000.

TALK ABOUT A GLOBE-TROTTING band,...Omar And The Howlers. Last week, their never-say-die publicist Charles Comer took Omar and The Howlers literally around the world. Comer says, "We played the national TV show in Germany, along with Los Lobos, and when we returned to tape the second part the following day, bumped into Joe Cocker, who looks great." After the boys' second appearance on this national German television show was wrapped (it's called "No Filter"), the band made a bee-line to a Pan-American clipper for a non-stop trans-Atlantic flight to New York City, and from N.Y.C. they were off to Dallas, and then to Austin, Texas, where Omar and his Howlers raised hell for the Beach Boys' rocker in Austin's Zilker Park. Less than 24 hours later the band was on another trans-continental flight, this time 3,000 miles away to British Vancouver, Canada, where they headlined opening night at the C.B.S. Records Convention. That's a great slot for a new band.

MADISON SQUARE GARDEN EXECS can't believe that Pink Floyd sold out their 3 concerts for October 5, 6 and 7 in less than one day. In addition, the Floyd went SRO in hours for Jersey impresario John Scher, so that's six area blowouts all sold out in less than two days.

THE BILLY IDOL CONCERT that was cancelled a while back because of an asbestos threat, has been rescheduled for Wednesday, August 5th. Tickets for the originally scheduled show will be honored if holders get to the Madison Square Garden box office before July 15th. On Wednesday, July 15th, the Garden will release all the remaining tickets that were exchanged for cash. It figures to be one of the hottest shows of the summer season.

<u>'GLASNOST' -- THE\_NEW TERM</u> sweeping the U.S.S.R. for openness -- has finally begun to embrace rock 'n' roll. Other Americans on the bill included James Taylor, the Doobie Brothers, and, Bonnie Riatt. The stadium held 25,000 people. It was the first time ever that American rock bands were able to play in the U.S.S.R. The concert was put together in literally weeks by Bill Graham. Joe appears in New York City on Monday, July 13th, at the Ritz as part of the New Music Seminar.

#### SHE'S GONE CELIBATE

KSHE morning show member John "The U-Man" Ulett went on the air claiming that he was celibate and was starting a Celibacy Club. As "The U-Man" put it,

"Everyone should be in some kind of club; it might as well be mine." The station has membership cards made up that everybody can get by sending a self-addressed, stamped envelope to the station. People are joining by the thousands and the cards will soon be good for certain KSHE functions. As more and more people become distinguished members they'll be coming up with the <u>Gold</u> "U-Man" Ulett Celibacy Card.

The official "U" Man Celibacy Club card!

Oh, by the way, while we're on the subject of KSHE, Mets fans out there may be interested to know that the KSHE Morning Zoo is going to have a special 200 seat section at the baseball game called the "Metred" section. As <u>everyone</u> knows, "Metred" is extreme hate of the New York Mets!

#### KATT IN THE KOPTER

Pat Welsh is the Program Director of KATT in Oklahoma City, but he also manages to find time in his busy schedule to do the

morning show as well. Pat took some time out recently to tell us about a bit that landed him a fulltime character on his show: "There's a yuppie newspaper in town that comes out once a week. It's got a lot of events that are happening around town and they cover a lot of music and things of that sort. Every year they have a poll called 'The Best Of Oklahoma' where they list the 'Best Of' in many different categories. Well, our morning show has a character who is supposed to be a helicopter pilot as a goof on the other station's that have real helicopters. We put this guy in another office on a two-way and he makes helicopter sound effects. I thought it would be real obvious to everbody that it was just a goof. It turns out that it wasn't a lot of people thought that we had a copter too. I thought we'd only do it for a short time, but about a week after we started the bit the 'Best Of Oklahoma' ballot came out and one of the categories was 'Best Radio Traffic Reporter'. We put a big push on to get this guy 'Ranger' Mike to win 'Best Radio Traffic Report'. We told everybody to vote for him and we had him standing around on different street corners giving out stickers. It ended up in the voting that he finished second to the news/talk station. We gave him lots of grief on the air about him only finishing second, and to that AM station, the one that doesn't play any music. Since then 'Ranger' Mike has become a regular character on the show"

#### KFMQ BROADCASTS FROM BED

KFMQ, Lincoln, Nebraska morning man Joe Skare recently had reconstructive knee surgery and he found a way to work his recovery into a bit/promotion. Joe explained, "I was out for a

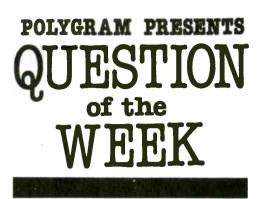

couple of weeks after the surgery and the doctor told me I could go back to work, but I had to take it easy." So KFMQ arranged for Joe to broadcast live from bed.....a waterbed! "We broadcast live from the Land And Sky Waterbed Store for a full week and I was taken to work everyday in an ambulance! I was picked up at 5:00AM, the ambulance drivers put me on a stretcher, wheeled me into the store and dumped me on the bed." Linda Kelley, the other half of the morning team, met Joe at the store and broadcast with him there. Donuts and coffee were available for any listeners who wanted to stop by, and a fish bowl was on hand for people to donate money for the MDA. A couple hundred dollars were raised and the waterbed store kicked in a percentage of their sales that week as well.

How do you prepare for a job interview? What's the best advice you have for someone about to interview for a job? What was the strangest question you were ever asked in a job interview?

CHARLIE KENDALL, WSHE: "I think the chief point of preparation for a job interview is to have your confidence level at just the right point so that you're assured, but not cocky. The things that you should have together include an up-to-date resume (you'd be amazed at how many resumes I get that are a couple of years old) and an example of your work, a station composite, an air-check--whatever it is you do, have a sample of your work. And you'd better be ready to be persistent, because it's that kind of business. If you're young and the person you're calling doesn't know who you are, after a while they're going to remember you. You don't want to make your persistence a negative impression, but you do want to make it known that you're definitely interested and that you're available to do the job. As far as the strangest question I've been asked -- for me it's been unusual over the last ten years, because I've usually been the person that's been called. I was on the receiving end of the call and I asked most of the questions because I was being courted and persued, so there really haven't been that many strange questions."

**RUSS MOTTLA, KTYD**: "I don't really prepare for job interviews, preparing for a job interview is the work experience you've had up until that job interview. There's not really a necessary way to prepare...The best way is to get a good night's sleep and know the type of job you're going for and your skills match up to that job. If you have confidence in that, there's not a lot of preparation you need to have. This is a combination of the strangest and the best questions. It's strange to the perspective employee, because they don't expect to be asked this question in a radio interview. But the question is: 'What are your favorite all time movies and what TV shows do you watch?' It hits most people like a left field question, but it's a good question to ask to find out where peoples' heads are at, as far as life in mainstream America and how it relates to an audience."

JIMMY CHRISTOPHER, KISS: "First of all, I like to go into an interview prepared, know about the station and the market. I wouldn't necessarily go in a tuxedo, but appearance does count. I usually sit down with pros and cons and questions about the job I'm interviewing for and the one I already have; it helps to weigh out those decisions, the advantages, etc. The big thing is to be prepared about the station, if you're replacing someone that has left, it helps to contact them to find out more about the situation, the G.M....Nothing comes to mind about the strangest question, but there definitely has been a few."

TED UTZ. WMMR: "All my job interviews have been in bars or restaurants, so be prepared to go with the flow and don't start answering the questions before they're asked...What's the strangest question I've ever been asked in an interview? Besides this one?! It was from one of those guys in a bar who asked me: 'Son, how come you can't keep up with me? If you want this job, you better join the big leagues."

### POLYGRAM ROCKS RADIO ROCK N' QUOTE OF THE WEEK

"Refugee's 'Survival In The Western World' caught my ear on the first play. Enough guitar to hold my interest, sharp keyboards, thick, rich bass and a drum punch that's bound to have them crankin' up the summertime radio. All this and lyrics that go beyond 'oh baby'. Polygram's hot again, get serious with it! I did."

### -Ron Garrett/KRXQ

TOM EVANS. WIYY: "On golly, I hardly <u>ever</u> change jobs myself, but when I do-first, I call the realtor to see how much equity I have in my house. Then I use my Beacon's frequent mover card (move three, get the fourth one free)...When going for an interview, don't ask about money first off and don't barrage the PD with phone calls, because if the PD's interested he/she will contact you...If I answered that question fully, FMQB would be as thick as the Sunday New York Times."

**<u>GREG GILLISPIE</u>**, <u>B/A/D/E</u>: "To find out as much as I can about the people and company I'm interviewing and make a list of questions I want to ask to find out about the company. I would find out how the company conducts business and dress accordingly. Best advice: be prepared, be honest. If you're asked a question that you don't know the answer to, let them know that you don't know but you'll be back with an answer, ASAP. Dress appropriately. One of the most interesting questions I was asked was to list my weak points regarding

work. They asked me to list strong and weak points. Whenever I interview someone, I ask that one now."

GLENN STEWART. WHJY: "My preparation for any interview and the best advice I could give is to listen--really listen--to the station that one is applying to (and its direct competition) and then determine how your talents can not only fit into the organization, but improve it. Learn what <u>you</u> have that <u>they</u> don't have that they should want. I don't know what the strangest question ever asked of me was, but I'm sure it must have been Bryan Krysz who asked it."

KEN ANTHONY, KSJO: "I think the best way to prepare for a job interview is to not prepare, be yourself...Keeping with the same subject, I don't think it's a good idea to try to fool somebody. You really have to be relaxed and you have to be yourself because, as they say, first impressions go a long way. Either someone likes you or they don't. If you have all the qualifications for the job, then it's just based on personal chemistry, so if you're trying to be someone you're not, then the interviewer will detect that...The strangest question anyone ever asked me is: 'By the way, do you do any drugs?' I'm not going to tell you what I said-I was just thrown for a loop by that."

GARRETT HART, WAPL: "First of all I relax, clear my mind and I try not to get caught up in worrying about the interview itself. That way I feel cool and it's easier to respond to questions. I also write down questions that I intend to ask in the interview...The best advice I can give is not to settle for less than what you really need in a job situation. For PD's-it's good people, good equipment and signal, and a commitment from ownership to support the format...The strangest question I was ever asked was if I really liked Album Rock music."

CAREY CURELOP, WYNF: "Know as much as you can about the situation you're going into before you get there, so that you can speak to the situation that the potential employer is looking at. When you get the interview, be as honest and forthright as you can. If a guy asks you a question and you don't have an answer for it, tell 'em you don't have an answer for it. By the same token, if he asks you to give your philosophy on something, then give it to 'em. This guy's going to sum you up in the first five minutes...When I talk to people, the first thing I want to know is that they're shooting straight with me. That gives them a lot of credibility as far as I'm concerned. I've hired people that as far as talent goes, weren't as good as some of the people that I interviewed, but I hired them because they struck me as being people with integrity and I think it's extremely important that you demonstrate that during the interviewing process. The strangest question--I once was asked why I went to work in Detroit."

PAUL SULLIVAN, KXRX: "I try to let my talent do the speaking and forget about resumes. You don't get jobs by what's on paper; none of us even look at the resumes anyhow. It's all down to the presentation in the interview. Briefly, the hiring philosophy at KXRX is based on two levels. First, we determine the person's ability and how well that fits our needs. Secondly, we hire based on the individual's compatibility with the staff--how well they would fit in with the existing group. Best advice? I can't imagine anything more important than just being yourself-you're either right for the job or not. It's not going to help to get a job that's not appropriate for your demeanor."

SCOTT JAMESON, KYYS: "Thoroughly. Learn and understand that person's turf completely. I haven't had any really strange questions."

"What? WXRT, CHICAGO, IL M.D.-LIN BREHMER: ľm supposed to worry about music when Eric Show throws a pitch in Andre Dawson's face? Oh, it was a mistake? Yeah, well Al Capone made mistakes too. Eric, it's nice to have a We're having his children followed home from family. schooll...My favorite Fabulous T-Birds song appeared on the 1982 Lp. The song was called 'How Do You Spell Love?', and Peggy Apple hipped me to the song when it came out. If you missed it the first time, you can catch a fine new version on the Thunderbird's new album...Okay, maybe I was overenthusiastic when I said 'Painted Moon' would be a Top 10 album track by mid-July, but it's certainly moving in the right direction. This Silencers record runs deep. Check out 'God's Gift', 'I See Red', and my fave, 'I Ought To Know' ... A very strong WXRT contingent got out to see Webb Wilder and the Beatnecks last weekend. The man is a star! ... Well, sure, this is a great **Dead** album. Sure we're playing everything on the album. But I'll tell ya, I'm ready to start booking North Sea ferry rides for their fans. Isn't it curious that I would come back from vacation a homicidal maniac?...Oh, by the way, among the people I talked to about music while I was vacationing, not one of them mentioned breaker, prime move, worklist, or could recall any list of call letters playing their favorite records. Might I have misplaced the importance of charts? I hope not."

WCCC, HARTFORD, CT P.D./M.D.-HARVE ALAN: "This is the week of second and third tracks. Making major sales moves this week are Zevon and Fogelberg. Both albums are coming on strong. Second cuts for both this week...Suzanne Vega continues her major breakthrough. 'Solitude' sounded great in concert and will do well on the radio. Go see her show when it comes to your city...With all demos responding to this album, Crowded House flies with 'World Where You Live'."

KRXQ, SACRAMENTO, CA M.D.-RON GARRETT: "Ready for a Spend some time with the <u>John</u> pleasant surprise? Wetton/Phil Manzanera album. From side one try: 'It's Just Love' and 'You Don't Have To Leave My Life'. Okay, Geffen, you let it loose, let's see you work this one!...I felt strongly enough about the new Pete Bardens' 'In Dreams' to make it an out-of-the-box add. Now it's time to make another commitment to excellence and move this New Age rocker into medium rotation ... The new Beat Farmers' 'Dark Light' is rough, tough and too cool for words. These boys are for real. The Beat Farmers are bad! I'm truly-concerned over the number of stations reporting no adds as of yet. Off your ass, take some chances, stir some emotion--and remember, too much time in front of your computer screen makes your dick go limp. See val\*

week will be our first chance to check retail. I have no doubts that 'In The Dark' will debut at #1. 'Push', 'Muddy River' and 'Throwing Stones' are just the beginning...The big surprise of the week comes from Charlie Daniels. His new album is the most AOR accessible record he's had in years. We'll be finding out how many remember Charlie and the boys by starting with 'Bogged Down In Love'...The Beat Farmers are quickly becoming a staple for us at 'BCO. 'Dark Light' should sound just right on Rock Radio ... Steve Jones has excited many alternatives and mainstream programmers alike with 'Mercy'. It's time for us to give him a try...Another band that I've spent some time with and have begun to like is Wire. We will try 'Madman's Honey'...On the instrumental front, new releases from Pat Metheny, Larry Carlton, Pete Bardens and Alex de Grassi all get adds into regular airplay ... Thanks to Ray Tuskin, Randy Robbins, Dave Womack from Capitol, and to Sound Warehouse for their help with our most successful livecast to date featuring Jon Butcher at the Boulder's Coast."

WMMR, PHILADELPHIA, PA M.D.-ERIN RILEY: "Wow! I go away for a week and the <u>Hooters</u> record goes on over 100 radio stations! You guys all have such good taste you should be commended. Wait 'til you hear the rest! No sophmore jinx here. 'Johnny B.' is only a small sample of what's in store for you Hooters fans...What's not to play on the <u>Grateful Dead</u> record? We certainly haven't found a song yet!!"

WBCN, BOSTON, MA M.D.-CARTER ALAN: "The Cruzados have definitely scored on their second excellent album, and 'Bed Of Lies' has been doing well on the air and building in requests...We've been working with the Fire Town record in light for weeks and finally upped it to heavy. We're also getting great phones for 'Carry The Torch'...The Grateful Dead album is guaranteed to please the Deadheads, and we can tell by their reaction on our phones. However, the great thing about 'Touch Of Grey' is that it has the capacity to hit the mass audience as well. The group sold out its Sullivan Stadium show with <u>Bob Dylan</u> on the 4th of July, and 'BCN plastered the air with cuts from 'In The Dark'. My pick after the single is 'When Push Comes To Shove'."

WYNF, TAMPA/ST. PETERSBURG, FL M.D.-CHARLIE LOGAN: "Replacements' 'Alex Chilton': These guys are happening. Fresh rock and roll for the '80's. Gritty guitar and that solid snare sound forge a driving song with an infectious hook. I've been humming it for days in the shower and while running on the beach. Motivational rock and roll. Very hip!...Ronnie James Dio's 'I Could Have Been A Dreamer': These guys have a smash on their hands. With Metal being so hot national now, Dio is in position for his biggest effort ever. Ronnie James has always been big in Tampa, now he'll be huge...<u>Great White's 'Rock Me':</u> This one will make the phones explode. Great dynamics really make it stand out on the air...And the <u>Cruzados</u>' 'Bed Of Lies': I didn't need tequila to hear this--a laid-back infectious groove that has captivated my senses."

KICT, WICHITA, KS M.D.-PHIL THOMPSON: "Back from an anything-but-restful 4th of July weekend, with all kinds of tunes running through my head...What's that song? 'Alex Chilton' by the Replacements--an inspired and brilliant tribute. How could I not add this record?...I'm also taken by this Paul Kelly And The Messengers track. 'Darling It Hurts' sounds like a potential '60's hit that was stashed away and was just found in a vault somewhere...The Fabulous Thunderbirds resurrect one of my favorite T-Birds tracks: 'How Do You Spell Love?'...And it wasn't hard holding to my promise of adding the new Beat Farmers. It's a natural!...Had a great time last Wednesday with Little America and Hege V. What a way to travell Nice hearse and nice hood ornament too. The guy wailed. Already rumors of Hege V coming back. And as they did last time, Little America filled the Palace with more sound than the room was capable of holding, so we had the roof removed. All in all, wild nights. Wish I could remember all of it, especially towards the end!"

WIOQ, PHILADELPHIA, PA M.D.-DAVID ANDERSON: "lt's 1987. Do you know where your tie-dyed t-shirts are?. The Grateful Dead have pulled a Sugar Ray Leonard-like comeback and have given us their best Lp since 'American Beauty'. This is the record our listeners really want to hear...There's a good early buzz on the Pete Bardens' record 'In Dreams'. Though we've only been on it a week, we're getting some positive response...I saw those veteran cosmic rockers, the Moody Blues, for the umpteenth time last night and was impressed, again. Their vitality and creative juices are still bubbling strongly...Before the concert I had the opportunity to hear a sneak preview of the new John Mellencamp single. It sounds like vintage Mellencamp and should do well...Thanks to Bobbi Silver and Brenda Romano of Polygram for a very nice evening. Also thanks to Denny Somach and Sean McKay for the visit with the Moodies' keyboardist, Patrick Moraz."

KLOL, HOUSTON, TX M.D.-HARVEY "DR. K." KOJAN: "And now, from the home office in Scottsdale, Arizona, it's time for another Top 10 list. We will be co-promoting the Replacements with Scruffy The Cat at the Beacon Theater on July 23. Next week it's two nights at the Ritz with Andy Summers. And, in August, it's a Cure Garden Party...The new a-ha single is receiving very good phones. a-ha may have a major success, a la Duran, with the theme to the new James Bond film ... The verdict is out among the Dailies in predicting the '87 World Series: It's the Yankees and St. Louis. I concur...I had to check the Screamer records to see when XTC's 'Earn Enough For Us' was Screamer Of The Week. It was December 4, 1986. This was XTC's first-ever Screamer and then they doubled with 'Dear God'. Talk about an album with staying power!...This week's Screamer Of The Week: The Cure 'Hot, Hot, Hot'...<u>Top 5 Phones</u> are: The <u>Cure;</u> <u>U2</u> 'Streets'; Replacements 'Alex'; Echo & The Bunnymen 'New'; Los Lobos 'La Bamba'."

KQRS, MINNEAPOLIS, MN M.D.-JOHN LASSMAN: "Conclave '87. The rally begins!!! Be there or don't!"

WGTR, MIAMI, FL M.D.-THE BEARMAN: "Far be it from me to preach, but I just got to think that this new <u>38 Special</u> song, 'Back To Paradise', is just possibly the best thing they've ever done. Surely one of the finest songs of the '80's. There's just something about that song that lights me up...And, by the way, for those of you who thought the 'Summer Of Love' was somewhat overrated, please be advised that the 'Sgt. Pepper' compact disc is <u>still</u> the #1 CD in South Florida!"

KYYS, KANSAS CITY, MO ASST. P.D.-ELLEN GERDES: "Jon Astley has a hook that will keep creeping up in your mind. Definitely try this track...Sammy Hagar sounds too good to avoid. If you want to rock, but are afraid of a heavy metal image, Sammy Hagar is a good balance. 'Boys Night Out' keeps your teen crowd happy, your male 25-54 demos jammin', and your female listeners jealous that Sammy's not screaming 'Girls Night Out'."

KTCZ, MINNEAPOLIS, MN JANE FREDERICKSEN: "Is there life after The Dead?"

WLUP, CHICAGO, IL M.D.-DAVE BENSON: "I guess it's time to polish up my 'point - counterpoint' chops now that <u>Sky</u> <u>Daniels</u> is back in the radio biz (where he belongs) and threatening to enter the trade sheet comment side show (where I'm not sure any of us belong). In all sincerity, I'd like to say 'congratulations' and 'welcome back' to Sky. Skyboy, you ignorant slut, it's been too long!"

KSJO, SAN JOSE, CA INTERIM M.D.-PATTY MARTIN: "Picture this scene: I'm on my way home, driving down Highway 1, listening to <u>Virgin</u>'s 'Pistonworks'. It's a bit after 2:00AM and I'm approaching Monterey (yes, I'm still living there). A light fog is settling in over the Peninsula, and what starts playing--'Tubular Bells'! Just what I needed at 2:00AM after a long drive home to jolt me back into consciousness. Too weird!...<u>Zevon's</u> 'Detox Mansion' is a driving rock tune with Warren's unique sense of humor. In fact, anything Warren does these days is okay in my book...My lengthy drive to and from work would not be complete without listening to <u>The Call</u>'s tape at least every other day. But here's a tip: Bring home the CD and listen to it loud. (You were right, <u>Gmeiner</u>.) It just pulls out those largerthan-life drum sounds in 'It Could Have Been Me' (the drums still remind me of <u>Bow Wow Wow</u>), and the guitar effects in 'In The Woods' SOUNDS GREAT!"

KDJK, OAKDALE, CA M.D.-BEAVER BROWN: "A Great White has bitten our listeners. 'Rock Me' jumps out of the water to #1 on our Most Requested list...You can't go wrong by adding the <u>Silencers'</u> 'Painted Moon'. It's a HIT!...Shine a 'Dark Light' into the control room. The <u>Beat Farmers'</u> new effort does them proud. The PMRC should love the backwards masking...What more can I say about <u>The Crue</u>? 'Wild Side' was my favorite track, and still is...Alright, <u>Michael Steele</u>, you've got my card now call me. It's the least you could do. Great show last Friday at the Greek!"

WPYX, ALBANY, NY ASST. P.D./M.D.-JOHN COOPER: "The people at 'PYX106 really know how to make you feel welcomed. To be able to para-sail into your first show at a rally held in your honor during a live broadcast from the area's hottest vacation spot on the 4th of July weekend, is a once in a lifetime experience. Needless to say it is great to be a part of Capitol-land's #1 radio station! We broadcast live all holiday weeked from Lake George, starting Friday with an incredible Mason and Sheehan Breakfast Club attended by 3,000. If you were listening to Capitol-land radio over the 4th of July weekend, you were listening to PYX106. Mason and Sheehan present their Annual Golf Tournament on Friday, July 24th. If you'd like to participate, or have some rock in roll golfers on your roster, call 518-785-9061 right away ... We are getting intense reaction to the Grateful Dead, and best of all, people know most of the songs already ... PYX106 presents two free concerts this week with The Truth and Richard Marx. I'll let you know all about them next week."

WAPL, APPLETON/GREEN BAY/OSHKOSH, WI P.D.-GARRETT HART: "Avast there, shipmates. Batten down your hatches. Here's more dreck from the poopdeck: Watch your keester, this Summer it's <u>Twisted Seester</u>. 'Hot Love' is <u>the</u> tune. These guys need to get on the airwaves again, and with real religious fervor...We're going with 'Wild Side' from <u>The Crue</u> this week because they are the choice of discriminating rock 'n roll reptiles everywherel...That's it for now. Gotta hoist anchor and make way for the Upper Midwest Conclave...'Til next time, board 'em and burn 'em."

KLAQ, EL PASO, TX M.D.-MAGIC MIKE: "Welcome to the El Paso airwaves, and to the desert, <u>Belinda Simmons</u>, formerly of KEZE, Spokane. Belinda is now doing overnights for KLAQ. Still looking for a morning person. Keep those tapes and resumes coming to <u>O.M.-Nat Lamp</u>."

KILO, COLORADO SPRINGS, CO M.D.-ALAN WHITE: "My new airshift is 9:00AM-Noon. As usual, adds will be ready Tuesday morning. Rotations and music calls Wednesday through Friday from 1:00PM-5:00PM. Couple of heavyweight adds this week go to <u>Twisted Sister</u> and <u>Dio</u>. Both have done some cleaning up musically and parlay that into palatable hard rockers...<u>The Dead</u> rule in Colorado! We'll lay in a couple of new cuts: The rambunctious 'Hell In A Bucket' and the bluesy 'West L.A. Fadeaway'...San Diego's plow boys of rock 'n roll, the <u>Beat</u> <u>Farmers</u>, continue to break new ground with newest member, <u>Joey Harris</u>, with a no-compromise, straight ahead rock 'n roll attitude."

WDVE, PITTSBURGH, PA M.D.-ANTHONY ALFONSI: "The first album from the <u>Grateful Dead</u> in seven years is right on the mark! It's well-produced and a great album to cruise in the car with. Some of my favorite tracks are: 'Hell In A Bucket' (that's probably why we added it), 'West L.A. Fadeaway' and 'Throwing Stones'...The <u>Charlie Daniels Band</u> is another band we haven't heard from for a little while. 'Bogged Down In Love....' should bring them back into the spotlight. This band has always been a Pittsburgh favorite and Pittsburghers will now have a chance to reacquaint themselves with the Charlie Daniels Band...The <u>Cruzados</u> 'Bed Of Lies' is a catchy song. The rest of the album has some

good stuff on it. The Cruzados, with help from some well known musicians, have put together a fine piece of vinyl...After only a week on the air, the <u>Hooters</u> 'Johnny B.' was the top phone requested song. I would also like to 'thank' <u>Jim Johnson</u> and <u>Richard Kardone</u> from Cornerstone Management for their help backstage with the Hooters...And thanks also to <u>Stu Goldberg</u> with A&M Records for his help backstage with <u>Bryan Adams</u>."

WFYV, JACKSONVILLE, FL ASST. P.D.-LEX STALEY: "With such heavyweights as <u>Roger Waters</u>, <u>Neil Young</u> and <u>Joe Walsh</u> barraging the airwaves, it's great to see the new regime of artists such as <u>Jon Butcher</u> come up with such a great sounding song as 'Wishes' (reminiscent of 'Castles Made Of Sand' by the great one), and with such strong performances out of 'Goodbye Saving Grace' and 'Holy War' this song should be an automatic on any AOR playlist...Starting to see some incredible sales on Roger Waters' 'Radio K.A.O.S.' Kind of slow at first but when we kicked in with 'Sunset Strip', local record stores started reporting it as one of their Top 10 sellers. I personally find this to be about 5 cuts deep...All I can say about the <u>Grateful Dead</u> is: in---credible!"

KUPD, PHOENIX, AZ M.D.-J. DAVID HOLMES: "I've been told that Eddie Van Halen's favorite track on Sammy Hagar's new album is 'Eagle's Fly'. I agree, Edward! With 'Give To Live' and 'Boys Night Out' performing so well, I went over the Lp with a fine tooth comb and came to the conclusion that 'Eagle's Fly' is the cut. Early phone calls on this signal a potential number onel...Two brand new songs that had me on my feet and movin' at this week's music meeting are 1) The Silencers 'Painted Moon': I've liked this song since day one, but when you play the Lp version with that smokin' harmonica intro, LOOK OUT! 2) Paul Kelly And The Messengers: 'Darling It Hurts': From the vocals to the drums, to the organ, everything about this song screams fun, Summer party rock. It's the most distinctive thing I've heard this year!"

WPLR, NEW HAVEN, CT M.D.-CHRISTINA: "Just spent a week in sun and surf, and I'm sorry but it's not good to be back!...<u>Marillion's</u> time has come, and you know why? Because <u>Genesis</u> doesn't sound like Genesis, and <u>Peter Gabriel</u> doesn't sound like Genesis, but 'Clutching At Straws' is just like that great <u>old</u> Genesis. The band must hate when people say that! Capitol gets number one so far for best promo item of the year...Best rock and roller: <u>Tom Petty</u>...Best band: <u>The Heartbreakers</u>...Best place to see a show: Saratoga Performing Arts Center...Best <u>new</u> rock 'n rol! band: <u>Georgia Satellites</u>. Thanks Elektra!...Can't wait for the rest of that <u>Hooters</u> Lp...Can't get <u>Simple Minds</u> live Lp off my turntable!"

WCLZ, PORTLAND, ME M.D.-ALAN ARMITAGE: "Duane Eddy's 'Kickin' Asphalt' is doing just that. There's nothing better than good, hot, blues for power lounging this summer...The <u>Grateful Dead</u> have followed 'Touch Of Grey' with 'When Push Comes To Shove' on WCLZ. 'In The Dark' may be a commercial success, but not because the Dead have sold out...And, yet another <u>Jonathan Butler</u> cut, 'Sunset', goes in. Watch this guitarist go places...Speaking of going places, my golf game continues to improve but I'm still shredding my score cards."

WYBR, ROCKFORD, IL M.D.-MIKE FERRIS: "Radio K.A.O.S.' is one of the year's most impressive albums. It hasn't been off my turntable in days...A king-size thank you to <u>Roger</u> <u>Lifeset</u> of Peer Pressure Promotions for his incredible support of our Sunday Night Jazz program. Initial response has been explosive!...Lucky dog PD, <u>Mike Thomas</u>, wins the CD player from Columbia in the <u>Patty Smyth</u> promotion...<u>Neil Young's</u> 'Inca Queen' is a mind-blowing must for middays and late nights. Watch it light up the phones...Finally, congratulations to <u>Christy Adams</u>, new Asst. PD at KQZ in Saginaw. Knock 'em dead, baby!"

WGIR-FM, MANCHESTER, NH M.D.-KAREN ANDERSEN SMALL: "The Grateful Dead's 'In The Dark' lives up to its promise. The production is clean throughout and the band sounds relaxed and into what they're doing. The Lp is full of good songs too. This is their best studio record since the mid-1970's. Since the release of 'Touch Of Grey', Grateful Dead requests have absolutely dominated the phones...We're all looking forward to the Rock And Roll Caravan (Tom Petty, Georgia Satellites, Del Fuegos) visit to Riverfront Park here in Manchester. It will be great!"

KWHL, ANCHORAGE, AK M.D.-KEVIN VARGAS: "K.V. will be on vacation until July 27th. Not to worry though, those millions of wonderful adds will still make report deadline, thanks to <u>Cary Carrigan</u>. During my two weeks away, I'm really looking forward to seeing <u>Whitesnake</u> and <u>Motley Crue</u> in Chicago. Thanks, <u>Ray Gmeiner</u>, for the arrangements...Also looking forward to the upcoming visits of Geffen's <u>Michael</u> <u>Stein</u> and those Virgin Twins, <u>Naumann</u> and <u>Plen</u>!"

KOZZ, RENO, NV M.D.-HARRY REYNOLDS: "We had a great show from <u>REO Speedwagon</u> and the <u>Fabulous Thunderbirds</u> last week. We want to thank both bands for taking the time to meet us and our winners, and just in case you haven't seen them, REO still kicks ass...Steve and I are both heavily into the <u>Roger Waters</u> Lp. 'Sunset Strip' and 'The Tide Is Turning'

are fantastic."

KFMU, STEAMBOAT/VAIL, CO M.D.-DAVE ROSS: "The <u>Cruzados</u> came outta nowhere to pull in top phones with 'Bed Of Lies'. We certainly can't get enough of this band and I'm sure the Lp will continue to do great over the Summer...The <u>Fabulous Thunderbirds</u> 'How Do You Spell Love' is how I spell a hit! What a rockin' tune! I thought I had run into it before, so I checked the video list of my collection and sure enough from the Lp 'T-Bird Rhythm', there it was on my screen. Nice to hear an updated version that I can't get enough of. Going <u>deeper</u> is the word here this week. Besides the Thunderbirds, we're also getting into <u>The Call</u>, <u>Neil</u> <u>Young</u>, <u>Roger Waters</u> and <u>Joe Walsh</u>...That's it for now from the world's only wind powered radio station!"

CFNY, TORONTO, CN ASST. P.D./M.D.-DON BERNS: "Well now, first off a big 'thanks' to all the artists who performed at our 10th Anniversary Celebration for some 25,000 people last week. You may not recognize many of the names, ince all the bands but one are Canadian, but great sets were turned by: Breeding Ground (CASBY winners for Best Independent Group); Vis A Vis (last year's Best Indy Band); reggae masters, The Georgia Satellites (multi CASBY winners Carole Pope and Images In Vogue, 8 Seconds, The Saints (in their first ever Canadian appearance); The Spoons (with a sspecial guest appearance by Nash The Slash); Blue Rodeo (with a special guest appearance by two members of The Demics, Canada's semi-punk group from the late 70's); The Northern Pikes (with special guest appearances by Pursuit Of Happiness (this year's CASBY winners for Most Promising Group); and Teenage Head, who also performed as a 102.1 band with original members Jim Bird, Lindsey Gillispie (of Attic Records); your own Ivar Hamilton and Nash The Slash. Also appearing on stage were a host of music and TV personalities, including 'Night Heat's' Jeff Wincott, in what proved to be a celebration unlike any that any Canadian radio station has ever held ... Congratulations to thi year's Great Ontario Talent Search Winner, Jim Witter, from Hamilton, who receives over \$15,000 in cash and prizes. Also, this past weekend, the culmination of a month of voting for The Best Damn Music Of All Time with this year's Top 10 in reverse order: David Bowie 'Space Oddity'; The Beatles 'Twist And Shout'; Violent Femmes 'Add It Up'; XTC 'Dear God'; U2 'Sunday Bloody Sunday'; New Order 'Blue Monday'; The Clash 'London Calling'; Bauhaus 'Bela Legosi's Dead'; Joy Division 'Love Will Tear Us Apart'and The Smiths 'How Soon Is Now' ... #1 requests this week: Carey Johnson's 'Real Fahion Reggae Stykle', which Virgin has no plans to release in North America although I can't understand why. It's a hit!"

KQWB, FARGO, ND M.D.-TY BANKS: "Whether or not the <u>Grateful Dead</u> are sacrificing some of their cult mystic by releasing a radio hit, no one can deny the importance and the excellence of their latest album, 'In The Dark'. Hell, I got shiver even before I put it on the turntable just looking at the inside photos. Just great stuff!"

WHTQ, ORLANDO, FL M.D.-SLATS: "Pretty much of a slo week here at the ranch. We went another cut deep on the <u>Clapton</u>. (<u>Tina</u> helping out makes it work), and <u>Petty</u> since <u>Tom</u> plus the <u>Georgia Satellites</u> and <u>Del Fuegos</u> will be in Tampa on the <u>26th...I</u> would like to sincerely 'thank' <u>Sean</u> <u>Coakley</u> for taking the time in taking care of us on the new <u>Grateful Dead</u> and clearing the air for some disagreements we had a few weeks back. Sir, you are a gentleman!"

WOUR, UTICA/SYRACUSE, NY M.D.-TOM STARR: "Crowded House 'World Where You Live' made a brief cameo appearance in 'OUR rotation at the end of last year. We pulled it in favor of getting behind 'Don't Dream It's Over', but never doubted that when the time was right it would move in for an extended stay. The new versions make it even more welcome...Tuff to imagine a more perfect combination than Dave Edmunds and the Fabulous Thunderbirds. Chuck Leavell adds a great dimension too. Early faves here are 'Sofa Circuit'; 'This Week's Hot Pajama Pick In The Mornings'; and 'Love In Common'...The search for the best track on Joe Walsh's new one ended with 'Up To Me' on the second ide. 'In My Car' should get good mileage through the Summer too. I always loved the last 30 seconds of 'The Confessor' and Joe must have too, since on 'Fun' he stretched it out for 3 minutes and made a whole song out of it...Gutsy programmers who recognize creative and performing brilliance that's good enough to challenge and win the audience, are taking notice of The Bears. The story i just beginning but if there are still enough people with great ears and visions, it should have a happy ending...Gaining three tenths in the Birch wouldn't be much to write home about, but when the gain is from 17. to a 17.3 12+, we think it's worth a mentijon. Much higher and we'll need oxygen to go with the champagne!"

KEZE, SPOKANE, WA ASST. P.D.-BREW MICHAELS: 'The Kung Fu kid, the master of machismo and everybody' favorite former State Senator from Iowa is back! Neil Young reunites with the crazy ones to produce a blistering, yet tender, account of life in the '80's...Can I get a name in? Thank you so very much. The Call's 'I Don't Wanna' is one of those songs that may ound melodramatic or even downright corny until you realize that the man means every word he's singing. Let's get these boys out on tour with Springsteen and close the country down for a couple of weeks...Is OSHA aware of the Joe Walsh promo-tub of supe bubble and will they take care of the dental bills?...The Beat Farmers 'Dark Light' is the kind of ss-kicking rock 'n roll Fred Flintstone would listen to on the way to bowling a few lanes...In closing we say 'right on' to The Dead album, and the new one from Jon Butcher 'Wishes'."

WEGR, MEMPHIS, TN M.D.-KELLY CRUISE: "Everybody 'La Bamba'l This all time classic becomes a real party tune in the hands of Los Lobos. I'm thrilled to have Gary Moore back on-the-air. His music is so refreshing ... Jon Butcher's 'Wishes' sounds so much like a Hendrix production, it's eerie ... We're three tracks deep on Joe Walsh's new album. We're strongly supporting our newest 'memthian'...Last week I had the pleasure to join Don Smith (engineer for Tom Petty, The Call, etc.) and Peter Himmelman in Ardent Studios here to listen to just finished tracks from Peter's upcoming album. WOW1 Keep an ear out for 'Fight For The World'. Peter is an excellent writer and musician, and Don's touches make the song jump right out of the speakers!...Motley Crue and Whitesnake were here over the weekend. If they're on the way to your town, take earplugs and an open mind, but don't miss Tommy Lee's rotating drum stand. Incredible!"

WLNZ, LANSING, MI M.D.-CATHY DOWN: "Just when you thought that CHRs were stealing the limelight, out of nowhere appears <u>Ronnie James Dio's</u> latest, and the AOR spotlight is once again beaming! The king of the heavy metal world mellows a bit on 'I Could Have Been A Dreamer'. But, the astonishing vocal pipes and theme of rainbows and dreams are still prominently there. Any 'true' AOR would be totally missing the boat if they didn't immediately jump on this one! Looks as though AOR is in its prime with Dio and the latest album from the <u>Fabulous Thunderbirds</u> and the <u>Grateful Dead</u>. Fave second track from the Thunderbirds is 'How Do You Spell Love' (M-o-n-e-y). Ain't it the truth? And love the Dead's traditional style in 'Hell In A Bucket'. With these groups on our side, CHRs haven't got a chance!"

WBRU, PROVIDENCE, RI M.D.-ALISON STEWART: "The <u>Replacements</u> 'Alex Chilton' has been one of our Top 10 request items for weeks now. It is, by far, the most persuasive piece of music out there now. You can't help but dance or sing or run around while the track is on the radio. Clue in and get on The Replacements...Another earlybird we

jumped on was 'Solitude Standing' by <u>Suzanne Vega</u>. In the case of Miss Vega, listeners want more from this album...The excitement about 'Luka' spills over onto this track. We've had successful phones with this one...<u>Crowded House</u> will pull their weight anytime. Their come-around with 'World Where You Live' is sure to be the charm. This album is destined to be a classic, so put on a future favorite NOW!...Note to <u>Don</u> <u>Berns</u>: The <u>Crazy Eights</u> are alive and well! I caught them in Pomona about 3 months ago. They are still partying and playing hard...Both <u>Kurt</u> and I will be out of town next week, so more than likely the list will be frozen. See ya in two!"

KPEZ, AUSTIN, TX M.D.-DOC PHILLIPS: "The Grateful Dead have been resurrected! Solid stuff. I think I'll leave that Deadhead sticker on my Cadillac. It doesn't have to be old to be a classic...Hey, I didn't even need the tequila to enjoy this one from The Cruzados. I ate the plant, though...Got a 'Letter From St. Paul' the other day and it was great news...What a week! We sent the Morning Crew up I35 to Carl's Corner for live reports from the Willie Nelson 8th Annual 4th Of July Picnic. We also celebrated our 1st Birthday with a party in association with the Sixth Street Merchants Association, that covered six city blocks! Yep, one year ago 102.3 went from Roger Whittaker to Fabulous Thunderbirds. Needless to say there were a few unhappy 'Easy' fans, but many, many happy rockers...Also, thanks to Joe Walsh for the customized liners. Most enjoyable...And thanks to Zulu Time, a great Austin band for the re-worked version of David Essex' 'Rock On', to commemorate our birthday celebration."

WIOT, TOLEDO, OH M.D.-JIM STEEL: "Before I left for vacation, I read an article in Billboard Magazine about metal resurgence, and what some Program Director and record people had to say about it. Due to a comment made by a label individual, my vacation time was spent rolling around on the floor because of laughing so much. I don't think I've read so much BS in my life! Then, again, I also respect your viewpoint. Just respect my opinion to scoff...A couple of things finally get a shot this week: The <u>Charlie Daniels Band</u> caught me by surprise with an AOR album, and <u>Twisted Sister</u> sent me running back to my turntable to listen again to a future HIT. Forget the band's past, this is a new page in the history books for <u>Dee</u> and company."

KATP. AMARILLO, TX P.D.-JACK RANDALL: "The Dead is reborn with what could be one of the biggest albums of the year. This release is surprisingly deep, with multiple cut potential for quite a while, and phones are already going crazy...The new <u>Hooters</u> is some of their best, which could make their tour with <u>Bryan Adams</u> one very HOT ticket...Thanks to <u>Hege V</u> for dropping by on his 'Hearse Of Tears' tour. The trip with the band up to the Cadillac Ranch was the best! Best of luck on your tour, but try to get your air conditioner fixed!"

WRQK, CANTON, OH M.D.-GREG MORRISON: "And to The Dead arrive with an excellent album that's definitely worth multiple adds!...Thanks going out this week to Arista's <u>Tony</u> <u>Gates</u> and MCA's <u>Mike Rose</u>, for the out of town concert arrangements. The ticket winners are making appropriate pilgrimage arrangements...Pardon me, but it's monsoon season in Ohio and I need to go perfect my cance strokes!"

KLBJ, AUSTIN, TX M.D.-JEFF CARROL: "Most people know of Joe Walsh's great sense of humor, but after spending a week with Professor Walsh, and <u>Rick</u>, the bass player, I got to see the other parts that make him such a tremendous individual. Thanks to Joe, <u>Rick</u>, and <u>Kevin</u> for a great time, and by the way how ya doin'?...<u>Great White</u> is coming on strong...The <u>Grateful Dead</u> is dishing out what their fans want...Joe Walsh's new Lp is loaded with guitar licks and hooks, the same that made him a super star. His humor and sensitivity shine through. Unwrap the album and take a chew on these tasty bits!"

WRFX, CHARLOTTE, NC M.D.-MARY LONDON: "Charlotte, the heart of controversy, and the FOX is willing to put our best foot forward to join in the controversy. Morning Men, John Boy and Billy paid a listener \$105.00 for their dead dog Friday morning, as part of their PTL Day (Pay The Listeners). John Boy and Billy gave away money to listeners who 'begged' for it. Excuses included a dead dog, too poor to pay bills, knee surgery, car without air conditioning, and \$75 to a family who wanted to celebrate their daughter's first period. Are these people desperate or what? What is Jim and Tammy's excuse?...Now Friday, July 3rd, the FOX held an uptown American celebration with the Marshall Tucker Band. The concert was free and we were stacked to the rafters outdoors! 3700 people piled in, in 30 minutes! Proceeds from sale of food and beer went to benefit North Carolina Vietnam Veterans Memorial Fund. Doug Gray and company, as usual, provided the music and the Southern soul for the 4th with firecrackers in the background to accentuate the sky...To Warner Bros .: We've got our gum (thanks!), but who do we send our dental bills to?...We have a new afternoon guy: Mark Kessler, hails from WYNF, Tampa. Our Program Director, Bob Chrysler, has been wooing Mark for the past 18 months and thank God he succeeded!"

WMGM, ATLANTIC CITY, NJ M.D.-AL BRANCA: "ADDS: The Grateful Dead 'When Push Comes To Shove', 'West L.A. Fadeaway' and 'Throwing Stones', undoubtedly the biggest priority for AOR this year. Personally, I'm not much of a Dead fan, but I like the entire Lp. It's diverse. Itr leans more toward the 80's and most importantly, it's The Dead!...Whitesnake 'Here I Go Again': 'Still Of The Night' is still Top 5 phones. The Lp is #2 retail and thi track is a nice change that really adds depth...Ronnie James Dio 'Could Have Been A Dreamer', the vocalist all other metal bands set their standards by. The 'Great Grandfather Of Crunch' with his easiest track to deal with ... Patty Smyth 'Isn't It Enough'. We had a great run with the Wilde original here last year and I still believe this song could be a hit ... Robert Vaughn and The Shadows has the most refreshing record I've heard in a while. Great hooks and quality vocals, somewhere between Springsteen and Costello ... The Beat Farmers 'Dark Light': After drinking both bottles in one listen, I got a good buzz from this tune. One word summary-Del Fuego-ish!"

WOOJ, FT. MYERS, FL. M.D.-STEVE AVERY: "I've been testing 'Watching The Ship Go Down' from Ideola. Go for this song! I got positive phone response immediately after just one play. Mark Hurd is fantastic!...If Roger Daltrey had sung lead with Kansas, it might have sounded like Marillion 'Incommunicado'. It's a winner...'Jane's Getting Serious' is still getting Top 5 phones here. Now, I'm looking at 'The Animal' and 'I Wanna Dance' to continue the Jon Astley revolution. Even our local imitator finally picked it up. If you're not on this guy yet, you're shortchanging your listeners...As for the Grateful Dead, they're right on and out of sight, man. Surprisingly heavy response from our younger nighttime audience. I'm pulling out my old paisley bell bottoms, burning incense again and adding an extra finger to my usual hand signal...Tunes to watch as far as up and coming: Figures On A Beach 'No Stars', and Other Ones 'Holiday'. Keeping a close eye on those and expecting great things."

WIXV, SAVANNAH, GA M.D.-VIRGIL THOMPSON: "Thanks to all for the Atlanta trip. The Braves were baaad, the Cardinals were good, and it was a sweep! Good to see <u>George</u> <u>Cappelini</u>, <u>Jeff Cook</u>, <u>Linda D'Aqes</u>, <u>Al Moss</u>, <u>Mr. Bill Pugh</u> of WKLS and <u>Robin Mutcher</u> of WCYZ in North Carolina. Let's do lunch again, soon...The Book is over and we're only playing CD sides and taking it easy. No, just kidding...The happening thing is the <u>Grateful Dead</u> Lp. What to play? Play it <u>all</u>,

FMQB, July 10, 1987

you can't go wrong! Early favorites are 'Hell In A Bucket' and 'When Push Comes To Shove'. We'll decide on emphasis tracks next week...Top 5 phones: <u>Whitesnake</u> 'Here', <u>Jon</u> <u>Astley</u> 'Serious', <u>Great White</u> 'Rock', <u>INXS</u> 'Good', and <u>Steve</u> <u>Jones</u> 'Mercy'. Play Steve Jones!"

KGRG, AUBURN, WA M.D.-AARON VAUGHAN: "The new track from <u>Crowded House</u> is, without a doubt, the strongest track on the album. If you're not playing it, add it now!...The new song from <u>Agent Orange</u> from the controversial movie soundtrack 'The River's Edge' is getting good phone response and goes in this week. We're taking a chance, maybe you should too!...Went with <u>In Vitro</u> after considering it for the past couple of weeks...The second <u>Richard Marx</u> track 'Should Have Known Better' is already getting great phones and we added it this week."

KFMQ, LINCOLN, NB M.D.-JOE SKARE: "We got the word straight from <u>Willie Nelson</u> from his Fourth of July picnic: <u>Farm Aid III</u> is definitely going to happen. <u>September 19th</u> here in Lincoln. Just a reminder, if you can help out with our funds for Farm Aid Auction and party by donating any items, we'd be anxious to hear from you. Call myself, or <u>P.D.-Bob Allen</u>...The <u>Grateful Dead</u> album has arrived and it sounds great. It's loaded with depth. Check out 'Hell In A Bucket', 'West L.A. Fadeaway' and 'When Push Comes To Shove'. 'Touch Of Grey' is number one requests again this week...<u>Twisted Sister's</u> 'Hot Love' is a pleasant surprise. I think it's their best effort to date."

WKLT, TRAVERSE CITY, MI P.D.-DAVE FORTNEY: "The new Grateful Dead album is wonderful, and just in time. 'West L.A. Fadeaway' just sets me back. As a matter of fact, everything on Side One is great!...Sammy Hagar's album is also looking much better. I wasn't sure I liked it at first, but the album has developed with each listen. 'Boys Night Out' is just one of at least 4 more tracks...Phones continue to ring for Whitesnake and Great White is also improving on the phones."

WXKE, FORT WAYNE, IN M.D.-JETSON: "Many thanks go out to Judy from I.R.S., and <u>Sam Gennawey</u> from PMRC for such a great time in Cincinnati at <u>The Bears</u> concert, and the chance to meet <u>Adrian Belew</u>. The Bears are one of the best new bands around. Everyone should go see them, and more importantly, everyone should be playing their record. 'Fear Is Never Boring' is such a great song. Do yourself and your listeners a favor and play The Bears!"

WWCT, PEORIA, IL M.D.-PAUL NELSON: "Thanks to <u>Nancy</u> <u>Stein</u> for the <u>Joe Walsh</u> bubble gum. Everybody at the station is blowing their brains out...We got serious about <u>Jon Astley</u> after positive calls on our Fresh Trax show. It has an early <u>Cars</u> or <u>Bowie</u> sound to it...<u>Patty Smyth's</u> "Isn't It Enough' should have happened when <u>Danny Wilde</u> did it...<u>P.D.-Phil</u> <u>Manicki</u> gave in on <u>Charlie Daniels</u>, but he won't go for any of my Skoal chewing tobacco and he's still afraid of my pet pit bull. I don't know why, he's so-o-o tame he'll eat off your hand!"

KGRQ, CASPER, WY O.M./P.D./M.D.-FRED LEEMHUIS: "Maybe it's being in the Rocky Mountain air, but I totally agree with <u>Doug Clifton</u> of KBCO, Boulder, who says that two of the most overlooked artists are <u>Chris Isaac</u> (4 deep) and <u>Nicholas Tremulis</u> (2 deep with more to come). Both these guys have been overlooked too long!"

WHMD, HAMMOND/BATON ROUGE, LA M.D.-"CATFISH" PHIL COLWART: "Thanks to <u>Rhonda Rose</u> of MCA and <u>Tommy</u> Chaltas of Columbia for a great time at the <u>Night</u> <u>Ranger/Outfield</u> concert last week. It was fun, yowsa! yowsa! yowsa!...'Kiss Me, Kiss Me, Kiss Me' says <u>The Cure.</u> 'Why Can't I Be You' says Elektra Records' <u>Phil Poulos.</u> 'It's simply elegant' said the '<u>Catfish'</u>, 'album sales blowing down the door, concert tickets getting sold fast and airplay almost nil, so if you're a sicko like me, get <u>The Cure</u>'. Technically, this is the third time we've added 'Isn't It Enough'. Twice with <u>Danny Wilde</u> last Summer and now with <u>Patty Smyth</u>. Hubba hubba."

WRUF, GAINESVILLE, FL M.D.-JASON TYLER: "We are talking instant add on <u>Dio's</u> 'I Could Have Been A Dreamer', a massive Summer smoker!...White animals lead the way on the phones with <u>Great White's</u> 'Rock Me' and <u>Whitesnake's</u> 'Rock Me'...The Deadheads in the area love <u>Grateful Dead's</u> 'A Touch Of Grey', so we went power...Somebody, pllllease tell me what 'La Bamba' means, because I don't know what I'm singing!"

WTOS, SKOHEGAN/BANGOR, ME M.D.-DUANE SHERMAN: "ADDS: Pee Wee Herman 'Surfin''; Warren Zevon 'Karma'; Echo & The Bunnymen 'New'; Del Fuegos 'Cape': Dead Milkmen 'Walrus'; Paul King 'Know'; Tirez Tirez 'Wake'; Tonio K. We'd like to thank Cledra White and Virgin Records for all their help with the promotion. We were there live at 4:10AM when the balloon took off. Congratulations to Richard and Per on the success of the flight. The touchdown was a little hairy but all is well and we have a new World Record for their efforts!...WTOS is also proud to be bringing the Del Fuegos to the Skowhegan State Fair August 14th. More details later. Pee Wee rules! 'Surfin' Bird' is a ball. Poppa oooh moaw moaw aaaahhh!!!! Also love the new Lps from Sonic Youth and the Dead Milkmen. Both deserve your attention as well as your airplay...Duane Eddy moves to heavy this week. Please, please, please remember the roots of rock 'n roll and play this fine album...Pick of the week: The Lime Spiders! This Lp is full of different types of music, one should fit your format...I'll be on vacation next week from July 13-18. Talk to you when I get back."

KTCL, FORT COLLINS, CO M.D.-CHARLIE WROBBEL: "ADDS: 'La Bamba' Soundtrack; Michael Franks 'Sax'; Tonio K. <u>Fellows</u> 'Amy Grant'...<u>The Dead</u> have a solid new Lp, thanks to Arista for taking care of number 1...Two of our faves at KTCL are: <u>The Silencers</u> and that <u>Petro Emotion</u>...John Hayes is joining everyone this week at the New Music Seminar in New York. Hope to see you there!"

We naturally signed back on with The Cure's 'Let's Go To Bed', as it was the song we originally signed on with, just over 4 years ago! Boston will never be the same. The Cure remain our #1 band. 'Just Like Heaven', from the new Lp 'Kiss Me, Kiss Me, Kiss Me' has become a legitimate hit here in Boston. It should take you just one listen to agree...I am still awestruck by last Friday's Suzanne Vega show. Thanks to Jill Glass at A&M for the VIP treatment...It breaks my heart to see AOR radio all but ignore two of the best and purest rock records of the year, namely The Replacements and X ... Paul Kelly's 'Darling It Hurts' has enough hooks to land a marlin!...Watch for the 'FNX delegation at the New Music Seminar ... FROM P.D.-MICHAEL BRIGHT: Our new antenna height, and its proximity to Boston, has solved a number of our signal deficiencies within the City. While we don't have visions of huge rating increases, we do expect radio in Boston to get a little more interesting. As Boston's 'New Music Source' our focus will continue to be on new and developing artists and new style of music...Many, many thanks to the labels and individuals who

have understood us, believed in us, and supported us in the past four years despite our size--and you know who you are!"

I personally gave away part of my gray matter at <u>The</u> <u>Dead</u> show in Foxboro, but it was worth it, I think...The Bears continue to tickle our listeners' fancy and that's all right...To cap off what's already been a wipeout type of Summer, a live show by <u>Warren Zevon</u> would be the cow's nipples!"

STEVE SCHNUR, ELEKTRA (212-757-3939): "I hope that everyone is having a great 4th of July. No, you don't have to check the date of this issue. It's just that every day of this entire summer is the 4th of July at Elektra. X has delivered a record with anger, guts and balls. What more can you ask for from rock and roll? '4th Of July' is so mainstream and American that all you'll want to do is eat hot dogs, apple pie and buy a truck with big wheels. Play it and watch the phones light up like fireworks...Speaking of fireworks, nothing sends up more of a flare than MOTLEY CRUE. Now that Top 40 is discovering 'Girls', it's time for AOR to hit the 'Wild Side'. I don't wanna hear why you're not playing the CALL. The Call is smoking at radio as they always have. Put it on the radio and everyone will make the call...Where's the parade? It's in front of the record store because everyone is lining up to buy the CURE Lp. Sales mean airplay for the Cure. Retailers know all about the Cure as they can't keep it in the stores. 'Just Like Heaven' is the track, and you've got the CD sampler to check it out. Keep having a great summer!"

SEAN COAKLEY, ARISTA (212-830-2178): "The DEAD live! Not liv, LIE-VVV!! Wow, what an amazing display of union and harmony and playing together...Both on stage and in the audience. What a wonderful positive force they bring to the world in general and to all of us in 'the biz' specifically, who are so often jaded and cynical and suspicious of each other's motives. The album is great and the live show even better. It's been twenty years since DYLAN had a band that sounded this good...THE CRUZADOS are showing up better and better on the phones due to increased rotation. After all, they gotta hear it to know it and once they do, they'll dig it like the rest of us. Special thanks to JOE WALSH and J.D. SOUTHER for the very entertaining night on the radio at KLOS with Tito and Tony. WALSH, never give up on the TRIBE - one day we'll wake up and be in the World Series ... Please check out the HURRAH! album, which is arriving this week. They're from northern England and all sing and write beautifully. I love 'Sweet Sanity' and 'If Love Could Kill'. Good luck to Jim McKeon - teach that old dog some new tricks!...Bone, float like a butterfly and ... "

JEFF NAUMANN, VIRGIN (213-278-1181): \*One thing common to a lot of artists at Virgin is they do have unusual names, but perform high quality music. The LIME SPIDERS is no exception. They're not heavy metal, not punk, not new wave. I guess the Lime Spiders are just pure rock and roll, without all the intricate production frills. The bottom line here is - the Lime Spiders have recorded a great album 'The Cave Comes Alive'. You'll come alive too when you put the needle to these suggested suckaahhs: 'My Favorite Room', is a killer remake of 'NSU' (remember Cream?) and 'Jessica'. If you play HUSKER DU or the REPLACEMENTS, Australia's Lime Spiders should be a natural for your station ... You all have WARREN ZEVON's fine Lp on CD now. 'Detox Mansion' is going on radio like pigs on corn...'Spaceballs' is a very funny movie. I loved it.\*

ED TRUNK, MEGAFORCE (201-254-6533): "ACE IS BACK with the rock anthem of the summer. 'Rock Soldiers'! The early response to this track has been great. It's got a great hook and a very positive message that will surely generate major request activity. The video for 'Rock Soldiers' has just been completed and will premier in two weeks. MTV better

### RECORD ACTION

**Continued From Previous Page** 

The FREHLEY'S COMET tour install extra phone lines!!! continues to sell out everywhere as the album begins to close in on gold status. Play 'Rock Soldiers' before they march over you! ANTHRAX continues to blow away sold out crowds everywhere. AMONG THE LIVING has bulleted once again on Billboard and it continues to be most requested at all metal shows. Our newest signing PROPHET has just received confirmation that they will begin recording their new album in L.A. with Spencer Proffer producing. Although it's not due out 'till January, mark my words, THIS BAND AND ALBUM WILL BE HUGE! PROPHET has incredible talent and make MASS appeal ROCK AND ROLL. With a combination of MEGAFORCE/ATLANTIC, Premier Talent, and Noel Monk (Van Halen) Management, along with Spencer Proffer production, we feel this will be the album of 1988. We're talkin' at least five HIT singles! Look for the new OVERKILL Ep due out soon. The band appeared on MTV's Headbangers Ball this past weekend and 'In Union We Stand' continues to get great response."

MATT POLLACK, RELATIVITY (718-995-9200): "Quite a week ahead of us folks. For starters, I can finally stop hounding you about the <u>BRANDOS</u>, momentarily anyhow, just long enough for you to hear them. The cassingle will arrive by the end of the week...This rock and roll outfit doesn't rely on contrived influences. The Brandos musical sensibility spawns from some of greatest rock innovators of our time, drawing from the likes of <u>CCR</u> and <u>THE YARDBIRDS</u>. Tight rootsy melodies with themes as hard hitting as the sound surrounding them, all lead by the fiery vocals of <u>David Kincaid</u>. Also, if you're down, up or over for the <u>New Music Seminar</u>, do yourself a favor and check out the Brandos tonight at Nirvana, along with <u>SCRUFFY THE CAT</u>. See ya at the show."

Madison Square Garden, which was originally cancelled because of asbestos problems in the ceiling of the arena. It's now set for August 5th. We're told BILLY is well rested after a two-week vacation on Bora Bora, where he says, "The natives were friendly." ... THE PET SHOP BOYS have been laying low for a few months, but they're back in a big way in Britain. Their brand new single, "It's A Sin" is the new number one in the U.K. In August, they'll follow it up with "What Have I Done To Deserve This?", their duet with DUSTY SPRINGFIELD. Then in September, THE PET SHOP BOYS release their second album, tentatively titled "Actually." We're also told the band's long awaited tour probably won't happen until early next year...With 300 bands scheduled to play in the course of five days, the New Music Seminar in New York City will be hopping with artists from around the world. The seminar begins Sunday, July 12 and among the bands performing are THE SAINTS from Australia, A-P-B from Scotland and LES RITA MITSOUKA from France. The largest show will be the July 15th Amnesty International Benefit with THE CULT and a new English band called GAYE BYKERS ON ACID. The New Music Seminar is the largest convention in the music business and this year they're expecting over 6,000 people to attend...This summer, CD sales should continue to improve with the reissue of more classic albums on C-D. Later this month, look for two more albums by ELTON JOHN: "21 at 33" and "Empty Sky." Also in July, "James Brown Live At The Apolio" will be released on CD, as will a collection called "The Great Buddy Holly." And, on August 4th, two classic JIMI HENDRIX
