

#1 SINGLE "BEER FOR MY HORSES" TOBY KEITH & WILLIE NELSON WHISKEY FOR EVERYONE!!

We Believe In Toby Keith!

Wright Named Sony Exec VP

We've told you and told you and told you for over a month this was gonna happen. And, finally, it's official. At a party last Thursday night here in Nashville to honor new Sony/Nashville President **John Grady**, MCA/Nashville-Mercury Exec. VP A&R/In-House Producer **Mark Wright** was formally introduced as the label's new Exec. VP/A&R. Joining Wright is former MCA/Nashville-Mercury Nashville Manager/A&R **Carrie Higdon**, who will serve as Assoc. Director/A&R for Sony/Nashville.

Wright joined MCA in 1994 as Sr. VP of Decca, MCA/Nashville's now-dissolved sister label; he subsequently served as MCA/Nashville-Mercury's Exec. VP/A&R. He previously worked as A&R/Talent Manager for RCA/Nashville in the late 1980s. His songwriting credits include cuts by Alabama, Reba McEntire, Kenny Rogers and George Strait.

Stewart Departs WYGY

After a six-month stint as PD of WYGY/Cincinnati, **Dave Stewart** opts to return to a station he once programmed, Alternative WARQ/Columbia, SC, for similar duties. He will also have PD responsibilities for sister Classic Rock WMFX. Stewart says the change will allow him to be closer to family. He joined WYGY in November 2002, replacing Jay Phillips, who exited when the station was sold to Susquehanna. Before that Stewart served as OM for Clear Channel's New Orleans properties, including Country WNOE. WYGY Director of Programming **T.J. Holland** is accepting T&Rs for the open position. He will also serve as interim PD.

R&R Convention: Don't Miss This

The R&R Convention is just three weeks away. The full agenda and more information can be found in **R&R** or at www.radioandrecords.com. A couple of highlights:

- "The Best Damn Country Panel Ever. Period." A no-holds-barred discussion on the state of Country radio and records today, including where we are going with the relationship between the two industries. **Jaye Albright, Bob Raleigh, Alan Sledge, Rusty Walker** and **Joe Galante** are set, with a surprise guest or two to be announced next week. Friday morning, June 20, 10:45am.
- Former New York City Mayor **Rudy Giuliani** is the keynote speaker.
- Among the panels: "Three Decades of Record Executives," moderated by John Fagot, with lots of surprise guests. And "Three Decades of Consultants," with Mike McVay, Alan Burns, Rusty Walker and more.
- And, of course, there's the giant 2003 R&R Industry Achievement Awards gala on Friday evening, where we will honor winners from all formats.

Clear Channel Promotes Messina

Clear Channel/Hartford Market Manager **Paula Messina** has been named Regional VP/Sales for the 64 stations in the New York Trading Area, a post she held several years ago. In her new role she will also serve as Market Manager for Clear Channel/New Haven. Meanwhile, CC Regional VP **Manuel**

Fisher Sells Portland, OR Combo To Entercom; Four Exit

For \$44 million, Entercom will receive Country KWJJ-FM and Talk KOTK-AM — stations Fisher purchased in February 1996 from Park Communications for \$35 million. The sale comes as part of a continuing corporate restructuring process, and Fisher President/CEO William Krippaehne Jr. says it should help the company reduce its long-term debt by close to 50% in 2003.

Entercom began operating the stations via a time brokerage agreement with Fisher on June 1, and the company expects to close on the stations by the end of Q3 2003. Entercom already owns two AMs and four FMs in Portland, in addition to KSLM-AM in nearby Salem, OR. Fisher will continue to own 24 stations throughout the Pacific Northwest, including KOMO, KPLZ & KVI/Seattle.

Shortly after Entercom assumed control of the stations, VP/GM **Ron Carter**, GSM **Trey Yant**, OM and KOTK PD **Bruce Agler** and KWJJ PD **Ken Boesen** were all relieved of their duties. Agler can be reached at 503-952-7833 or bruceagler@compuserve.com. Boesen can be found at 503-449-3013 or boesen@attbi.com.

Robin Mitchell, who programmed KWJJ between April 1993-June 2000, is the interim PD.

Now Playing In Peoria

Regent Communications has named **J.R. Greeley** VP/Market Manager for the company's Peoria, IL cluster, which includes Country WFYR. Greeley has 30 years of experience in radio, from on-air work to managing

multiple stations. Most recently, he managed stations in Alexandria, LA and Ft. Wayne, IN.

The Big 4-0

The call letters may have changed from KCKN-FM to KFKF, but the Kansas City station celebrated 40 years as a Country outlet last Thursday (5/29). Morning co-hosts **Dale Carter** and **Mary McKenna** invited the station's first PD — who just happens to be current WDAF/Kansas City PD **Ted Cramer** — and longtime morning personality **Uncle Don Rhea** on the air as special guests to help celebrate. (Country Format Room, www.radioandrecords.com, 5/29.)

Radio News

Format: Clear Channel's Classic Country simulcast WYBL & WIBL/Louisville, KY flipped to Smooth Jazz on May 29. The new call letters are WJZL & WJZO. PD Aaron "Gator" Glass remains.

Programming: Former KCYY & KKYX/San Antonio OM **Steve Giutarri** is the new APD/MD for KILT/Houston. This marks a return to Houston for Mr. G, who served as KKBQ's APD/MD for two years in the late '90s. Interestingly, that was the job held at KKBQ in the early-to-mid-'90s by **Jeff Garrison**, who is, of course, KILT's current PD ... Look for veteran programmer and record-promotion exec **Tim Murphy** to join the Premiere Marketing Group, owners of radio stations in Columbia and Jefferson City, MO, next week ... In a real shocker, WCTO/Allentown PD **Chuck Geiger** exits after six years in the post. The Cat was No. 1 12+ in the winter 2003 Arbitron, moving 10.1-13.4. Geiger says, "During the last six years we have built an amazing radio station that transcended everyone's expectations. Thanks to a great company, both versions of Citadel and to the best staff in Country radio today." Geiger can be reached at 610-866-7058 or chuckgeiger@hotmail.com.

Impacting This Monday, June 9th!

Personalities: WCTQ/Sarasota, FL fills the wakeup slot previously held by the no-longer-syndicated Tim & Willy with a local morning show. **Maverick** segues into mornings, where he's joined by **Sammi Jo Austin**, who comes up the highway from evenings at WCKT/Ft. Myers. Rounding out the 'CTQ lineup, **Tracy Black** takes on the full midday shift and PD **Mark Wilson** moves to afternoon drive.

Signed: Infinity/Tampa Bay has reached an agreement with the Tampa Bay Buccaneers to continue their 12-year radio broadcast partnership. All Buccaneer games will continue to be simulcast on WQYK-FM and SportsRadio 1010, WQYK-AM.

Kudos: Congrats to WIL/St. Louis OM **Greg Mozingo**, whose daughter Ashton will appear in the September issue of *Seventeen* magazine. She is one of eight girls — out of 15,000 entrants! — to be selected in Chanel's "New Model" search.

Nashville Stations Raise Money For Charity

Teams have been announced for the 13th annual City of Hope Celebrity Softball Challenge Thursday, pitting WSIX/Nashville against WSM-FM/Nashville to benefit research into cancer and other serious diseases. The WSIX team will include **Montgomery Gentry, Chris Cagle, John Michael Montgomery, Clay Walker, Amy Dalley, Billy Dean, Brian McComas, John Berry, Lorrie Morgan, Sixwire, Steve Holy, Suzanne Alexander, Tommy Shane Steiner, Sammy Kershaw and Rodney Atkins**. The WSM-FM lineup has **Vince Gill, Trick Pony, Joe Nichols, Bryan White, Dean Sams, Rebecca Lynn Howard, Aaron Lines, Brad Martin, Chalee Tennison, Craig Morgan, Dusty Drake, Emerson Drive, Hometown News, Jimmy Wayne, Linda Davis and Anthony Smith**.

Meanwhile, WKDF/Nashville is hosting a Country Beach Party and Celebrity Golf Classic to raise money

for the Cystic Fibrosis Foundation. The Beach Party kicks off at The Stage from 6-8pm tonight with **Jeff Bates, Sonny Burgess, Joe Diffie and Craig Morgan**. The show will be hosted by **Tammy Cochran**. On Wednesday, PD **Dave Kelly** will be leading a celebrity golf classic at Legends Club with artists including **Steve Azar, Clay Walker and Mark Wills**. It's an 8am shotgun start.

Sold! Martina To Be Auctioneer

Martina McBride will once again host a celebrity auction outside the new Country Music Hall of Fame and Museum on June 8. Items up for bid include autographed stage clothes from many artists, CDs and posters. Proceeds benefit the YWCA. The bidding starts at 11am, and admission is free and open to the public. This is the 10th year McBride has hosted the auction during Fan Fair. This year she'll be joined by **Chris Cagle, Nashville Star** contestant **Jamie Garner** and CMT host **Katie Cook**.

Tanya's Trash And Treasures

For the second year in a row, **Tanya Tucker** will be having a three-day garage sale at her home. It's called the Trash and Treasure sale, and the singer sells items from her home and wardrobe, as well as stage costumes and homemade flower arrangements. This year Tucker will also perform an acoustic show on Saturday, June 7 at 6pm. Tickets are \$10 and will benefit families of soldiers lost in Operation Iraqi Freedom.

Chart Chat

Mega-congrats to **Rick Baumgartner** and the entire Broken Bow promo team on a couple of major accomplishments this week. The first Fan Fair brewski hoisted will be to toast the label's first-ever top 10, **Craig Morgan's** "Almost Home," which checks in at No. 9 on this week's R&R Country chart. The next round will honor **Sherrié Austin's** "Streets of Heaven,"

One other note regarding adds: please be aware that **R&R Country** added eight new reporters this week. All songs receiving eight or more plays in the last week were designated as “Adds” on each station’s playlist. That was necessary to keep the accounting of stations “on title” on each record accurate.

A reminder, too, that the new **Martina McBride** record can be downloaded at www.rcarecordslabel.com/martina. And those still looking for the **Alan Jackson** and **Jimmy Buffett** single we told you about last week can get a download at www.aristanashville.com/alanjackson.

A new affiliate for Big D of the syndicated morning team *Big D & Bubba in the Morning*. Gunner, Big D’s second son, signed on May 27.

Ben & Brian co-host Ben Campbell and wife Hollie Campbell also welcomed a new son into the family last week. Parker William Campbell was born on May 24.

Congratulations to **Ronnie McCoury**, mandolinist, vocalist and co-producer of The Del McCoury Band, and his wife, Allison, who welcomed daughter Emma Jean in Nashville Saturday, May 31.

R&R/Bullseye: “Did You Watch the ACMs — or *American Idol*?”

This week’s **R&R Country Callout America** by Bullseye question posed to 175 Country listeners: “Did you watch the Academy of Country Music awards show or *American Idol* recently on TV? Did you: Not watch either; watch both going back and forth; watch only the ACMs; or watch only *American Idol*?”

Of the total sample, 48% said they watched neither show, 20% said both, 15% said ACMs-only and 17%

said *AI*-only. Those numbers, and the spread between ACM-only and *AI*-only viewers, were fairly consistent across the sex and age demos.

The ACMs got whacked by *AI* viewership in a couple of areas. Among Country P2s, *AI*-only clobbered ACM-only viewers 22% to 8%. Among women, *AI*-only viewers bested ACM-only 17% to 11%. ACM-only viewership led *AI*-only viewership among Country P1s, males and 45-54s.

Of the total sample, 20% were counted in the “back and forth” gang. That figure hovered around the same mark across the sex and demo cells, with a high of 23% among women and a low of 17% among men.

For complete breakouts — including men and women, 25-34, 35-44 and 45-54 — check out the **R&R Country Callout America** by Bullseye research page in the June 6 issue of **R&R**.

MUSIC NOTES

◀ **Martina McBride** is an old hand at signing autographs for folks, but she had an unexpected encounter in New York recently. She and her husband, John, went to see the Broadway play *Hairspray* with RLG Chairman Joe Galante and his wife, Phran. Afterward, they went backstage to see actor Harvey Fierstein, who grabbed Martina out of the line and had her sign autographs for other folks in line who wanted her signature.

◀ Who’s your daddy? The answer in this case isn’t **Eddie Montgomery** — or **Toby Keith**. It’s **Tim McGraw**, who is featured in the June issue of *In Style* magazine as part of a “Big Daddies” article. For the story, two of McGraw’s daughters took candid photos of moments at home with their dad. Six-year-old Gracie’s pics show her dad lifting weights and playing dress-up,

Well, it's not the cover, but **Blake Shelton** will be featured in *Rolling Stone's* June 26 issue. It hits newsstands on Friday.

Wanna get intimate with **Shania Twain**? Well, get in line! Or, you can watch Lifetime's *Intimate Portrait*. The diva will be featured on the June 15 show.

Reba McEntire will be revealing all in the July issue of *Woman's Day* ... all of her beauty secrets, that is. She'll talk about the best beauty advice she ever got and what products she uses. Reba also got a pretty cool gift from the ACM after hosting their awards show for the sixth time. The ACM presented her with a Tiffany Revere bowl and bestowed on her the title "The Leading Lady of The Academy of Country Music."

Alan Jackson's new duet with **Jimmy Buffett**, "It's Five O'Clock Somewhere," was recorded last month at Shrimp Boat Studio in Key West, FL. That figures. It's one of two new tracks on Jackson's upcoming greatest-hits disc.

There's something about country stars that reeks of sausage, apparently. Following in Jimmy Dean's

footsteps, **George Jones** will be putting out his own name-brand sausage. George Jones Country Sausage will include a sausage-and-biscuits box telling "fables and truths" about Jones' life and career. George Jones will also be sold in patties and "chubs."

Congratulations to **Dwight Yoakam**, who will be seeing his name in Hollywood cement this week. He's getting his star on the Hollywood Walk of Fame on Thursday, before the June 24 release of his new CD, *Population Me*, and just before the June 13 release of his new movie with Harrison Ford, *Hollywood Homicide*.

Jessica Andrews is finding that acting can be a difficult business. While filming the new video for her single "Good Time," she had to play in a swimming hole. Doesn't sound too tough, but the water was apparently "incredibly cold." She says, "I honestly was holding my breath to keep from shivering." And she couldn't warm up between takes with the love interest in the video because her boyfriend, singer **Marcel**, was on the set for the day. "It made it very difficult for me to flirt when I knew he was watching,"

Naomi Judd is launching her latest business venture: a line of skin-care products called "Esteem." Judd will be showing the products to fans during Fan Fair this week.

Rascal Flatts are donating money from the sale of their book *I'm Movin' On* in Jackson, TN to the local American Red Cross. The city was recently devastated by a tornado. The group will be signing the book at a Jackson bookstore Friday and will perform in the city that night.

155 Country reporters. Monitored airplay data supplied by Mediabase Research, a division of Premiere Radio Networks. Songs ranked by total points for the airplay week of 5/25/03-5/31/03. Bullets appear on songs gaining in points or remaining flat from previous week. If two songs are tied in total points, the song with the larger increase in points is placed first. Songs below No. 1 and down in plays and points for three consecutive weeks are moved to recurrent. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Points lists the songs with the greatest week-to-week increases in total points. Breaker status is awarded to songs reported by 60% of the panel for the first time. Station Weight = AQH Persons + (Market rank X 10) divided by 4180. Gross Impressions equals Average Quarter Hour Persons times number of plays (times 100). Average Quarter Hour Persons used herein with permission from the Arbitron Company (copyright 2003, The Arbitron Company). (C) 2003, R&R, Inc.
