

## Hunnicutt Promoted To CC Reg. VP/Programming

**Clay Hunnicutt** — PD of Country WUSY/Chattanooga, TN; Director/Programming for Clear Channel Chattanooga & Dalton, GA; and a CC Country Brand Manager for more than three years — has been promoted to Regional VP/Programming for the company's newly-created Nashville/Chattanooga Trading Area, which includes Nashville; Chattanooga; Cookeville, TN; Crossville, TN; and Dalton.

Hunnicutt joined WUSY as an intern in 1990 and, after a number of promotions, was elevated to PD in January 1997 and OM in September 1998. He left in January 1999 for the WGAR/Cleveland PD post and returned to Chattanooga in May 2000 as OM of the cluster.

### Benken New BBR Dir./National Promotion

As first tipped here last week, Universal South South-east promo rep **Tony Benken** is indeed the new Dir./National Promotion for Broken Bow Records. He succeeds **Jon Loba**, who was recently elevated to VP/Promotion following **Rick Baumgartner**'s move to Equity Records a few weeks ago. Loba told **R&R**, "I am ecstatic to have Tony joining our team. Our staff really came to know what kind of a person he is after hearing from programmers that he was working them on 'Almost Home' several months back. He fights for good music whether it's his or not, knowing it will benefit the format. Tony's professionalism, integrity and passion for music make him the perfect addition to BBR." Benken has held promo posts for BNA, RCA/Nashville and Virgin/Nashville.

### John Sebastian New WVLK & WLTO PD

The veteran programmer began his new duties for the Lexington, KY Country/Classic Country combo yesterday.

He succeeds **Dale O'Brian**, who has left the two stations he'd programmed since August '02. Sebastian's first stint in Country came when he programmed KZLA/Los Angeles from March '96 to June '98. His programming background also includes KHJ and KTWV in Los Angeles and KDWB and KUPD in Phoenix.

### Maranville Leaves Camel For The Bay

**Tim Maranville**, who is the PD of Infinity Country KMLE/Phoenix in addition to his duties as Infinity VP/Oldies and PD of KMLE's Sun City sisters KOOL & KZON, has been named PD of Infinity's KFRC-AM & FM/San Francisco. He replaces the exiting **Brian Thomas**. Interim programming duties at the Phoenix stations go to Programming Assistant **John Clay**. Maranville has been in charge of KMLE's programming since last November, when KMLE PD **Jeff Garrison** transferred to the OM post at KILT/Houston. (Country Format Room, [www.radioandrecords.com](http://www.radioandrecords.com), 8/27.)

### WHOK Turns Classic Country

WHOK/Columbus, OH has been re-launched as a Classic Country station with the positioner "Country Legends, K95.5." Its playlist ranges from Patsy Cline to Toby Keith, but will bear no current music.

### Carl P. Segues To WKDF Sister "The Zone"

In the first report anywhere, the Aug. 26 Country Format Room at [www.radioandrecords.com](http://www.radioandrecords.com) contained the news that WKDF/Nashville morning personality **Carl P. Mayfield** would debut Sept. 2 as the morning host for Citadel Sports sister

WGFX (The Zone). He replaced the syndicated Rick & Bubba morning show.

As we also reported last week, WKDF's new morning show will remain a mystery (at least to some degree) until Sept. 7 when the new morning show will be announced during half-time of the Tennessee Titans-Oakland Raiders NFL game. (WKDF is the Titan's flagship station.)

**Music City Street Talk:** It was bizarre driving to work yesterday and listening to Nashville's three FM Country stations — *none* of which has its "permanent" morning show on the air. WSIX stalwart **Gerry House** remains sidelined following recent brain surgery, WKDF's new cast debuts next Monday and WSM-FM has middayer **Mike Terry** and longtime Music City personality **Katie Haas** in morning drive. Haas will remain; a decision on Terry's long-term wake-up future should be made this week.

And speaking of Gerry, he told me that his head "feels like I have the worst hangover since college." He adds that he is "progressing along" and hopes "to be terrorizing people on the air in a couple of weeks."

Meanwhile, back at WSM-FM, Asst. PD/MD **Frank Seres** is now set to handle middays, **David Hughes** is onboard for afternoons, and **Su-Anna** is ensconced in evenings from KWJJ/Portland.

Finally — consider this: With WSIX PM driver **Billy Greenwood** headed to St. Louis, *five* of the six drivetime slots at the three FM Country stations are in the hands of newcomers or temporary replacements. Talk about putting the Country cume in a state of flux!

### Lineup Changes At WQIK & WROO

There are changes at Clear Channel Country combo WQIK & WROO/Jacksonville, where the morning shows have merged. After a number of years on WROO, **Robbie Rose** is heading back to **WQIK**, where he'll join **Leroy Boomer** for wakeups. Also joining the team is **Toni Fox**, a former personality at WYYD/

Roanoke, VA. Exiting WQIK mornings is **C.C. Rider**; leaving WROO mornings is **Cody White**.

At the Rooster, PM driver "Shotgun on The Radio" heads to mornings, where he'll team with **Dee Davenport**, who is currently part of the wakeup crew. Also, middayer **Dixie Jones** segues to afternoons and WSSL/Greenville, SC personality **Paul Koffy** will now voicetrack middays. (Country Format Room, [www.radioandrecords.com](http://www.radioandrecords.com), 8/29.)

VP/Promotion **Rick Baumgartner** announced that **David Berry, Cliff Blake, Brad Howell, Tom Moran, Darlene Starr** and **Matt Williams** would each carry the title of National Director/Promotion. Baumgartner explained, "Our philosophy is to expand upon the traditional role and turn the expected into the unexpected. The landscape of promotion has changed over the years because of many factors, including consolidation. Today's promotion person does much more than simply make a call to radio. Therefore, we wanted to expand their role and allow them to deal with this new business model in the most effective and successful way possible." The label's first single release will be Clint Black's "Spend My Time," which is expected at radio in October.

The folks at Equity also just got phone numbers and email addresses. All of the email addresses are [@equitymusicgroup.com](mailto:@equitymusicgroup.com). 154 Country reporters. Songs ranked by total points for the airplay week of 8/24-8/30. Bullets appear on songs gaining points and/or plays or remaining flat from previous week. If two songs are tied in total points, the song with the larger increase in points is placed first. Songs below No. 1 and down in points and plays for three consecutive weeks are moved to recurrent. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Points lists the songs with the greatest week-to-week increases in total points. Station Weight = AQH Persons + (Market rank X 10) divided by 4180. Total Audience equals Average Quarter Hour Persons times number of plays (times 100). Each daypart on each station is assigned an AQH number.
