Clear Channel Launches New Tampa Country

Here's an update to a story reported in a Thursday-morning breaking-news bulletin to R&R Country Daily subscribers: Clear Channel debuted a new Tampa Country outlet at 12am Thursday (4/14). WTBT (Thunder 103.5) flipped from Classic Rock to "US103.5: Tampa Bay's Best Country" (new calls pending); it's going after Infinity Country combo WQYK & WYUU.

Clear Channel is building its new Tampa Country station in much the same way it built KUSS/San Diego for its attack on legendary KSON. The first step was signing the competitor's high-profile morning show. In San Diego, CC hired **Kris Rochester** and **Tony Randall**. In Tampa, CC lured away five-year WQYK morning host and three-time CMA Personality of the Year **Skip Mahaffey**, who will debut as US103.5's new morning host on Oct. 13 after sitting out a six-month noncompete. Joining US103.5 in the next few weeks to hold down the fort until Mahaffey arrives will be his former WQYK partners **Braden Gunn** (sports) and **Les McDowell** (traffic). CC RVP/Programming and market OM **Brad Hardin** is running the mainstream, hits-based station until a decision can be made on a PD.

A sample hour of US 103.5 can be found later in this Hot Fax.

Meanwhile, Back At WQYK....

WQYK — which, by the way, is positioned as "Tampa Bay's Country Station" — ranked third (12+) in fall

Panel Changes

R&R is adding KJJY/Des Moines to the reporting panel, effective with the April 25 Country chart. We are also reassigning the following Indicator Reporting stations to the main R&R Country reporting panel. These stations were selected because they are in high Country sales-indexing markets, and more than 35% of the music they play each week is current music.

KIZN/Boise, ID
KQFC/Boise, ID
WIOV/Lancaster, PA

WITL/Lansing, MI
WSLC/Roanoke, VA
KJUG/Tulare, CA

'04 and second in both the spring and summer '04 Arbitrons.

Holding down mornings is 20-year market vet and WQYK weekender/fill-in personality **Steve Austin**, who teams with longtime morning show newswoman **Rita Ciccarello**. OM **Mike Culotta** is looking for his next morning show. Rush your T&Rs to him at 5510 W. Gray St., Ste 130, Tampa, FL 33609.

Elliott, Hatfield Add KHKI Duties

KJJY/Des Moines PD **Andy Elliott** has added PD duties for Des Moines Citadel Country sister KHKI. He replaces KHKI PD/MD/morning personality **Jimmy Olsen** (radioguy1290@yahoo.com, 515-556-7197 or 515-554-6520), who has exited after almost seven years with the station. Olsen was promoted to PD in November 2003. Elliott, a Des Moines native, has been with KJJY for 12 years and was elevated to PD in December 2003. Concurrently, KJJY MD/morning personality **Eddie Hatfield** is now also doing the music for KHKI.

R&R Convention, Country Update

We're hosting a pair of Country panels during the R&R Convention in Cleveland, June 23-25. Both are on Friday, June 24. The late-morning session is called "So, You Have a Country Station — Now What?" This panel is geared to cluster GMs and OMs who have a Country station under their purview but aren't "fluent" in the format. We'll have as panelists former Pop PDs who have been successful at Country stations the last few years and former Pop PDs who have just taken Country gigs.

The afternoon panel is called "The Country Boiler Room" and is more of a town meeting than a panel. Our dais will feature top labels execs, the top Country programmers from the various radio companies, a couple of VPs/Promotion and a consultant. We'll cover a wide variety of topics — and we promise to ask and get answers to the tough questions.

On tap Friday night is **The Great Lakes Country Reunion**. Of course there's the opening-night party at the Rock & Roll Hall of Fame, the R&R Industry Achievement Awards, the TJ Martell Texas Hold 'Em Poker Party and lots, lots more. Go to www.radioandrecords.com and click on the "Conventions" box for more details and registration information.

The Charlie Daniels Band has recently completed nine shows for more than 15,000 U.S. soldiers in Kyrgyzstan, Uzbekistan, Afghanistan, Kuwait, Iraq and Germany. A combined effort of the Tennessee National Guard, United States Army-Europe, U.S. Central Command in Southwest Asia and the nonprofit organization Stars for Stripes, the tour included more than 16,000 air miles and as many as three shows a day. During a stop in Germany, Daniels was presented the Commanders Award for Public Service by General B.B. Bell, Commander of the United States Army in Europe.

116 Country reporters. Songs ranked by total points for the airplay week of 4/10-4/16. Bullets appear on songs gaining points and/or plays or remaining flat from previous week. If two songs are tied in total points, the song with the larger increase in points is placed first. Songs below No. 1 and down in points and plays for three consecutive weeks are moved to recurrent. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Points lists the songs with the greatest week-to-week increases in total points. Station Weight = AQH Persons + (Market rank X 10) divided by 4180. Total Audience equals Average Quarter Hour Persons times number of plays (times 100). Each daypart on each station is assigned an AQH number.
