Puglise To Oversee CC/Phoenix

Joe Puglise, the seven-year VP/Market Manager for Clear Channel's Country WDSB and clustermates WDOV, WDSB, WILM, WRDX & WWTX in Wilmington, DE, moves to Phoenix to oversee the company's eight-station cluster in the Valley of the Sun. Puglise's new group of stations includes Country KNIX, and he'll also oversee the Total Traffic Network, integrated marketing and Internet operations. He'll report to CC SVP/Southwest Region Susan Karis, who was recently promoted from the role that Puglise is taking.

Williams Flips Back To Pop In Dallas

CHR/Pop KHKS/Dallas's syndicated show *Kidd Kraddick In The Morning* has brought in former Country KPLX (The Wolf)/Dallas PD **Paul Williams** as Operations/Marketing Manager. Williams joined The Wolf as Promotion Director in 1998 following a six-year stint in the marketing and promotion department at Universal Studios/Orlando. In January 2001 he was promoted to PD of KPLX, leaving the station in February of this year. His radio career also includes tenures at CHR/Pops WEGX (Eagle 106)/Philadelphia, WAPW (Power 99)/Atlanta and KDWB/Minneapolis.

Dimick, Lindy New To R&R Convention Country Panel

Session targets GMs, OMs new to Country WQHT (Hot 97)/New York PD **John Dimick** and Sirius Satellite Radio Director/Country Programming **Scott Lindy** are confirmed for the "So, you have a Country station, — now what?" panel at R&R Convention 2005 in Cleveland. The panel will be held June 24 and is geared to multistation managers and programmers who have a Country station in their fold but little experience in the format.

Dimick and Lindy join KKBQ/Houston PD **Johnny Chiang**, KSCS/Dallas PD **Lorin Palagi** and WGH-FM/Norfolk PD **John Shomby** in a discussion of the differences and similarities of Country and Pop programming, focusing on the realities vs. the myths.

Dimick programmed CHR/Pop WNCI/Columbus, OH prior to joining Country KSON/San Diego, which he programmed for nearly seven years. His insights are even more poignant now that he has been programming CHR/Rhythmic Hot 97 for the last six months. Lindy was an AC programmer prior to taking the PD post at Country WPOC/Baltimore in 1997. He joined Sirius approximately 13 months ago, and presently oversees all of the satcaster's Country channels.

This panel runs 11am-1pm on June 24. The "Country Boiler Room" afternoon panel, from 3-5pm, features Infinity VP/Country **Jeff Garrison**, Clear Channel VP/Country **Alan Sledge**, Columbia/Nashville Sr. VP/Promotion **Larry Pareigis** and consultant **Joel Raab**. New Columbia/Nashville artist Brice Long will perform prior to this session.

Rascal Flatts On American Idol

If you tune in to *American Idol*'s season finale with the rest of the free world on Wednesday night, you'll see **Rascal Flatts** performing "Bless The Broken Road" with finalist **Carrie Underwood**. After Underwood's recent performance of the song on the show, sales of Rascal Flatts' album shot up 40%. Upwards of 50 million people watched last year's finale, so this performance could give the group another hefty sales bump. Following the show, the band travels from Los Angeles to New York for a Friday-morning performance on ABC-TV's *Good Morning America* as part of that show's Summer Concert Series.

This Week At Callout America

Our weekly analysis of Country callout research is brought to you by Bullseye President **John Hart**. Here's a look at some of the biggest stories Hart looks at in the May 27 issue of **R&R**:

"Joe Nichols' 'What's a Guy Gotta Do' powers into the No. 1 spot from last week's No. 3 position. Trace Adkins' 'Songs About Me' holds as the No. 2 song. There are two songs new to this week's top 10: Dierks Bentley moves to the No. 8 slot from No. 12 with 'Lot of Leavin' Left to Do.' Sugarland break into the top 10, with 'Something More' ranking at No. 9 for the week, up from No. 17. Trick Pony are showing big passion scoring, with 'It's a Heartache' ranking as the No. 7 passion song overall. Rascal Flatts have the No. 15 song, up from No. 21, with 'Fast Cars and Freedom.' Van Zant's 'Help Somebody' is the No. 20 song, up from No. 22."

time slot. "Froggy 95," previously WMTZ (The Mountain), swapped frequencies with AC sister WKYE in February. Mosby succeeds Walker, who left the station in late February.

Personalities: WGNU/Columbia, SC moves weekend jock **Ronny Lane** to nights, effective yesterday. Lane is a market vet with stints at WCOS and WNOK on his resumé.

Stationality

KNCI/Sacramento's *Pat and Tom* morning show recently staged the city's first Wiffle Ball Challenge, starring actor **Clint Howard** (director Ron Howard's brother). A year-old on-air interview with Clint inspired the event, which raised \$5,000 for the Make-A-Wish Foundation. Twenty-two three-man teams competed, and according to KNCI morning man **Tom Mailey**, the winning team's pitcher "threw stuff that looked like drunk sparrows trying to find their nest."

CRB Hosts Two Conclave Sessions

CRB is presenting two sessions at this year's Conclave in Minneapolis, set for July 20-24. The sessions are *60 Ideas in 60 Minutes*, which gives attendees promotion ideas, and *Trading Spaces*, which gives label execs and radio GMs the chance to switch roles.

Street Talk

It seems the Academy of Country Music doesn't place as much importance on Country radio as do its winners. Almost every "Hat Award" winner on last week's ACM award show acknowledged the role of Country radio in their careers. But when it came time to recognize its very own Broadcast Personality and Station of the Year

award winners, what did the ACM do? It "honored" KNIX/Phoenix talents **Tim & Willy** and WIVK/Knoxville with a voice-over bumper. That was it; no pictures of the newest broadcast winners showing off the hardware. Just an announcer reading their names while we looked at a wide shot of the audience as the show headed to commercials.

C'mon, ACM. If you go through an extensive application and serious judging process, the least you can do is give the radio winners a little TV face-time.

121 Country reporters. Songs ranked by total points for the airplay week of 5/15-5/21. Bullets appear on songs gaining points and/or plays or remaining flat from previous week. If two songs are tied in total points, the song with the larger increase in points is placed first. Songs below No. 1 and down in points and plays for three consecutive weeks are moved to recurrent. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Points lists the songs with the greatest week-to-week increases in total points. Station Weight = AQH Persons + (Market rank X 10) divided by 4180.

Total Audience equals Average Quarter Hour Persons times number of plays (times 100). Each daypart on each station is assigned an AQH number. Average Quarter Hour Persons used herein with permission from Arbitron Inc. (© 2005, Arbitron Inc.) © 2005 Radio & Records.
