Bustos Buys KKCS

Bustos Media has purchased the facilities associated with KKCS/Colorado Springs from Superior Broadcasting for an undisclosed price. Thanks to an LMA, Bustos on Friday assumed control of the 50kw station by placing the company's Regional Mexican "La Gran D" format on KKCS's 101.9 MHz frequency. KKCS's Country programming, which has been simulcasting on nearby KSTY/Canon City, CO as "104.5 KKCS," permanently moves to KSTY's frequency and continues to simulcast on KXDC/Estes Park, CO, giving the station coverage in Boulder and Fort Collins, CO. The KKCS calls replace those at KSTY, while the KKCS frequency becomes KGDQ.

This marks Bustos' second deal with Superior: In 2004 Superior sold two of its Salt Lake City properties to Bustos. Superior has owned KKCS since April 2003, when it purchased the property from Walton Stations for \$18 million.

Michaels Upped In Sioux City

KSUX/Sioux City, IA morning personality **Tony Michaels** has been promoted to PD. He succeeds **Bob Rounds**, who resigned the post he's held since the station's 1990 Country launch, and who remains as midday talent. Michaels was at KZKX/

Lincoln, NB in 1997 when he joined KSUX for evenings. He moved to afternoon drive in 1999 and segued to mornings in 2001.

The Week's Top Stories

The week's major news stories, as first reported in **R&R Country Daily** or an **R&R Breaking News** bulletin:

- **Holland Replaces Giutarri:** Susquehanna/Cincinnati Dir./Programming **T.J. Holland** has assumed the WYGY PD reins from the exiting **Steve Giutarri**. Holland had programmed the Country outlet prior to Giutarri's arrival in September 2004. Giutarri, who previously programmed KCYY/San Antonio and KBQI/Albuquerque and was KILT/Houston Asst. PD/MD, can be reached at guitarman626@yahoo.com.

(RRCDD, 12/2)

- **Entercom Cries "Wolf" In Seattle:** Entercom/Seattle launched a direct assault on market-leading Infinity Country KMPS at noon on Nov. 30 when it debuted "The New 100.7 The Wolf" on former Hot Talk KQBZ. Former Citadel VP/Product Development **Scott Mahalick** has emerged from retirement to program the new Country outlet, which kicked off with 10,000 songs in a row commercial-free.

Entercom has enjoyed renewed success in the last two years with KWJJ/Portland, OR, which was rebranded with the Wolf identity in January 2004. Mahalick says the new Seattle Wolf will have the same feel as its Portland sister: "It'll be straight-ahead contemporary Country," he says. "It's all about the mojo and the feel of The Wolf. Our research showed there's plenty of room for two Country stations in Seattle. It's our Christmas gift to the people of Seattle — we wanted to offer them a choice for their Country." Asked about coverage, he noted, "Technically, this station is a grand-fathered Class C that has the biggest signal in Seattle."

Melissa Forest is The Wolf's GM; **Jerry McKenna** is the cluster's Market Manager. Mahalick is looking to fill all dayparts. T&Rs to him at smahalick@comcast.net or 1100 Olive Way, 16th Fl, Seattle, WA 98101.

KMPS has led the Seattle 12+ Arbitron race for the last four sweeps, posting a 5.7 in the fall 2005 book. KQBZ had a 1.9. (RRCD Breaking News, 11/30).

• **CRB Names "New Faces," Career Achievement Honoree, Radio Sales Day And More:** It was a news frenzy last Wednesday when the Country Radio Broadcasters held a press conference announcing a number of awards and events set for CRS-37, to be held in Nashville Feb. 15-17. These items appeared in either an RRCD Breaking News bulletin or in the RRCD on Nov. 30.

Joe Nichols revealed this year's New Faces: **Jason Aldean, Keith Anderson, Jeff Bates, Little Big Town** and **Van Zant**. All will perform at the R&R-sponsored CRS-37 New Faces Dinner and Show that concludes this year's seminar, on Friday, Feb. 17.

The CRB Career Achievement Award will be presented to **Ronnie Milsap** at the Country Music DJ and

This Week At Callout America

Our weekly analysis of Country callout research is brought to you by Bullseye President John Hart. Here's a look at some of the biggest stories Hart looks at in next week's issue.

"Keith Urban still has the No. 1 song overall at Callout America and the No. 1 passion song, with 'Better Life.' Little Big Town are new to the top five, with 'Boondocks' ranking at No. 5, up strong from No. 15. George Strait's 'She Let Herself Go' moves inside the top 10, ranking as the No. 6 song for the week and the No. 14 like-a-lot song. Trace Adkins is building plenty of listener support with 'Honky Tonk Badonkadonk' ranking as the No. 11 song overall. The strongest growth of the week is from Faith Hill's 'Like We Never Loved at All.' This song moves from No. 20 overall last week to No. 13 this week."

Radio Hall of Fame Dinner, on Tuesday, Feb. 14.

Toby Keith will be honored with the Secretary's Award for Outstanding Service to American Veterans by Department of Veterans Affairs Secretary **R. James Nicholson** during CRS-37 opening ceremonies, on Thursday, Feb. 16.

It all went to the USO for purchase of the aforementioned items.

Get-well wishes to **Eddie Montgomery**, who spent at least a portion of the weekend in a Lexington, KY hospital with pneumonia and flu. He's now home and expects to be on the road again this weekend.

Get-well wishes to BBR VP/Promotion **Jon Loba**, who is resting at home after being diagnosed with mononucleosis.

"What?" That was Mercury Promotion Coordinator **Amy Matousak's** text reply when her boyfriend and CO5 SW rep **David "Bubba" Berry** text-messaged a marriage proposal to her from Dallas last Friday morning. Only Berry wasn't in Dallas — he was next door in UMG VP/National Promotion Bruce Shindler's office, having been smuggled in unbeknownst to Matousak. Berry quickly made a proper proposal, ring in hand, and was accepted. Congrats to both of them. Heartwarming note: Berry flew to Maryland the night before, also on the sly, to ask Matousak's parents for their daughter's hand. All together now: "Awwwww!"

119 Country reporters. Songs ranked by total points for the airplay week of 11/27-12/3. Bullets appear on songs gaining points and/or plays or remaining flat from previous week. If two songs are tied in total points, the song with the larger increase in points is placed first. Songs below No. 1 and down in points and plays for three consecutive weeks are moved to recurrent. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Points lists the songs with the greatest week-to-week increases in total points. Station Weight = AQH Persons + (Market rank X 10) divided by 4180. Total Audience equals Average Quarter Hour Persons times number of plays (times 100). Each daypart on each station is assigned an AQH number.
