Logan, Summers Join ACC Team

Veteran Country programmer **Lee Logan** and WSM-FM (The Wolf)/Nashville Promotions Director **Angie Summers** have joined the affiliate relations team for the newly-revamped *American Country Countdown With Kix Brooks*. Logan is Dir./Affiliate Relations and Summers is Manager/Affiliate Relations. Both are based in Nashville and report to **T. J. Lambert**, VP/ESPN Radio & ABC Music Radio for ABC Radio Networks. The new show is set to debut in late January.

Most recently a consultant and PD of KBKO/Bakersfield, Logan has programmed or held ops positions at WSM-FM/Nashville, KNEW/San Francisco, KFRG/Riverside and WUSN/Chicago. He was also the National PD for South Central Communications; a consultant with Shane Media; and Exec. Director/Country for MJI Programming, where he had a role in launching *The Jeff Foxworthy Countdown*.

Prior to joining WSM-FM, Summers was Asst. Promotions Director at KODA/Houston.

WUSN (US99.5)/Chicago set a new record during its 15th annual St. Jude Country Cares for Kids Radiothon, held Dec. 9 and 10, collecting an amazing \$1,322,206. This is the sixth time US99.5 has brought in more than \$1 million, including \$1.2 million in 2004, \$1.3 million

R&R's Year-End Reporting Schedule & Dates

Before we get to the year-end reporting schedule, just a reminder that the R&R Convention early-bird rate of \$299 ends Dec. 31. This year R&R and the National Association of Broadcasters will hold their conventions side by side, on Sept. 20-22, 2006 at the Wyndham Anatole Hotel in Dallas. Attendees who register for either the NAB Radio Show or the R&R Convention will have access to sessions at both events.

Now, on to the year-end dates you need to know:

in 2003, \$1,061,110 in 2002, \$1,195,892 in 2000 and \$1,100,507 in 1999. During its 15 years, the Infinity Country outlet has raised more than \$11.7 million for St. Jude's Kids. As first reported in the Dec. 7 R&R Country Daily, Metro Nashville police have made an arrest in the **Eric Mansfield** murder investigation. **Deonvelt Miller**, 16, has been apprehended for the crime, according to a police spokesperson. Mansfield, Dir./Creative Services for Warner Bros./Nashville, was shot on the evening of Nov. 11 while sitting in his car near his East Nashville home. On The Auction Block For The CMDJHOF

The Country Radio Broadcasters is looking for a little

This Week At Callout America

Our weekly analysis of Country callout research is brought to you by Bullseye President John Hart. Here's a look at some of the biggest stories Hart looks at in next week's issue.

"Kenny Chesney takes over the No. 1 slot at Callout America, with 'Who You'd Be Today' up from No. 2. The No. 1 song with female listeners this week is Billy Currington's 'Must Be Doin' Somethin' Right.' Trace Adkins is new to the top five, with 'Honky Tonk Badonkadonk' ranking No. 4 overall, up strong from last week's No. 11. Garth Brooks' 'Good Ride Cowboy' explodes into the top 10 from last week's No. 17 song overall to this week's No. 8. Carrie Underwood's 'Jesus Take the Wheel' is the growth song of the week at Callout America, ranking as the No. 15 song overall, up from No. 22."

help in its quest to raise funds for the Country Music DJ Hall of Fame. We previously reported that an auction benefiting the institution is running at www.cmtauctions.com. The auction runs through Dec. 15, so you only have two days to get your on-air folks hyping this event to listeners.

Far and away the most popular items are three pairs of tickets to CRS-37 Music City Jam, starring Keith Urban — complete with a meet-and-greet. Also up for bid are autographed guitars from Kenny Chesney, Montgomery Gentry, Alabama, Keith Urban, Rascal Flatts and many more; CRS-37 New Faces tickets; Alan Jackson-signed jeans; a golf bag autographed by Vince Gill; and a flyaway to see Gretchen Wilson and Van Zant. You can also check it out at www.crb.org.

119 Country reporters. Songs ranked by total points for the airplay week of 12/4-12/10. Bullets appear on songs gaining points and/or plays or remaining flat from previous week. If two songs are tied in total points, the song with the larger increase in points is placed first. Songs below No. 1 and down in points and plays for three consecutive weeks are moved to recurrent. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Points lists the songs with the greatest week-to-week increases in total points. Station Weight = AQH Persons + (Market rank X 10) divided by 4180. Total Audience equals Average Quarter Hour Persons times number of plays (times 100). Each daypart on each station is assigned an AQH number.
