SINGLE PICKS OF THE WEEK

The latest James Bond picture is about to explode on the American scene and Tom Jones here introduces the title theme, "Thunderball," from the movie. It gets the Jones gusty treatment and is a certainty to leap high up the chart (Parrot 9801). The Ivy League sings a very effective ballad, "Our Love is Slipping Away," that gets dramatic and sensitive reading from the trio (Cameo 388).

SLEEPERS OF THE WEEK

Two new groups show plenty of verve and promise this week. Project X help the usually reserved Vanguard label enter the rock field with a sizzling song, "Got No Reason to Cry" (Vanguard 35033). The Young Rascals already are sporting a reputation as being something else and their "I Ain't Gonna Eat Out My Heart Anymore" (Atlantic 2312) affirms their status as a crowd to watch.

ALBUMS OF THE WEEK

Jackie Kannon breaks it up with ribaldry, bawdiness and other forms of chamber music. His jokes cover a variety of subjects and one overall theme—fun (Roulette R/SR 25312). The John Barry score for "King Rat" is getting heard by the many going to see the movie. And they'll be picking up the album, too (Mainstream 56061; S/6061).

Hot UA Label's Hefty Staff Buildup

A huge buildup of the staff of United Artists Records has been accomplished during the past six months, according to a statement this week by Executive Vice-President Mike Stewart.

This addition of key personnel has been initiated for the main purpose of building closer relationships with UA's domestic distributors and its affiliates throughout the world. Stewart added that members have been hired for the various operational divisions and this policy will continue until the label feels that it is equipped to meet the myriad and complicated problems confronting a distributor today.

United Artists Records now has a network of over 30 domestic distributors and affiliates in every nation in which there is a recording industry of any consequence. The hectic pace of today's disk world has created unique methods of operation in each area, and UA is now better prepared to deal knowledgeably with them on a local basis, via a staff which will be constantly traveling and hence up-to-date with happenings in all local-

Sales Way Up For Columbia

In a strong move forward, Columbia Records has announced that record sales for the first nine months of 1965 are up 15% from the corresponding period last year. Announcement was made by Goddard Lieberson, President of Columbia.

Lieberson stated: "The continuing upward trend of our sales in the first nine months of this year indicates that 1965 will be the best year in Columbia's history."

A major factor contributing to Columbia's substantial sales increase has been its marked success in the field of single records, along with its extensive LP catalog sales.

Columbia is rapidly expanding its facilities to keep pace with its sales. Most recently, a new \$500,000 studio was built in Nashville as part of Columbia's million-dollar recording complex located in that rapidly growing recording center. With the recent completion of new eight-, four-, three-, two- and single track recording facilities in Los Angeles, Columbia has available for use by independent producers one of the most complete studios on the West Coast. The service centers in Dallas, Hollywood, Cleveland and Pitman, New Jersey, have been enlarged.

A new research and development center is being constructed in Milford, Conn.

Sinatra Birthday Sees 2 New Reprise Albums

BURBANK, CALIF. — To commemorate the 50th birthday of Frank Sinatra and simultaneously to celebrate the singer's 25th anniversary as a recording artist, Reprise Records is issuing two new Frank Sinatra albums, one of them a two-record set.

First album is Sinatra's "My Kind of Broadway," a set of outstanding songs from current and past seasons on Broadway. Two songs from Broadway's new hit, "Skyscraper," by Jimmy Van Heusen and Sammy Cahn, are also included to represent the current season.

The two-record set, "Sinatra: A Man and His Music," will be issued simultaneously by Reprise. The double-pocket album presents a panoramic anthology of Sinatra's career as a recording artist, beginning with his early recording days with Harry James and Tommy Dorsey's orchestras through to the present.

The album, narrated by Sinatra, contains over 30 songs, together with non-musical selections important in the Sinatra career. Among the latter are dialogue from the film "From Here to Eternity," for which Sinatra won an Oscar, and a comedy portion of one of the Sinatra-Dean Martin-Sammy Davis shows, never pre-

viously released on record.

The two-record set contains a historical description of the Sinatra career, together with many photos showing Sinatra from the early Hoboken days to the present. Sonny Burke produced the album.

A limited edition of "Sinatra: A Man and His Music" is also being issued by Reprise. The deluxe set will comprise the above album, packaged in a metal-embossed slip case as a gift item. Part of the packaging is a 28-page souvenir booklet containing what is reported to be the first completely accurate biography of Sinatra, together with approximately 40 photographs covering his career. An integral part of the booklet is a compilation of the almost 1,000 songs which Sinatra has recorded since his days with Harry James, together with the recording dates, accompanying orchestra or arranger, and listing of the currently most available record number.

Reprise Records reports that over 100,000 orders for both the "Broadway" and "A Man and His Music" albums were received prior to their date of issue. The limited deluxe edition is already completely subscribed, and after the initial order is filled, no more will be made.

Dot Names Welk & Vartan VPs

HOLLYWOOD—Dot Records President Randolph C. Wood has announced the appointments of Robert Vartan and Larry Welk as VPs.

Welk started with Dot on a part-time basis while still an undergraduate at Loyola University of Los Angeles working toward a degree in Industrial Relations. Following graduation and a six-month tour of duty with the U. S. Air Force in 1961, Welk joined Dot full time as a field rep visiting distributors, branches and re-

to be in charge of all three of these functions.

Vartan joined Dot as Controller in 1961 with an enviable background in education and experience in financial and legal affairs. Holding both Bachelors and Masters degrees from the University of Michigan in business administration and a Bachelor of Law degree from the University of Toledo, Vartan also earned a CPA certificate. He was retained immediately following graduation by the national accounting firm of Price, Waterhouse & Company where he was eventually raised to a Supervising Senior.

After several top financial posts for metal fabricating-oriented companies in Detroit and New York, Vartan joined Chrysler Corporation to become Chief Financial Executive for their Airtemp Division, Dayton.

With the appointment of Vartan, Dot Records en-

Seeburg Sets Stereo Singles Lease for Ops

CHICAGO—Earlier this year the Seeburg Corporation announced its Coin Operated Phonograph Performance Society (COPPS). (This society has more than 4,000 music copyrights, readied for the free use of the coin machine operator should changes take place in the existing copyright law.) Now the corporation has announced an ambitious stereo singles record program for the coin phonograph operator, complete with a printed catalog listing over 100 different stereo singles.

The new stereo singles records are only for use on coin operated phonographs. They are designed to fill the void caused by "the complete lack of stereo singles for at least half the nation's estimated 500,000 coin phonographs that can play stereophonic records." The records are not for sale nor may they be broadcast. They are available to coin machine operators on a leased basis only.

Seeburg has had a leased record program for some months with seven inch 33rpm stereo records bearing Rec-O-Dance, Disc-O-Teen and Discotek labels. A few 45rpm singles were also issued earlier this year.

First news of the huge new stereo 45rpm singles record arsenal was given to Seeburg distributors by the firm's president, J. Cameron Gordon, at a meet in Miami Beach during the recent National Automatic Merchandising Association Convention.

The Seeburg president said: "The operator and the location have combined to bring the public coin operated phonographs that can reproduce stereophonic sound comparable to that heard in theaters or recording studios. Yet, there has been little record product

available stereophonically. The operator helped introduce stereo music to the public but today, except for Seeburg releases, the operator cannot find a stereo single available for his machines. Seeburg is answering a dire need with its impressive release of 45rpm stereo singles."

"Our international operations are mirrored in our Specialty and International Music Series," the Seeburg president noted. Gordon called attention to the Italian, French and Mexican stereo singles in the new release. He also pointed out the Hawaiian singles as well as the Latin singles in addition to such widely opposite tempos as waltzes and Dixieland.

The Seeburg exec noted that there are 20 singles in the country and Western Series and that the Rhythm and Blues Series, Discotek series for the younger set and the Adult series each contain 20 singles.

Actively Signing Artists

Artists' names appear for the first time on many of the new stereo singles releases, an indication that Seeburg has been actively signing artists. Fred Boyd, Mel Stover and Joan Hager are among the country artists while Sonny Hines and the Tommy Wills Combo are on releases in the Rhythm & Blues series.

The first Seeburg catalog of 45 rpm Stereo Singles is now available to coin machine operators through Seeburg franchise distributors in the U.S. Distributors have been serviced with all of the records, according to William Prutting, Seeburg Vice President in charge of the record program. He and Stan Jarocki have been visiting distributors throughout the country.

Heaven," "Things," "You're The Reason I'm Living," "One Kiss For Old Times' Sake," "Dream Lover" and others.

Merc Sets Deal With Bateman

CHICAGO — Continuing a policy announced approximately two months ago of developing new concepts in talent acquisition, Irwin H. Steinberg, Executive Vice-President of Mercury Records, this week announced an A&R deal with Bob Bateman, veteran independent record producer.

Steinberg emphasized that the Bateman relationship will, like the recently announced pact with Koppelman-Rubin Associates, be under the direct coordination of Shelby Singleton, Mercury Vice-President of A&R. The Bateman deal will start with the various labels within the Mercury family with the release on Philips of the La Vettes pairing of "Practice What You've Been Preaching" and "No Matter What You Do To Me."

Bateman, Steinberg added, will create other new acts and recordings for Mercury, Smash, Fontana, and Blue Rock in the near future. He will be working with Ronald Moseley as associate, headquartering at their offices in New York City.

In the Dark With Dagmar

NEW YORK — Just as Dagmar finished her Spiral recording of the tune "The Best Way to Hold a Man" (which contains the passage "... the best place to kiss a man is in the dark, in the dark, in the dark"), the Big Blackout happened, leaving Dag in the dark with 22 male musicians, an engineer and an arranger.

Trencher, Miller Promoted at MGM

NEW YORK—Irv Trencher, who held the post of Regional Sales Manager for MGM/Verve, has been named as Assistant to Sol Greenberg, Director of Album Sales for the MGM and Verve labels.

At the same time, Glen Miller was promoted from promotion rep for Metro Records, MGM's factory-owned branch in Chicago, to Regional Sales Manager for both MGM and Verve album product. He has been assigned to cover the mid-west.

Both men will report to Sol Greenberg.

Maharis' TV Spec

George Maharis has been signed to star in a musical special for ABC-TV by former "Shindig" producer Dean Whitmore who will produce and direct. Jack Regas choreographs the show which will be aired Saturday, Dec. 4, in the 7:30 p.m. time slot to be vacated by "Shindig."

ities.

Among Newcomers . . .

Among the newcomers to the United Artists roster of executives during the past half-year are Norman Weiser, who now heads the west coast platter and publishing operation; Mike Lipton, who recently joined UA as Director of Marketing and Regional Sales; Bernie Lawrence now in charge of album promotion; Ron Eyre who is liaison with foreign labels and Tom McCaffrey whose area is regional promotion for singles.

UA Records is currently enjoying the most prosperous year in its history, surpassing even 1964 which previously had been its biggest 12-month period ever.

Among the major factors in the UA success story are the growing library of film music and the continued growth in importance of the Ferrante And Teicher catalog.

In addition, hit singles by Jay & the Americans, Patty Duke and Bobby Goldsboro, UA also

A BLUE EYED SOUL BROTHER WHO'S ROCKING THE INDUSTRY

E. RODNEY JONES (W.V.O.H. Chicago)—
"Greatest thing since bubble gum."

JET MAGAZINE—When you see him on stage you know right away he's a good guy because everything about him is white. He wears white coats, white tights, white jersey, white skin and white hair. PICK HITS

I LIKE IT LIKE THAT

THE DAVE CLARK FIVE—Epic LN 24178; BN 26178.

Another album by the hardy singing and selling boys from Britain. "I Like It Like That" is only the first of the riveting bands. The beat takes over from the first groove and from there on it's strictly dancetime. "Pumping," "A Little Bit of Love," "She's a Loving Girl."

MY NAME IS ALLAN

ALLAN SHERMAN—Warner Bros. W(S) 1604.

The butterball parodist rearranges the words on a few more songs and the songs become take-offs of current manners and mores. He spoofs avant garde theater, back scratchers, secret agents, the drinking man's diet and other things.

YOU'VE GOT TO HIDE YOUR LOVE AWAY

THE SILKIE—Fontana MGF 27548; SRF 67548.

The new group from Britain made their mark with a Lennon-McCartney song, but their bent on this package seems to be toward Bob Dylan. They do eight of his songs in ultra smooth fashion. Those wondering about the origin of their name will probably decide that it refers to their chief singing quality.

DECEMBER'S CHILDREN

THE ROLLING STONES — London LL 3451; PS 451.

These wild lads are currently crossing the states and their album sales should follow them. They shape today's rock sound to a great extent and so each new package is an event. "Get Off of My Cloud," "Route 66," "As Tears Go By." They provide a variety of sounds this time around—rock to classical.

FAIRY TALE

DONOVAN—Hickory LP 127 (m-s).

The British lad who carries around his own bag of protest songs intones a few of them on this package — most notably his two recent single clicks, "Universal Soldier" and "Colours." Some of the others are something special too. "Sunny Goodge Street," "Jersey Thursday," eight more.

I'VE BEEN THERE

JANE HARVEY — Audio Fidelity AFLP 2149.

Jane returns to recording after a long hiatus, and a welcome return it is. Her voice is in beautiful shape—dramatic, supple, expressive. And her collection of songs is impeccable. "It Never Entered My Mind," "Everytime," "My Ship," "Here's That Rainy Day" and others exquisitely rendered.

THAT DAY WITH GOD NOVEMBER 24, 1963
HENRY FONDA, WORLD FIGURES—
RCA Victor VDM 105.

The package, introduced by Henry Fonda, is a compilation of statements made by world figures (and primarily spiritual leaders) pertaining to the death of President John Fitzgerald Kennedy. William M. Fine edited the messages. Pope Paul, Cardinal Cushing and Reinhold Niebuhr are among those who speak.

THE TONY BENNETT SONG BOOK

RALPH SHARON TRIO—Columbia CL 2413; CL 9213.

This trio, which has played behind Tony Bennett into many a wee, small hour, doodles around with some of the best known Bennett songs and will relax the listener. Each of the threesome (Hal Gaylor and Billy Exiner are the other two thirds) does groovy work. "Just in Time," "One for My Baby," "I Left My Heart in S. F.," etc.

SYLVIA TELLES SINGS THE WONDERFUL SONGS OF ANTONIO CARLOS JOBIM

Kapp KL 1451; KS 3451.

Here's a marvelous match of singer and material. Miss Telles, who is well known already in her home country of Brazil, sings only Jobim songs for her first stateside album. Her voice is at once cool and warm and just the right breeze to blow through these melodies. "And Roses and Roses," "Quiet Night," 10 more.

A CHARLIE BROWN CHRISTMAS

VINCE GUARALDI—Fantasy 5019.

Guaraldi plays the jazz score of the new cartoon coming by for Christmas consumption. Most of the album is Guaraldi improvisations on familiar seasonal standards and carols—all getting fresh treatment from the piano player. The movie should give buyers a big push toward counters.

MARILYN MICHAELS

ABC Paramount ABC 533; ABCS 533.

Dramatic power is one of the main assets this young and highly talented gal has to offer. She's currently touring as Fanny Brice in "Funny Girl" and she shows her abilities on that score with "The Music That Makes Me Dance." Others include "All or Nothin' at All," "Watching the Big Parade Go By," "My Man's Gone Now."

WILD, WILD WINTER

SOUNDTRACK—Decca DL (7)4699.

Contemporary rock sounds from what sounds like a movie teens will see. Jay and the Americans, the Beau Brummels, the Astronauts, Dick and Dee Dee and Jackie and Gayle are among the entertainers in the flick and they all sound in shipshape. Watch this album make for a wild winner.

When it comes to growing hits...Epic is all green thumbs!

Chris, Peter Allen to ABC

Backed by ABC-Paramount's A&R team, Bob Thiele (standing, right) and Peter De Angelis (standing, left), entertainers Chris (standing right, front) and Peter Allen (stand left, front) supervise as Larry Newton, label prexy, signs their exclusive ABC contract. Boys were discovered by Judy Garland, and Peter is engaged to Judy's daughter, Liza Minnelli.

Xmas with Supremes

Motown is releasing a new single by The Supremes this week, titled "The Children's Christmas Song" b/w "Twinkle, Twinkle, Little Me."

Another Holiday Hit at Philips?

CHICAGO — For the third time in less than four years of operations in the American record market, Philips Records, under the guidance of Product Manager Lou Simon, appears headed for a holiday hit of religious derivation.

The memorable "Singing Nun" album and last year's Congolese Dialogue Mass, "Missa Luba," were both the recipient of late autumn attention, leading to holiday season sales.

Now, "Misa Criolla," basically a Roman Catholic Mass, composed and produced in Argentina and released throughout South America by Philips in 1963, is the subject of widespread and rapidly growing interest. Sung by Los Fronterizos Chorus and Orchestra, it consists of two parts—a dialogue mass and Navidad Nuestra, folk dance of the Nativity.

Performed in Spanish, by the end of 1964 the album reached over 100,000 sales in South America, becoming one of the all-time album best sellers in that continent.

Twirl Inks Duos

NEW YORK—Twirl Records has signed Buddy and Stacy and Randy and Richie and is releasing a single by both duos this week.

The former have "A Thing Called Jealousy" and the latter have "I've Gotta Get Rid of Her."

Big Epic Gift Push

Epic Records has developed a major gift-giving campaign which is being launched as the holiday season approaches, according to an announcement by Sol Rabinowitz, Epic's Director of Merchandising.

Instead of embarking on a specific Christmas gift program highlighted by specialized Christmas product, the label will utilize the slogan "A Gift Worth Giving . . . and Receiving!—Epic Records" to help promote its existing catalog and new releases. Special materials featuring the slogan have been sent to distributors for display during the holiday shopping season.

The major display unit suggests as gift items six top-selling Epic LPs, including "Drive-In Movie Time" by Bobby Vinton, "The Bob Dylan Song Book" played by the Golden Gate Strings, "In My Style" by Jane Morgan and "Having A Wild Weekend" by the Dave Clark Five, among others. A separate display highlights the recently released set of Beethoven's Nine Symphonies, George Szell and the Cleveland Orchestra.

Three posters have been designed to promote "The Gift for the Country Fan," "The Gift for Everyone" and "The Gift of Distinction."

Counter cards featuring "A Gift Worth Giving—For Mom—For Dad—For Brother—For Sister" have been shipped. The

cards also list Epic albums that have achieved unusually high sales during previous holiday seasons. In addition, Epic has supplied gold-and-red stickers which feature the slogan "A Gift Worth Giving . . . and Receiving!—Epic Records," which can be attached to the cellophane covering on album jackets.

In Good Shape

HOLLYWOOD — "No matter What Shape," produced by Joe Saraceno with the T-Bones, is shaping up to be one of the fastest-moving singles on Liberty, according to National Sales Manager Bob Fead.

Edwards Signed

NEW YORK — Teddy Ranzazzo Productions has signed Tommy Edwards to an exclusive recording contract. The singer's records will be released on Musicor.

Audio Fidelity Prexy:

Glamour Needed In Changed Music Biz

Gimbel's New Office Layout Lavish; Wax Prospects Bright, Too

BY DOUG McCLELLAND

NEW YORK—Herman Gimbel, President of Audio Fidelity Records, feels that the music business needs "more glamour" and is doing something about it by setting his own house straight.

Gimbel's "clean sweep" began last week when the label and subsidiaries moved into spacious (almost 3,000 square feet) new quarters at 221 W. 57th St., taking up the whole ninth floor. Already installed, along with the more conventional recording company facilities, is a fountain that dispenses both beer and sodas (ice cream, no-cents plain, etc.)—not at the same time. Coming up: a built-in television set (in Gimbel's desk) and a sauna bath.

"Everyone here spends eight to 10 hours a day in these offices," Gimbel said in his show-place digs, "and I want them to be happy. I know it will show favorably in their work. I think the record business has got to be cleaned up, has got to become—well, more glamorous.

"In our new offices we have plenty of room to grow, with extra desks for visitors. We removed the actual shipping from the premises, too. It's important today to have people come into your offices and feel at home. They want to see a little glamour. If we live it, I think the public will accept it."

Disk Biz Changed

Gimbel continued, "The record business has changed in recent years, you know. It's not really the *record* business anymore. It's the *entertainment* business. We're now in tape, cartridges and 'strike-offs' (Scopitone and like that). I want to make pre-recorded video tapes, with pictures and sound. I want to present it so that you'll be able to get the sound and picture if you plug it into your TV set; or, if you just put it on your tape machine and prefer only the sound. . . . You'll

be able to get either. I want to continue producing unusual sound as well. We have always been known for this." (Gimbel bought Audio Fidelity from Sid Frey last April.)

"It's a whole new conception. Years back Chrysler tried to put a phonograph in cars, but the vibrations spoiled everything. Now tape has solved this problem. And a couple of years ago it was important to get an artist to record. Today, the record is a calling card for an unknown artist who needs that

record more than it needs him. When they can say, for instance, 'I'm on Audio Fidelity Records,' it helps the not-yet-established artist," he stated.

Gimbel added that "you can't mislead your dealers. When you make a statement, you must back it up. When we say a deal is over, we abide by it. We will not give special prices or cut rates. If we cancel a distrib and don't take back his merchandise, who are we hurting but our own image? We take it back."

"I feel you need individual licensees overseas," Gimbel opined. "It makes for competition and good business."

Gimbel added that Audio Fi will be doing some spoken word news packages, too.

Lauding his young A&R Director, Barry Osslander, as well as Harold Drayson, VP, Sales; Diane Terman, PR Director; Willie Hamilton, Engineer; and Charles Blodgett, Art Director, Gimbel added that they have signed independent production deals with Hank Hunter and Ulpio Minucci's Ulsyra Pro-

ductions, among others. Plus England's Peter Walsh who will produce a minimum of 24 records for Audio Fidelity and subsidiaries, Karate being the most active of the subsids. Other labels are Dauntless and Kinor.

They are also after top artists and have pacted Bob Braun, Renée Raff, Jane Harvey, Ronnie Wilson, Chico Holiday, Guy Pastor, Audrey Akins, the Renegades, Dick Dia, Johnny Puleo, the Bossa Tres, Brian Poole and the Tremeloes, and Les Shakers. Label also has inked England's Glenda Grainger who will be heard in late December via the first waxing out on the theme song from "Thunderball," the new United Artists James Bond film, titled "Mr. Kiss-Kiss, Bang-Bang."

Togetherness

"We're all *together* in this," Gimbel summed up. Further illustrating his statement with "Everyone in the office even hangs their coats in my closet."

How long they will all continue to hang together depends on how well the newly juiced-up label continues to do in the record department, of course. Happily, their catalog is vast, their current artists are indeed

promising and the roster and catalog are expanding.

Audio Fidelity has some other elements going for it: the label's album "The Singing Priest," by Father Columba McManus, is No. 2 in Montreal, second only to "You Don't Have to Be Jewish." (Which seems fair enough.)

When a record company signs an artist of importance, it usually blows trumpets, invests in double page spreads and, in general, raises all kinds of hullabaloo.

But in announcing that Ray Stevens is now a Monument artist, we don't think all that is necessary.

We think his record speaks for itself. Listen to it.

Ray is one of the big reasons

Monument is artistry

Money Music

Dean Tyler and WIBG, Philadelphia, who first gave you the big word about the **Len Barry**, are ready to present the world with another left-field sleeper smash: "Michael (The Lover)," **C.O.D.'s**, Onederful. The record is still No. 3 at WVON, Chicago, but it is not especially an R&B sound so much as it is a big teen-appeal record. **George Liener** and **Mac McKinney** are very grateful to WDAS for proving to WIBG that the record has that special intangible for big sales.

WIBG also busted, "Should I Give My Love Tonight," **Wooden Nickels**, Omen, which has made **LeLand Rogers**, **Jerry Moss** and **Herb Alpert** ecstatic . . . **Jerry Wexler** needed one big pop station to prove that "Seesaw," **Don Covay**, is a pop smash, and again WIBG obliged. They say we talk too much about Philadelphia, but all this is the TRUTH, and YOU tell ME where else these three records are pop giants. Philly is the 4th biggest city in the country, so what does it mean?

When an across-the-board artist like **Ramsey Lewis** records a song, the copyright immediately becomes infinitely more valuable to the publisher. **Phil Kahl**, **Wes Farrell** and **Joe Kolsky** tell me that they are now getting license requests almost every day, because so many top-flight class artists (such as **Sarah Vaughn**) are doing "Hang on Sloopy" in their new albums. By the way, "Everybody Sloopy," **Johnny Thunder**, is a pop winner, so Diamond Records is in orbit.

Neil Bogart checked in with the latest flashes from Cameo. I must take my hat off to him for the sensational number of picks he is getting on his new product: "Hearts Are Trump," **Len Barry**, is a pick at WQAM, Miami; WRIT, Milwaukee; WAVZ, New Haven; KDWB, Minneapolis; and more coming . . . "Boys," **Peter Best**, WDRC, Hartford, Pick; WAVZ; KDKA, Pitts.; WDEE, New Haven . . . "Our Love," **Ivy League**: KEWB, Discovery; KYA; KBLA; WKYC, Cleveland; WRIT; WCFL, Chic.; WAVZ & WDEE; WHYN . . . "Try Me," **James Brown**, Smash, is making much noise as an instrumental, both pop and R&B. It is selling well in California and went on WIBG.

Smash is quite hot with the **Roger Miller** and **Silkie**, and, of course, the **Walker Bros.** is the giant predicted for it in our very first pop column . . . Mercury is all out on "Please Me," **Wayne Cochran** (which is very much in the **James Brown** bag), and I dig the new **Lesley Gore** . . . Philips is picking up a lot of steam on the **Wonder Who** with Top 10 in Hartford and Philadelphia; Top 20 in Buffalo; Washington; Seattle; Chicago; San Francisco, etc.

There are three "Kings of the Secondary Markets" and one "King" coming up fast. There is no doubt that "Make The World Go Away" is just a GREAT song. **Eddy Arnold** on RCA has it at the top in Houston; Columbus; Milwaukee; Dallas; and big in Cincinnati. It's growing large in Boston; Pittsburgh; Baltimore; Miami; Denver; Dayton; Syracuse; Akron; Oklahoma City; Sacramento, etc. . . . Another "King" is "I Will," **Dean Martin**, Reprise, which is a Top 10 smash in Houston, and going great in Boston; Minneapolis; Cleveland; Buffalo; Milwaukee; Seattle; Dallas; Kansas City; New Orleans; San Bernardino; Louisville; San Antonio; Youngstown; Omaha and you name it . . . Coming along great is "Crawling Back," **Roy Orbison**, MGM, which is well into the Top 20 in such cities as Boston, Baltimore, Buffalo, Houston, Seattle, Birmingham and Syracuse.

Within a week or two our new "King" will undoubtedly be the **Barry Young** on Dot which has hit Top 15 in such cities as Boston, Baltimore, Houston, Columbus, Akron and is potent in Hartford and Providence and growing very fast! . . . Another smash is "By Baby," **Temptations**, which is not only Top 10 to Top 15 in Detroit, Baltimore, Washington, Philadelphia, Atlanta, N.Y.C., but is now quite potent in the secondary markets, too, such as: Denver, Tampa, New Orleans, Albany, Norfolk, Ft. Worth, Hartford, Akron, Youngstown, etc.

"Mystic Eyes," **Them**, London, has busted into strong Top 20 in L.A., San Francisco, San Bernardino and is looking good in Chicago, Denver, Albany, Philadelphia, etc. . . . "3 Bells," **Tokens**, is in the Top 20 in Houston and Phoenix and is getting play on a long list of stations. Ditto for "I Want To Meet Him,"

NARAS Meet On Grammy Awards

NEW YORK—A discussion and explanation of the new, stream-lined Grammy Awards voting procedure is expected to highlight the Nov. 22 NARAS membership meeting in the Bryant Park Studios of National Recording, 33 West 42nd St.

The 8:15 p.m. session, to which all Record Academy members, as well as those interested in joining, are invited, will serve as the local chapters annual forum, during which members can question their governors and at the same time express their own opinions about what the Academy has been doing and should or should not be doing.

Though much of the meeting is expected to revolve around the awards, past and present, as well as the increased emphasis on contemporary sounds, it is intended also, according to program chairman Dom Cerulli, "to get the grass roots elements of the chapter move involved in its day-to-day activities. We hope to get more and more of the membership onto the various committees and performing functions that will make them feel they are more a part of NARAS.

"At the same time we hope to draw from them the sort of new ideas and renewed enthusiasm that are so essential to our development."

"Sometimes," Cerulli continued, "organizations tend to

become somewhat ingrown. This is something we want very much to guard against. By having a meeting like this at which everyone, members as well as visitors, can express his viewpoints about the industry in general and, of course, the Academy in particular, we should be able to come up with some interesting and new concepts, some of which quite conceivably could become a part of future NARAS activities."

"Besides," Cerulli concluded, "it's about time we had another open forum for the creative phase of the record industry. All of us need to get to know one another better. And it also might help to open up some closed minds!"

Famous - Par Coast Helmed by Peirce

Richard Peirce, formerly head of West Coast operations for RCA Victor, will be in charge of Coast operations for Famous and Paramount Music Companies under the supervision of Eddie Wolpin. He replaces Al Friedman.

Aside from the normal functions, Peirce will devote a great deal of time to songwriters, talent, independent record producers and also will supervise any independent record producing by Famous and Paramount Music Companies on the Coast. He will be assisted by Barney Fields of Fields Unlimited, who will devote his efforts to disk jockey exploitation on Famous and Paramount Music product on the Coast.

Toys for the Holidays

The Toys visited Record World last week after completing their roles in the Paramount film, "The Girl in Daddy's Bikini," and chatted with, from left: editor Doug McClelland, their pr man, Phil Strassberg; manager Vince Marc; associate editor Dave Finkle; and researcher Ted Williams. The "Lover's Concerto" group has been set to star on Murray the K's 10-day Christmas package at the Fox Theater in Brooklyn Dec. 25-Jan. 2.

WHERE IT'S AT

BY KAL RUDMAN

Charlie Fach of Smash tells me that sales on the James Brown instrumental, "Try Me," are strong and LeBaron Taylor in Detroit confirms as do others. Pop sales are good on it also, especially in California. Lucky Cordell and E. Rodney (Mad Lad) Jones of WVON, Chicago, dig the Wayne Cochran. Lucky's Top Personal Picks are: "Lucky Boy," Harold Hatton, Checker. He and Mad Lad have picked "Sweet Pea," Wylie Dixon &

Kal Rudman

Wheels, Conduc (it's a strong record as is the "Wrong Side of the Tracks" by Tim). The WVON pick is the Edwin Starr; the "Too Hot To Hold" is "A Sweet Woman Like You," Joe Tex, Dial, which Ernie Durham and Donny (Boy Jockey) Brooks tells me has already busted wide open in Detroit; WVON Blast is "You're My Everything," Jerry Williams on Calla, which Nate McCalla tells me has busted wide open in N.Y.C., thanx to Rocky Groce and Soul Brothers at WWRL. (Hey Rocky, why don't you let us all know what YOU are playing? We tell you what we're doing.) WVON Blast also is "Billy Knows," Hi Fashions, Amy, which pleases Bob Crewe who is on the road with it.

Top new instrumentals at WVON and everywhere are: "Midnight Hour," Little Mac, Atlantic (many picks) and "Grab This Thing," Marqueys, Stax (busted in Pittsburgh) and also "Hurt So Bad," Willie Bobo, Verve. Smash flip tip is "Soul of a Man," Fontella Bass (as it is with Burke Johnson in Atlanta). Top 10 is "Peace of Mind," Vontastics (thanks to a sensational road trip by Wally Roker), is now busted to Top 5 in Baltimore-Washington; Chicago; N.Y.C., etc. Chicago breakouts are: "Since You've Been Gone," Harold Burrage and "Tired of Being Lonely," Sharpees (which is also a hit in Cleveland). Also Top 10 there and everywhere is the Packers.

E. Rodney Jones says the smash blues is the Jr. Parker. He reports the Solomon Burke is taking off fast, and also "Funny Changes," Chuck Bernard, Satellite. The new teen smash is "Pain Is Getting Deeper," Darrow Fletcher (which broke in Cleveland), and predicts hitsville for: Wayne Cochran; Willie Dixon; "Duck," Jackie Lee; Little Mac; and Billy Sol, "The Bells."

"For You," Spellbinders, proves Columbia can have an R&B smash, as it's Top 5 in Chicago and Cleveland which has made Granny White so very happy . . . The Brook Benton proves RCA can have an R&B hit as it goes Top 10 in Chicago, New Orleans and is hitting for good sales in many markets . . . "Rainbow '65," Gene Chandler is a solid hit, and "Hot Potato," Dee Clark, looks great for Bunky Sheppard at Constellation . . . Money Records is being activated from L.A. with three releases . . . Many covers on "Temptation Walk," but the original is the hit on Dore by the Entertainers.

"Everything's Gonna Be Alright," Willie Mitchell, is a solid hit for Hi and London and Rudy Runnels in Washington feels that "Give Her Over To Me," Maurice Bowers, is another soul hit for Hi . . . Baby Washington broke fast in N.Y.C., also "What Is Soul," Furies, Mark 4 . . . The Johnny & the Expressions is selling for Josie in Baltimore, San Francisco, etc. . . . Many R&B jocks are now on the Shangri-las for Redbird . . . "I Want to Meet Him," Royales, MGM, is Top 5 in Washington and Top 10 in Cleveland and selling heavy . . . "I Need You," Elmore James, Sphere Sound is a Sleeper Top 10 smash in Washington according to Bob King, Sammy Jay, Hal Atkins and Bill Johnson . . . "All or Nothing," Patti LaBelle, is a smash, ditto the Joe Tex . . . I counted seven changes in "You Don't Know Like I Know," Sam & Dave, Stax, and it is great

Cap M & E Div Realigned

HOLLYWOOD — George R. Jones, VP, Manufacturing and Engineering, Capitol Records, Inc., has announced the appointment of Dave Lawhon to the newly created position of National Plant Manager, CRI.

Lawhon will be responsible for all record manufacturing requirements at the three manufacturing plants — Scranton, Jacksonville and Los Angeles — in addition to the functions of production planning and component planning located at the Tower. The Managers of these plants and functions will report directly to Mr. Lawhon.

Lawhon joined CRI in June 1947 as a press operator at the Los Angeles Plant. He advanced through the positions of Assistant Foreman (foreman, press department) Manufacturing Superintendent and Manager at the Scranton plant. He will maintain his offices temporarily in the Scranton plant until approximately February, 1966, at which time he will be located at the Tower.

Lawhon served as a fighter pilot after completion of the Naval Aviation Cadet program. He was awarded the Distinguished Flying Cross and five air medals for his efforts during World War II.

Evans Appointed

Jones also announced the appointment of Donald D. Evans as Scranton Plant Manager and Anthony Bouselli as Manufacturing Superintendent, Scranton Plant.

Evans began his career with CRI in 1951 as a Mechanical Engineer in 1954. He was appointed Scranton Plant Chief Engineer and two years later he became Chief Engineer, M&E Division. In 1964 he was promoted to the position of Manufacturing Superintendent of the Scranton Plant, a post he held until this latest appointment.

A veteran of the U.S. Navy, Evans holds a degree in mechanical engineering from the University of Rochester. He will report directly to Lawhon.

Bouselli has been employed at Cap's Scranton plant since 1946, when it was first purchased by CRI. In 1952, he began work in the order service department and in 1957 he became material control analyst and eventually became supervisor of that department.

In February, 1963, Bouselli was appointed Foreman of Warehousing and Shipping, a post he has held until the present. He will report directly to Evans.

LONDON LOWDOWN

BY ALAN FREEMAN

Alan Freeman

Actually, I'm glad I WASN'T there, because no doubt you'd have blamed ME for it. And as you can well imagine, I'd have been the victim of considerable fatigue by the time that I'd rushed all over New York lighting candles and leading you all out of the dark so to speak. Anyway, I'm glad I wasn't on 3rd Avenue eating a Prexy Hamburger With a College Education. Just think, I might have poured the tomato ketchup all over your best suit! I might even had taken a bite out of your left arm (depending on which side I was sitting, of course) because had I been

sitting on your left, and taken a bite out of your RIGHT arm, then no doubt it would have been a case of planning the black-out myself with intention of bad-will toward my fellow hamburger eater! No?

Now, this week's Royal Command Variety performance? An absolute knockout, chaps, and matching all comers were the representatives of the pop world. The Dave Clark Five went with a swing . . . Dusty Springfield wowed them with only one song as that's all the time she was allotted . . . Shirley Bassey has never been more dynamic . . . Peter, Paul and Mary pulled the London Palladium down, in a vocal manner of speaking . . . When Tony Bennett sang the ringing finale of "If I Ruled the World," the audience went out of their minds. It's taken time I guess, but all of a sudden the splendid British public has become very aware of the talents of Tony Bennett, and it can only be a matter of time before I'm playing his latest British hit regularly in my B.B.C. program, "Pick of the Pops."

Incidentally, it's just crossed my mind that one Andrew Loog Oldham has been with you for about two weeks by now, and still hasn't phoned me, so if any of you see him . . . TELL HIM!

A week or so ago, I mentioned a record by Ray Pollard entitled "The Drifter." Remember? Correct me if I'm wrong, but I don't recall it ever being a big hit in the states, and if not, that little inner British/Australian man keeps asking me, "Why not?" I think it is one of the most brilliant pop productions of 1965 and what fun, chaps, if we beat you to it and discover him here in Great Britain! And if by chance it DID happen to be a hit over there with you, then just jolly well mind your own business!

Heard another record today that you HAVEN'T missed and I hope we don't either, and that's Fontella Bass' "Rescue Me." (My pleasure, I assure you.)

Now, under notice in the charts . . . The Dave Clark Five's "Over and Over" . . . "Turquoise" by Donovan . . . Jim Reeves' "Is It Really Over" . . . Paul and Barry Ryan's "Don't Bring Me Your Heartaches" . . . Petula Clark's "You're the One" . . . Cliff Richard's "Wind Me Up" . . . and the Byrds' "Turn Turn Turn." Incidentally, delighted to see the Walker Brothers racing up your Top 100. I think they're top tenners without any doubt!

You know, I've been thinking it over. I find hamburgers covered with tomato ketchup quite revolting!

Col Cuts 'Zayda'

Columbia has recorded the original cast of Howard Da Silva and Felix Leon's "The Zulu and the Zayda," Broadway play with music starring Menasha Skulnik. Harold Rome provided the music and lyrics.

Pulse Xmas Deck

NEW YORK — Pulse Records, which recently set up offices at 300 W. 55th St., is releasing "The Christmas Child," single recorded by Maria Layna, a student at Dunbarton College of Holy Cross in Washington, D.C.

Golden Records Execs & Litkeis LBJ Guests

SAN MARCOS, TEXAS—Arthur Shimkin and Al Massler of Golden Records were called to Southwest Texas College Nov. 8, along with Andrea and Irwin Litkei, to be present at President Johnson's signing of the Federal Education Bill.

The honor was extended to the record world personalities because of the Golden Records recording of "The President Lyndon Baines Johnson March," written by Litkei and his missus.

During the day of the signing Shimkin presented the President with a plaque on which a gold copy of the Golden album, "The Presidents' Marches," was mounted.

Such an event, noting the contributions of the record industry and especially tying in with education, is a first in the current administration, label reports.

The day gave Shimkin a chance to discuss the power of records in education with Mrs. Johnson, who expressed interest, Shimkin reported, in furthering the potential.

The invitation to attend the signing came the Saturday before, Shimkin told the press last week, which barely gave him time to prepare the plaque.

The "March" was played at the signing as it had been at the Johnson inauguration earlier this year and at the signing of the Poverty Bill.

Litkei is President of Olympia Distributing, Galiko Film and Music Company and Arovox Records, N.Y.

HONORED FOR MARCH—From left, Golden Records' Arthur Shimkin, Mrs. Irwin Litkei, the label's Al Massler and President Lyndon Baines Johnson at Texas Federal Education Bill signing. The Litkeis wrote the "President Lyndon Baines Johnson March."

Mendell Back

HOLLYWOOD—Lee Mendell, Marketing Director of Liberty Records, has returned to his office following a six-week business trek to key U.S. cities and Europe.

Poet Series Is Kicked Off At Decca

Decca Records has announced the release of the first section of "The Yale Series of Recorded Poets," a series featuring contemporary poets of the day reading from their own works.

This initial release includes recordings by Robert Frost, Conrad Aiken, Robert Lowell, Allen Tate, Stanley Kunitz, Louise Bogan, Louis Mac Neice, R. P. Blackmur, Marriane Moore, Yvor Winters and John Hollander. The Frost recording is the last one made by the beloved American poet laureate.

The genesis of the series is interesting. For several years poet Lee Anderson devoted himself to recording living American poets on tape and achieved a rather unusual success because he was able to establish exceptional rapport and to avoid the stilted atmosphere of the ordinary recording studio. He then decided that this collection should be placed in the hands of an institution such as Yale and be made available to the public on records.

Yale accepted the tapes as part of its library collection, established a committee of the English Department to oversee the project, obtained the support of the Blue Hill Foundation of New York, and the project was begun as an exciting literary venture. Anderson was retained as a Research Associate in English to assist the project and has since recorded many more poets in this country and England.

Other recordings in the series to be released by Decca will be available next month, with subsequent releases to be chosen from the vast collection of tapes now in Yale's library. Each will be packaged in a multi-colored jacket with a photograph of the poet on the front cover.

Jack W. Meyerson, President of Carillon Records, handled the negotiations for Yale University with Decca Records.

The first two artists selected on Turntable are: Susan King, "You Got Me in a Fix" c/w "Drum Rhythm"; and Bobby Harris, "That's When I'll Stop Lovin' You" b/w "Password Is Love."

Bildo Music to Escalator

NEW YORK—Escalator Productions, parent company of Eskee Records, has acquired Bildo Music. Until its take-over Bildo Music, a BMI affiliate, was operated independently by Bill Downs, who is general manager and talent co-ordinator for Eskee Records.

Copyright Service Bureau, Ltd. will handle copyright administrations and royalty collections for Bildo in many foreign countries. Other agents who will represent Bildo are Manfred Wipfli, Zurich, Switzerland; Robert Nunes, Rio de Janeiro,

Brazil and Raymond Mackender, London, England.

While Downs was in the process of setting up his foreign representatives, Bildo Music was offered the American publishing rights to "Moon Over Naples" and "The Silence." The firm also had a chance to secure the rights to the score of "Un Pugno di Dollari." At the time, however, Bildo was not well enough established to take advantage of the offers. Downs subsequently arranged for the Italian film score to go to South Mountain Music.

'Skyscraper' Wows Critics

NEW YORK—"Skyscraper," with a score by Sammy Cahn and James Van Heusen, opened at the Lunt-Fontanne Theater last week to the most favorable stage reviews of the season, which should mean a lengthy run for the Julie Harris starrer and an important album entry for Capitol, which invested in the show.

The Times said: "A few imperfections keep 'Skyscraper' from being a tower of a musical." Of the score: "Sammy Cahn and James Van Heusen have turned out several useful songs and one sure-fire romantic ballad."

The Herald Tribune: "A reasonably entertaining show." The score: "... more animated and just plain happier than the recent Broadway run."

The Daily News: "A captivating musical... packed with entertainment." The score: "... enjoyable."

The Post: "A bright, amusing and imaginative entertainment." The score: "The pleasant score, by James Van Heusen, with good lyrics by Sammy Cahn, has a particularly attractive song called 'Everybody Has a Right to be Wrong.'"

The Journal-American: "A fast-faced, highly professional first act; they give you a couple of great tunes, and certainly some of the most exciting choreography seen hereabouts this season."

The World Telegram and Sun: "Not everything about 'Skyscraper' succeeds... though its overall effect is stimulating and pleasant." The songs: "Effective."

The musical, an adaptation of Elmer Rice's "Dream Girl," has a book by Peter Stone and marks Julie Harris' debut in a musical. She was also praised.

Buddy to Decca

Buddy Russell, Brooklyn baritone, has been signed by Decca Records. Russell is one of the winners in a series of recent talent auditions, conducted by Marvin Cane of the Richmond Organization. Russell's initial single: "I'm All Yours."

Autumn Gets Master

SAN FRANCISCO — Abe Kesh, VP-GM of Autumn Records, announces purchase of a Jest label single, "All Over Town" by the Au-Go-Go's. Disk will be released on Autumn.

'SKYSCRAPER' STARS Julie Harris and Peter L. Marshall face Capitol microphones for the original cast recording at Manhattan Center, Sunday, Nov. 14, the day following the new hit's opening to unanimous critical praise. The album was rushed to dealers before the week was out.

'Parsifal' Awarded

NEW YORK—The Bayreuth Festival recording of "Parsifal," released last spring by Philips Records, has just received the Dutch Edison award honoring the recording and its conductor posthumously, the late Hans Knappertsbusch.

MGM's Hot LP Spell

MGM/Verve Records is currently enjoying "a tremendous surge" in fall album business, it was reported by Mort L. Nasatir, President of MGM/Verve.

Top album leaders that are jacking up the company's sales figures for October and November are: "The Best of Herman's Hermits"; the new Lovin' Spoonful album of "Do You Believe in Magic" (Kama-Sutra); "Now Playing: Erroll Garner—"A Night at the Movies"; the Gentrys, "Keep on Dancing"; the Royalettes, "It's Gonna Take a Miracle"; and Elke Sommer, "Love in Any Language."

Sol Greenberg, Director of Album Sales for MGM and Verve, reports that the volume of sales for the current period out-distances last year's sales for the same period by a 2 to 1 ratio. Greenberg also stated that the Verve albums which are leaders in the current sales flurry are: Ella Fitzgerald, "Ella in Hamburg"; Willie Bobo, "Spanish Grease"; Carl Tjader, "Soulbird; Whiffenpoof"; and Gary McFarland, "The In Sound."

A contributing factor for the large volume of sales on the current releases is Greenberg's constant campaign for window and point-of-purchase displays at the retail level.

Royalettes, MGM, which is in the Top 15 in Columbus and going well in Pittsburgh, Birmingham, San Francisco, Nashville, New York, Philadelphia et al.

The Yardbirds are in the Top 10 in L.A., Boston, etc., and are logging powerful sales around the nation... "Sounds of Silence," Simon & Garfunkel, Columbia, has hit the Top 10 in Boston and Providence and is going all the way... Jay & the Americans have a pretty solid hit this trip... "Harlem Nocturne," Viscounts, Amy, hit the Top in San Diego and is Kong Top 10 in Baltimore, wild in Detroit and going in St. Louis... Trini Lopez is grabbing plenty airplay in Minneapolis, Seattle, Portland, Syracuse... The Neil Sedaka has been kicking around since July, and it's now way up in the winner's circle in San Francisco, San Jose and Miami, and rolling in Dallas and Columbus... Again, we repeat that if you try a Chicago and Philly "sleeper" like "Michael (The Lover)." C.O.D.'s, Onederful, on your teen audience, you'll have a Top 10 record in two weeks. You'll see! Remember the Len Barry tip!

Regional Rambles

"It's My Life," Animals, MGM, is getting a lot of play and selling records... "Hole in the Wall," Packers, is an R&B giant and breaks Big Pop wherever it gets play. This record proves that the Magnificent Montague of KGFJ, L.A., is as strong a soul record producer as he is a "social deejay"... "Young Girl," Noel Harrison, London, is a strong record that is in the Top 20 in Cincinnati and going well in Phoenix, San Diego and a long list of cities... Ramsey Lewis has another giant... Gene Pitney has another typical Pitney hit. Did you know he started out singing R&B material and would prefer to still be in that bag? That's what he told me... "Sandy," Ronnie & Daytonas, Amy, is a stone smash, like I told you first since it's Birmingham days, and the "soft beat" sound is now "in"... "Fever," McCoys, Bang, is selling widely and the Jimmy Beaumont looks good... "The Duck," Jackie Lee, Mirwood, is starting to do well... "The Carnival is Over," Seekers, Capitol, is starting to show healthy sales signs... "What's Come Over This World," Billy Carr, Colpix, busted heavy in Pittsburgh off KQV (nice ratings you sent me Johnny Rook) and Boston, and is going great in San Francisco and elsewhere. Dick Clark's Bandstand left a legacy: the greatest teen dancers in the world... "Good News Week," Hedgehoppers Anonymous, is helping keep London hot. However, Walt McGuire and Moe Shulman won't be happy until you guys give "Everything's Gonna Be Alright," Willie Mitchell, Hi, a break with pop play. There is strong R&B teen action and big record hop response... "Last Thing on My Mind," Vejbables, Autumn, looks good. "Revolution Kind," Sonny, Atco, looks very good as does "5 O'clock World," Vogues, Co & Ce, and "You Didn't Have to Be So Nice," Lovin' Spoonful.

Dean Tyler WIBG Report

Dean has gone on the R&B smash and New Orleans pop hit, "C. C. Rider," Bobby Powell, Whit; "You've Been Cheatin'," Impressions, ABC; "Leavin' Town," Bill Medley, Reprise; "Mother Nature," Brook Benton, RCA (which is a pop hit through the South and a solid R&B hit); "Only Love," Sol Burke, Atlantic; "Try Me," James Brown, Smash; "This Is Our Day," Dolls, Maltese (Dean reports "Immediate phone response"); "Our Love," Ivy League, Cameo; "I.O.U.," Leon Barry, Decca; plus: R. Brothers; "Apple of My Eye," Roy Head, Back Beat; Castaways; Simon & Garfunkel. He likes the 3 Dimensions on RCA (getting good play around the country) and "Signs of Love," Sheila Ferguson, Swan. Dean doesn't understand why the rest of the country (except Birmingham and other Southern markets) haven't gone on "Seesaw," Don Covay, Atlantic, which is every bit as big a pop sales smash and hop Kong record as the Fontella Bass. Biggest new pop giant is the C.O.D.'s.

Other Philly hits are: "Gee," Anthony & the Sophomores, ABC, (over 12,000); "Should I Give My Love Tonight," Wooden Nickels, Omen; and "This Can't Be True," Eddie Holman, Cameo (big hop requests). The Du-ettes on Atlantic, "Please Forgive Me,"

Club Review

Tim's a Rose At Bitter End

NEW YORK—Tim Rose is Tim Rose. He is uniquely himself, and his Bitter End program, combining blues, folk, rock, pop and gospel, crackles with soul, plenty of voice power and genuine excitement.

The young (25) stylist, who claims he invented the folk-rock sound two and a half years ago as a member of the soul-oriented Big 3 (now disbanded) gives out with spirited versions of "Summertime," "King Lonely the Blue" and his own "Fare Thee Well" and "The Banjo Song." One of the high points of the set is Rose's powerful version of "Chain Gang." Throughout, he is abetted by two young eye-filling girl singers, a drummer and guitarist and contributes to his own accompaniment on electric guitar.

Rose's is the strongest, fullest sound to come along in quite a while, and he will be given a big promo push from Columbia on his first single for the label, "You Were With Him" b/w "Mother, Father, Where Are You?" He gave both sides the full treatment in his act, as well as a thoughtful rendition of "Blowin' In the Wind."

After varied success with the Big 3, the Abstracts and the Thorns, Rose seems to have found the right groove as an accompanied soloist.

STATION BREAKS

WYNG-Lincoln, R. I., is now programming C/W full time . . . KHJ-Hollywood is running a "secret sound" contest . . . Lance Wheeler writes that the Collegiate Broadcasting System is responsible for selling many records in the Cornell (Ithaca) area . . . Hank Secord needs records at CKRM-Regina, Saskatchewan. Address is P. O. 7000 . . . Texas Bill Strength of WHIN-St. Paul has been doing country one-niters.

is also a big Philly seller. "All or Nothing," Patty LaBelle, Atlantic, looks good in Philadelphia as it does around the country. WIP is heavy on "Tears" by Vic Damone.

Gil Haag, KDKA, Pittsburgh went on the Backbeat Roy Head; "I Won't Love You," Lesley Gore; Ivy League; "Boys," Peter Best, Cameo; "Jealous Heart," Connie Francis; "Corcovado," Andy Williams (good record); Gerry & Pacemakers; "Billy Knows," Hi Fashions, Amy; Lovin' Spoonful and Lou Johnson. KDKA is on the Jimmy Beaumont; D. D. Sharp; Lena Horne; Dovells; Them; Chris Andrews; Sol Burke; Castaways; Vegetables; Jody Miller; San Remo; Gene Pitney; Barry McGuire. "Young Lovers," Ben Aiken, Roulette, is Top 15!

Jerry Wexler tells me that "Yesterday Man," Chris Andrews, Atco, has busted in Rochester, Albany and Buffalo. Then Atlantic took copies of the Rascals record (for which everybody in N.Y. has been waiting, because they are a smash attraction at the Phone Booth), and WABC went right on it—and they are hollering "exclusive" (a switch for them). It looks great and the title is appropriate: "I Ain't Gonna Have to Eat My Heart Out Anymore."

MGM informs me that "Jealous Heart," Connie Francis, is a tremendous retail sales smash, especially in Baltimore . . . Late reports on "the Duck," Jackie Lee, Mirwood, show a breakout in San Francisco off KYA & KEWB plus: KRLA & KFVB; CKLW; & WXYZ; WIBG; WKYC, CLEVELAND; WITH; WNOE, N. Orleans; KXOK, St. Louis.

"Theme For Grace," Vince Guaraldi, Fantasy, selling well in Chicago and Detroit off good music play (plus California) . . . Good pop action starting on the R&B Columbia smash, "For You" by the Spellbinders (which makes Dave Kapralik happy) . . . "Lightning Strikes," Lou Christie, MGM, selling in Pennsylvania . . . Sales starting on "You Really Got a Hold on Me," Little Caesar, Mala . . . Bill Gavin reports a Detroit CKLW Smash, "No Matter What Shape Your Stomach's In," T-Bones, Liberty. Bill says it looks like a hit because of confirmation in other key markets.

The Lonnie Mack is Top 10 in St. Louis . . . "Buckaroo" will be a hit pop whether by Buck Owens or by the Champs. Great melody and rhythm . . . "Look Through Any Window," Hollies, Liberty, broke through big in the big Mid-Western cities.

WMCA went on the Jack Jones (of course) and the Caesar & Cleo, "Love Is Strange" side . . . The Hedgehoppers A. on London broke in Miami . . . Johnny Nash is breaking pop in the South. Go, Jack Fine! You are a Miracle Man . . . Elektra is trying hard on "Mojo Working," Paul Butterfield Band, and St. Louis is cooperating. I'm watching it, Jac Holzman! . . . "Absolutely Right," Apollas, Loma, broke pop in L.A. Some big R&B stations like Atlanta (WAOK) and WVON, Chicago, and Washington went on it, so we'll watch it for you "Mr. Double Sin-ceres" (who is Russ Reagan).

Evans' Unique Jazz Package

NEW YORK — When Bill Evans returns from Europe at the end of November, he will complete the recording of an album that promises to be significant: members of his trio and a string orchestra playing concert music of Bach, Chopin, Granados, Scriabin and Faure. The album is titled "Time Remembered," from a work composed by Evans for the package.

The album marks the first time a jazz talent of Evans' stature is recording with his trio and with a string orchestra playing established classical composers.

Apollo Pair

Joda Records' Johnny ("Marry Me") Daye poses with Duke Peacock's Bobby "Blue" Bland during the pair's recent stint at New York's Apollo Theater. Johnny's deck reportedly is seeing plenty of action.

NEW YORK — Leroy Van Dyke, for whom things are going very well these days, was in town last week and talked to *Record World* about his attitudes toward being a country artist and the changing status of country music.

"I think of myself as a modern country artist — someone who's bringing country uptown," he began. "I'm a country artist, but country music no longer means 'hillbilly.' I resent the use of that word and I want to show that country music is not limiting. I'm dressing up country and showing how much can be done with it. Modern country—that's my image. And the concept—and I've been working on it for three years—is clicking. Doors are opening to me that have remained closed to country artists before now. For instance, I'm the only country artist playing pop clubs like Al Hirt's place in New Orleans and the Hilton rooms."

Van Dyke just had his second single, "I'm Not Saying," released under his few-months-old contract with Warner Bros. The first, "State of Mind," pleased the Warners folks. The first album, "The Leroy Van Dyke Show," will be released early in 1966 and will be an abbreviated version of the Van Dyke act, which actually has a number of interchangeable numbers that can be added or dropped according to the

Van Dyke Brings C/W Music Uptown

crowds he happens to be entertaining any particular one-night or club stint.

"We use all country material when we entertain a country audience and put in pop numbers for a pop crowd," said Van Dyke.

"I want to make sure the audiences realize that a lot of songs they like are country songs. Country artists don't like it when songs they make popular are taken over by pop artists and brought to the attention of the pop fans, who never stop to think they are listening to a country tune. I've had arguments with people who've told me 'Walk On By' isn't a country song."

The purpose of Van Dyke's visit to New York last week was to tape a segment of the new CBS documentary series, "Dial M for Music." The seg will spotlight country music and will feature Dottie West, Boots Randolph and Minnie Pearl along with Van Dyke. The "auctioneer" has his second "Shindig" coming up soon and that will come shortly before or after he appears on the Jimmy Dean show. Also he's

currently on Los Angeles tubes with his own syndicated show.

Another appearance tucked under his belt last week was the WJRZ-Newark "Cavalcade" show, which was a sellout event (underlining both the Van Dyke drawing power and the effectiveness of the Metropolitan New York country station), at which 150 stood and 1500 were turned away.

"It used to be that one-niters and radio station shows were just thrown together with very little planning and no restrictions on time. That's changing nowadays. More and more, the shows are run beautifully."

Van Dyke is obviously interested in country music and its change with the times. And he's obviously interested in seeing to it that he's identified with contemporary country. He's well on his way.

FROM LEFT: Connie Landers, Sally Harrison, Barbara Voorhies, Leroy Van Dyke, Jimmy Johnson and X. Lincoln. Joel McDuffee and Billy Rainsford (not shown) were also in the WJRZ Radio "Cavalcade" the Van Dyke gang recently did.

CHICAGO — The Walker Brothers, who left America in late January, 1965, for what was projected as a purely pro-

NASHVILLE REPORT

BY ED HAMILTON

Big Turnout for WJRZ Staffer

Without sounding too much like the society pages of the Sunday papers, we'd like to mention a little part of note to other week here in Music City. The occasion was a sort of a "going away" type thing for lovely **Kitty Easley** who is leaving the **Jerry Purcell** office here and joining the staff of **WJRZ** in New Jersey.

The shindig was held at Music City Recorders Studios and the hosts were **Nancy Tenant** of Epic and **Scotty Moore** of Music City Recorders. Just a few of those attending the bash were **Bob Holt** of RCA, **Merle Kilgore** and **Glenn Sutton** of Gallico Music, **Ray Baker** of Blue Crest Music, **Charlie Walker**, **Stan Hitchcock** and **Jim & Jesse** of Epic Records, **John Denny** and **Fred Burch** of Cedarwood Music, **John Hurley** and **Don Wayne** of Tree Music, **Clarence Selman** of Jim Reeves Enterprises, **Sonny Neal** of the **Bob Neal Agency**, **Hank Cochran** of RCA and **Pamper Music** and many more.

Selman presented Miss Easley with a complete library of Jim Reeves albums to give the staff at WJRZ. Our loss is WJRZ' gain.

* * *

The little fellow who's riding high on "The Bird of Paradise," **Jimmy Dickens**, is set for another round of television appearances. The "Little Pres" is set to tape the "Hollywood A Go Go" and the "9th Street West" shows on Dec. 12. On Dec. 13 he will tape "The Lloyd Thaxton Show." This brings his total number of guest TV appearances to five—he's already taped "The Jimmy Dean Show" in Miami for a later showing and "Hullabaloo" which has already been shown. Jimmy's record is a giant in both pop and country, and like I've said before, it couldn't happen to a greater guy.

KWKH's Louisiana Hayride holds its next big headliner on Nov. 27 with two big shows. The cast will be headed by **Johnny Cash** and will feature **June Carter**, the **Statler Brothers**, **Warner Mack**, **Nat Stuckey** and **Ray Frushay**. This promises to be one of the best Hayride shows in many a moon and has really got **Frank Page** and the gang jumping.

Cedarwood Music here in Music City has formally opened their new recording studios which will be available for both demo and master sessions. Studio operations will be helmed by **Roger Sovine**.

Joe Wright of the Wright Talent Agency has a terrific package set for Texas, New Mexico, Colorado, Arizona and Utah for the month of January. He's got **Sheb Wooley**, **Claude Gray**, **Hal Willis**, **Bill Wilbourn** and **Kathy Morrison** along with Hal's Band. Joe said he had a few days left for that period if anybody cared to pick them up.

Radio KARL in Carlsbad, Calif., is now programming country music and doing a large majority of it in stereo which has picked up quite a listening audience in that area. Program Director **Ken Boston** says he is in need of stereo albums. OK fellows, here's your chance to get heard on both sides of the dial at one time.

Mike Hight out Durham, N. C., way has quite a country package booked for that area at the Dorton Arena in Raleigh on Nov. 26. It'll feature the **Wilburn Brothers**, **Harold Morrison**, **Don**

Sweeney Nat'l Promo Mgr. Of Monument & Subsid

NASHVILLE — In keeping with previously announced expansion plans for his Monument label, President **Fred Foster** has announced a major addition to the label's executive staff: **Frank L. ("Swingin'") Sweeney** was made National Promotion Director for Monument Records, which includes the subsidiary **Sound Stage 7** label.

Air personality Sweeney's appointment further highlights the Monument emphasis on experienced, yet youthful professionals as exemplified by Foster himself, VP and General Manager **Jack Kirby** and Marketing VP **Chuck Chellman**, to whom Sweeney will report.

It was Chellman who convinced the new Promotion Director to leave broadcasting and accept the new challenges posed by the record industry. Chellman said: "I have watched Mr. Sweeney's radio career for many years. His interest and knowledge in pop, R & B and country music make him an ideal choice to lead our promotion department. Plus the fact that he held the similar promotional position for a Cleveland label a few years ago."

Although young, Sweeney spent 13 years in radio, both as an air personality and as a member of management. He first rose to national prominence as Music Director of WHOT in Youngstown, Ohio, where he was tagged with the name "Swingin'" by an over zealous station manager. Sweeney was next an air personality for the Westinghouse clear channel outlet in Cleveland, 50,000 watt KYW. He was then named Program Director for WKBN radio in Youngstown,

From left, the Monument exec team: **Fred Foster**, President; **Frank L. Sweeney**, National Promo Director; **Chuck Chellman**, VP, Marketing Director; **Bobby Weiss**, VP, International Division; and **Jack Kirby**, VP, General Manager.

Ohio, and most recently Sweeney played an extremely important role in the success of WKNR Detroit where he was both an air man and the station Music Director.

Crawley, McElwee Report

Reporting to Sweeney will be **Ed Crawley**, who handles the promotional chores for the **Sound Stage 7** label in Nashville and **B. J. McElwee**, Midwest Regional man.

Sweeney and wife **Marie** plan to move to Nashville after the first of the year. In the meantime, he will operate from Detroit.

"Actually," said the new Promotion Director, "I plan to spend most of my time on the road, for the first few months, anyway, getting acquainted with the radio people all over the country and working with our distributors and their promotional personnel."

Helms, **Warner Mack**, **Ray Pillow**, **Linda Keaton** and **Hight** and **His Men of Music** and local TV personality **Jim Thornton**. The arena has a seating capacity of over 10,000 and from the looks of things they're gonna fill it up.

Moeller Talent has set European tours for **Carl Perkins** and **Red Sovine**. Perkins is set to begin Nov. 30 and end Dec. 19 and the old "Giddy Up Go" boy will be overseas from April 1 through May 1. Both artists will cover Germany, Italy and France.

According to **Biff Collie** an active group of 50 Country Music Tradesmen and Press Corps in Southern California is gathering the most diversified guest list in the history of country music to be present for the Third Annual Southern California Country Music Awards set for Monday, Nov. 29, at the Golden West Auditorium in Norwalk. Already set are **Buck Owens**, **Roger Miller**, **Dean Martin** (!), **Rex Allen**, **Roy Rogers**, **Lorne Greene**, **Audie Murphy** and many others.

The affair, to be locally televised, is shaping up, according to Biff, in the style of the Hollywood first nighters and premieres. Los Angeles papers and national trade magazines are planning to cover the big event.

Tremendous Upswing

Hartley L. Samuels, V.P. and Gen. Mgr. of the 16-year-old Long Island radio station, noted that "Surveys which we've conducted since purchasing WFYI last month indicate that there is a tremendous upswing of interest in country and western music on Long Island. We have been delighted to find, for instance, that juke boxes all over Nassau County invariably contain recordings by Eddy Arnold, Jimmy Dean, Johnny Cash, Roger Miller and other great C & W artists."

DAVE DUDLEY

Sings The Fighting Man's Side Of The Issue!!

*"My Dearest Momma, They just gave us time to write,
I miss you & there's something on my mind tonight,
At mail call I received your letter here to day
But I don't understand the things you say
You tell me there are people marching in our streets,
The signs they carry say that we don't fight for peace,
There's not a soldier in this foreign land who likes this war,
Oh Momma tell them ...*
