WHO IN THE WORLD

Mae West Goes 'Way Out West' On Her New Tower Album Of Contemporary Sounds. And Those Who Helped Mae Get There Are (Above, from Left): Perry Mayer, Label's Nat'l Merchandising Mgr.; Eddie Ray, A & R Chief; La West; David Mallet, Producer For Dagonet Productions.

In the opinion of the editors, this week the following records are the SINGLE PICKS OF THE WEEK

"You Can't Roller Skate in a Buffalo Herd" is a Roger Miller nonsense song that makes good sense actually and very good sales sense. Happiness is a hit Miller slice (Smash 2043).

The shape of things to come for the Yardbirds is a hit with "Over Under Sidways Down." Some strange instrumentation distinguishes the rocker (Epic 5-10035).

Frank Ifield has an extremely attractive country tune he dual tracks with for Hickory. This should appeal to a big, big market since it's so easy to take (Hickory 1397).

SLEEPERS OF THE WEEK

"Lonely Soldier" is r/b applied to topical problems. Mike gets soul and sense into the grooves. His heartbreak is certain to make for sales (Atlantic 2339).

Bob Kuban and the In-Men latched onto a Lennon-McCartney novelty about a girl who wants to be a star and wants her boyfriend to be her chauffeur (Musicland U. S. A. 20007).

"Sweet Dreams of You" used to be a country song, but here it's r/b all the way and could go all the way pop. Mighty Sam lives up to his name (Amy 957).

ALBUMS OF THE WEEK

The new Jerry Herman score is delighting sell-out crowds on Broadway and all because it's about that daffy aunt of American popular literature, "Mame." The title tune and "If He Walked Into My Life Today" are standards. Angela Lansbury is the wild gal (Columbia KOL 3000; KOL 6600).

Tijuana flugel here with jazzy, spicy, sprucy versions of current favorites and a few others. The orchestra is well-composed and the beat is all-apparent. "England Swings," "A Lover's Concerto," "Milord." Should do well on market (MTA 1001; MTS 5001).

Back on top with this smashing ballad, Dusty will parlay that single success into equivalent album success with this package. She also nails to the wall other ditties like "Who Can I Turn To?" "La Bamba" and the Goffin-King treatie "I Can't Hear You." (Philips PHM 200-210; PHS 600-210).

Epic Signs Donovan

Epic Records has signed singer-composer Donovan to an exclusive recording contract, according to an announcement by Leonard S. Levy, VP and General Manager, Epic.

Present at the recent signing of Donovan to Epic Records: seated, from left, Clive J. Davis, Administrative VP, Columbia Records; Donovan; standing, right to left, Leonard S. Levy, VP-General Manager, Epic; Allen Klein, Donovan's business agent; and Ashley Kozak, Donovan's manager.

Clive J. Davis, Administrative Vice President, Columbia, present at the signing of Donovan, stated:

"We are particularly pleased about the addition of Donovan to the Epic roster. His artistry as a performer and accomplishments as a writer are considerable, and he has a lot to say to all of us in a uniquely sensitive way. Donovan's potential is enormous, and I know that his future will be very bright. This acquisition indicates the further significant expansion of Epic Records. The label, under Len Levy, has had unusual success in maintaining long hot streaks for The Dave Clark Five, Bobby Vinton and The Yardbirds. It has made outstanding progress in strengthening its catalog with artists such as Jane Morgan, Nancy Ames, Mike Douglas, the Poppies and the Village Stompers. Such artists as Major Lance, the Vibrations and Walter Jackson, who is currently on his own hot streak, give the label a solid base in the rhythm-and-blues field as well.

"In addition, the opening of Epic's West Coast office, the appointment of Stu Phillips to head that office, the recent addition of Ted Cooper to the New York A and R staff, and the commencement of a major talent-acquisition search put Epic in a good position to become the strongest independent record company today."

In further commenting on the signing of Donovan, Levy stated:

"The signing of Donovan to the Epic label is of enormous significance."

ABC Acquires New Deal

Larry Newton, President of ABC-Paramount Records, has announced the acquisition of New Deal Record Service Corp. and its affiliates. The New Deal family of companies constitutes one of the most successful rack jobber and record distributor operations in the country.

Newton also revealed that principals Al Levine and Lou Klayman of New Deal are each appointed Vice-President of the organization under the new arrangement, whereby the New Deal operation will be carried on as a subsidiary of ABC Records. There will be no personnel or management changes and New Deal's branch offices in New York, Baltimore, Detroit, Los Angeles and Chicago will remain intact, with resident salesmen in St. Louis and Philadelphia.

Newton stated: "With this acquisition, we have acquired two of the most aggressive and successful record men in the business today, and I am happy to be able to bring them into the ABC family."

Col Signs Sisters

Columbia Records has signed the twin-sister duo Stephan and Janis to an exclusive recording contract. Their debut single: "Don't Let Me Down" coupled with "Forgetting How."

Jackie on LP

Audio Fidelity has just released the album, "Biographical Highlights of Jacqueline Kennedy," which features Mrs. Kennedy's speeches in the United States and abroad.

'Lib Sounds Great For Summer'

HOLLYWOOD—Liberty Records National Sales Manager Jack Bratel is telling the world that "Liberty Sounds Great For Summer," and he's backing this statement with a new program which features eight new LPs and the entire Liberty, Liberty Premier Series, Dolton back catalog.

The promotion, effective through June 30, 1966, spotlights several of the label's biggest names and introduces two new album artists, "Ruben Rodriguez and The Guadalajara Kings" and "Trombone's Unlimited" ("These Bones Are Made For Walkin'"). Del Shannon is also represented via his first Liberty LP, "This Is My Bag."

Jan & Dean follow-up their rendition of "Popsicle" with an album bearing the same title, while the Gants of "Roadrunner" fame are included with "Gants Galore." Ross Bagdasarian is showcased in "The Mixed Up World of Ross Bagdasarian," while Vikki Carr has another showing as she depicts "The Way Of Today" and Vic Dana goes "Town & Country."

Re-signed

Don Kirshner, right, President of the Music Division of Columbia Pictures and Screen Gems-TV, has announced the re-signing of composer Barry Mann and lyricist Cynthia Weil to a new contract. "We are particularly proud," Kirshner continued, "to have been a part of the young married couple's remarkable development. In addition to their creation of nearly 40 major hits during the past four years—records that have sold nearly 25 million copies—Barry and Cynthia have also written themes for major TV programs and they are now at work on songs for motion pictures. Together, we also look forward to the possibility of their first Broadway score in the near future."

IT'S OVER

JIMMIE RODGERS—
Dot DLP 3717; DLP 25717.

Rodgers' beautiful new song, "It's Over," supplies the title of this album, but the enjoyment has just begun. "Sloop John B," "The Grass is Greener," "Let's Stay Together" and others are awfully relaxing as sung by the crooner.

LOUIS

LOUIS ARMSTRONG—
Mercury MG 21081; SR 61081.

The wonderful man is clicking with his "Mame" single and that bundle of fun is here with "So Long, Dearie," "When the Saints Go Marching In," "I Like This Kind of Party" and other joyous tunes. Some marvy musicians.

HEY JOE

THE LEAVES—*Mira LP 3005.*

With their "Hey Joe" climbing the charts, these guys have decided to release the must album. They show commendable rock wares on both sides, mixing familiar with unfamiliar numbers. The five are on their way with this package.

JOHN GARY SINGS YOUR ALL-TIME COUNTRY FAVORITES

A tenor whose voice is practically without peer when it comes to sweetness and light, Gary honors the country catalog with satin versions of "Oh, Lonesome Me," "You Don't Know Me," "I Really Don't Want to Know," etc.

THE FANTASTIC BOOTS RANDOLPH

Monument MLP 8042; SLP 18042.

IT'S WHAT'S HAPPENIN'

WILLIE MITCHELL—*Hi HL 12031; SHL 32031.*

Memphis and the Top 10 mix here for some grooving instrumental sounds. Willie, of course, has his "Bad Eye" scoring for him right now and that's on the package with "The In Crowd," "Woolly Bully," "Blueberry Hill," "Taste of Honey" and other tangy ones.

BLOWING MY MIND

THE BARRY GOLDBERG BLUES BAND—
Epic LB 24199; BN 26199.

This crowd follows in the tradition of southern blues and is taking its place as leading interpreters of the music. The quintet sings "Gettin' It Down," "Whole Lotta Shakin' Goin' On," "That'll Be the Day." Could become a demand item.

AWARD WINNING ORIGINAL MOTION PICTURE SOUNDTRACKS AND THEMES

THE BILL BROWN SINGERS, JOHNNY MANDEL, MAURICE JARRE, JERRY GOLDSMITH—*Mainstream 56076; S/6076.*

Themes from last year's movies, sung by a chorus and played, in some instances, by the composers responsible for the score. "The Shadow of Your Smile," "Stagecoach Theme," "I Will Wait for You," "What's New Pussycat?," "Sweetheart Tree." Easy to take.

TIME

THE POZO SECO SINGERS—
Columbia CL 2515; CS 9315.

This sultry, summery glowing trio are carving their place in modern music-making. They have a folk sound combined with a beat, which is now folk-rock, but something all its own. "I'll Be Gone," "Time," "If I Fell." Very nice.

Keeping Track of Tape

62 in 1st UA Tape Issue

United Artists Records' first of a regular series of eight track stereo tape cartridge product is now available and is being shipped to UA distributors throughout the nation.

The label is issuing a total of 62 popular priced tapes which represents one of the largest initial releases by any company. UA is backing this program with an all-out merchandising campaign which will utilize radio spots, window and in-store displays, and consumer, trade and cooperative advertising. Future releases will be at regular intervals and will draw from top names in UA's catalog and those of its affiliated labels. Special emphasis will be placed on the organization's large store of soundtracks and motion picture music, a grouping proving especially hot with cartridge tape buyers.

Heading the list of UA motion picture cartridges are the original soundtracks for such successes as "A Hard Day's Night," "Goldfinger," "Thunder-

ball," "Never On Sunday," "What's New Pussycat?" plus eight others. Ferrante & Teicher, Al Caiola, Jimmy Roselli, Count Basie, Lena Horne, Le Roy Holmes, Eydie Gormé, Steve Lawrence and Jan Peerce are among the big name pop artists available in the program, while heading the teenage favorites are Jay & the Americans, Little Anthony & the Imperials, Patty Duke and Bobby Goldsboro. UA's jazz category boasts of such luminaries as Duke Ellington, John Coltrane, Art Blakey and Herbie Mann, while the Country & Western tapes are headed by Del Reeves and George Jones.

Upcoming shortly from UA will be a program of tapes aimed especially at the children's market.

Price Manages MGM Car-Tape

Mort L. Nasatir, President of MGM Records has announced that Mel Arnold Price has been appointed manager of the new Cartridge Tape Operations Division for MGM Records.

Although no definite plans or programs will be announced as yet, the company is exploring various ways and means of entering the cartridge tape field, and it will be Price's responsibility to survey the market and

Mel A. Price

prepare for the label's entry into the cartridge tape business.

Price spent a number of years with Hudson & Ross, Wurlitzers, Polk Brothers and Manuel Brothers in Chicago. He also gained considerable knowledge in distrib sales during his affiliation with Arnold Record Distributors in Chicago. Prior to joining MGM, he held exec positions as Eastern Sales Manager for Record Sales Company, Branch Manager for Sunshine State Record Distributors and also served as a key salesman for New York Record Distributors.

Price holds a B.A. degree from Northwestern University and did graduate work at Indiana University and NYU.

Columbia Sues Cartridge City, Cinematic Limited

Columbia Records has instituted a lawsuit against Cartridge City Ltd. and Cinematic, Limited, both located in Nassau County, N. Y. In the legal documents, Columbia states that it has information that the defendants are engaged in duplicating Columbia Records and selling tape cartridges containing the performances of exclusive Columbia artists.

Among the recordings owned by Columbia which the defendants are alleged to have duplicated without authorization are performances by Barbra Streisand, Jerry Vale, Andy Williams and Robert Goulet. According to Columbia, the unauthorized cartridges are of an inferior quality and are advertised as being available for cars, homes and boats.

Clive J. Davis, Administrative VP of Columbia Records, stated: "Columbia Records is instituting this far-reaching action at this time to put an end to the unauthorized dubbing of our repertoire. It is particularly important to us and to the entire music industry that we take action now. After two years of research and development, we are making our entry into the automobile tape cartridge field. It is absolutely necessary to make clear to everyone that we do not intend

to permit the misappropriation of the product of our skill, effort and expense, as well as of our contract rights.

Columbia considers this lawsuit of paramount importance to protect not only record companies, but also recording artists whose earnings will otherwise suffer."

The lawsuit against Cartridge City Ltd. and Cinematic, Limited is being brought in the Supreme Court of the State of New York, County of New York. Ambrose Doskow of Roseman, Colin, Kaye, Petschek & Freund of 575 Madison Avenue, New York City, and Walter R. Yetnikoff, General Attorney, Columbia Records, are handling the lawsuit for the record company. Columbia has moved for a temporary injunction against Cartridge City and Cinematic which is scheduled to be heard on Monday, June 13.

Henry Brief, RIAA's Executive Secretary, declared that, "we are hopeful the issue involved in the litigation will be resolved by the prompt action of the court. The industry has long been concerned with the continuing and increasing appropriation of recorded performances, which have deprived record companies of their rightful sales; left the artists, musicians, composers and copywriters uncompensated for their labors and, in many instances, brought inferior products onto the market to be foisted upon unsuspecting consumers."

Merc Bows Fidelipac Tapes

CHICAGO — The Recorded Tape Division of Mercury Record Corporation rounds out its tape cartridge catalog July 17 with the release of its first Fidelipac-type stereo cartridges.

Tom Bonetti, newly-appointed Product Manager of the Mercury division, announced Mercury's emergence as the first nationwide supplier of Philips-system stereo cartridges last week, and the firm has been selling Lear-type stereo-8 cartridges for the past two months.

Thirty-three Fidelipac-type stereo cartridges (18 Mercury, 3 Philips, 11 Smash, and 1 Fontana) will be available June 17. Repertoire on the entire release is extremely contemporary, with major sellers like Roger Miller, Johnny Mathis, Lesley Gore, Horst Jankowski, the Smothers

Brothers, Bill Justis, the 4 Seasons, James Brown, Jerry Lee Lewis, the Serendipity Singers, Gloria Lynne, and Louis Armstrong represented. The Fidelipac 4-track cartridges will retail for \$5.95.

Bonetti pointed out that thus far Mercury's Tape Division has released 50 8-track cartridges in approximately sixty days. Present blueprints call for approximately fifteen new Lear-type packs per month.

The debut of 50 Philips-system stereo cartridges is slated for July 10, opening of the National Association of Music Merchants Convention here, Bonetti added.

It is the intention of the Tape Division, Bonetti stated, in the future to make simultaneous tape and album releases, thus providing the consumer with a choice between the various tape systems and the LP.

LONDON LOWDOWN

BY ALAN FREEMAN

'You Go Your Kart and I'll Go Mine!'

Alan Freeman

Well, you can forget all about that 007 bit! I'm creating a new movement. From now on, if you happen to meet me, you'll refer to me as . . . 011! What is this new movement that's about to grip the world, you ask? Patience, all in good time.

I read somewhere that **Graham Hill** and **Jim Clark** burned up the tracks at Indianapolis recently, and while I imagine there was a certain amount of excitement you were in the wrong country if you're the kind that wants REAL thrills.

Let me tell you why. That very same day in a place called Worcester Park only a few miles from the heart of London, there was what's called "Kart-Khana" in progress. The public flocked there in thousands, including me, and possibly me with a little more purpose. I'd taken up the invitation to race a go-kart in a charity race. I was all very keen about the project until I arrived and saw some of the maniacs I had to compete against. We were allowed a practice run of a few laps first (you see, I'd never driven one of the frightening monsters before). Anyway, as I watched some of these would-be Graham Hills going around death-curves without losing a gear change, I had a sudden change of heart and asked if perhaps I could be the man who waves the flags to set the race in motion.

Every time someone said, "This is your car, Alan," I smiled and said, "But I'm an awfully good flag waver." Just nobody . . . I repeat, NOBODY, wanted to know!

Very reluctantly, I got into one of these dreadful machines . . . someone gave me one mighty push, and I was off. Terrifying, that's what it was, TERRIFYING. When I got back from the practice run, a man came to me and said, "It's not a built up speed limit . . . You are allowed to go faster than 25 miles an hour." I didn't like that one little bit at all. However, I got really annoyed when he said to me, "And Alan, don't wave back at all the chaps who keep waving a flag at you on the difficult bends. They're not waving at you, they're waving at you." It was there and then that I decided he was a little more confused than I was! The other drivers were laughing at me, that's what they were doing, and I thought, "I'll show 'em when the big race comes around!"

Did I? The man dropped his flag down, there was a roar of engines and . . . I stalled! But quicker than Batman, I was in action, and off I went. The men kept waving flags at me but I ignored them. 'Round the curves I flew as the gears grated and cried for mercy. I saw one driver pull in off the course, and then another, and all of a sudden I sensed victory. I put my head down without looking right or left, I go-karted for all I knew how, and as I took a sly glance over the shoulder, I saw about eight flag wavers and all waving at me in unison. "Ignore them" I kept telling myself and around and around I went. The flag wavers kept trying to put me off, and one of them even started chasing me on foot. Laps completed, I pulled into the finish to a roar of great applause.

"Did I win?" I asked, and the answer came loud and clear. "No, you finished last. What's more, you drove four laps too many, and all the other drivers have gone for a drink."

* * *

Frank Sinatra's the king again at No. 1 with "Strangers In The Night" . . . **The Four Seasons** are "50" bound with "Opus 17" . . . I'm going out of my mind over **Ike and Tina Turner's** "River Deep Mountain High" (and it's gonna be a big British

one for sure!) . . . **The Yardbirds** head for the 20 with a smash entitled "Over Under Sideways Down." . . . **Tom Jones**, too, with "Once There Was a Time" . . . **Sandie Shaw's** back in "20" favor with "Nothing Comes Easy." . . . **The Mama's and the Papa's** head towards No. 1 with "Monday Monday" . . . and **Twice as Much** are on the go with "Sitting on a Fence."

Exhausted chaps, that's what I am, so with a last fading effort of supreme strength, I say remember the most important issue at the moment . . . 011!

STAR-TOUCHING: Alan Freeman fans wish him well before recent go-kart race. See "London Lowdown" for further details.

Klein Helms K-R on Coast

HOLLYWOOD — Gary Klein, formerly General Professional Manager of the Koppelman-Rubin music publishing operation (Chardon Music and Faithful Virtue Music), has been appointed VP in Charge of West Coast Affairs. He will take up permanent residence in California to run the new Coast office of Koppelman-Rubin Associates at 733 Sunset Boulevard.

Gary Klein

Klein will not only be seeking out material and writers and placing songs for the publishers, he will be actively looking for new talent and producers to add to the Koppelman-Rubin Associates independent production talent roster and the newly-formed (with the Chess label) KR Records.

Prior to joining Koppelman-Rubin Associates in October, 1965, Klein was a writer and had penned three hits "Bobby's Girl", "What Does a Girl Do" and "Guess Who." He had majored in music at C. W. Post College under Stephen Volpe and Raoul Pleskow. Koppelman and Rubin indicated that Klein's appointment and the establishment of a Coast office is part of the expansion program the corporation is currently undergoing.

Foster brings with him several key Monument artists including Boots Randolph, Ray Stevens and Dale Ward who will round-robin the local radio-TV scene to exploit their latest single records including p.a.'s on "The Lloyd Thaxton" and "9th Street West" vidshows in cooperation with Norm Goodwin and his Privilege Co., local Monument distributor.

Ronnie Dove:

'Secret Star' No Longer

NEW YORK — Ronnie Dove, with nine hits and four chart albums in two years, is a prime example of that curious phenomenon of today's record business—the "secret star." His current Diamond release, "Happy Summer Days," sounds like another big one for him as Dove's total record sales approach the four million mark.

Ronnie Dove

Phil Kahl produces all the Dove record dates and co-manages him, along with Red O'Donohue. Kahl and O'Donohue both agreed from the beginning they would try for a universal appeal for Dove rather than a teen-oriented image.

Said Kahl: "It would have been easy for us to go the 'teen route' and many booking agents pleaded with us to do it. But we've both been around the business long enough to know that if a handsome, well dressed singer can build a solid reputation in night clubs and keep turning out hit records, you've got a star on your hands who will last a long time. For two years we've seen Ronnie leave audiences of all kinds screaming for more. We've turned down everything that was premature or wrong for him. It's required patience, confidence and cooperation from Ronnie.

"Most important, we knew that Ronnie was the kind of a record talent who would be able to keep repeating. Now, we feel that he's ready. Before this year is out all the moves that we've been holding back so long are going to be made."

The singer will be at the Steel Pier July 1 and 2, goes on a one-nighter tour July 3 to 16 with the 10th off to star at the Brockton, Mass., State Fair and then headlines the Living Room in New York July 18 to 31.

Furthermore, Dove has filmed the pilot for his own color TV show and has been offered both a screen test and a Broadway show.

Forces Radio and TV stations throughout the world. The Misses Francis and Shelley have contributed their services to aid the critical shortage of Army nurses.

Club Reviews

Motown 4 Tops At Basin St.

NEW YORK—Motown's Four Tops at Basin Street recently reprised their hits—"Shake Me, Wake, Me When It's Over," "Can't Help Myself"—to be sure, but then they went on to show their savvy in a wider range of songery. Their "Left My Heart in San Diego"—yes, Diego—was a fresh approach to the song, ending as it did with some beautifully wide-spread harmonies.

The guys moved easily on the stage, not at all sticking to stultifying choreographic steps. This lack of blocking lent that much more of a natural quality to the performance.

Comic Jackie Vernon, subtle and poker-faced and highly wryly funny, headlined the bill, which was further complemented by the Doc Severinsen Sextet, in its unprecedented hold-over engagement.

Sparrow Fly High Over Arthur

NEW YORK—A new group, the Sparrow (notice no "s"), is (are) flying high in New York. **Record World** caught them at Arthur before they winged south to Downtown last week.

What distinguishes this group is that they play just loud enough, but not too loud. This means they can be listened to for quite a while. Their songbag consists of today's discothèque chestnuts like "Baby Please Don't Go," "Got My Mojo Working," etc.

Watch these fellows and watch especially the funky organist.

Their own sound; their own bright future. Labels are pursuing them already, word has it, and then they'll really take flight.

Minogue Heads ABC Pubberies

Dennis Minogue was appointed last week by Larry Newton, President of ABC Records, as Professional Manager of the firm's six music publishing subsidiaries: Ampco, Porgie, Westpar, Pamco, Apt and Ampar Music.

Minogue, a native New Yorker and 1964 graduate of City College, was a teenage recording artist for Time Records. The new appointee said that staff writers will be a part of the program to increase publishing activities. He also opened the door to new, young writers, with an invitation to contact him at any time.

Big Day For Casters

NEW YORK—Although results sometimes point to the contrary, waxeries still look to the original cast album from a Broadway musical comedy as a source of tremendous potential income.

For that reason there has been much activity the past couple of week-ends as three different labels got Broadway scores into the grooves. Memorial Day week-end Columbia cut Angela Lansbury's new hit vehicle, "Mame," with songs by Jerry Herman. Warner Brothers just waxed the Gerald Freedman-John Morris "A Time for Singing" score and RCA re-immortalized the immortal "Annie Get Your Gun" songs.

Record World decided to drop in at one of the recording sessions and chose "Annie" since it was likely to turn

up some extremely interesting faces. After all, the musical has songs by Irving Berlin, book by Dorothy Fields and her late brother, Herbert Fields, and was produced originally by Richard Rodgers and the late Oscar Hammerstein, with the new production supervised by Rodgers. Rodgers was, indeed, at the session, stressing the fact that he'd like to have the new Berlin song "An Old-Fashioned Wedding," written for the current production, released as a single.

And, of course, Merman was there—singing her songs with girlish enthusiasm and impeccable professionalism. And presiding over the Berlin songs was Franz Allers, who rules with a Viennese iron hand.

What went on was explanation enough for waxery interest in musical comedy recording. Great things can come of it.

Cyrkle 1st Nemporer Artiste

NEW YORK—Columbia Records' hit recording group, the Cyrkle, will be the first artists to be represented by the newly formed management organization Nemporer Artistes, Ltd., it was announced last week by Brian Epstein. Nemporer Artistes, Ltd., will be operated for American artists jointly by Epstein, head of Britain's Nems Enterprises Ltd., and Nathan M. Weiss, a prominent New York City attorney who discovered the Cyrkle in 1965 at the Alibi Club in Atlantic City.

Nems Enterprises Ltd. represents the Beatles, Billy J. Kramer, Gerry and The Pacemakers, Cilla Black, the Moody Blues, Donovan, Matt Munro and others. Brian Epstein has had a guiding interest in the Cyrkle since first hearing them at New York City's Downtown Discothèque in December of 1965 and was responsible for the choice of "Red Rubber Ball" as the Cyrkle's first release. "Red Rubber Ball," rising on the chart, was produced by John Simon, Producer, A and R, Columbia Records.

The Cyrkle, which specializes in a folk-rock style, will appear with the Beatles throughout the British group's United States tour this summer. This year, the Beatles' U. S. tour will cover 14 cities, where 19 concerts will be given over a period of 18 days. The opening performance will take place on Aug. 12 in Chicago's International Amphitheatre.

The Cyrkle consists of Marty Fried, drummer, and Don Dannemann and Tom Dawes, guitarists, who have been playing to-

gether since 1962, when the three were students at Lafayette College. This fall, the Cyrkle will be seen by British audiences for the first time when the group will make an extended tour of England. Previously, they have appeared in New York's Downtown Discothèque and Trude Heller's.

Stage Review

Ethel's 'Annie' Year's Best

NEW YORK—Perhaps there's some truth to the old cliché "The old ones are the best ones," because the New York State Theater revival of Irving Berlin's "Annie Get Your Gun" starring Broadway musical comedy superstar Ethel Merman in her original role, is this year's best one—by far. The songs. The performances. The costumes. The scenery. The lighting. The props.

The major excitement of the revival is the return of Ethel Merman in one of her classic roles. She may not look exactly like the twentyish-sharpshooter of the midwest, but she sings like her and she snaps out a comedy line like her, like 76 trombones with all their grace notes in working order. Merman also dances with amusing ease. The result is worthy of the standing ovation she is receiving nightly—a standing ovation that means something in this day when they're being handed out rather indiscriminately.

Of course, the other part of "Annie" is the score of Irving Berlin songs. A person could go crazy trying to decide which is the best one—"I Got the Sun in the Morning," "Doin' What Comes Natur'ly," "No Business Like Show Business," "Falling in Love is Wonderful," "You Can't Get a Man With a Gun" and on and on and on. For this revival Berlin has composed a marvelous counterpoint song, "An Old-Fashioned Wedding."

Bruce Yarnell is Frank Butler and a handsome, at ease, swell-singing one. Jerry Orbach, Benay Venuta and Harry Bellaver as Sittin' Bull score bull's eyes with their characterizations.

RCA Readies Caster

RCA, under its contract with the State Theater, is releasing a new "Annie" package. It should be a knock-out under the baton of the peerless Franz Allers. Label is also considering a single release of the new "Old-Fashioned Wedding." Why not?

The show plays the State Theater through the first week in July and then goes to Detroit. Since the demand for tickets is great, there is a strong rumor that "Annie" will be getting her gun again in New York for a couple of months after Detroit.

The best—**Dave Finkle.**

Shea Stadium, one show; Aug. 25—Seattle, Coliseum, two shows; Aug. 28—Los Angeles, Dodgers Stadium, one show; Aug. 29—San Francisco, Candlestick Park, one show.

Frisky Bows With 'Trivia'

KEARNY, N. J.—Frisky Records, a new label, has entered the record scene with a combination LP—party game quiz titled "Name That Trivia."

Each album includes an answer score pad suitable for use by any number, to answer the 101 questions on forgettable pop songs, long-lost advertising slogans, defunct TV and radio shows, who played in what movie and a whole compendium of the inconsequential which constitutes the current "trivia" rage in colleges and among the nostalgia-prone.

According to General Manager Henry Rosenberg, the album, produced by A & R man Ralph Stein, will be the subject of a high-powered ad and promo effort. The campaign includes full-page ads in record trade publications, a tour of key TV and radio shows by the trio featured on the LP, air time on major stations, consumer advertising in newspapers and magazines and a national publicity effort in all media.

Sales Manager Jerry Geller revealed that, "The initial reaction from distributors to the idea and format of the album, even before copies were available, was fantastic. We expect this to be one of the biggest comedy-specialty albums of the year. We already have almost a full complement of top distributors lined up and we're choosing only the best in each territory."

Mainstream's New S'tracks

NEW YORK — Mainstream Records has acquired two new motion picture soundtracks: 20th Century Fox' "The Blue Max" and Columbia's "Walk, Don't Run."

"Max," which premieres at the Sutton Theatre on June 21, is a war drama starring George Peppard, Ursula Andress and James Mason. The score was described by its Oscar-winning composer Jerry Goldsmith as "the end result of the most rewarding experience I have encountered in motion picture scoring."

Mainstream is working closely with Bantam Books, who have the paperback novel on which the film was based, as well as 20th Century Fox.

"Walk, Don't Run," a Sol C. Siegel production, is a comedy starring Cary Grant, filmed largely on location in Japan. Quincy Jones has composed the score.

Lookalikes: Paul McCartney, Keith Allison & Auntie Mame

ANGELA LANSBURY and Charles Braswell.

PAUL McCARTNEY

KEITH ALLISON

Three of the folks above not only bear remarkable resemblances to each other, but they are also enjoying remarkably newsy weeks these days.

At the top, Angela Lansbury, star of Broadway's smash musical, "Mame," is pictured with co-player Charles Braswell at the recent Columbia Records recording session of the original cast album, now available. Angela has played Elvis Presley's mom in films (in "Blue Hawaii"), and considering their resemblance, she would be perfectly cast as Beatle Paul McCartney's mother, too. Paul is currently scoring with the rest of the Beatles on their hot Capitol single, "Paperback Writer," which he also wrote with John Lennon. And, of course, the Beatles will be touring the U.S. again starting in August. Keith Allison, who won a television contract because he looked like McCartney and became a regular on "Where the Action Is," has just been signed by Columbia Records. His first disk is "I Ain't Blamin' You."

Unlike Angela and Paul, Keith is not British-born. He hails from Texas.

Club Review

Bobbe Norris Has the Voice

NEW YORK—Bobbe Norris, new Columbia push songstress, opened at the Persian Room the other week, and besides showing off her marvelous contralto voice, demonstrated that she is one of those wonderful girls who can even do things wrong and still be loved by an audience. She's that natural, that fresh, that appealing, that talented, that young.

Columbia artist Skitch Henderson, Columbia's new recording star Bobbe Norris and William P. Gallagher, VP, Columbia label, at the party following Bobbe's opening at the Persian Room.

In fact, she's better than she knows, because she would have an audience wrapped up and delivered just by coming out and singing. But, and understandably, she isn't this confident yet. So at this point she's a little nervous and unsure and tends to rely too heavily on the act Lyn Duddy and Jerry Bresler have fashioned for her.

When she's just singing—"He Loves Me," "L-O-V-E," "If He Walked Into My Life," "Here's That Rainy Day"—she's grade-A. When she's doing Duddy-Bresler special material like a salute to the music of the thirties (obviously and patronizingly geared to the Persian Room crowd) she is uneasy and unconvincing. Why not just sing "Blue Moon," "Time on My Hands" without implying that the crowd will like the songs because—well—they're older?

Also Bobbe should be told that every time she sings the words "I" or "me" in a lyric, she needn't point to herself.

Bobbe is good. That's all anyone—especially Bobbe—needs to know.

—David Finkle.

NBC Theme to UA

NBC Enterprises has agreed to license United Artists Records, to press the theme music from the recent NBC television program, "The Hill Country: Lyndon Johnson's Texas."

Music will be recorded as a single by Al Caiola. Glenn Paxton wrote the score.

LET'S TALK SPANISH (Spanish Records, That Is)

(This column appears first in Spanish and then in English.)

Seguimos diciendo que la importancia de la industria disquera latina en los Estados Unidos está prosperando a pazos gigantes, y que es necesario que los que la integran se den en cuenta, que ya no se trata de hacer un disco cualquiera y lanzarlo al mercado, pues la competencia, que ya incluye algunos de los sellos de compañías americanas grandes, están en continua búsqueda de grupos latinos para engrosar sus sellos, por lo que es necesario darle al público calidad, tanto artista como en música.

Sinfony Sid, ese locutor americano que tanto ha ayudado a nuestros artistas latinos, y que continuamente transmite a diario por WEVD de 11 de la noche a 3 de la madrugada, anuncia que comenzando el próximo jueves 30 de Junio, además de presentar orquestas latinas en el Village Gate los lunes, se presentarán en the Action House en el sector de Oceanside en Long Beach, presentando ese día a Joe Cuba y su Sexteto y también a Eddie Palmieri y su Orquesta que esa noche se regalarán a los asistentes doscientos LP's de esos dos gigantes de la música.

Cuando salga esta columna ya estará a la venta el nuevo LP de Ricardo Ray en el sello Alegre con el nuevo ritmo Bugaloo, y según nos informa Pancho Cristal ya tiene en pedido varios miles de LPs. Además, no dice Pancho que ha de ser un cañonazo musical el nuevo LP de Dominico Acevedo con la Orquesta Panamericana De Lito Peña, que también sale al mercado esta semana, y que es probablemente la voz más prometedora que hasta el momento se haya presentado al mercado.

United Artists anuncia que al nuevo LP de Ray Barretto ha de revolucionar el mercado, pues aseguran que es el mejor de todos los que hasta el presente haya grabado Ray. El LP se titula El "Ray" Criollo, y contiene once selecciones que son inmejorables. Estamos en la seguridad que el anuncio de United Artists no es pura propaganda, porque oímos la prueba, y felicitamos a Barretto por sus magníficas interpretaciones.

Kapp Records es un sello americano que comienza a lanzar producciones can sabor latjno, la primera por el gran pianista Roger Williams en un LP titulado "Amor," que será una gran producción . . . Gracias Big "J."

Casa Orta ha contratado con exclusividad los discos de 78 RPM del sello Tico y comienza su catálogo con el disco "El Pito" "Arecibo" que ya está a la venta.

Visiting New York this week from Puerto Rico is great orchestra leader Cesar Concepcion, currently at the Flanboyan Hotel, and he tells us of a new singer he has that he hopes will be the foremost soloist in a short time, probably before the Army takes him . . . Catalino Rolon the noted impresario brought in the two top attractions from Puerto Rico, El Grand Combo and Rafael Cortijo y su Combo, for 10 days of theaters, dances and TV on Channel 47. While visiting New York he has accepted a position with Tico Records as promotion and talent scout executive, and will start operating in July in New York and Puerto Rico. Dominico Acevedo, the newest attraction to be inked by Tico, was in New York to listen to his new LP with La Orquesta Panamericana de Lito Peña, and he spoke to us about it, raving and happy, as were Polito Vega of WBNX, and Berardo Hevia from Farandula and Extra, the Spanish magazines.

We have to repeat ourselves and say that the Latin record business is growing and everyone is cutting into the profits. The latest is Kapp Records, with an LP entitled "Amor" by pianist Roger Williams . . . Also, Epic will soon release three LPs of Latin music, one by Nancy Ames called "Latin Pulse," another by Luis Bordon, the great Brazilian guitar artist titled, "Light and Latin," and the third by Silvio Santiesteban with Paraguayan music called "Six String Guitar." There will be more.

Joe Cuba has informed us (and we have checked it out) that every one of his last seven LPs, three with Seeco and the last four with Tico, have reached the Number One position in the Latin Hit Parade. Bravo Joe Cuba!

Beta Records Distributors announces that sales have tripled since acquiring the Tico and Alegre catalogues, and they are starting a new campaign headed by Frank Cama.

Seeco New Faces Score

NEW YORK—Seeco Records' New Faces Drive continues with the departure for Europe of label president Sidney Siegel to scout talent, plus meet with label representatives and distributors. He's visiting France, Spain and London and returns the end of June.

Meanwhile, Seeco reports big action on the new Vicentico Valdes de luxe LP package, and strong response to such relatively new faces as Chuito Velez, Rene Grand, Los Costaneros and Puerto Rico's Johnny (El Bravo) Lopez. The latter recently had a very successful visit in New York, and Lopez may return in July for a Central Park performance.

Seeco also has recorded Los Juglares, with the session A&Red by Vicentico Valdes, reports Howard Roseff, label's Domestic Sales Manager.

Morris Diamond Bows Coast Office

LOS ANGELES—Morris Diamond, formerly National Promotion Director for Mercury Records, has opened Coast offices to represent music publishers "from all ends, on a free lance basis."

Along with the duties of placing material with the West Coast recording personnel, Diamond also will be responsible for getting TV exposure on catalog material for the major publisher clients. National record promotion of the material placed by Diamond will also be a part of the service.

WHERE IT'S AT

BY KAL RUDMAN

Two records exploded this week from the "Soul Vault" with the combination for success: "Sunny," Bobby Hebb, Philips, is the biggest breakout in Cleveland and is a certain #1, KATZ, St. Louis made it the pick; smash in Miami; and it is so big in Detroit that it made the WKNR list. Then KGFJ, L.A. picked "United," Intruders, Gamble, and broke it so large that KFWB went on it. It is a Giant in Baltimore, Philadelphia, and going in Cleveland. There is tremendous request action on both of these happy records.

Kal Rudman

Department of SRO—that is, Soul Rockin' Only: The Miracles have an immediate smash. However, the "B" side, "Be My Love," is a beautiful, melodic soul ballad that is an instant hit in Philadelphia. Any pop station can play this record, and I predict that it would even be a pop hit in Seattle or Minneapolis or Boston. Smokey has a clean, pure soul sound on the record that is like no other in the music world, and his intensity of feeling has to communicate to any lover. Since due to me Tamla ships one-sided copies, get yourself a stock copy pronto. It is not true that Smokey, Jim Stewart or Steve Cropper invented "soul," they only perfected it.

Hits in Cleveland: "Open the Door," Darrell Banks; Ray Charles; "Share What You Got," William Bell, Stax (which is a hit now in many areas) . . . Ken Hawkins made the WJMO Pick "Back Scratcher," Frank Frost, Jewel and it just started at WWRL-NY, JLB-Detroit and KADY-Los Angeles . . . WABQ reports sales starting on the Intertains (which is the pick at WJLB, Detroit, and now on many stations such as WAMO, WAOK, KYOK).

"Misty," Groove Holmes, Prestige, is a hot R&B-jazz instrumental with good sales in N.Y.C., Philadelphia, Chicago . . . WHAT, Philadelphia reports sales on "Without a Song," James Cleveland, and it's now out as a single. Martha Jean Steinberg of WCHB broke it in Detroit . . . Jimmy Reed broke in Cleveland . . . "I'm a Practical Guy," Lee Rogers, broke open in Philadelphia.

A lot of people feel "The Creeper," Freddy Robinson, Checker, is a hit . . . WCHB, Detroit picked "Something's Burning," Marvellos, Loma. Their last pick broke the Van Dykes wide open, and Ft. Worth, St. Louis, KYOK, confirms . . . Another strong instrumental is "Gotta Move On," Ray Bryant, Sue, with sales in N.Y.C., Cleveland, etc.

Lucky Cordell reports the following as sales breakouts in Chicago: Bobby Bland; Baby Cortez; Cash McCall; "Havana Moon," Chuck Berry; Walter Jackson. The Albert King is over 20,000 and is now Top 3 and Jo Ann Garrett is #4 . . . A lot of stations have done with "Go Go Train," Jackie Payne, Schepter, and "That's Enough," Roscoe Robinson. They look potent . . . Buzzy Willis and Red Schwartz did a big job with "Countdown," Baby Cortez, Roulette, which is a solid funk winner. It's Top 5 in Cleveland and Pittsburgh . . . No. 1 at WAMO, Pittsburgh is "Can I," Manhattans, which is the side all the way . . . "Philly Freeze," Alvin Cash, looks potent in Chicago . . . Cleveland came through for "We're Acting Like Lovers," Spellbinders, which is big.

The next big national breakout should be the Darrell Banks . . . There are many picks on "Such A Sweet Thing," Mary Wells . . . Sam Moore & Johnny Pettitt, WGOK, Mobile, confirm Ernie Durham, Detroit, on the "Danger Zone" side of Wilson Pickett . . . Hamp Swain, WIBB, Macon, and Buddy Beason, WLOK, Memphis, checked in as the South lets us know they are there . . . I also heard from B. B. Davis, KOKA, Shreveport.

Recognition to two blue eyed soul brothers who labor for the cause: Lee Manson, WAVZ, New Haven, and Al Herscovitz,

Rubin Merc R & B Promo Director

NEW YORK—With an expanding roster of artists and an increasing volume of product oriented toward the rhythm and blues market, Mercury Records has created a new executive position to achieve concentrated promotion in this vital marketing area.

Irving B. Green, President of Mercury Record Corporation, has named Norman Rubin to the post of National Promotion Director for rhythm and blues product emanating from Mercury and its affiliated labels—Philips, Smash, and Fontana—effective June 15.

Norman Rubin

A veteran of over 15 years in the music industry, Rubin will travel extensively in his new post. He will headquarter in New York and report to Charles Fach, Vice-President and Director of Recorded Product. In conjunction with the individual label Promotion Directors, Rubin will maintain close liaison with the A&R department and label product managers.

For the past two years, Rubin has worked within the Merc organization as New York-New Jersey Promo Manager for the Philips, Smash and Fontana labels. He initially entered the industry in 1950, working for Robbins, Feist and Miller music publishers and going from there to Atlantic Records where he served as National Promotion Director from 1953 to 1962.

Green underlined the growing importance of concentrated promotion in the r&b field.

GoodTimes' Title?

R & B Beat

(Continued from page 32)

WPRO, Providence. They play and break a lot of R&B.

Donald Height is now on the Bang label, and Bert Berns did a masterful production on "The Talk of the Grapevine" . . . Rudy Green, KAPE, San Antonio, tells me that the boys at KAPE formed a NARA Chapter with Jerry Thomas of KNOX and Bobby Easley, KZEY, Tyler, Texas . . . Again, congrats to Ray Henderson who left WSRC, Raleigh-Durham, to take the drive time slot at WCHB, Detroit . . . Good sales on Walter Jackson, especially in Chicago and Pittsburgh . . . Les Anderson of WABQ, Cleveland, is very high on "Heartburn," Johnny Maestro, Cameo . . . Larry Dean picked the Bob & Earl on WWIN, Baltimore . . . A lot of interest in "Tell Him," Dean Parrish.

Smashes in Washington: Johnny Copeland; Steve Mancha; Ray Charles. Coming up: Cash McCall; Bob & Earl; Manhattans; Roscoe Robinson; Joe Simon; and Spellbinders. Sammy Jay is now working week-ends at WOL, Washington . . . The Ray Charles is an R&B giant nationally.

Mabel John broke wide open in Chicago, St. Louis, Memphis, L.A., Detroit, Miami, New York and looks like a solid hit . . . The Sam and Dave is well over 400,000 and is heading for 1/2 million. It sells pop like in Hartford, and would be a pop giant if it got pop play. R&B sales in the nation are monstrous, Jim Stewart of Stax just told me how much he admires the Temptations' "Not Too Proud To Beg." He points out that it is just a great record, lyric and story-wise, and the beat is utterly fantastic. The record is just different! Will it go pop? . . . There are at least two powerful cuts in the new Sam & Dave LP coming out this week: "It's a Wonder You Don't Turn To Sugar" and "Ease Me With Your Lovin'." . . . The next Mad Lads is a certain Top 5 giant when it's released, "What Will Love Tend To Make You Do" . . . We are sorry to learn from Memphis that both Joe Coughi of Hi Records and Doc Russell of Goldwax Records had heart attacks.

Hot instrumental: "Hot Shot," Buena Vistas, Swan . . . A lot of stations are still not aware that "Sad Girl," Jay Wiggins, Amy, is a proven hit via Georgie Woods in Philadelphia . . . It's time to play the "B" side of the Wilson Pickett, "Danger Zone."

Lee Wilson, Fred Hanna and Nickie Lee, WAME, Miami, pick: Mike Williams; King James; Z. Z. Hill; Mighty Sam; Darrell Banks; Vernon Harrell. LARGE: Van Dykes; #1—Steve Mancha.

Dr. Fat Daddy picks for Baltimore: Mary Wells; Mike Williams; Alvin Cash; Dobie Gray; Jive 5. BREAKOUTS: Little Joe Blue and the Intruders are Top 3 giants. HITS: Johnny Copeland; William Bell; Mable John; Van Dykes; Cash McCall; Lee Rogers; Bob & Earl; Holidays. LOVES: Darrell Banks.

Pete Hall happy now that Lee Rogers is selling in Philadelphia, Baltimore, Detroit, etc. . . . Eddie Thomas thrilled about Cash McCall which is large in Chicago, Baltimore, etc.

Robert B. Q., KATZ, St. Louis, reports: INSTANT SMASH—Mike Williams . . . Carla Thomas is a giant . . . Van Dykes is big . . . Bobby Lee on Sue a winner . . . Frank Frost is a winner ("Back-Scratcher") . . . Jackie Payne ("Go Go Train") and Roscoe Robinson is big . . . Mabel John a winner. Karen Small looks great!

Hal Atkins is joining WWRL, N.Y., from WEBB, Baltimore. FLASH: "Lonely Soldier," Mike Williams, is a smash. Miami and St. Louis blew it open in two days.

Burke Johnson is now doing independent promotion and is doing a fantastic job. He covers Atlanta, Mobile, Birmingham, Raleigh-Durham, Winston-Salem, Montgomery, Augusta, Columbus, Macon, Jacksonville, Pensacola, New Orleans, Miami—the entire Southeast. He has the following lines: Gamble; Groovy; Tamla-Motown; Atlantic-Stax-Atco-Colt; Calla-Mayfield; Amy-Mala-Goldwax-Sansu; Thomas; Veep. Burke is doing a fantastic job, and he is hitting key stations that never saw a promo man.

Burke is discovering fantastic new Southern deejays. For example, he found a little girl at WTHB, Augusta, called "Miss Soul" who plays blues all afternoon and "talks that talk"—dig?—and has the whole area upset—and is really selling records and taking care of business. Burke tells me that

Wales Label Formed

ORANGE, N. J.—Sam Vogel of Lowell's Music announces the formation of Wales Records label.

Wally Cavanaugh, General Manager, signed the Ernie Scott Trio for the first release: "Endlessly," backed with "1-2-3," an instrumental.

Yardbirds Sign With Big 3

The Big 3 Music Corporation has concluded a music representation agreement with top British vocal group the Yardbirds, who wrote many of their own hits.

Pact calls for Big 3 to acquire publishing rights to all future Yardbird tunes in all territories outside of the group's British home-base. First song to jump to the Big 3 is the Yardbirds' "Over Under Sideways Down" now being set for release on Epic. Negotiations were wrapped-up by Big 3 Vice-President and General Manager Arnold Maxin during his recent European trip.

Chappell Drive On ATV Material

Chappell Music is mapping major twin promo campaigns here and abroad on all material to be acquired in the future through two separate subsidiary publishing entities now held on a joint basis in England and the United States by Chappell and the giant Associated Television Network in England.

Clarifying reports reaching here last week, regarding the newly negotiated joint ATV-Chappell ownership of New World Music Ltd., in England and Jubilee Music in America, Louis Dreyfus, Chappell president, stated that what the arrangement really means is that Chappell will henceforth acquire music from TV series, TV specials and feature motion pictures produced in color and emanating through the far-flung, industry-wide Grade interests, of which ATV is a part in Britain.

Noting that, "It's no secret that television networks here in America have their own publishing outlets," Dreyfus said that, "The new arrangement puts Chappell in a far more advantageous competitive situation, with regard to television and movie material than it has ever been in before."

For example, one prominent ATV originated property which played on American screens this past year was "Secret Agent," on CBS. Although the score for this particular series is not a part of the new ATV-Chappell arrangement (since it pre-dated the new deal) it is an example of the type of fare to be anticipated.

JUST A FEW OF THE MANY STATIONS PLAYING

Money Music

Many R&B hits are never played pop, until an L.A. picks up an older R&B hit such as "Searching For My Love," **Bobby Moore**, Chess, and takes it to Top 10. Speaking of L.A., "She Done Moved," **Spats**, ABC, is a giant there, and will break where played . . . "Hanky Panky," **Shondells**, is a stone winner . . . As we alerted you long ago, **Syndicate of Sound** is just a plain old hit record . . . Ditto for the **Association** . . . Would some L.A. station take the "B" side of the new **Miracles** and find that it's a smash ballad pop? The title is "Be My Love" and it's a beauty . . . Hitting solidly are **Crispian St. Peters**; **Johnny Sea**, **Righteous Brothers**; **Tommy Roe**; **Barry McGuire**, **Jan & Dean**.

"It's You Alone," **Wailers**, U.A., is a solid winner à la **The Association** and **The Syndicate of Sound** . . . **Sam the Sham** will not be stopped now. Too many indicators . . . **The Tokens** look very promising . . . **The Robbs**, big in Chicago, as is "Oh Yeah," **Shadows of Knight** . . . **Terry Knight** is large in the mid-West . . . We keep telling you that the **Platters** is a Top 5 pop hit and will clog up your request lines . . . **The Strangeloves** have gone on a lot of key stations . . . Don't have any doubts that the **Temptations** will huff and puff and blow your walls down . . . "United," **Intruders**, Gamble, clogs up the request lines because it tells about what all the people wanna do this June . . . **Ronnie Dove** has a blockbuster . . . There is a lot of interest in the **Chubby Checker** . . . The big sound seems to be making it à la **Dusty Springfield** and **Frank Sinatra** . . . Lots of play on "I Love Onions," **Susan Christie** . . . "You Wouldn't Listen," **Ides of March**, is looking good . . . **Neil Diamond** is plenty potent.

I like "Time Is a Thief," **Jimmy Elledge**, Hickory, a **Wesley Rose** production . . . "Painter," **Lou Christie**, is automatic.

I think that **Tower** is sitting on a potential hit with "Everybody Needs Somebody to Love," **Knights of Day**. The bass line in the record is unbelievable, and it is tearing up record hops . . . "Sock It To 'Em J.B.," **Rex Garvin**, Life will break pop anywhere it is played . . . "The Creeper," **Freddy Robinson**, Checker, sounds like a winner to me . . . "Go Go Train," **Jackie Paine**, is starting down South, and "Trains, Boats, & Planes," **Dionne Warwick**, is WOW! . . . I like **Bob Crewe's** arrangement on the new **Kitty Kallen** . . . "Heartburn," **Johnny Maestro**, Cameo, sound potent . . . "Pretty Flamingo" is #1 in England. **Tommy Vann** getting heavy play in Baltimore, Washington, Cleveland and many more markets . . . "Boys Are Made To Love," **Karen Small**, is getting large L.A. pop play.

Dex Allen 9 to midnite hour deejay at KOL, Seattle, sent me a lovely note and he reports a local hit, "She's Boss," **Dimensions**, HBR. Dex, I just have to wonder if the teens in your audience are different from those who listen to **Paul Drew** on WQXI, Atlanta. The **Platters** is a smash there, and in Baltimore, and N.Y.C. Would you, could you, resolve that question in all our minds about Seattle Teens . . . or try the **Temptations**? I assume those kids are excellent dancers.

Paul Drew reports "Teenager's Prayer," **Joe Simon**, a smash in Atlanta . . . "You Better Run," **Young Rascals**, breaking big in the big markets . . . **Johnny Rivers** is on most stations . . . The only reason "Bad Eye," **Willie Mitchell**, isn't big up North is no play . . . **Uniques** keep rising on WIZE-Springfield, Ohio, WKY-Oklahoma City, and KAYC-Seattle. Title: "All These Things." . . . Good request action on **Len Barry**.

SURPRISE SLEEPER: "Hot Dog," **4 Shells**, Volt, broke big in the key upstate Pennsylvania area. This is undoubtedly another one of those pop hits that were never played pop.

Larry Uttal was sure right on the **Syndicate of Sound**, so I must pay attention when he says that **Mitch Ryder** has broken for three and four re-orders in ½ a dozen markets like Memphis-Cleveland-Chicago-Baltimore-Minneapolis-Boston, etc.

"Who Will Buy," **Steve Elliot**, W.B., sounds very good . . . "Daddy I've Tried," **McGowan Boys**, sounds potent . . . "Red Riding Hood," **Sam the Sham**, looks like a winner . . . **Pozo Seco** should have another chart-buster . . . I feel that "Lonely Soldier," **Mike Williams**, can be a blockbuster . . . "Hanky Panky," **Shondells**, is Top 3 in Cleveland . . . **Paul Drew** was first to recognize that **Tommy Roe** is a hit.

Late flash: **Red Schwartz** of **Roulette Records** info's that "Hanky Panky" by the **Shondells** is well over 300,000 sold—

Oiga (Continued from page 30)

a pesar de tener en el mercado varios meses . . . **Kubaney** sacará dos nuevos "elepés" al mercado. Uno de "Los Violines de Pego" y el otro de sus "Diplomáticos" . . . Otra nueva programación del Canal 47 de Televisión (En Español) de Nueva York, titulada "Eva, Raúl y Alguien Más," presentando a **Eva Flores y Raúl Marrero**, aumentarán las ventas de la última grabación de Raúl, para Montilla "Rondando Tu Esquina," así como el último disco de larga duración que **Eva Flores** grabara para el Sello J. G. . . . La **Orq. América** ha triunfado rotundamente con su "Arrímate Pa'Ca" de Musicor y Gema lanzará a la venta un "sencillo" de "Tú No Estás En Ná," interpretado por esta orquesta . . . **Nelson Pinedo** triunfa en Lima, Perú, de donde pasará a Caracas, Venezuela, y de ahí, dentro de dos meses de nuevo a Nueva York. Su grabación "A Latin in America" de Musicor, está muy buena . . . Y ahora, saludos y ¡hasta la próxima!.

Lend an Ear . . . In English

Summer is in New York, and a decrease in sales usually is expected at this time. That is why every effort to increase the promotion of each one of the records in the market is vital. We appreciate all new albums that each one of the manufacturers is sending us. From next week on, we will print our "picks" of the week in the Latin market . . . There is a fine new R.C.A. album, **Rene Touzet's** "Así Soy Yo," in which several singers offer their interpretations of Touzet's songs, such as **Pepe Jara**, **Carmela Rey**, **Rafael Vázquez**, **Cesar Costa**, **Marco Antonio Muñiz**, **Alejandro Algara**, **María Victoria**, **Sonia** and **Dario Sotelo** . . . A new album will be released by Fonseca titled "Descarga Cubana" in which **Chihuahua** shows a lot of his Latin beat. Real tropical flavor! . . . **Discorico** released a new LP by **Los Brillantes** in which they sing "Experiencia" and "Hoy que Faltas Tú." This same label also released an album of poems interpreted by **Braulio Castillo**. First Actor of radio, television and theater in Puerto Rico . . . A new album by **Sonia**, former member of the **Sonia and Myriam** duo, is on the market, in which **Sonia** sings "La Mentira," "Inolvidable," "Si Yo Pudiera Detener el Tiempo" and others . . . **B.M.C.** released a new single by **Armando Vega** with "Imploración" and "Hambre." Another single from **B.M.C.** is "No Me Resigno" and "Pedacito de Ser" by **Carlitos Velez** . . . We will have a new album next week by **Felipe Pirela**. Pirela's newest hit, "Cuando Vivas Conmigo," will appear in this package . . . **Velvet** also will release "Hambre" by **Blanca Rosa Gil** in two weeks. **Velvet** is doing well, with hits by two of their exclusive recording artists . . . We are expecting news from **Pagés** (**Velvet**) and **Eliseo Valdés** (**Musart**) . . . Most of the **Puchito's** catalog on **Olga Guillot** is being offered at a budget price of \$1.00. Nevertheless, **Olga's** latest album, released a few weeks ago by **Musart**, is selling wonderfully well . . . "Así Canta El Corazón" by **Vicentico Valdés** (**Seeco**) is selling very well, although his previous album "Vicentico Valdés in Suramerica" is still selling enough to make **Seeco** feel happy. **Vicentico's** "Mis Noches Sin Ti" had been sold by the thousands . . . **Kubaney** will release two new albums next week. One of them by **Los Violines de Pego** and the other one by **Los Diplomáticos**. Both are instrumentals . . . Instrumentals are doing very nicely in the Latin market. **Gema** also released "Instrumentales" by **Pepé Delgado** and his **Orch. Nelson Pinedo's** performances at Lima, Peru, was a success. Although he is expected in Caracas, Venezuela, in two weeks, he will be with us in New York City next month. His latest album for Musicor, "A Latin in America," is selling niftily . . . "El Pito" (I'll Never go Back to Georgia) is driving everybody mad. **Tico** is hot with this **Joe Cuba** hit. **Eddie Palmieri's** latest album for this same label is selling a lot. **Pancho Cristal** is very happy with this album and is pushing it hard . . . "Boleros em Surdina" by **Irany e Seu Conjunto** is going ahead in New York. A top collection of "Boleros" (instrumentals) . . . "Arrímate Pa'Ca" by **Broadway Orchestra** is selling. It is a Musicor release; and now **Gema** will release "Tú No Estás En Na" by the **Broadway Orchestra** boys.

Chicago is over 90,000 sold, Detroit and Pittsburgh are 35,000 and Cleveland and L.A. are well over 20,000. We predict this is a certain No. 1 record. **Red** has a bet on with **Dean Tyler**, Music Director at **WIBG-Philly**, that the disk will hit No. 1. If **Dean** loses, he has to dig down to provide **Red** and companion with a night on the town.

Taking Care of Business

BY DEL SHIELDS

'New' Riverside Label to Bow

The shocking and unexpected death of Bill Grauer some two years ago was thought by most jazzophiles to mean that one of the most important jazz catalogues was on its way into limbo.

The rich Riverside label that produced some of the most important Thelonious Monk albums as well as the best-selling Cannonball Adderley albums had suddenly come to a standstill.

There were many companies interested in buying the diskery as well as the artists. Fortunately for us (the toilers of the jazz records), this did not come about.

What happened was simply that a new company was formed, Orpheum Productions, to reactivate the company and market the catalogue.

Since jazz is a combination of "art" as well as "business," Orpheum Productions, owned by the Textile Banking Company, proved that the label of arch conservatism would not preclude its willingness to promote an artistic product. They accepted the challenge of taking a jazz company and applying its sharp business know-how to keep the Riverside label active and flourishing.

Bagley General Manager

Erwin Bagley, former General Manager of Audio Fidelity Records, and with past experience with Liberty and Colpix Records, was tabbed for the Vice Presidency and General Managership of the company. Erwin had also worked with concert impresario, Sid Bernstein, whose jazz shows had been viewed along the Eastern seaboard.

Because a bank takes no chances, they appointed Allen Jeter as Vice President and Treasurer. Allen a music major from the University of Illinois, brings a background as one of the most astute jazz students and historians in the country.

For the past year, the company has been busy laying the ground work for a full program

to bring the Riverside label back to former prominence.

With a catalogue of artists that includes the aforementioned Monk, Adderley plus Bill Evans, Mongo Santa Maria, Johnny Lytle, Art Blakey and the Messengers, Charlie Byrd and Wes Montgomery, all best-selling jazz artists, too much was at stake, if the promotion and merchandising was not handled properly.

Applied Banking Knowledge

I am sure that John Doran, who serves in the dual capacity as Vice President of the Textile Bank as well as President of Orpheum Productions, was able to apply his banking knowledge and experience and realize that he had inherited a rich bonanza in the label and with the shrewdness of a banker would make Riverside an influential company once again.

I talked last week with Jeter who responded by reminding me that they were very much aware of the change in the jazz market but that Orpheum had not been standing still. Even without the full scale operation they are about to embark on, Johnny Lytle's "Village Caller" was on the best-selling jazz lists across the country.

"We have also," he continued, "added Otis Smith formerly of MGM-Verve Records, who will assume the position of Comptroller in addition to supervising various promotional programs for us. We feel that his vast experience in working with artists and his knowledge of the record business will enhance our programs."

It is no secret to jazz disk jockeys across the country that one of Riverside's former problems was the lack of complete service to disk jockeys. I personally can verify this. However, this is in the past. Orpheum promises to rectify this error.

Exploitation Begins

They will soon begin exploiting its product. Certainly no company with Monk, Adderley, Evans, Santa Maria, Timmons and Montgomery can afford to exist with these artists' records gathering dust in their ware-

Golden Birthday

Herman Gimbel, President of Audio Fidelity Records, Inc., was presented with a special gold record from all his employees, at a recent party celebrating his 50th birthday.

Monti Rock To Kama Sutra

Monti Rock III, who has just completed successful appearances at New York's Trude Heller nitery, has just been signed to Kama Sutra Productions.

Monti has added a number of expensive white and light blue rhinestone-studded suits to his already fabulous wardrobe.

Says Monti: "A number of my suits are fur-collared and, with my jewelry, I've had to insure my wardrobe for \$100,000."

Monti is planning to take his own caravan on the road this summer for coast-to-coast appearances.

He added: "Traveling is going to be tough on all my clothes, but I'm determined to take my most precious suit—made of gold brocade and studded with diamonds."

houses.

But what is most important is that the product of these artists deserves to be heard by all America. They fill an important historical period in jazz and are valid contributions to our musical culture.

If they are to come back, then they must recognize that there are more than 1,200 jazz djs across the country. They play jazz from one to six hours daily. If jazz does not sell, it is not the fault of the men and women who elect to be exposers of jazz. It is due to many companies not caring or relegating jazz promotion to the last phase of their promotional activities. We welcome Riverside back.

Mills Men:

Rogers Jolly Over Tunesmith Success

NEW YORK — Songwriting team Roger Cooke and Roger Greenaway, known on Capitol Records as David and Jonathan, were in town last week to pen a few jingles for some Coca-Cola commercials and also to drop in at their publishers—Mills Music—to find out what is happening with their tunes.

Mills man Stanley Mills had good news. He told them and *Record World* that Mills is expanding the value of the Greenaway-Cooke copyrights by securing recordings in musical genres other than rock—namely jazz and "class."

The boys' most valuable copyrights at the moment are "Green Grass," climbing the charts in its Gary Lewis and the Playboys' Liberty version and also recorded already by the Ventures, Frank Foster, Jonah Jones and Bob Crane; "You've Got Your Troubles," now recorded by Jack Jones, Nancy Wilson, Dave Pike, Kai Winding, Lou Christie and Bob Kuban; and "Everything in the Garden," on records by Petula Clark, the Grads, Martin Denny, Anita Bryant and Diahann Carroll.

Mills reported that his efforts in getting varied recordings for these songs are beginning to pay off and the tunes are starting to fall into albums.

One of the jolly Rogers said that he was extremely excited about the team's newest song, "Lovers of the World Unite," which Capitol will release shortly. The song is climbing in England already.

Roger also noted that the Cooke-Greenaway working habits are similar to the Lennon-McCartney modus operandi. i. e., the boys rarely write a song together. Instead they write separately and then put both names on the song. They value each other as sounding boards, however, and someone to turn to to help out when a problem arises in completing a ditty. He said, however, that most of the team hits have been written in tandem.

(The boys have also supplied the English lyric to new Eurovision song winner "Merci Cherie.")

What Roger and Roger want to do most — besides remain performers—is to write musical comedy songs and they've been reading scripts — none suitable—for some time now.

Kellie Greene's Tough Piano

HOLLYWOOD — Kellie Greene, tops in the dwindling field of popular female pianists, is a double-barreled threat.

Her single release "No Moon at All" b/w "Move On" written and recorded by the Sherman Brothers' MBD Productions, has taken off in Los Angeles, New York and several other big cities. And personal appearance-wise, things couldn't be better.

After a successful two-week engagement at the Melody Room in Los Angeles, Kellie's trio has been signed for an indefinite run.

Kellie Greene

Kellie originally went to a music school to learn arranging and composing, just using her piano-playing ability to assist in these endeavors. Her skill was so useful in arranging she became a top-rated pianist instead.

Though reviewers note that Kellie's playing has a feminine note in it, she protests, "I don't play like a girl. I attack the piano and really bang out the tune. None of that soft, fussy playing for me!"

Kellie's sensitive yet powerful style points up her intense personal involvement with her music. She manages to create a strong rapport with the audience that gives more the air of a concert than that of a jazz lounge.

The other members of her trio are John Worster, Bass and Al Garibaldi, drums.

Pacific Jazz' Hot Summer

HOLLYWOOD — Via the theme of "It's A Very Good Summer For Jazz," Pacific Jazz Records has instituted a dealer program on three "hot" releases, according to sales-promo topper Bud Dain.

The debuting albums are "The Zimbo Trio," "Easy Groove" with Wes Montgomery and "Tell It Like It 'Tis" highlighting Richard "Groove" Williams.

Terms, available from World Pacific distributors, are effective through June 30, 1966, on the entire Pacific Jazz and WP back catalog.

Program is being backed by trade and consumer advertising in addition to co-op-ad funds and materials.

Susan at RCA

Susan Barrett has been signed to a long-term exclusive contract by RCA. While Susan lives on the Coast, she will be recorded in New York. Susan, who has made numerous appearances on television as an actress and as a singer, has played many leading supper clubs. She also has been offered the ingenue lead in a forthcoming Broadway musical. Shown here (left to right) are Harry Ascola and Stan Kaye, Susan's managers; Susan; and RCA Victor's Paul Robinson, who will produce Miss Barrett's records.

The Academy of Country/Western Music held its first election of officers Monday night, June 6, at Gene Autry's Continental Hotel in Hollywood. Dick Schofield, Chairman of the Board, presided.

Activity is at a peak in So-Cal this month. George Jones worked the Palomino Club in North Hollywood (7), Marty Robbins, Glen Campbell, Canadian Sweethearts, Jerry Naylor and others work Long Beach Auditorium (15), then the giant KGBS spec Saturday, June 18, at the Hollywood Bowl with more country acts than ever assembled in the Bowl. Yes, there'll be a wad of hillbillies in Hollywood this June . . . Frank Lynch, Manager at all-country KPUB, Pueblo, moving to Albuquerque . . . George Richey prepping new material for LP-single sessions in Nashville for Bonnie Guitar. Her current dandy is the Buddy Mize prize, "Get Your Lie the Way You Want it" on Dot.

Dewey Groom's recent literary epistle garnering nearly as much comment as his current Janet McBride-Vern Stovall Longhorn release, "I'm Wild Bill Tonight." It's called "Musician's Oath." It's a trade tart, but cute and pretty near true in spots. Funny, Dewey! . . . Elton Britt'ed Fred Carter's new ballad for ABC in a recent 45-album sessioning in Nashville . . . K-FOX Radio presented a week-long "Keepsake Spectacular" with 144 hours of nothing but the greatest all-time country hits (authenticated). Reaction was sensational. Proves the real country faithful still love the old songs (as who doesn't?) . . . Gus Kabitsky (WMIL, Milwaukee) long distanced last week to find out where to get the Sammy Masters-Princess Ramona Gallahad release of "Say Yes Or No." Said his initial reaction indicated much local action.

Monique Peer Morris (Mrs. Ralph Peer) hosted a lovely Sunday afternoon to local country tradefolk recently and plans an evening for CMA's board of Directors in July L.A. gathering at lovely Park Hill, high above Hollywood Boulevard. It's like what you see in the movies. Breathtaking. The lady is, since her husband's death, head of the giant Peer-Southern Music Combine, and a real charmer . . . Rumors persist of a new fulltime (24 hours) country music outlet in San Antonio. (Wonder if Roger Miller had anything to do with it?) This, of course, would rival A. V. Bamford's K-BER, the Country Flagship in the Alamo City . . . Charlie Walker called to enthuse over his new Hank Cochran cutie, "I'm Gonna Live" (as long as I can). Boy, those Pamper guys work! Ronnie Green and Myrna Jay are Pamper standard bearers in Hollywood these days.

Roy Horton, the Southern Music Man, watts-lined from N.Y. to say hello and put famous songwriting brother Vaughn on the line. Vaughn and I were talking about the Jimmie Rodgers Memorial Day Celebration in Lucedale, Miss. last week in May, and Vaughn recalled honestly that in the company store back in the Pennsylvania coal country where he and Roy and their big family started, they'd walk into the store and order "five pounds of beefsteaks, two loaves of bread, a pound of butter, and a Jimmie Rodgers record!"

The new Dick Clark-produced "Swingin' Country" NBC-TVer, which dailies, beginning July 4 at noon-thirty, should be a ball to work. Rusty Draper hosts, and contends with Molly Bee and Roy Clark's shenanigans. What a funtime . . . Roger Miller comes home from Sahara in Vegas to rest up for the tape start of his weekly TV show. I told Don Williams on the phone the other day they should call it "The Man From Erick" (Oklahoma) . . . Starday's "Dobro's Goin' 'Round" was named #1 country album of the year by Clyde Wyant (President of Dobro).

Mrs. Orbison Dies In Road Accident

NASHVILLE—Mrs. Claudette Orbison, 26, wife of MGM's Roy Orbison, was killed Monday night, June 6, when the motorcycle she was riding collided with a pickup truck in Gallatin, Tenn.

Mrs. Orbison, mother of three sons, died about two hours after the crash in Sumner County Memorial Hospital.

Police said Orbison was riding ahead of his wife on another motorcycle and was waiting at an intersection when the crash occurred.

The Orbisons were returning to their home at Saundersville after spending the weekend attending the National Drag Races at Bristol.

Wide Welcome for RCA Country World

The above window display at Jenkins Music Co. in Kansas City, Mo., is typical of the enthusiastic response with which RCA Victor Records' "Welcome to the Wide World of Country Music" promo was greeted at the dealer level. From reports, the campaign promises to be one of the most successful merchandising programs in the company's history. Program, which had Eddy Arnold as spokesman, was accompanied by a special cross-country concert tour starring RCA country & Western artists. Window display, done by Frank S. Burgard, ran in advance of the concert booked into Kansas City.

come a Communist regime, so he just gave away all he owned and came to this country.

He worked hard during his first year in this city, always keeping in mind the necessity of opening a business of his own when the opportunity presented itself. In 1961, he opened Iglesias Record Shop in Ninth Avenue near 47th St. In two years, he established, in the same place of business, a distributorship, starting with two labels, Kubaney and Peerless. After that, he acquired exclusive distribution on Modiner, Bonita, Nuria, Zafiro, Discorico, Belter, Orfeón, Velvet, Krystal, Adria and Puchito.

Opened New Office

Six months ago, Iglesias opened a new place of business at 10th Avenue corner of 47th St. That's when Iglesias Record Distributors really took off.

Two salesmen cover the metropolitan area, and one employee helps him give proper attention to all the record distributors and retail shops that favored him with their purchases. Antonio Moreno is a great help to Iglesias in maintaining a high standard of service to all their customers through his distributorship.

Iglesias' Record Shop is still open for business, attended by his wife and her father.

Iglesias came here with his wife, three sons and the parents of his wife and his own mother, who died last year.

He added to the lines he represents a few months ago with Sonolux and Lyra.

Most of the "artists of the moment" are on labels Iglesias represents, such as Blanca Rosa Gil, Anibal de Peña, Dúo Cabrisas Farach, Los Diplomáticos, Odilio González, Nico Membiela, Juan Legido, Daniel Santos, Violines de Pego and also several of Olga Guillot's albums.

Sonolux also is enjoying terrific business with their Típica de Tokio, a group from Japan that recorded in Spanish several Latin songs, with no accent and an authentic Latin beat.

Iglesias's salesmen are Eduardo Nuñez and Tony Moreno Jr.

NASHVILLE REPORT

BY ED HAMILTON

Out in Texas where everything is big, country music's smallest drink of water, Little Jimmie Dickens, will be the toast of the town June 30, July 1 and 2 when he headlines Georgetown's 26th annual Williamson County Sheriff's Posse Rodeo.

Dickens' appearance marks the first time in 15 years that a star of national import has performed at the rodeo, and according to Georgetown attorney Robert Morse, show coordinator, he "may set the pace for a continuation of known entertainers." The little dynamo will ride in the annual rodeo kickoff parade and will entertain at nine each night of the rodeo plus perform at an extra show following the final rodeo session Saturday.

Accompanying Jimmie on the trip will be his band composed of Gene King, Hank Corwin and Eddie Adams. All we gotta see now is the Little "Pres" riding one of those wild Brahman Bulls!

Monument's Grandpa Jones and RCA Victor's Porter Wagoner will be the celebrity attractions at this year's third national Dreamer Rally, sponsored by Dreamer Pickup Coaches at Beech Bend Park in Bowling Green, Ky. July 20-23. Grandpa has been named the Rally's official Coachmaster and will preside over rally activities expected to attract approximately 4,000 Dreamer camper fans from across the nation.

The Duke of Paducah has been booked for seven consecutive nights of entertainment in Montreal's new Country Palace June 20-26 by Moeller Talent of Music City. The seven-day engagement will call for 21 separate appearances by the 65-year-old country comic. Not bad for a youngster!

Benny Joy has rejoined the staff of songwriters at Cedarwood after a year's absence. Benny's the boy who wrote such hits as "Help Me Up Darling" recorded by Merle Kilgore, "Big Old Ugly Fool" by Red Sovine, "Why Do I Keep Doing This To Us" by Carl Smith and "We'd Destroy Each Other" by Carl and Pearl Butler. The addition of Joy to the staff brings the giant publishing company's roster of exclusive writers to 17, among whom are Webb Pierce, Wayne Walker, Mel Tillis, Jan Crutchfield and Fred Burch.

Van Trevor is on a promo tour of Cleveland, Akron, Detroit, Chicago, Milwaukee and Wheeling, winding up on the Jamboree Show June 18.

Billy Walker: Early Batman

Monument's Billy Walker is probably the biggest fan Batman's got! Billy says he had a monopoly on the masked entertainer routine 16 years ago, long before Adam West came on the scene. Back then while he was appearing on the Dallas "Big D Jamboree" he was billed as "The Masked Singer of Folk Songs" and would appear each week wearing a different guise knitted by his wife and imitating such stars as Hank Williams, Eddy Arnold and George Morgan. The attraction went over so well that, after six months, the Jamboree had a big unmasking and people came from miles around to see who the masked singer really was.

This comic entre into country music has its good side. As a result of such enterprising spirit, Billy received a recording contract and, from that point on, was billed as "The Traveling Texan"! Right now Billy has one of the biggest records of his career with his new Monument release, "A Million and One."

Murray Kash On Growing N'ville Sound in Britain

BY DAVE FINKLE

NEW YORK—Murray Kash, a country fan who first got hooked on the music in his homeland Canada and stuck to it when he moved to London a number of years ago, was in town last week talking about an idea of his concerning country music here and in England.

He mentioned that English country artists are increasing in number, quality and adherence to the Nashville sound, and because of this he'd like to set up some sort of exchange of syndicated TV or radio shows between England and the states.

He knows from his past experience as a c/w deejay on the BBC that American country artists have great appeal to Englishmen and he senses that American country fans would find it enjoyable and interesting to become acquainted with English c/w artists like Ian Campbell, Malcolm Price and Johnny Duncan.

While Kash is in the states, he'll be looking into the possibilities of the exchange.

At the present time he's also in the early preparatory stages for a new country series for the BBC. In the past he's done two or three, one of which was called “Folk Fare.” He said that he received a tremendous amount of letters from listeners interested in the musical genre. He noted that on his program he has interviewed virtually every country artist who's been in England. Jim Reeves, he opined, was the most popular country artist in England for quite awhile with four or five of the Reeves tunes on the English chart at one time.

Eddy Arnold is a big England name now, he said, since his recent British tour.

Flying Hawk Expands

Bill Seabrook of Flying Hawk Music announces that the company has been incorporated and world wide distribution of products almost has been concluded.

Contracts have been signed between London Records for distribution of “Shotgun Wedding” in South Africa, Australia, New Zealand and Japan; Island Records, United Kingdom; Wirl Records, West Indies; Hansa Schallplatten, Germany; Philips Sonora, Scandinavia; Discobel, Benelux; Capitol of Canada, Canada; and Capitol USA on their Uptown Label.

The album that captures the Trivia craze!!

**NAME THAT TRIVIA; a new record, quiz and party game combined!
101 questions, music, sound, answer score pad! Fun for the entire family!**

NAME THAT **TRIVIA**

is a record quiz party game. How many unimportant things can you remember? Forgettable Pop songs . . . long-lost advertising slogans . . . defunct TV and radio shows . . . little known sayings by unimportant people? Who played in what movie? It makes for a great escape from The Big Tensions. The Trivial is in the spotlight!

Trivia is a mass of information of importance to no one but what fun to play!

In addition to being one of the most popular college and "in" games, trivia is part of the current craze for nostalgia that has resulted from the sudden surge of popularity for old time movies, serials and comic strip characters.

Frisky is aware of this craze and has created an all time best selling party record!
