SINGLE PICKS OF THE WEEK

The irrepressible Aretha Franklin has a new hit, "Chain of Fools" (14th Hour-Pronto, BMI) to add to her chain of hits (Atlantic 2464).

Lulu, the "To Sir with Love" thrush with worlds of talent, sells "Best of Both Worlds" (Dick James, BMI) big (Epic 5-10260).

"Love is All Around Us" (Dick James, BMI) by the Troggs is a rockaballad very much in tune with the sound and thought of the times (Fontana 1607).

Ed Ames poses some philosophical and moral questions on "Who Will Answer?" (Sunbury, ASCAP) and buyers and answer-disks will answer (RCA Victor 47-9400).

SLEEPER PICKS OF THE WEEK

Steve Lawrence introduces Don Kirshner's Calendar label with a commercial ballad from Steve's "Golden Rainbow." Song is "I've Gotta Be Me" (63-1001).

"Just Ah" (Goodness and Truth, BMI) will elicit just that reaction—a contented sigh—from the teens. The Blades of Grass win (Jubilee 5605).

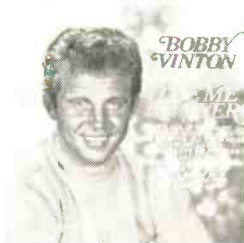

The teen crowd will be "Soul Struttin'" (Mopery-Kaskat, BMI) by the large numbers when they hear Jamie Lyons' call to the dance floor (Laurie 3422).

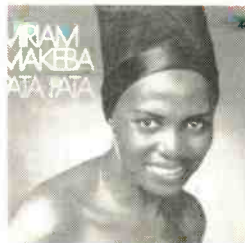

King Richard and the Fluegel Knights make a groovy spot of "Camelot" (Chappell, ASCAP) as they glide over the movie title nifty (MTA 138).

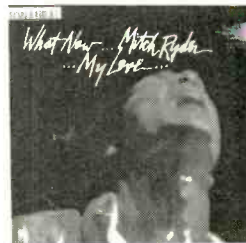

ALBUM PICKS OF THE WEEK

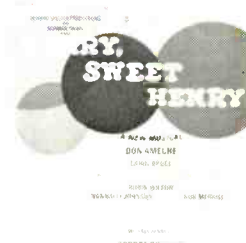

Bobby Vinton sings his new Top 10 ditty, "Please Love Me Forever," and a bouquet of other sentimental ballads fans will love (Epic LN 24341; BN 26341).

"Pata, Pata," the zingy, wild African dance tune, is Miriam's lead-off on this tribute to African rhythm via some spicy tunes (Reprise R/RS 6274).

"What Now... My Love..." is the evocative title of Mitch's new Crewe-produced package of party and alone tunes (Dynovoice DY 3/1901).

Don Ameche, Robin Wilson, Neva Small, Alice Playten and Carol Bruce sing Bob Merrill's mint-fresh tunes from "Henry, Sweet Henry" (ABC ABC/ABCS OC 4).

Hyphen Rock Here

By DAVE FINKLE

Hyphen rock is here and it's the latest trend for the information of those trend-hunters who have been checking all corners for what's coming up.

Hyphen rock started a few years ago when teen influences Bob Dylan and the Beatles influenced each other and out came folk hyphen rock (or folk-rock). Just after blues Hyphen rock (blues-rock), which Phil Spector or someone coined a few years before that.

Since that time, when rock performers realized that they could, indeed had to, experiment with different sounds in order to catch the public ear, they began listening to all forms of music and came up with, for instance, jazz hyphen rock (jazz-rock) à la Verve/Forecast's Blues Project and their notable "Flute Thing."

Recently, the New York Rock and Roll Ensemble on Atlantic Records have been dedicating themselves to classical hyphen rock (classical-rock). (This form traces back probably to the day Beatle producer George Martin, trained in classical music, decided to use strings on "Yesterday." Followed baroque-rock, e.g. Elektra's "The Baroque Beatles Book.")

Country-Rock, Too

Now Lee Hazlewood, a big country music fan, is espousing country hyphen rock these days by way of some of his new compositions. Capitol's Bobbie Gentry, for example, is country-rock sometimes.

And Ravi Shankar followers, of course (the Who, etc.), make raga-rock.

And then, of course, there are the myriads of groups who are trying a little bit of this and a little bit of that on their album. Ask RCA's the Youngbloods, for instance, what they are and they'll say country-blues-jazz-rock.

The proliferation of young musician's interests and abilities is getting somewhat like those of the players in "Hamlet," who excelled at serio-comic, pastoral-comic, serio-pastoral, serio-comic-pastoral, etc.

Well, whatever. If it's a valid musical genre, the teen performers, in what is becoming a determined quest for sophistication, will try it and hypenate it.

Groovy-rock.

Col Launches Huge 'Holiday Happening'

Columbia Records has launched a spectacular advertising campaign for "A Holiday Happening," spearheaded by an eight-page full-color newspaper supplement which serves as a gift guide to Col's records, tapes and Masterwork Audio Products.

The supplement was inserted in the Sunday edition of 34 major-market newspapers on Nov. 26, and will be in the New York Times the following week, Dec. 3. Thus, nearly 100 million readers will be exposed to the news of Columbia Records' "Holiday Happening."

The supplement also contains a special section devoted to a large assortment of phonographs, radios and tape recorders from the Masterwork Audio Products line.

NARM Scholarship Deadline Nears

Jules Malamud, Executive Director of NARM, and its NARM Scholarship Foundation, urges all NARM member companies who have employees interested in applying for NARM scholarships either for themselves or their children, that the deadline for filing applications for the next group of available scholarships is Nov. 30, 1967.

Requests from wholesaler manufacturer members of NARM for applications has been overwhelming this year, it was reported, with more than 500 application forms already having gone out to employees of NARM member companies.

Selections March 16, '68

Selection of the recipients of the NARM Scholarships will be made at a meeting called for Saturday, March 16, 1968, by the Chairman of the NARM Scholarship Committee, John Billinis, (Billinis Distributing Co., Salt Lake City, Utah). The meeting will be held immediately prior to the opening of the Tenth Annual NARM Convention, which convenes on March 17 at the Diplomat Hotel in Hollywood, Fla.

In addition to Billinis, NARM members serving on the NARM Scholarship Committee include

Jack Goldbart (L and F Record Service, Atlanta, Ga.); James Schwartz (District Records, Washington, D.C.); Louis Klayman (New Deal Record Service, Maspeth, New York); Jack Grossman (Merco Enterprises, Melville, New York); and David Watson (Pic-A-Tune, Inc., Emeryville, California). Stanley Jaffe (Consolidated Distributors, Seattle, Wash.), President of NARM, is an ex-officio member of the committee.

Educational advisor to the NARM Scholarship Committee is Dean of Admissions of the University of Pennsylvania, William G. Owen. Dean Owen, in addition to serving on the Scholarship Selection Committee, will participate in the NARM Scholarship Awards Luncheon, on Wednesday, March 20, at which the actual announcement of the scholarship winners will be made.

NARM scholarship award winners last year numbered four, and are all now attending colleges throughout the country, including the Universities of California, Connecticut, and Minnesota, and Wabash College. Scholarships are for \$1000 per year, for four years, a total of \$4,000.00 per student.

Ltd. (Amex).

The announcement was made last week by Eliot Hyman and Benjamin Kalmenson, Warners-Seven Arts Chairman of the Board and President, respectively, and Ahmet Ertegun, President of Atlantic. An earlier agreement in principle was announced on Oct. 18 this year. Under the agreement, Atlantic will be operated as an independent subsidiary of WB-Seven Arts Records, Inc., with the same management, personnel, distrib, international licensees and artists as heretofore.

A leading indie label, Atlantic's sales volume (net of returns) for the fiscal year ending Dec. 31, 1967, is estimated to exceed \$20,000,000.

'Hair' Cutting

The Hippies are hopping as the members of "Hair" perform for RCA Victor's original cast recording of the off-Broadway American tribal love-rock musical. Left to right are Jill O'Hara, Warren Burton, Shelley Plimpton, Jonelle Allen, Susan Batson, Walter Daniels, Jerome Ragni (who also co-authored the book and lyrics with James Rado) and Sally Eaton. Music for the show was written by Grammy Award winner Galt MacDermot.

In this new position, Mort will report directly to Jerry Schoenbaum, who heads up the Verve group in MGM's "Community of Labels" concept.

Weiner, who has a varied background in the record business, held responsible positions with Dot and Columbia Records. He moves up to his new position from the post of MGM regional field representative, a position which he held for the past year and a half.

THE YOUNG RASCALS

Their Greatest!

"IT'S WONDERFUL"

Rascals' Disk Made Timely

NEW YORK — The Young Rascals' new single, "It's Wonderful," on Atlantic Records, has been designed for the convenience of those radio stations with a tight time schedule and are unable to play the complete record.

The single is divided into two bands (linked by a spiral) on the same side of the disk. The first band, subtitled "music," contains the complete song and runs two minutes 30 seconds. Second band, subtitled "sound effects," contains psychedelic musical sounds and runs 50 seconds. It's been devised so that stations with tight schedules can fade out after the first band is over.

FILM FAME

ENOCH LIGHT & THE LIGHT BRIGADE—Project 3 PR 5013 SD.

The Light Brigade play themes from movies currently making the rounds and a few on their way. For instance, Light gives a lush reading to the state-ly "Theme from Valley of the Dolls." Also "Live for Life," "Bonnie and Clyde," etc.

THE LEWIS AND CLARKE EXPEDITION

Colgems COM/COS 105.

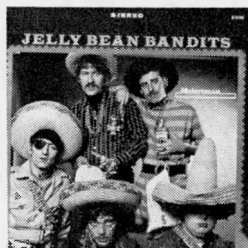

This new group has a feel for rock and roll as music and even somewhat of a social conscience on their "Memorial to the American Indian" segment. Single click "I Feel Good (I Feel Bad)" is here along with other nifties.

JELLY BEAN BANDITS

Mainstream 56103; S/6103.

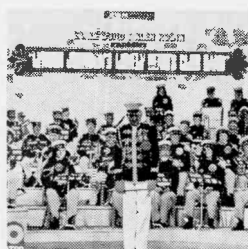

Here's a new group practicing contemporary folkroll with aplomb. Group trots out a number of magnetic beats as vehicles for nitty gritty sounding melodies and lyrics. Among other cuts, "Goodtime Feeling," "Another August Revisited."

LYNDON JOHNSON'S LONELY HEARTS CLUB BAND

VARIOUS POLITICAL FIGURES—Atco 230; SD 230.

John Cameron Swayze, Westbrook Van Voorhis, Earle Doud and Alen Robin ask the questions and the answer were culled from taped interviews with Everett Dirksen, LBJ, Ronald Reagan, Robert Kennedy, Hubert Humphrey, Ladybird, Richard Nixon and Barry Goldwater. Very funny.

AGNES ENGLISH

JOHN FRED AND HIS PLAYBOY BAND—Paula LP(S) 2197.

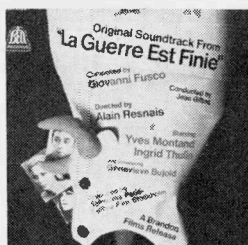

"Agnes English" and "Judy in Disguise" are both on this package. John Fred and his crowd are among the best of the contemporary groups, and the package shows off all talents in a dozen doosie ditties.

LA GUERRE EST FINIE

SOUND TRACK—Bell 6012.

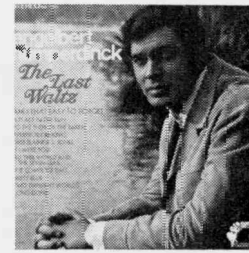

This tale of down-trodden spies and the peripheral lives they lead will be in the Oscar race—especially where star Yves Montand is concerned. Giovanni Fusco composed the music with Spanish and French overtones.

THE LAST WALTZ

ENGELBERT HUMPERDINCK—Parrot PA 61015; PAS 71012.

The lovely, dramatic Reed-Mason "The Last Waltz" leads off the side. Engelbert does his job extremely well. He's got a marvelous singing voice and what sounds like a great theater voice. Most of the songs are above par, some below.

THE LOOK OF LOVE

DUSTY SPRINGFIELD—Philips PHM 200-256; PHS 600-256.

The gal does some exciting things with her arrangements of "Sunny," "The Look of Love," "Come Back to Me," "What's It Gonna Be," "Chained to a Memory." Some of her best chirping to date is on this package.

HAIR

ORIGINAL CAST—RCA Victor LOC/LSO 1143

Being hailed in various corners as a most meaningful description of hippie manners and mores, "Hair" has one undeniable stand-out feature—its music by Galt MacDermot. Best cuts are "Frank Mills," "Aquarius," "Good Morning Starshine."

WOULD YOU BELIEVE!

THE TEMPESTS—Smash MGS 27098; SRS 67098.

Here's one of the biggest rock groups going. There are 10 of them and they make good rock and roll music. All the ditties are new and likely to set the teens on fire. "Would You Believe," "Happiness," "Can't Get You Out of My Mind."

A FULL SPOON OF SEEDY BLUES

THE SKY SAXON BLUES BAND—Crescendo GNP 2040.

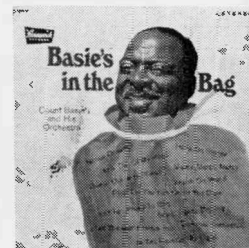

The Seeds seemed to have changed their name and their style—to a slight degree. Here they are shouting the blues and endorsed, on the liner notes, by Muddy Waters himself. Leader Sky Saxon has written most of the new blues himself.

BASIE'S IN THE BAG

COUNT BASIE—Brunswick BL (7)54127.

Lots of great musical bags peered into by the Count on this new package. Movies, the pop charts, the country charts are perused for electric playing. "Mercy, Mercy, Mercy," "In the Heat of the Night," "Green Onions."

LAPLAND

THE BALTIMORE & OHIO MARCHING BAND—Jubilee JGM; JGS 8008.

March after march and they're all the spirited infectious ditties that have caught public fancies over the years right up to the Marching Band's own "Lapland."

ALBUM REVIEWS

(Continued from page 10)

STAY IN SCHOOL

VARIOUS ARTISTS—Stax-Volt A-11.

The Stax-Volt artists get together for a group discussion of the woes of the drop-out and they all sing a song or two. Album, featuring Otis Redding, Carla Thomas, Eddie Floyd, William Bell, Sam and Dave, Booker T. and the Mar-keys, is part of the "Stay in School" campaign.

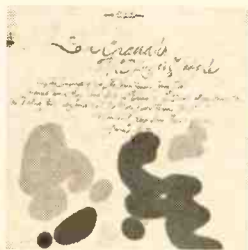

THE LOVIN' PEOPLE

LEN CHANDLER—

Columbia CL 2753; CS 9553.

This individualistic songwriter-performer has poured his soul and practical talents into this package. All the songs are Len's and the production is Elliot Mazur's. "Bound to Fly," "The Lovin's People," "The Warmth of You Beside Me."

TOUCH OF THE BLUES

BOBBY BLAND—Duke DLP 88.

Bobby has just a touch of the blues, but it lasts for 10 thrilling sides. The fans will go out of their minds with the tension of the package. "Set Me Free," "Sweet Loving," "One Horse Town."

CIRCUS MAXIMUS

Vanguard VRS 9260; VSD 79260.

New group travels the contemporary road with the songs and beats and they should gather a following pied-piper-like. Bob Bruno, who is lead singer, has written much of the material for the group. "Travelin' Around," "People's Games."

I CAN TELL

JOHN HAMMOND—

Atlantic 8152; SD 8152.

Singing the blues is something John Hammond has been doing expertly for more years than his young age might suggest. The city blues he sings here will satisfy the soul of many listeners. "I Wish You Would," "Coming Home," "You're So Fine."

FOLKLORE

THE CITY PREACHERS—London LL 3517; PS 517.

Blooming strong and sweet like a mountainflower pushing up through a city sidewalk, The City Preachers—guys and gals together—introduce themselves via a guitarful of familiar and unfamiliar folk songs. "Cottonfields," "I'm on My Way."

Rudolph, Friends on Way Again

NEW YORK—It's that time of the year again, and composer Johnny Marks via his St. Nicholas Music is again working on his Christmas standards "Rudolph, the Red-Nosed Reindeer," "I Heard the Bells on Christmas Day," "Rockin' Around the Christmas Tree" and "A Holly Jolly Christmas."

Marks' "Rudolph" color TV "special" starring Burl Ives will have its fourth annual airing on Friday evening, Dec. 8, from 7:30 to 8:30, on NBC, presented by General Electric. Decca Records also will be promoting the soundtrack LP of the show anew.

Johnny Marks

Since 1949, the song "Rudolph" has sold over 51 million records in America, 24 million abroad and over 3,900,000 copies of sheet music. It was first recorded in '49 by Gene Autry. His record sold over six million and is the all-time best seller on Columbia Records. There have been more than 350 disks of the song and it has been published in 115 different arrangements, which have sold over five million copies. There are 15 new recordings this year. It has been equally successful abroad, with the television spectacular running in various countries.

"I Heard the Bells on Christmas Day" was first recorded by Bing Crosby on Decca Records in 1956, followed by 30 other artists, including Harry Belafonte, Frank Sinatra and, this year, Ed Ames, on RCA. Over 4,000,000 records have been sold thus far.

"Rockin' Around the Christmas Tree" became a hit in 1960 as recorded by Brenda Lee for Decca and is a perennial international hit.

"A Holly Jolly Christmas" was a hit for Burl Ives on Decca in 1963 and has become another annual repeater. It's one of the songs in the score of the "Rudolph" spectacular.

Marks has written the music for the GE commercials for the past three years. One of his commercials won the Gold Medal Award of the 1967 International Film & TV Festival in New York.

The TV special "Ballad of Smokey the Bear," with score by Marks and which was in the Nielsen Top 10 last year, will run again in May of 1968.

'Rudolph' Omitted

Ramsey Lewis' single of "Rudolph, the Red-Nosed Reindeer" by Johnny Marks on Cadet was inadvertently omitted from last week's Jukebox Standard Christmas Discography.

Cowsills on Tape

The Cowsills have filmed a three minute tape for use on TV in England. The film was made to coincide with the promotion of their No. 1 single over there, "The Rain, the Park and Other Things."

Filmed at Griffith Park in Los Angeles, the Cowsills are shown on a miniature train, traveling through various phases of rain, sun and trees. MGM's original plans for the Cowsills to visit England the first week in December are still uncertain, due to a conflict in recording schedule. The visit may be put off until after January.

However, a European tour is set for late fall. It will take the group to Germany, Denmark, France, Sweden, Holland and many other countries for which definite plans have not yet been announced.

Donuts Action

Frankie Scinaro has taken on the management of a new group called the Donuts, group booked for month at the Action House on Long Island in December.

Tower's S. F. Distrib

Tower Records has appointed Eric-Mainland Distributing Co. its new distributor in San Francisco.

Guardsmen Tour

Leonard Stogel, personal manager of the Royal Guardsmen, announces that the group will embark on a major 10 city fund-raising tour for children on Dec. 11.

20,000 "Snoopy Dolls" have been ordered to give to children throughout the tour, along with photos and albums. On Dec. 10 in Louisville, the group will kick off the tour by giving a special benefit performance at the Toys for Tots Show with many other "names."

"Snoopy's Christmas," the Guardsmen's new single, has received advance release orders of over one-half million, reported group's producer, Phil Gernhard.

Autograph Session

Joel Grey, award-winning star of Broadway's "Cabaret," is shown autographing his new Columbia LP, "Only the Beginning," at the Singer Center in Rockefeller Plaza during a lunchtime personal appearance on Friday, Nov. 17.

MONEY MUSIC

by Kal Rudman

Among the hottest jumping smashes in the nation from the R&B Land of No Returns: Supremes; Miracles; Joe Tex; Gladys Knight; Martha Reeves & Vandellas; Robert Knight; Sam & Dave; Temptations; Jackie Wilson; Wilson Pickett. The new Aretha Franklin is "Chain of Fools" and it will go ALL the way. The new Marvin & Tammi and Jr. Walker are great, so don't mess with the messer!

Sureshot Being Lost: "Break My Mind," Bobby Wood, MGM—It's #1 at WMPs & WHBQ, Memphis. Doesn't anybody wanna play a SMASH? On WKLD, Louisville.

Kal Rudman

Denver Giant: #2 and almost #1 at KIMN: "Bottle of Wine," Fireballs. Atco. Smash in Canada. One rack location in Monroe, Louisiana ordered 50 copies. Was Top 10 with Perky Murphy, KOMA, Oklahoma City #2 on the Elementary School Hit Parade: "Snoopy's Christmas," Royal Guardsmen. Giant in Denver, Pittsburgh, Seattle.

#1—On the Elementary School Hit Parade: Sally ("Flying Nun") Field. The first record broken in a trade mag column.

Are You Losing a Hit: Small Faces is a smash in Milwaukee, Seattle, Buffalo. Giant from England.

SMASH: "Mass.," Bee Gees.

"Letter to Dad," Detroit, now WCFL, Chicago, for Buddah.

A Hit Record Has a Thousand Fathers But a Bomb is an Orphan: Al Herskovitz, WPRO, Providence, was first to start the Rose Garden.

We Predicted "Back Up Train," Al Greene: Now a smash in Detroit, WSAI, Cincinnati. Pick, New Orleans. Over 18,000 in Detroit, WIBG and WFIL.

LP Pick: "Live for Life" film soundtrack ("Vivre Pour Vivre"), UA.

Left-Field Picks: (1) "South End Incident," Beacon Street Union. This #1 underground group from Boston may have another "House of the Rising Sun." Their LP may sell like that of the Vanilla Fudge.

(2) "Too Old To Go 'Way Little Girl," the Shame, Poppy—This Janis Ian lyric makes it. There is a strong message for your audience.

Top Record in New Orleans: "Judy In Disguise," John Fred. Big spread in play and sales. It's a HIT.

Explosive LP Sales

It was just last week that we analyzed the group known as the Cream. Their new Atco LP was just released and sales the first week were an astounding 115,000. L.A. ordered 40,000 the first week, and Bill Drake tells me that KHJ has never played the Cream. They may have to now.

Analysis of the New Aretha Franklin: "Chain of Fools" is the first single since her initial smash to take her into the Deep Soul bag of "Never Loved A Man."

Wilson Pickett: The "I'm in Love" side is now so large R&B, especially in Chicago, that it will have to become a big factor pop.

KQV, Pittsburgh, Report Inaccurate: They report that Bobby Vee is ahead of Kenny Dell. This is not true. They are even in sales there! KDKA, Pittsburgh, broke the Chuck Jackson and KQV is not on it. Oh yes, KQV dropped to #3 in the ratings.

Lemon Pipers: This is moving out as a solid hit.

Chuck Jackson has a Hit: KDKA, Pittsburgh, confirms Detroit. Bill Drake moved with it.

Flash Smash O'Jays in Columbus, WCOL—"I'll Be Sweeter Tomorrow"; Giant in Columbus is Lemon Pipers; Giant: Human Beinz. Strong: Chyldes. Hits: James Brown; Box Tops; Joe Tex is a smash; Gladys Knight; Miriam Makeba, Royal Guardsmen. (Bob Harrington will get the gold record from Laurie. He found and broke it (First in the Nation). WCOL played the new Gary Lewis first in the nation. Hit: Epic Splendor.

Choice Pick: "You Haven't Seen My Love," the Ones, Motown—First master they ever bought. And it is GREAT. Breaking fast in Detroit, WKYC, Cleveland.

Kapp Meet Successful

The two-day Kapp Records sales meeting last week (20, 21) in New York accomplished its purpose of exchanging views and pertinent information between field and home people, and also served to preview upcoming singles and LP Kapp product, according to Sales VP Sid Schaffer.

Problems of the industry were discussed in detail with specific emphasis on product, promotion and merchandising. Schaffer reported action on several new Kapp artists in the singles market attesting to the label's well-placed efforts in the youth departments, namely, the Eighth Day, the Gentle Touch, Stephen Monahan and Rubin. The field promo men reported extensive activity on Roger Williams "More Than a Miracle."

President David Kapp assured the staff that the company is dedicated to the continued production of "good records."

Epic Signs October Country

Epic Records has signed a new West Coast group, the October Country, to an exclusive recording contract. Their debut single, also titled "October Country," reportedly is a distinct departure from the hard-rock sounds that are produced by the majority of West Coast groups and are so prevalent in today's pop music.

October Country

The October Country consists of six young performers: Joe De Fransa (vocals, guitar); his sister, Carol De Fransa (vocals, guitar); Bruce Wayne (bass); Bob Wian (piano, organ, guitar); Marty Earle (guitar, clarinet), and Gerry Pasternack (drums, piano). They have been playing club dates up and down Hollywood's Sunset Strip with great success for the past six months. They were also the subject of a short television film depicting the struggles of a young singing group.

Their recording of "October Country" is receiving heavy airplay in the Seattle area.

SMASH: Harper's Bizarre. Big in Denver, Pittsburgh, etc.
SALES ARE LARGE: Turtles.

Perky Murphy, KOMA, Oklahoma City, Smash: "The Trip Down," First National Band, Monument. Pick: "Skip a Rope," Henson Cargill. Big: Royal Guardsmen; Lemon Pipers; Bruce Channel—GIANT: Stone Poneys; Jerry Lee Lewis; American Breed; John Fred.

WPOP, Hartford, New: Marvin & Tammi; Buckingham; Aretha Franklin; Peaches & Herb ("great"); "Dancing Bear," Mamas & Papas; "It's Wonderful," Young Rascals; "Watch Her Ride," Jefferson Airplane; Gary Lewis; Doors—"You've Been Away," Ruben, Kapp; Helena Ferguson; Foundations; Good & Plenty; Wildweeds.

"Open Letter," Chris Howard, Crescendo, on KRLA, L.A.

"Ordinary Boy," Darling Sisters, MGM, is a Bo Gentry-Richie Cordell production and is getting a nice reception.

Roulette Records has taken our advice and is trying to turn over the Tommy James & Shondells.

"Camelot," Fluegel Knights, MTA, great for Christmas.

Congratulations: Hal Moore is the new PD at WKYC, Cleveland, the 50,000 watt NBC station. Hal is only 27 and he will be making a lot of big noise.

R&B Going Pop: "Lovepower," Sandpebbles, Calla—Top 25 at WMCA, NYC; WQXI, Atlanta, WCAO, WKIX, the South.

WUBE, Cincinnati: Action—"Flowers In the Rain," Move, A&M . . . The new Hombres is from the LP: "It's a Gas."

Solomon Burke: "Detroit City"—Big start at WQXI, Atlanta: WAYS, Charlotte.

The side on Paul Revere in Pittsburgh is "Peace of Mind."

Gary Marshall, KFXM, San Bernardino, reports that "Skip a Rope," Henson Cargill, Monument, is a monster. "It became our most requested record in less than 30 hours of play, and the stores are being swamped with calls."

In order to properly interpret the lyric of this Henson Cargill record, you have to be aware that the man in the song killed his wife and is in a hospital for the criminally insane. In this context, the lyrics take on a great poignancy and sensitivity. There is little in the lyrics to indicate that this is the situation. You must admit that it's a very pretty record.

WAYS, Charlotte, went on Bobby Womack for Minit.

Add Stations to Foundations: Pick KJR, Seattle; KLIF, Dallas . . . Airplay in the South on "There's a Reason Why," Scandals, Pepper.

Grand Rapids is Becoming a Hit Production Center

Motown bought their first master in the city of Grand Rapids—"You Haven't Seen My Love," the Ones. It broke in Detroit, on WKYC, Cleveland. You may recall that Bell got "Back Up Train," Al Greene, in Grand Rapids (and that one is close to 20,000 in Detroit and spreading fast).

Good play continues on "Face It, Boy, It's Over," Freddie Paris, RCA.

Local Promo Man of the Week: Carl Meduri, Cleveland.

WCAO, Baltimore, informs us, "We are pioneers in being a Top 40 station combatting a smooth music giant in a major market. We program on the basis of audience composition for any given time of day. The balance on most smooth music stations is poor. We expose 115 different records a week—this is more than any station on the East Coast.

Bill Tanner, PD of KACY, Oxnard, Calif., tells us the next **Strawberry Alarm Clock** is "Tomorrow." He says **Johnny Fairchild** of KIST—Santa Barbara was first to play "Incense and Peppermint.

"Mr. Bus Driver," **Bruce Channel**, broke big in Dallas, Memphis, Oklahoma City, the Carolinas.

"A Little Rain Must Fall," **Epic Splendor**, looks like an immediate hit in Columbus, Ohio and Memphis.

Bell Records is coming with "Come See About Me," **Mitch Ryder** . . . Action in Charlotte and the Carolinas on "Double Shot," **Clifford Curry**.

Jack Edwards, who rocks all night long on WCAO, Baltimore, married **Joyce Lynn Reiblich**. Jack and **Johnny Dark** in the evening are the only guys on WCAO who rock all the way. They are more smooth music during the daytime. Thus, **Paul (Fat Daddy) Johnson**, the R&B Giant deejay on AM drive on WWIN plays a lot of white rock and has a big pop audience. **Fat Daddy** is considered to be one of the greatest deejays in the history of radio.

Mercury Rushes Christmas Magoos

Mercury Records is rushing out a Christmas single by the **Blues Magoos**, once again going against their usual policy of "no Christmas singles." The record is a raunchy version of "Jingle Bells."

Longhair Production

Bob Wyld and **Art Polhemus** of **Longhair Productions**, who produce the **Magoos** for the label, explain the enthusiasm of the **Mercury** people this way: "The lyric is seasonal, but it's the kind of record that can stay around long after the holiday season is past."

'Razz-Ma-Tazz' Something Different

NEW YORK—A new album, "Razz-Ma-Tazz," produced on the **Endura** label and distributed by **Jay-Gee Records**, has produced a sound that combines both something old and something new for something different.

Utilizing song standards of the '20s such as "Everybody Step," "All Alone," "Singing in the Rain" and several new compositions, the album has been described by one **Endura** spokesman as "not really jazz. It's not rock, either. Actually, it's not like anything that already has a classification. We call it 'Razz-Ma-Tazz' simply because that's the image it evokes to us."

Although the sound might defy classification, the album has a wealth of talent to commend it. The arrangements are by **George Williams**, and the list of musicians and vocalists reads like a hall of fame: **Pee-wee Irwin** and **Carl Poole** on trumpet; clarinetists **Bob Wilbur**, **Ray Eckstrand**, **Lenny Hambro** and **Romeo Pengue**; **Buddy Morrow** on trombone; **Buddy Christian** on drums, **Joe Tardo**, tuba; pianists **Bernie Leighton** and **Joe Cribberri**; **Al Caiola** and **Art Ryerson** on banjo; and vocalists **Molly Lyons** and **Bernie Knee**.

As for conductor **Charlie Waldo**, whose cover billing states "pseudonym," nobody seems to be able to classify him, either.

Burns Trousdale Gen. Prof. Mgr.

HOLLYWOOD—**Jay Lasker** of **Trousdale-Wingate** has announced the appointment of **Dick Burns** as the General Professional Manager of the publishing companies.

Although young in years, **Burns** has had considerable experience in the music business, having studied music at the **University of Maryland**, and he recently has been engaged in promotional activities for **Dunhill** and other **ABC** labels.

Mercury Signs Welch

NEW YORK—A continuation of its policy to seek out the most promising new talent and acquire the services of consistently creative and salable performers has resulted in the signing of an exclusive long-term recording pact between Mercury Records and Lenny Welch.

Mercury Director of Recorded Product Charles Fach coupled announcement of the signing with the designation of veteran producer Carl Davis to handle A&R activity for Welch. Davis is hopeful of having a single release ready prior to the end of the year.

During prior label associations Welch has been responsible for a number of hits, among them: "You Don't Know Me," "Since I Fell For You," "Two Different Worlds" and "Darling, Take Me Back."

Marc New Manager

Welch was brought to Mercury by his new personal manager, Vince Marc, who is currently shaping a new act for

Charles Fach, Lenny Welch, Vince Marc

him with arrangements by Bernie Hoffer and overall direction by veteran choreographer Lou Spencer, who has staged acts for Jackie Wilson, Tony Bennett, Sam Cooke, Bobby Rydell and numerous other pop artists.

Marc stated that with clubs such as the Caribe Hilton, Forty Thieves and others to his credit, Lenny will be aiming for engagements at clubs and hotels of top calibre. Negotiations are near completion for bookings at the Shoreham in Washington, D.C. and Buffalo's Royal Arms.

1st Project 3 Critters Single

NEW YORK — Project 3 announces that the Critters' first record for the label will be released this week: "A Moment of Being With You" b/w "Good Morning Sunshine."

The tunes were composed by Jimmy Ryan of the group. Their performances of their own original material has been the keynote of previous record smashes, i.e., "Don't Let the Rain Fall Down on Me," "Mr. Dieingly Sad," "Marryin' Kind of Love," "Bad Misunderstanding," "Younger Girl," etc.

Increases Sales, Promo Staff
With Projects 3's stepped-up

activity in the singles market, the company has increased its sales and promotion staff. To assist Andrew R. Miele, Jr., Sales Manager, and Thomas Virzi, National Promo Manager, label has added Bob Briody as Special Projects Director and will add a man in Chicago and another on the Coast.

Further plans by Project 3 call for an album by the Critters for release in December. In addition, the group will be recorded on reel-to-reel tape, cartridges and cassettes, and will have the advantage of Project 3 national and international distribution and promotion, announces Enoch Light, Creative Director and Head of Project 3.

Monmouth-Evergreen Broadway, Band LPs

NEW YORK — Monmouth-Evergreen is offering its popular LP line of Broadway and big band musical nostalgia in two three-album "Christmas Special" packages at discounts.

The multiple-album offer, available in both mono and stereo, is being made by the label through Jan. 6.

All the albums involved are also available individually.

The "Broadway Musical" package retailing at \$16 comprises a total of five records, since two of the three albums offered contain two LPs each. These are the jewels in Monmouth-Evergreen's Broadway Composer series, "Through The Years With Vincent Youmans" and "Alone Together," starring the music of Arthur Schwartz and Howard Dietz. Each deluxe album contains three dozen songs sung by four singers in unique arrangements. Brochures detail the history of the shows and songs, illustrated with the original sheet music covers.

Completing the "Broadway Musical" package is Monmouth-Evergreen's "The Legendary Libby Holman," starring Broadway's great lady of the Dietz-Schwartz-Youmans heyday, newly recorded in her torch songs, blues and ballads.

The three albums comprising the label's "Big Band" holiday package retail at \$10. These are "Twelve Isham Jones Evergreens," with the Rusty Dedrick orchestra offering a dozen standards by composer-bandleader Jones; "Snowfall—A memory of Claude," treasurers by the Claude Thornhill band, many previously unissued; and "Jazz Journey," a musical romp with trumpeter Dedrick and a 10 man band including Urbie Green, Don Lamond and Teddy Charles.

New Label Formed Down East

EAST VILLAGE, N.Y. — A new label has been formed here, appropriately called Down East Records.

Principals are Lamont Johnson, President; Ben Boyce, head of A&R; sales and distribution chief, Bruce Clark; and production staff, Keith Johnson, Edward Visitation and Ronald Martin. Artists include Justin, Sonny Smith, the Changing Scene, the Oz Band and Jerome McMurray.

Label will specialize in all kinds of pop music.

London 'Ring' Cycle Rousing Success

London Records' 19-record, complete Wagner "Ring" Cycle opera package has generated a consumer response far beyond even the most optimistic earlier estimates, according to Herb Goldfarb, National Sales and Distribution Manager for the company.

Initial dealer reaction to the ambitious packaging, featuring the inimitable Georges Solti on the podium, has been such that earlier pressing orders have been doubled. Also being rushed are large extra quantities of the 30 by 24 inch placards for in-store and window merchandising. The company has also put into the works a heavy new supply of local newspaper advertising mats as well as empty display boxes for store promotions.

The 19-LP, carrying a manufacturer's suggested list price of \$100, ranks as one of the biggest and highest-priced album units ever marketed. The package carries complete performances of Wagner's "Das Rheingold," "Die Walkure," "Siegfried" and "Gotterdammerung," all separately packaged and packed in a master box container incorporating colorful artwork. The unit also contains complete libretti and a book titled, "Ring Resounding" and authored by John Culshaw, producer of the recordings.

The unusually favorable initial response to the "Ring" set, has also generated across-board interest in a number of other colorful London high-ticket units.

Al's Intro

At a recent cocktail party in Detroit, Bell Records introduced Al Greene (left) to radio, press and dealers. Greene's "Back Up Train" on the Hot Line Music Journal was purchased by Bell from Grand Rapids, Mich., where it was first exposed by Michael Jay at WLAV Radio. The record is now mushrooming from R&B to pop play. Also shown: Wash Allen, WJLB, and Palmer James, producer

Kimberley Leads Booming Australian Music Scene

For the first time in the history of the Australian music industry, a single publisher has simultaneously won chart laurels with eight internationally-originated records and added 10 Australian-written songs on current release by Australian artists.

The milestone was achieved by Barry Kimberley, Managing Director of Essex Music of Australia, Pty., Ltd., the down-under operation of the Richmond Organization.

With the Australian music industry coming into its own in recent years, Kimberley and TRO have established the Essex Australian operation among the leading publishers of material from other countries.

They are currently riding high on the charts with "Homburg," by Procol Harum; "I Can See For Miles," by the Who; "Flowers in the Rain," by the Move; "Hole In My Shoe," by Traffic; "Pentecost Hotel," by the British group Nirvana; "Love of the Common People," by the Everly Brothers and Wayne Newton; "Back on the Street Again," by the Sunshine Company, and "Prologue to a Magic World," by Rupert's People.

Simultaneously with this burgeoning activity, Kimberley has been finding and developing local Australian writing talents and helping to stimu-

late the country's music boom.

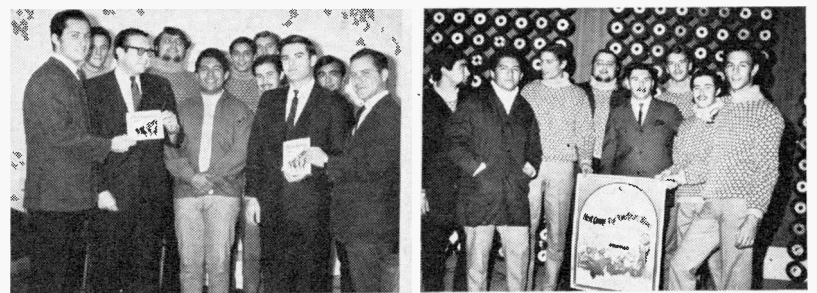

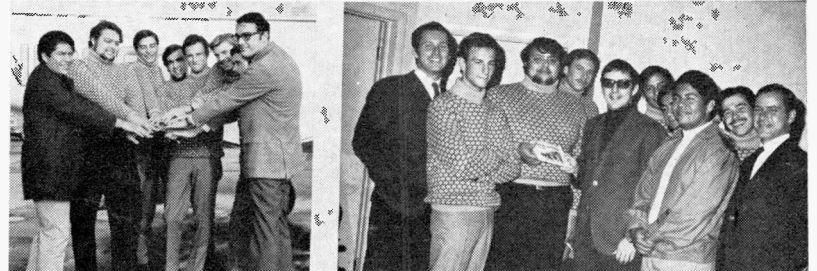

Kimberley's current territory-originated recordings by Australian artists include "And Things Unsaid," by the Questions; "Baby Jane," by the James Taylor Move; "Try Me," by the Wild Cherries; "Want You" by Peter Best; Theme from "This Day Tonight," by the Laurie Lewis Sextet; "You Don't Know Where Your Interest Lies," by Fia Karin; "I'll Remember You My Friend," by Jimmy Little; "Let Me Down Lightly," by Little Pattie; and "He's Not There," by the Cliffmores.

Among Successful Writers

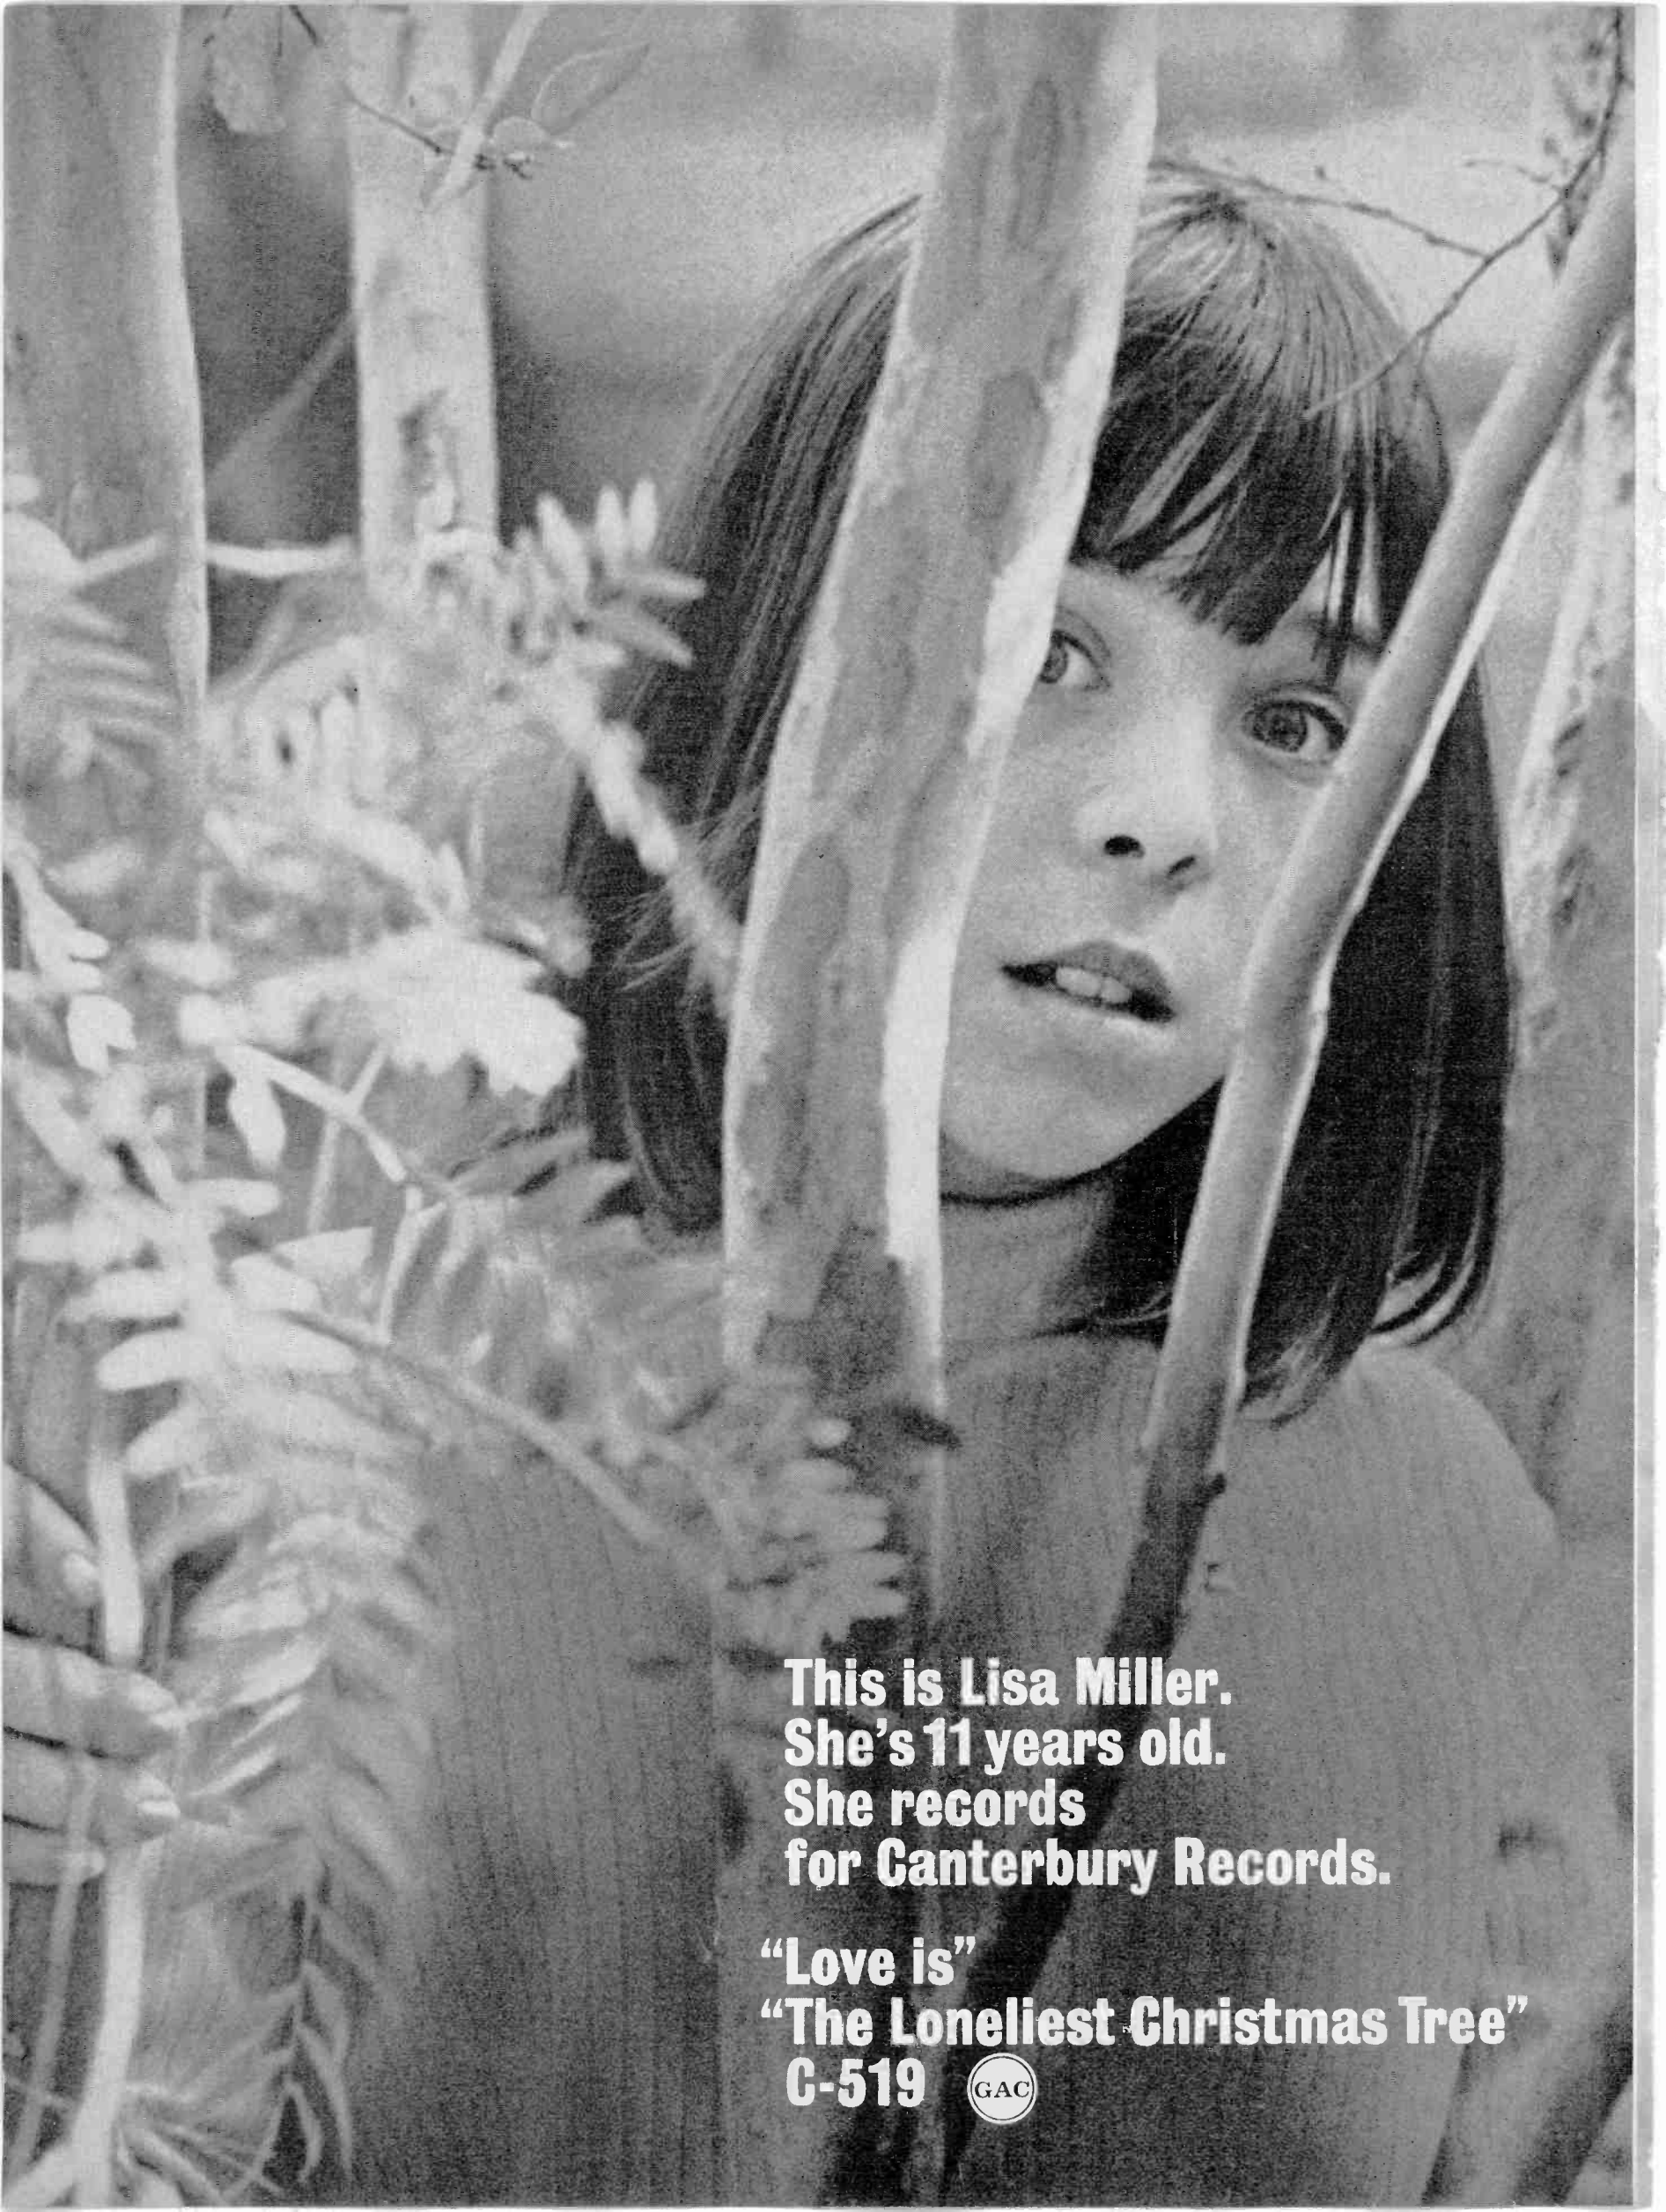

Among the most successful of the songwriters under his wing is Gary Shearston whose songs have been recorded not only by Australian artists, but by such international stars as Peter, Paul and Mary and Judy Collins. Shearston himself has recorded an LP of his own songs and is presently in London promoting his compositions.

Another of Kimberley's new Australian writers is Peter Best, composer and lyricist of "Want You" and "Let Me Down Lightly." His first single, "Colonel Burke Has Pink Suspenders On," aroused excitement in Australia and has interested record companies elsewhere.

Claire Hogan:

Her 'Losers' A Winner

NEW YORK—Claire Hogan, whose new "Boozers and Losers" package is on MGM, has been around, as she'll be the first to tell you.

From left: Record World's Dave Finkle, Claire Hogan, Record World's Mort Hillman and Cy Coleman.

The singer, whose voice is scotch-stained and rich and who has given a meaning to "The Whiffenpoof Song" that Yalies know little of, started playing the clubs and hotels, the cocktail lounges and the one-night stands as one of a dwindling breed—the singer who pays her club dues. For instance, she was Jimmy Dorsey's last band singer.

Crossed Paths with Cy

In Florida a decade or so ago, Claire and Cy Coleman crossed keyboards in Miami and it's been love and devotion ever since, resulting in Cy's producing and writing a couple of 90 proof songs for Claire's new disk.

So drink up all you people, and order every Claire in sound.

Marini Visits

Shown at Peer-Southern's New York office during Argentine recording star Leo Marini's recent visit to the United States, left to right: Roberto Ferrer, Cuban-born recording artist; Provi Garcia, Peer-Southern International Manager, Latin-American Division; Alberto Salinas, Assistant Manager, Latin-American Division; and Marini. Marini will be gong on a European tour in December. Both he and Ferrer are free-lance recording artists.

Morty Wax IN-FORMer

"The IN-FORMer," a copyrighted idea from Morty Wax Promotions which will aid in effectively giving pertinent information to radio people in a more efficient manner than is presently in practice, was just introduced to the trade by Wax.

"One of the biggest problems in record promotion," said Wax, "is that by the time a music director or dj has seen five or six promotion men, each with five or six records, it becomes humanly impossible for him to remember which record is doing what."

"The IN-FORMer," a 1½" x 7" strip with an adhesive back designed to fit a standard 45rpm jacket, gives trade paper chart action, tip sheet action and radio play in a standard format.

Tannen Grants License For 'Mountain Dew'

Paul Tannen has just signed an agreement with the Pepsi Cola Bottling Company whereby the soft drink outfit has been granted, for a five-figure amount, a two-year license for the "Mountain Dew" soft drink commercials.

The song was written by Scott Wiseman and Bascomb Lunsford is one of the oldest copyrights in Tannen's publishing house, Tannen Music.

Ames Single

(Continued from page 4)

shipped (24), Victor began utilizing every medium of exposure and promotion to insure the success of the single.

The song was written by Spanish composer L. E. Aute, with new English lyrics by Sheila Davis. The original version, "Allelujah #1, was the No. 1 song in Spain during the spring of this year and was enthusiastically received in other Spanish-speaking countries.

Eddie Deane of Sunbury Music Inc., the publisher, originally brought the song to Jim Foglesong, Ames' A&R man, at the close of a recording session. Dean played the Spanish instrumental version and recited Miss Davis' lyrics. When Ed heard it, he told Foglesong he wanted to record it. Which he did, in Hollywood recently.

Perry Bodkin Jr. deserves credit, too, for his arrangement of "Who Will Answer?", which in style cuts across many centuries of music.

Tex on TVer

Joe Tex (left) recently appeared on the Dick Binnick TVer on WGHP in High Point, No. Carolina, singing his Dial hit, "Skinny Legs and All." Show features teen dancers from local schools, cheerleaders, lip-sync contests, LP drawings, live combos and guest record artists.

Sure Li'l LPs

PHILADELPHIA — Little LPs will be produced by Sure Music and Record Co., announces Leonard Rosen, President of the record manufacturing firm specializing in string band music. The Sure label's "Let's Have a Party" album is the first to be produced on Little LP.

Garwin Sales Co. of Chicago will handle national distribution of Sure's Little LPs. It was at the suggestion of Ray Petola of Eastern Music Systems Corp., local distributors of Seeburg machines, that "Let's Have a Party with the Best of the Mummies" was selected for a Little LP. It is being released nationally for the music machine market with the help of Stanley Jarocki of Chicago, National Promotion Manager for Seeburg Corp.

and the Raiders ("Louie, Louie"), Peaches and Herb ("Everybody Loves a Lover"), Simon and Garfunkel ("The 59th Street Bridge Song"), the Tremeloes ("Good Day Sunshine") and the Yardbirds ("For Your Love").

Volume 2 contains performances of "The Shadow of Your Smile" by Tony Bennett, "Cabaret" by Ray Conniff, "Mame" by John Davidson, "Somethin' Stupid" by Percy Faith, "Sunrise, Sunset" by Robert Goulet, "A Man and a Woman" by Andre Kostelanetz, "My Cup Runneth Over" by Jim Nabors, "I Wish You Love" by Barbra Streisand, "This Is My Song" by Jerry Vale and "You Are Where Everything Is" by Andy Williams.

Sweepstakes Highlight

Another highlight of "A Holiday Happening" on Columbia is the Priceless Prizes Sweepstakes, offering eight one-of-a-kind prizes plus 1,000 additional prizes of Columbia albums. The eight sweepstakes prizes are exhibited in a photograph which appears on the back page of the supplement.

The grand prize in the sweepstakes is a limited-production model of the Mercedes-Benz S.S. Roadster of 1927-30, the Excalibur. Additional prizes are: second prize, stuffed African lion; third prize, eight-foot-long polar-bear rug; fourth prize, telephone booth, complete with

phone, seat and fan; fifth prize, genuine pinball machine; sixth prize, 1958-model Wurlitzer jukebox; seventh prize, cigar-store indian; and eighth prize, Columbia tandem bicycle.

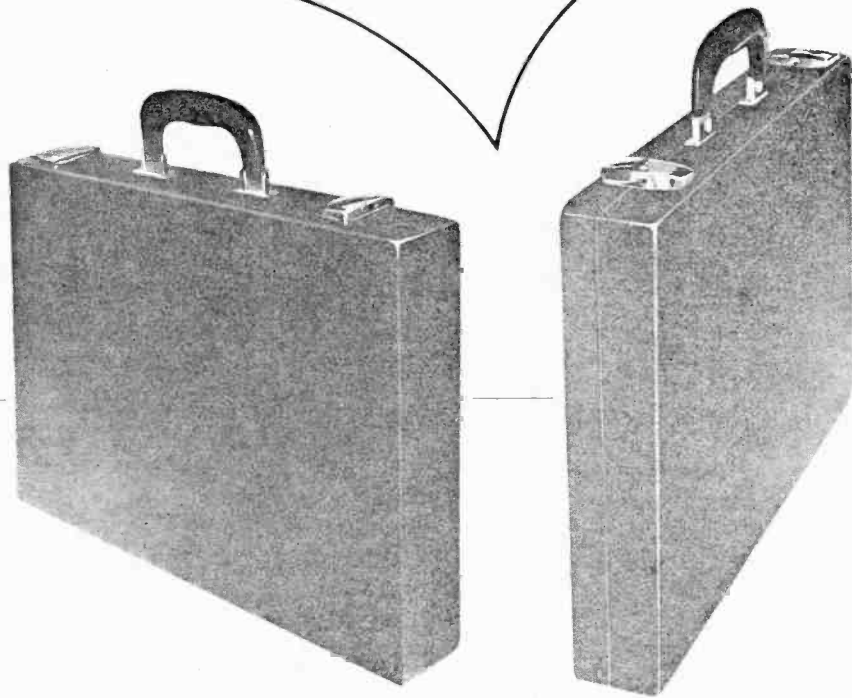

No purchase is required in order to enter the sweepstakes, and all participating record dealers have been supplied with free customer entry blanks. To promote the sweepstakes, Col has prepared a special display featuring the photograph of the eight prizes and customer entry blanks. A convenient-to-use entry-blank holder is designed to be attached to walls or cash registers.

Merchandising Kit

To augment the massive supplement advertising campaign, Columbia has developed a supplement merchandising kit containing numerous attention-getting devices for in-store use. Special wall/window streamers announce "A Holiday Happening on Columbia Records" and the availability of the supplement. In addition, dealer ad mats have been prepared to support the "Holiday Happening" in local markets across the country.

To assist dealers and rack jobbers in merchandising the two "Our Best to You" albums, Columbia has created tent-card displays and header cards, as well as a streamer/poster heralding the "Our Best to You" albums and the priceless prizes sweepstakes.

Cosby Radio Program For Top 40 Stations

A boost to the comedy-record field is signalled by a new million-dollar contract between Warner Brothers Records' Bill Cosby and the Coca-Cola Company to sponsor a daily radio series of five-minute comedy programs, created by Cosby expressly for the series.

"The Bill Cosby Radio Program" will be aired on the leading teen-oriented Top 40 station in 500 major markets

Bill Cosby

across the venture was announced recently by Ira C. Herbert, VP of The Coca-Cola Company. There will be 250 individual shows, to be broadcast five nights a week for one year.

The series could spark a trend toward increased diversity within the Top 40 formula.

Each five-minute program consists of one major comedy feature in which Cosby is occasionally assisted by Frank Buxton, producer of the radio series. Among the regular features will be: "Animal Interviews," in which Cosby is interviewed as though he were anything from an insect to an elephant; "Oh Wow," in which he answers imaginary letters;

"Spooky Stories," a spoof on terror tales.

Will Be New Material

This will all be new material, not previously used on records or in night clubs.

The program will be carried at different times on different stations, but will always be scheduled between 7 and 9 p.m. local time, in the same Monday-through-Friday slot.

"We are backing our belief in teenage radio with \$1-million, the cost of time and production over one year. For the mid-'60s, for radio, \$1-million is a very large sum. We believe this is the largest investment in the history of radio," said Herbert.

The premiere broadcast in each market will take place Monday, Jan. 15, 1968. Production has started. The series will be taped in Hollywood, or wherever Cosby happens to be on location abroad for his "I Spy" television series or touring the U.S. for concert or night club appearances.

The radio series is produced by Cosby's own company—Campbell, Silver, Cosby Corporation. The radio program has no connection with the producers, network or characterizations involved in "I Spy." The program is being produced under the supervision of McCann-Erikson, Inc., agency for Coca-Cola.

Busy Flatt, Scruggs

The Flatt and Scruggs Show has been set for the Avalon Ballroom in San Francisco on Nov. 30, Dec. 1 and 2. Two evening performances are set for those dates.

Columbia Records is releasing this week the Scruggs-written (1949) instrumental featured throughout the film "Bonnie and Clyde," titled "Foggy Mountain Breakdown." An LP is also coming from the pair to tie in with their San Francisco appearances. Bob Johnston produced both LP and single.

Greek Score to P/S

Peer-Southern Music is publishing the soundtrack from the Greek film written by Michael Papas, "The Private Right." Film is part of the San Francisco Film Festival which opened Nov. 22.

Bee Gee In Train Wreck

LONDON—Bee Gee Robin Gibb narrowly escaped with his life on a recent Sunday when he was involved in one of the worst train crashes reported in England.

Robin was returning to London from the seaside resort of Hastings when the train jumped the rails and 10 of its 12 coaches smashed over onto their sides. Fifty-four people were killed; well over a hundred were seriously injured. The damage to Robin consisted mainly of severe bruising and glass cuts—and, of course, shock.

U.S. Tour Starts Jan. 27

On a brighter note, the Bee Gee's American tour opens on Jan. 27 at a new stadium. It is the 20,000 seater Forum Stadium in Los Angeles.

Dallas Promotes Tower Albums

HOLLYWOOD—Hugh Dallas, National Sales and Promotion Manager for Tower Records, is on a two-week swing of Midwestern and Eastern cities.

Purpose of the trip is to promote the sale and exposure of Tower products including albums by the Standells, Pink Floyd and the label's current comedy entry, "Have a Jewish Christmas."

On his return from the East, Dallas will be joined in Las Vegas by George Sherlock, labels Regional Sales and Promotion Manager. Both will attend the Bill Gavin conclave in that city.

Manor Label Bows Religious Albums

NEW YORK—The debut of Manor Records, Ltd., with the release of "The Life of Christ" featuring Toni Arden marks the entry into the record market of a new label specializing in religious albums with a contemporary approach.

Tony Smart, President of Manor Records, has just returned to New York from a nationwide tour of the major cities with the new album and has established essential distribution outlets.

The Edward B. Marks Music Corporation has acquired exclusive worldwide printing rights to the English version of the album and are immediately releasing two complete folio versions that include both the full narration as well as the songs. All of the special material in the album was written by Buddy Dufault, Earl Sheldon and Stan Davis.

World rights outside of the U.S.A. are already being placed through the offices of Joe Zerga with an immediate request from various countries for approval to prepare different language versions.

Horizons Sign

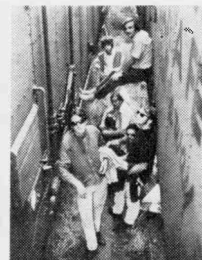

NEW YORK—Mounted Records has signed a vocal group called the New Horizons.

New Blues Labels

J. W. J. Records, a blues label, has opened its doors at 217 Lincoln, Allegan, Mich., with Dick Johnson as manager. Dick is manager of the Lyrics who will be released by J. W. J. records. The Lyrics' first release: "They Call That Love" b/w "There Must Be a Place."

Big Drive For Dirty Blues Band

The Dirty Blues Band, set for a big drive from the Bluesway label and Lee Magid management firm, will have its first album out in January, backed by streamers, posters, full page ads and dj tours.

Dirty Blues Band

The big push is also being stimulated by General Artists Corp. Activities are being guided by Bert Zell of G. A. C. on the West Coast and Irwin Arthur along with Buddy Howe and Norman Weiss on the East Coast. Producer and manager of the group is Lee Magid who has been responsible for many artists' careers in the blues field, such as Della Reese, Earl Grant, Lou Rawls, Al Hibbler and O. C. Smith.

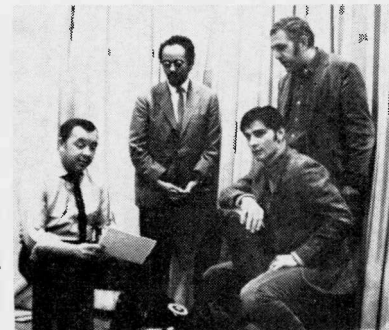

Television guest spots are being lined up by both Magid and G. A. C., and offers to tour the Continent with such artists as Memphis Slim, John Lee Hooker and Jimmy Reed are already being thrown at them. G. A. C. also foresees a big college market and concert field for both young and adult markets.

The Dirty Blues Band—discovered in a Los Angeles coffee house by Magid—are comprised by six young men with, reportedly, a very seasoned sound. They hail from Riverside, Calif.

WB's Co-op LP Plan

BURBANK, Calif.—In a special year-end promotional campaign, Warner Bros.-7 Arts Records, Inc., has entered into a co-op advertising program with its distributors to accelerate the sales of 20 of its top chart albums.

Program is one of the most extensive dealer co-op campaigns in the company's history and provides for a special advertising fund for albums purchased under it from now through the end of the year. All of the money allocated to dealers under the program, however, must be spent for in-store and local advertising of the approved list of albums.

J. K. (Mike) Maitland, President, believes the special advertising allowance will spur the company to reach the highest sales mark in its history and reports that "we are currently 30% ahead of our sales figures of last year at this time."

Additionally, this special fund will also facilitate local dealers entering into co-op deals of their own with various large outlets such as major department stores. It is assumed that most of the advertising allowance will be spent in print media, especially newspapers during the Christmas shopping season.

Albums comprising the special promotional campaign include: "And Pata Pata," Miriam Makeba; "Are You Experienced," Jimi Hendrix; "In-sight Out," the Association; "Album 1700," Peter, Paul & Mary; "Silver Throat," Bill Cosby; "Welcome to My World," Dean Martin; "Sinatra," Frank Sinatra; "These Are My Songs," Petula Clark; "Revenge," Bill Cosby; "Coun-

try My Way," Nancy Sinatra; "Wonderfulness," Bill Cosby; "Is a Very Funny Fellow," Bill Cosby; "The Sea," Kerr & McKuen; "I Started Out As a Child," Bill Cosby; "That's Life," Frank Sinatra; "The Earth," Kerr & McKuen; "The Grateful Dead," The Grateful Dead; "Alice's Restaurant," Arlo Guthrie; "Camelot" Sound-track; and "Movin' with Nancy," Nancy Sinatra.

3's A Crowd

Canadian 'Super Group' Signed by Dunhill

HOLLYWOOD—It was confirmed this week by Jay Lasker of Dunhill Records that the Canadian group 3's A Crowd has been signed to the Dunhill label (distributed by ABC).

"This is without question the first group I've heard since the Mamas & Papas that I believe has the potential of becoming a 'Super Group,'" said Lasker.

Lasker continued, "The group was called to my attention by Mama Cass who discovered them while browsing at Expo '67 where the look and sound of the group captured her imagination 3's A Crowd's sound is a very versatile, fat and happy one, with a musical togetherness and sound diversification that breathes fresh in the business today."

3's A Crowd is made up of six people: feminine lead Donna Warner, male leads David Wiffen and Brent Titcomb, the drums of Richie Patterson, the rhythm guitar of Trevor Veitch and the bass of Ken Koblin.

Spigner Label Set

BRONX — Sixteen-year-old Randy Spigner (aided by his father) has formed Spigner Record Co. and released its first record, "It's Soul Bebe," recorded by himself. Lad, who hopes to be a lawyer, said he is putting out the disk "to show people that all Negro teenage boys are not thinking about rioting, fighting and dropping out of school."

Lasker further stated that the group's first single will be out within the next week, and an album already recorded will be released in January.

These girls do the back-up singing on most Atlantic records cut in NYC.

Kent-Modern Hot Spell

HOLLYWOOD — Since re-activating six months ago, the Kent and Modern labels are enjoying one of the hottest periods in their history.

The recent activity was sparked by a strong release of five LPs. "The Wild and Frantic Little Richard," "A Whole Lot of Soul," Z. Z. Hill; "Lowell Fulson Now"; "Boss of the Blues," B. B. King; and "20 Super Rhythm and Blues Hits Vol. 2."

Already two singles have been forced from the new packages due to deejay requests coming into distributors around the country. The Little Richard single of "Baby, What You Want Me To Do" looks like the vet blues shouter's biggest single in some time with sales well over 50,000 the first week of release. The other single which the jockeys requested was "Push Me," taken from the Fulson LP.

Koppelman-Rubin Realigns

(Continued from page 3)

ful Virtue Music companies on the coast. Further, his activities now encompass the newly-formed Koppelman-Rubin label, the Hot Biscuit Disc Company, which released its initial single last week.

They are currently completing work on the pilot for their first television series set for network debut early next year.

At the same time, the signing of veteran producer-arranger-writer Jack Nitzsche to an exclusive long-term pact with K-R was announced. Nitzsche will headquarter in Los Angeles. Two writers, Russ Titelman and Lowell George, have also joined the Coast staff which includes tunesmiths Tim Hardin, Steve Cohn, Donald Gery, Rob Royer, Tim Hallinan and Nitzsche.

National Promotion Director Johnny Bond will continue to work out of the Coast office in

his present capacity. James Foley, K-R General Manager, will be based in New York, and Joe Wissert, producer of the Turtles and the Lovin' Spoonful, will continue to alternate between New York and L.A.

Koppelman and Rubin recently completed two multi-million dollar production deals involving a five-year pact with MGM Records to produce the Lovin' Spoonful and the creation of the Hot Biscuit Disc Company, distributed by Capitol Records.

During the past two years, Koppelman - Rubin Associates have achieved the highest number of top-20 hits in the industry ever recorded by an independent producer and have made hits for such artists as the Turtles, Spoonful, Gary Lewis, Bobby Darin and Petula Clark, among others.

Presley's Christmas Program

(Continued from page 3)

lights selections from "Elvis' Christmas Album" and his two sacred albums, "His Hand in Mine" and "How Great Thou Art." Elvis' Christmas single, "If Every Day Was Like Christmas," also will be featured on the program.

Over 100 of the stations running the program are 50,000 watts. With some 1,200 cities, towns, and villages within the coverage area, the program blankets the U.S., reaching an audience of many millions at the height of the Christmas shopping season.

Devised by Col. Parker

The Christmas program was devised by Col. Tom Parker, who also created the most successful Elvis Palm Sunday Radio which resulted in an overwhelming demand at record stores for the merchandise featured.

The Elvis radio special also includes a spot announcement for Christmas Seals given by Dale Robertson. In addition, one minute has been left at the end of the program for local public-service announcements.

RCA Victor's support of the saturation program includes a special kit to aid the radio station in preparing the program. The kit includes the following: a 7½ IPS tape of the complete program plus a complete script with timings, and a separate copy of Elvis' Christmas single, "If Every Day Was Like Christmas." Also being mailed under separate cover for store use are two, four color one-sheet posters (50" x 32") depicting Presley's Christmas and sacred product, and an ad mat has been prepared for local tie-ins by dealers and radio stations.

In order to assure the widest possible exposure for the Elvis Presley Christmas "Radio Special," there will be full page trade ads. Consumer coverage includes a full-page ad in Grit and other leading publications. To assure maximum coordination among all those participating in the promotion, Col. Parker's office has mailed more than 20,000 copies of a booklet containing a complete list of the radio stations carrying the show to record dealers, RCA Victor Distributors, fieldmen and salesmen, as well as radio stations.

Engaged Clanton Agency

Colonel Parker engaged the creative Ken Clanton Advertising Agency of Tampa, Fla., to service the entire project. As part of the Agency's overall participation in the program, it has prepared a special promotion package which is being sent to radio stations carrying the program for their use. It includes a complete Elvis Presley record catalog, as well as his Stereo 8 catalog, 100 Elvis Presley 1967 Christmas cards, 50 1968 Elvis Presley calendars, and a package of Christmas Seals.

A grand total of 500,000 handbills showing Elvis' Christmas and sacred product is being sent to those stations carrying the program.

Copyright Society - Producers Deadlock

LONDON — At press time B. Pratt, Administrator of the Mechanical Copyright Protection Society, Ltd., said, "Deadlock still exists between our organization and the British Record Producer's Association."

The Society, which represents over 200 music publishers, is demanding that copyright fees payable on each disk should be increased from 6¼ to 10%. He said that BRPA had made a complete turn-down to its request. On receipt of this turn-down, the MCPS have twice offered to have further round-table discussions with BRPA but have not received a reply. Pratt said, "Now it is up to them to make the next move."

If no agreement is reached before Dec. 31, the future of all new year releases in the U.K. will be in jeopardy.

President Records hosted a party for Felice Taylor, who is making her first visit to this country for a European promotional tour. Her current single, "I Feel Love Coming On," is still climbing up the charts, and is President Records' first big single chart entry.

MGM Records, who recently signed up British artist Tony Christie, introduced him to the press at the press' own holy of holies the Press Club in Fleet Street recently. Tony's first single is "Turn Around," written by Les Reed and Barry Mason and published by Donna Music.

UMA Management, Ltd., the recently formed London talent and management organization run by Mafalda Hall and Michel Boyer, have signed their first U.S. artists for U.K. & European representation: Harpers Bizarre and the Seeds.

**Electrola Sales Director
Jung Sees '68 German Crisis**

By PAUL SIEGEL

BERLIN—At a dinner and sales meeting of the top sales and distributor people of EMI (Electrola) in Germany, chief classic and operetta producer Dr. Helmut Storjohann voiced his plans and forecasts for 1968.

An optimistic atmosphere prevailed for record sales in 1968 for EMI in Germany.

However, Sales Director Wilfried Jung, a marketing expert on record sales, was worried about the time when customs barriers are opened in Europe for all the European countries who are members of "EWG" (excluding England), since the German record industry has to contend with heavy competitive import (without customs duties) from her neighboring countries, especially France. The danger is that the prices of records are going up the first of next year, from 2 to 3% per single and LP record!

However, Electrola puts its money on LPs in the operetta field, as operetta sales can be as important and heavy as musicals in the USA on LP. This EMI thinking here is backed up by Dr. Helmut Storjohann's productions with the

Royal Festival Hall Orchestra in London, and artists like Callas, Nicolai Gedda, Anneliese Rothenberger, Erika Koeth and Electrola's new find — another Leonard Bernstein (they hope) in Israeli conductor-pianist Daniel Barenboim. They're also counting heavily on American-born opera singer Grace Bumbry. Electrola is using the famous Leipziger Gewandhaus orchestra.

Meet Highlight

One of the highlights of this meeting was the point made by Jung about the new search for great classic talents. The older generation of greats is gradually leaving the field, like Gieseking, who died. So the hunt is on, Jung noted, and ironically enough, there is an abundance of concert pianists, but not enough chances for new young composers.

Jung closed with the thought gleaned from his visit to the Far East, where he picked up a copy of "Mao's Bible"—for the Chinese masses, which also applies to record industry sales: "If you've got to sell to the masses, you've also got to understand them!"

By TOMAS FUNDORA

(This column appears first in Spanish and then in English)

Antes que nada, deseamos dar las gracias a los remitentes de las cartas telegramas recibidos en nuestra redacción, por nuestros comentarios relacionados con los temas: "Raphael e Hispavox" y "Los Piratas de New York." Podemos anticipar que existe una corriente extremadamente purificadora en toda Latinoamérica en cuanto a mantener políticas disciplinadas y dignas en nuestra industria en todo el mundo hispánico. Nunca nos hemos sentido más honrados que ahora, al recibir estas misivas calzadas por nombres que mucho indican y pueden en nuestro medio. El reconocimiento de estos hombres nos lleva adelante en nuestra postura imparcial, que si bien cierto, es extremadamente dolorosa en ocasiones en que nos hemos visto forzados a informar desfavorablemente, actitudes de buenos amigos y aún hasta de excelentes anunciadores en este vehículo que respetamos y consideramos, también es cierto que la "palmada en el hombro por el deber cumplido" de parte de quienes más reconocemos por sus talentos y posturas comerciales, nos da fuerzas para mantenernos en nuestra posición. Si en alguna ocasión nos hemos visto forzados a herir, bien sabe Dios que no lo hemos hecho a propósito. Nuestro deber es informar imparcialmente . . . ¡y un eso andamos y andaremos! . . . ¡Gracias!

Una comisión especial viajó directamente hasta España, para hacerle un contrato especial a la bella Rocío Durcal, quien hará su debut el próximo día 20 de Noviembre en

Managua . . . La muy popular Rocío, por sus canciones "Hay tantos Chicos" y "Cartel de Publicidad" se presentará entre los Nicas durante "La Feria Nacional 1967."

Marco Antonio Muñiz y Armando Manzanero siguen predominando en el gusto popular . . . Raphael, el cantante español de mayor discusión en la actualidad, sigue de capa caída. La versión que logró colocar entre las 10 populares solo estuvo por poco tiempo. Hablamos de "Cuando Tú No Estás."

Gran actuación tuvieron los muchachos de Costa Rica, "Los

Spiders," conjunto juvenil que rápidamente se está colocando en los primeros lugares con su magnífica interpretación "Vete con El."

Es todo por hoy amigos . . . hasta la próxima con más y mejores noticias . . . luego les contaré de la visita de la Durcal . . . ¡Saludos!

A delighted trio observe a few of the many charts acknowledging the new hit record, "Hangin' On" penned by Nashville songwriter **Buddy Mize** (left) and recorded by **Leon Ashley** (center) under the arrangement of **Don Tweedy** (right). All three have recently scored with chart offerings, and appear to have scored again with "Hangin' On." The song could well become a standard for Mize.

'Love Power' Brings Pop Stations Around

"Love Power," Sandpebbles, hit Top 15 at WMCA; Bill Drake has it on KHJ and many more pop stations are following. It looks like Calla Records has a hit.

WRIT-Milwaukee Pick: "Midnight Confessions," Ever-Green Blues, Mercury. Group is currently on a nationwide tour. Giant phone reaction: "I Feel Free," Cream. Smash: American Breed . . . Dover Records has picked up the St. Louis smash, "Half the Story," Herman Grimes, on the Boot Hill label.

It now appears that FM rock stations are exploding the sales of contemporary rock LPs as the new Country Joe and the Fish and the new Cream LP hit sales far over 100,000 in a week. The "aware" kids are starting to appreciate the new music at an early age. The ages of the kids at the packed Donovan concerts in New York were 11-17. The LP sales chart no longer seems to be related to the singles Top 100.

DMZ is getting sales response from Nashville, Cleveland and Chicago to date. WBBF-Rochester is now on it, as is KOMA-Oklahoma City, KROY and KOXA in Sacramento and KAAV in Little Rock.

"Judy in Disguise," John Fred, on Paula, is close to the 200,000 mark now with CKLW in Detroit and WQAM and WFUN in Miami on it and re-orders pouring in from Philly, Chicago, St. Louis, New Orleans, San Francisco, Los Angeles. Looks like a Top 5.

Cardenas MGM Latin Rep

NEW YORK — MGM Records took steps to strengthen its representation in the South American and Spanish language markets when President Mort L. Nasatir appointed Rene Cardenas as special international representative to Latin American Countries.

Cardenas reports to Eric Steinmetz, Director of MGM's International Division.

The Cardenas appointment points up MGM's determination toward continued growth

in the international market. The label recently formed its own English subsid, MGM Records, Ltd., and has a working agreement with Ricordi of Italy for its Dischi MGM label in that country.

Cardenas has worked in South America for the Ampex Corporation for the past four years, and prior to that was associated with Kingston Trio in recording, publishing and personal appearance fields.

JAZZ

Taking Care of Business

by Del Shields

For 45 consecutive Monday nights we have presented a series of live sessions in New York called "Live Jazz for Beautiful People."

The sets are held at a small club, La Boheme, situated a few blocks from New York's fast-growing Lincoln Center area on 69th St. and Broadway.

We first began the sessions at the Blue Morocco in the Bronx. Because of transportation difficulties we moved to the mid-town area.

It's strange to note that this is the second longest series of consecutive live sessions in the Empire city. The first is the Sunday afternoon sessions promoted by the New York's live wire

Del Shields

group, Jazz Interactions. Their series is now in its second year.

The condition of jazz in New York in the clubs is far from a happy scene. Yet, there are a few of us who are not ready to throw in the towel. Our constant theme is: just a little promotion and imagination will help to improve the playing condition of jazz musicians.

In presenting the sets, it is our aim to help provide opportunities for the jazz musicians to play as well as offer the jazz fans (who buy records) an opportunity to see their favorite performers live.

Loyal Group Attending

We have not set the world on fire. What has happened is that slowly the attendance has increased and a dedicated and loyal group of people are beginning to tear themselves away from the television sets and their stereo sets to make the sessions.

Many nights guest musicians drop by, and we have witnessed some of the most electrifying jazz and never-to-be-forgotten

sessions which consistently remind us of the fact that there is nothing like the live sets.

Because of the lack of person-to-person contact between jazz musicians and lay fans, it is a marvelous sight to see the musicians congratulated and being asked questions about records they have recorded. Fledgling young musicians have a chance to exchange notes and receive valuable pointers from the pros.

In our way, we have tried to solve some of the problems which generally affect the playing of the jazz musicians.

Playing Conditions

First, the playing conditions: Constant policing of the tone of the piano. There is nothing worse than asking a Ray Bryant, Horace Silver and other great pianists to play on a piano that does not stay in tune.

Proper audio: Asking a jazz musician to play and place a microphone in front of him that has improper sound will automatically kill his spirits, distort his sound and cause anguish among the audience.

Respect: Leave the cats alone. They are pros and expect to be treated as professional musicians. They do not need to be told what to play, nor how. They will, however, listen to suggestions, and if they respect your opinions, they will make changes.

Professional courtesies: When their friends attend and fellow musicians drop by, be courteous to them, and give them due recognition. Don't ask them to jump up on the set and join. It's entirely up to the leader whether or not he desires the company of the visitor.

Pay: Of course the union has corrected many of the pay problems among musicians with contracts, but there is such a thing as timing. No musician likes the idea of having to wait until the people are gone, the checking up is completed and the porter

starts cleaning before he gets his bread.

Compliment: When a musician has given his all on a set, make the audience respond. Jazz musicians are artists as well as hams, and love the sound of applause from a grateful audience.

Atmosphere: Take the coldness out of jazz. Make the set club warm, and invite people to participate by applauding when they feel it and shake hands with the musicians.

Hangups: Leave those musicians alone who have hangups. There are far too many, working hard, and attempting to get ahead who have not succumbed to the hangups.

We have delighted in having had Ray Bryant, Joe Newman, Grasella Oliphant, Lee Morgan, the Jazz Samaritans, Roy Haynes, Herman Foster, Grant Green, John Patton, Clifford Jarvis, McCoy Tyner, Sonny Red, Bobby Timmons, Jazz Bo Alexander, Junior Mance, Donald Byrd, Jimmy Garrison, George Banson, Zoot Sims, Gabor Szabo, Wayne Shorter, Kenny Dorham, Rudy Collins, Kenny Baron, Blue Mitchell, Junior Cook, Freddie Hubbard, Pucho and his Latin Soul Soul Brothers, Joe Henderson, Lee Morgan, Montego Joe, Muddy Waters, John Handy, George Braith and Horace Silver.

Youngsters Privileged

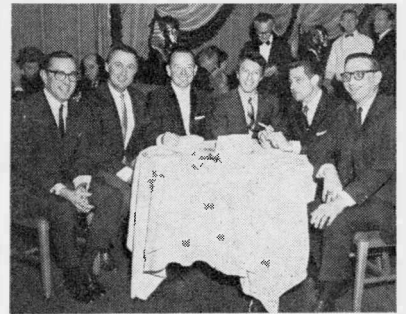

And there have been the youngsters who have felt privileged to work on the same programs with established artists such as the Brothers Unique, Samaritans and others. These sets have enabled them to stay together and motivates them to stay in jazz.

During these sessions, many would not have been possible without the assistance of some of the alert men in the record companies who understand the need to promote. They have assisted us in securing artists, or alerted us to recording dates when a guy might be available, provided LPs for giveaway, and occasionally just by dropping by. They know that jazz promotion is a total project, and the program needs us all.

The Monday night sets have not reached festival proportion. And it is not intended to do so. It is a vital link in the total jazz picture that helps the musicians, helps the disk jockey, helps the companies to sell more records.

What is most important, it helps to hold onto what is left, and just might initiate a spark upstairs in the executive suite to begin launching a more extensive campaign to save jazz.

At Kai's Opening

Kai Winding and his Quartet opened at Shepherds in the Drake Hotel in New York City for a month's engagement last week. Shown with the Verve artist (third from left) are Monitor's Steve White, WNEW's Ned Powers, WVNJ's Joe Pellegrino, WHN's Jim Ameche and WPIX-FM's Charles Whitaker.

Sonny on Bishop TVer

Sonny James and the Southern Gentlemen, top C&W recording star for Capitol Records, have been set for an appearance on the Joey Bishop ABC-TV show Tuesday, Nov. 28.

Sonny's appearance on the Bishop show will be a feature of his current West Coast tour which will conclude with engagements Nov. 30 and Dec. 1, 2, 3, in Spokane, Portland, Seattle and Vancouver.

Cardenas Reps MGM

(Continued from page 51)

One unique aspect of Cardenas' position with MGM deals with new product. Nasatir has specifically asked the rep to search out product for local release as well as distribution here in the United States by MGM. Cardenas is currently on his first tour of licensees in Mexico, South and Central America.

Hottest Imperial Single Ever?

Liberty-Imperial Prez Al Bennett raving re: original instantaneous reaction on his Johnny Carver-Imperial corker, "Your Lily White Hands." Scott Turner, who produced the session recorded "Picks" last week from WJJD, WJRZ, WHO, WYLO, K-FOX, KCKN, KSTL, WCMS, WKCW, WDON and "also a couple of major markets," he said. Imperial distributes all stocked 500 and up to cover initials on what they call the biggest country hit in their history. How about Slim Whitman's "Indian Love Call"?

Charlie Williams out at Blue Book Music, the Buck Owens pubbery. Charlie starts an Armed Forces Radio show Dec. 20, sponsored by RCA Victor. Rumors are he'll start his own music firm. Charlie is one of the most entertaining djs in the world.

Biff Collie

Someday some smart radio operator will buy, build, or convert a facility to country in a medium-major market, automate and program the top talent in C&W Radio personalities, supplementing only with topflight news staff. Most operators say "Good idea but it won't work." It will work. Donald W. Reynolds, Jr., did it in Pueblo, Colo., for a number of years, garnering top ratings in his six-station market. Proper administration, sales and programming, depending on the specific market, must be employed, but with imaginative programming of

the best automation equipment, AND top-flight airmen integrated in a creative way, the cost comparison is fractional, element of human error becomes non-existent and I defy the average layman to detect the "pre-recorded" sound. Mark my words! In the not-too-distant-future a major market automated country station (AM) will happen and really MAKE it!

Jim Smith reports from Grand Rapids that he's got a hot vocal item available to major labels in a Kay Tolliver. She recorded with obvious success on the now defunct Lucky Eleven label. (She was hot on the Coast.) A nod to Jim at WKMF could pay big dividends . . . Mac Curtis (WPLO Atlanta) premieres his new one for Epic this week (sorry, Mac, lost the paper and haven't gotten the record yet) . . . Red Shipley (WCKW-Warrenton, Va.) says when he checked out of the hotel post-convention-Nashville, clerk said someone had already paid his hotel bill. Red says he can't figure out who did it, so in order to be safe, he's playing EVERYBODY's records! . . . Lee Arnold of WJRZ, who has been so busy MC-hosting the red-hot Nashville Room, New York, dj-programming WJRZ and recently MCing a Buck Owens package in the East Village, should start commuting by subway or train to insure some sleep! . . . Don Rhea, the C&W giant, made a triumphant return to KC recently after sojourn in San Antonio while setting up programming at KBUC Country. Don drew the largest crowd ever for one of his early morning sponsors during a week-end "in-person" broadcast. Needless to say, the Kansas City Folks are "glad he's back."

Tom Reeder, WDON-Washington, pioneered C&W radio in Washington while with WARL years ago. He sells it morningly on his "Tom Cat" show, and advocates forming a "Golden Coffee Cup" award for all the mike-men daybreakers . . . Jerry Schaffer KLAQ'ing with friend Con Schader in Denver . . . Charlie Wiggs touting Debby Kaye with a new goodie on Major Records while anchoring the Tidewater, Va. sounds at George Crump's WCMS-Norfolk . . . Jack Cardwell says look for one of his sacred songs in Warner Mack's great new hymn album. Jack is a fine writer and singer as well as the dean of country personalities in Mobile at WTUF . . . Kilroy Heads Mercury's C & W Nat'l Sales, Promo

NASHVILLE—Mercury Record Corporation, which has been rebuilding its Country & Western artists corps, took a major step forward in its re-trenchment with the appointment of Eddie Kilroy as National Sales and Promotion manager for all country product.

In making the appointment, Irving B. Green, President of Mercury, emphasized the corporation is permanently establishing a full-time marketing executive in Nashville to afford rustic product top exposure via all the segments of the marketing cycle.

"We've shopped for some time, seeking an experienced C&W professional versatile enough to run the gamut from promotion and selling even to assisting Jerry Kennedy in screening song material and perhaps even helping Kennedy in producing sessions," Green stated.

Began as Deejay

Kilroy began as a disk jockey, spending seven years in Pop

radio on stations ranging from KILT, Houston to WKBA, Nashville. In 1960, Kilroy left radio to join Colpix in Nashville, serving as Southern Promotion Manager for two years, then joining Warner-Reprise for a year as Southeastern Promotion Manager. He remained in Nashville for another year acting as National Field Promotion Manager for MGM Records following which he moved to Houston where he spent the next year as Production Aid to Huey Meaux. He returned to Music City last year as C&W Promotion Chief for United Artists.

Kilroy has a number of songs recorded, including "Pen and Paper," recorded by Jerry Lee Lewis and Faron Young.

Kilroy will be working with a Mercury stable of artists including: Roy Drusky, Dave Dudley, Young, Priscilla Mitchell, Tom T. Hall, Don Wayne and Gene Wyatt. He will cover country jockeys and accounts on behalf of Smash product for Roger Miller.

Ashley Produces 13 - Week TV Series

NASHVILLE—Leon Ashley announces that his company will produce a 13-week TV series featuring himself and Margie Singleton as host.

The show will be directed by Don Tweedy who is now A & R Director of Ashley Records. Ed Hamilton, Promotional Director of Ashley Records, will emcee and select artists for appearances on the show which reportedly will be completely different from the TV shows now being produced in Nashville, and is not designed to compete in that field.

The show will explore the background of those artists appearing each week. According to Ashley, plans for the show have been in the making for some time but distribution plans were completed only this week in New York.

The first shows will be filmed during December in Nashville, and are scheduled for showing in some 15 markets in January, 1968.

Moeller-Hudson Bldg. Plans

NASHVILLE—W. E. "Lucky" Moeller, President of Moeller Talent, Inc., and Bill Hudson, President of Bill Hudson & Associates, Inc., jointly announce plans for construction of a modern two-story office building at the corner of Sigler and 16th Avenue South. Groundbreaking is expected to be some time in December with completion of the building set for spring, 1968.

The building, to be constructed by the W. B. Cambron Construction Company, will house the offices of both the Moeller Talent Agency, and the Bill Hudson Advertising and Public Relations firm. The ultra-modern structure will be landscaped with reflecting pools and six water fountains. The lower floor, which will house the Hudson agency, will be surrounded by solardaric glass, and the upper level encased in striking black pre-cast panels with structural glass imbedded in it.

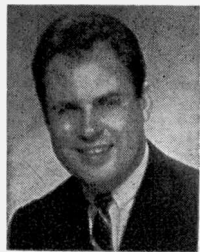

J. Hal Smith, developer of the property for Moeller and Hudson, estimated the total investment will exceed the \$300,000 level.

By PAUL PERRY

Jimmy Key has inked pert Decca star Margie Bowes to an exclusive booking and management pact. Jerry Rivers, erstwhile manager of Nugget Records and Studios and personal manager of The Homesteaders, Little Darlin' recording troupe, has joined the Jimmie Klein Agency as director of talent and publicity. In addition to the Homesteaders, the agency books other top names such as the Blue Boys, the Hardin Trio, Arleen Hardin, Lonzo and Oscar, Johnny Carver, Marti Bown, Jamey Ryan, Bobbi and Dude, Bobbie Shelton and Jeanne Newman. The Homesteaders just concluded a two-month tour of 10 Far East countries including Saigon.

J. Hal Smith, President of Hal Smith Enterprises, which includes Pamper Music, Boone Records and Hal Smith Artist Agency, has announced plans for construction of a modern, two-story office building at Sigler Street and 16th Avenue South, all on property owned by him. Estimated cost will exceed \$300,000. The building will house the offices of Moeller Talent Agency and Bill Hudson & Associates advertising and public relations firm.

Hear that Eddie Briggs, formerly of KUZZ, Bakersfield, has taken on the night time slot at KBBQ, Burbank's 24-hour modern country station.

Indie Producer Don Law has completed production of a new Randy Boone LP for the Gregar Records label, which is affiliated with Epic. Boone is one of the stars of CBS-TV's "Cimarron Strip." Law also A & R'd the current "Skip a Rope" hit by Oklahoma City's Henson Cargill, which is going high on the pop charts for Monument.

If early reaction is any indication, Porter Wagoner could have his biggest record ever in "Woman Hungry." The tune is another of those Gene Chrysler masterpieces.

United Artists officials are all excited over the initial acceptance of Johnny Darrell's "Son of Hickory Hollers Tramp" and Joyce Paul's "I've Loved Him Much Longer." The label just tabbed long-time promotion figure Ed Hamilton to head up promotions for its Country & Western products. Hamilton succeeds Eddie Kilroy who is assuming a similar post at Mercury. Thurston Moore info's that his Heather Enterprises, 3285 South Wadsworth Boulevard, Denver, is handling exclusive selling rights to Archie Campbell's new book, "Bedtime Stories for Adults." SSS International Records is releasing what could conceivably be a major success in the Dee Mullins single, "I'm the Grass." Tune has that something different.

Little Darlin' Records A & R chief Aubrey Mayhew had featured steel-guitarist Lloyd Green and female charmer Jean Riley in at little Victor for recording sessions during the past few days. That label is apparently ready for big things with the movement of its operations from New York to Nashville and the appointment of Nick Hunter and Jim McConnell as promoters. Tallahassee, Florida's WMEN Radio has made the big jump to an all-Country and Western format. According to Operations Manager Charles Moss, initial audience response has been terrific. Station guests during the past few days included Connie Smith, Warner Mack, Roy Drusky, Wilma Burgess, Nat Stuckey and Tammy Wynette.

Epic officials are already saying that David Houston's new album, "You Mean the World To Me," will become one of the all-time big sellers. LP picks are coming in by the dozens. Ditto on Jack Greene's "What Locks the Door" LP for Decca.

Johnny Cash brought his big show to the Nashville suburb of Hendersonville for a benefit performance to enable the high school band there to attend the Orange Bowl football game. The event, which in addition to Cash and the Tennessee Three featured Carl Perkins, the Carter Family and the Statler Brothers, brought a full house of 3,000 fans to their feet on numerous occasions.

TEAR TIME

WILMA BURGESS—Decca DL (7)49535.

Extremely pretty singing from Wilma. She leads off with her "Tear Time" and moves on to "Am I That Easy to Forget," "Yesterday," "The Storm," "Release Me" and other attractive numbers. Wilma should do well with the package.

BUCK TRENT—Boone BLP 1212.

Patsy Cline Economy LP Leader For Pickwick's Hilltop Series

NEW YORK—Four years after her death, Patsy Cline continues to be a leader in Country & Western record sales—including, significantly, the economy price album field.

Three Cline LPs ("Stop the World and Let Me Get Off," "Today, Tomorrow and Forever" and "I Can't Forget You") on the Hilltop label, Pickwick's Country & Western series, are selling at the rate they did "when they were on the 'full-price' charts," reports Pickwick VP Joseph Abend.

The success of the Cline LPs, says Abend, is not only a demonstration of the artist's popularity, but is "indicative of consumer response to economy-priced Country & Western recordings.

"Pickwick greatly expanded the Country & Western market with the introduction of the Hilltop label. The appeal of Country & Western music to the national audience got full expression for the first time through our economy price and our 25,000 retail outlets."

Pickwick, Abend says, is "deeply involved in Country & Western music, not only on records but through our publishing companies."

On the Charts

Based in Nashville, the pub-beries—Weiss & Barry, South-town and Barmour—are currently represented on the charts with Jimmy Dean's "I'm a Swinger," Porter Wagoner's "Woman Hungry" and both sides of the new Ray Pillow single. "Gone with the Wine" and "No Milk Today."

In addition, the hit song made famous by Bobby Bare, "Love Me and Make It All Better," is included on two new LPs by country stars Jack Greene and Jan Howard, while the current Jim Ed Brown and Stonewall Jackson country chart albums contain Pickwick-owned copyrights.
