XPANSION! EXPANSION! EXPANSION! It's the key word in Monday Morning Replay's ever expanding universe! This week Mediabase and MMR are proud to welcome Rochester (market #43) and Tucson (market #65) to our collaboration of the finest radio stations across the country. This week's data includes info from Hit Radio outlets WPXY and KR00, Rock Radio outlets WCMF and KLPX and A/C outlets WRMM and WVOR. Two more - a mere dent of what's to come!

Tuned In treks from the Motor City, to the Gulf, to the heart of Music City U.S.A. First stop: Hoker Broadcasting's WDFX! A station under the directorship of Chuck Beck and positioned as 99.5 The Fox has turned Detroit's Hit Radio scene into a fierce battleground. Next it's down to the Gulf, for some sun and some fine Rock 'n' Roll as we retune to Tampa's WYNF ("95 YNF"); programmed by Carey Curelop. Then it's time to check in to "Nashville's friendliest radio station -106 FM," (A/C outlet WLAC). Dave Mason heads the hospitality ring. Find out the lowdown on these three stations this week (Airstaff lineups, Positioning Statements, Promotional Activities, Music Breakdowns, etc.) in Tuned int

USERS GUIDE\_TRACER TRACKS are ranked by actual number of plays. Arrows are maintained by either an increase in plays or an increase in rank over the previous week. For a precise look at market saturation, reach index numbers are provided (gross impressions). Beach index is calculated by each radio stations average quarter hour (SOURCE\_ARBITRON) multiplied by the number of plays given the title. Numbers are calculated for average weekly midnight to midnight impact from base monitor hours.

For a more precise and defined look, MMR WEIGHTS EVERY STATION INDIVIOUALLY, according to quarterly, average quarter hour shares (SOURCE\_ARBITRON — used by permission). Significant downtrending disqualifies a title for further current consideration and reassigns recurrent status (see HOTTEST RECURRENTS)

# CITY TRACKS (HIT RADIO)

USERS GUIDE: City Tracks are a potpourri of promotional, positioning, market news and information

#### EAST

GY-FM/Albany ("Electric 99") Director TOM PARKER recently announced a new lineup which is as follows: GEOFF BROWN 5-9AM, STEVE CHICK 9AM-12N, DAVE COOPER 12N-3PM, Tom Parker 3-6PM, JIM JAKALA 6-11PM and I.V. HAMILTON 11PM-5AM. The "Electric Sound Call for Cash" is the promotion heating up the airwaves. Listeners who have sent in postcards anxiously wait for a phone call from their favorite station for a chance to guess the mystery sound. If they're able to do so, they'll win all the cash in the jackpot which is currently over \$10,000! The station has a sticker campaign on the horizon which will be spotting for cars for cash up to \$1,000. Winners will also qualify for a brand-new convertible. • WBLI/Nassau-Suffolk has also made a few on-air changes. RICK SOMMERS moves from afternoon drive to mornings, BERRY NEAL segs into middays. SCOTT MILLER now does Noon-3PM and STEVE HARPER 3-7PM. Promotionally it's been a "WBLI Golden Year" throughout the month of May. Listeners try to be the correct caller whenever they hear the specified oldie to win \$106 and qualify for \$10,000 in gold, which will be given away on a boat cruising the great South Bay on June 13. • WWGT/Portland ("G98") is the station for "Cash, Cars and Concerts." Listeners wait to hear the "Cash Car Tune" which is played four times a day to qualify for a bright red 1989 Mustang Convertible, but that's not all, they could also win \$100 in cash, a trip for four to any theme park in the U.S. or a trip to Las Vegas with midday man JEFF GARRETT to see Natalie Cole in concert. G98 also recently brought Figures On A Beach to town to perform a concert at local club — exclusively for tickets winners only!

#### SOUTH

ZFM/Corpus Christi ("Z95") took a sentimental journey earlier this month in honor of Mother's Day. All of the DJ's mothers called in and told stories about their son or daughter. Listeners then tried to match the story with the jock and those who were able to do so won various prizes including roses and jewelry certificates. Z95 has also kicked off their sticker promotion, listeners wait to hear their license plate number to win. Congratulations to new late night personality ED OCANOS. • "The number one hit music station" WANS/Greenville is awarding their at work listeners "Instant Cash Raises." They win \$107 when they send in a reply card and then hear their named called out over the air; Thursdays are big bonus days as they're worth \$1,007. "Fun Sun Weekends" are also fast approaching! Every weekend listeners will win "Tropical Blend Survival Kits," with one listener each weekend winning a trip to Myrtle Beach. The "Freedom Weekend Aloft" is also upcoming; the event is the largest balloon festival in the country. 'ANS will be sponsoring Natalie Cole at the event. • Why are people all over Shreveport running around with very little clothes on doing very stupid things? Well part of the reason is KTUX/Shreveport ("TUX99") is holding a "Stupid Human Tricks" promotion which will garnish someone an all-expense paid trip to Mexico. TUX99, "The station your parents warned you about" is also giving away airfare to anywhere in the U.S. on American Airlines every Thursday. Winners will also qualify for a trip to anywhere in Europe. Happy belated birthday to overnighter MOONDOG who turned 50 on May 16.

#### MIDWEST

XGT/Columbus ("92X") just celebrated their 11th year as a hit station with a "92X Anniversary Star Party." 2,000 locals came out to help celebrate as well as Cynthia Rhodes of Animotion, Max Carl of Thirty Eight Special, Kip Winger and Boys Club (needless to say the party was a huge success). The station also has welcomed in summer with a "92X is Cooking" weekend. The promotion awarded a barbecue grill, lighter fluid, charcoal, two steaks and the Fine Young Cannibals' latest cassette, "The Raw And The Cooked" to listeners all weekend. Another fun promotion the station recently held was the "92X Has Balls" weekend. Correct callers won the Outfield's cassette "Voices Of Babylon," as well as balls of all sorts including basketballs, footballs and soccerballs. All of the winners qualified for a weekend in Cincinnati where they got free hotel accommodations, tickets to a Reds game, Beach Boys tickets and passes to King's Island. • Cars packed the parking lot at The Palace of Auburn Hills Saturday May 20, but it wasn't for a Piston's game. Everyone came out with a WDFX/Detroit ("The Fox") bumpersticker on their car in hopes of winning major cash. Every car that came was handed an envelope with money in it, up to \$5,000. Throughout the Spring Book WIXX/Green Bay has got big bucks to give away, at least \$101 every shift to be exact. The station also recently had a weekend promotion where the grand prize winner walked away with tickets to every Milwaukee Brewer weekend game for the entire summer. Listeners qualified by winning the Outfield's latest cassette. Congratulations to new nighttimer STEVE LOUIZOS. • Every 60 minutes KKYK/Little Rock ("FM104") listeners are winning \$104-\$1,000! It's the "All-Day Cash Giveaway," and all winners have to do is be the 10th caller when they hear the specified artist. FM104 is reminding its listeners every hour that "It may be Little Rock, but this is big time radio."

## WEST

**YNO/Fresno** ("Hot 96FM") is on the attack hoping to reign supreme as the number one station in the market, Program Director JOHN CLAY hopes that his new lineup will help him to do so. The lineup looks like this: BOBBY MERCER and SHELLY MORGAN on mornings, MARC VAN NESS middays, FAST EDDIE MARTINEZ is the Music Director as well as afternoon driver, MIKE SHANNON nights and BILL BIRD overnights. • Congratulations to KFTZ/Idaho Falls ("Z103") Program Director RICH SUMMERS who has just been upped to Operations Manager as DOUG CHARETTE exits. MINDY KARY has been named Music Director and JAY STEVENS is upped to Assistant PD. Z103 listeners were listening for the crack of the whip to win tickets to the premiere of the new Indiana Jones movie. They also held an Indiana Jones look-a-like contest with the winner walking away with a backpacking trip to Jackson Hole, WY. • KSFI / Idaho Falls is history! The station turned in its top 40 mix for soft A/C leaving Program Director PAUL WILSON and the rest of the staff looking for a job. • There are always four ways to win at KGGI/San Bernardino including 1) "The \$5,000 Continuous Music Mix," where listeners wait to hear four specified songs in-a-row. 2) A random call out where listeners win when they know the phrase that pays. 3) "Win At Work," with the Cash Crusader hopping by local businesses to see if they're listening to 'GGI. 4) The Cash Crusader can show up anywhere handing out cash to those who know the phrase that pays. While any of these can happen at anytime, "Free Money Mondays" are especially exciting because there is at least \$100 to give away every hour. Happy belated birthday to Program Director LARRY MARTINO on May 22.

# MEDIARASE,

ISSUE 71 MAY 29, 1989

# SPECIAL TAKE OUT Section

# WDFX: DETROIT

D etroit. The Pistons? Yeah, they're pretty topical. The auto industry? Same old, same old. Mayor Young? He's sort of interesting. WDFX? Hey! Now there's a topic for discussion! Ever since Chuck Beck blew in from Dallas (exiting as KHYI-FM's MD) there has been some pretty serious talk among the members of Detroit's radio community. The big question seems to be, "Now that WDFX's new PD has put the station on the top of the Hit market hill, what can we expect in the future from 99.5 The Fox?"

Well, expect "Detroit's best music mix with 15 songs in-a-row" courtesy of MD/Midday host John McFadden. Plan on waking up with Savage & Steve every morning. And count on winning thousands and thousands of dollars instantly. Sound intriguing? Then take a look inside because we have all of the details on this Hoker Broadcasting outlet specifically for your perusal. Rest assured that we've brought you, with exacting detail, the station that everyone's been talking about.

Hey, we won't give you any lip service, just all of the accuracy that you've come to expect from Monday Morning Replay (another hometown favorite). This week we're locked and Tuned In to 99.5 The Fox.

# WYNF: TAMPA

alking about this week's Rock **Tuned In** station is as easy as grabbing **MMR** issue #7 (2/22/88), because that's the last time we dropped in on **95 YNF** Tampa Bay's Only Rock 'n' Roll station...**WYNF**.

In an industry where change is one of the only constants, 95 YNF has remained remarkably unchanged over the past year. Veteran programmer (if this was baseball, he'd be known as a "wily veteran") Carey Curelop continues his successful stint, assisted by MD Charlie Logan. There's been only one change in the airstaff since last February, as Don Capone slides into the 2-6AM slot.

The big excitement around 95 YNF is their hosting the Who's performance at Tampa Stadium June 29, and Tuned In tells you about how 95 YNF listeners can win front row tickets and backstage passes for the show. You'll also get some idea of the madness on the **Ron & Ron** morning program; with regular features like "Pick The Pervert," "Dead Or Alive" and the "Showdown." We'll also show you the "YNF Hot Lunch" request hour at noon with **Russ Albums** and what Tampa requests during the "All Request Hour" at 9PM with Scott Phillips.

**95 YNF**..where Tampa Bay comes to rock; find it in where the industry comes for rock stations: Tuned In!

# WLAC: NASHVILLE

**WLAC-AM** boomed *Rhythm & Blues* across mid-America, and those searching for rock's closest cousin could pick it up within several hundred miles.

Sister station WLAC-FM, "106 FM" and the subject of this week's A/C Tuned In, is making waves in Music City with a flurry of activity. This is a station that actually wants to hear its audience out — check "The Question Man," where listeners' brief on-air comments answer a daily question, for instance. And does WLAC ever reward its devotees, unleashing anywhere from \$106 to \$25,000) in "Cash Call" prize money; in other contests, they're giving away everything from passes to a movie to a Caribbean trip.

Caribbean trip. PD Dave Mason (3-7PM) and MD Bryan Sargent (10AM-3PM) put the inspired madness together with a top-notch staff beginning with Phil Valentine and Terry Hopkins (5:30-10AM). It's Chris Tyler from 7PM-12M and Charley Rivers handling the overnight gig.

From the legendary approach of its sister station to their own smooth FM A/C style, it's Nashville's "FM 106," WLAC, in our Tuned In spotlight this issue!

USERS GUIDE: TRACER TRACKS are ranked by actual number of plays. Arrows are maintained by either an increase in plays or an increase in rank over the previous week. For a precise look at market saturation, reach index numbers are provided (gross impressions). Reach index is calculated by each radio stations average quarter hour (SOURCE: ARBITRON) multiplied by the number of plays given the title. Numbers are calculated for average weekly midnight to midnight impact from base monitor hours.

For a more precise and defined look, MMR WEIGHTS EVERY STATION INDIVIDUALLY, according to quarterly, average quarter hour shares (SOURCE: ARBITRON — used by permission). Significant downtrending disqualifies a title for further current consideration and reassigns recurrent status (see HOTTEST RECURRENTS). \*Quality play index = average number of weekly plays from stations playing track.

he knew from the start/Deep down in her heart/That she and Tommy were worlds apart..." Sally Simpson might have felt that way about Pete Townshend's rock opera hero, but WEQX/Manchester, VT listeners won't have to, as 'EQX listeners will get the chance to see The Who on their 25th anniversary reunion tour; specifically in Radio City for one of the "Tommy" shows. Qualifiers answer Who trivia questions to win Who vinyl; then when their name is aired, they have 10 minutes and 27 seconds to call in and win the tickets. Currently in full swing is the 'EQX volleyball squad, and IAN TAYLOR's lunchtime extravaganza from "Big Ed's Sushi Bar & Grille and Cheese Emporium." • WHTT/ Buffalo makes another change, following the exit of PD BILL WESTON (CITY TRACKS 5/15), as they go from Classic Rock to "Oldies 104." No staff changes are expected at this time. • Preakness Fever ran rampant and once again WIYY/ Baltimore ("98 Rock") invited their "closest friends" for the 1989 Preakness Infield Concert, an "intimate little gathering of 75,000" that featured local faves Heat, The Great Train Robbery and Y-Not?! 
Changes for the Legacy/ Metropolitan Group, as WMMR/Philadelphia's MICHAEL CRAVEN is promoted to Regional VP. He'll oversee all activities at 'MMR as well as WNEW/New York. 'MMR PD Ted Utz has been named GM of 'NEW, replacing Peter Coughlin. Morning Zookeeper JOHN DeBELLA becomes 'MMR's Operations Manager and PM Driver JOE BONADONNA is named PD. Kudos for 'MMR midday veteran PIERRE ROBERT, named Radio Station Personality of the Year in the "1988 Best of Philadelphia Music Awards.". • Since when do you need a passport to visit New York? WOUR/Utica listeners will want one, as the 'OUR "Classic Trip 1" passport will win two listeners an allexpense paid trip to The Big Apple to see The Who at Radio City Music Hall. Winners will be selected at a special live broadcast from a local club. "Classic Trip 2" will send listeners to the All-Star game in Anaheim. Dick Clark back in Utica? 'OUR would like to bring the former Utica TV newsman and radio personality back with his Bandstand tour. The show is tentatively scheduled for May 30. • Amidst much speculation, MARK CHERNOFF has been named PD of WXRK/New York ("K-Rock"); returning to Gotham following his brief stint as PD of WJFK/ Washington, D.C. He replaces PAT EVANS who is off to San Francisco and the PD-ship at KFOG.

### MIDWEST

s we mentioned in CITY TRACKS a while back (CITY TRACKS 5/15), there's been an upper level management change at KJJO/Minneapolis ("Rock 104"). Former GSM JACK SCOTT gets the nod as GM, succeeding JACK ROHM who crosses town Л to KSTP. PD WES DAVIS has resigned, as has PM driver MICHAEL CROSS. Morning man BRIAN TURNER will become PD and eventually will shift to PM drive in June, as KJJO will bring in an Operations Manager who'll do mornings. • The KQRS/Minneapolis ("KQ-92") "KQ Assault Vehicle" (CITY TRACKS 4/24) has arrived, just in time to hit the lakes for Memorial Day weekend. It'll be cruising the streets of the Twin Cities all summer long, continuing to spot KQ-92 bumperstickers. So far, KQ-92 has given away \$40,000 to listeners sporting stickers on their car, and will have \$100,000 more to give away throughout the summer. Speaking of vehicles, the KQ-92 "Magic Bus" will hit the road with 49 listeners aboard in July for the Alpine Valley stop on The Who's 25th anniversary reunion tour; the only Midwest stop on the tour. You Say Hello and I Say Goodbye Department: Hello to MEI YOUNG who steps into the KQ-92 2AM-6AM shift; goodbye to Production Director MIKE RAFFERTY who exits for a position with Voiceworks (although he'll continue to do his Saturday AM shift). Former KQ staffer TONY LEE returns as Production Director. • KSHE/St. Louis' "Louie, Louie" parade was a rousing success, doubling the amount of walkers and money raised last year as they raised \$11,000. Soon their brand-new classic CD will hit the streets; with all proceeds to benefit the National Toxics Campaign, as KSHE ties in with the Pollack Media Group "Rescue The Future" campaign. KSHE is looking forward to the VP Fair in July, one of the largest Fourth of July celebrations in the country, where they'll he hosting the main stage; and Scoops O' Fun Ice Cream Festival June 10-11, where for \$2 you can sample ice cream from 17 different vendors. Congrats to KSHE GSM DAVE KELLY and his wife Susan, who learned they'll be parents again sometime in October. Following the success of their Classics CD last fall, which raised over \$1,100 for the Give A Kid A Coat Drive, WJXQ/Lansing ("Q-106") has released "Q-106 Classics 2;" this time to benefit the homeless in the Lansing area. Classics 2 has been released both on CD and cassette, and is on sale at Wherehouse Records. time (CITY TRACKS 5/22), WKLH/Milwaukee posed the question "What Would You Do For \$10,000?" Despite lots of pretty outrageous claims, 'KLH decided that Walter Jankowski's claim to stilt-walk across Wisconsin was worth \$10 grand. Walter's jaunt was a total of 150 miles, four feet above the ground, and he was joined en route by 'KLH staffers and the 'KLH van. • The premiere WXRT/Chicago Twilight Concert happened May 27, as the Neville Brothers took the stage at Navy Pier. In all, 3,000 free tickets were given away to 'XRT listeners, making it the largest giveaway in the station's history.

o, it wasn't a benefit for the Vice President! KATT/Oklahoma City held its fifth annual Quail Classic, with over 1,200 runners participating and raised over \$13,500 for the American Cancer Society. KATT has also been sneaking previews of upcoming flicks, including "Roadhouse," starring Patrick Swayze and the upcoming "Indiana Jones: The Last Crusade," where they gave away a Yamaha Blaster 4-wheeler. Listeners with good memories can win cash from KATT in their "Song of the Hour" contest - \$100 for each song of the hour they can remember from the previous 24 hours. Who says it doesn't pay to listen? • As part of their 16th birthday celebration, KLBJ/Austin ("FM 94") is sending listeners to see The Who at Radio City Music Hall in New York, FM 94 has lots more birthday celebrations in the works as well. Memorial Day will find FM 94 throwing an outdoor concert featuring Steppenwolf and Delbert McClinton to benefit the Texas Association of Vietnam Vets. • There Goes Rhymin' Simon Department: KMOD/Tulsa listeners can wax poetic, sing a song or otherwise express the sentiment "I want a Yamaha" to qualify to win a Yamaha V-Twin motorcycle. June 2-4, it's the first annual KMOD "Think Snow" Coleman's Beach party, with waterskiing, volleyball, an exhibition of ski boarding, a Miss Hawaiian Tropic Tan Contest and KMOD broadcasting live Sunday afternoon. 
KZLR/Little Rock ("KZ-95") listeners will be fishing for clues to win a fishing boat in the "\$10,000 Super Summer Bass Boat Giveaway." Clues are given on-air twice a day as to the contents of the boat's live well, and the listeners who guesses correctly wins the boat. Watch and listen for a synchronized fireworks display Memorial Day on KZ-95. • Things are getting wet and wild for WCKN/Greenville-Spartanburg listeners, as the station will be giving away their "Wet and Wild" prize package between now and June 9. Caller 10 who hears the special three song set played in order during that time will win a Yamaha Wavejammer, \$1,000 worth of merchandise from a local waterbed outlet, a \$1,000 wardrobe from Hip Pocket, a year's supply of Pepsi and a daylong fling at Carowinds amusement park for the winner and 12 friends. Following his stepping down as PD (CITY TRACKS 5/22), TOMMY SMITH has exited altogether; leaving MARC BAILEY to hold down mornings solo. **WDIZ/Orlando** listeners will be "Shopping for a Star" this summer, as Coca-Cola, Publix Markets and 'DIZ team up to give away a major prize every day through August. Prizes include Premier cruises, Disney vacations, round trip airfare anywhere in the U.S. that Delta flies and Subaru Legacy sedans. 'DIZ's 18th birthday month celebration wound up with them playing the "Top 1,003 Songs of All-Time" per listeners vote as well as the second annual "Louie Louie" parade and concert; which raised over \$10,000 for the Leukemia Society. Warrant was the headline act at the concert, held at the Central Florida Fairgrounds.

omeday your name will be in lights/ Saying Barry Izumi be good tonight..." OK, maybe that isn't quite how Chuck Berry worded it, but that's the way it was for KPOI/Honolulu listener Barry Izumi. He won the KPOI "Your Name Here" contest with morning maniac B. ROCK WHALEY for the Metallica show at the Blaisdell Arena. Not only was Barry's name listed as "promoter," but he and nine friends were treated to a backstage private party with the band, autographed posters, T-shirts and great seats for the show. Mother's Day found one KPOI listener the recipient of a year's supply of ice cream, \$50 worth of AT&T long distance certificates and a cordless phone - just for answering the age-old question "Did You Drive Your Mom Nuts?" According to the winner's mom, he's still driving her nuts! • The KRXQ/Sacramento ("93 Rock") "93 Rock Excellent Teller Machine" (ETM) is open for business, dispensing cash left and right. Listeners call in to make "withdrawals" of \$40-2,000; or can send in postcards and the ETM will call them. New to the 93 Rock Promotion Department is JOHN NELSON, where he'll be assisting RANDY SCOVIL (JOHN's also the drummer of the band The Popealopes). • How international can you get? KXRX/Seattle just got finished sending listeners on 10 trips to Europe during the month of May; including Paris, Stockholm, Geneva, London, Brussels, Madrid and Hamburg. Listeners who heard the "KXRX American Airlines Pilot" announce the next destination called in and won. Then it was "glasnost" as morning man MIKE WEST joined in the second United States-Soviet Sister Cities Conference; broadcasting live from Seattle's Soviet sister city Tashkent, KXRX also broadcasted a live concert with the Northwest band Jr. Cadillac from Tashkent's Friendship Hall. Closer to home, it was a doubleheader for the Leukemia Society as ROBIN and MAYNARD took to the air for a 24-hour radiothon, during which listeners called in pledges. Then, the following day, KXRX took to the streets for the "Louie, Louie" parade, ending at a party at Volunteer Park with the band Almost Live.

USERS GUIDE: TRACER TRACKS are ranked by actual number of plays. Arrows are maintained by either an increase in plays or an increase in rank over the previous week. For a precise look at market saturation, reach index numbers are provided (gross impressions). Reach index is calculated by each radio stations average quarter hour (SOURCE: ARBITRON) multiplied by the number of plays given the title. Numbers are calculated for average weekly midnight to midnight impact from base monitor hours.

For a more precise and defined look, MMR WEIGHTS EVERY STATION INOIVIOUALLY, according to quarterly, average quarter hour shares (SOURCE: ARBITRON — used by permission)

Significant downtrending disqualifies a title for further current consideration and reassigns recurrent status (see HOTTEST RECURRENTS).

\*Quality play index = average number of weekly plays from stations playing track.

ith 55 mega-prizes to give away over an eight week period, WKLI/Albany's ("K-Lite 101") "Incredible Prize Catalog Sweepstakes" really are incredible! 140,000 direct mail catalog's were sent out, each containing five numbers and the prizes to be won along five "Lines:" (Fantasy, W, K', L' and T). Each weekday, 'KLI calls out a winning number (also revealing which 'line' the listener can choose a prize from), and gives out additional times when numbers will be read off later in the day. So far, two cars, a trip to Florida and \$5,000 in gold chains has been awarded from the spring promotion. • WLEV/Allentown's "Great Escape" had their audience fleeing to Barbados and Quebec City, Canada via the "Great Escape Phrase That Pays": ("WLEV, with just the right mix of music from the 60's, 70's and 80's"). Five times a day the station gave one letter from a certain word. Once listeners pieced together all of the words and deciphered the phrase, they sent it in on a postcard in order to attend a grand prize party where the trips were given away. For the radio station's current "Goldmine" extravaganza, direct mail piece numbers are being announced every hour (7:20AM-12:20AM). Another grand prize gala get-together with all qualifiers will hand out super perks like a \$2,800 diamond ring and a \$15,000 Chevy Lumina! • Just like mom used to make! The WHYN/Springfield, MA Morning crew of PD BILL HESS, LOREN GRAY, JACK O'NEIL and STEVE CAPORIZZO broadcast live from a listener's home for Mother's Day, cooking the abode's mama a complete ham, eggs and coffee breakfast. Hess also recently did an entire show from a hot air balloon during "Balloon Fest," and last Friday rolled on the Connecticut River on a Cabin Cruiser while doing the AM thing. The WHYN spring "Free Money Song" awards \$1,000 when played on "Thousand Dollar Thursdays," and new to the crew is Evening personality JENNIFER FOX from WDRC/Hartford. • WMAS/ Springfield, MA has been conducting an interesting telemarketing campaign for the spring. Calls were made to area businesses and residents to find out their listening habits (what they listen to, who selects what they listen to at work, etc.) and inform them about a special contest put together solely for them. Those called were asked to listen to 'MAS and for the song, "Kokomo" by The Beach Boys. When they hear it, they're to call in for \$1,000. If they can't listen at work, they're further instructed to listen on the way to work for their name to be called (in the form of something like, 'Thanks again to John Doe for listening to WMAS') to win. Again, these two ways to win are not talked about on the air, only on the phone achieving a greater sense of intimacy and 'specialness' between the station and those called. At this writing, the City of Springfield was still winning the ongoing war (with Battle Creek, Michigan) over the Guiness World Record for "Most People Served for Breakfast at One Setting." 'MAS participated once again in the annual hometown event with their pancake blueberries booth, helping to serve the hungry thousands.

#### MIDWEST

hicagoland radio enthusiasts are currently supplementing their regular income by listening to WTMX/Chicago ("Mix 102"). Direct mail pieces targeted primarily at in-office listening asked recipients to send in their names and then listen for them for a shot at a grand when called, and every Thursday for a vacation along the Left Banke in Paris, France! One year younger and wiser is The Mix's own PETER DEAN — happy birthday! • Gentlemen...start your broadcasts??!! WENS/Indianapolis ("Lite Rock 97") was all over the place for yesterday's Indy 500 classic. First, Afternoon man BERNIE EAGAN did his show live last week from the R. Kent Baker Racing garage. Then the station made '500 history' on the 27th by being the first to broadcast live from a float in the 500 Festival Parade, and Morning guys JOHN CINNAMON and JERRY CURTIS did one of their programs from the Fuji blimp during the 500 Fest Mini-Marathon! Today the station kicked off on-air promos for free "WENS Block Parties." They ask their audience to call, mail or fax in their name for a Friday night bash for 30 at their house. Each of the eight parties to be awarded will include tons of food and drink and the Lite 97 Boom Box! 'ENS is also giving away tickets for the Indianapolis premiere of "Ghostbusters II," and a shot at a trip to New York City for the World Premiere (including brunch with the cast)! Happy birthday to you - Promotion Director JERIANNE MINICH.

• Celebrating "10-Years On Top," **KSTP/Minneapolis** ("KS-95") is currently thanking listeners for their support via the "95 Days of Summer." Besides asking their faithful to send postcards with their favorite station memory for some on-air reminiscing, KSTP is giving away \$1,000 everyday. And every Thursday is "Super Thursday" where listeners can net \$5,000, \$10,000 or a trip to 'Anywhere under the sun!" The station recently hosted the "Land of 10,000 Grooves" radio special which gathered together 58 records recorded in the Twin Cities. The special also included in-studio guests Bobby Vee and Terry Jam.

ummer just seemed to come out of nowhere, nevertheless, KQZY/Dallas ("Kozy 105.3") was ready for the quick change of season with three "Picnic in the Park" concerts already on the docket for June, July and August. The mini-festivals will happen on the first Saturday of each month with free entertainment, hot air balloons and more - all free at Bob Woodriff Park in North Dallas. CORKY MILLS arrives in Dallas for Morning Drive from WHTX/Pittsburgh. Gas prices got you down? KMGC/Dallas ("Magic 102.9") is bringing the price of gas down - to nothing throughout the month of June! Next month, Magic will be announcing various locations throught the Metroplex where listeners can fuel up for nada if they're sporting one of the new station car stickers. These lucky audience members will also have an opportunity, at each site, to register for the grand prize of a year's supply of free petrol, to be given away by "TOMMY & THE BEAMER" the morning of June 30th! Dallas' station for "Lite Rock, Lite Jazz' sponsored a couple of recent jazz shows: Special EFX came to the Plaza at Dallas Alley on Mother's Day for a free outdoor show, while this past weekend thousands flocked to Ft. Worth to see "Jazz in Sundance Square" featuring Stanley Jordan. New to PM Drive at 'MGC is SCOTT LeTOURNEAU. Scott lands at the station via KBEQ/Kansas City. • Last week we gave you the details of WQLT/Florence, AL's "Q-Lossal" giveaways (Phases I-III). Now, as promised, Phases IV-VII including: "Q-TENDO!" For the fourth phase of the promo, the station is giving away Nintendo systems by inviting their listeners to play 'Nintendo on the Radio' - here's how: Each day (Monday-Wednesday) 'QLT takes a designated player to try their hand at a sort of 'Radio Pacman.' The station employs four different sound F/X carts, each with the sound of the Pacman moving and eating and each with the sound (at varying intervals) of the Pacman getting eaten. The carts are labeled either "Up," "Down," "Left" or "Right," and the listener/player instructs the jock on which cart to push when. The object is to keep the 'Q-man' eating the competition as long as possible. The amount of time their 'Q-man' lasts is kept track of, and on Thursday nights the participants with the two best times face off. Next on the docket is Phase V ("Q-Lotto"), the as of yet untitled Phase VI (which will give away a boat) and Phase VII (where a ton of cash will be the final prize).

WEST

**BIG/Los Angeles** just can't seem to stop sending their listeners away...on great vacations! For Memorial Day, "BILL & SYLVIA" had family four pack escapes to Knott's Berry Farm to experience the one, the only, the frightful: XK-1! Middayer MARK TAYLOR has "Miami Everyday," L.A. to Miami on American Airlines, a stay at the Miami Doral Ocean Resort and a free rental car during their stay. • The Big Kahuna is partying in San Diego at **KFMB** ("B-100") where it's "Maui a Day in the Month of May!" Every day, seven days a week, the B-100 Big Kahuna tells the listening audience about a new and exciting way to win a trip for two to island paradise including airfare, car and hotel accommodations. One day, for example, it might be via "Hawaiian Hi-Lo," or the next — the "Secret Hawaiian Sound." The station just finished the "B-100 at Work Listening Patrol" where listeners faxed in that they listened at the office and then waited for a suprise visit from (again) The Big Kahuna and his entourage (including a limo and cameramen) and a shot at some of the \$10,000 in prize money. FRANK ANTHONY, one of the Morning "RICH BROTHERS," just celebrated a birthday.

A recent blurb in the newpaper about a former woman inmate who missed the chocolate chip cookies she had been served while serving time caught the ever deviant eyes of KKYY/San Diego's ("Y-95") "JEFF & JER" recently; starting at first as a mere on-air 'bit' mention and blossoming into an on-air event. The morning teammates first called the prison kitchen to speak with the cookie cook and get his special recipe. Next, it seems, a local baker heard the exchange and offered to bake a few and bring them by the station for a taste test. So what did Jeff & Jer do next? Only invite several ex-cons from that prison to stop by Y-95 and relive some delectable oral memories! KKYY celebrated their first anniversary with a huge party that included two bands, 4,000 guests and two trip giveaways: a cruise to the Bahamas and a sojourn to Hawaii. Now, like last spring, the radio station is going back to the Bahamas en mass; giving away 'a cruise a day.' Jeff & Jer will be going again to 'cause at Y-95, "We don't send you places, we take you..." Otherwise, when 'KYY asked their listeners, "What would you do for \$10,000?," one person responded by painting his house with 10,000 Y-95's and agreed to keep it like that for 95 days (he won by the way). DOUG INGOLD (KOSN) is new to afternoons; he's also been named Production Director, and KIM CAFFERTY is promoted from weekends to middays.

TITLE: A Zillion Kisses RELEASE: 7"/12"/CD Pro/Cass. Sgl. LABEL: Sire/WB LP: TOMMY PAGE

"Yeah, 1 pick up your magazine all the time," Tommy Page told MMR. "You guys are the one that monitors all the stations so you know exactly what their playing, right? I love reading all the trades, it's interesting knowing the PD's and the artists involved. I pick up Monday Morning Replay when I go over to my manager Ray Anderson's house."

Page's involvement in his own career is unique, since most managers like to have their clients, especially young ones, see the music scene through rose colored glasses. "Ray calls me every week and tells me, who's playing my record, what rotation, how long," Page said, sounding anything but 19. "Even if it's something bad, like a station won't add it for a certain reason. Most managers wouldn't want their artist to get involved. A lot of times, I'll take it into my own hands. If the local guy is having problems getting an add, I'll call up the stations myself."

"Sometimes it work, sometimes it doesn't. 75% of the time I think the PD's enjoy the artist calling them up and begging them," **Page** laughs.

"I don't think I'll have to do nearly as much begging on my new single, A Zillion Kisses. My last single, A Shoulder To Try On, established a good base, we sold over 250,000 copies," Page said, sounding more and more like those guys who get paid to plug his records. "A Zillion Kisses has got a Dance-Urban feel,

"A Zillion Kisses has got a Dance-Urban feel, with pop crossover appeal. We had the Stock/Aitken/Waterman people completely remix the track. They added a saxophone lead and I'm telling you, it sounds 100% better. Do you have a copy of the remixed version?" Page asked. After assuring Page that I did, he breathed a sigh of relief, (at the time of the interview I didn't, but I was afraid Page would've told me he has a mailing machine in his home and he'd get one out ASAP).

"I think A Zillion Kisses will show a different side of me," **Page** continues. "I don't want to become a ballad artist, even though my last record was one. Other artists like **Glenn Medeiros** are having a really hard time coming with another single. God forbid I ever become another **Barry Manilow**. This is really important that we come with this record and really just blow through all the markets." Good luck, Tommy, wonder if he's learned the fine art of cigar smoking?

ARTIST: THE CALL TITLE: Let The Day Begin RELEASE: CD Pro LABEL: MCA LP: LET THE DAY BEGIN

> Imagine this scenario...**Michael Been**, leader of **The Call** was told. You've just been approached by a beer company after they heard *Let The Day Begin*. With lyrics like, "here's to the dreamers in the bar" here's to the workers in the field..."they figure *The Call* would be perfect to plug their beer!

"Here's to you, tonight is kinda special... Been sang back, then laughed. "No thanks, that's what I'd tell them. Absolutely not! I don't like money that much, I don't need it or want it that badly...Plus I don't even drink their beer!"

Been was in a jovial mood while discussing Let The Day Begin, an uplifting song that sets the tempo for The Call's finest effort yet. Gone are the pessimistic views in Been's lyrics that haunted the groups past. This album was an attempt, musically and lyrically, to balance things out a bit more. I didn't want this album to come out as this heavy, dark thing. That's true in my life too, and I guess it's reflected in my music. It's much more balanced but it isn't 11 Don't Worry Be Happy songs."

Though Been admits that heavy, dark side was crucial to The Calls development, he credits his growth as a person for the band's change of attitude. "I think as you get older, you look at life differently and appreciate things you didn't before and that helps balance out the heavy, dark side."

Another change The Call took was their approach to their sixth lp. "This album is the way **The Call** sounds live, that's the best way we sound," **Been** explains. "We went into the studio using a p.a., not headphones this time. We didn't want to go into this little clinical studio, with these little headphones on, your amp 25 yards away and try to sound live. Engineers used to always tell us you had to do that to get the best sound. For us, the performance was more important than the orthodox rules of technology."

Like a ballplayer uses spring training, The **Call** toured for two months before going in to record LET THE DAY BEGIN. "Usually you come off a tour, write for two months and then you go into the studio. By that time, you're cold, you're not playing your best. We came off the road and right into the studio p.a.'s and all. We discovered that all those rules about isolating instruments so they won't leak into each other is not necessarily true. We didn't want it to sound like this part or that part was phoned in from another planet," Been concluded.

**IABLE OF OF DEPO IABEL:** Cypress/A&M LP: WHERE DO WE GO FROM HERE

"Rock On was an important song for me to record because at the time it originally came out (1973) I was having a lot of problems at school, and it was a rebellious, very cool song that changed things for me," **Michael Damian** told **MMR**. "Radio was my escape for me and Rock On just blew me away. At the time it didn't sound like anything else on the radio with songs like Seasons In The Sun and Billy Don't Be A Hero out."

**Damian** almost did not cut *Rock On*, (his version peaked at #2) after several labels told him radio would not accept it. "I'm so glad I didn't give up," **Damian** recalled. "They said it wasn't commercial enough for today. I remember one label liked it but wanted me to do five remakes. I said, 'guys that's not where I'm coming from,' all the rest of the stuff on the album is all originals."

Including **Damian's** follow-up single, *Cover Of Love*. "That song went through a lot of phases," **Damian** said. "The lyrics came from a car ride home from San Diego. We had this big discussion about relationships and that's how the song developed. The basic vibe is when you have a safe relationship and you flip out and start to run from something that's so great. It scares you. Why do we run, from the *Cover Of Love*?"

Damian got his big break in 1981 when appearing on Dick Clark's American Bandstand. There the producers of Young And The Restless spotted him while looking to add a young rock 'n' roll character to the show. "I had no acting experience at the time," Damian says of his Danny Romalotti character, "Danny was a struggling musician/singer/waiter and that's exactly what I was. I said, 'guys I can play that. That's me!' I never really had aspirations of being an actor, I've always really been into the music scene."

Damian is the youngest son from a family of nine that grew up in San Diego surrounded by music. Three of Michael's siblings (Joanie, Larry and Tom) will accompany him on his tour which opens up June 14. "My family helped produce this album in my home studio," the 27 year-old says. "We've been together since I was 12. They all share my success."

I was 12. They all share my success." "I remember when we were younger, our family got evicted, a couple of times," **Damian** says. "We all played instruments. Can you imagine nine kids playing different instruments? We were like a real life **Partridge Family**. Only mom and dad were a lot smarter, they didn't travel in the bus with us."

TITLE: Gonna Make It RELEASE: 12"/CD Pro LABEL: Cutting/Mercury LP: SA-FIRE

"Gonna Make It is a very positive song," Sa-Fire told MMR from her Paris, France hotel room. "Basically it's dedicated to anyone who wants to take a good look at themselves. My brother **Angel Cosme** and **David Harris** wrote it and produced it. We decided to go with it as the next single, especially now with a lot of kids graduating from school. It's a perfect song for them because once their done with their vacation they have to start thinking about college, or their future." The video for *Gonna Make It* was directed by Mark

The video for *Gonna Make It* was directed by Mark Romanek (New Order, Robyn Hitchcock) and was shot at a junior high school in L.A.

Young adults have always been a concern for the San Juan born-New York raised singer. In 1987, Sa-Fire received an award from the NY Substance Abuse Organization for her participation in various educational programs. "I just want to help out all the teenagers as best I can," **Sa-Fire** says. "As a role model, I try to give them as much help as someone can give them. Hopefully, with my energy, I can get the message through."

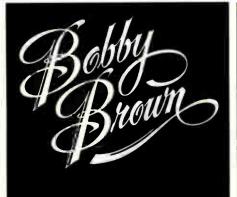

"The neighborhood I grew up in New York, even though it's not a bad neighborhood, have a lot of teens that are involved in drugs. And it hurts to see people waste their lives like that. Some people, because they're so lonely, feel that drugs are the only way out. If they feel high, they feel great. What they don't realize is once they come down, the problem is still there."

The 23-year-old singer whose real name is Wilma Cosme, took her stage name at the advice of Alicie Marin of Cutting Records. "I told Alicie I didn't mind a stage name, but I don't want it to sound weird," Sa-Fire explains. "It's got to sound aggressive, and precious and one-of-a-kind and Sa-Fire fit the bill."

Sa-Fire credits the Miami Sound Machine most for making the Latinize sound so popular. "It's about time, don't you think," Sa-Fire chuckled. "We've been waiting a long time for that sound to become popular. When Miami Sound Machine came out, plus Expose and Lisa Lisa that sound really opened up. Soon radio started catching up to it and it was too powerful to remain underground."

That Latin sound has been around for years," Sa-Fire adds. "But it's probably more popular now than ever, it's got a lot of recognition. The timing couldn't be better for me. If anything I'm taking advantage of that popularity."

#### ARTIST: BOBBY BROWN

M

TITLE: On Our Own RELEASE: 7 /12"/CI) Pro LABEL: MCA LP: GHOSTBUSTERS 2

Bobby Brown once again teams up with producers L.A. & Babyface for the first single from the GHOSTBUSTERS 2 soundtrack, On Our Own. "Ivan Reitman, Ghostbusters' director, was a huge Bobby Brown fan, and really wanted him for the soundtrack," says Kathy Nelson, MCA's Vice President of Film Music/A&R. "And that set the tone for the rest of the music for the soundtrack lp While there are a diverse group of artists repre sented, all of the music has a consistent feel," Brown also makes a cameo appearance in the new film.

Nelson, well known for her work with "Beverly Hills Cop (Parts 1 & 2)," "Miami Vice (Parts 1 & 2) "Running Scared" and "Sid And Nancy," among others, spearheaded the GHOSTBUSTERS 2 effort for MCA Records. The original "Ghostbusters" remains the highest-grossing comedy of all-time

With only a month to work with, the soundtrack presented a unique challenge to Nelson and soundtrack executive producer Peter Afterman. Each song was written specifically for the film: thus, the soundtrack required far more than song selection and placement, and time was critical. **Brown**, for instance, flew in between concert dates to record and produce his track while former **Eagle Glenn Frey** contributed Flip City in between takes of his TV series *"Wise Guys.* 

The soundtrack also features a re-worked, rap version of **Ray Parker Jr.'s** original *Ghostbusters* theme done by Run-DMC. Howard Huntsberry, who portrayed Jackie Wilson in the film "LaBamba," contributes his version of *lligher And lligher*, made famous by Jackie Wilson. Elton John contributes Love Is A Cannibal, plus there are originals from Oingo Boingo, New Edition, Doug E. Fresh and the Get Fresh Crew and former Kool And The Gang vocalist James "JT" Taylor.

Ghostbusters 2 stars Bill Murray, Dan Aykroyd, Sigourney Weaver, Harold Ramis and Rick Moranis. Ramis and Aykroyd, who wrote the first screenplay, have also scripted the sequel. It opens nationwide on June 16. The GHOSTBUSTERS 2 soundtrack willbe available on June 12.

#### ARTIST: ANDERSON. BRUFORD. WAKEMAN. HOWE

TITLE: Brother Of Mine RELEASE: CD Pro LABEL: Arista LP: ANDERSON BRUFORD WAKEMAN, HOWE

"Brother Of Mine is a highly developed song that touches on the many aspects of the word brother," Steve Howe told MMR. "We think of the word brother in the family sense, but in a world sense it's a hopeful universal world that suggest a strong sense of unity as opposed to disharmony."

The ideas and the concepts behind any album have to be clear enough to interpret, but the music that we make we're not after that single clarity," Howe adds. "We're after a subtlety. You can still hit people right between the eyes with ideas. There's a desire to get certain wrongs made right. That's why I think the overall message in the album is of hope."

Despite reuniting Jon Anderson, Bill Bruford, Rick Wakeman and Howe for the first time in some 15 years, the guitarist was wary of comparing this effort to any previous **Yes** lp. "I really don't see any comparison," Howe states. "I'm more segmented in my view of comparing this album. Rock music is basically formalized at some point and that formulates a very strong image of sound, that we ourselves cannot take full credit for. I think this album doesn't sound like any one Yes album, but more so in regards to the whole scene, all of our albums.

We always try to sound better than we did on the last album," Howe says. "This is us, a few years later, trying to sound better than our last album.

Though all four members spent several years with Yes, that name belongs to bassist Chris Squire and Atlantic Records which retained the rights to the name. "Some of us never sought to be called Yes," Howe says. "The fact that there were attempts to procure that name are out of my jurisdiction. I ways thought that Chris Squire, Trevor Rabin, Alan White are Yes. The fact that we have been in Yes is interesting. The fact that we may sound more like Yes than possibly they will has yet to be proved. It's not a competition thing though. I hear they (Yes) may be out on tour at a similar time

Anderson, Bruford, Wakeman, llowe open their tour July 29 in Memphis. "I'd say 50% of the stuff will be the stuff our audience expects us to play, the other 50% will be stuff hopefully they'll be surprised to hear us play."

ARTIST: Q-FEEL

Quick, somebody stop this monster before the career of K.C. and the Sunshine Band gets resurrected! Thanks to the resurgence of songs like Sheriff's When I'm With You or Benny Mardones Into The Night there's nearly as much old stuff on the charts as new material! The latest entry is **Q** Feel's Dancing In Heaven,

a record that received marginal airplay when it originally surfaced in 1983. The album was produced and co-written by Martin Page (We Built This City and These Dreams) and Bruce Fairweather. Jive Records said Dancing In Heaven

Fairweather. Jive Records said Dancing In Heaven got "lost in the sauce," back then, and that it should've been a much bigger hit. So did, J.J. Morgan, Program Director at KZHTT Salt Lake City, who also got the ball rolling with UB40's Red Red Wine. He's one of radio's main monsters!" I started playing Q-Feel in early March when I first got here," Morgan says. "I thought that Dancing In Heaven was a cool, cool record that stood out from the rest of the music out there. "There wasn't a lot of product out there at the time." There wasn't a lot of product out there at the time

There wasn't a lot of product out there at the time that interested us." Besides standing out, Morgan figures the reason old. new records are receiving so much airplay is because, "they sound fresh, lately there's a lot of the sante sound. You get either the Synth-pop sound with drum machines and keyboards or the L.A. & Babyface action, and 1 take nothing away from any of it, or you get the rock 'n' roll aspect. After awhile there's only so much Guns N' Roses into Def Leppard into Warrant you can take." After Salt Lake City responded, Morgan turned Guy Zapoleon of the Nationwide chain on to Q-Feel and the buzz really began. "That's exactly what happened," says Geary Tanner of RCA. "about

what happened," says **Geary Tanner of RCA**. about five weeks ago we started servicing stations with 15 ips tapes we made up. But we didn't officially release it until we heard from a handful of stations that the record was a hit.

So where does this all end? Will programmers be spending more time in their dusty music libraries than, say, the golf course? "Not at all," Morgan chuckles. "It's funny, my night jock Jay Michaels came across this old 96X. Miami album, from the old Disco days and says, 'enton man gotta play Get Down Tonight by KC and the Sunshine Band.' I looked at him and said, No 'enion man we \$10 &ing way! I'm sorry, enough is enough.

#### ARTIST: LL COOL J

Ν

T**ITLE:** I'm Th**e** Type Of <mark>Gu</mark>y RELEASE: 7"/ 12" CD Pro/Cass. Sgl. LABEL: Def Jam Columbia LP: WALKING WITH A PANTHER

It's been two years since the release of LL Cool J's double-platinum BIGGER AND DEFFER lp. During that time a whole raft of new rappers like Tone-Loc, Jazzy Jeff & The Fresh Prince and Public Enemy have risen to the top while previously notable act like the Fat Boys and Kurtis Blow have fallen on hard times.

So where does this leave LL Cool J, who surveyed the current scene and sees... "nothing, or at least no one. I ain't playing the Crab-In-A-Barrel effect," LL says. I'm just doin' my thing: straight to my target, straight to my goal. I'm not worried who came before me or after me. I gotta climb a mountain, take my time. I'm a tortoise. All these rabbits running back and forth, but I'm just chillin'."

With the release of his third Def Jam/Columbia album, we find LL walking with a panther. "I called the album WALKING WITH A PANTHER 'cause you gotta be bad to walk with a panther and nobody will mess with a guy who's walking with a panther," LL explains. "Gun or no gun, you're gonna leave him alone." "I don't promote violence and I don't promote

drugs, simple as that," LL states, "Kids come to my show to have fun, not to hear how bad the world is."

The self produced album conforms with LL's image of being "a total dude, a natural mixture of John Wayne, Casanova and Cary Grant, He takes on the Casanova approach to his first single I'm The Type Of Guy. Other tracks such as Droppin' Em and It Gets No Rougher show his John Wayne influence, ("I'm ready for anyone foolish enough to try me"). The Cary Grant influence shines brightly on soothing rap ballads such as You're My Heart and One Shot At Love.

Despite his early success the 21-year old doesn't feel very successful. "I feel hungry, like I'm not where I wanna be," LL concludes, "When I look at George Michael or Michael Jackson, I know there's so much farther to go. Three albunis? Some artists got 15, 20 albums. I'm new. I see that mountaintop with a golden microphone and if it takes me 20 years, I wanna get there. I'm gonna keep striving."
