The #1 Station in Sioux Falls is also The #1 Station in KELO-LAND.

A large geographic coverage area and local news dominance that beats even the closest competitor 2 to 1 - That's why it is called KELO-LAND.

KELO-LAND TV is the only regional advertising medium which completely covers the Upper Midwest distribution area. KELO-TV and its satellites KDLO-TV, KPLO-TV and KCLO-TV cover approximately 90% of South Dakota's population, plus rich portions of Iowa, Minnesota and Nebraska.

The KELO-LAND Stations provide you with thousands of viewers in this major Heartland market with the best in CBS network and local programming. Strength and influence that produces outstanding results - That's KELO-LAND TV.

It
All
Starts
With
Family.

Nothing is more important to a family than understanding and communication. Yet this often seems to be the most difficult task of all.

Nobody has all the answers, but **WFAA-TV** wants to help. As a source of information, as friends who care, and as neighbors with a stake in our community.

The result of that commitment is **Project 8: Family First**, a station wide, community outreach effort that reflects our most deeply felt values.

It's what **WFAA-TV** and **The Spirit of Texas** are all about.

Call us for reports from the Factbook data bases that select only those elements that are important to you, then have the reports sort the data into state, county or regional breakdowns, rank it by size, age or any other variable and screen out systems/stations that do not meet specified criteria.

Here are just a few examples of vital studies Warren Publishing, Inc., has recently provided to its clients:

- Cable system channel capacity studies
- Broadcast TV and cable system ownership studies
- Miniature data bases installed at clients' sites for maintaining important sales and marketing information

- Lists of cable systems carrying programming competitive with proposed new services
- Lists of cable systems using equipment competitive with new products being introduced
- Mailing labels for marketing campaigns targeted to broadcast stations and cable systems with specified characteristics

Warren Publishing, Inc., has been collecting broadcast TV data since 1945 and was the first organization to gather cable TV data. The Factbook data bases are unmatched by anything else in the field and are totally responsive to your individual requirements. They offer you unheard of speed and flexibility using the most complete source of television data available.

Best of all, reports from Warren Publishing, Inc., are available to you in a variety of formats sure to meet your needs. You may opt to receive data . . .
