Become a subscriber to the biweekly business publication focusing on the federal telecom policy and regulation...

...from the publishers of the daily record of telecommunications, *Communications Daily*...

FCC Report offers you—in one easy-to-read issue every other week—intensive coverage of federal telecom policy and regulation. It provides you with critical analysis and on-the-spot regulatory reports covering the FCC and Capitol Hill. *Each issue helps you zero in on the crucial relationships between public policy, regulatory action and the day-to-day activities of the telecom marketplace.* Detailed FCC proceedings give you a picture of how political forces shape the world in which your business competes.

Increase your competitive advantage...

Required reading in many offices at local and long-distance telephone companies, state attorneys general, public utility commissions, law and investment firms, **FCC Report** is designed to help you increase your personal and business competitive advantage. Because the FCC's regulatory power affects every segment of the telecommunications industry, your industry--a single FCC ruling could affect your job and the way you do business. Reading **FCC Report** will arm you with up-to-date summaries of FCC activity...and analysis of what that activity really means. With **FCCR**, you get the reliable briefings at a very affordable price.

Get the business intelligence you need...

You'll follow the key courts with easy-to-read summaries of current legal developments. Many issues of **FCC Report** include charts that detail a variety of FCC news, including comment filings, tariff proposals and court decisions. In addition, **FCCR** covers the key state regulation activity that so often informs federal rulemaking. Many readers find particular benefit from each issue's compilation of **FCC Briefs**, a consolidated overview of actions at FCC bureaus that are often overlooked in other publications. And since **FCC Report** is tailored to fit the hectic pace of telecommunications professionals, it is designed to be read quickly--to help you spend less time gathering information and more time using what you've found.

Communications Daily

The Authoritative News Service of Electronic Communications

Read the only publication the Federal Communications Commission (FCC) and the National Telecommunications and Information Administration (NTIA) have subscribed to electronically for all their employees...

"CD has the sources, the facts and the intelligence to put it all together. I rely on CD every day."

Timothy A. Boggs
Senior Vice President for Public Policy
TIME WARNER

The only daily publication covering the entire telecommunications industry, **Communications Daily** follows the latest news in telephone, broadcasting, cable TV, electronic information distribution, satellites, cellular radio and all other important segments of communications.

The **Daily** condenses a tremendous amount of valuable information into each compact issue. You get the maximum amount of news about your industry—the very latest intelligence to help you make key business decisions—in an easy-to-read format that takes you just minutes each day to digest.

Fifteen veteran editors and reporters cover the news for **Communications Daily**. They keep you abreast of new developments in industry, the FCC, Congress, the White House and of other important telecommunications news at home and around the world.

Communications Daily makes news by covering the news. Order your subscription today. If you have a computer and e-mail address, you may choose to have your subscription to CD delivered *electronically* (via the Internet).

Communications Daily

The Authoritative News Service of Electronic Communications

Read the only publication the Federal Communications Commission (FCC) and the National Telecommunications and Information Administration (NTIA) have subscribed to electronically for *all* their employees...

"CD has the sources, the facts and the intelligence to put it all together. I rely on CD every day."

Timothy A. Boggs
Senior Vice President for Public Policy
TIME WARNER

The only daily publication covering the entire telecommunications industry, **Communications Daily** follows the latest news in telephone, broadcasting, cable TV, electronic information distribution, satellites, cellular radio and all other important segments of communications.

The **Daily** condenses a tremendous amount of valuable information into each compact issue. You get the maximum amount of news about your industry—the very latest intelligence to help you make key business decisions—in an easy-to-read format that takes you just minutes each day to digest.

Fifteen veteran editors and reporters cover the news for **Communications Daily**. They keep you abreast of new developments in industry, the FCC, Congress, the White House and of other important telecommunications news at home and around the world.

Communications Daily makes news by covering the news. Order your subscription today. If you have a computer and e-mail address, you may choose to have your subscription to CD delivered *electronically* (via the Internet).

Become a subscriber to the biweekly business publication focusing on the federal telecom policy and regulation...

...from the publishers of the daily record of telecommunications, *Communications Daily*...

FCC Report offers you—in one easy-to-read issue every other week—intensive coverage of federal telecom policy and regulation. It provides you with critical analysis and on-the-spot regulatory reports covering the FCC and Capitol Hill. *Each issue helps you zero in on the crucial relationships between public policy, regulatory action and the day-to-day activities of the telecom marketplace.* Detailed FCC proceedings give you a picture of how political forces shape the world in which your business competes.

Increase your competitive advantage... Required reading in many offices at local and long-distance telephone companies, state attorneys general, public utility commissions, law and investment firms, *FCC Report* is designed to help you increase your personal and business competitive advantage. Because the FCC's regulatory power affects every segment of the telecommunications industry, your industry—a single FCC ruling could affect your job and the way you do business. Reading *FCC Report* will arm you with up-to-date summaries of FCC activity...and analysis of what that activity really means. With *FCC Report*, you get the reliable briefings at a very affordable price.

Get the business intelligence you need...

You'll follow the key courts with easy-to-read summaries of current legal developments. Many issues of *FCC Report* include charts that detail a variety of FCC news, including comment filings, tariff proposals and court decisions. In addition, *FCCR* covers the key state regulation activity that so often informs federal rulemaking. Many readers find particular benefit from each issue's compilation of *FCC Briefs*, a consolidated overview of actions at FCC bureaus that are often overlooked in other publications. And since *FCC Report* is tailored to fit the hectic pace of telecommunications professionals, it is designed to be read quickly—to help you spend less time gathering information and more time using what you've found.
