

## Happy Broadcasting in 1976!

On November 1st 1975 Frank Bogusz became president and general manager of Sparta, while, Jack J. Lawson assumed the title of senior vice president.

Bogusz's career has spanned engineering management, R[D, and ten years of general management experience, most recently with an East Coast Litton Industries division.

In the issues ahead "The Spartan" will outline several operational changes which will provide better Sparta service to broadcasters, but for now the management wishes you all. . .

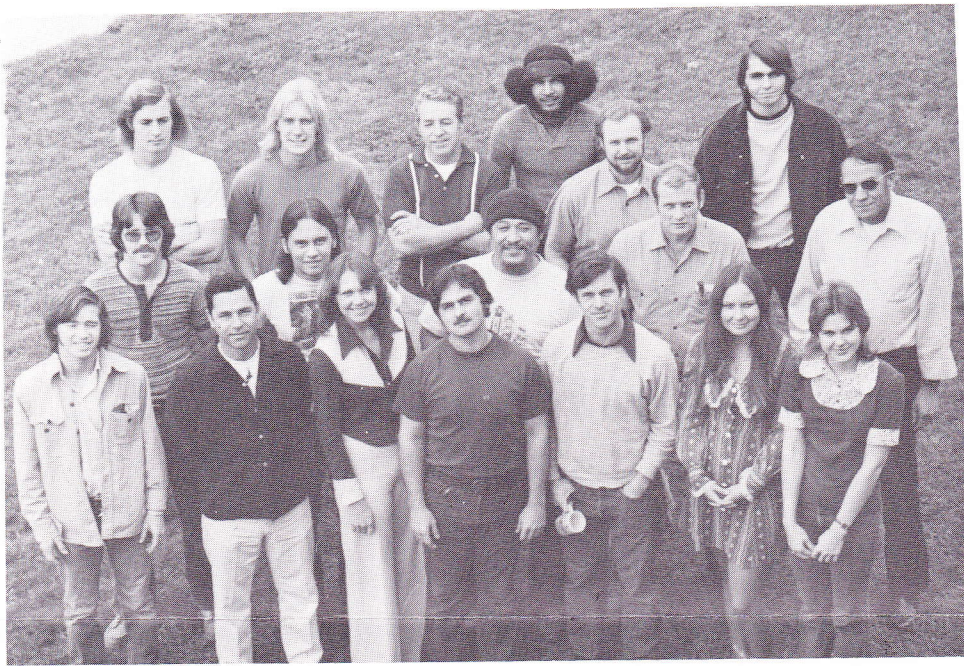

**HAPPY HOLIDAYS and our BEST FOR THE NEW YEAR.**

*Frank Bogusz, Sparta President and General Manager since November 1st.*
