**CLINTON READY TO DIS THE COOK?** After months of reports that she was finally set to be nominated as the FCC chairman, R&R reports that Antoinette Cook has withdrawn her name from consideration. More news on page 5.

**ALL GAY AM NEVER SHOWS:** Five months after the announcement that Colorado Springs area station KXRE would sign on with a new gay-themed satellite network, that station has finally materialized but is instead simulcasting co-owned Spanish outlet KRRU Pueblo's international format. The KGAY network, which was set up to protest anti-gay legislation that passed in Colorado last fall, is off the air for "reorganizing." Full format details follow.
