Almost 30 years in print!

The Northwest Vintage Radio Society

The Northwest Vintage Radio Society is a non-profit historical society incorporated in the State of Oregon. Since 1974 the Society has been dedicated to the preservation and enjoyment of “Vintage radio” and wireless equipment.

Membership in the Society is open to all who are actively interested in historic preservation. The dues are \$20.00 for domestic membership, due on January 1st of each year (prorated quarterly).

The *Call Letter* has been a monthly publication since 1974. It was originated with the founder, Bob Bilbie, and our first president, Harley Perkins. Through several editors and with the assistance of numerous society members, the *Call Letter* has continued to be a publication that informs members of the society’s business and that supports the hobby of collecting, preserving, and restoring vintage radios.

Society meetings are held the second Saturday of each month (except July and August) at the Abernethy Grange Hall at 15745 S. Harley Ave. in Oregon City, Oregon. They convene at or about 10 AM for the purpose of displaying radios, conducting Society business, and exchanging information. Guests are welcome at all Society meetings and functions (except board meetings).

Other Society functions include guest speakers, auctions, radio show, and radio sales which are advertised in the *Call Letter* and are held in and around Portland.

From the Editor

by *Call Letter* Editor, Rick Walton

It's been hard to concentrate on radios over the past month because of the work going on in my backyard. I'm getting a new garage that will likely never house any of our cars. Instead it will be my shop and provide me with much needed storage for the radios I've collected.

I don't know about the rest of you, but on July 28 I was saddened by news of the death of Bob Hope. What a career he had. What a star he was. On top of it all, what a decent human being.

The summer doldrums are upon us, thus the skimpy Call Letter. The photo display is from the Red Cross "Rock and Roll Up Your Sleeve" blood drive. Charlie Kent, Liles Garcia, and I filled up our tables with radios that generated some interest by blood donors as they made their way down the corridor. Out in the parking lot were several antique cars, highlighted by the Alfa Romeo shown in one of the photos. About mid-morning the Elvis impersonator began entertaining the blood donors as well as the staff and other volunteers.

I have to expand on my entry in Voila. That find came about because I just happened to mention to the right person at the right time that I collect antique radios. I cringed when she told me that her mother had a radio, but I listened to the description, and before long, I owned another radio.

Cliff Tuttle I acquired a Zenith console (1942???) at a garage sale in NE Washington. Got it as far as the mother-in-laws in Spokane before flying back to Portland. Now I have to drive back to pick it up. Also bought an Atwater Kent model 37 on Ebay. Turned out to be a very nice transaction. The packing box was in sad shape, but the radio made it intact.

Rick Walton Westinghouse “Columnaire” model WR-8 (1931). Acquired from a co-worker’s 80-year old mother, whose father-in-law brought it home new from his shop in Spokane.

Meeting Location!

Our monthly meetings are held in the Abernathy Grange Hall, located at 15745 S. Harley Ave. in Oregon City. Here are instructions for getting there and a map.

1. Take the OR-213 exit, exit number 10, towards PARK PLACE/MOLALLA.
2. From the South, turn RIGHT onto SR-213, or from the North, keep RIGHT at the fork in the ramp and merge onto SR-213.
3. Turn LEFT at the first traffic light onto CLACKAMAS RIVER DR.
4. Turn RIGHT onto S FORSYTHE RD.
5. Turn LEFT onto S HARLEY AVE. The Abernathy Grange Hall is a little past S. Taylor Lane.

The written instructions came from “Map Quest” on the Internet; the map is scanned from a AAA map with much detail removed for the sake of clarity.
