

THE MARCONI REVIEW

VOLUME II

JANUARY 1930—DECEMBER 1930

NOS. 16—27

VOLUME TWO

JANUARY 1930—DECEMBER 1930

<i>Article.</i>	<i>Author.</i>	<i>Issue No.</i>	<i>Page No.</i>
Portable Precision Frequency Meter ...	PARKIN, T. D. ...	16	1
Wireless Telephony and Direction Finding in the Far South,—Part II	16	17
Uniform Short Wave Aerial	16	22
World Wide Communications with Short Wave	ECKERSLEY, T. L. and TREMELLEN, K. W. ...	17	1
Vector Solution of Short Wave Feeder Problems ...	GREEN, E. ...	17	18
Practical Determination of the Terminal Impedance of Short Wave Feeders ...	BIRD, L. T. ...	17	24
Marconi Radio Telephony Terminal Equipment ...	MATHIEU, G. A. ...	18	1
Constant Frequency Control for Broadcast Transmitter,—Part II	18	12
Tuning Fork Control for Short Wave Transmitters ...	MURPHY, F. M. G. ...	18	13
Portable Constant Output Tone Generator and Valve Voltmeter ...	KEMP, C. G. ...	18	17
Spaced Aerial Reception—Experiments at Terling ...	PROCTER WILSON, W. ...	19	1
Marconi Aerodrome Transmitter, T.A.1	19	7
Marconi Low Voltage Cathode Ray Equipment	PUCKLE, O. S. ...	19	12
Short Wave Propagation ...	LADNER, A. W. ...	19	24
Marconi Reflection Sounding Device ...	SLEE, J. A. ...	20	1
Low Power Naval Transmitter, T.N.5a	20	11
Influence of Beam Aerial Height on Signal Intensity ...	ECKERSLEY, T. L. ...	20	14
Marconi Marine Receiver	20	17
Marconi-Adcock Direction Finder ...	DAVIS, N. E. ...	21	1
Marconi Marine Short Wave Receiver, Type 372	21	9
Direct Current Grid Method of Modulation ...	LUNNON, F. C. ...	21	14
Tone Modulation of Telegraphic Transmitter,—I ...	WELLS, N. ...	22	1
Marconi Short Wave Telegraph Transmitter, Sroo	22	8
Master Oscillator of High Constancy of Frequency ...	PARKIN, T. D. ...	22	14
Marconi Naval Receiver, R.g.27	22	22
Radiation from a Short Wave Vertical Aerial	ECKERSLEY, T. L. ...	23	1
Marconi Speech Control Equipments for Broadcasting	23	8
Study of Wave Synthesis by Mechanical Means,—V ...	LADNER, A. W. ...	23	25
Harmonic Attenuation ...	DITCHAM, W. T. ...	24	1
Tone Modulation of Telegraphic Transmitters,—II ...	WELLS, N. ...	24	9
Notes on Transmission Measurements ...	PUCKLE, O. S. ...	24	15

VOLUME TWO

JANUARY 1930—DECEMBER 1930

Notes on Transmission Measurements ...	PUCKLE, O. S. ...	24	15

<i>Article.</i>	<i>Author.</i>	<i>Issue No.</i>	<i>Page No.</i>
Desert Mobile Wireless Telegraph Stations for the Egyptian Government	WATTERSON, N.	25	1
Marconi Dory Transmitter	25	7
Warsaw Broadcasting Transmitter	DITCHAM, W. T.	25	10
Wireless Direction Finding as an Aid to Aerial Navigation	CARR, C. B.	25	17
Short Wave Receiver, Type R.C.25... ..	SMALE, J. A.	26	1
Ultra Short Wave Equipment for Tanks and Armoured Cars, S.B.1a	26	15
Receiver, Type R.g.29c	ARMSTRONG, R. B.	26	20
Review of Commercial Wireless Development,—I	RICKARD, C. E.	27	1
Marconi Undulator, Type U.G.6a	SMALE, J. A.	27	17
Valve, 100 kw., Type C.A.T.10... ..	PICKEN, W. J.	27	22
MARCONI NEWS AND NOTES.			
Marconi Veterans' Second Annual Reunion Dinner	16	28
World Broadcast of International Naval Conference in London	17	30
Britain-Japan Beam Telephony	17	31
Swiss Regional Broadcasting Scheme	18	26
Italy's Short Wave Broadcasting Station	18	27
Wireless on World's Fastest Lifeboat	18	28
Wireless for Aerial Navigation in Fog	18	29
Wireless Research for Flying Services	18	30
Portable Wireless Set in the Sudan	18	31
Wireless Minimises Cable Breakdown	18	32
Marchese Marconi telephones over 9,000 miles from his yacht to Australia	19	29
Wireless for Air Yacht	19	31
Marchese Marconi's Wireless Telephone Experiments...	20	24
Italian Short Wave Broadcasting Station	20	26
Egyptian Mobile Wireless Stations	20	27
Short Wave Wireless Communication with Siam	20	28
Swiss Aircraft Wireless Development	20	28
Beam Telephone Service from Madrid to Rio de Janeiro	20	29
Exchange of Broadcasting Programmes	20	30
Island Telephone Service	20	32
Wireless Telephony on the "Homeric"	21	30
Tenth Anniversary of Dame Melba's first Broadcast	21	31
Death of Mr. J. Cave	21	32
Empire Broadcasting	22	25
Wireless and the "Southern Cross"	22	26
Press Delegates Visit Beam Stations	22	28
New Swedish High Power Broadcasting Station	22	30
Marconi Aircraft Apparatus on Test	22	31
Broadcast to U.S.A. from the "Elettra"	23	32
Marchese Marconi Speaks to Melbourne Radio Exhibition	23	32
Marchese Marconi	24	29
World Power Conference	24	29
Wireless for Tanks	24	31
Wireless for Ship's Trials...	24	31

<i>Article.</i>	<i>Author.</i>	<i>Issue No.</i>	<i>Page No.</i>
