Handled by WKIP

WKIP, Poughkeepsie, N. Y., last Tuesday recorded, in the President's study at the new Franklin D. Roosevelt Library on the Hyde Park estate, a quarter-hour broadcast by Princess Juliana of the Netherlands and her two children. The royal family were week-ending with the President and Mrs. Roosevelt, and the special program had been requested by the Netherlands Information Bureau for rebroadcast via shortwave on WRUL, Boston.

Bruff W. Olin, WKIP manager, and John Burke, chief engineer, handled the program. The Chief Executive, his wife and guests arrived at the library about noon, a transcription was made of their native-language comments, and then was rushed to New York, where the transcription was tied in by wire to the WRUL studios for broadcast at 3 p.m.

Child Panel

PANEL DISCUSSION on "Radio and Our Children" between representatives of the radio industry and the education field will be held Nov. 13 by the Child Study Assn., at its New York headquarters, prior to the institution's annual meeting the following day at the Hotel Commodore, New York. The panel will cover the problems of the writer, director, producer, broadcasting systems, advertising agencies, sponsors, parents and children, and how these problems can be met and reconciled.

Change in Serial Cast

SELENA ROYLE, who until recently played the lead in Colgate-Palmolive-Peet's *Woman of Courage*, Monday-through-Friday strip on CBS, starting Nov. 10 will play the lead in *Kate Hopkins*, five-time weekly serial sponsored by General Foods for Maxwell House Coffee. Moss Royle succeeds Margaret McDonald who has the *Kate Hopkins* lead for the last two years. Other members of the cast, including Constance Collier, Clayton Kollier and Raymond Edward Johnson, remain unchanged. Ted Bates Inc., New York is the agency for the Colgate account while Benton & Bowles, that city, handles Maxwell House.
