In Contest

Procedural Rulings

■ Fort Bragg, Calif. **FM Proceeding:** (BC Docs. 80-62-63)—Broadcast Bureau designated for hearing in consolidated proceeding mutually exclusive applications of Mendocino Coast Wireless Co. and Fort Bragg Broadcasting Co. for CP for 95.3 mhz at Fort Bragg, Calif., to determine whether Fort Bragg is financially qualified; and with respect to its ascertainment efforts, whether it interviewed leaders of industry, labor and elderly, and whether its study contained demographic breakdown of Fort Bragg which would enable it to identify significant groups in Fort Bragg; which proposal would, on comparative basis, better serve public interest, and which application should be granted. Action Feb. 8.

■ Bridgeport, Conn. **TV Proceeding:** (BC Docs. 80-78-79)—Broadcast Bureau designated for hearing in consolidated proceeding mutually exclusive applications of Bridgeways Communications Corp. and Hi-Ho Television Corp. for ch. 43, Bridgeport, Conn., to determine, with respect to Bridgeways: whether a trans. site is available; whether cost estimate for first three months of operation should be reassessed; whether Bridgeways is financially qualified, and whether it has complied with provisions of Question and Answer 36 of Ascertainment Primer. To determine whether Hi-Ho is financially qualified; which application would better serve public interest, and which application should be granted. Action Feb. 15.

■ French Lick, Ind. **FM Proceeding:** (BC Docs. 80-82-83)—Broadcast Bureau designated for hearing in consolidated proceeding mutually exclusive applications of Hoosier Hills Broadcasting Corp. and Willtronics Broadcasting for CP for 100.1 mhz at French Lick, Ind., to determine with respect to Hoosier, whether it is financially qualified; whether it interviewed leaders of recreation, labor, women's groups, elderly, charity and agriculture, and whether it has complied with Question 15 of Primer; with respect to Willtronics, whether it interviewed leaders of public safety, health and welfare, elderly and agriculture; which proposal would, on comparative basis, better serve public interest, and which application should be granted. Action Feb. 21.

■ Boulder City, Nev.—**FM Proceeding:** (BC Docs. 80-76-77)—Broadcast Bureau designated for hearing in consolidated proceeding mutually exclusive applications of Garrett, Andrews & Letizia, Inc. and Ferraro and Ferraro for CP for 105.5 mhz at Boulder City, Nev., to determine which proposal would, on comparative basis, better serve public interest, and which application should be granted. Action Feb. 12.

■ Tulsa, Okla. **TV Proceeding:** (BC Docs. 80-80-81)—Broadcast Bureau designated for hearing in consolidated proceeding mutually exclusive applications of David Livingstone Missionary Foundation and Alden Communication Corp. for CP for ch. 47 Tulsa, Okla., to determine with respect to Livingstone whether its proposed program policy will provide broadcast time for those that do not share same precepts as applicant, and if not, to determine effects thereof upon its basic qualifications. To determine with respect to Alden, whether it is financially qualified; whether its proposal is in compliance with Questions and Answers 6, 9 and 13(a) of Ascertainment Primer; whether its programming proposal reflects an evaluation of its ascertained problems and needs; whether there is reasonable possibility that tower height and location as proposed would constitute hazard to air navigation, and if so, whether Alden is qualified. To determine which proposal would, on comparative basis, better serve public interest, and which should be granted. Action Feb. 21.

■ Rosenberg and Richmond, both Texas **TV Proceeding:** (BC Docs. 80-64-66)—Broadcast Bureau designated for hearing in consolidated proceeding mutually exclusive applications of Pueblo Broadcasting Corp., Trinity Broadcasting of Texas, Inc. and Texas 45 Broadcasting, Inc. for CP for ch. 45, allocated to Rosenberg, to determine, with respect to Trinity, whether it has liquid assets in excess of current liabilities of at least \$487,184 and whether it is financially qualified; areas and populations that would receive primary television service from applicants, and
