

# The Beatles as nature intended.

"Get Back" is the Beatles new single. It's the first Beatles record which is as live as can be, in this electronic age.

There's no electronic watchamacallit.

"Get Back" is a pure spring-time rock number.

On the other side there's an equally live number called "Don't let me down".

Paul's got this to say about Get Back... "we were sitting in the studio and we made it up out of thin air...we started to write words there and then...

when we finished it, we recorded it at Apple Studios and made it into a song to roller-coast by".

P.S. John adds, It's John playing the fab live guitar solo.

And now John on Don't let me down. John says don't let me down about "Don't let me down".

In "Get Back" and "Don't let me down", you'll find the Beatles, as nature intended.

**Get Back / Don't let me down (Apple 2490)**
