57 Active Rock reporters. Monitored airplay data supplied by Mediabase Research, a division of Premiere Radio Networks. Songs ranked by total plays for the airplay week of 3/31/02-4/6/02. Bullets appear on songs gaining plays or remaining flat from previous week. If two songs are tied in total plays, the song with the larger increase in plays is placed first. Songs below No. 20 are moved to recurrent after 20 weeks on the chart. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Plays lists the songs with the greatest week-to-week increases in total plays. Gross Impressions equals Average Quarter Hour Persons times number of plays (times 100). Average Quarter Hour Persons used herein with permission from the Arbitron Company (copyright 2002, The Arbitron Company). (C) 2002, R&R, Inc.
