

## Jock-O-Matic

■ New York radio vet **Dylan** officially takes over afternoons on CBS Radio AC **WWFS (Fresh 102.7)/New York**. The move surprises, well, no one, since he's been filling the shift anyway since **Mike Perry** left in February. "Dylan is the performer formerly known as **Dead-Air Dave**, but that name wasn't 'Fresh' enough," Fresh PD **Brian Thomas** says. We checked it out, and wouldn't you know it, Dylan did indeed go by his witness protection name during his seven years at sister **WXRK (92.3 K-Rock)**. Dylan/Dave also worked at 105.1 in the Big Apple during its heady days as **WDBZ (105.1 the Buzz)** and **WBIX (Big 105)**.

■ We couldn't help but notice that music and programming coordinator/longtime station babe **Danni** has come off-air at CBS Radio's **WXRK (92.3 K-Rock)/New York**, and the lovely **Marci** is now doing 1 p.m.-4 p.m.

■ Bonneville triple A **KSWD (100.3 the Sound)/Los Angeles** is slowly beginning to humanize its on-air, um, sound with the addition of its first official personality: Say

The name's Chanley, Andy Chanley.

hello to market vet **Andy Chanley**, your genial new afternoon dude. No stranger to the term "World Class Rock," Chanley used to do mornings in L.A. at late triple A Channel 103.1 (now **Indie 103.1**). Before that, he spent two years in mid-days at late alternative **Y107/Los Angeles**.

■ Senior VP **Michael Martin** has tweaked the airshifts a bit across the street at Clear Channel alternative **KYSR**: **Yvonne Velazquez** gets her marathon 10 a.m.-4 p.m. shift shortened to the industry standard 10 a.m.-2 p.m. midday

shift, followed by **Josh Venable** from 2 p.m.-7 p.m. (formerly 4 p.m.-9 p.m.), and **Kade** is upped from weekends/fill-in to 7 p.m.-midnight. Programming coordinator **Darren Rose** comes off the air full-time.

■ Former WABB/Mobile PD **Zac Davis** changes call letters, states and formats as he signs on to do afternoons at Clear Channel country **WRDU/Raleigh** while he attends grad school. Davis' arrival comes as sweet relief for PD **Trey Cooler**, who had been doing the marathon noon-7 p.m. shift; he'll now simply do middays, thank you very much.

■ Midday princess **Hilary Chambers** exits Clear Channel hot AC **KMYI (Star 94.1)/San Diego** after nearly two years. Chambers previously spent nine years across the street doing afternoons and middays at **XTRA (9IX)**. Starting June 16, the syndicated "On Air With Ryan Seacrest" will take over the shift.

■ **Clay Culver** is leaving overnights at Entercom AC **KKMJ (Majic 95.5)/Austin** (home of R&R '08), resulting in what scientists have casually dubbed a "jock opening."

■ Valentine's Day comes early (for 2009) to Salt Lake City as Simmons Media rhythmic AC **KYMV (MOVIN 100.7)** imports the syndicated **Valentine** for mornings, replacing, well, no one. The artist known as Valentine is based at **KBIG (104.3 MyFM)/Los Angeles**.

■ Mainline CHR/top 40 **WDJX/Louisville** has located its new night jock, and it's a pre-existing family member: **Sarah Jordan**, who had been doing the same shift across the hall at hot AC sister **WXMA**. The 'DJX night shift has been open since **Ben Davis** moved up to mornings, replacing 20-year morning legend **Peter B**, who left the industry late last year.

## Condolences

■ Former longtime **WEBN/Cincinnati** jock **Ken "Mr. K" Glidewell** was killed in a motorcycle accident May 27. Glidewell, 48, spent 12 years at WEBN, the last decade in middays, before he was restructured out of his gig last December. On May 26, Glidewell, who also played bass in several local bands, was riding with four other bikers outside of Brookville, Ind., when the accident occurred. **WLW/Cincinnati** reports Glidewell was airlifted to a hospital, where he later died from his injuries. In lieu of flowers, memorials may be made to the Mr. K Memorial Fund through any Fifth Third Bank.

■ Rock'n'roll pioneer **Bo Diddley**, whose signature song was named after himself, died June 2. He was 79. A spokeswoman says Diddley, who was born **Ellas Otha Bates McDaniel**, died of heart failure in Archer, Fla. He had been in poor health for some time: He suffered a stroke last year in Iowa while on tour, followed several months later by a heart attack. Doctors said the stroke affected his ability to speak, and he had returned to Florida to continue rehabilitation.
